# WEIRDNESS GOING TO THE DOGS

## IN THE DARKNESS IS THE LIGHT

---

On the planet Remnant was Nico, The Ripping Friends, Weiss Schnee, Salem, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were heading over to Weiss's house that was home to the Schnee family and her amazing rich lifestyle.

Me: So Weiss what is your house really like?

Nico: Yeah we heard all about your rich life but not down to the full details.

Weiss: You guys are going to love my house. It's as huge as the estate was before it became the World Tree Estate and it's a massive home big enough to fit an entire village in it.

Me: Wow!

Lana: That is awesome!

Lola: It sure is.

Lincoln: We can't wait to see what it's like Weiss.

Eli: Yeah this is gonna be awesome.

Nico: Thanks for coming with me, Weiss.

Weiss: Anytime Nico. You guys are going to love seeing my mansion. It was a beautiful place to live but it was hell because of my so-called father.

Me: If I ever see that monster again I'm going to make sure he dies this time.

Lincoln: Lets leave that to me and Weiss.

Me: Okay then.

Camie: I just can't believe that your father is that dangerous Weiss.

Weiss: That is a big time understatement.

Starlight Glimmer: Yeah he is a monster with no soul and no conscience.

Chloe: Weiss, you and I were pretty much jerks before we changed for the better.

Weiss: I had no idea we were so much alike Chloe. We both came from rich lifestyles and had Queen Bee attitudes.

Zocks: That is so amazing and coincidental.

Nico: It sure was Zocks. And before Chloe and the team joined us I did not like Chloe one bit. But that was before we got rid of Lie-La.

Zocks: Wow.

Me: Yeah crazy huh?

Sirius: Yeah it sure is.

Weiss: Here we are.

We arrived at Weiss's mansion and we saw that it was a MASSIVE AND GINORMOUS MANSION!

Me: WHOA!

Eli: Wow! Weiss your house is amazing!

Laney: It's so huge!

Lola: Your house is awesome Weiss!

Weiss: Thanks.

Qin: What a pad!

Salem: It's magnificent.

We went into her mansion and it was massive on the inside as it is in the outside.

Me: Wow! Weiss your house is so awesome.

Qin: Boy I'll say.

Rarity: Weiss your mansion is just simply amazing darling.

Weiss: Thanks guys. It's a nice place.

Kaito: I think it's really awesome that you lived here before learning how to become a Huntsman.

Weiss: It sure was a nice home.

Me: Yeah.

Zocks: Chloe, there's another reason you and I are together. It's because I used to be a jerk.

Chloe: But for the right reason. Because you wanted your brothers back to normal.

Me: That's right I remember that.

Nico: Me too.

Eli: That is amazing though.

Nico: Still, not all family is bad. Like Gregory. Is he annoying? Yes.

But he's not really a bad guy.

Me: No he isn't but he does make us laugh.

Weiss: Yes he does.

Salem: That's true.

Tsuyu: Yeah. Weiss what is a Huntsman if I might ask?

Weiss: Well it's a really awesome job and it's really good for the money too. Huntsmen are like the protectors of peace here on Remnant and our job is very similar to that of a police officer.

Me: It's a big job and a huge responsibility.

Nico: It sure is. Their biggest job is defending all the people of Remnant from the threat of the Grimm.

Eli: That's right and they are also the strongest warriors here too.

Weiss: Yes that's right.

Me: They are also like the Shinobi of the 5 Great Nations.

Weiss: That's right.

Sirius: What kinds of jobs do they do?

Weiss: We do it all:

Search and Rescue - Finding missing persons or recovering missing supplies

Search and Destroy - Clearing out Grimm when their infestations grow too large

Perimeter Defense - Fortifying walls and defenses to keep Grimm out of the kingdom and city limits

Village Security - Helping a village (not established as one of four kingdoms) fight off Grimm

Bounty - Capturing wanted criminals and Grimm

Escort - Helping civilians move through Grimm-infested areas

Ochaco: That's a big job.

Salem: Of course, I didn't makes the lives of Huntsman and Huntresses alike very easy.

Nico: I remember that. But thank goodness you aren't like that anymore Salem.

Bonnie Terrez: Yeah no kidding but that's good you don't.

Salem: It sure is. And I'm glad you helped all of Remnant forgive me after everything I did.

Starlight Glimmer: It sure is and we're glad Nico did that too.

Qin: Yeah that was awesome.

Zocks: It sure was.

Weiss: Let me show you all around.

We got to touring Weiss's awesome mansion and it was amazing and breathtaking.

Gaon: Didn't you say you wanted to one day take control of the Schnee Dust Company from your father?

Weiss: That's right. But that was before I became a Huntsman. My dream has been to become a Huntsman.

Camie: Is it dust like dirt and grime?

Me: No Camie this is totally different. This is what the people of Remnant use for energy, weapons and all kinds of every day things. It's a crystal substance known throughout here.

Camie: Oh I get it.

Tsuyu: Amazing.

Weiss: Yes and it's what my family made it's fortune on.

Juran: Of course, the Schnee Dust Company is probably dead at this point.

Weiss: Yeah but my sister Winter has agreed to take it over after we took down my father. She's doing a much better job than he did.

Me: Good. I'm glad she is leading it on the right path.

Qin: Thank goodness.

Nico: No kidding. What your so-called father did was what we call dark shady dealings.

Weiss: Exactly right.

Gaon: Especially with how he treats Faunus!

Nico: Yeah no kidding! He viewed them as a plague on Remnant.

Lincoln: He has no right to be so xenophobic of them.

Me: Yeah no kidding. What a heartless monster.

Lola: No kidding! I think Blake and the Faunus are all awesome.

Weiss: I do too.

We saw the entire house and it was amazing.

Nico: Let's keep this house.

Weiss: I've been wanting to move the house to the World Tree Estate for a while. Awesome idea.

Me: I agree. Weiss this house is a palace made for a king.

Qin: It sure is.

Rainbow Dash: it's really awesome!

Rarity: Yeah no kidding darlings.

But then we heard an EERIE MOAN!

Me: Uh oh. I know that moan anywhere!

Weiss: It's coming from the Courtyard Garden!

We went out to the courtyard and the garden was amazing! It was as beautiful as the Garden of Eden.

Laney: Wow!

Fluttershy: Wow! Weiss your garden is amazing.

Me: So many beautiful flowers.

Laney: Yeah.

We got to the middle of a circle area and we saw a figure and we then saw that it was ANOTHER QUANTUM RANGER! He looked like a scary version of the Time Force Quantum Ranger only with a scary toothed helmet.

Me: WHOA IS THAT!?

Nico: Another Quantum Ranger!?

Eli: Whoa man!

Me: Geez! If Eric and Taylor saw this they would be pissed!

Zocks: That's right and I'm happy for them too.

Me: Same here Zocks.

Nico: You a Faunus wanting revenge on Weiss' dad?

Another Quantum Ranger: (In a girls voice) No I'm here because it's part of a fight club.

Me: That voice!

She reverted back and it was a girl with blue hair and dark blue and black clothes and has the kanji for Water in the middle of her forehead. It was my friend Erica Eria!

Me: (GASP) Erica Eria!

Erica Eria: Good to see you again J.D.

Me: You too Erica and you are looking as beautiful as ever when I first met you in school.

Erica Eria: Thank you J.D. Sorry about this it's nothing personal. I'm into this because it's part of a fight club.

Me: A Fight Club? Man its been years since I've done that.

Nico: How do you know Erica?

Me: She and I went to school together. Years ago she and I built an awesome indoor waterpark at the school for everyone to have fun and it was really good money to raise for the school fundraiser. I discovered that she is also a Water Elemental Hybrid. She's half human and half water elemental.

Nico: Wow! That is cool!

Me: Yep. But just as we were about to go to high school, she disappeared and I hadn't seen her since.

Nico: Swartz got her.

Eli: Oh boy.

Nico: But J.D. have you ever participated in a fight club?

Me: It was a long time ago Nico. But it was actually part of a special covert operation that the Principal gave me. I was called into her office to go undercover to investigate strange suspicious activity coming from a school club. There was a massive rise in people being hurt after they came into a club. I went in disguise as a thuggish kid with a supposed nasty criminal record and I monitored them with a wire and camera and I found out that it was a thug club for criminals and bullies to beat up weak kids. I got that club disbanded and dissolved and sent those monsters to prison where they belong.

Nico: Wow! That's amazing!

Eli: It sure is! Awesome job bro.

Me: Thanks. But Erica did Swartz do this to you?

Erica Eria: He didn't do anything to me. He just came to me inviting me to a fight club. And here I am now.

Nico: (Takes out Wolfgang's ridewatch) Fight club? You think this is a fucking fight club?!

Me: Well this is not a fight club Erica. Swartz lied to you.

Nico: That's right! And J.D. this is not the Skylander Wolfgang's Ridewatch. This is the Dino Fury Wolfgang's Ridewatch.

Me: I remember seeing him! He was ugly!

Nico: You were watching Dino Fury weren't you?

Me: Yep.

Erica Eria: Why so concerned? You guys can't die anyway.

Nico: But you still can!

Me: We don't want to hurt you Erica. But if we have to fight you we will.

Eli: That's right!

Erica Eria: True but I still want to show you my skills!

She was enveloped in a vortex of darkness and atomic particles and she turned into Another Quantum Ranger!

Nico: Oh boy! (Activates the Ridewatch)

Nico got Wolfgang's powers and fired a sonic howl and knocked her down.

Me: Wow!

?: Very impressive fools!

Weiss: Oh great!

A figure came out and it was Jacques Schnee!

Nico: Jacques, never thought we'd see you again. You just don't even know when to quit, do you?

Jacques Schnee: You shut your mouth, you insolent monkey! I will end all of you for ruining me!

Lincoln: Why don't you shut up, you pathetic excuse for a father!

Lincoln's loud booming voice caused Jacques Schnee to shut up, and he was already intimidated by the 17-year-old 7'5" tall, handsome, and extremely muscular white-haired teen.

Lincoln: I'm not that surprised that you're still nothing more than a manipulative, scheming, power-hungry, black-hearted, abusive, controlling, and psychotic bastard who doesn't even give a damn about anyone but yourself.

Me: Yeah, you're nothing but a black-hearted monster from the depths of Hell, you have no love for your own daughter, and you're nothing but a selfish prick with a black heart that only cares about and loves the almighty dollar!

Nico: The suffering you've caused can never be healed, you deserve to die a very gruesome death for everything you've done.

Weiss: That's right, and you don't deserve to live another single second further.

Lincoln: Nico, you and the others handle the Another Quantum Ranger, Weiss and I are about to give her former father a final farewell. (Cracks Knuckles) And like I said, when I marry Weiss in the future, you're not going to be a part of my family, you and every last one of my future wives' evil relatives deserve to die, and you're next.

Weiss: And I've had it up to hear with you to last an eternity.

Suddenly, Weiss' pale blue eyes turned neon pale blue, and she was surrounded by a blue energy aura with darkness, ice crystals, and snowflakes, she got out her massive Ullr's Ice Phoenix Sword of Dark Justice, and as she walked towards Jacques Schnee, she left blue energy, darkness, ice crystals, and snowflakes with every step.

Weiss: Jacques Schnee, I will never forgive you for abusing me when I was a child, and for trying to kill me and my friends, and I will never forgive you for trying to turn all of Atlas against Team Loud Phoenix Storm for your own amusement, and now, I will see to it that you die a miserable painful death for everything that you've done!

Suddenly, Weiss Schnee was surrounded by a massive vortex of pale blue energy with snowflakes, ice, and darkness surrounding it, there's an ice phoenix flying around the vortex, and inside the vortex is a white phoenix. Then, as the vortex faded, Weiss emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Weiss grew from 6'5" to 6'11" in height, she had the body of a goddess and has blue highlights in the bangs of her long flowing white hair, she has neon pale blue eyes and a pale blue energy aura with darkness, ice crystals, snowflakes, and phoenixes surrounding her, Weiss has an ice phoenix with a blue jewel and the Ice Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with pale blue jewels for the eyes and the Ice and Eternity Kanjis in its claws, and she also has a phoenix with pale blue gems for the eyes and the Ice and Eternity Kanjis in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with pale blue gems on the gold lightning bolts and white crystal links from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Weiss has on a long long-sleeved white coat with snowflakes and ice on the coattails and on the back is the symbol of Remnant with snowflakes around it, a short-sleeved white blouse, white shirt with a pale blue phoenix on it, white pants with pale blue snowflakes on them, and white leather ankle-high combat boots. Suddenly, Weiss felt a sharp pain on her back, and then, massive white angel wings with ice blue tips on the white feathers, sprouted out from her back, Weiss has on a Ring of The Phoenix with ice blue gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern corps ring on her left ring finger.

Suddenly, Weiss' massive Ullr's Ice Phoenix Sword of Dark Justice was surrounded by a kaleidoscope of white energy, snowflakes, ice, darkness, and shadows, and when it emerged, it was transformed into Ullr's Dark Arctic Ice Phoenix Greatsword of Dark Justice, it's a brand-new greatsword with the Norse God of Snow, Ullr, with Nordic Runes around him, etched on the 7'0" massive, wide, double-edged white blade, large white phoenix heads with pale blue gems for eyes for the crossguard, large pale blue gem embedded in the rainguard, longer black handle, four large white phoenix heads with pale blue gems for the eyes and in its mouths, and a large pale blue gem on the bottom of the heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with pale blue gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with a large pale blue gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pale blue kanji below the phoenix that said, "Weiss Schnee, Amazing Member of RWBY, Amazing Friend of Ruby Rose, Weiss, and Yang Xiao Long, Loving Future Wife of Lincoln Loud, Former Daughter and Destroyer of Jacques Schnee and Many of Remnant and Atlas' Enemies, Slayer of The Dark Queen of The Grimm and Her Evil Minions, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Swords, Ice, and Phoenixes"

Weiss has transformed into SUPER ANGEL ETERNITY INFINITY DIVINE DARKNESS ICE PHOENIX ANGEL OF ARCTIC JUSTICE AND DIVINE LOVE!

We were amazed by Weiss' Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Jacques Schnee saw it, he fell into an insane unstable rage and tried to kill her by shooting her with a gun, but Weiss fired a powerful blue energy blast with ice, snowflakes, darkness, and phoenixes, and it hits Jacques Schnee's arm with the gun in hand, and he drops the gun, and Lincoln magnetizes it, and it flies into his large right hand, and he crushed it with his immense brute superhuman strength, and that caused Jacques to piss his pants in horror.

Me: Whoa, Weiss has transformed into her Super Angel Eternity Infinity form, and now, she and her man are going to send her evil father straight to The Black Gates forever.

Nico: A perfect way to get rid of another evil relative of Lincoln's future wives.

Lincoln: Wow! You look beautiful Weiss. How do you feel?

Weiss: (Divine Echoing Cosmic Voice of The Ice Phoenix and Divine Dark Love) **I feel incredible, Linky. Now, then, shall we say our final goodbyes to my so-called father?**

Lincoln: (Smiles) With pleasure, Weiss. Like we said, You guys take care of Another Quantum Ranger. We'll take it from here with Jacques.

Me: Go get him guys!

We went to face Another Quantum Ranger.

Another Quantum Ranger: Like I said: nothing personal.

Me: I know Erica. But we're going to save you from this monster

Swartz turned you into. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: And beyond a shadow of a doubt that you will have Vortex Blasters and Chrono Sabers for each of the Non-Core Members of the Masters of Evil.

Another Quantum Ranger: That's right.

She summoned a Vortex Blaster for THE TAR MONSTER!

Nico: The Tar Monster's Vortex Blaster!

Me: This is gonna get really sticky!

Nico: (takes out Tar Pit's Vortex Blaster) Time to fight tar with tar.

They fired blasts and globs of tar and they collided and splattered all over the place.

Me: Jeez!

Nico: What a mess!

Qin: No kidding!

Me: Here's one I haven't tried yet.

I pulled out a Ridewatch for Fireworks Man.

Nico: Fireworks Man?

Me: Yep. He's Chanthavy Samneang The Blacephalon Gene-Slammer's archenemy now.

Nico: Fireworks Pokemon and Living Firework. Not a bad setup.

Me: Thanks.

I activated it and fired a blast of Fireworks energy and it hit Another

Quantum Ranger and knocked her down.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Weiss.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This is the last and final time we'll deal with you, you bastard.**

Lincoln and Weiss went after Jacques Schnee, and they fired powerful blasts of rainbow energy, pale blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, and Angels at and they exploded with incredible power as they hit Jacques Schnee. This pissed him off to no end yet again and he tried to attack until Weiss and Lincoln then slashed off his arms and he screamed in excruciating pain, and drove their massive greatswords into his black heart, killing him for good. Then, as his spirit appeared, Lincoln and Weiss had marked his forehead with a kanji and condemned him to The Black Gates forever. Weiss and Lincoln holstered their massive greatswords on their backs and power down, and Weiss' new body, clothes, weapons, jewelry, and massive white angel wings are permanent.

Weiss: Goodbye forever, "father". Thank you for helping me deal with my former father, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Weiss.

Suddenly, Weiss wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans his face down to Weiss' face, they kissed passionately as Weiss' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with snow falling down behind them.

Vroon: (Gets out Boukenger gear) We'll give you sticky.

Zocks: (gets out Magiranger gear) Sorry if we're fighting in your house, Weiss.

Me: She will be okay with it. Beisdes she and Lincoln are fighting Jacques right now. Also I put up a force field to protect everything.

Zocks: Good.

Vroon got Hyper Concrete for his weapons and Zocks summoned the Magistaffs.

Me: Lets see how she likes this.

MANKY KONG! AUTA MAGETTA! BEST MATCH!

I formed barrels made of lava and threw them and they hit Another Quantum Ranger and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMM!

Nico: Whoa that was hot!

Maria: Good old Fullbottles!

Me: Yeah! Wanted to add some spice to this one.

Eli: That was cool though. Hope she's not afraid of needles!

Eli activated Injector's Ridewatch and fired huge Shot needles! One stabbed her in the leg and it hurt like a son of a bitch!

Another Quantum Ranger: AAGH! Ouch!

Me: Ooh ouch! Thank goodness that Master Goku isn't afraid of needles and shots anymore.

Nico: Yeah.

Me: Lets see here. Ooh I know!

KAMEN RIDER FALCHION! DARK PHOENIX! BEST MATCH!

I spread wings made of pure fire and formed a sword of fire and flew into the air and fired fireballs at Another Quantum Ranger and they hit her all over and smashed her all over.

Another Quantum Ranger: Best fight club ever!

Maria: You seriously don't realize what you've gotten into, do you?

Me: Well as long as she is having fun.

Nico: True.

Qin: Lets see what I got.

Qin pulled out 4 Eyecons. They were for each member of the U-Foes.

WILHEIM CONRAD ROENTGEN AND X-RAY!

HENRY CAVENDISH AND VAPOR!

JAMES PRESCOTT JOULE AND VECTOR!

JOHANN WILHEIM RITTER AND IRONCLAD!

Nico: Wow who are they?

Qin: Wilheim Roentgen was the Discoverer of X-Rays, Henry Cavendish discovered Nitric Acid, James Prescott Joule discovered Heat and Johan Wilheim Ritter discovered Ultraviolet Light.

Nico: Wow! And those are perfect or the U-Foes.

Me: Yeah they are.

Qin: ELECTROMAGNETIC WAVELENGTH BEAM SHOT!

She fired a wave of energy and it formed into the wavelength and it hit Another Quantum Ranger and smashed her down.

Maria: How'd you like that?

But she wasn't done yet!

Me: Got to admire her moxie.

But then suddenly a powerful barrage of fireballs rained down from out of nowhere and they hit Another Quantum Ranger all over.

Me: WHOA!

Nico: Nice job Lola!

Lola: I didn't do anything. It was from up there!

We saw a huge and powerful phoenix with intense flames fly over us!

Me: WHOA! A Spellpyre Phoenix!

Nico: Wow! What a firebird!

It landed and changed into a girl that had red, orange and yellow hair and fire clothes and she had fire hair too and angel wings made of pure fire.

Colleen Dumbledore: (British Accent) Now that was how you make an awesome entrance.

Nico: Colleen Dumbledore! Wow!

Colleen Dumbledore: It's awesome to see you again Nico.

Me: Are you related to?

Colleen Dumbledore: That's right. He's my father.

Eli: Wow! I didn't know Albus Dumbledore was your dad.

Colleen Dumbledore: I'm his adopted daughter actually. I've had many families over the millennia.

Laney: Wait over the Millennia? Are you immortal?

Colleen Dumbledore: That's right. I've lived for over 5,230 years.

All of us: Wow!

Eli: That's incredible!

Colleen Dumbledore: It sure is. We can catch up later. Now lets save this girl.

She fired a massive blast of fire and it hit Another Quantum Ranger and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Erica was down and I caught the Ridewatch and purified it!

I went over and picked her up.

Me: Erica!

Erica Eria: (Groans) What happened?

We saw Vortex Blasters and Chrono Sabers all over the ground and Nico picked up all of them.

Erica Eria: (Groans) Man what a terrible headache! I can't remember what happened.

Me: It's a weird story but you were brainwashed.

I told her everything that happened and it was weird and shocking.

Erica Eria: Oh man. Swartz is gonna get it for messing with my mind like that.

Me: You are not the only one that wants to destroy him.

I picked up Erica and carried her on my back. We got back to Weiss.

Nico: Wow, you guys already took care of Jacques Schnee?

Lincoln: Yeah, we finished 20 minutes ago and sent his butt to The Black Gates.

Rita: Excellent job, honey, and you really socked it to Jacques with what you said.

Weiss: He meant every word of it, Ms. Rita. Wait until Ruby, Yang, and Blake hear this.

Nico: Yeah!

Colleen Dumbledore: That was so amazing though.

Laney: It sure was.

Weiss: Oh wow you must be the Spellpyre Phoenix Gene-Slammer we were going to find.

Colleen Dumbledore: That's right. I'm Colleen Dumbledore and I'm the adopted daughter of Albus Dumbledore.

Weiss: Awesome to meet you.

Lincoln: Same here.

Me: It's a long story with her.

Weiss: What's your favorite memory of Nico?

Colleen Dumbledore: I have a lot of favorite memories from many things over the millennia.

Nico: Colleen is immortal and she has lived for over 5,200 years.

Weiss: Wow!

Me: I know.

Colleen Dumbledore: But my favorite memories are helping Nico in

Metalworks class and we made lots of awesome new metal furniture and tables that are very beautiful. We sold them for a lot of money too.

Nico: Those were beautiful.

Nico and Colleen hugged.

Nico: I've really missed you.

Colleen Dumbledore: Me too Nico. Me too.

Nico: Oh, and Voldemort's dead.

Colleen Dumbledore: I know. I heard all about that from father and it was great you all destroyed him and his followers.

Me: That was one of the most epic and most devastating adventures we've ever had.

Lola: It sure was.

Laney: Yeah.

Erica Eria: Wow. Guys I'm sorry I fought you guys. I don't know what I was thinking about this being a fight club.

Me: It's not your fault Erica. But you did put up a great fight with us in this one.

Erica Eria: Did I really?

Me: You sure did.

We later went back home and told everyone everything that happened and it was amazing.

Lincoln: Wow, we're here in The Elemental Plane of Water, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy Gar Shatterkeel, the leader of The Cult of The Crushing Wave.

Me: That's right, big guy, and it'll make up for my absence since I was unable to go with you and the others to The Elemental Plane of Fire.

Lincoln: But, that wasn't your fault, J.D.

Nico: Yeah, you got sick, thanks to that, ugh, nauseating rescue on the planet of chum.

Eli: And what Lana did in eating it.

Lana had a nervous smile on her face.

Lincoln: Now, now, Eli, you know Lana's always into eating gross stuff, so we can't blame her for that one. And thanks for joining us, Pyrrha.

Pyrrha: You're welcome, Lincoln, this is going to be one awesome underwater rescue.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Gar Shatterkeel, and he's going to kill them.

Lincoln: Guys, I found the four girls, but they've been cornered by Gar Shatterkeel, and he's going to kill them.

?: (Japanese Accent) That underwater, barnacle-covered cult leader, let's get him.

Suddenly, we saw the Duel Monster, Malacoda, Netherlord of The Burning Abyss, appear before us.

Nico: Whoa, that's Malacoda, Netherlord of The Burning Abyss, scary.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Beatrice Moerushin'en, but we'll talk later, we've got an underwater cult leader to send to Davy Jones' Locker.

We then rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Gar Shatterkeel, and it allowed the four girls to get to safety. When Gar Shatterkeel saw us, he was enraged.

Gar Shatterkeel: How dare you interfere, Team Loud Phoenix Storm? Those girls will be sacrificed to Olhydra!

Lincoln: That's not going to happen, and once we kill you, Olhydra's next!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Pyrrha, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Gar Shatterkeel, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a powerful barrage of energy blasts, which not only hit Gar Shatterkeel, but also, the entire Cult of The Crushing Wave organization, and all of them were obliterated, and their spirits were erased by The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's it for Gar Shatterkeel and the entire Cult of The Crashing Wave. (To Beatrice Moerushin'en) And it's so good to see you again, Beatrice Moerushin'en.

Beatrice Moerushin'en reverted back to normal, and she's a beautiful girl with long flowing yellow hair, yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings, and she reigned in the power of Malacoda, Netherlord of the Burning Abyss, and she's dressed in a sleeveless yellow midriff top, yellow shorts, yellow high-heeled sneakers, and long sleeveless black trenchcoat with fiends and darkness on the coattails, and Malacoda, Netherlord of the Burning Abyss on the back, and holstered on her back a large Super Quantal Mech King Great Magnus-themed greatsword with Malacoda, Netherlord of the Burning Abyss etched on the 7'0" massive, wide, double-edged black blade, purple angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by black angel wings for the pommel.

Beatrice Moerushin'en: (Japanese Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Beatrice Moerushin'en and they hugged, and Beatrice Moerushin'en's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were eleven, and as you can see, I really grew a lot since then.

Beatrice Moerushin'en: (Japanese Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her.

Lincoln: Indeed I do, Nico, this is Beatrice Moerushin'en, she's my Guardian Angel from Japan and one of my friends in history and she has quite an interest towards mythology, particularly Greek, Japanese and Chinese mythology, and she's taken an interest towards the Occult.

Me: Wow, that's really awesome.

Lincoln: And it gets even more awesome, J.D., I got her a copy of the Divine Comedy, and she even made us costumes for cosplaying, with me as Dante and her as Beatrice.

Nico: Ooh, now that's even more awesome.

Lincoln: It sure is, but there's a reason why Lori's not with us: it's because Beatrice hates Lori with a passion.

We gasped in shock.

Me: I'm going to guess Lori did something very evil to you guys, and it resulted in Beatrice hating Lori with a passion, which is something we'll hear later on.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Beatrice Moerushin'en's neck with purple gems on the gold thunderbolt links and yellow crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Beatrice Moerushin'en: (Japanese Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Beatrice.

Beatrice Moerushin'en had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Beatrice Moerushin'en's waist and Beatrice Moerushin'en wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Beatrice Moerushin'en's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Ayana Kakinozaka and Risa Takabane from Asa Made Jugyou Chu!, Shion Saionji and Eilietta Lash from ZENONZARD THE ANIMATION.

Lincoln: Oh wow, it's Ayana Kakinozaka and Risa Takabane from

Asa Made Jugyou Chu!, Shion Saionji and Eilietta Lash from ZENONZARD THE ANIMATION.

Nico: Awesome.

Lincoln: Are you girls okay?

Ayana Kakinozaka: Yes, we're okay, thanks to you.

Then, when Ayana Kakinozaka and the other three girls saw who it was that saved them from Gar Shatterkeel, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader

Ayana Kakinozaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ayana Kakinozaka: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Ayana Kakinozaka, Risa Takabane, Shion Saionji and Eilietta Lash with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Gar Shatterkeel, the leader of The Cult of The Crushing Wave.

But, when Lincoln showed what he did in destroying Gar Shatterkeel and the entire Cult of the Crushing Wave, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Beatrice Moerushin'en have a lot of catching up to do now that she's back in town, and when Lori saw Beatrice again, her face turned pale.

Lori: Oh no.

Beatrice Moerushin'en: (Japanese Accent) You may have changed after you got Dark Lori removed from you, but I'll never forget what you did to me and Lincoln years ago. But, I'm willing to forgive you after what Lincoln told me.

This caused Lori to breathe a sigh of relief.

Bertha Sellington: I hate to find out what Lori did to earn Beatrice's wrath like that.

Lincoln: It's a lot worse than what you did to her long ago, Bertha.

---

After destroying Gar Shatterkeel, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Beatrice Moerushin'en saw Lincoln working out like crazy, she had an atomic red blush on her face.

Beatrice Moerushin'eni: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Beatrice, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Beatrice Moerushin'en: (Japanese Accent) That's incredible.

Nico: It sure is. So, Beatrice, can you explain why you hated Lori with a passion, and that it stemmed from an incident that happened years ago?

Beatrice Moerushin'en: (Japanese Accent) Yes, that's right. One day, Lincoln and I were doing a project for history class, and it was on Japanese mythology, which I learned about since I lived in Japan before moving to Royal Woods. But, our quiet day was ruined when something kicked the door down, and we saw who it was: it was Lori, but her eyes were red with hatred, and she did the worst thing ever: she shredded our report on Japanese mythology, which we were working hard on, and she was laughing cruelly at us. Lincoln burst into tears seeing that our hard work was ruined by that demon, and when the rest of the sisters saw what Lori did, they were peeved and they were about to pulverize her, but I lost it first and I viciously attacked her and was beating her up all over the place. Lincoln then grabbed me and pulled me off, and Lori was so mad, she was about to kill me, but then, I saw Lincoln's eyes turn blood red and he fired a sphere of darkness and trapped her inside it. We then went downstairs, and I told Mr. and Mrs. Loud of what Lori did, and when I was finished, they were horrified.

We gasped in shock.

Luna: Yeah, their hard work was ruined by Lori, who just delighted in the cruelty she inflicted on them.

Lynn: That was really evil. But, Lori got her butt got kicked hard by Beatrice, and Lincoln trapped her in that sphere of darkness, looks like Lori forgot that Lincoln had gotten cosmic umbrakinesis and vampire powers from Adriana's vampire blood, along with cosmic pyrokinesis from Varya Pohzar's blood and cosmic cryokinesis and ictiokinesis from Aurora's blood.

Beatrice Moerushin'en: (Japanese Accent) I hadn't forgotten.

Eventually, the parents grounded Lori for nine months for what she did, and we made her confess to the history teacher of what she did to our project and why we were unable to turn it in. Our history teacher was furious at what Lori did in ruining our hard work and all for her cruel and sick amusement, and as a result, Lori was also sent to detention for five weeks when Principal Rivers got the news. We redid our assignment, and we got an A on it.

We cheered wildly for what Beatrice did, and we were shocked by what Lori did.

Nico: My God, ruining their hard work on their history project and all for sick and cruel amusement, now Dark Lori's gone too far.

Me: Of all the selfish evil things Dark Lori's done, this is the lowest thing she's ever done.

Lincoln: Yep, but Lori got her just desserts for what she did.

Me: And it's a good thing that the Dark Louds were all given the Black Gates.

Lori: We were literally demons back then.

Eli: No kidding. But at least they are gone for good.

We got a shower afterwards, but then, suddenly, a bright light descended on us and we covered our eyes. Then, as the bright light faded, we uncovered our eyes and to our surprise, the world of Spy X Family has merged with our world.

Lincoln: Whoa, the world of Spy X Family has merged with our world. Which means…

Suddenly, we heard the elevator ding, and then, we saw the doors open and we saw who came out, it was Loid Forger, Yor Forger, and their adopted daughter Anya Forger.

Nico: Oh wow, Loid Forger, Yor Forger, and Anya Forger.

Loid Forger: The legendary Team Loud Phoenix Storm, it's a pleasure to meet you all.

Yor Forger: And it looks like our world's merged with yours.

Anya Forger: And we're now new members of the team.

Nico: That's right.

We welcomed the Forger family into the team, and we were going to enjoy having them with us.

---

Later it was time for Layla's 3rd Ambassador Mission.

Me: This is gonna be interesting for us.

William: Anyone else want to go with Layla? Besides Toiletnator, 3 Rabbids, Jason Jenkins, and Kong?

Numbuh 4: Me and the Kids Next Door can go too. Toiletnator is my uncle after all.

Numbuh 1: That's a good idea Numbuh 4.

Me: I agree too. It'll be awesome for Ness to meet the Kids Next Door.

Numbuh 362: It sure will be awesome.

Nico: Yeah. All right lets head out.

We were off to the world of Earthbound.

We arrived in the world of Earthbound.

Ness: Hey guys.

Layla: Ness, meet my archenemy.

Toiletnator: It's awesome to meet you guys. My name is Lou Pottingsworth III. But everyone calls me The Toiletnator.

Me: He is one of the Kids Next Doors villains. Well he is more like a Comic Relief Villain.

Lucas: What's that kind of a villain?

Me: It's a villain that isn't that much of a threat but is primarily used for a hero to blow off some steam on.

Lucas: Oh I get it.

Me: Yeah and these are the Kids Next Door.

Numbuh 1: It's awesome to meet you guys. My name is Nigel Uno but I go by Numbuh 1.

Numbuh 2: Hoagie P. Gilligan, but call me Numbuh 2.

Numbuh 3: Kuki Sanban, but call me Numbuh 3.

Numbuh 4: Wallabee Beetles but call me Numbuh 4.

Numbuh 5: I'm Abigail Lincoln but call me Numbuh 5.

Numbuh 362: I'm Rachel MacKenzie but I go by Numbuh 362.

Me: They are Sector V's Kids Next Door. The Kids Next Door is a very powerful organization of kids that defend all children from the wrath of evil adults. The purpose of these Adult Villains is to destroy all kids everywhere.

Nico: And that would result in the extinction of the entire human race.

Ness: Wow! That is terrible but it's awesome you guys fight bad adults.

Numbuh 4: Also Toiletnator is my uncle.

Ness: Awesome.

Jason: Awesome to meet you guys. I'm Jason Jenkins.

Kong came.

Lucas: Wow! That is a big gorilla!

Me: This is Kong. He's the protector of Skull Island.

Nico: Yep.

Ness: (to Toiletnator) If it makes you feel any better, I don't think you're a lame villain.

Toiletnator: Thanks Ness.

Me: Yeah he's also family. We found out about his relationships to Numbuh 4 in one of Lincoln's comic books.

Ness: I see. That's awesome.

Toiletnator: Yeah it sure is.

Layla: There was also a war against Grandfather last year.

Me: That's right! That's 1 year ago next week!

Nico: Boy that's amazing that time sure flew for that.

Ness: Wow. That must've been an amazing battle.

Me: Oh it was. We were up against the father of Numbuh 1's dad and evil uncle. It's a really wicked story on that one.

Numbuh 1: Yes it sure was.

Numbuh 1 told them everything about that big war on July 20th, 2021 and it was EPIC!

When it was done Ness and Lucas were amazed!

Ness: Wow! That is amazing!

Nico: Yeah that was one of the most epic battles we've ever had.

Ness: Wow!

Nico: The anniversary for that is coming up actually.

Me: That's what I meant Nico. Next week is the 1 year anniversary.

Nico: Oh sorry.

Then 2 figures came and it was Jeff Andonuts and Paula.

Ness: I want you guys to meet Jeff Andonuts and Paula.

Jeff Andonuts: It's an honor to meet the great Team Loud Phoenix Storm.

Earthbound Paula: Same here. You guys are a force of nature and a great power.

Me: It's awesome to meet you guys too.

Layla: Same here. It's awesome to meet 2 more of Ness's awesome friends.

Earthbound Paula: Thank you.

Nico: So anything happen?

Ness: We found Another Rider here.

We gasped.

Eli: I sense him. He's up there 1,000 yards to the east.

He pointed to a hill.

Lucas: And one of our enemies is there too!

Me: I feel it too.

Nico: Lets go!

We went to the hill and to our surprise we saw that it was ANOTHER IXA and MASTER BELCH!

---

Little is known about Master Belch's past or how he came to be an animated pile of vomit, though it is evident that he eventually became part of Giygas' cohorts and took refuge in a secret factory hidden behind the waterfall of Grapefruit Falls and neighboring the village of Saturn Valley, the home of the strange, but peaceful Mr. Saturns. As his name would suggest, Master Belch has a disgusting habit of burping constantly when he speaks. Master Belch also leads several smaller animate piles of vomit, who are mostly unaware of his affiliation with Giygas and the rest of his alien invaders. In spite of his generally repulsive appearance and mannerisms, it did not hinder the threat he posed towards the Mr. Saturns and the human populated town of Threed, located far south of Saturn Valley. Once Giygas initiates his new invasion of Earth and spreads his influence across Eagleland, Master Belch acts on Giygas' behalf by attacking Threed with a horde of zombies, ghosts and several other monsters. He also has a few Mr. Saturns captured and enslaved in his factory, forcing them to mass produce Fly Honey, his favorite food.

Once Ness, Paula and later Jeff arrive at Threed, they defeat the Boogie Tent and take a jar of Fly Honey it left behind. With the help of Apple Kid, Ness and his friends foil Master Belch's zombie invasion by using Apple Kid's new invention, the Zombie Paper, to attract and immobilize the zombies roaming around the town. The three heroes then head north through Grapefruit Falls, which is guarded by one of Master Belch's lieutenants, Mini Barf, and several zombies. Ness and his friends reach Saturn Valley and are then informed by the Mr. Saturns of a way to get into Master Belch's factory by going behind the waterfall and waiting for three minutes. Once they break into the factory, Ness and his friends fight their way through the factory and confront Master Belch himself. He makes note of a prophecy that Ness will defeat Giygas, but mockingly disregards it, finding the prophecy ludicrous before initiating a battle with Ness, Paula and Jeff. Initially a seemingly formidable foe, Ness and his friends exploit Master Belch's love for Fly Honey and hand their jar of Fly Honey over to him, keeping him distracted while they attack him. Master Belch is then defeated by the trio, but not before noting that Giygas has already gotten the Mani Mani statue to the city of Fourside, spreading his influence there. The efforts of Ness and his friends result in the Mr. Saturns being freed from Master Belch's clutches and Threed prospering once more.

Much later in the game, Master Belch is encountered by Ness, Paula and Jeff once again in the dangerous swamps of Deep

Darkness, this time in his second form, "Master Barf", claiming that he changed his name to "Puke". Just before Ness and his friends reach Tenda Village, Master Barf blocks their path and attacks the trio. In addition to being much more powerful than before, Master Barf is now completely immune to the effects of the jar of Fly Honey, seemingly learning from his mistake back in Grapefruit Falls. After a long battle with the trio, Poo, having finished part of his training with the Star Master, suddenly flies in and launches PK Starstorm at Master Barf, an attack devastating enough to kill Master Barf for good.

Even after being seemingly killed, Master Belch also appears as one of Ness' many memories in the realm of Magicant once he finds all of the Eight Melodies. He remains bitter that Ness managed to best him in a fight twice, growling that Ness had destroyed his pride.

---

Nico: Another Ixa!

Eli: And Master Belch! Yuck!

Me: He's a living pile of vomit! Yuck!

We went to face them.

Master Belch: Remember me, boys?!

Ness: I don't ever want to remember you Belch!

Me: Has anyone ever told you that you are one of the most repulsive piles of slop ever.

Master Belch: Why thank you.

Me: That wasn't a compliment sludge for brains.

Nico: Also who is our Ixa lookalike?

Another Ixa: (In a girls voice) I'm surprised to see you again Nico.

It reverted back and it was a girl with black hair and she had a skull tattoo on her arm and had black punk clothes and she had a skeletal scorpion shirt.

Nico: Tina Randholm!

Tina Randholm: You remember me. I'm flattered you do Nico.

Me: You know her Nico?

Nico: I do unfortunately. She's one of my old enemies. She was one of the worst ever bullies in our school. She used to torment all the kids and make us all look like a bunch of Grade A+++ Fools!

Tina Randholm: Yes good times. I loved treating you all like morons.

Nico: I didn't! I can't tell you how many times I wanted to smash your skull in for everything you did!

Numbuh 1: You've got some nerve abusing Ixa's power!

Me: Yeah! If he were here he would snap your neck like a twig!

Eli: Yeah!

Tina Randholm: Well it's too bad he isn't then.

Me: No but he has the next best thing representing him: US!

Nico: And get ready Tina because I'm going to do something I should have done ages ago. And that's kick your ugly butt into dust!

Eli: Save seconds for me!

Jason Jenskins: Merger sequence engage!

He merged with King Kong!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Time to kick some Another Rider Butt!

Layla: Yeah!

Numbuh 1: KIDS NEXT DOOR! BATTLESTATIONS!

Master Belch charged at Ness.

Me: Get away from him you walking pile of putrid filth!

I fired a massive blast of blue fire and burned him.

Ness: PK FLASH!

He fired a green ball of energy and it hit Master Belch and exploded!

Layla: PK FLAMES!

She fired a barrage of fireballs and they hit Master Belch and exploded!

Tina was enveloped in a vortex of darkness and Kiva bats and she turned into ANOTHER IXA!

Nico: Okay then! (GOES SUPER SAIYAN 2) Lets do it!

Another Ixa went at Nico and he brutally punched and smashed her all over the place.

Toiletnator charged at Another Ixa.

Toiletnator: Prepare to be flushed by the Mighty Toiletnator!

He fired waves of toilet paper and wrapped her up.

Nico: Try this!

Nico then punched her face all over like a punching bag.

Nico then put Another Ixa's head in a headlock!

Nico: This is for giving me a wedgie! SUPER NOOGIE!

BUZZSAW GRINDING!

Nico gave her a really painful noogie!

Another Ixa: Don't think I've forgotten my new toys!

She showed a Kiva War Axe imbued with the power of Cheese Monster!

Nico: She has weapons for Kiva imbued with all the Non-Core members of the M.O.E.

Toiletnator: Oh poop!

She fired blades of cheese and Nico dodged them and Nico fired blasts of energy and smashed her down all over.

Another Ixa: And I've got Fuestles too!

She activated a Cheese Monster Fuestle! She turned into a CHEESE BLOB RIDER!

Nico: Okay that is really cool!

Another Ixa: (Gurgling Voice) Gross and tasty and awesome huh?

Nico: Even though cheese is one of my biggest favorite foods I think it looks good on you!

Nico fired waves of fire and burned her all over.

Nico: (takes out Fuestle for Roquefort) I can get cheesy too!

Nico activated it and donned CHEESE BLOCKS ARMOR!

Nico: YEAH!

Nico fired waves of cheese and they smashed her down.

Nico: Nice.

Jason, who had Kong merged with him, punched Master Belch

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Eli: YEAH!

Me: Take that you freak show! PK FIRESTORM!

I fired a wave of fire and incinerated Master Belch all over.

Ness: Awesome J.D.!

Me: Thanks. That takes care of him.

Ness: Lets take care of Another Ixa.

Me: Good idea.

Nico was really thrashing Another Ixa!

Ness: PK Starstorm!

Ness fired a massive meteor shower and smashed Another Ixa all over and then she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ixa Ridewatch and purified it and we found all the Fuestles all over the ground and got them all.

Nico: Awesome.

Tina got up.

Eli: WHY YOU LITTLE!

Eli went over and choked her like Homer does to Bart and knocked her down with a thud.

Tina was sent to the Neptune Prison for her crimes.

Nico: Yeah!

Back at the estate everyone was watching TV. Eustace was reading the paper and Courage was on Muriel's lap in the rocker.

Eustace: OOOGA BOOGA BOOGA!

Eustace scared Courage with his ugly mask.

Courage: AAAAAAAAAAAAAAAAAAAAHHHHHHHH!

Eustace laughed at Courage and then…

KRABONK!

Francesca hit him on the head with a rolling pin.

Eustace: OWWW! What did I do!?

We later came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told them everything and it was cool.

May: Wow! That was awesome!

Nico: Yeah it was.

May: Next time, Ultimate Alliance Iron Man should go with you.

Layla: Good idea.

Me: It will be awesome.

Qin: It sure will be awesome.

---

In New York City we were relaxing in the beautiful lands of Central Park.

Iggy Koopa: Nothing like relaxing in Central Park.

Nico: Boy you said it Iggy and it's perfect too because our next mission takes place here.

Bonnie Terrez: Yep. And you guys are going to love meeting Fi and friends.

Nokama: Perfect for before the big mission for me tomorrow.

2019 Mothra: (glares at some pigeons) What are you looking at?

The Pigeons cooed at her.

Fluttershy: Oh they are not doing anything Mothra. They are just curious.

Lola: Yeah they are.

Bonnie Terrez was listening to an awesome song on her iPod. It was In the Darkness Is The Light by Molly Phillips.

Demons come from every side (in the darkness is the light)

Holding me on a downward slide (in the darkness is the light)

Gettin' hot the deeper I go (in the darkness is the light)

Into the darkness down below

In the darkness is the light

I live my life in one straight line, the future ahead an' the past behind

Don't wanna go back to yesterday

But I don't know how long I can run this way

A tangled heart w/ tangled vines(in the darkness is the light)

Tangled up in my own lies (in the darkness is the light)

A creature there, in darkness lies (in the darkness is the light)

Why is it that he has my eyes (in the darkness is the light)

I live my life in one straight line, the future ahead an' the past behind

Now I can wall like I never knew

An' they tell me the only way out is through the air

They say the truth will set you free (in the darkness is the light)

Free to be down here on my knees (in the darkness is the light)

But just when I think I've lost my sight (in the darkness is the light)

I cech a glimpse of that beautiful light (in the darkness is the light)

In the darkness is the light

Surrender now and win the fight

This girl's walk of fire and ice

But I come out on the other side of paradise

Oh yeah paradise

My paradise is killing you, is killing you baby

Paradise, paradise

Oh yeah

Oh yeah

Oh yeah

Paradise

She was humming to the music.

Then a bunch of muggers came!

Mugger: Give me all your bread!

Snapdragon: You scumbags made a bad choice attacking us.

Me: Bread? White or wheat?

Mugger: Oh now you die!

I punched a mugger all over and we punched and smashed them all over and then kicked them into a cop car.

Wideload: (sees missing poster) Guys, I think it's gonna take some time for us to meet Fi and her team.

Nico: What's a matter.

We saw a missing poster of Fi and her friends!

Eli: Oh man!

Bonnie Terrez: They're gone!? But how!?

Me: Weird. I wonder where they went.

Eli: I can find them with the Force.

Nico: Okay.

Me: And the best place to start is at Fi's house

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Olhydra, The Princess of Evil Water and the Crushing Wave, who was a powerful archomental from the Elemental Plane of Water, and the deity The Cult of The Crushing Wave worshipped, and she's coming for revenge on us for what we did in destroying Gar Shatterkeel and The Cult of The Crushing Wave. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like it one bit: the dark energy signal I sensed belongs to Olhydra, The

Princess of Evil Water and the Crushing Wave, who was a powerful archomental from the Elemental Plane of Water, and the deity The Cult of The Crushing Wave worshipped, and she's coming for revenge on us for what we did in destroying Gar Shatterkeel and The Cult of The Crushing Wave.

We gasped.

Me: Uh oh, looks like we're in for one wet battle after our mission today.

Rey Kayest: Yes, but we'll be rid of Olhydra once and for all.

Lincoln: That's right, Rey, we will.

Nico: Yeah, alright gang, let's go, time to meet Fi Philips and her friends.

Lincoln: And see who they need help against.

We went to Fi's house. We saw Molly on the porch looking out in worry.

Molly Phillips: (sadly) Hello, everyone.

Heat Man: You're Fi's mom, right?

Molly Phillips: That's right.

Bonnie Terrez: Awesome to see you again Mrs. Phillips. But we saw your poster.

Molly Phillips: Oh where is Fi?

Nico: We're going to look for her. We just want to ask you a couple of questions on where you last saw her.

Molly Phillips: Okay.

Nico: Okay. When was the last time you saw her?

Molly Phillips: Lets see. It was yesterday in the animal shelter.

Me: Then we need to get there.

Eli: Yeah something is seriously up.

Qin: I got a feeling a mad scientist is at work here.

Nico: Hmm. Lets get moving then.

Then Dai Gui, Chalmers, Patty & Selma, Krusty, Skinner, Cargill, Dr. Viktor, Demyx, Heat Wave, and Vulture appeared.

Dai Gui: Can me, Chalmers, Patty & Selma, Krusty, Skinner, Cargill, Dr. Viktor, Demyx, Heat Wave, and Vulture go with you guys?

Nico: Yes you all can.

Eli: We got to get there and fast though.

Rice the Robot: Nico, what is the Gene Slammer you wish to meet next?

Nico: I'm hoping to do one for Svyelun of The Sea and Sky for MTG.

Me: Ooh that's a cool one!

Eli: It sure is.

Qin: That's a neat one.

Luna: It sure is dudes. And it's awesome and beautiful as well.

Nico: Yep. Lets get over there fast.

We were off to the animal shelter.

Vulture: After we find Fi and her team, we bring them back to her house.

Nico: Right.

Bonnie Terrez: If anything bad has happened to them I will never forgive myself.

Nico: We'll find them.

Eli: There's the shelter.

We arrived and we went in.

Me: Hmm.

Eli: I sense them here though.

Nico: Good.

Qin: Hey look.

We saw their clothes on the floor.

Apeface: What are their clothes doing on the floor?

Nico: Weird. They aren't running around in the nude are they?

Bonnie Terrez: Oh no. I know what's going on here. This happened to Fi and her friends before and it was up to me to save them. We got to find them.

Time Force Dash: I'm getting a weird sense of deja vu.

Demyx: What makes you think that?

Time Force Dash: Same thing that happened with a place like this and the Douglas Family.

Demyx: Oh them and that.

We went in and found the cages.

Fi: Bonnie!?

Bonnie Terrez: Fi?

We looked and saw a cage and in it was a terrier.

Terrier: Bonnie!

She let her out and pet her.

Weirdwolf: Good thing you're not a Wolf like my alternate form.

Fi: True.

Laney: Fi who did this to you?

Bonnie Terrez: I knew this was her dirty work. This is the work of our old resident mad scientist Dr. Daily.

Nico: What do you know about her Bonnie?

Bonnie Terrez: She's the most menacing monster of anyone we know.

She went over her history.

---

]Dr. Daily (Ellie Harvie) is the main villainess from "Shelter," episode 2.23 of So Weird (airdate June 3, 2000). She is a veterinarian running a shelter for dogs in Hope Springs.

In actuality, Dr. Daily is a mad scientist who devised a serum to turn humans into dogs, doing so because she preferred canines over humans (or at least the concept of humanity). She began her activities entering the episode's events, which had Fi and Jack taking their cat to the shelter, where Fi meets Tim and his dog, Agamemnon. Dr. Daily appeared and took in Tim and Agamemnon, but while Tim was alone, the crazed villainess approached him and injected her serum into Tim, who she referred to as a "bad dog." After Tim's items were spotted by Fi and Jack when they returned to the shelter, Fi went looking for Tim; sensing odd occurrences at the shelter. She is later encountered by Dr. Daily, who injected Fi with the serum and turned her into a dog, just as she did to Tim and others.

Dr. Daily went after Tim and Fi after they escaped; recapturing them after she tracked them to Fi's home. In the film's climax, Fi (in possession of the serum) confronted Dr. Daily and demanded the antidote, as her and Tim's humanity would be gone permanently in only 24 hours. It was at that moment that Dr. Daily revealed that she had also created a canine to human serum, and revealed that she used it on Agamemnon, who appeared as a young boy who acted like a dog. She also gave her twisted reasoning for her actions, stating that dogs make beautiful people, and revealed her plan to turn everyone in Hope Springs into dogs. The evil scientist sent Agamemnon to chase Fi, only for Fi to toss a ball at his direction to distract him. Fi later injected Dr. Daily with the serum, turning her into a dog. The villainess panicked at first, as she didn't have a DNA sample to reverse the process. However, after being told by Fi that she would have to live life as a dog, Dr. Daily expressed glee, stating that she never liked being a human anyway.

---

When she was done we were shocked!

Nico: Oh man!

Me: Just what the world needs. Another mad scientist running amok.

Jaune: Wait Mojo told me about this kind of scheme at one time. He was gonna turn the whole world into dogs with him as master.

Blossom: That's right and he did that scheme 3 times.

Me: I remember that.

Time Force Dash: Wait. This is similar to Kozak's scheme!

Heat Wave: And you should know. After all, you pretty much joined the team that day.

Time Force Dash: I sure did.

Me: I remember that too.

Nico: Lets get you girls out of there and get you home so we can give you the antidote.

Bonnie Terrez: Good thing I got an extra beaker full of it in my coat.

Nico: Awesome. Lets go.

We found the girls.

Moe: Open her cage Larry.

Larry Fine: I'll open it when I'm ready!

Moe: Yeah?

SLAP SLAP BOOF BONK!

Moe slapped him twice, hit him in the stomach and bonked him on his head.

Moe: Open those cages or I'll tear your tonsils out and gouge your eyes out!

Nico: Quiet. Lets focus.

We got the girls out.

We saw that Carla was a husky, Katie was an American Eskimo, Lanei was a Tibetan Mastiff, Jackie was a Great Pyrenees And Lanna was a Wolf Hybrid.

Me: Wow you guys are so cute.

Dr. Strange opened a portal.

Nico: Lets go.

We went through the portal and we were back in Fi's home.

Me: Whew.

Bonnie Terrez: Wow that was close.

Rumble: How are you girls feeling?

Bonnie Terrez: Lets give them the antidote first.

Nicole: Close your eyes guys.

Nico: You heard her.

We did so.

Bonnie gave the girls the antidote and they reverted back and they were naked and they got their clothes back and put them on.

Carla Winchester: Ahh that's better.

Katie Michelle: Thank goodness and man does it feel good to be human.

Lanei: It sure does.

Bonnie Terrez: You're all okay! Thank goodness.

Katie Michelle: Thanks to you Bonnie.

Cargill: It's nice to meet you girls as humans.

Lanei: Thank you Russ.

Lanna: Dr. Daily did that to us.

Me: And we got to stop her for good. She needs to go to the Saturn Nuthouse.

Cut Man: This happened to you girls before?

Fi: Yes it did. She turned us into the same dogs before.

Me: She will pay for this. She needs 10,000 hours of intense electroshock therapy.

Eli: And I'm more than happy to give it to her.

Qin: Yeah me too.

Eli: And I'll give her a good shave.

He pulled out a razor.

Nico: Don't you dare Eli!

Eli: It's not for you Nico. It's for Daily.

Nico: Oh.

Fi: But first, why don't we eat lunch and catch up on old times?

Skinner: Good idea. You girls probably hadn't eaten anything as dogs.

Nico: Yeah.

We went outside and had a great picnic and it was awesome.

Fi: (eating an Ultimeatum) Wow this is an awesome burger.

Nico: It's one of our favorite burgers.

Eartha: Bonnie's changed since you last met her.

Carla Winchester: We can see that. Last time we saw each other she had black hair.

Bonnie Terrez: Yeah my hair was black before I got gene-slammed into a Dragonair.

Eli: It's true.

Eartha: Now her hair is neon blue.

Carla Winchester: That is amazing and cool.

Lanna: Yeah it sure is.

Maria: I like that each of you girls have special skills.

Bentley: Yeah like how me and the gang get everything done.

Katie Michelle: That's true.

Carla Winchester: It's awesome and gets the job done to help people.

Me: It's so awesome that you girls have seen it all too.

Qin: Yeah and we are no strangers to the worlds of what you know.

Bonnie Terrez: Fi, how have the rest of your family been doing?

Fi: Really awesome.

Me: Your mom is really worried about you.

Bonnie Terrez: Yeah she sure is.

Lola: We saw her on her porch upset.

Fi: Oh man.

Maria: You go show your mom you're okay. I just saw your brother come back home.

Fi: Okay.

She went and did so.

Molly hugged her all over.

Qin: Nico after we eat we need to deal with Daily.

Nico: Agreed. She needs to pay for everything she did.

May: You girls HAVE dealt with vampires before, right?

Carla Winchester: Yeah we sure have. Ghosts, demons, vampires, werewolves, myths, everything.

Qin: That is really awesome and cool.

Varie: It sure is.

Eli: That's incredible that you all have faced many creatures like that.

Me: And we know many of those creatures too.

Dead End: Last time you fought Dr. Daily, her crimes weren't exposed and her only punishment was living as a dog.

Carla Winchester: Well this time her crimes will be exposed.

Bonnie Terrez: Leave that to me and Luan.

Luan: Yeah we got lots of people in trouble thanks to my video camera and me.

Lola: Yeah.

Krusty: Did she turn anyone else into dogs this time?

Eli: I didn't sense anyone else there.

Qin: But she went too far this time.

Nico: Darn tootin she did.

Varie: I agree there.

Fiona Hernandez: Yeah no kidding.

Fi: Luan, how come you're good at recording stuff? I thought your specialty was laughter.

Luan: It is laughter. But also I like to video tape stuff for comedy and gigs for my shows.

Me: Everyone in the Loud Family has their own awesome talents.

Eli: Yeah it's really awesome.

Lori: It's literally so awesome that we can do it all too.

Me: Yeah. I've known the Loud family for over 6 and a half years and they have done it all too.

Omaima Lexington: Yeah it's an awesome thing that they all have. (LOUD FART) Oops sorry.

Carla Winchester: Do you have really bad gas?

Nico: She can't help it. Omaima was born with a condition that gives her 2 stomachs and uncontrollable flatulence.

Carla Winchester: Oh.

Chalmers: Okay. Let's head back to the animal shelter. Only this time, you girls won't get turned into dogs.

Katie Michelle: I'll get ready to hack her info and expose it to the public.

Carla Winchester: And I'll get my shooting gear.

Me: Awesome. Bonnie told us about everything you girls do and that is so awesome.

Lanei: It sure is.

Qin: We're ready for that mad doctor now.

Fi: No one turns us into dogs and gets away with it.

Fluttershy: Oh I thought you girls all looked so cute as dogs.

Lincoln: Aww only you would think so Flutters.

Elena: You'll have to tell us the full details about the first time you girls faced Dr. Daily in the future.

Fi: You got it.

Nico: Lets go guys.

We went to get ready to go to the animal clinic.

Dr. Viktor: Didn't you bond with that boy Tim during that time?

Fi: I don't want to talk about it.

Me: Lets leave that to the personal stuff.

Nico: Yeah. But focus everyone.

Dr. Viktor: Sorry.

We were off.

We arrived and looked in and we saw her. DR. DAILY!

Azula: There she is.

Me: Target sighted.

Nico: Now we got work to do.

We got to work and got information on her and all the stuff she did as well as show her evil deeds to the public and even the FBI and more.

Nico: Awesome. Before we go after Dr. Daily, I have new Ridewatches to assign. They're for the Den O team.

Nico then showed Ridewatches for Den O, Den O Climax, Den O Liner, Takanuva's Den O, and my Liner Form, as well as copies for said Ridewatches. He also had Ridewatches for Jungle Fury Red and a copy for it.

Nico: Take your pick. I'm also accepting on who gets the Zeronos Ridewatch and its' copy when I get around to making it.

Ruby: Me and my friends will do Den-O, Den-O Climax, Den-O Liner, Takanuva's Den-O and J.D.'s Liner form.

Me: Good choices and how about Nora gets Zeronos too?

Nora: I would be honored.

Lie Ren: And I would like the copy of the Jungle Fury Red one.

Nico: Good choices.

Maria: Those were just the copies you guys got. And Lie Ren got the copy Jungle Fury Red Ridewatch. Who wants the originals and the copy of Jungle Fury Red?

We got to thinking.

Tommy: Me and the Mighty Morphin Rangers will get the Originals. It'll be awesome to see what it's like to be Kamen Riders.

Me: That's an awesome idea Tommy!

Nico: Since the Zyurangers originally are from Japan it'll be perfect for you. And now for the Jungle Fury Original.

Hinata: I'll do that one if that's okay.

Nico: Sure Hinata.

Naruto: Way to go Hinata.

Me: And Aisha and Kat will be added to since Tommy and Jason are Core 310.

Aisha: Awesome!

Kat Hilliard: (Australian Accent) It's going to be an awesome honor.

Me: Yeah it sure will be awesome.

Laney: Yeah it will.

Fi: Wow you guys have a lot planned for the future.

Me: We've been really busy these last few months. Also how about we have Adam Park get the Copy Jungle Fury Watch too?

Nico: Sure.

Adam Park: It'll be an honor.

Me: Awesome.

Rocky: What about me?

Me: I got something in mind. Me and Nico wanted you to try it out.

I pulled out a special ride watch for Rocky and it was for the Jungle Fury Wolf Ranger.

Me: This is a Ridewatch I made for Jungle Fury Wolf. We'll have to decide which watch Nico made for you later on since you were last so I didn't want to be felt left out so I made this for you.

Rocky: Thanks J.D.! It's awesome!

Me: Yep.

Nico: Awesome way to save that one.

Me: Thanks.

Nico: You're welcome. Now that we got that covered, we have all the info we need, Entrance time.

We went at the animal shelter.

Dr. Daily was working on something and then the spirits of the Springfield Scumbags and W.I.T.C.H. appeared and they swirled around her and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted in through the wall and a phoenix cry was heard and we came in.

Nico: Dr. Daily, so we meet.

Dr. Daily: Team Loud Phoenix Storm!? What are you doing here?

Me: What else. You're under arrest for illegal and unethical experimentation.

Dr. Daily: Oh, c'mon! What's wrong with being a dog? You all should try it. Trust me. Dogs have much easier lives then humans. In fact, that so called pressure you guys always feel? Once you're all dogs, you'll have nothing to worry about.

Patty: Even if this is true, forcing people to become dogs isn't right!

Selma: Besides, iguanas probably live much better lives then dogs. Right, Jubjub?

Jubjub gave Selma a thumbs up.

Me: Yeah. But still you are no lover of animals at all.

Jaune: Also Mojo already did this scheme before and it was foiled three times!

Nico: Yeah!

But then Electro, Larxene, Zzzax, P'andor, Manray, Kitty, Avalanche, Moonstone, Tar Pit and Kyd Wykkyd appeared.

Nico: Electro, Larxene, Zzzax, P'andor, Manray, Kitty, Avalanche, Moonstone, Tar Pit and Kyd Wykkyd.

P'andor: (Russian Accent) How was your breather at Central Park?

Nico: It was very good.

Me: Yeah it sure was.

Man Ray: Despite Mothra yelling at some pigeons.

2019 Mothra: Those birds need to mind their own business!

Kitty: I think they were only curious.

Me: Yeah they are.

Avalanche: (to Nico) Heard you took out Weiss' father.

Nico: Well Lincoln and Weiss did that. We took down Another Quantum Ranger.

Tar Pit: Nice. And that you used my Vortex Blaster.

Nico: Yep.

?: That's for sure.

A figure came out and it was FURY from Dino Charge!

Heckyl: Fury!

Nico: Wow! I remember you! You were Sledge's right hand man.

Fury: Yep I sure was.

Me: Yeah that was cool.

Fury: Can't believe I'm saying this, Heckyl. But I'm happy to see you.

Heckyl: Me too Fury.

Nico: Vypra is a much better boss for you than Sledge.

We got the usual battles underway.

## Tahu, Sunset Shimmer, Pipsqueak, Fire Skylanders, Axel, Lea, Lola, Needle Man and Heat Man VS P'Andor - Nico's rescue

---

P'andor was first.

P'andor: (to Tahu) Nico did good helping Weiss get rid of her father in his rescue. The prick deserves it!

Tahu: He sure did and he got the Black Gates for his crimes.

Sunset Shimmer: Now we never have to see that monster ever again.

Pipsqueak: (British Accent) That is for sure everyone.

Sunburn: Yeah that's one stain on Remnant's people that is removed for good.

Axel: It sure is.

Lea: Yeah thank goodness.

Lola: After everything he did he deserved to be destroyed.

P'andor: I agree there comrades. Lets do it!

Tahu activated his Eyecon.

HENRI BECQUEREL AND P'ANDOR

P'andor: Henri Becquerel?

Tahu: He was the man that discovered how Gamma Radiation is more powerful than X-Rays and how it affects everything.

P'andor: Very interesting.

Tahu activated his Ridewatch and got all of P'andor's powers.

They fired waves of fire and smashed him down.

---

## Gali, Rarity, Sweetie Belle, Water Skylanders, Demyx, Luna, Rico the Robot and Heckyl VS Man Ray - Weiss's mansion is a castle for a king and us facing her father and Another Quantom Ranger

---

Man Ray was next.

Man Ray: (to Gali) Weiss's mansion is a castle for a king. And Nico, Weiss, and the rest did good facing her father and Another Quantum Ranger.

Gali: They sure did and it was really amazing seeing what it was like.

Rarity: Weiss's house is an absolute masterpiece and she knows how to really live in such an amazing mansion.

Sweetie Belle: Boy she sure does.

Gill Grunt: We're really amazing by how big her house is.

Demyx: That was an awesome home Weiss has.

Luna: It sure was dudes. It's much bigger than the castle we had in Loch Loud.

Man Ray: No kidding there. Lets do it!

Gali activated her Eyecon.

OTIS BARTON AND MAN RAY!

Man Ray: Otis Barton?

Gali: He was the inventor of the Bathysphere.

Man Ray: Wow that is cool.

Gali activated her Ridewatch and got Man Ray's powers and weapons.

They fired waves of water, ice and jewels and smashed him down.

---

## Lewa, Rainbow Dash, Scootaloo, Air Skylanders, Lori, Xaldin, Dilan, Apeface and Snapdragon VS Kitty - Lincoln's rescue

---

Kitty was next.

Kitty: (to Lewa) I heard Lincoln's rescue was in the Elemental Plane of Water. How was it?

Lewa: It was really awesome and we got rid of the Cult of the Crashing Waves and it was a really awesome battle.

Rainbow Dash: Boy it sure was awesome.

Kitty: That is so awesome. And Rainbow Dash congratulations on winning ACES yesterday. We saw the whole thing from Dark and that was so awesome.

Rainbow Dash: Thanks Kitty that was an awesome flying adventure for me.

Scootaloo: That was really awesome and cool. Tecna and Maggie had a great time as well too.

Whirlwind: They sure did and it was awesome.

Lori: We all literally had fun watching that one.

Xaldin: Did we ever. That was so much fun seeing it.

Dilan: It sure was.

Kitty: I'm happy for everyone. Lets do it!

Lewa activated his Eyecon.

SONNY BERGER AND KITTY!

Kitty: Sonny Berger the founder of Hells Angels?

Lewa: That's him. He was awesome back then.

Kitty: He sure was.

Lewa activated his Ridewatch and got Kitty's powers.

They fired waves of wind, rainbows and lightning and smashed her down.

---

Onua, Fluttershy, Tornado Bolt, Life Skylanders, Marluxia, Lauriam, Laney, Skullcruncher and Weirdwolf VS Tar Pit - Us meeting a gene-slammer for Malacoda, Netherlord of the Burning Abyss

---

Tar Pit was next.

Tar Pit (to Onua) I heard you guys met a gene-slammer for Malacoda, Netherlord of the Burning Abyss. What's her name?

Onua: Her name is Beatric Moerushin'eri and she is a cosplayer for Dante's Inferno. She and Lincoln dressed up like Dante Alighieri and Beatrice in the Divine Comedy and Dante's Inferno and we all thought that was really awesome too.

Fluttershy: It sure was. And she saved Lincoln from the wrath of Lori as well.

Tornado Bolt: Yeah no kidding. That was so awesome.

Beatrice Moerushin'eni: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Beatrice, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Beatrice Moerushin'en: (Japanese Accent) That's incredible.

Nico: It sure is. So, Beatrice, can you explain why you hated Lori with a passion, and that it stemmed from an incident that happened years ago?

Beatrice Moerushin'en: (Japanese Accent) Yes, that's right. One day, Lincoln and I were doing a project for history class, and it was on Japanese mythology, which I learned about since I lived in Japan before moving to Royal Woods. But, our quiet day was ruined when something kicked the door down, and we saw who it was: it was Lori, but her eyes were red with hatred, and she did the worst thing ever: she shredded our report on Japanese mythology, which we were working hard on, and she was laughing cruelly at us. Lincoln burst into tears seeing that our hard work was ruined by that demon, and when the rest of the sisters saw what Lori did, they were peeved and they were about to pulverize her, but I lost it first and I viciously attacked her and was beating her up all over the place. Lincoln then grabbed me and pulled me off, and Lori was so mad, she was about to kill me, but then, I saw Lincoln's eyes turn blood red and he fired a sphere of darkness and trapped her inside it. We then went downstairs, and I told Mr. and Mrs. Loud of what Lori did, and when I was finished, they were horrified.

We gasped in shock.

Luna: Yeah, their hard work was ruined by Lori, who just delighted in the cruelty she inflicted on them.

Lynn: That was really evil. But, Lori got her butt got kicked hard by Beatrice, and Lincoln trapped her in that sphere of darkness, looks like Lori forgot that Lincoln had gotten cosmic umbrakinesis and vampire powers from Adriana's vampire blood, along with cosmic pyrokinesis from Varya Pohzar's blood and cosmic cryokinesis and ictiokinesis from Aurora's blood.

Beatrice Moerushin'en: (Japanese Accent) I hadn't forgotten. Eventually, the parents grounded Lori for nine months for what she did, and we made her confess to the history teacher of what she did to our project and why we were unable to turn it in. Our history teacher was furious at what Lori did in ruining our hard work and all for her cruel and sick amusement, and as a result, Lori was also sent to detention for five weeks when Principal Rivers got the news. We redid our assignment, and we got an A on it.

We cheered wildly for what Beatrice did, and we were shocked by what Lori did.

Nico: My God, ruining their hard work on their history project and all for sick and cruel amusement, now Dark Lori's gone too far.

Me: Of all the selfish evil things Dark Lori's done, this is the lowest thing she's ever done.

Lincoln: Yep, but Lori got her just desserts for what she did.

Me: And it's a good thing that the Dark Louds were all given the Black Gates.

Nico: Should've known trouble was coming. You can come out now, Olhydra.

A massive evil-looking wave of water with glowing green eyes appeared, it was Olhydra, the powerful archomental from the Elemental Plane of Water, major antagonist from the Dungeons & Dragons franchise, and the patron deity of the Cult of the Crushing Wave.

Nico: That's Olhydra?

Nicole: Yep, she always takes on the form of a wave of water, but what marks her out is the glowing green eyes of evil.

Rey Kayest: And now, she's going to be stopped once and for all.

Suddenly, Rey Kayest's blue eyes turned neon blue, and she's surrounded by a blue energy aura with water, ocean waves, sea creatures, and mermaids, she unholstered her massive Guardian Kay'Est-themed sword from her back along with Guardian Kay'Est's staff, and as she approached Olhydra, she left blue energy, water, ocean waves, sea creatures, and mermaids with every step.

Rey Kayest: Olhydra, I will never forgive you for the crimes that you've committed against The Elemental Plane of Water and its inhabitants, you and the Cult of the Crushing Wave have caused more than enough trouble for the last time, and now, I will see to it that you are punished for all of your crimes.

Suddenly, Rey Kayest was surrounded by a massive vortex of ocean blue energy with water and ocean waves surrounding it, there's Guardian Kay'Est, mermaids, and sea creatures swimming around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Rey Kayest emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rey Kayest grew from 6'5" to 6'11" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing ocean blue hair and a flower in her hair, she has neon blue eyes and a blue energy aura with water, ocean waves, sea creatures, and mermaids surrounding her, she has Guardian Kay'Est and with the Guardian and Mermaid Kanjis in her hands emblazoned on her forehead, she has on mermaid earrings with blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has Guardian Kay'Est with blue gems for eyes and the Water and Eternity Kanjis in her hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold lightning bolts. Ray Kayest has on an orange short-sleeved blouse, short-sleeved orange top, blue plaid skirt, blue bellbottom pants, no shoes, and long sleeveless blue trenchcoat with water, ocean waves, sea creatures, and mermaids on the coattails, and on the back is Guardian Kay'Est with ocean waves surrounding her. Suddenly, Rey Kayest felt a sharp pain on her back, and then, her massive ocean blue angel wings grew much bigger for her new body, and the large ocean blue feathers have orange tips on the feathers, and she has her blue mermaid's tail as well. Rey Kayest has on a Ring of The Phoenix with blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Rey Kayest's massive Guardian Kay'Est-themed sword and Guardian Kay'Est's staff began merging together, and were surrounded by a kaleidoscope of blue energy, water, ocean waves, sea creatures, and mermaids, and when it emerged, it was transformed into Guardian Kay'Est's Oceanic Greatsword of Mermaid Justice, it's a brand-new greatsword with Guardian Kay'Est etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue angel wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and large ocean blue gem with surrounding orange angel wings for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with ocean blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Guardian Kay'Est with orange gems for eyes and a large ocean blue gem in their hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The

Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Guardian Kay'Est that said, "Rey Kayest, Mermaid of Lake Huron, Gene-Slammer of Guardian Kay'Est, Best Friend of Courtney, Gwen, and Sammy, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Billy McLean and Amy, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Mermaids and Water"

レイ・ケイスト、ヒューロン湖の人魚、ガーディアン・ケイエストのジーン・スラマー、コートニー、グウェン、サミーの親友、愛するガーディアン・エンジェル、リンカーン・ラウドの未来の妻、ビリー・マクリーンとエイミーの嫌悪者、悪の殺し屋、狂った、殺人的で冷酷でサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして人魚と水のマスター

Rey Kayest has transformed into SUPER ANGEL ETERNITY INFINITY OCEANIC GUARDIAN MERMAID ANGEL OF OCEAN JUSTICE AND DIVINE OCEAN LOVE!

We were amazed by Rey Kayest's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Olhydra saw it, she fell into a rage and fired a blast of water to drown her, but Rey absorbed the blast of water and it made her stronger than ever, and Rey fired an ocean blue energy blast with purifying water, ocean waves, sea creatures, and mermaids at Olhydra, and it hurt her badly.

Nico: Whoa, Rey Kayest's transformed, this is going to be one awesome battle.

Me: Hope everyone's ready to get wet.

Lincoln: Wow, Rey, you look beautiful. How do you feel?

Rey Kayest: (Divine Echoing Cosmic Voice of the Maelstrom Guardian Mermaid and Divine Oceanic Love) **I feel incredible, Linky. Now, shall we send this overgrown walking wave to The Black Gates for good?**

Lincoln: (Smiles) With pleasure, Rey.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Rey Kayest.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing destruction are over, Olhydra.**

Rey Kayest and Lincoln went after Olhydra, who continued firing blasts of water at them, but they absorbed the blasts of water and it made them stronger than ever, and they fired powerful blasts of rainbow energy, ocean blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Mermaids, and Angels at Olhydra, and they exploded with incredible power as they hit her, and Rey and Lincoln were firing blasts of purifying water at Olhydra, and she was being burned badly by the pure water. Then, Lincoln and Rey held out their left hands and they suddenly began sucking Olhydra into their bodies, and their energy auras flared up as they were getting stronger and they're making Olhydra's powers their own.

Then, an energy card formed in Lincoln's large left hand with Olhydra's soul inside it, and then, a kanji formed on Olhydra's head and then, she was erased by The Black Gates forever. We cheered wildly for what Lincoln and Rey Kayest did to Olhydra as they holstered their massive greatswords on their backs and powered down, and Rey Kayest's new body, clothes, weapons, jewelry, and massive ocean blue angel wings are permanent.

Rey Kayest: That's it for Olhydra, and she's never coming back. Thank you for helping me take down Olhydra, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rey.

Suddenly, Rey Kayest wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans his face down to Rey Kayest's face, they kissed passionately as Rey Kayest's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and Guardian Kay'Est and mermaids singing and ocean waves crashing behind them and we cheered wildly.

Nico: That'll teach Olhydra, awesome job, you guys.

Lincoln: Thanks, Nico.

Rey Kayest: Now, The Elemental Plane of Water's safe for good.

Lily the Mermaid: You got that right. What Olhydra and the Cult of The Crushing Wave were doing there can't be forgiven.

Me: Yeah.

Lincoln: And now, we need to get ready for tomorrow: we're going to meet the Kabuto Kamen Riders, and take down one of their biggest enemies.

Nokama: I can't wait, tomorrow's going to be one awesome mission, and I can't wait to see the Kabuto Kamen Riders again.

Nico: Same here, Nokama.

Dr. Daily was being loaded into a Paddy Wagon and she was laughing like an insane nut!

Dr. Daily: (MANIACAL LAUGHTER) YOU GUYS WILL BE DOGS! (LAUGHS INSANELY) I WANT ALL HUMANITY TO BE DOGS! (INSANE LAUGHTER!)

She was loaded and taken to the Saturn Insane Asylum.

Me: She should have never been allowed to be a vet or anything.

Larxene: And we'll be on the lookout for the rest of your enemies.

Katie Michelle: Thanks guys.

Me: But you all did really awesome for this.

Nico: You all sure did. I have a feeling that Nokama's big mission is gonna be just as amazing and cool.

Nokama: It sure will be. I can't wait to see Souji again.

Me: We all can't wait. We have so much to tell him and his team about our acquirement of the M.O.E. Zecters.

Laney: Yeah that is gonna be amazing for him.

Lana: It sure will.

Nico: Yep. Great job today everyone. (Sees the Sun going down as it's almost dark) Lets head home and get some sleep. We earned this for tomorrow.

Fi: We sure did. (To the viewers) Hope you all liked this adventure because tomorrow is gonna be a good one.

Me: It sure will.

We went back home and enjoyed watching The Dream Boat and then we went to sleep.

Meanwhile in Japan, the Kabuto Kamen Riders were all really excited to meet us to help put a stop to one of their enemies.

Souji: It's gonna be so awesome to have Team Loud Phoenix Storm help us out.

So: It sure will be awesome!

Arata: Yeah it's gonna be amazing to have them all help us out. Tomorrow is Nokama's big day.

Tsurugi: It sure will be awesome for them to come.

On the Island of Wawanakwa was Nico, The Ripping Friends, Courtney, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to walk around and see what needed to be done there for an awesome rescue.

Nico: Wow so the next rescue is on Wawanakwa Island.

Me: Brings back lots of memories here.

Camie: What kinds of memories.

Eli: Wow. That's so awesome you were here bro.

Me: Some of the best ever.

Fu: Boy that was awesome seeing that on TV.

Lana: It sure was.

Lincoln: Yeah we were rooting for J.D. and Naruto the first time.

Laney: That was so awesome.

Varie: That was awesome seeing that.

Nico: Thanks for coming with me, Courtney.

Courtney: Anytime Nico. It's gonna be so awesome helping you guys out on this rescue.

Me: It sure will be awesome.

Camie: It's awesome you guys had a lot of fun here though.

Me: Well to us it was fun but to the contestants of Total Drama it was total hell.

Camie: What happened?

Me: Chris's evil brother Billy is what happened. He tortured and humiliated all the contestants here to boost the ratings of the show.

I went over what he did and it was TERRIBLE ALL IN CAPITAL LETTERS!

**Christopher "Chris" McLean** is the main antagonist of the Canadian animated franchise *Total Drama*, arguably serving as the main antagonist from *Total Drama World Tour* onwards since he didn't generally play an active role on it before.

As the host of the show, Chris is also in charge of designing the challenges the contestants have to compete in - all of which he intentionally makes excruciating and gruesome for the contestants to satisfy his sadistic tendencies. In-universe, it is confirmed that Chris did not create *Total Drama* by himself; as he mentions producers multiple times in the series.

His most important co-host, employee, best friend, and sidekick is Chef Hatchet, as well as several interns whom he torments (even recklessly murdering via neglect for their well-being) for fun. Whenever he is absent, he let Chef host in his nasty challenges. He has since become one of the most beloved yet hated characters of the series.

He is the archenemy of the former contestant, Ezekiel.

He was voiced by Christian Potenza, who also voiced Trevor Troublemeyer in *Sidekick* .

In "Not So Happy Campers - Part 2", he made all the contestants jump off a huge cliff and into shark-infested waters for a challenge and humiliated DJ, Beth and Courtney by forcing them to wear chicken hats because they refused to jump. He also forced the Killer Bass to carry their crates by hand as part of their punishment for losing the challenge.

In "The Big Sleep", he forced both the Screaming Gophers and Killer Bass teams to not get any sleep for over 87 hours for a challenge he called the Awake-A-Thon. He also made them run a marathon and eat a feast, so the challenge would be harder. Finally, he used several methods to make them fall asleep.

In "Phobia Factor", Chris created the challenge for the contestants to conquer their darkest fears (such as Sumo for Heather, Celine Dion's music shop standees for Duncan, Ninjas for Harold, Flying for both Owen and Izzy, Bad hairdo for Lindsay and Sadie, snakes for DJ, Hail for Geoff, leaving in the woods alone for Bridgette, green gelatin for Courtney, Chickens for Tyler, Mime for Trent, defusing bomb under pressure for Cody, Spider for Leshawna, bugs for Beth and buried alive for Gwen).

In "Paintball Deer Hunter", Chris shot Harold with a paintball gun for fun before introducing the challenge. He also forced Duncan to wear the Deer equipment upon realizing that Duncan didn't want to wear it. He would disqualify either team who would take off the equipment. He also berated Cody for getting mauled by a bear despite showing some concern.

In "Up the Creek", Chris doesn't tell Beth about Bony Island after she returns from the bathroom after he explains the instructions, causing her to steal a Tiki doll and get her team cursed (though to be fair, Chris did warn her teammates, so Beth should have asked her teammates about what Chris said). After the Gophers lose for the third time in a row in "If You Can't Take the Heat…", upon finding out that Beth took the Doll from Boney Island, he scolds her for not heeding his warning even though he didn't even try to tell her (yet it's possible that Chris may have thought that Beth's teammates had warned her on his behalf).

His allowing Harold to outright cheat in "Basic Straining" by rigging the votes to wrongly eliminate Courtney, which he meant as revenge against Duncan for his pranks (it's possible, however, that Chris opted to also kick off Courtney as she and Duncan had stolen Chef's dessert and Chef promised retribution for that, so looking at the cameras, Chris and Chef could have become aware of this, which could explain why they did enjoy throwing Courtney into the boat). In the same episode, he watched in delight as Chef tormented the contestants; even making fun of them as they helped themselves to a meal.

In "X-Treme Torture", during the recap of the previous episode, Chris admitted that he discovered what Harold did through the cameras and that it was unfair, but also says that Duncan was only doing his job because that's what bullies do, so in other words, Chris approves of bullying.

In the "Brunch of Disgustingness", Chris merged the two teams and announced the competition but there will be no elimination. Instead, he created a battle of the sexes. The winner team will be going on a two days resort and the loser team go hunting tonight for two days on Camp Wawanakwa with Chef Hatchet. He also killed dolphins and made "Dolphin Hotdogs" for the contestants to eat, which in Canada, (where Total Drama takes place at) is a federal crime. In said episode, he also forces them to eat various foods that were not only disgusting, but also hazardous to one's health. Chris instead created the drinking challenge to drink blended cockroaches (Owen wins, Leshawna lost because there was a cockroach that wasn't blended).

When Eva and Izzy return to the island after being previously eliminated, Chris says that when he claimed that eliminated contestants could not come back, "EVER", he reveals that he "lied". He also took joy in bringing back two contestants that the others disliked. Chris created a competition called the Wheel of Misfortune for the contestants' tortures.

Sending Lindsay home for being the last person to "cross" the finish line in the bicycle race, when she came in right after Heather and the other people didn't finish the race at all. And he didn't even punish Leshawna or Izzy in any way despite them both not competing in the challenge. Like many other examples, he likely did this to create drama.

In "Hide & Be Sneaky", Chris gives the hide and seek challenge while having Chef Hatchet seek the contestants. He called Chef to tell him of Lindsay's poorly hiding.

In "Wawanakwa Gone Wild", Chris gives challenges to the contestants of catching the animals. The punishment for the non-eliminated loser will be cleaning the Communal Bathrooms, even the toilet that Owen pooed in (due to him eating too much paste), much to the contestants' disgusts.

His forcibly eliminating Leshawna because the other eliminated campers at Playa Des Losers kept saying her name while trying to vote someone else out, not meaning to vote for her, and counting multiple "votes" from a random parrot in the pool. Worse, he likely did this to create more drama.

In "I Triple Dog Dare You!", Chris created disgusting dares with the assistance of the eliminated contestants and some dares (like Duncan, Tyler and Harold) involved Owen's limbs such as licking Owen's armpit from Duncan's dare, eating grape jelly out of Owen's belly button from Tyler's dare, and licking Owen's toe jam from Harold's dare. He allowed the final three to dare their fellow competitors with hopes of eliminating them from the game. He immediately eliminated Heather because she didn't accept Lindsay's dare which is to have your head shaved by Chef Hatchet, despite her head being shaved by Chef accidentally when she kicked the electric razor from his hand. He made a bet with Chef that if one of them vomits first, the loser pays 100 dollars, which Chris lost to Chef when Owen ate dog food.

In the Total Drama Island special called "Total Drama Drama Drama Island", Chris forces Gwen to relinquish her winnings to instigate a scavenger hunt for one million dollars, which ultimately ended up leading to the second season, even when she flat-out refuses the "offer" in her ending, Chris holds up her contract saying that it doesn't matter if she agrees or not (in Owen's ending, Owen willingly accepts the extra challenge). It's implied that this had been his intention from the very beginning, meaning that the entirety of Total Drama Island was completely pointless.

He doesn't send Chef his paycheck in the episode "Alien Resurr-eggtion" of Total Drama Action.

According to Chef, he didn't pay for a safer plane because of his cheap ways of handling the show's funding.

He brings Gwen up to his viewing room and makes her watch Trent be eliminated just to make her feel bad in "3:10 to Crazytown".

He shoved Harold to the ground at the end of one episode of Total Drama Action; breaking his glasses. Worse, he did it right after Duncan pulled down his pants and while he was still mourning his crush's elimination.

He dresses up as Steve the yeti, and tells Geoff and Bridgette that they stink on international television in Total Drama Action. Later in the finale, he interrupts their Aftermath show and takes over as host.

He puts itching powder on the cast's pizza, makes them study all night, then he makes them believe they are going to die by a fatal disease in "One Flu Over the Cuckoos".

In "Masters of Disasters", Owen breaks his jaw due to Chef throwing his manifesto at him. Chris then gives the Killer Grips the win, even though the Screaming Gaffers got their whole team to cross the finish line first, to which he says that "serious injury trumps all". However, in last season's "Paintball Deer Hunter" episode, he doesn't care about Cody's serious injury and gives the win to the Killer Bass. This truly shows that Chris makes up the rules of the game as he goes along. Furthermore, aside of giving the Grips the win, he shows little concern for Owen's injury despite Owen being one of the few contestants he likes.

In the same episode, when the cast could die from a flooding submarine, he only cares if they survive because, without them, he won't get paid.

He faked his death and made Courtney look like she "murdered" him. He even declares Lindsay winner of the challenge for "solving the mystery", even though Courtney was the only one who knew that he was still alive.

Chris sets each of the stink bombs the contestants have to defuse up differently so they would all get hit by the stink bomb in "Dial M for Merger".

It's likely that he forced Courtney, dressed up as a princess to kiss a toad, even though she didnt want to.

He hires Owen to cause drama and sabotage the remaining contestants in Total Drama Action. He later fires him for getting caught by Courtney's lawyers. His worst action would be when he had him break up Duncan and Harold's new friendship. Even before letting him go, he threatened to fire him several times if he refused to stoop to new lows.

It is implied he murders a parrot for biting him in "Top Dog".

Chris makes fun of Chef and how bad his cooking is in the finale when Chef wants to leave due to how Chris treats him. However, he does redeem himself, and apologizes to Chef and says how much he needs him.

He shows Beth's greedy side to the cast to lessen her chances at winning the million dollars in Total Drama Action's finale (although he may have done this to make the chances fair, as he did show Duncan's nice side as well), despite Beth helping him repair his friendship with Chef in the previous episode.

In the first episode of Total Drama World Tour, he informally "eliminates" Ezekiel for no reason other than him being annoying, which was before he was voted off as the first contestant again and went totally feral.

In that episode, he also hits Owen in the head with a pan twice when the latter freaks out about flying.

He treated his interns like actual slaves in the "Walk Like an

Egyptian - Part 2" episode and caused the death of one of the interns by neglecting to help him when he was being eaten alive by a scarab beetle (though it was also the intern's fault partially, as he could have chosen to run away instead of staying just because Chris wanted him to do so), whom Chris laughs at and encourages the scarabs to kill the contestants. He later tried to get Duncan to sing after his team ended up in last place resulting in the latter quitting.

In "Super Happy Crazy Fun Time Japan", Chris has Chef cut the door to cause the contestants to fall due to Harold's all knowing naggings. Chris also gives pandas as pinball buddies. However, when Cody decided to take the challenge, his pinball buddy was Sierra. After Team Victory lost again, he was going to eliminate DJ until Harold takes the elimination due to the manipulation of Alejandro. That said, he still throws Harold a parachute so Harold doesn't fall to his death as he forgot to take a parachute with him.

When Bridgette got her tongue stuck to a flagpole courtesy of Alejandro, Chris refused to help her and even made her sing about it and take the Drop of Shame with her tongue still stuck. Worse, he drinks the water and leaves the empty bottle on the ground, even though Bridgette needed it to free herself from the pole.

When Sierra revealed part of Chris' past, Chris told Sierra to shut her mouth permanently as punishment for exposing his former boy band (Fame Town).

In the Total Drama World Tour Aftermath according to Blaineley, Chris sent out his entire Drama Machines to search for Duncan and return him to the show. But didn't manage to find him.

In "Slap, Slap Revolution", Chris created the sausage stuffing challenge (which was referred to as "Shut Up Und Stuff It!" by Chef Hatchet) for the teams to slide down the dangerous hill and released a dangerous mountain baby goat. He allowed Team Chris is Really, Really, Really, Really Hot to use Owen (due to him being stuffed with raw meat). In the final challenge, Chris forced Cody to wear Der Penalty Hosen as punishment for having lost the previous challenge (due to Heather and Sierra) and Team Victory using 2 dancers (due to their short numbers) while Teams Amazon and Chris is Really, Really, Really, Really Hot used 3 dancers. He electrified the competitors to force them to continue dancing.

Revealing Cody's vote against Sierra during the Team Amazon's elimination voting video that causes Sierra to become devastated at this revelation & sobs at Cody.

Declaring "Team Chris is Really Really Really Really Hot" (which was named as such to flatter him) the losers in the "I See… London" episode even though they successfully found "Jack The Ripper" and had won the challenge as he instructed it to them, just because Team Amazon happened to find Duncan. The result of this was Noah's unfair early elimination.

Though easily overlooked, when he kicks off Ezekiel out of the plane for failing to capture all the contestants (he had promised Zeke offscreen that if he got all the contestants captured, he could rejoin the competition), Chris has Chef throw Ezekiel off the aircraft without a parachute, implying that either Chris was willing to throw Ezekiel to his death to get rid of him once and for all or that he didn't care to check whether Ezekiel had a parachute.

On several occasions during Total Drama World Tour, he abruptly announces that the episode does not have an elimination after telling the contestants the opposite throughout the challenges and even having them vote. In more than one of these instances it is implied that Chris had not even planned this but is making up the rules as he goes along. The worst example would be when he voted an intern off, so Duncan cheating on Courtney could cause more drama.

Chris deliberately broke the bathroom door's lock at the time of Gwen and Duncan's adulterous kiss, which is not only an invasion of privacy, but allows Tyler to witness it and later reveal it to Courtney and everyone else, incurring her recklessly brutal wrath against them. Throughout this entire series of events and the prolonged drama following in its wake, Chris makes it clear through his behavior that he has no empathy for any of the involved parties, and rather enjoys seeing them fight as much as ever for the sake of ratings.

He throws an intern off the plane for giving him wrong information about where the Olympics originated.

Later, he forces Duncan to sing or remain silent as punishment for quitting the show. He also has Chef whip him with his Olympic towel whenever he fails to do so.

His breaking the rules of the contest and declaring Sierra eliminated even though she had won the day's challenge and had "invincibility", due to her accidentally destroying his plane. If Chris had not done this, Alejandro would have been eliminated then and there instead. Ironically enough, Sierra blowing up the plane was also karma for Chris as well for all of the drama he caused throughout the show.

In the third season finale, he changed the ping pong balls Geoff and Bridgette had put in the challenge booth for Heather to decide the tiebreaker between Alejandro and Cody with golf balls, hurting Heather and humiliating her in front of the contestants, just because ping pong balls would not have hurt Heather and disappointed him.

Chris imprisoning the badly-burned Alejandro in a crude Darth Vader knockoff mechanical body for the sole purpose of having him sign a waiver absolving Chris and the show of responsibility for his injuries, and laughing at Alejandro's despair of being told that the money and his reputation has been destroyed. It's fair to agree, however, that Alejandro deserved it due to his horrible actions throughout the season and his attempt to kill Cody.

His dumping toxic waste in Camp Wawanakwa during the time he didn't use the island until Total Drama: Revenge of the Island, regardless of the plants and animals who lived there, mutating many of them in the process.

His forcing eliminated contestants to ride a catapult in Total Drama: Revenge of the Island.

In the first episode of Season 4, Owen appears, oblivious to the fact that he and the rest of the original cast are not competing this season and Chris responds by having Chef put an explosive on his face and detonating it, sending him flying away.

He gives the Mutant Maggots the win, just because they blew up the

Toxic Rat's cabin, even though the Toxic Rats won.

He caused Staci to lose her hair and suffer minor radiation poisoning after she got voted off because Chris handed her the toxic marshmallow of loserdom.

He confiscated Sam and Dakota's electronic devices, putting them in tech withdrawal. Even Scott thought that was harsh.

He forced Sam, Brick and B to admit embarrassing secrets about themselves on international television and had them press poorly wired buttons, electrocuting them for the sake of a challenge while threatening to have them and their teams submerged underwater and are at risk of being eaten by a mutant shark named Fang in "Truth or Laser Shark".

In "Finders Creepers" at the campfire ceremony after the Mutant Maggots lost the challenge, due to Chef going missing, it was a non-elimination episode and he feels disappointed that no one is going for a catapult ride. After Dakota has done her deed, he hurls Dakota again for the second time despite the fact that Dakota is no longer a contestant and has already been eliminated.

He forced Dakota to go into a highly irradiated mine for over 40 minutes, which not only caused her to lose her hair, but to be transformed into a mutated monster in the next episode. He also made the contestants go into the mine for the sake of a challenge, but gave them special indicators to let them know how long they were in the mine.

He buries Gwen and Sam alive in a chest which, in the words of Mike, "is low even by Chris's usual standards".

In Eat, Puke and Be Wary, he initially gave a safe challenge, until Scott's trap flung Chris into the toilet. Chris gives a green light for Chef's nasty challenge. After he was successfully removed from the toilet, Chris arranged Fang to the Hurl of Shame with the injured Scott as payback, even though Scott's trap didn't make him suffer too much.

At the end of Season 4's finale, he attempts to detonate a bomb he planted on the contestants' departure boat for no reason. However, the bomb is removed by Chef and put under the dock right under Chris, blowing himself up and landing him in the water as payback, resulting in Chris getting arrested.

During the season 5 introduction, he presents Chef Hatchet a cashew with the former's face drawn on it and calls it "Chef 2.0" for no other reason than to mock him.

He forcing eliminated contestants to be flushed down a gigantic toilet in Total Drama All-Stars.

His putting Gwen on the Villainous Vultures and Courtney on the Heroic Hamsters even though Gwen is a hero and Courtney is a villain (although he does switch Courtney to her proper place on the Villainous Vultures after witnessing her villainous behavior of using Sam as a human shield in "Saving Private Leechball").

He makes Cameron switch to the Villainous Vultures team instead of letting him quit the competition to escape from Sierra's affections in "Moon Madness".

In "Suckers Punched", he did a "rigged" wheel game and as Gwen spun, he purposely made the wheel land on Courtney so that they would fight each other. Not to mention that Chris (with help from the Producers) showed Courtney videos of Gwen making out with Duncan that was on Sierra's Gwuncan blog, causing Courtney to get mad just as their friendship was finally starting to work out.

His making Cameron take the Flush of Shame with his injuries instead of taking him to the hospital in "Zeek And Ye Shall Find".

In "Sundae Muddy Sundae", Chris forgets to feed two of his interns, so he thought of a challenge where the contestants had to make ice cream sundaes by going through hazardous areas. Later, rather than "actually" giving the interns the sundaes, Chris decided to make the contestants eat their sundaes instead, thus not feeding the interns again, though he was appalled when he discovered that Courtney was planning to feed the interns a nasty sundae with bird feces. Knowing Chris, the interns were possibly left to expire, but as those two interns are seen still alive in other episodes, it's likely that

Chris or Chef ultimately fed them offscreen.

In the season finale of "Total Drama All-Stars", Chris brought Owen back to place the previously eliminated contestants inside the giant balloons with Owen's farts when feeding him with beans. Zoey was able to free Gwen and Cameron and Mal freed Heather and Alejandro. Chris forgot to tie or pop the balloons, causing Lindsay, Lightning, Jo, Sam, Sierra, Duncan, Courtney, and Scott to fly away in the air. However, Fresh TV confirmed that they are all alive and unharmed.

He also allows Chef to sink Camp Wawanakwa into Lake Wawanakwa. To be fair, this was a poor insight on both their parts as both of them didn't know it would sink.

He used eliminated contestants as human cannonballs in Total Drama: Pahkitew Island.

In "I Love You, I Love You Knots", Chris shocks the contestants with shock collars he admits to have first tested with them instead of testing them before. By remarking that they are still alive, this indicates that Chris was risking the possibility of killing the contestants. He also shoots Rodney with the Cannon of Shame into a warship, sinking it, though most of the damage this caused (and if any lives were lost) isn't specified. Fortunately, Rodney is indirectly mentioned to still be alive in the finale.

He unfairly eliminates Ella simply for singing too much despite her team winning the challenge, though to be fair, Chris had already warned Ella that she would be eliminated if she sang again, but Ella still reluctantly did so at her team's request, who promised that they would not report her to Chris (yet Sugar anonymously reported her due to her hatred for Ella).

In "This Is The Pits!" since both teams lose the challenge, he forced an elimination ceremony because he mostly wants to and it's even not worth it since neither of the teams won.

Chris makes Chef burn the reward since neither of the teams completed the challenge properly. Also, he called them out on it out of spite for wasting his time.

Chris stages Topher's elimination in "Three Zones and a Baby" by posing as a producer. After Topher stole Chris' phone, he poses as one of the producers and tricks Topher into thinking he is the new host of "Total Drama". In real life, Chris would have been faced with a lawsuit for tampering with the elimination order.

He put the contestants in a challenge that involved eating Juggy Chunks that expired almost 40 years ago, which caused them to undergo heavy nausea, vomiting and caused all of them except Shawn and Jasmine to undergo a zombie-like trance (instead of throwing it out). In the same episode, he also taunts Dave about being rejected.

When the island was under threat of exploding, Chris abandoned the contestants under the excuse that it was a new challenge, despite knowing the possibility of the island truly exploding and that the contestants could die trying to stop it was incredibly high, even backing away from the island in his copter so as to avoid the potential blast. In the same episode, he refused to hand over the million dollar prize to Scarlett even though she had complete control of the island at the time, before showing he was less concerned about this than he was about not having coffee on the helicopter. He then ordered the contestants to battle Scarlett for the money even though she could've killed them and destroyed the island simultaneously.

In the finale, he crosses the Moral Event Horizon by turning Dave against Sky by repeatedly showing him Sky's audition tape, which revealed that she still had a boyfriend back home. On top of this, he showed Jasmine a video of Shawn badmouthing her idea on how they should split the winnings in the confessional. Finally, he indirectly leaves Dave on the island, resulting in him getting mauled, and perhaps killed, by a bear offscreen.

When I was done everyone that hadn't heard about it was shocked and absolutely horrified!

Kaoruko: I can't believe he would do all that!

Tsuyu: He is a monster!

Lincoln: That's an absolute understatement.

Camie: What's the Moral Event Horizon?

Me: It's an action that a wrongdoer does that is so vile that they eliminate any sympathy from anyone and it makes them completely irredeemable and worthy of eternal jail time or death.

Camie: Oh I get it!

Courtney: Yeah no kidding.

Nico: (to Courtney) Let's not forget what he did to you.

Courtney: Yeah he made me almost commit suicide!

Me: If that doesn't cross the Moral Event Horizon, I don't know what will!

Eli: By all accounts, Billy should have gotten the death penalty for his crimes.

Lola: Yeah he was a heartless monster!

Kaoruko: No kidding. Does Canada even do the Death Penalty?

Me: No they stopped using Capital Punishment back in 1976.

Courtney: Man what a waste.

Nico: And I promise I'm going to do anything I can to make sure no other girl turns out like Heather.

Me: Don't forget Amy, Joan, Josee or Anna Maria or anyone like that.

Nico: Right them too.

Courtney: But there is something I want you all to see here.

We followed Courtney and we got to the ruins of an old mansion that was completely destroyed.

Me: Whoa!

Nico: This mansion is gone.

Courtney: Yep this is Billy McLean's old mansion and Duncan blew it all up.

Me: Whoa!

Courtney: Yeah and Billy sent him to prison for it. He sent him to an adult prison!

We gasped!

Me: But that's not right! Duncan was like what 17 at the time?

Courtney: Yeah we all were.

Nico: Boy Duncan sure did a number on this place though.

Me: Yeah and I would say that blowing up this whole mansion was completely justified.

Eli: I agree there.

Bonnie Terrez: Yeah I agree there.

Nico: It was a pleasure meeting Fi and her friends.

Bonnie Terrez: I'm glad you guys liked meeting them. I told them so much about you guys when I would call them every time I got back from a mission and they were so excited to meet you guys.

Nico: It's so awesome that they have so many awesome talents like that.

Lisa Loud: Indeed it was.

Nico: It must've been painful for them to become dogs.

Bonnie Terrez: Not as painful as being gene-slammed was.

Nico: Point taken.

Me: Well thank goodness they are safe and Dr. Daily is now in the Saturn Insane Asylum forever.

Eli: Good riddance.

Nico: No kidding there. But the Douglas family really got a huge shock out of that.

Lola: Especially Carly.

Nico: Yeah.

Me: No kidding.

Nico: Bonnie, you'll have to tell us one of these days how Dr. Daily was dealt with the first time.

Rarity: Oh that would really be an amazing story to hear about darlings.

Bonnie Terrez: That is a promise.

Me: You know Nico I've been thinking about todays big mission later today.

Nico: Really?

Me: I just noticed something about it.

I looked at my Zecter for the Butterfly.

Me: I saw that the Kabuto Kamen Riders govern insects and the worms are aliens from another planet that govern well worms. And I noticed that it was a battle on land thats been around since the prehistoric times.

Nico: Now that you mention it yes that is a really awesome theme and war battle.

Nicole: That's right and Insects have been on the planet 270 million years longer than worms have.

Camie: Really? How long have Insects been on the planet?

Nicole: They have been on the planet since 479 million years ago in the Early Ordovician Period.

Nico: Wow! That is really cool!

Fluttershy: Boy it sure is and Worms have been been on the planet for how long?

Nicole: They were on the planet since the Early Jurassic Period around 209 million years ago.

Nico: Wow!

Me: Yeah that's amazing. And Marine worms have lived in the oceans much longer than insects have on land.

Nicole: Dad's right. They were on Earth for over 500 million years.

Eli: Yep. So that makes them one of the oldest living lifeforms on the planet.

Laney: That is really cool.

Nico: That reminds me. We need to check if any of us are Worms.

Lisa Loud: Good thing I invented this.

Lisa pulled out a special scanner eye.

Nico: What's this?

Lisa Loud: This is my Worm X-Ray Detector. It will pierce through the disguise of worms and reveal their bone structure. If it's human we'll be good. Worms not so much.

Nico: Perfect!

Nico tried it out and it revealed our bones.

Nico: Wow it works perfectly Lisa.

He saw our bones and they were all normal.

Nico: Okay we're all clear.

Me: Thank goodness.

Nico: Just wanted to be sure.

Me: Way to come through Lisa.

Lisa Loud: Thank you very much.

We then left the ruined mansion and we got to the camp.

Me: This is the camp where we had the competition.

Nico: Wow. This is awesome.

Camie: Why is there a giant toilet and a catapult?

Courtney: Billy called those the Hurl and Flush of Shame. The catapult for the hurl and the toilet for the flush.

Nico: Whoa man.

Me: I remember seeing that. The Flush sent Gwen and Scott careening over Niagara Falls.

Nico: WHAT!? That is nuts!

Courtney: I wound up on the beach.

Me: I would not want to take a dump in that huge toilet.

We laughed at that one.

Me: I was being serious on that but yeah.

Nico: Ew.

Eli: Yeah.

Nico: A lot of stuff was wacky here.

Me: Yeah and because of Billy it was pure torture, humiliation and many class action lawsuits. Everyone on this entire show seriously got hurt and brutally injured. Or worse.

Nico: Yeah no kidding.

Courtney: Yeah. That's why I sued him for everything he had.

Me: Really? How much?

Courtney: After we closed the horrible show of Total Drama forever, me and everyone sued him for over $92,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0

Me: WHOA! 92 Tresvigintillion!?

Camie: That's massive!

Me: Yeah that's 92 followed by 72 zeroes!

Lisa Loud: That's gonna be physically impossible for him to pay off that huge amount of money.

Nico: It sure will be.

Lincoln: Don't worry guys. I made sure he would pay it off because I cursed him with my newest ever curse. I call it the Gessius Florus Vengeance Curse. He is cursed with eternal life. But Every time he is injured and humiliated by us and everyone he will have solid gold bars, diamonds, jewels and coins erupt out of him with every blow.

Nico: Wow! That is awesome.

Me: Nice job buddy.

Lincoln: And it's making everyone rich. I did the same thing to all the other jerks.

At Lynn's Table people were smashing Billy McLean and the jerks and money, jewels and all that were pouring out of them.

Nico: Good. It'll make a lot of people rich.

Me: Yep. You could say that they will be Literally Hitting The Jackpot! (Laughs)

Everyone laughed at my joke.

Eli: (Laughs) That was a good one bro!

Fu: (Laughs) Yeah it was.

Nico: (Laughs) Hey that was funny.

Me: Thanks.

Eli: (Senses Something) Uh oh we got company.

We saw a figure come and it was an EVIL VERSION OF CHRIS MCLEAN!

Nico: An Evil Chris!

Me: This is a version of him from another universe!

Evil Chris: And you are going to suffer!

I then ran fast and tied him up to a post with chains.

Nico: Now we're going to make you suffer.

Me: It will be awesome for some payback.

Lincoln: First this.

Lincoln gave Evil Chris the Gessius Florus Vengeance Curse.

Me: Lets see if this curse really works.

Nico: Here we go.

We pulled out our humiliation bazookas.

Nico: FIRE!

We fired explosives and prank bombs and they hit Evil Chris and

then.

KRASMASH KRABBBBOOOOOOMM! KRABBBBBBOOOOOOOOOOOMMMM! KRABBBBBOOOOOOOOOMMM! BLANG BAM SMASH!

They all hit him and then massive numbers of gold bars, huge jewels, coins and more erupted out of him!

Nico: WHOA! That curse really works!

Lincoln: Yep!

We rounded up all the gold and stuff.

Courtney: I'm going to take Gwen to the mall after this.

Eli: She'll love that.

Nico: I don't think he's alone though.

Eli: No I sense it.

A figure came out and it was a scary and horrifying version of DINO CHARGE RED! But it had a dinosaur skeleton helmet!

Nico: WHOA MAN!

Me: It's Another Dino Charge Red!

Laney: Whoa! Tyler and Major Disaster would be pissed if they saw this!

Nico: Who are you?!

Another Dino Charge Red: (in a girls voice) I think J.D. might know.

Me: (Gasp) That voice!

She reverted back and it was a girl that had purple hair and had purple eyes and had the kanji for Thunder in the middle of her forehead and had purple and yellow clothes on. She also had lightning surging through her hands and hair and had purple angel wings that were surging with incredibly intense lightning.

Me: Nichelle Hannaburg!

Nichelle: Awesome to see you again J.D. I am now finally trying to become the best fighter in the multiverse.

Me: You always did have what it takes to be a great fighter Thunderstrike.

Nico: Thunderstrike?

Me: It's my nickname I gave her. She is also half Lightning Elemental. She was born half human and half Lightning Elemental. She has incredibly fast speed that is as fast as lightning. I gave her the nickname Thunderstrike because she can beat her opponents with incredibly fast speed and force as powerful as lightning.

Nico: Wow! That is amazing!

Me: Yep. Me and Nichelle were tag-team fighting partners in the junior fighter tournaments and we were the best for 5 years running. Every tournament we went to we would dominate the competition. No one would match up to us.

Nico: That is so awesome!

Nichelle: Good times there.

Courtney: Okay, so maybe Swartz wasn't lying to you this one time.

Nico: I don't know Courtney. Want to have a crack at Evil Chris here?

Nichelle: I would be honored. It'll show you how fast I am.

Me: Go for it.

Nichelle: Want to do it with me J.D.?

Me: Just like old times.

I went to Nichelle and me and Nichelle did our traditional fistbump and intense lightning struck out of it.

THUNDERCLAP!

Nico: Whoa! That is awesome!

Me: It's our traditional fistbump. Lightning would strike out of our fistbump whenever we did that.

Nichelle: Cool huh?

Nico: Yeah.

We went at Evil Chris with incredible speed and struck him all over with the fury of 8.6 million lightning strikes per second and it was incredibly electrifying!

Nico: WHOA!

MOUNTAINS AND MOUNTAINS OF GOLD, JEWELS, DIAMONDS, COINS AND MORE POURED OUT OF EVIL CHRIS BY THE TRUCKLOADS!

Courtney: WOW! THAT IS AWESOME!

We stopped 10 minutes later!

Nico: WOW! That was amazing!

Nichelle: It sure was.

Me: Just like old times Thunderstrike!

Nico: You guys were moving so fast we didn't see you move. How many blows did you get in over the last 10 minutes?

Me: 829,323,124,533,434,334.

Nicole: WOW!

Nico: That is amazing!

Me: Now that we got that out of our system we can begin our fight.

Nichelle: It was awesome to show off to you guys.

Nico: No kidding there. Wow.

Courtney: Now me and the Total Drama contestants can move into our own mansion at the estate!

Nico: No kidding there! Wow!

Eli: Yeah! You said that already.

Nico: (takes out Major Disaster's ridewatch) As Ivan would say, feel the power of the storm!

Nico activated it and got the powers of a cataclysmic storm!

Nico: YEAH!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Evil Chris was BRUTALLY MANGLED UP!

Me: Wow! We both really did a number on him but it was very awesome.

Nichelle: It sure was.

She was enveloped in a swirl of darkness and dinosaurs and then she turned into ANOTHER DINO CHARGE RED!

Zocks: (gets out out Abaranger gear) Time to fight dinosaur with dinosaur!

Kaito: (gets out Dekaranger gear) Don't forget about me!

Zocks got the Abaranger Quill out and Kaito got the SPD Cuffs.

Nico: Nice!

Me: Sorry about this Thunderstrike. But it's what we have to do to save you.

Laney: That's right.

She pulled out a Ptera Blade and put in 3 Dino Chargers each for Axel, Firefly and Pyros!

She fired a huge blast of fire from it and I absorbed the fire!

Me: WHOA! She has Dino Chargers and Weapons for each of the Core and Non-Core Members of the M.O.E.!

Laney: This is gonna be awesome!

Me: Yeah!

Lola: Lets see what this one can do.

She activated Pyros's Ridewatch and lava poured from her hands and she threw globs of lava and they hit Another Dino Charge Red and burned her.

Zocks used the Quill to make a flamethrower.

Zocks: Burn baby burn!

He fired a blast of fire and it hit Another Dino Charge Red and burned her.

Me: YEAH! Lets see what these new Sentai Gears can do.

I used the gear of Bane and activated it and then I got BANE'S HUGE MUSCLES!

Nico: WHOA!

Me: Hey wow! (Imitating Arnold Schwarzenegger) This is a good way to pump me up.

Everyone laughed.

I pulverized Another Dino Charge Red with my huge muscles!

Me: Oh here's a good one. Sorry about this Nichelle.

I grabbed her.

Me: I learned this one from Mung when he was having that horrible case of bad luck. What you need is some of this! (Stretches her) And this! (Bends her) Tell me I'm hunky!

I really bent her all over.

Zocks then drew a stampede of hippos.

Another Dino Charge Red: HIPPOS!

She got trampled by them!

Nico: WHOA NICE!

Me: That was a little funny.

Zocks drew a skunk.

Me: Uh oh plug your noses everyone!

We did so.

The skunk sprayed Evil Chris!

FOGHORN!

Eli: P.U.!

Nico: WHO STEPPED ON A DUCK!?

Zocks: Not what I had in mind.

Zocks then drew an ice cream bike and cart

(LA CUCARACHA PLAYS ON THE CART)

It went at us and we ducked and it went up and over a tree and then crashed into Another Dino Charge Red.

Nico: WHOA!

Me: Nichelle is in pain right now, she'll have to call you back.

We laughed!

Me: Ooh may I try that Zocks?

Zocks: Sure.

I then took the quill and turned Evil Chris into a giant marshmallow.

Nico: Whoa!

Me: Watch this one.

I fired a blast of fire and burned him all over and he screamed in pain as he was being toasted!

Eli: Ouch!

I pulled him out and he was badly burned and then I drew giant graham crackers and chocolate and made a huge s'mores.

Evil Chris then had a massive number of diamonds pour out of him.

Another Dino Charge Red: This is gonna kill him right?

Me: No the curse we gave him is going to keep him alive forever.

Another Dino Charge Red: Wow.

Zocks drew a tree that was about to crash down. It fell on Another Dino Charge Red!

CRASH!

OUCH!

Nico: Good morning tree!

Zocks drew a truck!

SEMI TRUCK HORN HONK!

Another Dino Charge Red was smashed down!

Me: Ooh here's a good one!

I activated Waffle Woman's Ridewatch and fired Radioactive Polythermal Syrup and it drenched Another Dino Charge Red and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

?: YEAH TAKE THAT!

A figure came out of the water and it was a Svyelun of The Sea and Sky!

Nico: Whoa! A Svyelun of The Sea and Sky!

Svyelun of The Sea and Sky: (In a girls voice) That's right Nico.

Nico: Eden Vortonova!? Whoa!

Svyelun of The Sea and Sky: I'll finish up from here.

She fired waves of water and they hit Another Dino Charge Red and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch for Dino Charge and purified it and then I went over to Nichelle and picked her up and we saw Dino Chargers, Morphers and Ptera Swords on the ground and picked them up.

Nichelle: Whoa man. (GROANS) What a massive headache.

Me: Are you okay Nichelle?

Nichelle: Yeah. Man what happened?

Me: It's a weird story.

Eden reverted back and she was a girl with blue hair and blue clothes.

Nico: Awesome to see you again Eden.

Eden Vortonova: You too Nico.

Eli: And to top it off. (Imitating Homer) WHY YOU LITTLE!?

He went and strangled Evil Chris and gold, jewels, coins, diamonds and more poured out of him! (Season 2 Episode 22)

Nico: (LAUGHS) That is something Homer should have done to Burns!

We laughed at that!

Nichelle: (LAUGHS) That is funny.

Me: Yeah it sure is.

Nichelle: Yeah.

Nico: In my opinion, you're already a strong fighter.

Nichelle: I'm glad you think so.

Eden Vortonova: But it's funny seeing Evil Chris get strangled like that.

Nico: Yeah.

Courtney: What's your favorite memory of Nico?

Eden Vortonova: I have a lot of them but my favorite is when me and Nico did a project for the ocean floor and we drew it all perfectly and got an A+ for details that are perfect.

Nico: I remember that. That was cool.

Me: That's great. Now one last thing to make it funny.

I activated Stinky Butt's Ridewatch.

I then shoved Evil Chris's face in my butt and then…

FFFFFFAAAAAAAAAAAAAAAAAAAARRRRRRRRRTTTTTTT!

I farted right in his face with superfarts and then he threw up all over and puked out rubies and emeralds.

Everyone laughed hysterically!

Nico: That was funny!

Nico and Eden hugged.

Nico: I've really missed you Eden.

Eden Vortonova: Me too Nico. Me too.

Nichelle: This was a goofy series of pranks though.

Zocks: I may have used inspiration from the Cursed Telephone.

Me: I can tell from that Zocks. That was awesome.

Nichelle: It sure was.

Qin: That was great though.

Eli: It sure was.

Varie: Yeah.

Nico: Lets get all these jewels and gold and head home.

We did so and went home. We beamed Evil Chris to Lynn's Table for future humiliations.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha,

Lincoln: Wow, we're here in Chang An, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got word of a disturbance there.

Nico: That's right, big guy.

Me: Whatever's happening here in Chang An, it can't be good.

Lincoln: I know, that's why we're going to find out what's happening here, and put a stop to whoever is causing this. And thanks for coming with us, Megan.

Megan McCallister: You're welcome, Lincoln.

Diao Chan: I hope my father's still safe.

Lori: We'll make sure your father is brought to safety at the World Tree Estate, and far from Chang An.

?: (Japanese Accent) You guys don't have to wait for long.

Suddenly, we saw the Duel Monster, Tierra, Source of Destruction, head for us, and with it were the four girls and Diao Chan's father, Wang Yun.

Nico: Wow, that's the Duel Monster, Tierra, Source of Destruction.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Andrea Sōsuhakai.

Sophia Zandaka: Andrea's here, awesome, and she got the four girls that were here in Chang An, along with Wang Yun.

Diao Chan: Father.

Wang Yun: Diao Chan, thank goodness you're alright, along with Chen Gong and Lady Lu Lingqi, and you've brought Team Loud Phoenix Storm with you, thank you for coming.

Lincoln: You're welcome, Wang Yun. Can you tell us who's been causing the disturbance here in Chang An?

Wang Yun: Yes, the one who caused it, it looked like Chandler, but he had red eyes of pure hatred and he wanted to kill me and the four girls who were here.

We gasped in shock when we found out who Wang Yun spoke of. We then checked the footage in the Pluto Prison and we saw that Dark Chandler's crystal prison was cut down by a dark figure, and Dark Chandler was freed and teleported to Chang An.

Lincoln: Dark Chandler's out?!

Nico: You don't think it was…?!

Lincoln: No, if it were Swartz, Dark Chandler would've been turned into Another Rider. Whoever broke him out was able to cut down his crystal prison with a magical blade.

Lily the Mermaid: Wait until I get through with that little brat, he's going to pay for everything that he's done.

Suddenly, we heard the sound of a scream of pure rage and we saw someone heading this way, it was Dark Chandler, and he was absolutely furious.

Dark Chandler: YOU! You always have to ruin everything, do you, Louds?! Well, now that you're all here, I'm going to enjoy killing all of you!

Lily the Mermaid: That's never going to happen, you little monster!

Suddenly, something within Lily the Mermaid's mind snapped, as her blue eyes turned neon blue, and she's surrounded by a blue energy aura with water, ocean waves, sea creatures, and mermaids, she unholstered her massive Poseidon's Ocean Sword of Maelstrom Justice from her back, and as she approached Dark Chandler, she left blue energy, water, ocean waves, sea creatures, and mermaids with every step.

Lily the Mermaid: You absolutely make me sick, Dark Chandler, you proved that you don't care about anyone except for yourself and you delight in making everyone suffer for your own evil amusement. (Suddenly Getting Extremely Pissed Off) But, what you've done in trying to kill my future husband and his younger sisters far too many times and all because you want revenge for stopping you… , YOU'VE JUST CROSSED ONE LINE TOO MANY, YOU SELFISH, MURDEROUS, SADISTIC BASTARD, AND NOW, I WILL SEE TO IT THAT YOU NEVER RISE AGAIN TO HURT ANYONE EVER AGAIN!

We gasped at the extent of Lily the Mermaid's fury towards Dark Chandler.

Lincoln: Whoa.

Nico: You said it, big guy. Looks like Lily the Mermaid's fury's been unleashed, and after hearing of the many dark revelations about Dark Chandler, I think it's gotten to her, and now, she's going to make him pay.

Me: HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover, and then, Lily the Mermaid screamed like a madwoman, as she was surrounded by a massive vortex of ocean blue energy with water and ocean waves surrounding it, there are mermaids and sea creatures swimming around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Lily the Mermaid emerged, but she was changed forever.

Lily grew to 6'11" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing brown hair, she has neon blue eyes and an ocean blue energy aura with water, ocean waves, sea creatures, and mermaids surrounding her, she has a mermaid and with the Water Kanji in her hands emblazoned on her forehead, she has on mermaid earrings with blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has a mermaid with blue gems for eyes and the Water and

Lily the Mermaid has on a Ring of The Phoenix with blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Lily the Mermaid's Poseidon's Ocean Sword of Maelstrom Justice was surrounded by a kaleidoscope of blue energy, water, ocean waves, sea creatures, and mermaids, and when it emerged, it was transformed into Poseidon's Oceanic Greatsword of Maelstrom Mermaid Justice, it's a brand-new greatsword with a mermaid etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue angel wings for the crossguard, large orange gem embedded in the rainguard, longer blue fish-scaled handle, and large ocean blue gem with surrounding orange angel wings for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with ocean blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold mermaid with blue gems for eyes and a large ocean blue gem in their hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Lily the Mermaid has transformed into SUPER ANGEL ETERNITY INFINITY MAGIC OCEANIC GUARDIAN MERMAID ANGEL OF OCEAN JUSTICE AND DIVINE OCEAN LOVE!

We were amazed by Lily the Mermaid's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Dark Chandler saw it, the maniac fell into a rage and went after her to kill her.

Dark Chandler: I'm going to enjoy seeing the despair on that loser's face when I kill you! (LAUGHING INSANELY)

But, Lily the Mermaid fired a very powerful ocean blue energy blast with water, ocean waves, sea creatures, and mermaids at Dark Chandler, and it hits and drowned him.

Nico: Whoa, Lily the Mermaid's transformed, awesome.

Me: And that little monster's in big trouble now.

Lincoln: Wow, Lily, you look beautiful. How do you feel?

Lily the Mermaid: (Divine Echoing Cosmic Voice of the Maelstrom Mermaid and Divine Oceanic Love) **I feel incredible, Linky. Now, shall we send this sewage monster to The Black Gates for good?**

Lincoln: (Smiles) With pleasure, Lily.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of

Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Lily the Mermaid.

Suddenly, we saw six more massive deep blue sapphire angel wings with rainbow tips on the feathers and stars grow underneath Lincoln's main massive deep blue sapphire angel wings with rainbow tips on the feathers and stars and he now has eight massive deep sapphire blue angel wings with rainbow tips and stars on the large deep sapphire blue feathers, the large upward-facing curved orange ram horns crossguard of his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds changed to large gold buffalo heads and the four large orange buffalo heads for the pommel changed to gold, and he now had nine large multi-colored orbs orbiting around his legs.

Nico: (Stunned) Whoa!

Me: Incredible!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Consider this your last day alive, Dark Chandler, along with payback for all the times you've bullied me and my younger sisters, along with trying to kill me.**

Lily the Mermaid and Lincoln went after Dark Chandler, and they fired powerful blasts of rainbow energy, ocean blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Mermaids, and Angels at Dark Chandler, and they exploded with incredible power as they hit him. Then, Lincoln grabbed Dark Chandler by the shirt and hoisted him up with his immense brute superhuman strength, and Lincoln set him ablaze as Dark Chandler was engulfed in rainbow flames.

Then, as his spirit appeared, Lily the Mermaid marked Dark Chandler on the forehead, and the spirits of those he's tormented and killed went at him, and he was erased by The Black Gates forever. We cheered wildly for what Lily the Mermaid and Lincoln did to Dark Chandler as they holstered their massive greatswords on their backs and powered down, and Lily the Mermaid's new body, clothes, weapons, jewelry, and massive ocean blue angel wings are permanent, and Lincoln's additional six angel wings, new changes to his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and new nine large multi-colored orbs are permanent.

Lily the Mermaid: That's it for that little sewage bastard. Thank you for helping me take down Dark Chandler for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lily.

Suddenly, Lily the Mermaid wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned his face down to Lily the Mermaid's face, they kissed passionately as Lily the Mermaid's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and mermaids singing and ocean waves crashing behind them and we cheered wildly.

Nico: That's really awesome, and now, we've seen the last of Dark Chandler for good.

Lincoln: You got that right, Nico. (To Andrea Sōsuhakai) And it's so good to see you again, Andrea Sōsuhakai.

Andrea Sōsuhakai reverted back to normal, and she's a beautiful girl with long flowing orange hair, orange eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful orange angel wings, and she reigned in the power of Tierra, Source of Destruction, and she's dressed in a sleeveless orange blouse, sleeveless orange midriff top, long orange skirt with black lace designs, orange sneakers, and long sleeveless orange trenchcoat with fiends, Earth, and light on the coattails, and Tierra, Source of Destruction on the back, and holstered on her back a large Tierra, Source of Destruction-themed greatsword with Tierra, Source of Destruction etched on the 7'0" massive, wide, double-edged orange blade, gold angel wings for the crossguard, large orange gem embedded in the rainguard, longer black handle, and a large red gem surrounded by orange angel wings for the pommel.

Andrea Sōsuhakai: (Japanese Accent) You too, Lincoln, it's been a long time, and it's also good to see you too, Sophia.

Sophia Zandaka: You too, Andrea.

Lincoln went up to Andrea Sōsuhakai and they hugged, and Andrea Sōsuhakai's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were eleven, and as you can see, I really grew a lot since then.

Andrea Sōsuhakai: (Japanese Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Andrea Sōsuhakai, she's my Guardian Angel from Japan and she's not only one of my friends and an incredible swimmer, but she's also Sophia Zandaka's cousin, as you all heard, and she taught me how to swim effectively and she hates Scoots with a passion.

Nico: Wow. That's really awesome.

Me: So, not only were you reunited with another Guardian Angel, but Sophia was also reunited with her cousin, awesome.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Andrea Sōsuhakai's neck with orange gems on the gold thunderbolt links and orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Andrea Sōsuhakai: (Japanese Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Andrea.

Andrea Sōsuhakai had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Andrea Sōsuhakai's waist and Andrea Sōsuhakai wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Andrea Sōsuhakai's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Nicoletta and Olga from Ristorante Paradiso, Mari Iimura and Kumi Mashiba from Hajime no Ippo: The Fighting!.

Lincoln: Oh wow, it's Nicoletta and Olga from Ristorante Paradiso, Mari Iimura and Kumi Mashiba from Hajime no Ippo: The Fighting!

Nico: Awesome.

Lincoln: Are you girls okay?

Nicoletta: Yes, we're okay, thanks to you.

Then, when Nicoletta and the other three girls saw who it was that saved them from Dark Chandler, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Nicoletta: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Nicoletta: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Nicoletta, Olga, Mari Iimura, and Kumi Mashiba with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Dark Chandler, and someone busted him out of his prison again, and he was causing havoc in Chang An.

But, when Lincoln showed what happened at Chang An, such as Lily the Mermaid transforming, and the new upgrades of Lincoln, and them sending Dark Chandler to The Black Gates forever, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Andrea Sosuhakai have a lot of catching up to do now that she's back in town, and now, we're rid of Dark Chandler for good.

---

After finally getting rid of Dark Chandler and this time for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Andrea Sōsuhakai saw Lincoln working out like crazy, she had an atomic red blush on her face.

Andrea Sōsuhakai: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even get tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Andrea, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Andrea Sōsuhakai: (Japanese Accent) That's incredible.

Nico: It sure is. So, Andrea, you were the one who taught Lincoln how to swim effectively, and you hate Scoots with a passion. Can you tell us of a memory you had with Lincoln, and how you took down that crazy heckling old bat.

Andrea Sōsuhakai: (Japanese Accent) Certainly. One day, I was with Lincoln and we were swimming in the pool and I was teaching Lincoln how to do backstrokes. But, our day was interrupted when that scooter-riding heckler, Scoots, showed up to cause trouble. I was about to get out and toss that old bat out of here, but Lincoln fired a blast of water and trapped Scoots inside it, and he sent it back to Sunset Canyon. When I saw Lincoln do that, let's just say, I had an atomic red blush on my face from the heroic act he did.

We cheered wildly for what Lincoln did and sent that crazy old goat, Scoots, back to face punishment for her heckling.

Nico: Whoa, now that's really awesome.

Lincoln: And Scoots got busted again by Varie, and she wound up getting put in another straitjacket and put in her room again, and Varie warned if Scoots did this again, she's going to personally send Scoots to the Lansing Maximum Security Insane Asylum for the rest of her days.

Me: Yeah, and I was there that day when that happened. Linc did an awesome job sending that old goat back to Sunset Canyon to get punished for almost trying to cause trouble.

Nico: Serves her right.

We got a shower afterwards, and then we went outside, and Lincoln and Oishi Kawaii were getting to work on removing Azazel from Zafina, as they made a magic circle with runes underneath Zafina's feet. Then, Lincoln and Oishi chanted an incantation, and then, we saw a blob of darkness exit from Zafina, and then, we saw it take shape and it transformed into Azazel, the demon said to have been the progenitor of The Devil Gene and the enemy of Zafina's ancestors. Then, Zafina's demonic left hand changed back to normal, and she was freed from Azazel.

Zafina: (Egyptian Accent) Azazel, my ancestors' hated enemy.

Azazel: (Demonic Voice) Finally, I'm FREE!

Lincoln: But, not for long, Azazel. You're going to pay for everything you've done.

Oishi Kawaii: That's right, you've lived for far too long, demon.

Suddenly, Zafina and Oishi's eyes turned neon brown and neon pink, and Zafina was surrounded by an indigo energy aura with Egyptian Cobras, crystals, and light, and Oishi was surrounded by a pink energy aura with hearts, phoenixes, and flames, and as they approached Azazel, they left purple and pink energy, hearts, Egyptian Cobras, crystals, light, phoenixes, and flames with every step.

Zafina: You've tormented mankind for far too long, Azazel, not to mention tormenting me when I'd sealed you inside me.

Oishi Kawaii: And now, we're going to see to it that you never come back again.

Suddenly, Zafina and Oishi Kawaii were surrounded by massive vortexes of indigo and pink energy with crystals and flames surrounding them, there's an Egyptian Cobra and phoenix flying around the vortex, and in the vortexes are a red and blue phoenix. Then, as the vortexes faded, Zafina and Oishi Kawaii emerged, but they were changed forever.

Zafina grew to 6'11" in height, she has the body of a goddess, she has indigo highlights in the bangs of her long flowing black hair, she has neon brown eyes and an indigo energy aura with Egyptian Cobras, crystals, and light surrounding her, she has an Egyptian Cobra emblazoned on her forehead, she has on Cobra earrings with indigo gems for eyes and holding the Crystal and Eternity Kanjis around them, she also has an Egyptian Cobra with indigo gems for eyes and the Crystal and Eternity Kanjis wrapped around it for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with indigo crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold lightning bolts. Zafina has on a half-mesh indigo and black dress, indigo skirt, brown pantyhose with brown ornament designs, indigo high-heels, and long sleeveless indigo trenchcoat with Egyptian Cobras, crystals, and light on the coattails, and on the back is an Egyptian Scarab beetle with crystals surrounding it. Suddenly, Zafina felt a sharp pain on her back, and then, massive black angel wings with indigo tips on the feathers, sprouted out from her back. Zafina has on a Ring of The Phoenix with indigo gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger, and she still has on her gold jewelry.

Suddenly, Zafina has a new greatsword in her right hand called Ancient Egypt's Crystal Greatsword of Egyptian Justice, it's a brand-new greatsword with an Egyptian cobra etched on the 7'0" massive, wide, double-edged indigo blade, gold Egyptian cobra heads for the crossguard, large indigo gem embedded in the rainguard, longer black handle, four large gold Egyptian cobra heads with indigo gems for eyes and in their mouths and on the bottom of the cobra heads is a large indigo gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with indigo gems on her wrists, new large gold Belt of Elemental Bravery with a gold Egyptian Scarab with indigo gems for eyes and a large indigo gem on its shell for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's something below the Egyptian Cobra written in Arabic that said, "Zafina, Descendant of An Ancient Spiritual Order, Gifted Fortune Teller and Seer, Ally of Wang Jinrei, Raven, and The Archers of Sirius, Loving Future Wife of Lincoln Loud, Destroyer of Azazel, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Crystals, Cobras, and Light"

Suddenly, Oishi Kawaii felt a sharp pain on her back, and then, massive pink angel wings with red tips on the feathers, sprouted out from her back. Oishi Kawaii has on a Ring of The Phoenix with pink gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Oishi Kawaii has a new greatsword in her right hand called Pink Firestorm Greatsword of Hearts, it's a brand-new greatsword with a phoenix and hearts etched on the 7'0" massive, wide, double-edged pink blade, gold phoenix heads for the crossguard, large red gem embedded in the rainguard, longer black handle, four large gold phoenix heads with red gems for eyes and in their mouths and on the bottom of the phoenix heads is a large pink gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below the phoenix that said, "Oishi Kawaii, Demon-Slaying Student of Oishi High School, Friend of Many and Enemy of Many, Loving Future Wife of Lincoln Loud, Slayer of Demons, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Phoenixes, Hearts, and Flames"

Oishi Kawaii has transformed into SUPER ANGEL ETERNITY INFINITY DEMON SLAYER FIRESTORM PHOENIX ANGEL OF PINK FIRESTORM JUSTICE AND DIVINE FIERY LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Zafina and Oishi Kawaii, and and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Azazel saw them, the demon roared in rage and tried to kill them, but Zafina and Oishi Kawaii fired a powerful blast of energy and sent him flying into a wall.

Lincoln: Wow, Zafina, Oishi, you girls look beautiful. How do you feel?

Zafina: (Divine Echoing Cosmic Voice of The Celestial Crystal Egyptian Cobra and Divine Crystal Love) We feel incredible, Lincoln. Now, shall we put an end to Azazel once and for all?

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Zafina and Oishi Kawaii.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of trying to destroy mankind are finally over, Azazel.

Lincoln, Zafina, and Oishi Kawaii went after Azazel, and they fired powerful blasts of rainbow energy, indigo energy, pink energy, hearts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Egyptian Cobras, Scarabs, and Angels at Azazel, and they exploded with incredible power as they hit him. Then, they fire powerful blasts of black energy which hits Azazel's orb in his chest which acts as its heart, and it exploded with incredible power and it also caused Azazel to explode, and his spirit was erased from existence by The Black Gates forever. We all cheered wildly for what Lincoln, Zafina, and Oishi Kawaii did to Azazel as they holster their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Zafina and Oishi Kawaii are permanent.

Zafina: Finally, it's all over, my tribe's hated ancient enemy has met his end once and for all.

Oishi Kawaii: You said it, and thanks for helping us get rid of Azazel, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zafina and Oishi.

Suddenly, Zafina and Oishi Kawaii wrapped their left and right arms around Lincoln's thick muscular neck, as their chests were pressed against Lincoln's massive and wide muscular pecs, which brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces. Then, as Lincoln leans his face down to Zafina and Oishi's faces, they kissed passionately as Zafina's left arm and Oishi's right arm were still wrapped around Lincoln's thick muscular neck, but Zafina moved her right arm and her right hand and Oishi moved her left arm and left hand onto Lincoln's massive and wide muscular pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running and snakes slithering across the field, along with elemental forces and crystal clusters forming and flames raging behind them and we cheered wildly.

Nico: Now, that was really awesome.

Me: You said it.

Nicole: And now, Azazel is finally gone for good, and he's never ever coming back, and the progenitor of The Devil Gene is gone for good.

Jin Kazama: Good riddance.

Asuka Kazama: Yeah, that monster's caused enough trouble for the last time.

We then returned home to The World Tree Estate now that we got rid of Azazel for good and freed Zafina from the demon.

Nico: So, Linc, did you find out who freed Dark Chandler and sent him to Chang An to cause havoc?

Lincoln: Not yet, Nico. Whoever it is, he's covered his tracks well.

?: Wait, we know who it was who freed Dark Chandler from his prison and sent him to Chang An to cause havoc.

Suddenly, we turned around and we saw a couple of figures appear in The World Tree Estate, they're none other than Jay, Theresa, Archie, Atlanta, Odie, Neil, and Herry.

Nicolette Torrington: Jay, Theresa, Archie, Atlanta, Odie, Neil, Herry.

The Dark World Goth Girls went up to the group of seven teens and hugged, and we were stunned with shock.

Lincoln: You guys know each other?

Nicolette Torrington: We do, Linky. This is Jay, "The Leader" and descendant of Jason, Theresa, "The Fighter" and descendant of Theseus, Archie, "The Warrior" and descendant of Achilles, Atlanta, "The Hunter" and descendant of Atalanta, Odie, "The Brains" and descendant of Odysseus, Herry, "The Brawn" and descendant of Hercules, and Neil, "The Good Looking" and descendant of Narcissus.

Me: Wait, I've heard of them, they're the descendants of the heroes of Greek Mythology.

Jay: That's right, J.D.

Nico: Awesome, and you guys know who it was that freed Dark Chandler from his crystal prison and sent him to Chang An to cause havoc?

Jay: We do, it's our old enemy, Cronus, the leader of the Titans from our world.

We gasped in shock.

Nico: Cronus from your world was the one who…?! Oh man, that's not good.

Lincoln: It sure isn't, Nico. He's going to pay for this later on today after Nokama's special mission.

Jay: That's right, Lincoln. And how we know the Dark World Goth Girls, it turns out they've helped us out with dealing with Cronus and his minions.

We were amazed.

Lincoln: Really, that's awesome.

Nicholette Torrington: It sure is, Linky, and we've dealt with Cronus before, and let me tell you, the bastard's bad to the bone.

Bertha Sellington: Yeah, he's been trying to take over the world for eons, and the descendants of the great heroes of Greek Mythology have fought against him and his evil minions.

Chloe Terryington: With a little help from us, and we really pissed him off big time.

Lincoln: (Smirks) Like how we've pissed off Damian Alaister and his Church of Necrom cronies many times over?

Theresa: And we heard you guys defeated Damian Alaister and his cronies long ago and sent them to The Black Gates.

Lincoln: We did, but that bastard and his goons set up some contingency plans: namely resurrecting villains from the past as attempts to get revenge on us for destroying them. But, the worst is bringing back The Doomsday 23 and Evil Starlight Glimmer to get revenge on us. But, we're ready for them, because we recruited the 27 Champions of Harmony and we've been training them, so that way, they would be ready for The Doomsday 23 and Evil Starlight Glimmer.

Ken Knudson: And we'll send The Doomsday 23 and Evil Starlight Glimmer to The Black Gates for good, and we'll finally be rid of the last bit of evil from The Church of Necrom for good.

Nico: And Damian Alaister and his goons' attempts at getting revenge on us will be foiled for good.

Archie: Awesome, and you can also count us in.

Jay: Yeah, we're also joining Team Loud Phoenix Storm.

Lincoln: Alright then, consider yourselves welcome to the team.

Archie: Alright, and congrats on you and the Dark World Goth Girls for getting together, Lincoln.

Lincoln: Thanks, Archie.

Nicholette Torrington: But, we're not the only ones.

They were then introduced to the other members of Lincoln's harem, and their jaws dropped to the floor.

Jay: What the…?!

Jackie Wren: Yeah, Linky's met and rescued many girls, Jay, and they're now part of his harem, and his charm and charisma's attracted a lot of girls.

Theresa: Well, I think it's really sweet that a lot of you girls love Lincoln with all your hearts.

Clara St. Clarice: Thanks, Theresa.

We recruited Jay and his friends to the team, and we now know that their old enemy, Cronus, was the one who freed Dark Chandler from his prison and sent him to cause havoc in Chang An, but we'll make sure that monster pays for his crimes.

---

Unfortunately since no Ambassador Missions are available we had to find another alternative.

Nico: To replace the Ambassador mission, how about we have some bonding time instead?

Piper Willowbrook: Good idea and me and Mikey can do that for today.

Mikey Kudo: Awesome! And it'll be fun for both of us.

Nico: It sure will. And we'll have some really awesome fun on this one.

Mikey Kudo: We sure will.

Piper Willowbrook: Lets head out.

We went out.

Maria: What do you guys have in mind?

Piper: We're gonna go to the skate park and then the arcade and then have fun in the mall.

Nico: Good idea.

Laney: Yeah you guys are gonna have fun.

Homer: You sure are. And Eli awesome job imitating me during that strangling of Evil Chris.

Eli: Thanks Homer.

They high five.

Bart: Homer sure would be proud of everything Eli did.

Homer: WHY YOU LITTLE!?

He strangled Bart.

ZZZZZZZAAAAAAAAAAAAPPPPP!

Lily tazed Homer and he let go.

Nico: Okay that was awesome and funny.

May: We'll come with you guys.

Piper Willowbrook: Sure.

First we went to the Skatepark.

Stacy Bolton: Ready to shred some ramps guys?

Piper Willowbrook: You bet we are!

Stacy Bolton: Radical!

They got to grinding the rails and more.

They shredded really well too!

Shoutmon: Nice job, Mikey!

John Bolton: Really awesome too!

Qin: Yeah!

Otto Rocket: Tubular!

Reggie Rocket: Yeah!

Nico: GNARLY!

May: What next?

Piper Willowbrook: Lets head for the arcade.

We went to the Arcade and we got to having fun.

Rainbow Dash: Awesome!

We were playing awesome games all over.

Maria: I have a feeling that an Another Rider will make his move soon.

Me: I have that same feeling too.

We later went over to the Food Court at the mall. We were having awesome food for lunch.

Nico: Good lunch.

We had burgers and pizza.

Poromon: Yummy yummy!

Nico: Yeah it sure is.

Nico was having awesome Inferno Wings and they were awesome.

Laney: (Eating a salad) Mmm!

Poliwag ate some fries.

Poliwag: Delicious!

Nico: Yep.

But then we heard screaming and then we saw a scary figure and it was ANOTHER ZERONOS! He looked like a scary gold and green version of him with a scary helmet and bone fingers!

Nico: WHOA!

Me: Another Zeronos! Man if Yuto saw this he would be infuriated!

Laney: No kidding!

Me: I hope he doesn't have cards that will destroy his memory each time!

Nico: Who the fuck are you?!

He threw a water balloon and it hit Nico and splattered him with ketchup!

SPLAT!

Nico: A Ketchup-filled water balloon!?

Another Zeronos was laughing hysterically!

Nico: Wait a second! (LAUGHS) I know that mischievous and hilarious laugh anywhere.

He reverted back and we saw that it was goofy girl with blond hair and he had green and gold clothes.

Nico: Jackee Crustovsky! I had a feeling it was one of your pranks!

Jackee: (LAUGHS) You always did like my pranks Nico.

Me: Boy she sure is funny! Do you know her Nico?

Nico: Oh I sure do. She was the ultimate prankster back in my high school. She did all kinds of really silly and awesome pranks that made us all laugh.

Jackee: That's right. Good times back then.

Poromon: At least it's not someone who's truly evil this time.

Nico: That is true.

Luan: She would make an awesome pranking partner with me.

Me: She sure would.

Jackee: Yes but I don't like this power. Can you try and stop me from using it?

Nico: We sure can.

She then was enveloped in a vortex of darkness and turned into ANOTHER ZERONOS!

Me: You know those cards that every time Yuto would use one they would erase his memory.

Another Zeronos: I know. Thankfully these don't have that function and can be used over and over.

Eli: That's a relief.

Me: It sure is. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: YEAH!

Me: This is gonna be awesome.

Qin: I remember this one prank Jackee pulled on the teacher we did not like. She filled a whoopee cushion with chocolate pudding and then the teacher sat on it and it farted and covered his but with pudding to make it look like he had explosive diarrhea!

We laughed hysterically at that one!

Me: (LAUGHS) OH THAT IS FUNNY!

Lynn: (LAUGHS) SO HILARIOUS!

Nico: YEAH that was so awesome!

Another Zeronos: That was one of my best pranks.

Luan: You are a true pranking genius.

Another Zeronos: Thanks.

She scanned a card and it was for Krusty.

KRUSTY THE CLOWN!

She got awesome pie catapults on her shoulders! But they were bomb pies!

Nico: Oh no!

She fired them and I deflected them all over and they exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMM!

Me: Whoa that was awesome!

Nico: Yeah! Explosive!

She scanned a card for The Cheese Monster and got Cheese Blasters on her arms!

Me: She has Core and Non-Core Cards for the M.O.E.!

Nico: (takes out Rider Ticket for Roquefort) Two can play at that game!

Nico scanned it on his device and got cheese slingshot blasters on his arms.

Another Zeronos fired cheese blasts and Nico got hit in the face and slurped it off.

Nico: (Slurps) Mmm! Cheesy. Now this.

He fired and smashed her all over the place!

Me: Nice shooting!

Pepperdance: (Cajun Accent) Ooowee! Here's a good one.

Lust Burger, Gluttony Burger, Greed Burger, Wrath Burger, Sloth Burger, Pride Burger, Envy Burger! Malevolent Diablo Pepper! BEST MATCH!

Nico: 8 Full Bottles this time!?

Lisa: I modified our devices to use up to 8 Fullbottles.

Nico: Neat.

Pepperdance: And here are these. Taste the 7 SPICY SIN BURGERS!

She fired BURGERS MADE WITH THE HOTTEST PEPPERS IN THE WORLD AND THEY WENT INTO ANOTHER ZERONOS'S MOUTH AND SHE SCREAMED IN PAIN AS SHE TOOTED LIKE A STEAMWHISTLE AND RAN AROUND LIKE A CHICKEN WITH ITS HEAD CUT OFF!

Poromon: Anything you can do, Nico can do better!

Me: That's a fact!

Another Zeronos was laughing hysterically at how we gave her spicy food!

Nico: (LAUGHS) That was funny though.

Me: At least she isn't like the Joker.

Another Zeronos: No I am not like the Joker at all.

Luan: That's good.

Another Zeronos then used the card for Manky Kong and she threw a barrel at me!

I jumped and did a log run on it.

Me: I saw lumberjacks do this on TV.

Nico: Good job J.D.!

I then jumped and had the barrel on my hand.

Everyone cheered for me.

Me: Sora taught that one to me too.

Sora: I learned that trick ages ago.

Eli: That was so awesome.

Poliwag: (to Sora) It's nice that you learned that trick.

Sora: It sure was awesome.

Nico: Yeah! Now watch this.

Nico activated Manky Kong's Ridewatch and threw a bunch of barrels and they hit Another Zeronos all over.

CRASH CRASH CRASH CRASH CRASH CRASH!

Donkey Kong: Oh yeah!

Laney: That was cool! Watch this one.

She activated a Coconut Lockseed and got a Coconut Blaster!

Nico: A Coconut Blaster?

Laney fired a bunch of coconuts and they hit Another Zeronos!

BONK BONK BONK BONK BONK BONK BONK!

Patrick: DA HA HA HA! THAT GUY GOT HIT IN THE HEAD WITH 7 COCONUTS!

Me: Okay that was cool Laney!

Nico: Let's use that MOE Zenkai Cannon again.

I pulled it out.

Me: Lets see here. (TURNS DIAL) THUNDER ELEMENT ELECTROCUTIONERS!

I summoned Electro, Larxene, Electrocutioner, Yost Electro, Zzzax, Tchang Zu and Strikning!

Nico: Awesome!

Larxene: Wow! Dark's new M.O.E. Zenkai Cannon works amazingly!

Electro: Yeah it sure does!

Zzzax: And me, Electro and Larxene were supposed to come along with you guys anyway.

Nico: Yep.

Tchang: So we're up against Another Rider this time.

Yost Electro: This is gonna be awesome.

Electro got close and zapped Another Zeronos with a poke.

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

Ed: Zappity Zap Zap!

Nico: YEAH!

Me: Electrifying!

Sam S.L.: Wait I forgot I can do this!

THUNDERCLAP!

She was enveloped in a burst of lightning and she turned into SAM LIVEWIRE!

Livewire: WOW! Yeah we forgot about that one.

Sam S.L.: This will be awesome.

She fired a blast of lightning and electrocuted Another Zeronos all over.

Zzzax: Nice shot Sam!

Another Zeronos: Nico, I'm glad you're leader now. But sooner or later, you're gonna have to make some hard decisions.

Nico: That's true. I know it's rough but I agree there. Lets get you back to normal.

Nico fired a wave of lightning and it hit Another Zeronos and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch and purified it.

There were Zeronos Cards all over the ground and we picked them up and Nico picked up Jackee and cured her with my serum.

Nico: That was awesome!

Piper and Mikey came back with lots of bags of clothes and games.

Piper Willowbrook: Oh man we missed the battle!

Mikey Kudo: Wow what happened?

Me: Really awesome story.

We then saw Penelope Lang and she looked really pale and sick.

Me: Penelope Lang?

Penelope Lang: (Pants) You loser…

Me: You don't look so good.

Eli: Yeah you don't look so hot.

I put my hand on her head and she had a REALLY HIGH FEVER!

Me: Holy shit you're burning up!

Muchomon: What the Hell do you want now, Lang?

Penelope Lang: (pants) I can't believe I'm saying this to you losers. But I need your help!

Nico: What exactly do you need help with?

Penelope Lang: I've been poisoned!

Izuku: Say what?!

Luna: (glares at her) Stay in a secure room, dude, while we decide your fate!

Me: Luna stop! Lets get her to the infirmary and analyze the poison.

We went and did so.

Eli: It's a no brainer. We cure Penelope and send on her way. Simple.

Lincoln: Why the Hell should we?! After all, her video footage of being threatened by us was what Team Buktu used to their advantage to nearly win against us and turn the public against us. Or maybe, you've forgotten how J.D.'s rant was interrupted!

Lori: Lincoln, that literally sounds harsh.

Double D: Harsh but true. I'm sorry, Luna. But I agree with Lincoln. She doesn't deserve to be saved by us.

Me: No time, no choice!

I took Penelope to the Infirmary and we ran a diagnostic on her and we got her hooked up to a machine.

Varie: We got the tests and it turns out that she was poisoned with venom from a Worm.

We gasped!

Nico: A Worm did this!?

Me: Oh man! Soji is gonna flip seeing this.

Eli: Yeah!

Varie: We managed to isolate the poison and we're already synthesizing an antidote for it.

Me: That's good.

Varie: The poison is very easy to treat thankfully.

Eli: Wow that is good.

Varie: But we'll have to watch her for about a few days to make sure her body doesn't react violently to it.

Me: Oh boy.

Penelope Lang: How much longer do I have?

Laney: Best I can tell, two hours, and then you'll fade away.

Penelope Lang: Two hours until you save me, right, Laney? Because you, Nico, Betty, and Team Loud Phoenix Storm, you're the good guys. You'll do the right thing.

Laney: Some of us might surprise you.

Penelope Lang: Not you. You're one of the level headed people of the team. You won't kill me.

Laney: No, I won't. But I can accept it when someone dies.

Penelope Lang: Is that right? Maybe you forget, I've seen you on the news. I've seen how you struggle with all the pressure from all your missions. Including that war you're going into. The war you could've prevented.

Laney: What is wrong with you? It's not like we could've known what the Church of Necrom pulled before their defeat.

Penelope Lang: Excuses, excuses. You could just leave this whole thing behind and move on with your life. Instead, you choose to suffer with the rest of your team as the public sometimes turns against you. Like with the 20 Days of Darkness and Team Buktu

Laney: (glares at her) Fine. You want honesty? Just about a few months ago, we lost General Morshower. And we learned that we can't save everyone. That death is a part of life. So guess what? It's your turn, because all the hurtful words you say can't help you escape what's coming for you.

Penelope Lang: You'll save me. You'll save me, Laney. You don't have a choice.

Laney: And another thing: I stayed here because Nico and the rest of the team, they're not just friends, they're family. And just so we're clear, what I've done all this time is fight jerks like you. You indirectly helped Team Buktu nearly destroy us. And you have the nerve to compare Sarah Tinsly to her dad. So if you're looking for someone to save you, look somewhere else.

Laney stormed out of the room.

Lillymon: Laney? What happened?

Laney: (growls) What happened is that we need to let Penelope die!

Me: (GASP!) (Scolding) Laney that's harsh even for you.

Eli: Yeah Laney we can't let her die!

Me: That's right! We are not going to let her die. She may have done terrible things to us but like it or not she is still human and we are going to help her.

Betty went in.

Betty Barrett: Laney told me about your talk. You really have some nerve mocking J.D. and the others like that.

Penelope Lang: I don't care. If they're friends with you, they're not friends of mine.

Betty: What's wrong with you? What the Hell did I do to deserve your hatred?

Penelope Lang: Everything! You may have friends right now. But to me, you'll always be a loser! One that I hate so much!

Betty: Only a sociopath would hang on to that kind of rage.

Penelope Lang: What you call rage… I call commitment.

Betty: So if you won't stop hating me, what happens once I save you?

Penelope Lang: I'll just go on with my life's work: finding new ways to humiliate you.

Betty: (glares at her) All I need to know. (leaves the room)

Me: We heard Betty no need. I'll talk to her.

I went in to the room.

Penelope Lang: What do you want J.D.?

Me: To tell you that like it or not we're going to save you. We may not care about you but I do! We have gone through so much over the years and I am not going to let you die at the hands or claws of the enemies of Nokama's friends on her big day.

Penelope Lang: Just like you tried to do so with Morshower and Whitmore?

Me: That's not working anymore Lang. But you need to let go of this hatred towards Betty and all of us. Your hatred will make you less and less of a human being and then you will always be a sad, weak and lonely little girl with no love for anyone. So if I were you I would pull that stick out of your butt and at least let us help you.

Penelope knew that I was right but she didn't want to accept it.

Me: Look Penelope, the reason you are like this is because you don't have the one thing in your life that makes you complete and that is friendship.

Penelope Lang: I don't need any…

Me: Yes you do Penelope. Because if you don't have friendship inside your heart then you will be forever sad and lonely. Do you want that on your conscience or not? Friendship is the greatest power you can have and it makes your heart fill up with light, hope, love and joy. Friends are always there for you to help you in times of great need. And that's all you need right now is a friend.

I was about to get up and Penelope knew that I was right.

Penelope Lang: Wait J.D.?

Me: Yes?

Penelope Lag: I could use a friend.

Me: That's all I wanted to hear. But first I got to talk to Nico.

I went and did so.

Yost Human Torch: You can't be serious. You can't just let Penelope die.

Betty: I gave her a chance to prove she can change. She can't.

Yost Iceman: So what, we just kill her?

Laney: Penelope chose to fight against Worms. And it bit her in the butt. I say we let her get what she deserves.

May: Me too. Look, Penelope did this to herself, and it's not like we can save her, so it's time to let her go.

Yost Wonder Man: Look, I know that 25 of our teams are the new guys and we don't know the full extent of what happened between you guys and her. But that's a good thing, because we don't care who Penelope is. We care who you guys are, and you save people. I know because you saved me.

Yost Connors: And me. Don't forget that.

May: You're right. You are the new guys. And so when it comes to Penelope, I'm sorry, but you don't get a say.

Misfire: Guys, maybe we should think about this.

May: We already have.

Nico: You guys don't understand what Penelope caused and said. She compared SArah to her dad and indirectly was able to let Team Buktu almost win. It's time to keep everyone safe by finally letting her die.

Maria: This isn't vengeance. This is justice. We're not gonna kill her. But we won't save her either.

William: If we cure her, she's just going to keep going after us. And the last thing we need is another person like Marion Hawthorne, Lila Rossi, Mandy, Heather, Crocker, and Burns, among other villains.

Nico's dad came in with a disappointed look on his face.

Leandro Chan: Nico, May, we need to talk. Now.

With a sigh, Nico and May followed his dad out into the hallway.

I came in.

Me: Oh hello Mr. Chan, I didn't see you come in.

Leandro Chan: Hello J.D. Sorry to come in like this but I need to talk with my son and daughter in law.

Me: Oh boy.

Luna: (Pats me on the back) Where's your smile, dude? We're finally about to be rid of another bully.

Lola, Lori, and Lynn looked conflicted on what side to take.

Me: Because I am not going to let her die Luna. I decided to help her no matter what. I will not let Penelope Lang be added to the list of people that we know that lost their lives.

Lori: I literally don't like it either but I agree with J.D. on this! We need to help Penelope.

Me: She is human like all of us and we need to do everything we can to help her. It's the least we can do despite after everything she did.

Eli: I agree there. We need to help her.

Sakura Haruno: Same here. She is still human like all of us.

Lana: I agree too.

Then we heard Mr. Chan talking.

Leandro Chan: What the hell is wrong with you two? Since when do we let people die?

May: Mr. Chan, you know what kind of person Penelope is

Leandro Chan: Yeah, I do. And that girl came to you for help, which means you're obligated to try and save her.

Nico: Dad, he insulted Sarah by comparing her to her dad and almost led to Team Buktu winning. If we don't let this happen now, our family will never be safe.

Leandro Chan: You don't think I want to see her dead either? 'Cause I do. But if I learned one thing being around you guys, it's that you can't just protect the people you think are good. You have to protect everyone. That's what heroes do.

Nico: I know that.

Leandro Chan: (sarcastically) A hero is not just in the name, Nico, or with incredible powers. It's the choices we make that decide who and what we become. You know that.

Nico: Dad, we don't have a choice. Penelope isn't giving us one.

Leandro Chan: YOU ALWAYS HAVE A CHOICE!

Nico and May were shocked to hear this.

Leandro Chan: (sighs) Now, did either one of you even try to think of a way to save her? (sees thinking look on Nico's face) You already found one.

Nico: Yeah. We could save her and then give her a minor curse to keep her in line.

Leandro Chan: There you go.

Nico: Listen, Dad, wait…

Leandro Chan: Hey. Uh-uh. This decision is for the two of you. But I can tell you one thing: if you let Penelope die, you don't have to worry about HER destroying our family.

With that, his dad stormed off.

May: Nico, your dad's right. Maybe we ARE being harsh about this. Sure, Penelope might never change. But we don't know that for sure unless we help her.

Nico: (sighs) You know what? You're right. And so's my dad. I just hope this doesn't bite us in the butt.

I went up to Nico and put my hand on his shoulder.

Me: I won't let that happen Nico. I promised Penelope that we would. Also with everything I learned even the most heartless of human beings deserve a shot at redemption and being put on the right path. Right now Penelope needs us and we got to do everything we can to help her.

Sureshot: Don't ever regret making us save you!

Penelope Lang: Thanks for the help, losers.

Mikey Kudo: We didn't convince Nico for you! Only because it's because we care about the good people they truly are.

Me: It was mostly my doing.

Kaito: But know this: If you're somehow able to overcome the curse Lincoln's about to give you, then I guarantee that you'll have all the Kamen Riders we've met to deal with!

Me: Kaito cool it. Penelope I know there is still good inside you. You just have to find it and use that good in you to make yourself better.

Varie gave me the antidote and it was a glowing blue serum.

Me: This is the antidote.

I gave it to her and she was going to be monitored and Lincoln put the Zeus's Thunder Vengeance Curse on her.

Nico: Oh man. I'm sorry guys.

Me: It's all right man. Sure Penelope has done wrong but we got to at least help her.

Nico: Where will she go once she is cured?

Me: We'll put her into the care of the Masters of Evil. Maybe she can have lots of friends there as well as find one of us to be an archenemy.

Nico: Good idea.

Qin: I like it. That curse will keep her in line though.

Nico: (to the 2022 recruits) I'm sorry that you guys had to see me like that. (to Zocks) Especially you, Zocks. You were absolutely right to reprimand me a few months ago.

Zocks: You're partially wrong. Now, I know you TRULY deserve to be leader. Because like every leader, you were just faced with the hard decisions every leader has to make.

Jackee Crustovsky: Just like I told you.

Me: And Jackee was right earlier. Heroes do tend to make decisions they don't like but it is for the best to save those that we care about.

Lola: That's true. J.D. made the right call on that because he went with his heart.

Varie: That's right. And we're proud of him.

Nico: I am too. J.D. you did great.

Penelope Lang: For what it's worth, I truly am sorry.

Nico: (sighs) Yeah. I'm sorry too.

Me: At least you're taken your first step on the road to redemption.

Maria: And we're proud of you for that.

Megan Kiraton: We all are.

Then we saw Commissioner Gordon.

Me: Oh Hello Commissioner.

Mindwipe: Hey there, Commissioner Gordon. What brings you here?

Commissioner Gordon: Oh, I just wanted to tag along with you guys to meet the Kabuto team.

Nico: (to me telepathically) Okay, I know that we had a dark moment a few minutes ago. But even that's not enough to cloud my judgement on how that isn't Commissioner Gordon. But we should wait until we meet Soji and the others.

Me: (Telepathically to Nico) I agree there Nico. Something is really fishy. Commissioner Gordon is on vacation with Barbara and won't be back for 3 more days. I know this is a Worm in disguise. But we'll hold on till then.

Nico nodded.

Then Man Ray, Electro, Larxene, Zzzax, P'andor, Kitty, Avalanche, Moonstone, Tar Pit and Kyd Wykkyd appeared.

Man Ray: Can me, Electro, Larxene, Zzzax, P'andor, Kitty, Avalanche, Moonstone, Tar Pit and Kyd Wykkyd go with you guys?

Nico: Yes you all can. Even though Zzzax, Larxene and Electro are already with us though.

Me: Yeah. Also Penelope Lang here is going to be placed into your custody after the poison is destroyed.

Electro: Perfect.

Nico: Awesome. Sorry you guys had to see that.

Electro: It's all right Nico.

Frost Man: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm hoping to meet a gene-slammer for the Wall of Blood from MTG.

Me: That's a good one.

Eli: Yeah no kidding there.

Laney: Awesome.

Nico: Well lets head out everyone.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Cronus, the evil leader of The Titans and enemy of the young descendants of the Greek Heroes of Antiquity, and he's coming to get revenge on us for what we did in getting rid of Dark Chandler at Chang An. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like it one bit: the dark energy signal I sensed belongs to Cronus, the evil leader of The Titans and enemy of the young descendants of the Greek Heroes of Antiquity, and he's coming to get revenge on us for what we did in getting rid of Dark Chandler at Chang An.

Jay: So, he's finally on the move, huh? Alright, which means, he's going to regret everything he's done.

Nokama: And that'll be my job to make sure he pays for everything he's done.

Lincoln: That's right, and if he sees Nicholette and The Dark World Goth Girls again, he's going to lose his temper.

Nico: (Smirks) Now that I'd like to see. Alright, gang, let's go, it's time to meet The Kabuto Kamen Riders and get rid of the Worms forever.

Jay: And you'd better be ready to pay for your crimes, Cronus, along with what you did in freeing Dark Chandler from his crystal prison to cause havoc in Chang An.

Lincoln: Trust me, Jay, he's going to pay for everything he's done.

With that we were off to Japan.

But at GRYPD HQ, Commissioner Gordon and Barbara were there.

Keiichiro: Commissioner, you're back already?

Commissioner Gordon: What are you talking about?

Aligned Bumblebee: Didn't you go with Nico and the others a few minutes ago

Batgirl: No. me and Dad were on vacation but we came to borrow some money.

Harvey Bullock: I'm with them just in case.

Kairi Yano: Then… who just went with J.D. and the others?

UH OH!

Batgirl: Uh oh! An Imposter that's who!

We arrived and we saw the Kabuto Kamen Riders fighting some Worm Grunts!

Electro: There they are!

Nico: Whoa! They sure are fighting them all over.

Eli: But lets go get them!

Nico: Lets do a minor entrance for this.

We went at them.

Soji and team were fighting Worms and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above the fight and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Soji: That's Zocks!

Fireballs rained down and blasted the Worms and incinerated them!

Nico: YEAH!

We came out and blasted the worms all over.

Me: Looks like we arrived just in time for some fun.

Soji: You sure did!

Nokama: Awesome to see you Soji and all of you.

Hiyori: Same here Nokama.

Charge Man: We want to thank you guys for your help on that dessert planet.

Me: Yeah that was so awesome.

Soji: Think nothing of it. But that was a really sweet world.

Me: It sure was.

Girl Jordan: We loved that one.

So: It sure was. Also we saw a massive and huge explosion earlier. It was in the Gaim Riders area.

Me: That was us blowing up Yggdrasill HQ.

Nico: Yeah.

Nokama then saw a wedding ring on Hiyori's finger.

Nokama: Oh my golly is that a wedding ring?

Hiyori: It sure is and me and Arata are getting hitched soon.

Nico: Oh wow!

Me: Congratulations to you both!

Arata: Thank you J.D.

Me: That is so awesome! I remember seeing you two announce that you're getting married soon. We're so happy for you guys.

Electro: Same here.

Hiyori: Thanks. We're happy.

Thrust: Can we see your base?

Soji: You sure can. But why is commissioner Gordon here?

Me: Oh. (In my head) Better come up with an excuse to make sure we don't let him know we're onto him. (Out loud) He's here to come along with us for some action and to get in on the fun.

Soji: Oh.

We went to their base.

We then arrived at their base.

P'andor: (Russian Accent) This really is a nice base.

Soji: Thanks.

Nokama: Just like how I remember.

Me: Yep.

Arata: How have you guys been doing?

Nico: Really good thanks.

Me: We have a bunch of things we need to talk about that happened to us over the last few weeks. It was during and after the time we met the Zi-O Kamen Riders.

Eli: Yeah.

Sword Man: On one of Kopaka's missions, he had a run in with Another Kabuto.

Soji: What!? Another Kabuto?

Me: Really ugly story. And also a while ago we also battled Another Gatack and we all got these.

We showed them all of our Zecters.

Hiyori: You guys all have Zecters now.

Qin: We sure do. Both Core and Non-Core Zecters for the Masters of Evil.

Me: These are all Zecters all imbued with the powers of the Masters of Evil core and non-core.

Tsurugi: Wow you guys have found an amazing thing.

Larxene: And we realized that the battle between insects and worms began way before Kamen Riders were invented.

Me: That's right and it started back in prehistoric times.

Nicole: Insects have been around much longer than worms have. They have been on the planet for over 479 million years since the Early Ordovician Period. Worms have been on the planet for over 209 million years since the Early Jurassic Period.

Hiyori: Wow that's amazing! So both are lifeforms over 270 million years apart.

Eli: That's right.

Me: But it's Marine Worms that have been living in the oceans that outlived them all. They have been on the planet for over 500 million years.

Nico: But that's just in the oceans. We were talking about what was going on with the land varieties.

Soji: That's amazing. But these worms are not from Earth. They come from another planet.

Me: That's right.

Shanan: I did some research on a sample of worm skin that dad brought back a while ago and I found out that the Worms come the planet Lumbrincinia. It's a world located in the distant faraway galaxy called HD1. That one is 13.5 billion light-years away from Earth.

Nico: Wow! That's all the way on the very distant edge of the universe.

Soji: Wow that far away!? That's amazing!

Arata: No kidding!

Poromon got out 2 beer bottles.

Soji: Oh, don't tell me that's-

Poromon: 2 bottles of beer!

Nokama: (laughs) You just can't get enough beer, huh?

Hiyori: Digimon and Pokemon that drink?

Me: Don't ask but we've had a lot of crazy shenanigans happen because of that.

Nico: Most of it is funny.

Me: Yeah.

Nico: Also, one of the Worms caused something that had me faced with making one of the hard decisions all leaders are faced with.

Me: And it was that it poisoned an enemy of ours and Nico was faced with a nasty dilemma. To either let her die or live. And it took a lot of heavy convincing.

Nico: Yeah. But it was mostly from J.D. here.

Me: Yeah but I have a feeling I know where that poison came from. Isn't that right "Commissioner?"

We looked at the commissioner!

Nico used his new X-Ray eye and saw that his suspicions are confirmed!

Then the REAL Commissioner Gordon and Batgirl appeared.

Commissioner Gordon: Everyone, don't listen to the me you all brought with you! He's-

Top Man: A Worm in disguise? Yeah, we know.

Me: We had suspicions on him.

He revealed himself!

Me: You are one UGLY Motherfucker!

Worm: I thought you all would be bust with finding my master to notice.

Soji: Assumption is the mother of all failures.

Worm: Did your grandmother say that?

Soji: No. Eugene Lewis Fordsworthe. A wise man.

Me: Very wise and very famous Political Scientist.

Nico: Yep.

Worm: It doesn't matter. I just need to transmit my coordinates to the others and the party will begin!

Tar Pit: Like Hell it will!

I fired an energy blast and obliterated the Worm instantly!

Me: Good riddance.

Nico: Yeah!

Eli: Whew! That was a close one.

Commissioner Gordon: But good job figuring it out guys.

Me: Glad you're the real one Jim. By the way how was your trip?

Commissioner Gordon: It was great thank you.

Kitty: I'm sure that somewhere your trip was ruined because of this.

Commissioner Gordon: No it wasn't. We just got back and we were low on money to restock on food back home.

Me: Oh.

Eli: We can easily fill you up on food there when we get back.

Nico: Right now we got a mission to complete.

Batgirl: Right it's Nokama's big mission.

Soji: That's right it is.

Soji: Nico, grandmother said this: Sometimes, the most easiest solution isn't always the right one.

Catilla: Your grandmother is a wise woman.

Me: Absolutely.

Nico: I agree there. And that is very wise too.

Eli: Very philosophical too.

Me: And the great Aristotle said "To Give a satisfactory decision as to the truth it is necessary to be rather an arbitrator than a party to the dispute."

Nico: That's true.

Moonstone: What does that mean?

Me: It means that the hardest decision is not always an easy one that you have to choose and you have to go with what you think is right in your heart.

Moonstone: Oh I get it.

Laney: That's right.

Arata: You were right not to let Penelope die in the end, Nico. That's not who you are.

Alice Gehabach: Arata's right. You're a good person.

Hydranoid: One who would never let anyone redeemable die.

Nico: Thanks. But it was actually J.D. that decided on that as well as my dad. J.D. went with his heart and he helped me out.

May: So did your dad too.

Nico: Yeah.

Me: And I also helped Penelope out in realizing that her actions are going to have terrible consequences too.

Hiyori: That's amazing though.

Avalanche: So, do you guys have Zecters for bess beetles?

Soji: Not really sure.

Me: I'm not sure either.

Nico: But we all have Zecters for practically every kind of insect there is.

Qin: I think it's really cool though.

Eli: It sure is.

Camie: How many species of insects are there?

Nicole: There's over 900,000 different species of insects out there right now.

Camie: Wow! That's a lot of different bugs.

Will Vandom: No kidding! That's amazing!

Tsuyu: It sure is.

Pumbaa: And they are all delicious too.

Timon: I hope Zecters are good for eating too.

Nico: No they are not like the bugs you eat.

Lana: The bugs that are perfect are those like the ones Oogie Boogie had. I ate those bugs and they were delicious.

Soji: You ate bugs?

Me: Don't ask. But that's Lana for you. She loves eating things that are gross.

Soji: I think I know our main target. As well as the one who sent that Worm to poison Penelope.

Chan Lee: Who would that be?

Forretress: I think I know.

Me: I do too. It's Gryllus Worm and Issei Kurosaki A.K.A. Kamen Rider Caucasus.

Nico: Yep.

Zzzax: If we destroy him, the Worms not with us will follow.

Me: He has a mind connected link to all of them. They will all die with him.

Nico: Yeah. As long as we send Caucasus to jail.

Lola: That is gonna be awesome.

Me: But Caucasus will make a good addition to the M.O.E. too.

Electro: I think he'll be perfect for it.

Nico: Also, before the usual battles, here are some new Ridewatches and their copies.

Nico revealed Ridewatches for RPM Red, Kiva, Kiva Emperor Form, Dark Kiva, Ixa, Stella's Kiva Form, and my Kiva Form and their copies.

Nico: Remember, Core members get the copies. The originals go to non Core members.

Brittney: Me, Haiku, Dante, Bertrand, Persephone and Morpheus will get the copies for the Kiva forms and Boris will get the RPM Red.

Boris: Ooh awesome.

Eli: Yeah.

Moonlight Raven: Me, Princess Luna, Wednesday Addams, Bonnie Terrez, Misty Tredwell and Carly Atlas can get the Originals.

Nico: Perfect! Lets show you guys some of our power by showing the usual battles.

Eli: Good idea.

Soji: I'm looking forward to seeing what you guys can do.

Laney: You won't be disappointed with it.

Maria: I'll call them in.

---

The Type Shadow is a typewriter-themed Shadow Monster and is the main antagonist in episode 10 of 2014 TV series Ressha Sentai ToQger.

He was voiced by Yasunori Matsumoto who previously voiced Powereddark of the Mutation, Danganloid and later both the Halloween World and the Great Halloween World.

History

A Shadow Creep under Madame Noir who tends to say "OK" in his sentences and uses the Typewriter Keys (タイプライター系キー Taipuraitā-kei Kī) on his body to type out titles onto people or objects, forcing them to live out the title. Madame Noir sends Type Shadow to collect darkness in preparation for Emperor Z's eventual arrival.

When the ToQgers face him, Type Shadow uses his power to send the Ressha out of Earth's orbit before writing a title that says Tokatti will die at sunset. However, Tokatti used his photographic memory to training himself to hit Type Shadow on exact points to make an additional title to save himself after that the ToQgers then use the Calligraphy version of the Rainbow Rush to hit Type Shadow in the head causing him to go dizzy then fainted thus destroyed.

Tokatti then repeats the action through Diesel-Oh to bring the Ressha back during the robot's fight with the enlarged Type Shadow, resulting in the Shadow Creep being destroyed by ToQ-Oh and Diesel-Oh.

But, our day was interrupted when that scooter-riding heckler, Scoots, showed up to cause trouble. I was about to get out and toss that old bat out of here, but Lincoln fired a blast of water and trapped Scoots inside it, and he sent it back to Sunset Canyon. When I saw Lincoln do that, let's just say, I had an atomic red blush on my face from the heroic act he did.

We cheered wildly for what Lincoln did and sent that crazy old goat, Scoots, back to face punishment for her heckling.

Nico: Whoa, now that's really awesome.

Eli: He's over in that abandoned warehouse in the middle of the city.

Me: That's not that far away.

Nico: Nope. Get ready Gryluss and Caucasus. (EYES GLOW RED) THIS IS OUR WORLD AND YOU GUYS HAVE FUCKED AROUND WITH THE WRONG PEOPLE FOR THE LAST TIME!

With that we were off!

We arrived at the warehouse.

Me: Man what a dump.

Eli: Very fitting though.

Then out came COLEOPTERA WORM ARGENTUM!

Me: I remember you Coleoptera!

Soji: Step aside, Coleoptera Worm Argentum. We're not going to let you stop us from reaching your master.

Coleoptera Worm Argentum: No chance of that happening!

Me: There they are.

Nico: That's Masato Mishima A.K.A. Gryllus Worm.

Me: It's disgusting how they take on Human Form. No offense Hiyori.

Hiyori: None taken but yeah I have abandoned my kind long again.

Eli: That's good.

Qin: We're going to have to take this battle to another planet so we don't destroy the city.

Nico: Agreed. And I know just the one.

Dirty Bubble went up to them.

Gryllus Worm: A bubble? Team Loud Phoenix Storm sent a bubble to kill us?

Dirty Bubble: You shouldn't underestimate me. I'm a lot tougher then I look.

Gryllus laughed.

But then the spirits of the Toa of Mata Nui and the lightning masters appeared and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted off above them and then a phoenix cry was heard and fireballs rained down all over and they hit them both all over and then we came out and they got up.

Me: You Worms are not welcome on this planet!

Nico: That's right! This is our world and you are not welcome here!

Nico took the battle to the volcano planet Sangurahua!

Nico: Yeah!

Gryllus Worm: You're all fools. You saved the life of someone who's tormented you instead of letting her die to be free of her.

Nico: Heroes save lives of humans and innocents, not end them. But then again, you're not really human, are you, Masato Mishima?

Gryllus Worm: Do not call me by that name! I merely used that name to fool you humans and the rest of ZECT!

Me: Then you're fucking monster that assumes human form! MASATO! (RASPBERRIES)

Gryllus Worm: YOU MOTHERFUCKER!

He ran fast and I then kicked him in the face and punched him in the face and smashed him into the ground with devastating force!

Issel Kurosaki: IMPOSSIBLE!

Gryllus Worm: Chillers! Come!

An army of Chillers appeared.

Nico: Chillers from Operation Oversdrive!

Mack Hartford: Now you're talking!

I then went Super Angel Xelnaga Infinity!

Me: (Divine Echoing Cosmic Elemental Voice of Friendship and Harmony) **You will pay for your crimes Masato!**

Gryllus: THAT'S NOT MY NAME!

Me: **SHUT YOUR FUCKING TRAP YOU ASSHOLE!**

I then took off my jacket and folded it up and dropped it and then…

KRASSSSSMAAAAAAAAAAAASSSSSHHHHHH!

When the dust cleared there was a huge crater in the ground!

Nico: WHOA! His Xelnaga Infinity Form makes it heavier!

Me: **That's for starters. Watch this.**

I took off my arm bands and revealed Spirit Energy Arm Bands.

Yusuke: He has Spirit Energy Armbands.

Nico: Whoa!

Me: **ANTE!**

They were released and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I WAS ENVELOPED IN A MASSIVE AND INCREDIBLE VORTEX OF FIRE AND POWERFUL ENERGY!

Nico: HOLY FUCKING SHIT! ALL THAT POWER IS FROM HIM!?

Eli: Unbelievable!

Nico: WOW!

I had my power enhanced ∞-FOLD TIMES 100,000,000,000,000!

Nico: WHOA! What power!

I then ran really fast and teleported.

Nico: Whoa! That's fast!

I teleported and smashed ALL THE CHILLERS DOWN WITH ONE POWERFUL PUNCH!

Nico: WHOA! He took them all down in one punch!

Eli: INCREDIBLE!

Gryllus Worm: That was just an appetizer. HERE COMES THE MAIN COURSE!

He summoned a massive army of millions of Chillers!

Nico: Uh oh!

Then the Chillers jumped the Kabuto team.

The Kabuto team lay defeated at the hands of the Chillers.

Gryllus Worm: (laughs evilly) It's a shame we're not on Earth right now. That way, no one will see your demise. Oh well. I'll just show everyone your dead corpses.

I punched Gryllus in his face and smashed him in his stomach with devastating force and kicked him down and he belched up a HUGE amount of green blood!

Disk Wars Iron Man: (shoots down some Chillers) Fuck! We've gotta do something!

Nokama got an idea.

Nokama then got an idea.

Nokama: Everyone in the audience! Lend the Kabuto team your strength! They get stronger with your support! When I give the signal, share your energy with the Kabuto Team! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Kabuto team. And soon, Soji found the strength to get up.

Soji: I actually don't need another of my grandmother's sayings to know that this fight isn't over!

Soji grabbed a Chiller and slammed it into the ground!

Nico: Yeah!

I KICKED GRYLLUS IN THE FACE!

Nico: WHOA! That was awesome!

Soji: Thank you for your support, everyone.

Arata: I'm surprised everyone can even see us out here.

So: I'm just grateful for the help.

Daisuke: Is it wrong that I'm going to enjoy this?

Tsurugi: Nope. I'm going to enjoy this too.

Shun: Now, it's time to end the invasion of the Worms once and for all!

Soji and Arata: (Holding their beetles aloft) Henshin!

With that, Soji and Arata slide their beetles onto their belts, causing them to become Drivers of some form.

Kabuto and Gatack Zecters: Henshin!

HENSHIN!

As the Zecters repeat the battle cry, armor begins to form over the two Riders in hexagonal energy patterns. From this Sojigains silver and black armor with red accents and a giant blue visor, while Arata summons blue and silver armor with a segmented red visor and shoulder mounted guns. But just as the two form their armor, each modifies their Zecter, Soji by pulling the bettle horn back, and Arata by pulling apart the stag beetle's horns. This causes the armor they just summoned to start begins to segment and pull apart from their main suits)

Soji and Arata: Cast Off!

With that, the two completely alter the Zecters, Soji putting the horn on the complete opposide side, opening part of a panel on the Zecter, and Arata bending the horns completely against the Zecter's body.

Kabuto Zecter: Cast Off! Change, Beetle!

Gatack Zecter: Cast Off! Change, Stag Beetle!

With these announcements happening, the armor explodes from Soji and Arata's suits, reveaing Soji's red chestplate and Arata's shoulder swords while folding horns resembling the beetles they use into place on their helmets.

Sasword Zecter: Standby!

So and Shun pressing a button on the top of their belts, causing a track to be revealed behind the silver plate as each catches their Zecters, and as this happens, each Rider grabs their Zecters save Daisuke, who's Zecter just settles into the gun grip, Shun and So slide their Zectors onto their belts, and Tsurugi places his onto his sword

Shun, So, Daisuke, and Tsurugi: Henshin!

Zecters: Henshin.

With that, each Rider starts generating armor like Soji and Arata did earlier, only Shun and So are already battle ready, in suits if silver and brown with yellow eyes for Shun and silver and green with red eyes for So, but with both having a golden extender resembling a grasshopper leg, on Shun's arm and So's leg

Hopper Zecter 1: Change: PunchHopper!

Hopper Zecter 2: Change: KickHopper!

(While Shun and So transform, the armor forms completely for the rest: Tsurugi in a purple and brown armor covered in what look like hydraulic tubes, Daisukein some sort of aviation gear. Daisuke pulls the hammer on his now finished gun while Tsurugi lifts up the tail on his scorpion.

Tsurugi and Daisuke: Cast Off!

Zecters: Cast Off!

And just as with Soji and Arata before them, the armor on these riders starts to break apart before exploding off. Tsurugi reveals a more purple armor as he slams the tail of his scorpion back down, revealing a scorpion tail headpiece over green eyes and generally purple and silver armor. And Daisuke reveals his blue and silver armor with dragonfly wing visor

Drake Zecter: Change: Dragonfly!

Sasword Zecter: Change: Scorpion!

Hiyori: STANDBY!

She got the Firefly Zecter!

Hiyori: HENSHIN!

Firefly Zecter: HENSHIN!

Hiyori: CAST OFF! CHANGE FIREFLY!

She was ready!

Issei: You will not hurt my partner! HENSHIN!

HENSHIN!

He transformed!

Issei: CAST OFF!

CAST OFF! CHANGE CAUCASUS!

A massive fiery explosion went off behind them and they were ready!

I regrouped with everyone.

Nico: Wow! You really did awesome J.D.

Me: **Thanks. I've gotten that out of my system.**

Nokama: I've had it up to hear with you Worms to last an eternity.

Suddenly, Nokama's eyes turned neon ocean blue, and she was surrounded by an ocean blue energy aura with ocean waves, mermaids, and Water Toa Mata, she unholstered her massive Destroyer of Bohrok Kal sword from her back, and as she approached Kamen Rider Caucasus and Gryllus Worm, she left ocean blue energy aura with ocean waves, mermaids, and Water

Toa Mata with every step.

Nokama: You Worms make me sick, you've tortured the lives of so many innocent people and you absolutely showed no remorse for any of your crimes, and now, I will see to it that you pay the ultimate penalty for all of your crimes in full.

Suddenly, Nokama was surrounded by a massive vortex of ocean blue energy with ocean waves and mermaids surrounding it, there's a Water Toa Mata swimming around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Nokama emerged, but she was changed forever.

Jay (Class of The Titans): I knew there's no mistaking that voice from anywhere. You can come out now, Cronus.

A tall black-haired figure dressed in black and red clothes appeared from darkness, it was the enemy of Jay and his friends and the Olympic Gods of their world, Cronus, leader of the Titans.

Jay (Class of The Titans): Cronus, you just don't even know when to stay away, do you?

Cronus (Class of The Titans): I will never stop until the world is finally mine!

Nokama: That's never going to happen, Cronus, and now, your days of trying to take over the world are over.

Suddenly, Nokama's eyes turned neon ocean blue, and she was surrounded by an ocean blue energy aura with ocean waves, mermaids, and Water Toa Mata, she unholstered her massive Destroyer of Bohrok Kal sword from her back, and as she approached Kamen Rider Caucasus and Gryllus Worm, she left ocean blue energy aura with ocean waves, mermaids, and Water Toa Mata with every step.

Nokama: Cronus, I will never forgive you for the crimes you've committed against the Gods of Olympus for millenia, you've tortured the lives of so many innocent people and you absolutely showed no remorse for any of your crimes, and now, you will pay the ultimate penalty for all of your crimes in full.

Suddenly, Nokama was surrounded by a massive vortex of ocean blue energy with ocean waves and mermaids surrounding it, there's a Water Toa Mata swimming around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Nokama emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nokama grew from 6'5" to 6'11" in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing ocean blue hair, she has neon ocean blue eyes and she has an ocean blue energy aura with ocean waves, mermaids, and Water Toa Mata surrounding her, she has a Water Toa Mata and with the Water Kanji in its hands emblazoned on her forehead, she has on mermaid earrings with ocean blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she has on her Crystal Necklace of The Buddha with ocean blue crystal links and a mermaid with the Water and Eternity Kanji in her hands for the pendant. Nokama has on a sleeveless ocean blue vest, sleeveless ocean blue midriff top, blue skirt, ocean blue pants, blue knee-high boots, and long sleeveless blue trenchcoat with ocean waves and Water Toa Mata on the coattails, and on the back is a Water Toa Mata and mermaid with ocean waves surrounding them. Suddenly, Nokama felt a sharp pain on her back, and then, her massive ocean angel wings with blue tips on the large ocean blue feathers grew much bigger for her new body. Nokama has on a Ring of The Phoenix with ocean gem and heart shaped gem embedded in it on her right ring finger and a Blue Lantern Ring on her left ring finger.

Suddenly, Nokama's massive Destroyer of Bohrok Kal sword and the swords she's gotten through the treasure battles began merging and they were surrounded by a kaleidoscope of ocean blue energy, ocean waves, mermaids, and Water Toa Mata, and when it emerged, it was transformed into Nokama's Water Toa Mata Greatsword of Maelstrom Justice, it's a brand-new large greatsword with the symbol of the Water Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged blue blade, blue Water Toa heads for the crossguard, large blue gem embedded in the rainguard, longer black handle, and massive blue gem with surrounding angel wings for the pommel. Nokama has on her new large gold cuff Bracelets of the Champions of The Universe with blue gems on his wrists, her new large gold Belt of Elemental Bravery with a golden Water Toa head with blue gems for eyes and a large blue gem in its open mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip, there's a blue kanji below the Water Toa and phoenix that said, "Nokama, Toa Mata of Water, Sister and Teammate of Tahu, Vakama, Onewa, Whenua, Matau, Gali, Nuju, Pohatu, Onua, Lewa, Kopaka, and Takanuva, Loving Sister of The Kabuki Kamen Riders, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Water Toa, and Mermaids"

Nokama、水のToa Mata、Tahu、Vakama、Onewa、Whenua、 Matau、Gali、Nuju、Pohatu、Onua、Lewa、Kopaka、および Takanuvaの姉妹およびチームメイト、歌舞伎の仮面ライダーの姉妹、TetridaxおよびBohrok-Kalの駆逐艦、悪の殺し屋、錯乱された、殺人的で、冷酷で、サディスティックなできそこない、すばらしく、強力な教師のすばらしく、強力な学生、および水、水Toa、および人魚のマスター

Nokama has transformed into SUPER ANGEL ETERNITY INFINITY MAELSTROM TOA MATA ANGEL OF OCEAN JUSTICE AND BROTHERHOOD HOPE!

We were amazed by Nokama's Super Angel Eternity Infinity transformation, but when Cronus saw it, he summoned a scythe of darkness and tried to kill her, but Nokama blocked it with her massive greatsword and fired powerful blasts of ocean blue energy, Water Toa, and mermaids, and it hits Cronus, and it sent him flying into a wall.

Nico: Wow, Nokama's transformed into her Super Angel Eternity Infinity form, and she's pissed off Cronus even more.

Me: **And a perfect way to close the mission and send him to The Black Gates for good.**

Nokama: (Divine Echoing Cosmic Voice of The Maelstrom Water Toa and Brotherhood Water Hope) **That's right, J.D. Alright, Cronus, it's time for you to die once and for all.**

Nicholette Torrington: And this time, stay dead.

Nokama went after Cronus, and she fired powerful blasts of ocean blue energy, water, Water Toa, and Mermaids at Cronus, and they exploded with incredible power as they hit him. Then, she attacked him with her massive greatsword, leaving some painful scars on him.

Cronus (Class of The Titans): I'LL KILL YOU!

Nokama: (Divine Echoing Cosmic Voice of The Maelstrom Water Toa and Brotherhood Water Hope) **Not going to happen. Lincoln, your dinner awaits.**

Cronus was about to attack yet again, until Lincoln sent five swords of celestial bronze at him and they pierced Cronus in his stomach and he screams in pain.

Cronus (Class of The Titans): Agh, okay, so you've stopped me. But, I'll never stop, the world will soon be mine again!

Lincoln made the swords vanish, and then, he put Cronus into a brutal bear hug and hoisted him up with his immense brute superhuman strength, and as he bit Cronus' neck with his vampire fangs, Lincoln began drinking his blood and he also began absorbing Cronus into his body and he was also assimilating Cronus' powers and abilities. Then, when Lincoln was done sucking out Cronus' blood and absorbing him into his body and assimilating all of his powers and abilities, an energy card formed in Lincoln's large left hand with the spirit of Cronus inside, and then, a kanji forms on his forehead, and he was erased from existence by The Black Gates forever. Nokama holstered her massive greatsword on her back and powered down, and Nokama's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Jay (Class of The Titans): What did we just witness?

Nicholette Torrington and the other Dark World Goth Girls explained everything, and they understood everything.

Archie: Wow, that's really incredible.

Theresa (Class of The Titans): So, Adriana's vampire blood gave him the strengths of the vampires and cosmic umbrakinesis, but none of the weaknesses, but he has the thirst for blood.

Nico: Yep, and he also has the absorption abilities and methods of Cell, Majin Buu, and the evil versions of the Pillar Men, along with the ability to suck out and drain the brains of villains and assimilate the powers and abilities of villains we imprisoned or killed/destroyed.

Jay and his friends were impressed.

Lincoln: And when I was drinking Cronus' blood, I did see that he was the one who freed Dark Chandler from his prison and sent him to Chang An to cause havoc.

Me: Just like Jay said, whoa.

Nico: But, we destroyed Dark Chandler, and he and Cronus were given The Black Gates for good.

Eli: That's right.

Nokama: And I decided to let Lincoln feed on Cronus' blood and absorb him into his body.

Lincoln: Thanks, Nokama.

Nico: (Smirks) I knew it, you decided to let Linc go on a feeding frenzy on that Titan, didn't you?

Nokama: Yeah, I did.

Lily the Mermaid: (Snickers) And we saw what happened when Lincoln showed him his vampire fangs and started feeding on him.

Nico: Yeah, his face was frozen with fear, and he saw that his life was about to be brought to an end, awesome.

Eli: That's one kind of monster we will never have in the Masters of Evil.

Lexaeus: No I think having Worms with us is a terrible idea.

I powered down and then to our surprise we saw Caucasus revert back to normal size and darkness left him and he was weak and powerless and I got the Caucasus Zector and gave it to Megan Kiraton.

Nico: Whoa so he had Worm power in him.

Mack: Yeah.

Nico: But the worms are all destroyed.

Hiyori: Now the worms are gone for good.

Arata: It's over now.

Hiyori: I'm the only one of my kind left. (Crying)

Arata comforted her.

Arata: You gave up your worm heritage long ago Hiyori.

Hiyori: How am I still here? I should've been sent to the Black Gates as well!

Lori: (chuckles) Did you literally think that you of all people would share the same fate? Only the Worms not on both teams got sent to the Black Gates.

Nico: That's right. You are part of the Kamen Riders and you gave up your heritage to the Worms ages ago.

Me: Yeah and you are just as human as everyone else. So that makes you part of our planet.

Eli: Thank goodness.

We were back on Earth and then we cuffed Issei.

Maria: Issei Kurosaki, you're under arrest.

William: You should consider yourself lucky. A majority of the Megazord battles end up with the villains destroyed.

Me: That's right. You should also consider yourself lucky that you're we even spared your life too.

Lexaeus: I think he'll be worthy in being in the Masters of Evil.

Nico: Besides the Worms are gone now.

Woz: Rejoice! Another of the Kamen Rider villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider Allies: Kamen Riders Kabuto, Gatack, Drake, Sasword, KickHopper, and PunchHopper! May their alliance last until light no longer speeds to the future!

Me: That's for sure! This is number 2 of the Kamen Rider teams we recruit.

Pyro: Now, only the Worms in both our groups remain.

Pinky: The Zeronos Cards that Nico and the others got sure came in handy!

Nico: They sure did and without the Memory destroying drawback too.

Black Adam: (to Ratchet and Clank) You two helped as well.

Ratchet: We sure did.

Me: We owe you guys big time for it.

Clank: It was our pleasure.

Sunset Shimmer: It was awesome having you help us.

Andrea Sōsuhakai: I'm going to love it here with you guys.

Eden Vortonova: Same with me.

Jet: You girls won't regret it.

Kite Man: And Nico learned an important lesson today.

Nico: I sure did. My dad said this to me earlier: You can't just protect the people you think are good. You have to protect everyone. That's what heroes do.

Me: That is a fact!

Eli: Yeah!

Nico: But this was amazing. Great job today everyone!

Eli: This was awesome!

Soji: Yeah it sure was!

Hiyori: We're going to love being with you guys.

Me: You sure are.

Nico: Lets go home.

Soji: (To the viewers) This was an awesome and epic adventure and it's the first of many for us with the team.

Me: It sure is.

Nico: Yep. Lets go home guys.

We went back home and it was a great day for all of us. The worms that plagued Japan are now a forgotten memory and they will never hurt anyone ever again. But the next team for Kiva is gonna be just as good.

THE END

Also we're going to meet a Wall of Blood Gene-slammer named Evelyn Shura. Evelyn is Nico's friend from Japan and she is a master of the occult and is a very powerful and skillful martial artist. # SEAFOOD BATTLE ON THE SUSHI PLANET

At the Gotham Royal York Mall was Nico, The Ripping Friends, Gwen, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to do not only an awesome rescue but also have a great shopping trip too.

Me: Ahh! Nothing like going to the mall after having an awesome battle yesterday.

Gwen: Boy you said it J.D. Especially after taking Courtney here yesterday with all that gold and jewels you guys got.

Eli: That was so awesome using that curse yesterday on Evil Chris.

Me: And it was awesome seeing it in action too.

Twilight Sparkle: I'm always up for some shopping after everything that went down yesterday.

Varie: Me too. But that was the most fun we've ever had.

Xenia: We sure had fun on that one.

Himiko: Yeah that was so awesome.

Laney: And it was awesome destroying the Worms yesterday.

Nico: Yeah no kidding there.

Me: The entire planet is now officially Worm free.

Arrietty: Thank goodness for that.

Qin: Yeah but I can't believe that Gryllus was that evil and malevolent.

Tsuyu: Yeah he really pissed off Soji didn't he?

Me: He sure did.

Gwen: That's true. But at least the Kabuto Kamen Riders are now happy that all the Worms minus Hiyori are all destroyed.

Aylene C.: It sure is and J.D. really was awesome in that entire battle. Those Spirit Cuffs and that massive power boost was completely overwhelming for Gryllus.

Nico: Yeah it sure was.

Maria: Yep.

Nico: Thanks for coming with me, Gwen.

Gwen: Anytime Nico and it's gonna be awesome going with you guys this time.

Brittney: We're happy to have you with us Gwen.

Nico: Gwen, who do you REALLY love? Duncan? Or Trent?

Gwen: Well to be honest I loved Trent. But I was manipulated into going for Duncan.

Me: Man that jerk Billy and that snobby bitch Heather! I can't believe he really played you guys like that and Heather also fooled Trent!

Lincoln: What a bitch! She broke up a really nice couple in the making!

Nico: Yeah no kidding!

Me: Thank god she is now cursed forever with that Nightmare

Demons Vengeance Curse.

Kaina Tsutsumi: No kidding there. It's just hard to imagine she was that evil.

Sirius: No kidding. Her heart and soul were as black as night.

Gwen: They were really blacker than that actually.

Me: I agree there.

Nico: Honestly, I ship you and Trent. I also ship Duncan and Courtney.

Me: I'm no matchmaker but I honestly feel the exact same way.

Gwen: I do too.

Zocks: But that was pure evil of Billy to do all that. Same with that evil Chris.

Me: Yeah it sure was. I also did a blood test on that evil Chris and I found out that he was from another universe where Billy doesn't exist and that Chris is the one that did all that instead of Billy.

Nico: Wow! That is amazing!

Me: Yeah.

Eli: That's awesome.

Lisa Loud: Parallel universes are one of sciences most astounding and fascinating enigmas.

Gwen: They sure are.

Zarya Moonwolf: I agree there too.

Nico: (sighs) Guys, I'm sorry I acted like a jerk in regards to Penelope.

Me: Hey it's no big deal Nico. Besides it's just like they say. Sometimes being a hero means you have to make hard choices that you don't like.

Eli: That's right Nico. You were just conflicted. That's all.

Laney: It's true. And I'm sorry I felt the same way.

May: Me too.

Me: I guess many of us felt the same way. Except for me, Lori, Lola and Lynn. But I couldn't stand by and watch Penelope die like that. I wanted to do everything I could to save her.

Nico: And you made the right choice on that J.D. and yes you are definitely right on that. Sometimes being a hero means that you have to make hard decisions no one is going to like.

Me: Yeah.

Nico: And no. It wasn't because I had Dark Orbs inside me. And it wasn't because I didn't get enough sleep. I was merely faced with one of the hard decisions of leadership.

Me: And you faced it amazingly Nico.

Nico: So did you J.D. You made a very valiant virtuous choice and I'm proud of you.

Me: Well don't give me a swollen head but thank you.

Rarity: Yes and Penelope did not deserve to die like that darlings.

Twilight Sparkle: I agree there.

Sunset Shimmer: Yeah she deserves to have some form of redemption.

Nico: I agree there.

Maria: The Masters of Evil are more than happy to give her a shot.

Lola: Yeah.

Me: Yeah. But also we had an awesome adventure yesterday.

Maria: So far, 2 Kamen Rider teams are with us.

Nico: We sure do! That makes 2 down and who knows how many left.

Me: But we must brace ourselves and be ready. In 15 days from August 1st till mid August we meet the rest of the Kamen Teams we've met.

Nico: Wow!

Lola: Geez we're going to be really busy!

Eli: No kidding there! We're going to have tons of big day missions in a row!

Me: And if that's the case then I'm going to need super fuel.

I pulled out a special energy drink.

Laney: Rainbow Ade?

Me: Rainbow Dash is sponsoring an awesome new Energy Drink she and Applejack made from Zap Apples.

Applejack: Yep. It's a Zap Apple Cider energy drink.

Nico: Wow that is awesome.

Lola: Boy we'll have to have some of that for these big missions.

Me: Yeah except for the Anniversary of Grandfather and the Anniversary of the Fall of Xehanort coming up later.

Laney: Wow.

Nico: Let's be on the lookout for any Another Riders or Another Rangers.

Me: Right.

Zarya: Who do we meet next the Den-O team?

Nico: Yep. And that is gonna be a big one.

Me: Our big target there is gonna be the Kai and we're going to make sure he suffers

Lola: Nice!

Maria: You wanna buy something with me, bro?

Nico: You bet I do.

We went to the clothing stores and Maria tried on an awesome and beautiful Hawaiian Summer Dress. It was a beautiful blue dress with flowers on it and she had an awesome sun hat.

Rarity: Oh Maria that dress is absolutely divine on you darling.

Nico: It sure is.

Maria: Thanks, guys.

Nico: You're welcome.

Me: Boy that Summer Dress and the Sun hat really go perfect for you.

May: I'll say.

But then we head wolves howl!? What the?

Nico: Is that a wolf pack howling?

Zarya: Weird. What are wolves doing here?

Lola: Yeah.

Then my Wolf Spirit Ring was reacting to something.

Me: My Wolf Ring is reacting to something.

Fluttershy: I'm hearing a wolf pack over by the food court.

Maria: I'm getting changed back into my regular clothes first.

She went and did so.

Me: We better buy our new clothes and then head over there.

WOLF HOWL!

Nico: Wow there's lots of wolves there.

We went to the register and paid for our clothes and went over to the food court.

We arrived in the Food Court.

Gwen: Okay, who's the wiseass?!

Me: Whoa look!

We an incredibly awesome sight! We saw the heroes of Wolf's Rain! We saw Cheza the Flower Maiden, Kiba the White Wolf, Tsume the Grey Wolf, Toboe the Red Wolf, Hige the Mexican Wolf, Blue the Wolf Dog, Lady Harmona, Cher Degre and Mew the Caracal! And they were battling what appeared to be PHOENIX!

Me: Wow! It's the Heroes of my favorite anime Wolf's Rain!

Nico: WHOA! Is that Phoenix!?

Me: Wait! This is a scary version of him! I know what this is! This is ANOTHER PHOENIX!

We gasped in shock!

Laney: But that can't be right! Swartz does that to the Red Rangers and Kamen Riders!

Nico: This is so weird!

Me: Yeah.

Nico: Now, who's our friend over here?

Me: That's right. Also the real Phoenix and Sophia Nurenberg would not like you one bit.

Another Phoenix: (In a girls voice) I'm sorry to hear about that J.D.

Me: That voice!

She reverted back in a swirl of fire and had incredibly intense fire angel wings and had phoenix tail feathers and had a powerful sword in her hands. She had red, orange and yellow hair and had red, orange and yellow clothes and the kanji for Phoenix in the middle of her forehead.

Me: (GASP) OLIVIA HOUOU!

Olivia Houou: Its been a long time J.D.

Me: It sure has and the fire angel wings, tail feathers and the Phoenix Kanji Tattoo are all brand new. You've really changed tremendously since we last saw each other.

Olivia Houou: I got them as part of a new awakening of my powers. But these are not from Swartz. I was exposed to the energy of a meteor that landed near a volcano.

Nico: Whoa!

Eli: That's incredible!

Nico: But how do you know Olivia, J.D.?

Me: She and I went to school together. We were very awesome detectives back then and we solved huge mysteries in the school and all over the neighborhood. One time we solved the case of how a student was sent to prison wrongfully because a thug got him sent there in his place. So we did some investigating and found out that it was the thug that did it and framed him and we got that kid expelled and sent to prison in another country and we cleared his name too.

Nico: Wow! That is awesome sleuthing there.

Olivia Houou: Good times there.

Nico: But Swartz DID turn you into Another Phoenix, right?

Olivia Houou: Yes he did and he said it was for the biggest heist ever.

Me: What kind of heist?

Olivia Houou: This.

She pulled out a map and gave it to me and I looked at it.

Olivia Houou: There's supposed to be a huge treasure that is said to be hidden right under this very mall and I'm trying to get it to keep.

Nicole: I've heard about this treasure! That's the legendary Lost Great Lakes Treasure! Legends say that back in the 16th Century there was a massive treasure made by pirates of many kinds from all over the Hudson Bay and the Great Lakes as well as Vikings from back in the 1st Millennium that was so incredibly huge that it was said to have been buried right underneath Gotham Royal York. But the treasure was never found after all of these centuries and was long forgotten after all these years.

Olivia Houou: That's right. I am trying to find it. It's the biggest heist ever.

Maria: Looks like Swartz wasn't lying to you about this. He just left out the part that we'd be involved.

Olivia Houou: That he did.

Nico: No kidding. But this treasure would be one of the biggest ever finds for us in all of the history of the country.

Eli: It sure will.

Kiba: That would be awesome to see.

Zarya: It sure would.

Me: Shame we have to fight Olivia. But it's the only way to save you from yourself.

Maria: I'll call Danny Phantom to get it.

Maria did so.

Nico: Lets dance.

Me: Everyone you better clear away from here. This is gonna be brutal.

Everyone did so.

Me: Okay lets do it!

Nico: (takes out Dark Phoenix's Ridewatch) Time to fight Phoenix with Phoenix!

Nico activated it and got FIRE ANGEL WINGS and a fire aura of intense power! WHOA!

Nico: WHOA! This is amazing!

Danny Phantom then arrived and Nicole told him what to do by showing him the map and then he went intangible and went to find the treasure.

Me: I've been wanting to try this one.

I pulled out the Faiz Phone for Malachite the Unstable Gem Fusion who is now Sunny Starscout's archenemy.

I activated it and got Malachite's powers and i fired waves of water Olivia dodged them.

Nico then fired waves of fire and she dodged them too.

Nico: Wow she is really agile!

Me: No kidding! She has learned a lot of skills since we last saw each other.

Olivia Houou: I've been busy.

Then she was enveloped in a vortex of fire and she turned into ANOTHER PHOENIX!

She flew into the air and I flew after her.

Me: The Fire Angel Wings and Tail Feathers are an awesome touch for you.

Another Phoenix: Thanks.

Gwen charged at Another Phoenix.

She punched her down and rebounded. Then Another Phoenix had her wings do something really unexpected! She fired a blast of cheese with Cheese Monster's powers as well as Roquefort's powers and they dodged the blasts as Nico picked up food trays and used them as shields and the cheese was all melted as it hit the trays and it was SCALDING HOT!

Nico: WHOA!

Me: WOW! Those fire wings are imbued with all the powers of the core and non-core members of the M.O.E.! That is completely new.

Eli: But that is awesome.

Nico: Thank goodness these trays came in handy for that. Nothing hurts worse than being burned by scalding hot molten cheese.

May: Yikes.

Me: Two can play at that!

I pulled out the Cheese Monster and Roquefort's Faiz Phones and activated them and fired cheese blasts and she dodged them all over.

We fired energy and element blasts at her and she was dodging them.

Nico: I can do this all day!

Me: I had a feeling this wasn't gonna be easy though.

But then Another Phoenix came at me and then a huge WALL OF

BLOOD APPEARED and blocked her!

Nico; WHOA!

Eli: That's a big Wall of Blood!

Me: Wow! I think it's our next gene-slammer!

Wall of Blood: (In a girls voice) (Japanese Accent) Yes that's right.

Nico: Evelyn Shura! I knew it!

Me: Wow!

She reverted back and it was a girl with black hair and was wearing a black Japanese School Girl uniform.

Evelyn Shura: Awesome to see you again Nico. I'll take care of her.

She fired a wave of blood and smashed Another Phoenix down and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the ridewatch and purified it and then numerous beams of light all flew into our wings and we were imbued with the powers of the core M.O.E. and Non-Core M.O.E.!

Nico: WHOA!

Kiba: That was cool!

Cheza: It sure was.

Mew: That was amazing though.

I went over to Olivia and picked her up.

Olivia Houou: (Groans) What happened? I have got the worst ever headache.

Me: It's a long story.

Maria: Yeah.

But then Danny came out of the floor with a huge and enormous TREASURE CHEST!

Eli: Whoa there it is!

We went over and opened the chest and in it WAS MASSIVE AMMOUNTS OF GOLD AND JEWELS AND MORE!

Everyone saw it and got pictures of it and was INCREDIBLE!

Choir: THE GREAT LAKES TREASURE!

Everyone: WOW!

Nicole: WOW! The Lost Great Lakes Treasure!

Lola: That is so amazing!

Qin: Boy it sure is!

Olivia Houou: That is awesome that we found that!

Me: Yeah.

Evelyn Shura: That is awesome.

Gwen: What's your favorite memory of Nico?

Evelyn Shura: I have a lot of them. But my favorite is when me and Nico were making an amazing log cabin over in the meadows of Maine and it was a massive log mansion.

Me: Whoa the Augusta Hotel was built by you?

Nico: Yep.

Me: That is awesome.

Fu: Wow it sure is!

Laney: Yeah!

Nico and Evelyn hugged.

Nico: I've really missed you Evelyn.

Evelyn Shura: Me too Nico. Me too.

Lola: Boy this was an eventful rescue.

Zarya: It sure was.

Me: And this also gives me an idea. Zarya you get to have the Wolf's Run heroes in a new branch team I've just made now called The Wolf Moon Crusade.

Zarya: Hey I like it!

Me: Yep and you are the leader of it.

Zarya: I like it.

Nico: (laughs) Swartz just lost a powerful Another Rider and the treasure!

Nicole: He sure did. I can only imagine what his reaction will be.

Brittney: Hades exploding with rage mad.

We laughed at that one.

Nico: That always cracks me up.

And sure enough Swartz saw us foil another of his plans and HE WAS HADES PISSED!

Swartz: I can't believe these guys! I throw everything I've got at them, and it doesn't even…

[Swartz notices Ora is wearing Air-Phoenixes]

Swartz: What… are… those?

Ora: Um, I don't know. I-I thought they looked kinda dashing…

Swartz: [slowly burns up] I've got Less than a month to get rid of these… bozos, or the entire scheme I've been setting up for a while now goes up in smoke, and YOU ARE WEARING THEIR MERCHANDISE?

[Swartz hears a noise, and sees Heure slurping some "Phoenixade"]

Heure: [chuckles nervously] Thirsty?

[Swartz screams, and blows up like a volcano]

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Ingrid Third are heading to Egypt, and not only is Lincoln going to rescue the seven girls here, but we're also going to destroy Michael Korvac of our world.

Lincoln also invited Leandro Chan, along with Connor and Alicia for the rescue as well.

Lincoln: Wow, we're here in Egypt, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to destroy Michael Korvac of our world.

Me: That's right, big guy, we've already recruited the Yost Version of him into The Masters of Evil, but the one we know, he's got to go now.

Nico: Yeah, unlike the Yost Version of him, the one we know is a powerhungry god wannabe. I hope you use the same absorption method on him just like you did to Urien.

Lincoln: That's exactly what I'm going to use on him, Nico. And I want to thank you, Mr. Chan, Connor, and Alicia for joining us, Ingrid.

Ingrid Third: You're welcome, Lincoln.

Leandro Chan: This is going to be my first time going with you on the rescue, Lincoln, and you also invited Connor and Alicia along for the ride.

Connor Chan: Korvac's going to pay for what he's done.

Alicia Chan: Yeah, what a monster. And I'm glad Nico learned a big lesson from Dad yesterday.

Lincoln: Same with me. I was indeed angry at what Penelope said that day, and I was angry at her due to her attitude and heartless behavior, but like you said to Nico, Mr. Chan, it's our job to protect everyone, not just those who are good.

Leandro Chan: That's right, Lincoln, and I already know the truth that Sarah's nothing like her evil father and none of you knew about the horrible crimes The Church of Necrom had committed over the years. It's going to take time for her to learn about friendship, and you also made the right call to put the Hinon's Vengeance Curse on her.

Nico: Same thing he did with Max, Dad, and they'll be under strict supervision.

Lincoln: And I did the same thing to Praxina and Mephisto, at least until they've cooled down, which'll be a pretty long time for those two to let go of the grudge and bad blood they hold on Vypra.

Eli: Good thinking.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Michael Corvac of our world, and he's going to kill them.

Lincoln: Guys, I found the seven girls, but they've been cornered by Michael Corvac of our world, and he's going to kill them.

?: That homicidal god wannabe, let's get him!

Suddenly, we saw the Duel Monster, Alpha, The Master of Beasts, appear before us.

Me: Whoa, that's the Duel Monster, Alpha, The Master of Beasts, awesome!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Mira Sinclair, but we'll talk later, we've got a homicidal god wannabe to get rid of.

We then rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Michael Korvac and it blindsided him, and it allowed the seven girls to get to safety. When Michael Corvac of our world saw us, he was furious.

Michael Korvac: Team Loud Phoenix Storm, how did you…?! It doesn't matter, soon, I will destroy you and this world will be saved!

Lincoln: Ain't happening, Korvac. Your homicidal rampage ends here and now.

Then, Lincoln sprouted out one of his eleven massive, long, and powerful white werewolf tails with Cell's suction stinger which opened up into a large suction, and Lincoln then latched it onto Michael Korvac's head, who struggled to get free. But, Lincoln began absorbing him into his body, and he also assimilated Korvac's powers and abilities, and his rainbow energy aura flared up extremely, as he'd gained a massive power and energy increase. Then, an energy card with Korvac's soul inside formed in Lincoln's large left hand, and as the kanji on Korvac's head appeared, he was erased by The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's it for our world's Michael Korvac. (To Mira Sinclair) And it's so good to see you again, Mira Sinclair.

Mira Sinclair reverted back to normal, and she's a beautiful girl with long flowing red hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful red angel wings, and she reigned in the power of Alpha, The Master of Beasts, and she's dressed in a sleeveless green midriff top, camouflage pants, camouflage sneakers, and long sleeveless green trenchcoat with leaves, plants, and animals on the coattails, and Alpha, The Master of Beasts on the back, and holstered on her back a large Alpha, The Master of Beasts-themed greatsword with Alpha, The Master of Beasts etched on the 7'0" massive, wide, double-edged green blade, red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Mira Sinclair: You too, Lincoln, it's been a long time.

Lincoln went up to Mira Sinclair and they hugged, and Mira Sinclair's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were eleven, and as you can see, I really grew a lot since then.

Mira Sinclair: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her.

Lincoln: Indeed I do, Nico, this is Mira Sinclair, she's my Guardian Angel from Montana, she was born with the ability to speak to animals and she has powers of nature and has knowledge of the flora and fauna, and she taught me how to ride a horse on a horse ranch that she and her parents own in Michigan.

Nico: That's really awesome, and since she's lived on the plains of Montana and on a horse ranch, she knows a thing or two about riding horses.

Lincoln: Yep, and she's also dealt with the insanity of Luan whenever she goes on her April Fool's rampage.

Nico: Wait, what? So, another one of your Guardian Angels also dealt with the insanity of Luan whenever she goes on her April Fool's rampage? Now, this is one tale I'm really going to hear.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Mira Sinclair's neck with red gems on the gold thunderbolt links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Mira Sinclair: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Mira.

Mira Sinclair had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Mira Sinclair's waist and Mira Sinclair wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Mira Sinclair's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are May from Guilty Gear, Moyako Konoe and Kasumi Kurose from Ane Log: Moyako Nee-san no Tomaranai Monologue, Misaki Takasaki Misaki and Ririna Sanada from Love and Lies, Mika Returna from Under Night In-Birth, and Yukiko Amagi from Persona 4.

Nico: Awesome.

Chie Satonaka: Whoa, and Yukiko's also among the group of girls, awesome.

Lincoln: Are you girls okay?

May (Guilty Gear): Yeah, we're okay, thanks to you.

Then, when May and the other six girls saw who it was that saved them from Michael Korvac of our world, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader

May (Guilty Gear): Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

May (Guilty Gear): (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of May (Guilty Gear), Moyako Konoe, Kasumi Kurose, Misaki Takasaki, Ririna Sanada, Mika Returna, and Yukiko Amagi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Michael Korvac of our world.

But, when Lincoln showed what we did in beating him and Lincoln absorbing him and sending his soul to The Black Gates, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Mira Sinclair have a lot of catching up to do now that she's back in town.

---

After destroying Michael Korvac of our world, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Mira Sinclair saw Lincoln working out like crazy, she had an atomic red blush on her face.

Mira Sinclair: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mira, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mira Sinclair: That's incredible.

Nico: It sure is. So, Mira, how did you deal with the insanity of Luan when April Fool's Day arrived and she goes on her rampage?

Mira Sinclair: Now, that's one I've never forgotten. One day, I was walking through Franklin Avenue, but then, I heard some wild explosions coming from The Loud House. I thought it was Lisa again, and I was about to head there to tell her parents, but when I checked my phone, I saw the date, it was April 1st, the dreaded day of April Fools and a day the Louds dreaded. Then, I heard a scream in The Loud House and I knew who it was: Lincoln and he was caught in Luan's rampage. I broke the door down and I saw that

Lincoln was being viciously attacked by raccoons, so I used my powers of talking to animals and I told them to get off Lincoln, which they did. I grabbed Lincoln and we were going to head to the hospital to treat the bite wounds and claw marks on his body, but Luan fired pie bombs at us, and she was completely insane and laughing like a mad jester. I tied Luan up in poison ivy vines, and I got Lincoln to the hospital to treat the wounds and claw marks, and he was okay, but Luan wasn't: I made Luan clean up the entire house and I had an army of raccoons watching her, and she also got grounded for three weeks for her rampage.

We cheered wildly for what Mira Sinclair did to save Lincoln and stop Luan.

Nico: That ought to teach her a lesson, that was some awesome work you did, Mira.

Laney: Mira's skills with talking to animals and powers of nature really saved us from that maniacal prankster's rampage.

Lincoln: Yep, and Mira's horse riding lessons were also paying off.

Me: Wow that is so cool!

Eli: It sure is!

Mira Sinclair: And I saw the horse race in Equestria last year, that was awesome.

Nico: Glad you liked it, Mira.

Me: That was one of my all time favorites.

Camie: That was a great one to see.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Suguru Kamoshida, the perverted bastard who represented the sin of Lust and a foe the Phantom Thieves dealt with when they first started.

Ryuji Sakamoto: Oh man, it's Kamoshida!

Ann Takamaki: Not that bastard again.

Lincoln: You guys know him?

Ren Amamiya: We do, Lincoln, that's Suguru Kamoshida, he was the gym teacher from our old school, Shujin Academy, but he was a pervert and he represented the sin of Lust.

Morgana: And the first villain we faced when we first started out. We busted him long ago, and we made him confess his crimes via a Change of Heart, but it looks like his heart's gone completely dark for good.

Nicole: If there's one thing I can't stand, it's perverts. This time, he dies!

Lincoln: Leave that to me, Yukiko, Chie, and Rise, Nicole. Alright, guys, let's go.

We flew out of the World Tree Estate and Lincoln fired rainbow energy balls and elemental forces at Kamoshida. When Kamoshida saw us, including The Phantom Thieves, he was enraged.

Kamoshida: You little shits have ruined everything for me!

Ren Amamiya: You did that to yourself, Kamoshida.

Morgana: Yeah, what you did can't be forgiven.

Yukiko Amagi, Chie Satonaka, and Rise Kujikawa: And we've had it up to hear with you to last an eternity.

Suddenly, the eyes of Yukiko Amagi, Chie Satonaka, and Rise Kujikawa turned neon, and they were surrounded by colored energy auras, elemental forces, and their Personas, and as they approach Kamoshida, they left colored energy, elemental forces, and their Personas with every step. Suddenly, Yukiko Amagi, Chie Satonaka, and Rise Kujikawa were surrounded by massive vortexes of colored energy with elemental forces surrounding them, their Personas were flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Yukiko Amagi, Chie Satonaka, and Rise Kujikawa emerged, but they were changed

Rise Kujikawa has transformed into SUPER ANGEL ETERNITY INFINITY CELESTIAL LOVERS SHADOW ANGEL OF CELESTIA JUSTICE AND DIVINE CELESTIAL LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Yukiko Amagi, Rise Kujikawa, and Chie Satonaka, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Kamoshida saw it, he went ballistic and transformed into his Shadow form, Asmodeus.

Lincoln: Wow, Yukiko, Chie, Rise, you girls look beautiful. How do you feel?

Yukiko Amagi: (Divine Echoing Cosmic Voice of The Arctic Shadow Priestess and Divine Arctic Love) We feel incredible, Linky. Now, shall we finally end Kamoshida for good?

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Yukiko Amagi, Rise Kujikawa, and Chie Satonaka.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Your days of harassing girls are over, Kamoshida.

Ann Takamaki: Ugh, gross, I thought we'd never have to deal with him again.

Dante Dalmatian: After today, we won't. Lincoln, catch.

Dante Dalmatian tossed Lincoln seven medals, but these seven medals have The Malefic Dragons on them. Then, Lincoln, Yukiko Amagi, Rise Kujikawa, and Chie Satonaka went after Kamoshida, and they fired powerful blasts of rainbow energy, red and black energy, yellow energy, green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Priestesses, Chariots, Lovers, and Angels at Kamoshida, and they exploded with incredible power as they hit him. The girls also summoned their Personas, and they attacked him severely, and they also attack him with their massive greatswords.

Then, Lincoln used the Malefic Red-Eyes Black Dragon medal, and as the eyes glowed, the medal fires a red and black energy blast, and as it hits Kamoshida, it remove his soul and seal it inside, and the body of Kamoshida then turned to ashes. We cheered wildly for what Lincoln, Yukiko Amagi, Rise Kujikawa, and Chie Satonaka did to Kamoshida as they holster their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Yukiko Amagi, Rise Kujikawa, and Chie Satonaka are permanent.

Chie Satonaka: That'll teach that pervert a lesson.

Rise Kujikawa: You said it.

Yukiko Amagi: That's right. Thank you for helping us get rid of Kamoshida for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Yukiko Amagi, Rise Kujikawa, and Chie Satonaka.

Suddenly, Yukiko Amagi wrapped her arms around Lincoln's thick muscular neck, and he made two more clones of himself and Rise Kujikawa and Chie Satonaka wrap their arms around the clones' thick muscular necks and their chests were pressed against the massive and wide muscular pecs of Lincoln and his clones, which'd brought an atomic red blush to Lincoln's face and his clones' faces, and he and the clones wrapped their abnormally massive and powerful muscular arms around the waists of Yukiko Amagi, Rise

Kujikawa, and Chie Satonaka, which took them by surprise and brought an atomic red blush to their faces. Then, as Lincoln and his clones leaned their faces down to the faces of Yukiko Amagi, Rise Kujikawa, and Chie Satonaka, they kissed passionately as the left arms of Yukiko Amagi, Rise Kujikawa, and Chie Satonaka were still wrapped around the thick muscular necks of Lincoln and his clones, but they move their right arms and their right hands onto the massive and wide muscular right pecs of Lincoln and his clones, and behind them was a Thunderbird, Phoenix, Angel, and the Personas of the girls flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and we cheered wildly.

Nico: That was really awesome, and Dante, what were those medals you made for Lincoln?

Dante Dalmatian: Those medals I gave him are The Medals of The Malefic Dragons, these medals have the power to imprison the souls of the old enemies of The Phantom Thieves of Hearts.

Ren Amamiya: And this means, if Kamoshida had shown up..

Yusuke Kitagawa: This also means that Ichiryusai Madarame, Junya Kaneshiro, and Masayoshi Shido are also going to show up as well.

Ryuji Sakamoto: Damn, that's not good.

Haru Okumura: This is not good.

Makoto Niijima: I've got to tell my sister about this immediately, she's going to freak.

Lincoln: If those three show up, they're going to pay for what they've done.

Zenkichi Hasegawa: I've read the reports on what Kamoshida, Madarame, Kaneshiro, and Shido have done, and it was really shocking.

Sophia (Persona): And with the Malefic Dragon Medals Dante gave you, you can imprison their souls inside them.

Lincoln: That's right, and once found guilty, they'll be sent to The

Black Gates. I found out that these medals also have a special ability to find the souls of those who represented the Seven Deadly Sins guilty of the sins they committed.

Nico: Whoa.

We returned to The World Tree Estate, and we got rid of Kamoshida. But, this means the enemies of The Phantom Thieves have returned, but we'll be ready for them.

---

Later it was time for Layla's final Ambassador Mission and it was the last one for a while till the Dino Fury Rangers are done with their adventures.

William: Well, this is gonna be the last Ambassador mission for a while. Anyone else wanna go with Layla? Besides 3 Rabbids and Ultimate Alliance Iron Man?

Nico: Lets have Sunny Starscout and her friends get a shot at this.

Sunny Starscout: Hey that's a great idea!

Pipp Petals: It'll be an awesome honor.

Izzy Moonbow: It sure will be awesome.

Zipp Storm: Same here.

Twilight Sparkle: You guys are gonna do great on this.

Sunset Shimmer: It sure will be great for you all.

Me: Yeah it will.

Nico: Lets head out.

We were off to the world of Earthbound.

We arrived.

Ness: Hey guys!

Lucas: Awesome to see you all.

Layla: Guys, this is Sunny Starscout.

Sunny Starscout: Awesome to meet you. I'm Sunny Starscout and I'm the Princess of Unity.

Pipp Petals: I'm Pipp Petals.

Izzy Moonbow: Izzy Moonbow.

Hitch Trailblazer: I'm Hitch Trailblazer.

Zipp Storm: And the name's Zipp Storm.

Ness: Awesome to meet you guys!

Sunny Starscout: Same here. I'm actually the teacher and philosopher of the great Twilight Sparkle the Princess of Friendship.

Me: Sunny has taken everything she knows about Twilight's teachings about Friendship with her and her adventures all to heart with incredible diligence and helped all her friends in Maretime Bay all over.

Lucas: Wow!

Me: And this is Tony Stark. But this one is from another universe.

UA Iron Man: Awesome to meet you.

Ness: Same here.

Me: It's a long story with this version of Iron Man though.

Lucas: Oh man.

Ness: So, this is your last Ambassador mission for a while?

Nico: Yep. Honestly, I'm feeling a bit sad.

Me: Nico don't be. It was awesome and we all had so much fun.

Sunny Starscout: Yeah Nico we ALL had tons of fun. But we still can do your amazing rescues.

Nico: That's true.

Lucas: Don't be sad, Nico. Your work isn't done just because this is your last ambassador mission for a while. In fact, I think it's only just begun.

Nico: Yeah it sure has.

Me: There are so many more things out there to do Nico. And we've only begun to scratch the surface on what's out there.

Nico: You're right!

Pipp Petals: It'll be awesome to see what's out there.

Zipp Storm: You said it sis!

Nico: Yeah!

UA Iron Man: I mean, yesterday, we DID recruit the Kabuto team.

Nico: Yes we did.

Ness: Wow!

Me: Yeah and that's number 2 of the Kamen Rider teams. We have 2 more coming this month and then from August 1st thru 13th we recruit 12 more.

Ness: Wow you guys are gonna be really busy!

Nico: No kidding there!

Eli: We're going to have our work cut out for us there.

Hitch Trailblazer: But we're really excited for all this.

Ness: Also, the main target when all of us come here will definitely be Giygas.

Me: Awesome! We're going to really have an awesome time destroying that one.

Nico: We sure are.

Eli: Thank goodness he's not in the Super Smash Brothers Roster.

Lucas: That's true.

Sunny Starscout: That's true.

Izzy Moonbow: But it'll be awesome.

Lucas: Porky Minch will just be a secondary target.

Nico: Can you give us a backstory about both?

Ness: Sure.

He went over both their histories.

Giygas

Giygas (in Japanese: ギーグ Gyiyg), also called Giegue (in Japanese: ギーグ, Gīgu), is the main antagonist of the Mother/EarthBound series.

He is the main antagonist of both Mother/EarthBound Beginnings and Mother 2/EarthBound, and the posthumous overarching antagonist of Mother 3. Known as the "Universal Cosmic Destroyer" or the "Embodiment of Evil", he is an alien conqueror who wields an incredible psychic power, which would later be called PSI.

Giygas' portrayal vastly differs between both games. He is a galactic conqueror in the first, but an unfathomable monstrosity in the second. Due to the far bigger impact it made on gamers, Giygas' depiction in the second is much more well-known than his previous self, which has been almost totally eclipsed.

Past

In 1909, when Giygas was an infant, aliens of his kind abducted many people including a human couple, George and Maria, who took a liking for him and raised him as their son. During captivity, George studied the aliens' PSI or PK (Psionics or Psycho Kinesis) powers without permission, culminating with his escape back to Earth.

In the eighty following years, George shut himself in seclusion, inventing machines and developing PSI to prepare for the alien invasion. In his latest years, PSI inexplicably spread over Earth, against the Aliens' wishes. Due to his incredibly powerful PSI, a now matured Giygas was tasked to invade Earth to take back PSI from humans before it could be used against them. To do so, he was forced to detach himself from Maria, shedding his fondness for her. *Mother / EarthBound Beginnings*

During the course of the game, Giygas (known as Giegue in English) uses his army, war-robots, and enormous PSI powers to spread his influence, swarming the world with mind-controlling henchmen before invading with his forces. George's and Maria's great-grandson Ninten develops PSI powers and investigates strange phenomenon, first in his fictional hometown of Podunk, then all across the world. Animals become hostile, objects animate themselves, and undeads start rising, due to the aliens' PSI.

Ninten befriends Pippi, a powerful tomboyish girl, Lloyd, a nerdy yet highly intelligent boy, Anna, a PSI-wielding girl, and Teddy, a teenage gang leader. They learn about the alien invasion, and reach the spiritual Magicant Kingdom. They heal Queen Mary's amnesia, learning that she is none other than Maria, kept youthful (or having her spirit preserved, it is not very clear). She tells them about Giygas and the Eight Melodies song she used as his lullaby before dying, reuniting with George at last at the cost of Magicant, that was only her mental projection.

On Mount Itoi, the party is crushed by the powerful R7038 war-robot, only owing their lives to Lloyd who barged in with a tank (having been ironically kicked-out by Teddy for not being tough enough). They later discover George's secret laboratory and EVE, the highly powerful female robot built to protect Ninten. Alas, EVE has no choice but to safe-destruct to save the party from the monstrous

R7038XX robot.

After discovering all the aliens' captive, the party meets with Giygas at last He offers to spare Ninten, asking to come with him on his mothership, but the boy refuses for he enjoys his life and his friends too much. So begins the Final Battle.

Giygas unleashes powerful yet undefinable PSI attacks and shrugs off anything the party throws at him, until Maria's spirit tells them that raw might is useless and that her former ward can only be defeated by singing the Eight Melodies. This triggers memories of his happy childhood in Giygas, who admits defeat and leaves, telling Ninten that they will meet again when he returns to take his revenge.

## Between the Games' Storylines

What happened after the first game, or whether both games are from the same continuity in the first place, remains unexplained. It can be guessed that Giygas was left to grieve his foster parents and his failure. His conflicting love for them and loyalty to his people later unexplainably turning him into the abomination of the second game.

Giygas returns decades later (or in a different timeline), planning to invade Earth in a more stealthy way to prevent the same resistance as last time. He learns of the Apple of Enlightenment, a prophetic machine that foretold his defeat at the end of a boy named Ness, thus decides to invade twenty years earlier than he initially planned.

What happened after is not explained, but in an apocalyptic future he has been reduced to an eldritch, horrifying, mindless entity who dominates what remains of the universe, which he engulfed in absolute darkness and reduced to ruins, nearly wiping out all life, including earthlings and his kind. Hopefully, an insectoid alien named Buzz Buzz travels back ten years into the past, in search of the prophesied heroes who could avert the impending apocalypse.

## *Mother 2* / *EarthBound*

Ness, perhaps of Ninten's kin, finds the meteor that brought Buzz Buzz in his era, near his fictional hometown of Onett. He is told about Giygas' threat and his role as one of the four heroes. After fighting one of Giygas' monsters who followed Buzz Buzz through time, Ness is given the Sound Stone and instructed to record the Eight Melodies, to gain the Power of the Earth and become mighty enough to face Giygas.

Giygas starts spreading his evil influence through time, all over the present-day Earth, corrupting both living beings and objects, just like in the first game albeit more sinister. As such, Ness' bratty and obnoxious neighbour Porky Minch is turned into a vicious tyrant-in-the-making.

Ness travels through his country of Eagleland, and saves the PSI-wielding girl Paula from being sacrificed by the evil Happy Happyist Cult, of which Porky is now the High Priest. They are captured in the town of Threed, but they are saved by Jeff, the nerdy yet genius son of the famous Dr. Andonuts, whom Paula telepathically called for help. In the city of Fourside, they find a Mani Mani Statue spreading Giygas' evil, having corrupted the mayor and real-estate mogul Geldegarde Montoli. Facing Porky again, they break the statue and its illusions, freeing Montoli, and are joined by Poo, martial artist prince of the far away, Eastern-inspired kingdom of Dalaam.

After learning the last of the Eight Melodies, Ness falls unconscious and enters the Magicant Kingdom, formed from his thoughts, where he defeats his evil side, fully breaking away from Giygas' power. Unfortunately, darkness starts spreading as Giygas' influence keeps increasing. Since the Universal Cosmic Destroyer is out of reach in another era, the party has no other choice than to travel through time with Dr. Andonuts' invention. Not in the future when their enemy is fully invincible, but in the past when they still stand a chance.

## The Devil's Machine

They reach a dark cave looking like a womb where a machine is staring at them with a face like Ness' (or Ninten'), ready to face Giygas with the Power of the Earth, though without expecting what awaits them.

Porky appears, now horribly twisted and piloting a spider-like machine, having sworn fealty to Giygas and having been brought to the past to serve as his right-hand and minder. Giygas is contained inside the Devil Machine, that keeps his power and mind under control, with Porky gleefully describing what monstrosity their enemy has become.

The party fights Porky and a Machine-contained Giygas, but only Porky is vulnerable, for Giygas reflects back all attacks, even those reflected back at him. Porky can disrupt PSI and inflict status, while his liege can hit many targets with PSI Flash, PSI Thunder, PSI Freeze and the deadly PSI Rockin.

The party wins the battle, but the nasty brat shuts the machine off in retaliation, unleashing Giygas in all his might (before hastily getting out of reach, but still taunting the party about what is happening).The party must then engage the extremely nerve-wracking final battle of the game, one of the most disturbing in gaming history.

The battle against Giygas is very long and difficult. He uses random and unintelligible attacks, which the party cannot grasp, while babbling incoherent, meaningless speeches. His repeating Ness' name and "I'm happy" being a creepy echo to his offer of friendship to Ninten in the first game. No attack can harm him, and he overwhelms the party, until Paula calls out to everyone in the Earth to pray.

The combined prayers of every character reach Giygas to exploit his weakness, which quite similarly to the first game turns out to be human emotions. Every time they do, the abomination further distorts itself, increasing his creepiness with every passing second. Alas, this is not enough to fully defeat him, until Paula can eventually reach out to a mysterious stranger (heavily implied to be the player), which finishes him off once and for all.

What Giygas has become is destroyed for good and fades to nothingness, forever erasing his apocalyptic future and his influence on the present. Ness and his friends can now return to the present and to their human bodies, free to enjoy newfound peace.

However, Porky is still around, having traveled through time until he became immortal, and bore some trace of Giygas power, becoming the primary villain for the next game. (Though Giygas was considered as the final boss yet again, either resurrected or as his essence.)

## Interpretations

Shigesato Itoi has stated that his inspiration for Giygas' speech, but not the inspiration for Giygas himself, in *EarthBound* came from a traumatic childhood experience where he accidentally walked into an adult movie theater and caught a glimpse of a rape scene in the 1957 film *The Military Policeman and the Dismembered Beauty* (憲兵とバラバラ死美人 *Kenpei to Barabara Shibijin* ). In actuality, there was no rape scene in this film, instead a murder scene. As Itoi was a child at the time, he has stated his lasting memory of this experience is fuzzy at best.

## Porky Minch

Porky Minch (also known as "Pokey" due in part to a translation error) is the secondary antagonist of the Mother/EarthBound series, serving as the secondary antagonist of Mother 2/EarthBound and the main antagonist of Mother 3.

He made his debut in EarthBound, which displays him as the cowardly, yet, incredibly obnoxious next-door neighbor to Ness, the protagonist of the story, who he later confronts from time to time throughout the whole game, constantly being a thorn on his side. As the story progresses, so does Porky in power, extending from a high priest of Mr. Carpainter's Happy Happyist cult, to Monotoli's adviser, then to become Giygas' right-hand man, and quite possibly even be the more superior during the final boss battle. In Mother 3, he becomes the nefarious king of the vast Pigmask Army and the Nowhere Islands.

### *EarthBound*

After a meteor strikes on a hilltop in the small town of Onett in the middle of the night, Porky investigates the site, only coming up short as the police will not let him. After telling Ness to stop "rubbernecking", he returns home, only to be woken up by Porky's desperate knocking. After confessing that he had lost his younger brother, Picky, near the site, he pleads for help from Ness to find him before his parents come home.

Once they find him, an insect named Buzz Buzz appears from the meteor and tells them that a great evil is coming, and that a group of heroes will save the world, Porky convincing himself that he is not one of them. After fighting a Starman, Ness returns Porky and Picky home and he is not seen for a while.

Porky is next seen as the high priest of the Happy Happyist Cult led by Carpainter, kidnapping Paula for a human sacrifice. When the cult is disbanded, he and his father become business consultants for Geldegarde Monotoli in Fourside, causing even more trouble for the heroes. When confronted by Ness, Porky escapes in Monotoli's helicopter and crashes in Deep Darkness, again disappearing for a while. He is finally seen in the Cave of the Past alongside Giygas itself, fighting inside a spider-mecha (identified as "Heavily Armed Pokey").

In the final moments, he releases Giygas from the Devil's Machine, but Paula's prayers destroy the evil force once and for all, forcing Porky to escape through time. His last message in the epilogue of the game came as a taunting letter to Ness from Picky saying "Come and get me, loser! Spankety, spankety, spankety!".

*Mother 3*

In *Mother 3*, Porky returns as the king of the vast Pigmask Army, a whole army of brainwashed soldiers with pig-shaped masks and the undeniable tyrant of the Nowhere Islands. While he is not introduced in name until the final chapter of the game, Chapter 8, his presence is noticeable in the first chapter by the introduction of the Pigmasks, terrorizing Sunshine Forest of Tazmily Village, the home of the main protagonist, Lucas. Throughout the whole game, the Pigmasks have spread their influence across the Nowhere Islands, modernizing the land to the point in Chapter 7 where it is most ubiquitous.

In addition to kidnapping the soldiers from various time periods, he kidnapped Dr. Andonuts, from the time of *EarthBound*, to construct his machines and weaponry in the Chimera Labs, creating the grotesque animals called "chimeras" that are found all throughout the game, and also tricking the Tazmilly Villagers into becoming new soldiers for his army and new citizens of New Pork City while also loving him unconditionally as their rightful ruler with the usage of Happy Boxes and the "Nice Person Hot Spring", brainwashing devices that come into play later in the game.

After Lucas' mother Hinawa dies from a Mecha Drago, a chimera made by the Pigmasks, his brother, Claus, goes missing, attempting to avenge his mother, failing miserably. The Pigmasks would later find his body and brainwash him into becoming their general, in pursuit to pull the Seven Needles to awake the Dark Dragon and destroy the world (or rather, reset it to Porky's image). In Chapter 8, it is revealed that Porky was the mastermind behind all of these incidents, and the race to pull the Seven Needles would be directed to his city, New Pork City for the heroes.

Up to this point, all of the Tazmily Villagers have moved into New Pork City, while Porky awaits Lucas and company in the Empire Porky Building for the grand finale to pull the last and final needle. After repeatedly taunting the heroes to proceed to the 100th and final floor in the building, they finally meet the unseen dictator. Descending down the vines of the final floor, it is clearly evident he has changed a considerable amount from his last appearance in *EarthBound* .

He is expressed in-game as coughing, wheezing, and gasping throughout his whole speech to the heroes, possibly due to of his extreme amounts of time-travel. His body aged into a fragile, old man, while still keeping his twisted childhood mentality, albeit warped due to the extreme amount of year spent time traveling, back from *EarthBound* . He confesses that all of the actions laid out to Tazmily Village, and to the Nowhere Islands, were all out of sheer boredom and also due in part to it would "be more thrilling". He then transports the heroes to the final showdown, under the Empire Porky Building via a trap door.

Lucas and company continued their journey underground until Porky appeared and blocked the way, resulting in a final showdown. during the battle, he professed his goal is to remove all life from the world, leaving only the Dark Dragon and himself. Porky then assured his foes that even if the Dark Dragon were to destroy everything else, his immortality would allow him to see it all through. After his mech ran out of power, Porky decided to isolate himself inside the Absolutely Safe Capsule; a giant capsule specifically designed to be absolutely safe. However, he forgot that the capsule's creator, Dr. Andonuts, told him not to use it yet, as once the capsule is sealed shut it can never be opened again, thus forever trapping Porky inside it, unable to leave, unable to die, and unable to accept defeat.

According to Dr. Andonuts, the eternally sealed aspect of the capsule is to not only protect the occupant from the world but to protect the world from the occupants.

### *Super Smash Bros. Brawl*

In *Super Smash Bros. Brawl*, Porky is a boss fought in the Ruined Zoo stage after escaping his Pig King Statue. He was dispatched by Wario to hunt down Lucas. After Lucas escapes, Ness appears and destroys it with a PK Flash.

Porky then appears from inside the statue and attacks using his bed mecha (to which he is bound by a glass vial, presumably the Capsule). His attacks involve a multiple stab with his mechanic claws, many kinds of lasers, and Mecha-Porkies that detonate with proximity. Even though he keeps his pace, both ultimately defeat Porky, whose mecha falls to the ground in malfunction. He returns in the Great Maze area, where he must be fought again to open the door to Tabuu. It is unknown if Porky is working for the Subspace Army, but it is said by many sources that he is actually a general under Tabuu.

He also appears as a sticker, slightly increasing Ness and Lucas' PK spells.

### *Super Smash Bros. for Wii U*

Porky appears as a trophy, which can be used as an item in Smash Tour. When selected, he steals an item being used by an opponent and gives it to the player.

When he was done we were shocked and horrified!

Nico: WHOA MAN!

Me: Not good! This is gonna be a brutal one!

Eli: Yeah! This is gonna be awesome though!

Ness: Fortunately, the Another Ranger who appeared earlier hasn't teamed up with either of those two.

Me: That's a relief. We better see who the Another Ranger will be.

Nico: Yeah.

Ness: Not only that but Titanic Ant is with him.

Me: Titanic Ant!? Whoa!

Sunny Starscout: This is gonna be amazing!

Nico: Where is the Another Ranger now?

Eli: Over in that canyon over there.

We saw the canyon 6 kilometers away to the southeast.

Ness: Then we better head there.

We were off.

We arrived and we saw Titanic Ant and on it was ANOTHER ZEO RED! HE looked like a scary version of Zeo Red but the star visor on the helmet was upside-down like a Satanic Pentagram and he had scary Zeo symbols on him.

Nico: Whoa! Another Zeo Red!

Eli: Not good!

We went to face him!

Nico: Mind telling me who you are?

Another Zeo Red: (In a boys voice) How nice to see you again Nico.

Nico: That voice!

He reverted back and it was a kid that had green hair and had horrible dirty clothes and not only that but he SMELLED LIKE SHIT!

DEEP FOGHORN TOOT!

Nico: Reggie Jackster!

Reggie Jackster: You remember me. I'm flattered.

Me: EW! When was the last time you took a bath? You smell horrible!

Eli: Yeah! You smell like you were rolling around in a pig manure factory!

Reggie Jackster: I haven't taken a bath in 5 years.

THAT IS HEPATITIS WAITING TO HAPPEN!

Ness: You know him?

Nico plugged his nose with a noseplug.

Nico: (Nasally) I do unfortunately. We called him the stinkiest kid in our school! Hence why we gave him the moniker, The Human Stinkbug. He smelled so horrible that we couldn't keep him in the school and we had to put him in a tent outside when he worked. The kids made fun of him all the time and they couldn't get anywhere near him because of his repulsive stench. But then I caught him doing a horrible thing and that was to blow the entire school up with stink bombs filled with his stench sweat and I filmed the whole thing as he detonated them. He got expelled and sent to prison for a long time and he vowed to get revenge on me. But they couldn't put him in a cop car. They had to put him in a HAZMAT Tank.

Me: Yikes!

Eli: Was he born in a cave?

Reggie Jackster: Yes I was.

Utimate Alliance Iron Man: This is a new twist. An Another Ranger who's a bad person.

Me: And by Bad we mean smells so horrible that he makes you throw up!

Nico: Yep.

Me: Then lets give this guy a bath he'll never forget.

Eli: That's for sure!

Me: Just like what the Wild Force Rangers did to Cole.

I pulled out the Bubbles Card.

Me: Are there any villains in the M.O.E. That center around soap, bubbles, and clean?

Ultimate Alliance Iron Man: There's Bubbler. And my armor prevents me from getting stinked out.

Me: Bubbler works perfectly.

I pulled out the Ridewatch for Bubbler.

Nico: Scruba dub dub putting a villain in the tub.

Reggie Jackster: I will never take a bath!

He then was enveloped in a vortex of darkness and then he turned back into Another Zeo Red!

Titanic Ant: You won't defeat me this time, you two!

Ness: We'll see about that!

Titanic Ant: (To me and Nico and the rest) You guys can have Another Zeo Red here. His stench was burning my antennae.

Me: Thanks.

Ultimate Aliance Iron Man walked up to Another Zeo Red and punched him in the face.

SMASH!

Nico: Time for some fun! Lets begin the experiment!

ADMIRAL ZHAO! PINK RANGER SLAYER! BEST MATCH!

Nico fired a barrage of arrows made of fire from his fist and they hit Another Zeo Red and burned him all over.

Me: He will probably have Zeo Weapons imbued with the powers of the Core and Non-Core M.O.E. Members.

Another Zeo Red: And you're right!

He pulled out a scythe that was black and it had the powers of Dark Spicer in it! He used Heat Burn's fire and fired waves of fire at us and we absorbed the fire.

Ness: PK Flash!

He fired an energy ball and it hit the Titanic Ant and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lucas: PK THUNDER!

He fired a ball of lightning and it hit the Ant and electrocuted it.

Ultimate Alliance Iron Man: Sorry! But in my armor, I'm immune to your stench!

Another Zeo Red: Then I'll remove it and rub my stench in your face!

Me: Come and try it!

I fired an energy blast and it hit Another Zeo Red and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught the Ridewatch and purified it and then we picked up all the weapons of the M.O.E. For Zeo.

Nico: Yeah.

Me: Now to give him a bath he will never forget.

Titanic Ant: I wanted to get rid of him within 30 seconds of knowing him!

Ness: I don't blame you.

I activated the Bubbler's Ridewatch and summoned the Bubbles Card.

Me: Time for a bubble bath.

We fired waves of soap and water and then gave him a a good cleaning.

He was squeaky clean!

Nico: There! Now, everything smells clean!

Me: You should be thanking us Reggie. At least you don't smell like the rear end of a dead moose like Lumpus!

We laughed at that one!

Nico: (Laughs) Good one!

We then tied up Reggie and sent him to jail.

Ness: (to Titanic Ant) Now, what to do with you?

Titanic Ant: I think I've had enough.

He then left.

Me: Well that is that.

Ness: Layla, ever since I met you, I've seen you as a big sister.

Layla: Really? I'm so honored Ness.

Nico: So awesome.

Me: Yeah. But at least it's not goodbye forever.

Sunny Starscout: Yeah.

Nico: Guys, I assure you. I have not had enough of the Ambassador missions to last an eternity. But I just feel like it's good to take a break from them in a while. That's all.

Me: I agree. We've been doing this for over 7 months so we could use a huge break too.

Ness: Yeah.

Eli: This was awesome though.

Vambre: (British Accent) First, I want to test something. (punches Trina)

POW!

A bunch of jewels erupted out of Trina with just that punch!

Nico: Yep it works!

Vambre: All right!

We were punching and pulverizing the jerks all over.

Mountains and mountains of gold, diamonds, jewels and more poured out of them.

Scrapper: Looks like your curse worked wonders, Lincoln.

Lincoln: It sure does.

Jackee whispered something to Bart and she pulled out a whoopee cushion and gave it to Bart and he put it under Homer and he sat on it and then…

FAAAAAAAARRRRRRTTTTT!

Homer got pudding all over his butt and Bart laughed hysterically!

Homer: WHY YOU LITTLE!?

Homer chased after Bart and just as he was about to strangle him, Bart ducked and Homer was strangling AMY!

Homer: THE GIRL MUST DIE!

MOUNTAINS AND MOUNTAINS FULL OF GOLD AND JEWELS WERE ALL OVER!

Pointblank: Okay, Homer. That's enough.

Homer: Oh right.

Me: And besides Homer it's chocolate pudding.

Nico: Yeah.

Homer: (Laughs) That was a good one!

Nico: Ahh that was great.

Breakdown: What do you guys say we head to a new planet?

Nico: Good idea.

Eli: This planet thankfully is edible just to tell you guys.

Nico: Great.

Me: I have a feeling it's gonna be a good one.

Then Pinky & The Brain, Pyro, Dirty Bubble, Chemistro, Goliath, Titanium Titan, KGBeast, Brain, Black Adam, Jet and Kite Man appeared.

Pinky: Can me, Pyro, Dirty Bubble, Chemistro, Goliath, Titanium Titan, KGBeast, Brain, Black Adam, Jet and Kite Man go with you guys?

Nico: Yes you all can go with us.

Brain: (to Soji) How do you and your team like it here so far?

Soji: We're loving it and it's awesome just as it is with battling worms.

Nico: Glad you're liking it.

Eli: Everyone does.

Itachi: Nico, which Gene Slammer do you think you'll meet next?

Nico: One for a hypothetical creature this time. I'm hoping to do one for the Spitfire Bird.

Me: Ooh good choice. That's perfect.

Nico: It sure will be awesome.

Me: Yeah it will.

Jet: I wonder where we're going next.

Nico: We'll find out. To the ship.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Swamp Thing's arch-enemy, Anton Arcane, and he's heading here to destroy us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like it one bit: the dark energy signal I sensed belongs to Swamp Thing's arch-enemy, Anton Arcane, and he's heading here to destroy us.

We gasped in shock.

Nico: That deranged god wannabe and dark sorcerer?! Oh, that's not good.

Swamp Thing: I should've known Anton would show up.

Me: Anton's known as a dangerous master of The Occult, and he's used the powers of black magic and necromancy, and he's an Avatar of The Rot.

Rosa Laurence: Is there a way to stop him?

Lincoln: There is, Rosa, I've been working on a spell to strip Anton Arcane of all his powers, but we'll need to stun him by blasting him with energy and elemental blasts.

Me: Awesome.

Nico: This'll give Anton quite the nasty surprise. Alright, gang, let's go, there's another food planet that needs to be explored.

Lincoln: This is going to be one awesome planet we're going to see. And Anton, you better be ready, because judgement day is finally upon you, you miserable monster from Hell.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Magma: Anything?

Nico: Not yet. But we're going to soon be there.

Magma: Yeah.

Titanium Titan: (Spanish Accent) You DID check the planet, right, Eli?

Eli: Yes I did and it's an edible world this time.

Titanium Titan: Good.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a white planet and there were patches of red, pink, green and yellow all over it.

Nico: From up here it looks like a snow planet.

Eli: It sure does.

Lola: Yeah.

Laney: It might be a world of ice cream.

Mixmaster: It might seem like ice cream. But appearances can be deceiving.

Nico: Only one way to find out. Lets land.

We got to landing and then we got out and to our shock, amazement and awe we saw that it wasn't a world of ice cream, it was a world made of many different kinds of sushi!

Nico: WHOA!

Me: It's a planet made of Sushi!

Cat: Ah s-sushi! Sushi! Oh! (Sniffs) FISHY FISHY FISH!

Cat went out and was eating it!

Yugito: Now this is my kind of world!

Dirty Bubble: Well, there's nothing wrong with sushi, right?

Nico: None. Besides Cat and Yugito love it.

Sunset Shimmer: (Eating sushi) Mmm! Delicious.

Camie: (Eating sushi) It sure is.

Twilight Sparkle: (Eating Sushi) I like it.

Me: (Eating) Mmm! It's delicious.

Beekeeper: There's lots of sushi here! Including nori.

Ne: No kidding.

Tsuyu: Enough to keep the people of Japan fed forever.

Qin: This is so amazing.

Soji: It sure is.

Hitoshi: This is so amazing though.

Sirius: It sure is.

Lincoln: This planet reminds me of the time I had sushi.

Laney: Oh man I don't want to hear about that. He had sushi for breakfast and put maple syrup on it.

Me: YUCK!

Eli: That's gross!

Goliath: But sushi isn't disgusting.

Me: No putting maple syrup on it was. Sushi is made of raw fish.

Lincoln: Yeah that was a wrong choice.

Me: Also I remember seeing that and it was crazy.

Eli: Really?

Me: Yes it was a long time ago before many of you all were with us.

Nico: We'll have to hear about that sometime.

Me: Oh you will love it.

Fuse Man: We should eat as many as we can. It's only a matter of time before the next bad guy strikes.

Me: Yeah.

We got to eating and then we heard a sound that Mr. Krabs knows all too well!

(JAWS THEME PLAYS)

Mr. Krabs: (Fearful) OH NO! That's a 4/4 string ostinato in D minor! Every sailor knows that means death!

Nico: Uh oh!

We then saw in a huge lake full of wasabi sauce, the largest fish that were alive! They were OLD GRAMPS AND HIS WIFE OLD GRAM!

Me: WHOA! Those fish are huge!

Chemistro: They seem harmless enough.

Daggett: Oh they are anything but harmless! Old Gramps and his Wife Old Gram, the legendary 100-year-old muskellunge are both large enough to swallow a bunch of Swedes.

Nico: Whoa man! Sounds like you guys have had a bunch of encounters with these guys.

Eli: Yeah.

Norbert: Oh we did.

Daggett: Also they bit off my tail.

Gargoyle: Ouch!

Me: Yikes!

Nico: OOH! That must've hurt! Can you tell us all about them?

Daggett: Sure.

Norbert: It went like this.

Norbert told us everything.

On the shores of the lake, Dag plays paddle ball with a ball attached to his tail. Right as he hits it for the 2060th time, the ball flies off into the water. Dag retrieves the ball, but is soon chased by a mysterious sea creature. He returns home with part of his tail bitten off and tells Norb that he was attacked by Old Gramps, a legendary 100 year old muskellunge large enough to swallow a Swede. Norb doesn't believe his brother and suggests that he instead snagged his tail on a rock, but Dag resolves to prove himself right.

Dag constructs a boat, the SS.S. ssss (so named because he only had an "S" stencil), in order to find Old Gramps. Norb comes along only to prove his brother wrong and to take pictures. Dag first tries to bait Old Gramps with a bucket of paddleballs, but instead gets them shot at him by a school of smaller fish. He then tries to lower himself into the water in a homemade shark cage; the water ends up being only a foot deep. After Dag's numerous attempts to find Old Gramps, Norb loses patience with him and tries to return home. Right as he jumps off the boat, he sees the shadow of a huge sea creature in the water and realizes that Dag was right all along: Old Gramps is real.

Norb tries to start the boat, while Dag mans the "Musky Lounger," a lounge chair with a harpoon gun attached. He accidentally fires a harpoon into the bottom of the boat, causing a leak. The two beavers run around the boat, causing it to spin and collide with Old Gramps, who is revealed to be nothing more than a small geriatric fish with an enormous rear fin. Dag demands that his tail be returned and drops the boat's anchor into the water which hits an even bigger fish. As the forest clears, Old Gramps tells the beavers that they woke up his wife, Old Gram, who starts chasing after their boat. As Old Gram prepares to swallow the boat whole, Dag spies the other half of his tail. The boat is soon destroyed and the beavers frantically swim home, with Old Gram in pursuit.

Back at the dam, Norb admires his photos from the expedition while Dag sews his tail back together. The doorbell suddenly rings; Norb answers it to find a Swede. He begins to introduce himself, but Norb cuts him off and tells him to join the others, beckoning to other Swedes who have taken refuge in the dam. As Norb closes the door, the dam is shown to be inside of Old Gram's mouth who swims away.

---

When he was done we were shocked!

Nico: WHOA MAN!

Eli: These guys are big time trouble!

KGBeast: (Russian Accent) But can they hear very well?

Daggett: They sure can.

Me: For 100-Year-Old fish that is really impressive.

Nico: Yeah. It sure is.

Grim: (Jamaican Accent) But these fish are way passed their date with death mon. I can't even tell you how many times I tried catching them.

Eli: Wow!

Notacon: Maybe they're not attacking us because they think we're not a threat to them.

Eddy: Like fuck we're not!

Nico: They are a threat to everything and everyone.

Eli: Yeah I sense huge amounts of wrath and more in them.

Me: Then lets go catch us a couple of 100-year-old fish that are overdue with death.

Bleez: Got any Ridewatches for us, Nico?

Nico: (grins) Oh yeah. 12 Ridewatches for the Decade team and 12 copies.

Me: Cool!

Owen: Oh yeah!

Nico revealed Ridewatches for Decade, Decade Violent Emotion, Decade Complete Form, DiEnd, Roxy's Decade Form, and my Decade form, as well as 6 new Ridewatches. Last but not least, there was a Ridewatch for Samurai Red and its' copy.

Black Adam: We're not complaining about this. Decade is an anniversary team after all.

Me: Yep to commemorate 10 years of the 21st Century Riders back in 2011.

Lola: So awesome.

We decided that Owen, Harold, Katie & Sadie, Noah, Ezekiel, Leshawna, Bridgette, Lindsey, Izzy, Beth and Tyler of the Total Drama crew would get the Originals for Decade.

The Red Rangers for Megaforce, Dino Charge, Ninja Steel, Samurai, RPM, Jungle Fury, Operation Overdrive, Mystic Force, SPD, Dino Thunder, Ninja Storm and Wild Force for the copies. Jayden didn't get the Samurai Red Ridewatch because that would be strange.

Pyro: Now, we just need to assign the Ridewatch for Samurai Red and its' copy.

Nico: And no. The copy isn't based on Lauren's Samurai form.

Me: That would have been cool though. But that also would be strange because technically Female Samurai Red and Samurai Red are both the same.

Nico: Yep.

Wes: I'll have the Original.

Total Drama Sierra: And I'll have the Copy.

Nico: Okay then!

Blackfire: Entrance time!

Nico: Lets go reap us a couple of Supercentenarian Fish!

Me: And it's fitting because we're on a planet of sushi.

We were off.

We went to face them.

Old Gramps: (Elderly Voice) Now there has to be some people to eat here.

But then the spirits of the Toa Metru and the Justice League appeared and they swirled around them and then converged and then…

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning struck all over and a thunderbird cry was heard and then we came out.

Nico: Hello good sir and ma'am. I'm afraid it's time for us to send you three to the morgue.

Kite Man: You're not causing trouble on our watch!

Kaito: (takes out Dynaman gear) We forgot to use these this morning.

Zocks: (takes out Bioman gear) Well, better late then never.

Old Gramps: Then come and get us!

Old Gram roared.

Me: Normally we are supposed to show respect for the elderly but because you two are fish we're more than willing to make an exception.

Nico: Yep.

Kaito got the Dynaman Sword and Zocks got a Bioman Blaster.

But then Iron Lung, Bronze Kneecap, Brass Knuckles, Titanium Toenail, Mr. Mittens, Springfield Mafia, Wiggum, Snake, Rich Texan and the Springfield Bullies appeared.

Nico: Iron Lung, Bronze Kneecap, Brass Knuckles, Titanium Toenail, Mr. Mittens, Springfield Mafia, Wiggum, Snake, Rich Texan and the Springfield Bullies.

Mr. Mittens: This planet is so awesome! (Eating fish) So much awesome sushi to eat.

Me: It's perfect for cats.

Bronze Kneecap: I'm really sorry that you guys were taking a break from the Ambassador missions.

Nico: Don't be. We've earned said break.

Me: Yeah we've been going at it for 7 months and it was so much fun.

Brass Knuckles: Glad to hear it.

Nico: Great.

Mr. Mittens: I ate some sushi before we got here!

Me: I knew you would love this planet.

Titanium Toenail: (to Nico) We heard you went to the mall.

Nico: We sure did.

Iron Lung: Get any good stuff?

Me: More than that.

Nico: We found an ancient long forgotten treasure that legends say was buried her over 500 years ago and it was forgotten ever since.

Eli: Really big story on that.

Qin: Yeah.

Iron Lung: Wow! We'll have to hear about it.

Stonedozer than appeared.

Me: Stonedozer? But you already have a usual battle.

Stonedozer: (sheepishly) I know I already have a battle setup. But we had to draw straws and I drew the shortest one.

Me: Oh.

Nico: I see.

Stonedozer: There's also a bunch of new archenemies coming so just so you know.

Nico: Thanks.

We got the usual battles underway.

Bronze Kneecap: My goodness! That is a terrible way to die!

Stella Zhau: It was. DON'T MAKE ME USE THIS!

Bronze Kneecap: YOU WOULDN'T!

They fired waves of fire and smashed him down.

---

Iron Lung was next.

Iron Lung: (to Liam) I heard you guys met an Alpha, The Master of Beasts Gene-Slammer. What's her name?

Liam: Y'all would like her. Her name is Mira Sinclair.

Carmen Rockell: You would like her. Her nature powers and animal communication powers are really cool.

Fluttershy: Oh they sure are. I think it's absolutely magical that she has those amazing powers.

Tornado Bolt: I agree there and she stopped Luan's menacing pranks on April Fools Day with them too.

---

Mira Sinclair: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mira, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mira Sinclair: That's incredible.

Nico: It sure is. So, Mira, how did you deal with the insanity of Luan when April Fool's Day arrived and she goes on her rampage?

Mira Sinclair: Now, that's one I've never forgotten. One day, I was walking through Franklin Avenue, but then, I heard some wild explosions coming from The Loud House. I thought it was Lisa again, and I was about to head there to tell her parents, but when I checked my phone, I saw the date, it was April 1st, the dreaded day of April Fools and a day the Louds dreaded. Then, I heard a scream in The Loud House and I knew who it was: Lincoln and he was caught in Luan's rampage. I broke the door down and I saw that Lincoln was being viciously attacked by raccoons, so I used my powers of talking to animals and I told them to get off Lincoln, which they did. I grabbed Lincoln and we were going to head to the hospital to treat the bite wounds and claw marks on his body, but Luan fired pie bombs at us, and she was completely insane and laughing like a mad jester. I tied Luan up in poison ivy vines, and I got Lincoln to the hospital to treat the wounds and claw marks, and he was okay, but Luan wasn't: I made Luan clean up the entire house and I had an army of raccoons watching her, and she also got grounded for three weeks for her rampage.

We cheered wildly for what Mira Sinclair did to save Lincoln and stop Luan.

Nico: That ought to teach her a lesson, that was some awesome work you did, Mira.

Laney: Mira's skills with talking to animals and powers of nature really saved us from that maniacal prankster's rampage.

Lincoln: Yep, and Mira's horse riding lessons were also paying off.

Me: Wow that is so cool!

Eli: It sure is!

Mira Sinclair: And I saw the horse race in Equestria last year, that was awesome.

Nico: Glad you liked it, Mira.

Me: That was one of my all time favorites.

Camie: That was a great one to see.

## Kora Lexington the Furious Flame of the Sigmar Comet, Nico, Hunter, Megan Kiraton and Sunny Starscout VS Cheese Crocker

Kora Lexington and her group were looking for her archenemy.

Then coming in on a hang glider made of cheese was a surprising shock! We saw that it was DENZEL CROCKER BUT HE WAS MADE OF CHEESE!

Nico: OH MAN! CROCKERFUCKER!?

Kora Lexington: And he's made of cheese!

Cheese Crocker: I'm actually Cheese Crocker now.

Nico: (Drools) I want to eat you just as much as I want to destroy

you!

Vypra then appeared.

Vypra: It's all right Nico. This is a version of Crocker that we recruited that is not as insane as the one you faced here.

Nico: Really? That's cool!

Vypra: Yeah. This version of Crocker is cured of his obsession of fairies and now wants to be a cheese villain.

Cheese Crocker: It's true. I can't believe I was that insane. It's hard to imagine that I would turn out that way.

Nico: But just looking at you makes me hungry and I just want to eat you. How did this happen to you?

Cheese Crocker: I was trying to do a transportation to Fairy World but I accidentally left a slice of cheese in it and it merged with me and gave me cheese superpowers.

Nico: Wow! That is like what happened to my ex-girlfriend Candy. She got candy powers from a teleportation gone wrong. Some idiot left some candy in the transporter and it ended up giving her candy powers.

Cheese Crocker: That sure is coincidental.

Nico: It sure is.

Vypra: Yeah no kidding.

Nico: But you are one version of Crocker I like because I love cheese.

He summoned CHEESE MINIONS!

Nico: Cheese minions! Awesome!

Vypra: Yeah! Here.

She gave Kora a ridewatch and Legend and Ranger Items for Cheese Crocker!

Kora Lexington: Awesome!

Nico: (Slurps) Nothing like a little cheese to wash down the taste of fish!

Kora fired blasts of fire they formed into mini-twin-tailed comets and they hit the cheese minions and melted them and Sunny and Hunter blasted them all over. Nico then fired waves of fire and melted the cheese. Then Cheese Crocker fired waves of cheese and they went into Nico's mouth.

Nico: (SLURPS) Delicious!

Kora fired blasts of fire and smashed him down.

Kora Lexington: Now that was a fiery and cheesy battle!

---

Camie the Mermaid Chef, Nico, Chef Kirby and Mary Knudson VS Big Cheese

---

Camie the Mermaid was looking for her archenemy.

Then out came a walking King Cheese Wheel and it was one of Popeye's enemies: THE BIG CHEESE!

---

The Big Cheese is a living wheel of cheddar and the former king of the Moon, who appeared in the 1960 Popeye the Sailorepisode "Hits and Missiles".

He ruled the Moon with a hard-cheese fist and forced all his cheese subjects to pay an unreasonable cracker tax (crackers being their world's currency) and would torture any subject that failed to pay by boiling them in hot mustard.

After Popeye, Olive and Wimpy land on the moon in an experimental rocket, they are captured by Krentz, the Limburger captain of the guard, who takes them to the Big Cheese's castle. Upon their arrival, the king pretends to sympathize with them but quickly betrays them and makes them his prisoners indefinitely. While locked up, they witness the king's cruelty and Popeye decides to stage a coup, breaking out of prison to face the king. The Big Cheese has the upper hand at first, but is swiftly defeated once Popeye eats his spinach, proceeding to punch the king into bits of cheese which run away in terror. With the Moon finally free from the evil king's reign, the cheese people thank Popeye and his friends by refueling their ship and giving them abundant cheese.

Swamp Thing: I knew there's no mistaking that voice from anywhere. You can come out now, Anton Arcane.

A rotting human-like figure came out, and it was none other than Swamp Thing's arch-enemy, Anton Arcane, the mad sorcerer.

Me: Anton Arcane. I should've known you'd show up here, you madman.

Rosa Laurence: But, this'll be the last time you ever plague anyone again.

Suddenly, Rosa Laurence's red eyes turned neon red, and she was surrounded by a red energy aura with fire, earth, light, water, darkness, wind, Alchemy Beasts, and steel, bronze, silver, mercury, tin, and lead, she unholstered her massive Alchemy Beasts-themed greatsword from her back, and as she approached Anton Arcane, she left red energy, fire, earth, light, water, darkness, wind, Alchemy Beasts, and steel, bronze, silver, mercury, tin, and lead with every step.

Rosa Laurence: Anton Arcane, your crimes against nature and all life in the universe can never be forgiven, and now, I will see to it that you never return to cause havoc ever again.

Suddenly, Rosa Laurence was surrounded by a massive vortex of red energy with fire, earth, light, water, darkness, wind, steel, bronze, silver, mercury, tin, and lead surrounding it, there's the seven Alchemy Beasts running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Rosa Laurence emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rosa Laurence grew from 6'5" to 6'11" in height, she has the body of a goddess, she has multi-color highlights in the bangs of her long flowing red hair, she has neon red eyes and a red energy aura with fire, earth, light, water, darkness, wind, Alchemy Beasts, and steel, bronze, silver, mercury, tin, and lead, surrounding her, she has the Seven Alchemy Beasts emblazoned on her forehead, she has on dragon earrings with red gems for eyes and holding the Alchemy and Eternity Kanjis in its claws, she also has The Seven Alchemy Beasts with red gems for eyes and the Alchemy and Eternity Kanjis in their claws for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts. Rosa Laurence has on an red sleeveless open blouse, red sleeveless midriff top, red skirt with 10-Sided Star with Alchemical Symbols on it, red pants, red legwarmers, red sneakers, and long sleeveless red trenchcoat with fire, earth, light, water, darkness, wind, steel, bronze, silver, mercury, tin, and lead on the coattails and on the back is the Seven Alchemy Beasts with fire, earth, light, water, darkness, wind, steel, bronze, silver, mercury, tin, and lead surrounding her. Suddenly, Rosa Laurence felt a sharp pain on her back, and then, her massive red angel wings grew much bigger for her new body, and the large red feathers have multi-colored tips on the feathers. Rosa Laurence has on a Ring of The Phoenix with red gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Rosa Laurence's massive Alchemy Beasts-themed greatsword was surrounded by a kaleidoscope of red energy, fire, earth, light, water, darkness, wind, steel, bronze, silver, mercury, tin, and lead, and when it emerged, it was transformed into Alchemical Greatsword of The Seven Alchemy Beasts, it's a brand-new greatsword with the Seven Alchemy Beasts and the alchemical signs of steel, bronze, silver, mercury, tin, and lead etched on the 7'0" massive, wide, double-edged red blade, large lion heads for the crossguard, large multi-colored gem embedded in the rainguard, longer black handle, four large lion heads with colored gems for eyes and in their mouths and on the bottom of the lion heads is a large multi-colored gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, new large gold Belt of Elemental Bravery with a gold lion head with red gems for eyes and a large red gem in its mouth for for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the Seven Alchemy Beasts that said, "Rosa Laurence, Gene-Slammer of The Seven Alchemy Beasts, Master of Alchemy, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Billy McLean and Amy, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Seven Alchemy Beasts, Fire, Earth, Light, Water, Darkness, Wind, Steel, Bronze, Silver, Mercury, Tin, and Lead"

ローザ・ローレンス、7つの錬金術獣の遺伝子スラマー、錬金術のマスター、愛するガーディアンエンジェル、リンカーンラウドの未来の妻、ビリーマクリーンとエイミーの嫌悪者、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な驚くべき強力な教師の学生であり、7つの錬金術獣、火、地球、光、水、闇、風、鋼、青銅、銀、水星、錫、鉛のマスター

Rosa Laurence has transformed into SUPER ANGEL ETERNITY INFINITY ELEMENTAL ALCHEMICAL BEAST ANGEL OF ALCHEMICAL JUSTICE AND DIVINE ALCHEMICAL LOVE!

We were amazed by Rosa Laurence's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Anton Arcane saw it, the maniacal deranged sorcerer fell into a rage and tried to kill her by firing a blast of dark magic at her, but she fired a powerful red energy blast with Alchemy Beasts, fire, earth, light, water, darkness, wind, steel, bronze, silver, mercury, tin, and lead at the mad sorcerer, and sent him flying into a sushi wall.

Nico: Whoa, Rosa Laurence's transformed.

Me: And now, Anton Arcane's going to meet his well-deserved end.

Lincoln: Wow, Rosa, you look beautiful. How do you feel?

Rosa Laurence: (Divine Echoing Cosmic Voice of The Elemental Alchemical Beasts and Divine Alchemy Love) **I feel incredible, Linky. Now, shall we take down and destroy Anton Arcane once and for all?**

Lincoln: (Smiles) With pleasure, Rosa.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Rosa Laurence.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of causing destruction are over, Anton Arcane.**

Rosa Laurence and Lincoln went after Anton Arcane, and they fired powerful blasts of rainbow energy, ocean blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Bronze, Tin, Lead, Steel, Gold, Mercury, Silver, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Mermaids, Alchemical Beasts and Alchemical Symbols, and Angels at Anton Arcane, and they exploded with incredible power as they hit him. Then, they attacked Anton with their massive greatswords and he was hurt badly. Then, Lincoln made a circle of runes and Alchemical symbols below Anton Arcane's feet, and it chained him to the ground, so he can't escape. Then, Lincoln chanted a powerful incantation, and he fired a powerful blast of magic and as it hits Anton Arcane, it stripped the mad sorcerer of all his powers, and because of it, his body eventually turned to dust. Then, as his spirit appeared, Rosa Laurence drew a kanji on Anton's forehead, condemning him to be erased by The Black Gates forever. We cheered wildly for what Lincoln and Rosa Laurence did as they holstered their massive greatswords on their backs and powered down, and Rosa Laurence's new body, clothes, weapons, jewelry, and massive red angel wings are permanent.

Rosa Laurence: And now, that's the end of that mad sorcerer.

Thanks for helping me take down Anton Arcane, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rosa.

Suddenly, Rosa Laurence wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans his face down to Rosa Laurence's face, they kissed passionately as Rosa Laurence's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and the Seven Alchemy Beasts and Alchemical Symbols behind them and we cheered wildly.

Nico: That was one awesome spell you used on Anton, Linc, and not only did you strip him of his powers, it also caused him to turn to dust.

Me: But, he wouldn't be safe for long when Rosa sent him to The Black Gates forever.

Lincoln: Yep, Anton Arcane's crazed desire to destroy the world has been brought to an end for good, and he made a big mistake messing with forces beyond his comprehension.

Eli: Using Necromancy and Black Magic to create horrific beings to cause havoc?! That's just evil!

Me: You said it, Eli.

Nico: And what Anton's done in harming others for his own sick amusement has crossed one line too many, and he needed to be stopped for good.

Lincoln: That's right, Nico.

Snake: Dudes, this was by far the most tastiest planet ever!

Fat Tony: Well, I wouldn't call it that.

Wiggum: The Zeo weapons that Layla and the others got really came in handy.

Me: Boy they sure did and they were awesome to use.

Mira Sinclair: I'm really gonna love it here with you guys.

Evelyn Shura: Same with me.

Rich Texan: You girls won't regret it.

Jimbo: What do you guys say we go back home and do some more humiliations?

Me: Now you're talking.

Nico: But great job today guys. Old Gramps and Old Gram are not going to be terrorizing Oregon or Daggett anytime soon.

Daggett: Thank goodness. (To the viewers) Old Gramps and Gram are now gone for good and in our stomachs. This was a great adventure for all of us.

Nico: It sure was. Lets go home.

We went back to the ship and then went back home and did so and then we went back to the estate and enjoyed the rest of the day and went to sleep.

THE END

Lincoln: Excuse me, are you Viola, Presta, Dotty, Cinnamon Roll, and Piper Panflute?

Viola: (British Accent) Yes we are, Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan.

Viola, Presta, Dotty, Cinnamon Roll, and Piper Panflute were stunned.

Presta: (British Accent) Really?

Lincoln: Yes.

Viola, Presta, Dotty, Cinnamon Roll, and Piper Panflute ran up to Lincoln, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Nyx Midnight, Caitlyn Loud, Zach Loud, Buffy Shellhammer-Loud, Katrina Roberts-Loud, Sharksharper, Phyllis the Florauna, me, Nico, and Lori joined in on the hug.

Lincoln: And there's something you five should know, I adopted you all.

Dotty: Adopted?! Dotty say, you're our father now.

Lincoln smiled, and that filled Viola, Presta, Dotty, Cinnamon Roll, and Piper Panflute with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Viola, Presta, Dotty, Cinnamon Roll, and Piper Panflute to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did, and Viola, Presta, Dotty, Cinnamon Roll, and Piper Panflute now has a loving, strong, brave, and caring father in their life.

Me: Boy we're really excited for Arnold!

Nico: I know and I've never seen an award like this before.

Camie: Me neither.

Me: This award is for the most amazing of Rock Lovers and Enthusiasts of all.

Nicole: It sure is and as an Earth Science master and Geologist myself it's awesome.

Dorothy Ann: I am really happy for Arnold too.

Keesha: Me too guys.

Nicole: We all are.

Rarity: I'm so excited for Arnold too darlings.

Carlos: Me too Rarity.

Phoebe: I am too. And Nicole you look absolutely beautiful in that dress.

Nicole: Thanks. Rarity made it for me. She said it brings out the Rainbow of Jewels and Crystal inside me. (Twirls Around) It's called Jeweled Chic.

Nico: Nice.

Cameron: I like it. It's awesome.

Nico: Yeah. I'm so excited for Arnold.

Me: Me too. This is an amazing and prestigious event for only the most well admired rock enthusiasts of all.

Simone Honou and Cuprosklodowskite then came. Simone had a beautiful fire dress on and her wings and tail feathers really bring out the whole dress. And Cuprosklodowskite had a beautiful green glowing dress on that really brought out the radioactivity in her.

Phoebe: Wow! Simone you look awesome.

Simone Honou: Thanks guys and I'm so happy for Arnold here.

Cuprosklodowskite: Me too. This is the first time ever I've seen a show like this.

Nico: It's a huge award ceremony and Arnold has been nervous as all get out for this.

Camie: But I'm really excited for Arnold.

Kaoruko: Me too! This is so awesome that Arnold is getting a huge award like this.

Nico: It sure is.

Wanda: Oh where is Arnold anyway? You think that getting this humongo award would get him here on time.

Carlos: Maybe he ran out of sea wheedies and had to go to the store for more.

Ralphie: I can't believe he actually eats those things.

Phoebe: He hasn't been able to eat anything else since he was going to win the rocky award.

Eli: Boy he is a really nervous wreck.

Me: Believe me bro. I know how he feels. I got a massive award as big as this myself but for a different group and organization. Many times actually. But I got over that fear really quick.

Zarya: That's amazing.

Keesha: Can you believe it? Arnold is the first kid EVER to win one of these.

Dorothy Ann: He's also the first kid ever to know enough about rocks to be a member of G.R.A.N.I.T.E.

Nicole: That is so amazing.

Dorothy Ann: That's right. Look!

We saw a man in a fancy suit with brown hair, mustache and glasses.

Dorothy Ann: There's Jasper C. Gritt.

Me: Ah yes.

Carlos: Wow! Who's Jasper C. Gritt?

Dorothy Ann: Carlos! He's the President of G.R.A.N.I.T.E., The **G** reat **R** ocks **A** dmirers **N** ational **I** nstitute of **T** ectonics **E** xperts.

Camie: Wow! That sounds like an awesome group.

Eli: Yeah.

Nicole: And I should know.

Nicole pulled out her purse and showed in her wallet HER Membership card for G.R.A.N.I.T.E.

Eli: Wow Nicole you are a member too?

Nicole: Yep. And Jasper is a good friend too.

Tim: And that looks like the kind of guy you don't want to keep waiting.

Nico: Thanks for coming with me, Cameron.

Cameron: Anytime Nico. It's gonna be so awesome to be on this adventure with you.

Nico: I'm really excited about this one.

Nicole: Me too. And I'm really happy for Arnold.

Nico: Cameron, you'll get along fine with Simone's friends.

Cameron: I already am Nico and they are really awesome.

Tim: We're glad you're with us Cameron.

Wanda: We sure are.

Sirius: I'm really excited for Arnold too.

Cameron: Me too. I am loving it with you guys.

Nico: Especially with how smart you are.

Me: That's right and you were able to decode Mike's Personality Triggers with amazing accuracy.

Cameron: That was really awesome back then. Mike was awesome with all those personalities.

Wanda: That was pretty cool back then.

Phoebe: I agree there.

Eli: It sure was neat.

Then camera flashes were seen and Ms. Frizzle came in wearing her awesome crystal dress. Like a Celebrity walking down the red carpet.

Class: Ms. Frizzle!

Ms. Frizzle: Good evening Class.

Simone Honou: You look gorgeous in that dress Ms. Frizzle.

Ms. Frizzle: Thank you Simone and your wings and tail feathers really bring out your dress too.

Simone Honou: Thanks.

Phoebe: Arnold's not here yet Ms. Frizzle!

Ms. Frizzle: Well why don't I try to call our rock star on my CELL Phone.

She pulled out a Red Blood Cell Shaped Phone.

Me: Okay now that is cool.

Kaoruko: A Red Blood Cell Shaped phone. That is cool.

Kaina Tsutsumi: It sure is.

She dialed.

Manager: The Walkerville Hotel welcomes you to the Annual G.R.A.N.I.T.E. Awards, Honoring the Worlds Rock Experts. Please make your way into the ball room.

Me: We'll be there shortly sir. We're just waiting for our guest of honor to arrive.

Wanda: Oh it's too late.

Phoebe: We'll never be able to go in without Arnold.

?: Psst.

Wanda: (Sternly) Ralphie!

Ralphie: It wasn't me!

Me: He's right.

?: Psst!

Phoebe: It's coming from behind there!

We heard a noise from behind the curtain

?: Psst! It's me!

Me: Arnold?

Nicole: Thank goodness.

Tim: Arnold?

Arnold: Yes.

Tim: What are you doing behind the curtain? Come on out.

Arnold: I can't.

Me: I know you're a nervous wreck Arnold but we're here for you.

Wanda: Yeah. But why won't you come out?

She moved the curtain and she saw him and gasped and we gasped in utter shock seeing him!

Eli: JUMPING CARROT STICKS!

I pulled out my eyeballs and cleaned them off like a cartoon star to make sure I wasn't going nuts!

I put them back in!

Me: I think I need to see an Ophthalmologist!

Nico: Arnold! What happened!?

Ralphie: Is it just me, Or are you totally Orange!?

Arnold was totally orange! His skin was completely orange! It was as orange as well an Orange!

He was totally orange from head to toe!

Arnold: It's not just you but it is just me! I'm orange!

He hid!

Nico: What in the world lead to him becoming like this!?

Eli: Man oh man!

Wanda pulled the curtain back.

Wanda: Arnold come on now stop eating those things.

Arnold: (Eating Seawheedies) I can't!

Maria: Arnold, how the Hell did this happen?!

Eli: Yeah!

Arnold: I don't know!

Manager: (ON P.A.) Dinner is about to be served. Please find your tables and be seated.

Arnold: Oh no! I can't go in there looking like a carrot!

Me: We'll think of something to help you Arnold.

Ms. Frizzle: No point panicking Arnold. As my Great Aunt Cellma used to say: "When there's a Problem staring you in the face, hit it with a question."

All of us: A Question?

Ms. Frizzle: Yes. Such as when did you first notice you were orange Arnold?

Arnold: I didn't really notice until I got up this morning and looked in the mirror.

* * *

At Arnold's house he was going into the bathroom to get ready.

He went to the mirror.

Arnold: Today's the day. Today's the day.

He saw himself orange and screamed in fright!

FLASHBACK ENDS

Me: Hmm.

Wanda: What color are you pajamas?

Arnold: Huh?

Wanda: What color are your pajamas?

Arnold: Orange. It's my favorite color. Except when it's on my skin.

Wanda: Maybe something from your pajamas rubbed off on your skin.

Me: How can that be?

Arnold: But why now? I've been wearing those pajamas forever.

Me: Hmm. I don't think it was the pajamas that did this to him.

Carlos: Who knows. Lets just try to wash it off.

Dorothy Ann grabbed his arm.

Dorothy Ann: To the bathroom!

Arnold: NO! Someone might see me.

Ms. Frizzle: Well then to the bus.

Laney: I brought some cleaning stuff with me.

Cameron: Good thinking.

We went to the bus and we got to scrubbing him. We were rubbing him with soap, water and sponges.

Arnold: Ow ow! Ouch! That hurts!

Me: Sorry Arnold but we can't help it.

Eli: You know how strong we are.

Arnold: Yeah.

Simone: But man I don't know what caused this but it's crazy.

Keesha: Sorry about that Arnold but you want this to come off don't you?

Arnold: Of course I want it to come off. Is it off.

Maria splashed the water off.

NOPE.

Wanda: Nope.

Dorothy Ann: So the orange isn't on your skin. Maybe it's IN your skin.

Maria: Maybe one of the Kamen Rider Enemies did this to him.

Me: Hmm.

Nico: I think there are any of their enemies that turn people orange.

Eli: And I don't sense any Another Riders or Rangers here.

Nico: Oh.

I looked at Arnold closely.

Me: Sorry for making you uncomfortable like this Arnold but I just want to see something.

Arnold: Okay.

Me: Hmm.

I had a Dr. House moment!

Me: Aha! I've seen this before Arnold.

Arnold: Really?

Me: Yeah. You have a disease called Carotenosis.

Arnold: Carotenosis?

Me: It's where you have too much Beta Carotene in your system. You've been eating too much of one thing that turned your skin totally orange.

Nico: We'll just tell the rest of the school that you're out sick. That's all.

Me: No Nico it's a disease that's harmless. It doesn't make you that sick it only makes you get this orange pigment on your skin. It goes away over time.

Nico: Oh well that's a relief.

Me: But Carotenosis doesn't cause your skin to become THIS orange.

Cameron: Yeah.

Ms. Frizzle: Daringly deduced guys.

Arnold: But how did it get there? How is my skin different from say Phoebe's?

Ms. Frizzle: Good question Arnold. Give me some skin.

He held out his hand.

Ms. Frizzle: No I mean really.

She pulled out the Mega Magnifier.

Simone Honou: I remember the Mega Magnifier.

Nico: Wow.

Phoebe: (GASP) You want Arnold's Skin?

She looked at Arnold's head.

Ms. Frizzle: Hmm the perfect place to begin the investigation.

Arnold: Uh you're not suggesting a field trip are you Ms. Frizzle?

Me: I have a feeling she is.

Wanda: Wow. It might be the only way to find out what's making you so orange.

Me: And figure out what's giving you this. Carotenosis is usually caused by eating too much of one thing.

Ms. Frizzle: Oh I couldn't have said it better myself guys. Let the Cell-ebration Begin!

We went onto the bus.

Nico: I call first on the bus!

Me: Plenty of room for us Nico.

Arnold: But Ms. Frizzle?

She pressed a button and pulled a lever and then it transformed and then me, Arnold and Phoebe were outside and the bus vanished.

Phoebe: What happened? Where's the bus?

Me: We're outside. But everyone just vanished.

Phoebe: Wait a second.

She saw something around Arnold and then she picked up the Mega Magnifier.

Phoebe: Don't move Arnold.

Me: I think I see them.

We saw the Bus and everyone shrunk down.

Phoebe: Yikes!

It flew over to Arnold and dropped Ralphie, Keesha and Liz onto Arnold.

Me: Wow!

Phoebe: We're being Frizzled big time!

Me: We sure are.

Arnold: We are? How?

Phoebe: See for yourself.

He saw the bus drop Carlos, Dorothy and Tim onto Phoebe's skin.

Arnold: Whoa! Carlos, D.A., and Tim are checking the skin above your left eyebrow.

Me: And Ralphie, Keesha and Liz are checking out the skin on your forehead.

Phoebe: Mm-hmm. And they are sitting on your glasses.

Arnold: No way.

Me: Yes-way.

Ralphie: Yeah.

Keesha: Just don't move too quickly or we'll fall off.

Arnold: Sorry.

Nico: (On a radio) You hear me okay J.D.?

Me: Loud and Clear Nico.

Nico: Good luck, guys!

Me: Not that we'll need it but thanks.

Lola: Be careful though guys.

Arnold: I don't believe this. Ms. Frizzle just what kind of a field trip is this?

Ms. Frizzle: The kind that answers your excellent question Arnold.

The bus then turned into a decoration for Phoebe's hair band.

Me: That looks awesome on you Phoebe.

Phoebe: Thank you.

Simone: But this is awesome.

Arnold: What's the difference between your skin and Phoebe's?

Me: That's a really good question.

Ms. Frizzle: Care to take a closer look Wanda?

Wanda turned on two monitors.

Nico: This is awesome.

Simone Honou: It sure is.

Wanda: Keesha you guys find anything on Arnold's skin yet?

Keesha: We're just trying to find a way to not fall off.

Tim: Us too!

Me: I think they're in trouble.

Ms. Frizzle: Well class you're going to have to get really small if you don't want to fall.

Me: Here we go.

She pressed a button and fired a shrink ray that hit the kids on Arnold and Phoebe.

Arnold and Phoebe: What happened?

Me: They got really shrunk.

Nico: Where did they go?

Wanda: Yeah where's the rest of the class?

Ms. Frizzle: They are still there Wanda. We are just not looking close enough to see them.

She adjusted the monitor and it magnified.

Ms. Frizzle: Yet.

Nico: I see them now.

I used my microscopic vision to see them on Arnold too.

Wanda: There they are! Tim, Carlos, D.A., are you all right?

Tim: I think so. Carlos: Are we still on Phoebe's skin?

Ms. Frizzle: You are. Only double shrunk.

Me: According to my microscopic vision you all shrunk down to 50,000 times normal magnification or seven to eight micrometers.

Nico: Wow!

Ralphie: Sorry you guys are taking a break from your Ambassador missions.

Me: It's all right Ralphie. We needed a break from them anyway. We're just waiting till the Dino Fury Rangers finish up.

Ralphie: Oh.

Nico: But at least we're taking a break from them just in time for us to go on the actual big missions themselves.

Me: That's true.

Eli: Yep.

Tim: Amazing! I always thought skin was just smooth and plain. But it's not. It's made up of flat pieces of stuff all stuck together.

D.A.: And Phoebe's flat pieces flake off like corn flakes and there are lots more underneath.

Carlos: Wow! Is that a hair?

Nico: Yep that's a hair all right.

Ms. Frizzle: Hair-raising isn't it Carlos.

Keesha: Arnold's pretty hairy too.

Ralphie: And his skin is made of flat pieces just like Phoebe's only his are all orange.

Me: He's right. It's all orange all over.

Ms. Frizzle: Oh those flakes are Arnold's skin cells Ralphie.

Ralphie: Skin cells? I've heard of red blood cells but skin cells?

Me: Blood is not the only thing that's made of cells Ralphie.

Wanda: What are cells anyway?

Nico: They are the things that built you.

Ms. Frizzle: Cells are the building blocks of life Wanda. All living things are made of cells and that includes you. Your whole body is made of different kinds of cells each with a different job to do.

Me: That's right. Your entire body is composed of 37.2 Trillion cells.

Wanda: That's a lot! So Arnold and Phoebe's skin are both made of millions of skin cells but for some reason Arnold's cells are orange.

Me: Yep.

Arnold: I'm about to accept the most important award of my life and for some reason I'm completely orange and half of my class is on my forehead!

Me: Arnold calm down. No need to panic. We just need to figure out what it is that you've been eating that caused this.

Nico: Yeah.

Phoebe: Everyone is trying to help.

Nico: Think happy thoughts!

Me: Yeah. Come on Arnold lets get you back to the ceremony and I'll make sure no one sees you.

Arnold: Thanks.

I took Arnold's snack and we went in.

Arnold: Maybe I should have stayed home today.

Me: Arnold you'll be all right. Besides you're in the protection of the most powerful force in the entire universe. Us.

Nico: That's right.

Arnold looked at Phoebe.

Arnold: Wanda have you found out what's making orange yet?

Wanda: No Arn. Believe me we're working on it.

Eli: Just give us some time Arnold.

Me: And I'll look out for him too.

Arnold: What's taking so long?

Ms. Frizzle: Patience Arnold. As a former Ms. America once said "Beauty May be skin deep but orange isn't."

Me: That's very wise.

Lola: It sure is.

Nico: Who exactly said that?

Me: Not really sure. But it does make sense.

Arnold: You know what I just thought of something.

Me: What is it?

Arnold: Janet came to stay with us a few weeks ago. I bet she made me orange. Which is just the kind of thing she would do.

Me: Arnold there's no way Janet would have done that. She may have done some crazy things in the past but she would never do that out of spite for you.

Phoebe: Yeah.

Nico: Sure, she can be too much. But she's a good person.

Me: That's right.

Arnold: Thanks guys.

Me: Anytime. But I think the answer to this whole thing might be further inside.

Ms: Frizzle: I agree J.D.

Wanda: We've got to do something Ms. Frizzle.

Ms. Frizzle: Oh I agree there Wanda. It's time to take chances, make mistakes and get the inside story.

She and Liz winked and then she pulled out a scope and they went for a Sea-weedie and went onto it.

I gasped.

Arnold: This is it guys. My last sea-weedie before I humiliate myself in front of my fellow rockers.

Ms. Frizzle: WAHOO!

It landed on the Sea-weedie.

He then put it in his mouth.

Phoebe: ARNOLD NO!

Arnold: You say something Phoebe?

Phoebe: Arnold whatever you do don't…

GULP!

Phoebe: Swallow. The bus was on that Sea-weedie and you just ate our entire class and the team.

Me: Uh oh.

Arnold: OH NO NOT AGAIN!

Me: This happened before Arnold?

Arnold: Yes.

Nico: Okay. No one fucking panic!

Simone: Oh we aren't!

Arnold: I can't believe I just did that! Please tell me I didn't just do that!

Phoebe: You just did that. And you swallowed the whole class and the team and the bus.

Me: But believe it or not Arnold this isn't the first time we've been inside someone. The entire team went inside me.

Arnold: Did they really?

Me: Yeah it was weird seeing what the inside of me looked like. But that was a really crazy adventure.

Nico: He's right on that.

Inside Arnold the class went down his throat and into his stomach.

Carlos: I can't believe we're in Arnold's stomach again.

Wanda: Ah it's just as I remember it.

Simone: Same with me. Only oranger.

Wanda: Hey wait a minute. Where is all that orange mush coming from anyway?

Applejack: Looks like it's coming from Seaweedies.

Wanda: That's right and the only thing that Arnold was eating for weeks is sea-weedies and they are green.

They saw a seaweedie.

Keesha: Green on the outside Wan but orange on the inside.

Ms. Frizzle: Oh of course! (Singing) You can get the greedy greedies when eating seaweedies, chewy gooey carrot in a seaweed coat so thin!

Class: Eat a seaweedie and give yourself a grin!

Me: Ah so that's it! Arnold has been eating too many carrots.

Nico: Carrots? Wow!

Varie: Carrots are full of Beta Carotene.

Wanda: Wait wait wait! If Arnold's stomach is full of carrots and carrots are orange, maybe that's why Arnold's cells are orange too.

Nico: So, that's the culprit! Did you get that J.D.?

Me: I sure did buddy. Carrots are loaded with Beta Carotene.

Keesha: Yeah but how could the orange in Arnold's stomach get to his skin cells?

Ms. Frizzle: The Question we've all been waiting for Keesha. Prepare to dive.

DIVE ALARM!

They dove and went into Arnold's intestine.

Me: I have a feeling I know where they are heading.

Arnold: Where?

I looked at Arnold with my X-Ray Vision. And I saw that they were in the Small Intestine.

Me: Aha they are in your small intestine.

Nico: Arnold, after this, you're on a carrot diet!

Me: Yeah you need to lay off the Carrots for a while Arnold.

Arnold: What?

Me: We'll tell you later.

Keesha: Where are we?

Carlos: We're in the small intestine. I recognize it from the last time we were here.

Ms. Frizzle pushed a button and it showed on a map where they were in Arnold's digestive tract.

Ms: Frizzle: Right you are Carlos. This is the place where all the good things we eat go into the bloodstream.

Nico: Yep.

Wanda: And those things out there are the villi. Remember? They move the food into the bloodstream.

Simone Honou: I remember that. So awesome.

Cuprosklodowskite: I agree too.

Rarity: (Green around the gills) Oh I feel sick.

Lincoln: You okay Rarity?

Rarity: Just grossed out Linky. I'll be okay.

Nico: Good.

Wanda: Are villi made up of cells too? Like Arnold's skin?

Ms. Frizzle: Dynamic deduction Wanda!

She activated a mega magnifier.

Ms. Frizzle: Viola! Villi cells. You also have blood cells, skin cells, stomach cells, heart cells, muscle cells, bone cells. Like J.D. said, your body is made up of trillions and trillions of cells each with a job to do.

Nico: And right now, their job is getting that Orange out.

Me: No it doesn't work that way Nico.

Ralphie: Right now they are sucking up the orange stuff. Their job must be to suck up food.

Tim: Wonder where it goes from here?

Eli: Only one way to find out.

Ms. Frizzle: In the old words of my friend Carotina "Follow the Orange Stuff."

They shrunk down and went into a villi and they went into the bloodstream.

Carlos: Where are we going Ms. Frizzle?

Ms. Frizzle: We followed the Orange stuff through the villi and now we are heading for the bloodstream.

Me: They are in your bloodstream now.

D.A.: Well we are in Arnold's bloodstream and there are cells all around us. And orange stuff too.

Wanda: So where is the orange stuff going? And can we get there fast? Arnold's in trouble out there.

Me: (Whispering) She's right guys. Mr. Gritt is already giving his speech.

Ms. Frizzle: We're going back to where we started and it's only a few heartbeats away.

Mr. Gritt: This award has never been presented to a child before. But as you now know, Arnold Perlstein is no ordinary child.

Me: That is true. Arnold you are really special when it comes to rocks.

Arnold: That's true. I'm so nervous my heart's beating like crazy.

Me: It'll be all right Arnold.

Nico: Maybe I should have one of the others distract him.

Me: Don't worry Nico. We'll be okay.

Wanda: Okay we're heading to Arnold's forehead. Now what?

Tim: Look.

They saw the orange stuff flowing through the artery wall.

Tim: Look! The orange stuff is disappearing through that wall.

Keesha: I wonder what's on the other side.

Ms. Frizzle: That's my kind of question Keesha. Hang a looie Liz.

They did so.

They went through the artery and got to the underskin.

Ms. Frizzle: We're here!

Nico: Wow.

Wanda: Yay! We're back where we started. These are Arnold's skin cells.

Keesha: Cool. That means we reached Arnold's skin from the inside.

Tim: And we did it by following the orange stuff.

Ralphie: And get this. Arnold's skin cells are drinking up the orange stuff from the seaweedies.

Applejack: Fancy that.

Carlos: Of course, since cells are alive they need to have food for them to live and grow.

D.A.: Even if the food is orange.

Ms. Frizzle: Ah capably concluded everyone. You might even say we are what we eat.

Me: That's right.

Cameron: Yep.

Mr. Gritt: And now I am very proud to present this award to Arnold Perlstein!

Everyone cheered and Arnold covered his face and I went with him.

Arnold: (Panicked) He said my name and I'm going up there for the award now! And I'm still orange!

Tim: Poor Arnold. He got himself into this by eating all those seaweedies. But he doesn't even know it.

Ms. Frizzle: And even if he stopped eating seaweedies now it would take about 30 days for new cells that aren't orange to reach the surface of his skin.

Me: She's right. Carotenosis is harmless and goes away over time. But it takes a month or so to do so.

Ralphie: 30 days!? He doesn't even have 30 seconds!

Simone: But I do have an idea!

She went to the bus and turned it into a VILLI BUS!

Nico: WHOA!

Wanda: A villi bus!

Then the Villi Bus got to work and it was sucking up all the orange stuff like a drinking straw and a sponge!

Me: It'll be all right Arnold. (GASP) Arnold your skin is back to normal.

He looked and saw that I was right.

Arnold: Wow. Thank goodness.

Me: Good job guys.

Arnold: Thank you sir. This is an honor and I'd also like to thank J.D. and my class and all of Team Loud Phoenix Storm and my teacher Ms. Frizzle without whom I wouldn't be able to accept this award tonight.

Me: It was our pleasure Arnold.

I snapped my fingers and everyone was teleported out of Arnold and everyone appeared and cheered wildly.

Nicole: Way to go Arnold!

Nico: Yeah!

Mr. Gritt: Ready to have your picture taken?

Arnold: Yes sir.

Then a Spitfire Bird appeared and landed on Nico's shoulder.

Nico: Wow! A Spitfire Bird.

They got their pictures taken.

Later we were having a good dinner.

Nico: That was a really awesome adventure.

Me: It sure was. Who's your Spitfire Bird Friend?

Spitfire Bird: (In a girls voice) I think he knows already.

Nico: (Gasp) Yumi Davenport.

She reverted back and was a girl with red, orange and yellow hair and clothes of those colors.

Nico: Awesome.

Yumi: I'm so happy for you Arnold.

Arnold: Thanks Yumi. So it wasn't Janet? It was me?

Wanda: That's right Arnold. You only have yourself to blame.

Nico: But we're not mad.

Yumi Davenport: No we aren't.

Arnold: But how did I do it?

Keesha took a seaweedie he was about to eat.

Arnold: Hey!

Keesha: Simple look.

She broke it open and showed that it was orange.

Me: You've been eating too many carrots Arnold. You've been eating them by the truck load because you were a nervous wreck and it turned your skin orange because of it.

Arnold: Wow.

Wanda: That's right. Your entire body is made of cells.

Tim: And your cells are alive.

Ralphie: Which means they need food.

D.A.: And where do your cells get their food?

Arnold: From what I eat?

Me: That's right. You got to learn to eat everything in moderation and don't eat just carrots from seaweedies.

Eli: That's true. You need a balanced meal.

I gave him a great meal of meat, veggies, and more.

Arnold: Thanks guys. At least I'm not orange anymore.

Me: Yeah.

Nico: But congratulations on winning that award.

Yumi Davenport: We're all really happy for you.

Camie: We sure are.

Phoebe: Same here.

Arnold: Thanks guys. And are you really going to recruit us now J.D.?

Me: We sure are Arnold. The time is now right for you all to join us officially.

Nico: Yep.

Cameron: You guys are part of Simone's awesome past and that makes you all family to her.

Carlos: Thanks guys and we're honored.

Nico: Awesome.

Nicole: You guys will love it.

Carlos: Hey Arn, orange you glad you're not orange anymore?

Class: CARLOS!

We laughed at his joke!

Me: (LAUGHS) That was a good one!

Nico: (LAUGHS) Yeah!

Simone: That was funny!

Yumi Davenport: (LAUGHS) It sure was.

Cameron: What's you're favorite memory of Nico?

Yumi: I'm one of his friends from computer tech class. Me and Nico hacked into lots of evil organizations and took all their money and left them broke and penniless as well as use our technological skills to send the FBI to them.

Nico: It's true.

Rainbow Dash: That is awesome.

Me: It sure is. Wow.

Laney: I think that's really impressive.

Lisa Loud: Indeed. Very ingenious.

Nico: Yep.

Nico and Yumi hugged.

Nico: I've really missed you.

Yumi Davenport: Me too Nico.

Maria: Now, Arnold. What have we learned today?

Arnold: That I should eat everything in moderation and not just carrots from Seaweedies. I'm sorry about that.

Me: It's all right Arnold. You were just a nervous wreck and that is completely understandable.

Fluttershy: Yes I know what you feel like sometimes Arnold.

Arnold: Really?

Fluttershy: I do. I get stage fright because I'm nervous of big crowds.

Rainbow Dash: Fluttershy does have stage fright but she gets over it fast when she is with us when we perform with the Rainbooms.

Fluttershy: That's true.

Me: Yeah. But she has all her friends to root for her though. But Arnold you got to learn how to eat everything in moderation and not just on one thing like carrots.

Applejack: That's right.

I picked up a seaweedie.

Me: Wonder what these taste like.

I tried one and to my surprise it tasted good.

Me: Mmm! Not bad. I may not like seaweed but these are good.

We tried them and they were good.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Lisa Simpson are heading to Mobius, and not only is Lincoln going to rescue the five girls here, but we're also going to destroy Patch D'Coolette, Antoine D'Coolette's evil counterpart from Anti-Mobius, and the one who murdered Antoine's father.

Lincoln also called Antoine D'Coolette here as soon as word of his evil counterpart on Mobius reached him.

Lincoln: Wow, we're here on Mobius, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to destroy Patch D'Coolette, Antoine D'Coolette's evil counterpart from Anti-Mobius, and the one who murdered Antoine's father.

Nico: That's right, big guy. Sonic and the others told us about what happened to Antoine's father at the hands of his evil counterpart, and that was just pure evil.

Me: Which is why he's getting The Black Gates for good.

Lincoln: My thoughts exactly, J.D., and I want to thank you and Antoine for coming, Lisa.

Lisa Simpson: You're welcome, Lincoln, this is going to be an amazing rescue.

Antoine D'Coolette: (French Accent) And this'll be the last time I ever deal with that monster, Patch D'Coolette. That murderous demon will pay for everything he's done.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Patch D'Coolette, and he's going to kill them.

Lincoln: Guys, I found the five girls, but they've been cornered by Patch D'Coolette, and he's going to kill them.

?: (Thirteen girls' voices) That murderous, dishonorable demon, let's get him.

Suddenly, we saw thirteen girls appear before us, they were 6'5" in height, they had the bodies of goddesses, but they had long flowing hair, massive angel wings, and clothes in the colors of the elemental forces of Fire, Water, Earth, Wind, Ice, Light, Darkness, Crystals, Nature, Gravity, Astral/Spiritual Energy, and Stars, and holstered on their backs are thirteen greatswords with the symbols of the elemental forces of Fire, Water, Earth, Wind, Ice, Light, Darkness, Crystals, Nature, Gravity, Astral/Spiritual Energy, and Stars etched on the 7'0" massive, wide, double-edged colored blades, colored angel wings for the crossguards, large colored gems embedded in the rainguards, longer black handles, and large colored gems surrounded by angel wings for the pommels.

Nico: Whoa, this is the first time we've met some non Gene-Slammer girls.

Lincoln: You said it, but there's no mistaking those voices from anywhere, Bridget Branley, The Fire Elemental, Abeline Demeter, The Earth Elemental, Brooke Hudson, The Water Elemental, Ashley Aella, The Wind Elemental, Bronte Elektra, The Lightning Elemental, Bianca Frostine, The Ice Elemental, Leora Chiaro, The Light Elemental, Abnus Abital, The Dark Elemental, Allira Crisiant, The Crystal Elemental, Astrid Brinkley, The Nature Elemental, Aurora Aurelia, The Gravity Elemental, Maya Carina, The Astral Elemental, And Stelara Astra, The Cosmic Elemental, I knew it was you thirteen, but we'll talk later.

Antoine D'Coolette: (French Accent) That's right, we've got a murderous demon to stop.

We then rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Patch D'Coolette and it blindsided him, and it allowed the five girls to get to safety. When Patch D'Coolette saw us, he was furious.

Patch D'Coolette: (French Accent) Team Loud Phoenix Storm, how did you…?! It doesn't matter, now I shall kill you all!

Antoine D'Coolette: (French Accent) That's never going to happen, Patch, and now, you will pay for everything you've done!

Suddenly, we felt something within Antoine D'Coolette's mind snap, as his blue eyes turned neon blue and he was surrounded by a red energy aura with light, darkness, and coyotes, he unholstered his Sword of Heaven and Hell from his back, and as he approached Patch D'Coolette, he left red energy, light, darkness, and coyotes with every step.

Antoine D'Coolette: (French Accent) You make me completely sick, Patch D'Coolette, I never thought you'd return to cause trouble yet again, and don't think that I've forgotten of that very day that you murdered my father. (Suddenly Getting Pissed Off) But, when you threatened to take the life of my wife, Bunnie, and the lives of my friends… , YOU'VE CROSSED ONE LINE TOO MANY TIMES, YOU DISHONORABLE, DAMNED BASTARD, AND FOR THAT, I WILL SEE TO IT THAT YOU PAY FOR ALL OF YOUR CRIMES IN HELL!

We gasped at the mere extent of Antoine D'Coolette's fury.

Nico: Yikes!

Lincoln: Antoine's fury has been unleashed, and it's found its mark on Patch D'Coolette. Stand back, he's going to blow.

Suddenly, Antoine D'Coolette screamed like a madman, and he was surrounded by a massive vortex of red energy and light and darkness surrounding it, the Sun and The Moon were orbiting around the vortex and a coyote was running around the vortex, and inside the vortex was a phoenix of light and dark. Then, as the vortex faded, Antoine D'Coolette emerged, but he was changed forever.

Antoine D'Coolette grew from 6'11" to 7'5" in height, he now had abnormally massive and powerful upper and lower body muscles and he still retained his eight-pack abs, his yellow hair had grown to reach the lower part of his neck and he now had red highlights in the bangs, he has a coyote with the Sun in one paw and the Moon in the other paw emblazoned on his forehead, he has neon blue eyes and a red energy aura with light and darkness and coyotes surrounding him, he has on silver coyote earrings with red gems for eyes and the Light, Dark, and Eternity Kanjis in its paws and he has on his Crystal Necklace of the Buddha with red gems on the gold sun and moon links and blue crystal links and a blue coyote-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a coyote with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its paws for the pendant, Antoine D'Coolette has on a long black long-sleeved trenchcoat, long buttoned-up silk coat with designs and phoenix on the back, white gloves, black and white short-sleeved shirt with red phoenix underneath, long black pants, black leather combat boots covered in silver armor, and the black long-sleeved trenchcoat has light and darkness and coyotes on the coattails, and on the back of the trenchcoat is a coyote with the Sun and Moon above its head. Suddenly, Antoine D'Coolette felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings grew much bigger for his new body, and they now have black tips on the white feathers, he has on a Ring of The Phoenix with blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger.

Suddenly, Antoine's massive Sword of Heaven and Hell broadsword was surrounded by a kaleidoscope of red energy, light, darkness, and coyotes, and when it emerged, it was transformed into Twilight Broadsword of Heavenly Grace and Infernal Darkness, it's a brand-new broadsword with the Sun and Moon etched on the 7'0" massive, wide, double-edged blade, large golden ring with large white angel wing and black demon wing for the crossguard, large light and dark gem inside the ring embedded in the rainguard and golden cross right on top, longer black handle, and four large coyote heads with blue gems for eyes and in their open mouths and on the bottom of the coyote heads is a large red gem for the pommel. Antoine D'Coolette has on his new large gold cuff Bracelets of The Champions of The Universe with red gems on his wrists, his new gold Belt of Elemental Bravery with gold coyote head with blue gems for eyes and large red gem inside its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and

Eater of Sins revolver holstered on his left hip. There's a white kanji below the coyote that said, "Antoine D'Coolette, Long-Standing Member of The Freedom Fighters, Skilled Swordsman, Loving Husband of Bunnie Rabbot, Brave Warrior of Team Loud Phoenix Storm, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of Dr. Eggman's Delusional Ambitions, and Master of Coyotes, Light, and Darkness"

アントワーヌD'Coolette、自由の戦闘機の長年のメンバー、熟練した剣士、バニー Rabbotの愛する夫、チームラウドフェニックスストームの勇敢な戦士、悪のスレイヤー、錯乱、殺人、冷酷な、とサディスティックなできそこない、驚くべきと強力な教師の驚くべきと強力な学生、博士エッグマンの妄想野望の駆逐艦、コヨーテ、光、闇のマスター

Antoine D'Coolette has transformed into SUPER ANGEL ETERNITY INFINITY CELESTIAL TWILIGHT COYOTE ANGEL OF TWILIGHT MOBIAN BRAVERY AND MOBIAN HOPE!

We were amazed by Antoine D'Coolette's Super Angel Eternity Infinity transformation, but when Patch D'Coolette saw it, he went after Antoine to kill him, but Antoine blocked Patch's sword with his new massive broadsword, and then, he slashed off Patch's good right eye, permanently blinding him.

Nico: Whoa, Antoine's transformed, awesome.

Me: And he blinded his evil counterpart by slashing off his good right eye, nice.

Antoine D'Coolette: (Divine Echoing Cosmic Voice of The Twilight Coyote and Mobian Hope) (French Accent) That's right. Now, shall we put an end to this evil monster?

Lincoln: You got it, Antoine. Come on, gang, let's get him.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird

Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Lisa Simpson, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Patch D'Coolette, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Antoine left painful scars on Patch with his massive broadsword, and then, he and Lincoln dealt the final blow by channeling energy from the Black Gates onto their blades, and they cut down Patch D'Coolette and sent him to The Black Gates forever. We cheered wildly as we holster our blades and power down, and Antoine D'Coolette's new body, clothes, weapons, jewelry, and massive white angel wings are permanent.

Lincoln: That's it for Patch D'Coolette, and he's never coming back.

(To Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra) And it's so good to see you again, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra.

Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra: You too, Lincoln.

Lincoln made twelve clones of himself, and he and the twelve clones went up to Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra, and they hugged, and the girls were very surprised at just how much taller and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on their faces, and the atomic red blushes on theirs face went even deeper when they saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you girls when you were thirteen, and as you all can see, I really grew a lot since then.

Bridget Branley: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know these thirteen girls?

Lincoln: Indeed I do, Nico, this is Bridget Branley, the half-human half-Fire Elemental, Abeline Demeter, the half-human half-Earth

Elemental, Brooke Hudson, the half-human half-Water Elemental, Ashley Aella, the half-human half Wind Elemental, Bronte Elektra, the half-human half Lightning Elemental, Bianca Frostine, the half-human half Ice Elemental, Leora Chiaro, the half-human half Light Elemental, Abnus Abital, the half-human half Dark Elemental, Allira Crisiant, the half-human half Crystal Elemental, Astrid Brinkley, the half-human half Nature Elemental, Aurora Aurelia, the half-human half Gravity Elemental, Maya Carina, the half-human half Astral Elemental, and Stelara Astra, the half-human half Cosmic Elemental.

Bridget Branley: Yep, we were born with immense cosmic powers over the elemental forces of Fire, Water, Earth, Wind, Ice, Light, Darkness, Crystals, Nature, Gravity, Astral/Spiritual Energy, and Stars, superhuman strength, superhuman speed, immortality, invincibility, and superhuman regeneration.

Nico: Whoa.

Stelara Astra: And we've defended and protected Lincoln from the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's wrath, and we have a revelation that almost could've landed those five in a Russian military school for demonic spoiled brats.

Me: Uh oh.

Nico: As if being threatened to get sent to a boarding school wasn't bad enough, now there's the threat of getting sent to a Russian military school?! Just how low have those five demons stooped?!

Suddenly, thirteen Thunderbird Necklace of Eternal Love appeared around the necks of Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra with colored gems on the gold thunderbolt links and colored crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Thunderbird Necklaces of Eternal Love.

Brooke Hudson: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you and the other girls are now part of my harem and one of my many future wives, Brooke.

Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra had a smile on their faces and tears in their eyes, as Lincoln and his twelve clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and Mira the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to the faces of the girls and they kissed the girls passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Juri Yukawa and Shouko Majima from Kokkoku, Ahiru Arima A.K.A. Princess Tutu and Rue Kuroha A.K.A. Princess Kraehe from Princess Tutu, and Caldina from Magic Knight Rayearth.

Lincoln: Oh wow, it's Juri Yukawa and Shouko Majima from Kokkoku, Ahiru Arima A.K.A. Princess Tutu and Rue Kuroha A.K.A. Princess Kraehe from Princess Tutu, and Caldina from Magic Knight Rayearth.

Me: Awesome.

Lincoln: Are you girls okay?

Juri Yukawa: Yes, we're okay, thanks to you.

Then, when Juri Yukawa and the other three girls saw who it was that saved them from Patch D'Coolette, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Juri Yukawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Juri Yukawa: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Juri Yukawa, Shouko Majima, Ahiru Arima A.K.A. Princess Tutu, Rue Kuroha A.K.A. Princess Kraehe, and Caldina with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Patch D'Coolette.

But, when Lincoln showed what we did to that villain, and Antoine D'Coolette transforming into his Super Angel Eternity Infinity form, and with him and Lincoln sending Patch D'Coolette to The Black Gates after killing him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over, and Antoine got a kiss from Bunnie, which he also returned to her. Lincoln, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra have a lot of catching up to do now that they're back in town.

---

After destroying Patch D'Coolette on Mobius, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra saw Lincoln working out like crazy, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Bridget Branley: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Brooke Hudson: That's incredible.

Nico: It sure is. So, girls, what's this horrible revelations about Lori, Lynn, Lola, Lisa, and Luan that could've landed those five in a Russian military school for demonic spoiled brats?

Maya Carina: You're not going to like it, Nico. One day, we were walking through Franklin Avenue, but then, we heard the sounds of smashing objects coming from The Loud House, and we just know that someone's causing a ruckus again. But, then, we heard the sounds of screams of horror and pain, and the sound of cruel laughter, and we knew who it was that made those screams of horror and pain: Lincoln, and the sounds of cruel laughter could only come from the five worse sisters in The Loud House: Lori, Lynn, Lola, Lisa, and Luan.

Brooke Hudson: We ran to the Loud House, and we busted the door down, but we soon saw a sight that'd haunt us forever, it was Lincoln, but he was lying on the floor in a huge pool of his own blood, and he had knife wounds all over his body, and we saw Lori, Lynn, Lola, Lisa, and Luan, and they all had bloody knives in their hands, and they were about to deliver the blow to Lincoln's heart and kill him, and Laney, Lucy, Leni, Luna, Lana, Lily, Mr. and Mrs.

Loud were also badly injured by them.

Astrid Brinkley: And that was the straw that broke the camel's backs, we then charged at Lori, Lynn, Lola, Lisa, and Luan, and we viciously pulverized them into the dirt and blasted them, and we tied them up in nylon ropes, so they couldn't escape. I healed Laney, Lucy, Leni, Luna, Lana, Lily, Mr. and Mrs. Loud, then, we went to Lincoln, and the extent of the horrible damage they did to him was really bad.

Abnus Abital: We remembered that Varya Pohzar and Adriana Ardelean Dracula gave their blood to save Lincoln, and Lincoln saved Aurora Nightingale's life by biting her on the neck and drinking her blood when she got stabbed by Lynn, and in the whole process, he gained cosmic pyrokinesis, cosmic umbrakinesis and vampire powers, and cosmic cryokinesis and cosmic ictiokinesis, and we all knew what had to be done: we then let Lincoln bite us each on the necks and drink our blood to heal his wounds, and then, we saw the pool of blood left by their attack head back into him, and he became a lot stronger than ever, and he acquired our powers and abilities. Lori, Lynn, Lola, Lisa, and Luan were furious and threatened if they ever get out, they'll kill him again, but Lincoln roared at them and with his vampire fangs bared and his eyes turned blood red, and frightened the crap out of them.

Abeline Demeter: It sure did, and Laney, Lucy, Leni, Luna, Lana, Lily, Mr. and Mrs. Loud were really furious at them, they threatened to send them to a Russian military school for demonic spoiled brats. But, we had our own ideas: we humiliated Lori, Lynn, Lola, Lisa, and Luan. By using the Chakra rope thread trick that Kushina had done, we poured five buckets of tar on their heads and covered them all in feathers right in front of the whole school, and everyone was laughing at them, and it sent them on a wild angry ranting and raging, but we also had them put in isolation tanks, and it was so awesome.

Allira Crisiant: Then, Lincoln hugged us, and when we saw tears, we returned the hug and comforted him. That was another near-death experience that Lincoln had to endure at the hands of those five demons.

We cheered wildly for what the thirteen girls did.

Me: Whoa, you girls really saved Lincoln's life and you gave Lori, Lynn, Lola, Lisa, and Luan the classic tarring and feathering for what they did, awesome.

Nico: Did anyone else notice the bite marks on your necks?

Aurora Nightingale: Nope, we had them covered up with make-up, so no one would notice them, but we knew Lincoln's bite wouldn't turn us into vampires.

Nico: Smart thinking, Aurora.

Lincoln: Yeah, she was really prepared after what I did to save her life after Lynn stabbed her, and no one else knew what I became, except for my family after they saw what Adriana did, and I later told Clyde, Liam, Zack, Rusty, and Stella, and they eventually saw the fangs.

Clyde: Yeah, and they weren't fake.

Liam: Yep, Adriana really saved the feller from Lynn's wrath.

Grim: (Jamaican Accent) Adriana knew it wasn't Lincoln's time, and she saved him, mon. But, what stunned me is that you've been through those near-death experiences and survived.

Me: Us as well, Grim, but that's proof that Lincoln has a ton of Guardian Angels out there looking out for him.

Lincoln: You got that right.

We got a shower afterwards, and then, Lincoln, his harem, and his kids were getting ready to head to Koopa's Seaside Soiree in the world of Mario.

Lincoln snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in the large orange swim shorts with stars, constellations, Thunderbird, Phoenix, Angel, Buffalo, and elemental forces that Kuēsā gave him, large orange sandals, jewelry, and weapons holstered, in case of trouble.

His harem were dressed in the two-piece bikinis with stars and constellations in their favorite colors that Kuēsā gave them, jewelry, colored sandals, and their weapons holstered in case of trouble, and the kids were dressed in their swimsuits.

Lincoln: Alright, everyone, are we ready?

Thunder Sparkle: We're ready, Dad.

Lincoln, his harem, and his kids headed for Koopa's Seaside Soiree in the world of Mario, and when they arrive at Koopa's Seaside Soiree, it's still as amazing as ever.

Lincoln: Ah, Koopa's Seaside Soiree, it's still as amazing as ever.

Bridget Branley: You said it, and I love the bikinis Kuēsā made for us, along with the swim trunks she made for you, Lincoln.

Thunderbird Apple: And the swimsuits she made for us kids, they're amazing.

Kuēsā Sutādoragon: (Japanese Accent) Thank you, Thunderbird Apple.

Minerva Mink: (Thinking) Though it's not just the swim trunks she made for Linky, she also made an orange speedo with stars, constellations, Thunderbird, Phoenix, Angel, Buffalo, and elemental forces for him, but that's for another time. (Out Loud) Alright, shall we?

Lincoln, his harem, and his kids dived right into the waters and they began swimming in the waters, and they also saw the sea creatures and plants that live there. Then, they also were working on their tans in the sun by lying out on towels in the sand, and they also had fun playing some volleyball, and the girls also got an atomic blush when they saw Lincoln lift up the heaviest barbell he conjured up and it weighed up 900,000,000 pounds, and that's just a fraction of just how strong Lincoln's become and he's still becoming. Then, Lincoln, his harem, and the kids had lunch in a picnic area here and it was really amazing. Then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they shared an amazing and passionate super-charged kiss, and the kids cheered for them. Then, they came back home to the World Tree Estate, and back in their original clothes.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Koopa's Seaside Soiree in the world of Mario, and we had fun there.

Girl Jordan: And we even saw him lift up a 900,000,000-lb barbell with only one hand, and we were really blushing like crazy.

Mollie: Well, can we help it, Linky's become a really strong and extremely muscular manly man, and his charm and charisma easily gets a girl's attention. But, we had fun there as always, and the kids also had fun there too.

Thunder Sparkle: You bet we did.

Apple Bloom: And we also had fun with the newborns, before we set them down for a nap.

Scootaloo: You bet, it was a lot of fun.

Sweetie Belle: And we also had some added help from Flurry Heart, who also helped out in taking care of the babies.

Lincoln: Awesome job, girls.

Rarity: Indeed.

---

Later we were at the park not only for some relaxation but also for some Bonding Time for Yost Reed and Bloom.

Nico: It's Bloom and Yost Reed's turn for some bonding this time.

Me: Yep and we're also going to enjoy ourselves at the park too.

Qin: Yeah it'll be awesome.

Me: It sure will.

Yost Reed: Yeah you guys more than are perfect to rest for this.

Bloom: Yep. Me and Sky are going to have some fun too.

Nico: No problem.

Me: Have fun guys.

Yost Susan: We're coming too, Reed.

Yost Reed: Okay then.

Me: Have fun guys.

They went to have fun and they went to a great picnic for some R&R and fun.

Me: Ahh this is gonna be awesome.

Qin: Boy it sure is.

Simone Honou: I am so ready for this.

Yost Thing: I've never seen Stretch unwind so much like this.

Me: I agree there Ben. But after everything we went through in the Yost Universe they more than earned this.

Yost Thing: You got that right.

Nico: Yeah. So Ms. Frizzle how do you all like being part of the team now?

Ms. Frizzle: It's so amazing guys. I can't wait to see what you all can do.

Me: You will love every second of it.

Lynn: We always do. And I loved watching you guys all the time growing up.

Lori: Me too. Those were literally so awesome.

Wanda: We're so honored though.

Me: Yep.

Yost Susan: Dammit, I can't believe I got so careless and got myself replaced with a Skrull!

Bloom: It's not your fault Susan. But J.D.'s spell was able to flush your Skrull self out and helped you guys destroy her.

Yost Susan: That's true. That spell was really amazing.

Sky: I'll say.

Yost Reed: And thanks to that spell we're free of the Skrull forever.

Bloom: Yep.

Yost Susan: I'm just mad I let my guard down like that. Especially since that Skrull invasion wasn't the first time me and my team fought the Skrulls.

Bloom: It's not your fault Susan. Besides you can always learn from the past to make sure it won't happen again.

Yost Susan: That's true.

Sky: Yeah besides you guys did come out on top with our help.

Yost Reed: Yeah that's true. And J.D. had fun on that one with some unfinished business to do with our world's version of Doom.

Bloom: Yeah.

Yost Johnny: Remember when the Skrulls pretended to be our neighbors?

Yost Reed: I sure do. That was crazy.

Bloom: Wow that is scary.

Sky: Yeah.

Bloom: But at least the Skrull are gone for good.

Yost Thing: I'm just glad we kept Alicia from getting hurt before we got rid of Doom. And I don't care if she stayed with her dad.

Bloom: Me too. That was awesome.

Sky: It sure was.

Yost Reed: Doom had it coming.

Sky: He sure did.

Yost Susan: J.D. really let him have it.

Horsea was eating some M&Ms.

Horsea: Mmm!

Maria: Such a gorgeous day.

Laney: Yeah.

Me: You said it. So peaceful.

Nico: Let's be on the lookout though. No telling when an Another Ranger might appear.

We nodded in agreement.

Camie: Simone it's awesome to have all your friends with us too.

Simone Honou: And I am so happy to have them all with us too.

Qin: Me too.

Me: All their adventures and field trips they go on are so awesome.

Twilight Sparkle: They sure are. And it was awesome going inside

Arnold.

Arnold: I knew I should have stayed home today.

Me: Oh Arnold you do learn so much from it all though.

Nico: That's true.

Laney: Yeah.

Nico: You know what you SHOULD'VE done? Not eat so many carrots!

Me: Nico calm down. Arnold learned his lesson.

Nico: (Clears throat) Sorry.

Arnold: Yeah it was awesome though. I got that amazing award though.

Nico: You sure did.

Phoebe: And J.D. and me stayed with Arnold the whole time since he was orange.

Me: Yeah we sure did.

Lana: Where do you find Beta Carotene anyway?

Me: It mostly comes from fruits and vegetables. But carrots have the most of it. Fruits and vegetables like carrots, spinach, lettuce, tomatoes, sweet potatoes, broccoli, cantaloupe, and winter squash all have the most of it.

Jared: Wow.

Laney: Yeah he's right on that.

Me: Yeah even though carrots are good for your eyes they are full of Beta Carotene.

Arnold: I never knew about that.

Nico: Instead, you should eat apples instead.

Applejack: Yeah apples are good for y'all.

Ed: An apple a day keeps the bus driver away.

Eddy: Shut up Ed.

Carlos: (LAUGHS) That is funny.

Lola: They are funny.

Eddy: It is true though.

Carlos: Yeah.

Eli: (Senses Something) Uh oh. We got company!

We heard an eerie moan and then a figure came out and we saw that it was ANOTHER OPERATION OVERDRIVE RED! He looked like a scary version of Operation Overdrive Red and had a scary skull helmet!

Me: WHOA! Another Operation Overdrive Red!

Mack Hartford: NO ONE IMPERSONATES ME!

Nico: Oh boy!

Eli: Not good.

Nico: Buddy, put your hands up right now!

Me: This place isn't big enough for 2 Operation Overdrive Red Rangers!

Another Operation Overdrive Red: (In a girls voice) You are gonna give me a good match.

Megan Kiraton: That voice!

It reverted back and revealed a little girl with yellow athletic clothes on and she had a very powerful physique! She had blond hair and yellow eyes.

Megan Kiraton: Sunny! You're alive!

Sunny Kiraton: Megan!? Is that really you!? But I thought dad killed you!

Megan Kiraton: That monster! Dad lied to me! He said you died in an accident!

Nico: That's your sister?!

Megan Kiraton: She sure is. She and I were really close.

Sunny Kiraton: Dad left me far away from you sis!

Megan Kiraton: He abandoned you in a remote place!? After all this time!

Nico: That monster! Now we're really glad that your so-called father got the black gates!

Sunny Kiraton: I heard so much about what happened to dad. He deserved it.

Megan Kiraton: Yeah especially after forcing me to kill mom!

Sunny Kiraton: Megs that is not your fault! He did that to make you suffer.

Megan Kiraton: I know. But I would never do anything to hurt you Sunny.

Sunny Kiraton: I know Megs. I know.

Nico: Did Swartz give you your Ridewatch?!

Sunny Kiraton: He did but now I see that he was lying to me after all this time.

Me: How did you come into contact with Swartz?

Sunny Kiraton: He found me in the middle of the forest and took me in. I was taught all his martial arts moves and so much more and he gave me these amazing powers. But now I see that he was lying to me after all this time. He told me that my sister was killed by my dad and he trained me to avenge her. But I see now that I was only a pawn in all this.

Me: Then you have to get rid of that Ridewatch.

Sunny Kiraton: I can't. It's inside my chest.

Nico: Don't worry. We'll get it. And none of our attacks will kill you.

Me: Yeah.

Sunny Kiraton: Thank you.

She then was enveloped in darkness and speedometers and she turned into ANOTHER OPERATION OVERDRIVE RED!

Me: And without a doubt you will have Drive Weapons that are imbued with all the powers of the Masters of Evil, core and non-core.

Another Operation Overdrive Red: That's right.

She pulled out an ice bazooka and it was for Vexen.

Another Operation Overdrive Red: VEXEN DRIVE SUBZERO!

She fired an ice blast and I fired a wave of fire and the blasts collided and a huge cloud of steam erupted out.v

Nico: (takes out Titanium Man's Ridewatch) We've got cool weapons of our own!

He activated it and got Titanium Man's powers.

Nico: Yeah!

Megan Kiraton: Sorry about this sis. But we're trying to save you.

She spread her Butterfly Wings and flew into the air.

She fired waves of poison explosive dust onto her and it exploded all

over the place.

Nico: Nice!

Another Operation Overdrive Red then pulled out an ice cream cannon!

Another Operation Overdrive Red: STRAWBERRY, VANILLA AND CHOCOLATE TECHNICOLOR PHANTOMS DRIVE NEAPOLITAN!

She fired an ice cream blast and it was at Phoebe!

Phoebe: Oh no!

She held out her hand and then to her amazement and shock she fired a blast of fire and it hit the ice cream and evaporated it into nothing!

Phoebe: (Gasp) How did I do that!? Did I just fire a blast of fire from my hands?

Me: Yeah you did. We all have amazing powers.

Eli: It's true.

Phoebe: Wow!

Arnold: Then lets see how she likes this.

He punched the ground and then massive crystal clusters grew instantly in seconds and went at Another Operation Overdrive Red and she jumped into the air.

Nico: Please tell me I can still lick the ice cream!

Me: Nico focus.

Nico: Oh right.

Another Operation Overdrive Red: FRICTOR DRIVE BURNER!

She pulled out a really awesome cannon and fired a beam of red energy and we dodged it.

Yost Thing: It's Clobberin Time!

He went at her and just as he was about to smash her she jumped out of the way.

Me: Kaito, Zocks, we need Zenkaiger power here.

Kaito: (gets out Ryusoulger gear) Already ahead of you.

Zocks: (gets out Kiramager gear) Funny. Didn't expect her to dodge our attacks.

Kaito summoned the Ryusoul Swords and Zocks got the mini Mashins.

Nico: YEAH!

Me: Lets see here. I know!

SKOWL THE STARTLING! GRAND DUKE'S OWL MINIONS! BEST MATCH!

Me: OWLS OF SNOWY MIGHT!

I fired a wave of ice and it formed into a bunch of owls and they hit Another Operation Overdrive Red and froze half of her body. Her lower body was frozen!

Nico: That should keep you still while we get the Ridewatch out.

Me: And this will do it.

I fired a blast of energy and it hit Another Operation Overdrive Red and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the ridewatch and purified it and Megan went over to Sunny who was weak and tired.

Sunny Kiraton: (Groans) Man what a massive headache.

Megan Kiraton: But it's over sis. You're safe.

Sunny saw Megan and hugged her and cried hard.

We then saw weapons all over the ground and picked them all up.

Nico: Thank goodness.

---

Later the Mascots were all at Rolf's farm.

Rolf: Mascots of cuteness!

Poromon, Manaphy, Poliwag, and Horsea: Hello, Rolf!

Scratch: Sorry, Rolf! We tried to stop them!

Rolf: So what brings the mascots of Nico the Monkey Boy, Water Girl Maria and May the Ice Flame here?

Nico: They want to have some fun.

BOING BOING BOING BOING!

Poromon jumped on Wilfred's belly.

1993 Mario: Oh, they're having fun, alright!

Me: Funny fun.

[Ed comes onscreen with a jacket full of chickens.]

Edd: "Ed!"

Ed: [remorsefully] "I love chickens, Double D."

Edd: "Yes, we know, Ed."

We laughed!

Poliwag was massaging Victor with his tail.

Ratbat: Poliwag, you sure you should be doing that?

Poliwag: He likes it.

Goat Bleet.

Poliwag: See?

Nico: You did your best Scratch.

Lola: But how did the Mascots even make it here?

Ed: [without opening his mouth, and thus mumbling] "I don't know."

Edd: "Ed."

[Ed shakes his head.]

Edd: "Ed!"

[Ed shrugs.]

Edd: "Goodness, Ed, give it some air, man!"

[Ed opens his mouth to reveal a chicken.]

Horsea and Manaphy were playing with the chickens.

Horsea: Chickens!

Manaphy: Chickens!

May: That's funny.

Maria: It sure is.

Lola: Yeah!

Applejack: YEEHAW! Round up the chickens!

Crosshairs: Are you guys done?!

They stopped.

Horsea: Yeah we're done.

Grounder: Why? I thought they wanted to have fun.

BLANG!

Scratch hit Grounder on his head.

Grounder: OUCH!

Scratch: It was because of you they were let out anyway you peabrained dumbbot!

---

We were back at the estate.

Roxas: Okay. In the future, don't barge into Rolf's place unannounced.

Nico: Right.

Poromon: Sorry.

Eli: Good.

Nico: Now it's time for our next mission. We found another awesome planet.

Eli: And this one is edible.

Nico: Yep.

Then Titanium Toenail, Iron Lung, Bronze Kneecap, Brass Knuckles, Mr. Mittens, Springfield Mafia, Wiggum, Snake, Rich Texan and the Springfield Bullies appeared.

Titanium Toenail: Can me, Iron Lung, Bronze Kneecap, Brass Knuckles, Mr. Mittens, Springfield Mafia, Wiggum, Snake, Rich Texan and the Springfield Bullies go with you guys?

Nico: Yes you all sure can.

Jimbo: And I hope Rolf wasn't angry with the mascots.

Me: Nah. He knows how special they are to Nico and May and us. Besides they had a lot of fun on his farm.

Eclair: They sure did. It was awesome.

Iron Lung: Good. We're glad.

Titanium Toenail: So what's our mission next?

Nico: We found a planet that's gonna be a good one to see.

Hunch: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm hoping to do one for Phyrexian Ingester next.

Me: Whoa!

Eli: That's a terrifying one!

Lola: Yeah! That will be awesome to see though.

Qin: It sure will. The Phyrexian Monsters of MTG are scary and cool.

Bronze Kneecap: I wonder which planet is next.

Fat Tony: I'm wondering that as well.

Nico: We're going to find out now. Lets head out.

King Kai: (Telepathically) Nico, can you hear me?

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I've got some really bad news: Lee Kanker's escaped from prison, and she's going to try to go after Eddy again!

We gasped in shock, and Luan was really furious.

Luan: WHAT?!

Lincoln checked the computer, and he saw that Lee Kanker indeed escaped from prison.

Marie Kanker-Loud: That three-eyed red-headed freak, I should've known she'd escape from prison yet again.

Luan: If that freak thinks she's going to get her hands on Eddy, she's got another thing coming.

Eddy: What's with that stupid Kanker?! Why can't she just leave me alone?!

Marie: May, I don't have a problem with since we're slowly starting to trust each other again. But Lee I'll never forgive!

Wiggum: Her crimes include destruction of property and rape.

Nico: Yep. She is an absolute monster. And lets not forget assault and battery, arson, kidnapping, murder, and more.

Me: Yeah remember?

I pulled out the paper that lead to the Vengeance Express.

Wiggum: WHOA! Looks like we're adding all those to the charges as well.

Pam: Luan's a much better girlfriend to Eddy!

Lori: She's dead when Luan catches her.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Commander Red, the head of the Red Ribbon Army, and he's come back from the dead, seeking revenge on Goku for what he did to The Red Ribbon Army long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Master Goku, you're not going to like it: the dark energy signal I sensed belongs to Commander Red, the head of the Red Ribbon Army, and he's come back from the dead, seeking revenge on you for what he did to The Red Ribbon Army long ago.

We gasped in shock.

Me: Whoa, so not only are we going to deal with that three-eyed red-headed freak, Lee Kanker, but now, we also got the head honcho of The Red Ribbon Army to deal with.

Goku: That's right. The first thing we're doing is putting a stop to Lee Kanker before she tries to get her claws on Eddy again.

Lincoln: Good idea, Master Goku, and I've got a special fate in store for Lee Kanker when Luan gets through with mongrelizing her.

Nico: Ooh, now this I'm going to like seeing. Alright, gang, let's go we got another food planet to explore, and that freak, Lee Kanker, to deal with.

Luan: There's no way she's going to get my man again, she's getting my foot right up her butt.

Lincoln: Yeah.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6641.5: The U.S.S. Valorous Phoenix is en route to a mysterious new planet and investigate if any enemies of ours are going to be destroyed.

Laney: I have a feeling this planet is gonna be a cool one.

Ed Cowart: Me too. It'll be awesome.

Ets: It sure will. I'm really looking forward to this one as well.

Runamuck: Are we getting close?

Lisa Loud: We have arrived at our destination,

Nico: On Screen.

We saw that we were there. We had arrived at a beautiful and amazingly cool planet that was rainbow colored and had all the colors of the rainbow.

Me: Wow this world looks amazing from up here.

Ed: It sure does.

Laney: Yeah no kidding.

Nico: Well lets land.

Mr. Mittens: I hope it's just as tasty as the last one!

Me: Me too.

We got to landing and when we got out we were greeted by an amazing sight! WE SAW THAT IT WAS A PLANET MADE OF HUGE JAWBREAKERS! IT HAD MASSIVE NUMBERS OF JAWBREAKERS COVERING EVERY SQUARE INCH OF THE PLANET AS FAR AS THE EYE COULD SEE! THERE WERE JAWBREAKERS OF MASSIVE NUMBERS OF FLAVORS EVERYWHERE!

Ed, Edd, Eddy and the Cul-De-Sac Kids couldn't believe their eyes!

Nico: WHOA!

Me: A planet made of jawbreakers!

Ravage: There are even bubblegum Jawbreakers!

Nico: Well you can't bite into them.

Ed, Edd, Eddy and the Cul-De-Sac kids got to slurping on them.

Me: Whoa!

Lola: So many jawbreakers!

Luan: Wow! The Ed's are never going to run out of them for like ever.

Legs: Can we try some?

Louie: Don't hog them to yourselves.

Nico: Go for it.

Me: I think these jawbreakers are too big to fit in your mouths.

Luan: Yeah they are as big as basketballs. See?

They saw how big they were and it was true.

Beast Wars Scorponok: But that's just how the Eds like them.

Me: You got that right Scorponok:

Ed: (SLURPING 2 OF THEM)

Eddy: This is good. (SLURPING!)

Edd: (SLURPING)

Rich Texan: I wanna try as well!

He went and tried one but it was too big to fit in his mouth.

Me: But you got to admit though. Seeing a jawbreaker planet like this is awesome.

Qin: It sure is awesome.

Slugslinger: You gotta lick them first.

Rich Texan did so and then it went into his mouth and he was sucking on it. Spit was pouring out.

Rich Texan: (Slurps) Yummy.

Me: (Slurping) Mmm! Yummy is right.

Kearney: Save some for me!

Dolph: I want one as well!

Me: Now now there's more than enough for all of us.

Nico: Yeah. Also we came here for a mission.

Eli: And I have a feeling I know what it might be. I sense that Lee Kanker is here.

We gasped in shock!

Tania: That bitch is here?!

Nico: That stupid Kanker freak!

Eddy: That red-haired three-eyed freak doesn't know how to take a hint!

Me: She needs to be destroyed!

Luan: She must be here for Eddy!

Marie K.L.: And to kill me!

Me: Looks like it.

Nico: She can't be too far away.

Snake: A few more jawbreakers can't hurt.

Nico: Lets load as many of them as we can onto the ship before we go after Lee.

We did so for our Jawbreaker Repository.

We fully stocked up on every flavor.

Nico: There.

Eddy: Now that is perfect.

Nico: Now lets go find Lee.

RD Lisa Loud: By my calculations, it shouldn't take more then 5 minutes to find her.

Eli: And you're right. I sense Lee at 3 kilometers northeast.

Nico: Lets go.

We were off.

Iron Lung: Got any new Ridewatches, Nico?

Nico: Damn right!

Nico got out the Ridewatches for W, WFangJoker, W CycloneJokerXtreme, Joker, Accel, Accel Trial, Skull, Eternal, Nuju's W form, my W form, and 2 new Ridewatches as well as the Megaforce Red Ridewatch and their copies.

Me: The W forms and the Megaforce Red.

Nico: Yep.

Eli: Cool.

Nico: Who wants them?

For the copies they were assigned to Celica, Camie, Tsuyu, Kaina Tsutsumi, Ochaco, Kaoruko, Eri, Wendy Marvell, Juvia Lockser, Cana Alberona, Mirajane and Brandish.

For the Originals they were assigned to Sora, Kairi, Takanuva, Tahu, Gali, Lewa, Onua, Pohatu, Kopaka, Yusei, Akiza and Jack.

Troy: Now, who wants the Megaforce Red ones? Keep in mind that those don't give you access to Ranger Keys.

Nico: Right.

SpongeBob for the original.

Salem for the copy.

Nico: Great!

We found Lee.

Darkwing: Entrance time!

We went at her.

Lee was raging mad and then the spirits the Scumbags and metals of the periodic table appeared and then converged and then in a massive flash of light with the divine singing of angels we came out.

Nico: Hiya Lee.

Lee Kanker growled ferociously seeing us.

Lee Kanker: If it ain't the metalmouthed Boyfriend stealer!

Luan: Sticks and stones three-eyes!

Lee growled more!

Brass Knuckles: Let me tell you something. Your so called husband? He's one of the strongest people we know.

Eddy: And I can now do this!

Eddy teleported and kicked her right in her face and smashed her into a pile of jawbreakers and really hurt her.

Eddy then used his blaster to shoot Lee in the shoulder.

Lee: OW!

Eddy: Take that you freak!

But then Waffle Woman, Titania, Plastique, U-Foes, Dark Turtles, Wrecking Crew, Robo-Roxy, Femme Fatale, Amora the Enchantress and DC Enchantress appeared.

Nico: Waffle Woman, Titania, Plastique, U-Foes, Dark Turtles, Wrecking Crew, Robo-Roxy, Femme Fatale, Amora the Enchantress and DC Enchantress.

Me: Awesome seeing you all here.

Wrecker: Yeah we get around.

Waffle Woman: How does it feel to be on a jawbreaker planet?

Eddy: It feels awesome!

Titania: Glad you like it.

Plastique: After all, it IS one of your favorite foods.

Vector: Besides Chunky Puffs.

Vapor: (to Nico) We heard you and the others went inside Arnold.

Dark Raph: And that he got an award.

Dark Mikey: ORANGE you glad he's back to normal?

Carlos: Hey! I was gonna say that!

Me: You already said that one before Carlos.

Nico: Yeah.

Dark Mikey: Oh sorry

Azald then appeared for another round.

Me: For Round 2, Azald?

Azald: Yep.

Me: Neat.

Azald: This planet is… different. But it's very interesting.

Me: But it's perfect for the Ed's because of their love for Jawbreakers.

Nico: Yep.

We got the battles underway.

## Tara, Applejack, Apple Bloom, Earth Skylanders, Ren, Stimpy, Ripping Friends, Aeleus and Roxas VS Waffle Woman - Nico's rescue

---

Waffle Woman was first.

Waffle Woman: (to Tara) Not only was Nico's rescue educational. But Simone's friends are finally on the team.

Tara: That was an awesome rescue and everyone had fun on that. Now we can learn more and more about their awesome field trips and what they learned on them.

Applejack: Yeah we sure can. It's so amazing that Simone's friends can actually go right to the source.

Apple Bloom: Boy it sure is. They do it all.

Flashwing: It's so amazing they can do all that.

Ren: Boy it sure is.

Stimpy: It's all really cool. Now we all can go with them and have fun too.

Crag: Yes we sure can. Simone is so lucky to have great friends like the kids of Ms. Frizzle's class.

Waffle Woman: She sure is. Tell Arnold I said congratulations on winning his big award.

Tara: We'll be sure to tell him.

Waffle Woman: Lets do it!

Tara activated her Eyecon and Ridewatch.

J.M. SMUCKER AND WAFFLE WOMAN!

Waffle Woman: Ah J.M. Smucker, inventor of Smuckers Jelly.

Tara: Yep. Awesome stuff.

They fired waves of earth, rock, crystal and apples and smashed her down

---

Fabia, Princess Celestia, Amber Morning, Light Skylanders, Ozzy & Drix, Glumshanks and Hunch VS Titania - Us curing Arnold of being Orange

---

Titania was next.

Titania: (to Fabia) Nico, Cameron, and the others did good curing Arnold of being Orange. There's a moral to that as well.

Fabia: Yep and that is watch what you eat and eat everything in moderation.

Princess Celestia: Yeah that is for sure.

Amber Morning: Arnold couldn't stop eating carrots from Sea-weedies because he was a nervous wreck and he ate them by the truckload and then he turned REALLY Orange.

Spotlight: He had a massive case of carotenosis.

Titania: Wow! He really ate too much Beta Carotene.

Ozzy: Thank goodness Carotenosis is harmless. But in Arnold's case it would have gone away in a few months.

Drix: That is for sure Ozzy.

Titania: No kidding. At least Arnold is all better. Lets do it!

Fabia activated her Eyecon and Ridewatch.

PRINCESS MARY OF ORANGE AND TITANIA!

Titania: Princess Mary?

Fabia: Princess of Orange back in the 17th Century in England.

Titania: Wow! Didn't know that.

They fired waves of light and smashed her down.

---

Shope, Rainbow Dash, Scootaloo, Air Skylanders, Sonic, Tails, Runabout and Runamuck VS Bette Sans Souci A.K.A. Plastique - Lincoln's rescue

---

Plastique was next.

Plastique: (to Shope) I heard Lincoln's rescue was in Mobius. How was it?

Shope: It was great and we took down Patch D'Coolette and he was the even version of Antoine.

Plastique: Whoa!

Rainbow Dash: Yeah that is terrible he was that evil.

Scootaloo: He sure was awful.

Whirlwind: At least he is gone.

Sonic: Yeah that was awful.

Tails: Yep.

Plastique: At least he's gone forever. Lets do it!

Shope activated her Eyecon and Ridewatch.

ALFRED B. NOBEL AND PLASTIQUE!

Plastique: The inventor of the Nobel Peace Prize?

Shope: Yep but he didn't just invent the Nobel Prize. He also invented Dynamite.

Plastique: Wow. Didn't know about that.

## Syd Chang, Fluttershy, Tornado Bolt, Life Skylanders, Dark Magician Girl, Ravage and Ratbat VS U-Foes - Us meeting 13 Half-Elemental Girls

The U-Foes were next.

Ironclad: (to Syd) Heard you guys met 13 Half-Elemental Girls.

X Ray: What are their names?

Syd Chang: You guys will love meeting them. They are Bridget Branley, The Fire Elemental, Abeline Demeter, The Earth Elemental, Brooke Hudson, The Water Elemental, Ashley Aella, The Wind Elemental, Bronte Elektra, The Lightning Elemental, Bianca Frostine, The Ice Elemental, Leora Chiaro, The Light Elemental, Abnus Abital, The Dark Elemental, Allira Crisiant, The Crystal Elemental, Astrid Brinkley, The Nature Elemental, Aurora Aurelia, The Gravity Elemental, Maya Carina, The Astral Elemental, And Stelara Astra, The Cosmic Elemental.

Vapor: WOW! That is amazing that there are so many of them! And they all have so many awesome gifts with those elements.

Fluttershy: Oh they are really amazing and beautiful too.

Tornado Bolt: And all 13 of them are Lincoln's awesome guardian angels. We found out a huge revelation from them.

---

Bridget Branley: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Brooke Hudson: That's incredible.

Nico: It sure is. So, girls, what's this horrible revelations about Lori, Lynn, Lola, Lisa, and Luan that could've landed those five in a Russian military school for demonic spoiled brats?

Maya Carina: You're not going to like it, Nico. One day, we were walking through Franklin Avenue, but then, we heard the sounds of smashing objects coming from The Loud House, and we just know that someone's causing a ruckus again. But, then, we heard the sounds of screams of horror and pain, and the sound of cruel laughter, and we knew who it was that made those screams of horror and pain: Lincoln, and the sounds of cruel laughter could only come from the five worse sisters in The Loud House: Lori, Lynn, Lola, Lisa, and Luan.

Brooke Hudson: We ran to the Loud House, and we busted the door down, but we soon saw a sight that'd haunt us forever, it was Lincoln, but he was lying on the floor in a huge pool of his own blood, and he had knife wounds all over his body, and we saw Lori, Lynn, Lola, Lisa, and Luan, and they all had bloody knives in their hands, and they were about to deliver the blow to Lincoln's heart and kill him, and Laney, Lucy, Leni, Luna, Lana, Lily, Mr. and Mrs. Loud were also badly injured by them.

Astrid Brinkley: And that was the straw that broke the camel's backs, we then charged at Lori, Lynn, Lola, Lisa, and Luan, and we viciously pulverized them into the dirt and blasted them, and we tied them up in nylon ropes, so they couldn't escape. I healed Laney, Lucy, Leni, Luna, Lana, Lily, Mr. and Mrs. Loud, then, we went to Lincoln, and the extent of the horrible damage they did to him was really bad.

Abnus Abital: We remembered that Varya Pohzar and Adriana Ardelean Dracula gave their blood to save Lincoln, and Lincoln saved Aurora Nightingale's life by biting her on the neck and drinking her blood when she got stabbed by Lynn, and in the whole process, he gained cosmic pyrokinesis, cosmic umbrakinesis and vampire powers, and cosmic cryokinesis and cosmic ictiokinesis, and we all knew what had to be done: we then let Lincoln bite us each on the necks and drink our blood to heal his wounds, and then, we saw the pool of blood left by their attack head back into him, and he became a lot stronger than ever, and he acquired our powers and abilities. Lori, Lynn, Lola, Lisa, and Luan were furious and threatened if they ever get out, they'll kill him again, but Lincoln roared at them and with his vampire fangs bared and his eyes turned blood red, and frightened the crap out of them.

Abeline Demeter: It sure did, and Laney, Lucy, Leni, Luna, Lana, Lily, Mr. and Mrs. Loud were really furious at them, they threatened to send them to a Russian military school for demonic spoiled brats. But, we had our own ideas: we humiliated Lori, Lynn, Lola, Lisa, and Luan. By using the Chakra rope thread trick that Kushina had done, we poured five buckets of tar on their heads and covered them all in feathers right in front of the whole school, and everyone was laughing at them, and it sent them on a wild angry ranting and raging, but we also had them put in isolation tanks, and it was so awesome.

Allira Crisiant: Then, Lincoln hugged us, and when we saw tears, we returned the hug and comforted him. That was another near-death experience that Lincoln had to endure at the hands of those five demons.

We cheered wildly for what the thirteen girls did.

Me: Whoa, you girls really saved Lincoln's life and you gave Lori, Lynn, Lola, Lisa, and Luan the classic tarring and feathering for what they did, awesome.

Nico: Did anyone else notice the bite marks on your necks?

Aurora Nightingale: Nope, we had them covered up with make-up, so no one would notice them, but we knew Lincoln's bite wouldn't turn us into vampires.

Nico: Smart thinking, Aurora.

Lincoln: Yeah, she was really prepared after what I did to save her life after Lynn stabbed her, and no one else knew what I became, except for my family after they saw what Adriana did, and I later told Clyde, Liam, Zack, Rusty, and Stella, and they eventually saw the fangs.

Clyde: Yeah, and they weren't fake.

Liam: Yep, Adriana really saved the feller from Lynn's wrath.

Grim: (Jamaican Accent) Adriana knew it wasn't Lincoln's time, and she saved him, mon. But, what stunned me is that you've been through those near-death experiences and survived.

Me: Us as well, Grim, but that's proof that Lincoln has a ton of Guardian Angels out there looking out for him.

Lincoln: You got that right.

Suddenly, something within Luan's mind snapped as memories of what Lee Kanker put Eddy through raced through her mind, as her blue eyes turned neon blue, and she was surrounded by a rainbow energy aura with light, fairies, and light animals, she unholstered her massive Sword of Sulis from her back, and as she approached Lee Kanker, she left rainbow energy, light, fairies, and light animals with every step.

Luan: You absolutely make me sick, Lee. You've tormented and tortured all of the kids in the Cul-De-Sac, along with torturing Marie, and all for your dumb sick amusement. (Suddenly Getting Extremely Pissed Off) But, what you've done in putting Eddy through so much horror, pain, and suffering, and constantly going after him… , YOU'VE CROSSED ONE FUCKING LINE TOO MANY, YOU THREE-EYED RED HEADED BANSHEE FREAK, AND NOW, I'M GOING TO RIP YOU TO SHREDS UNTIL THERE'S NOT A SINGLE TRACE OF YOU LEFT ON THIS UNIVERSE!

We suddenly gasped at the total extent of Luan's fury towards Lee Kanker.

Eddy: Whoa.

Lori: Yikes, Luan's literally exploded like a volcano, and she's right about one thing, Lee Kanker's not getting out of this one alive.

Lincoln: HIT THE DECK! SHE'S GOING TO BLOW!

We then took cover behind a wall of jawbreakers, and then, Luan screamed like a madwoman and then…

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM

There was a massive explosion of energy and she was surrounded by a massive vortex of rainbow energy with light, rainbow fire, and light animals surrounding the vortex, there were fairies flying around the vortex, and in the vortex is a yellow phoenix. Suddenly, Luan felt a sharp pain on her back, and then, her massive light brown angel wings with yellow tips on the large light brown feathers, grew much bigger for her new body, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger and her Yellow Lantern Corps ring on her left ring finger, and her cutie mark's on her right shoulder.

Suddenly, Luan's massive Sword of Sulis and the swords she'd gotten throughout the treasure battles began merging together and they're surrounded by a kaleidoscope of rainbow energy, light, rainbow fire, and light animals, and when it emerged, it was transformed into Sulis' Celestial Rainbow Light Greatsword of Comedic Light Justice, it's a brand-new greatsword with the god, Sulis, and Luan's cutie mark etched on the 7'0" massive, wide, double-edged yellow blade, large white angel wings for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, four large gold fox heads with rainbow gems for eyes and in their mouths and on the bottom of the fox heads is a large rainbow gem for the pommel, she has on yellow fingerless gloves with the symbol of The Loud House on the back, she has on her brand new gold cuff Bracelets of the Champions of The Universe with large rainbow gems on her wrists, her gold Belt of Elemental Bravery with gold fox head and rainbow gems for eyes and a large rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Luan has transformed into SUPER ANGEL ETERNITY INFINITY CELESTIAL SOLARSTORM FAIRY ANGEL OF COMEDIC JUSTICE AND DIVINE LOVE!

We were amazed by Luan's Super Angel Eternity Infinity transformation, and when Eddy saw it, he had an atomic red blush on his face. But when Lee Kanker saw it, she went ballistic and tried to attack Luan, but Luan blocked her attacks, and she punched Lee and sent her flying into a wall of jawbreakers. Lee got out, and she was even more madder than ever.

Lee Kanker: You beaver-toothed freak!

Luan: (Divine Echoing Cosmic Voice of The Solarstorm Comedic Jester and Divine Solar Love) **Now, I'm going to rip you to shreds for what you did, three-eyes!**

Luan went after Lee Kanker, and she fired powerful blasts of rainbow energy, light, rainbow colors, and light animals at Lee Kanker, and they exploded with incredible power as they hit her. Then, Luan attacked Lee with her new massive greatsword, and she left powerful scars on her.

Nico: Whoa, Luan's really giving it to Lee. But, we can't be left out of the action, let's join Luan and send that freak, Lee, back to where she belongs.

We nodded and went at Lee and beat the living shit out of her!

Goku: I knew there's no mistaking that Scottish Accent from anywhere. You can come out now, Commander Red.

A red-headed man in a suit with the Red Ribbon Army mark came out, and it was none other than Commander Red, the head of the Red Ribbon Army.

Lincoln: So, that's Commander Red, huh? I remembered you telling us about him, and there's no mistaking he's the head of The Red Ribbon Army.

Goku: And the same one who hired that lunatic, Dr. Gero.

Nadine Wendollstein: What?! He's the one who hired that… ! (Growls Angrily, jumps into the air and pink hair turns into pink fire) COMMANDER RED, YOU'RE GONNA GET IT!

Ed, Edd, 'N Eddy: Uh oh!

Suddenly, Nadine Wendollstein's blue eyes turned neon blue, and she was surrounded by an ocean blue energy aura with water, ocean waves, sea creatures, and magic, she unholstered her massive Water Magician-themed greatsword from her back and Water Magician's staff, and as she approached Commander Red, she left ocean blue energy, water, ocean waves, sea creatures, and magic with every step.

Nadine Wendollstein: Commander Red, I will never forgive you for your constant attempts to take over the world, and what you did in hiring that deranged lunatic, Dr. Gero. This time, I'll make you never rise again!

Suddenly, Nadine Wendollstein was surrounded by a massive vortex of ocean blue energy with water, magic, and ocean waves surrounding it, there are sea creatures swimming around the vortex and Water Magician flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Nadine Wendollstein emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nadine Wendollstein grew from 6'5" to 6'11" in height, she has the body of a goddess, she has blue highlights in the bangs of her short neck-length pink hair, she has neon blue eyes and an ocean blue energy aura with water, ocean waves, sea creatures, and magic surrounding her, she has Water Magician and a red cross in her hands emblazoned on her forehead, she has on magician earrings with blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has Water Magician with blue gems for eyes and the Water and Eternity Kanjis in her hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts. Nadine Wendollstein has on a dark blue cap, pink sleeveless dark blue blouse, dark blue sleeveless top, dark blue skirt, dark blue stockings, dark blue shoes, and long sleeveless dark blue trenchcoat with water, ocean waves, sea creatures, and magic on the coattails, and on the back is Water Magician with ocean waves surrounding her. Suddenly, Nadine Wendollstein felt a sharp pain on her back, and then, her massive pink angel wings grew much bigger for her new body, and the large pink feathers have ocean blue tips on the feathers. Nadine Wendollstein has on a Ring of The Phoenix with dark blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Nadine Wendollstein's massive Water Magician-themed greatsword and Water Magician's Staff began merging together and they were surrounded by a kaleidoscope of dark blue energy, water, ocean waves, sea creatures, and magic, and when it emerged, it was transformed into Water Magician's Mage's Staff of Oceanic Justice, it's a brand-new Mage's Staff with a massive pink globe on top of four green dragon heads with ocean blue gems for eyes on one end of the long dark blue shaft and on the other end of the long dark blue shaft are four smaller green dragon heads with ocean blue gems for eyes and on the bottom of the heads is a large dark blue crescent with a pink gem on it, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Water Magician with dark blue gems for eyes and a large pink gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below Water Magician that said, "Nadine Wendollstein, Gene-Slammer of Water Magician, Awesome Explorer, Amazing Archaeologist, Awesome Treasure Hunter, and Adventurer, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Sea Creatures, and Magic"

Nadine Wendollstein、水魔術師の遺伝子スラマー、素晴らしい探検家、素晴らしい考古学者、素晴らしいトレジャーハンター、冒険家、愛する守護天使とリンカーンラウドの未来の妻、いじめっ子の嫌悪者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして水、海の生き物、そして魔法のマスター

Nadine Wendollstein has transformed into SUPER ANGEL ETERNITY INFINITY OCEANIC MAGICIAN ANGEL OF OCEAN MAGIC JUSTICE AND DIVINE OCEAN LOVE!

We were amazed by Nadine Wendollstein's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Commander Red saw it, he was about to attack her, but Nadine Wendollstein fired a powerful dark blue energy blast with water, ocean waves, sea creatures, and magic, and it hits Commander Red and sent him flying into a wall of jawbreakers.

Nico: Whoa, Nadine Wendollstein's transformed, this is going to be one awesome battle.

Me: Hope everyone's ready to get wet.

Lincoln: Wow, Nadine, you look beautiful. How do you feel?

Nadine Wendollstein: (Divine Echoing Cosmic Voice of the Maelstrom Magician and Divine Oceanic Love) **I feel incredible, Linky. Now, shall we send Commander Red straight to The Black Gates for good?**

Lincoln: (Smiles) With pleasure, Nadine.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Nadine Wendollstein.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Today, The Red Ribbon Army will be nothing more than a forgotten memory.**

Nadine Wendollstein and Lincoln went after Commander Red, and they fired powerful blasts of rainbow energy, dark blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Mermaids, Sea Creatures, and Angels at Commander Red, and they exploded with incredible power as they hit him. Then, Lincoln slashed at him with his massive greatsword and Nadine blasted him with her new Mage's Staff, and they fired a massive wave of water, and it exploded with incredible power as it hits Commander Red, killing him and as soon as his spirit appeared, they marked his forehead with a kanji and sent him and Dr. Gero, who's in Oblivion, to The Black Gates forever, and they were erased for good. We cheered wildly for what Nadine Wendollstein and Lincoln did as they holster their weapons and power down, and Nadine Wendollstein's new body, clothes, weapons, jewelry, and massive pink angel wings are permanent.

Nadine Wendollstein: Now, we're finally rid of The Red Ribbon Army for good. Thanks for helping me take down and destroy Commander Red, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nadine.

Suddenly, Nadine Wendollstein wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans his face down to Nadine Wendollstein's face, they kissed passionately as Nadine Wendollstein's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and Water Magician and mermaids singing and ocean waves crashing behind them and we cheered wildly.

Nico: That's the last we'll ever see of The Red Ribbon Army.

Me: You said it.

Luan: And it's the last time we'll ever see Lee Kanker.

Suddenly, Luan then saw that Eddy ran up to her, and they hugged and kissed, and we also cheered wildly for them.

King Kai: (Telepathically) I swear, if I find out the wiseguy who busted Lee Kanker out of prison… , I'm gonna… !

Lincoln: Actually, I found out that Lee Kanker started a riot at the prison by attacking the guards, and she escaped while the warden and the guards had to get the prisoners under control.

We gasped in shock.

Nico: Why, that stupid… !

Luan: Ugh, should've known she'd resort to attacking someone out of nowhere, she's really stupid.

Lincoln: She's beyond stupid, Luan. She never uses her brains, all she ever uses is her fists and brute force.

Lee Kanker was badly beaten and Luan went up to her.

Lee Kanker: (Weakly) I will get my man back.

Luan: **He was NEVER your man at all!**

Luan painted a Kanji on her forehead.

Luan: UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!

She was judged by all the spirits of those she killed during the Vengeance Express and she was found guilty and she was fading away!

Lee Kanker: NO! MARIE! HELP ME!

Marie K.L.: You are dead to me Lee! I never want to see you again! And don't you EVER Come back!

Lee Kanker: MARIE YOU FUCKING ASSHOL-- (FADES)

She was gone for good! Luan then powered down.

Eddy: Wow! Luan that was awesome!

Luan: Thanks Eddy.

Bulldozer: Looks like that's the end of the Kanker's reign of terror.

Piledriver: Of course, we'll have other chances to battle versions of them.

Robo Roxy: You're right about that.

Femme Fetale: The Operation Overdrive weapons Nico and the others got really came in handy here.

Bridget Branley: I'm gonna love it here with you guys.

Yumi Davenport: Same with me.

Amora: You girls won't regret it.

Poromon: Let's celebrate at Rolf's place!

DC Enchantress: You two better not mess with the animals again!

Poliwag: Okay we won't!

Nico: Good. But this was awesome! The Kankers will never terrorize the Eds again.

Ed: We're finally free.

Edd: Thank goodness.

Eddy: Yeah. Those monsters are gone forever.

Nico: Yep. Great job today everyone.

Marie K.L.: Good riddance.

Nico: Yep.

Eddy: (To the viewers) This was an awesome and amazing adventure everyone. And we have more than enough jawbreakers to last forever.

Me: Boy we sure do. As long as you all don't eat to many of them.

Eddy: True.

Arnold: But we're going to love being part of you guys.

Phoebe: Boy we sure are.

Wanda: Yeah! We're not longer measly wimps!

Nico: Yeah! Lets go home.

We got to the ship and went back home. Later that night on TV we were watching the news.

News Reporter: And in other news our top story is a new law was signed into effect by the President and it was called the Anti-Queen Bee Mean Girl Act. You remember seeing those Queen Bee mean girls in movies right? Well those are going to be a thing of the past with this law. Anyone that is a Queen Bee Mean Girl is gonna be going through a very thorough background check and any of them that has done so much bad will be prosecuted with intense jail time and given reformatory classes until deemed fit for society. Anyone that has had problems with these girls in the past and are going through right them right now should report in immediately.

Me: Good at least my law idea got passed and signed into effect.

Nico: Thank goodness.

Lincoln: Yep. Queen Bee Bullies are nothing but heartless bitches.

Lola: Yeah they sure are and they don't care about anyone but themselves.

Me: Nope. They think they are so much better than everyone else because they come from high class lifestyles and that they can get away with just about anything. No matter how bad and are far above the law. Well I can assure you that not even they are above the law.

Nico: What a bunch of heartless monsters.

Me: Yep. Now those bitches are looking at me saying 3 words to them: KISS! MY! ASS!

Nico: Nice.

Lincoln: Scum like them are not welcome at all.

Nico: Nope.

We later went to sleep.

We got word that a mysterious and evil dark force snapped Heather out of her curse and has sent her on the warpath to get revenge on all of us for humiliating her in the past as well as ruining her entire well being. But she brought all this on herself. Now we're going to make sure she never comes back.

Me: I can't believe that Heather is back!

Lincoln: But that shouldn't be possible! Those curses I made were not made to be removed.

Me: This must be another minor contingency plan made by the Church of Necrom.

Nicholette Torrington: Damn that Damian! He just always has a backup plan for everything.

Me: Well this time we're not going to let Heather come back. Nico I hope you don't have a problem with her getting the Black Gates.

Nico: Not at all.

Gwen: I've had it with that snobby bitch to last an infinite number of eternities.

Me: I think so many people in all of Canada have especially with all the revelations we've heard from Lincoln's Guardian Angels.

Lincoln: Yeah. She deserves the black gates for everything she did.

Me: I agree there.

Nico: Thanks for coming with me, Ingrid.

Ingrid Third: No problem Nico. It's gonna be amazing going with you on the rescues.

Brittney: Even though we all have you with us it's awesome that you are with us now.

Ingrid Third: It's true

Nico: Ingrid, remember when we first met you and Fillmore?

Ingrid: I sure do. That was so amazing.

Me: Boy that was awesome. I'll never forget that. I noticed that all the crime scenarios you all do are all not only crimes that we fight on a daily basis but also everything you do is very reminiscent of the show Law & Order.

Laney: That's a great show.

Lola: Yeah it sure is.

Lily: I love great detective shows.

Twilight Sparkle: That is a cool show.

Fu: It sure is. But what does S.V.U. stand for again?

Me: Special Victims Unit. That's a team that covers cases involving rape, incest and all that crap.

Fu: Oh man.

Nico: Yeah.

Ingrid: It sure is like Law & Order though.

Twilight Sparkle: Can you tell us what that's like?

Me: Sure. That was on the day before April Fools Day in 2020.

I went over the events of chapter 1022.

## Part 1: The Legendary Willow Maiden

In the middle of the forest, me and Xerneas were riding through the forest on my Rapidash. We saw the beautiful serenity of the forest with the trees, birds, animals and plants. It was so beautiful.

We were enjoying the beauty of life. We stopped and saw everything in the forest.

Me: (Inhales) Ahh. It's so beautiful out here.

Xerneas: It sure is J.D. It's so glorious and majestic and full of life.

Me: It sure is. Just like you Xenia.

Xerneas: Thank you.

Then I heard something. It sounded like singing.

Me: Wait. Hear that?

Xerneas: I sure do. It sounds like singing.

Me: Could it be?

We saw a beautiful Willow Tree and it was a magnificent tree. We went up to the Willow Tree and we saw a beautiful girl with red hair and emerald green eyes and she was singing beautifully. We stood in front of a ring of red toadstools.

Me: Wow. Are you the Willow Maiden?

Willow Maiden: I sure am. It's an honor to meet you J.D. Knudson and you too Lady Xerneas.

Me: Same to you. What is your name?

Willow Maiden: My name is Nerri.

Me: That is a beautiful name. My friend Laney sang a song about you.

Nerri: Wow. I'm honored she would sing about me.

Me: Would you like to come with me to live at the estate and be with us on Team Loud Phoenix Storm?

Nerri: I wish I could come with you but I cannot leave this place. I am forever bound to this tree. I cannot leave this tree.

Me: I see. But maybe there is a possibility that we can move your tree to our backyard.

Nerri: How can you do that?

Me: I have the power to do that without damaging your tree.

Nerri: I would like that.

Xerneas: It just might work.

Me: Okay. Here we go.

I snapped my fingers and beamed the whole tree with Nerri and us to the estate backyard. It was perfect for her and it was the perfect place for Nerri to call home.

Me: Here we are.

Nerri: Wow! It's beautiful. It's amazing that you all have a city made of plants and everyone is amazing.

Me: Thank you Nerri.

Xerneas: Our city is a wonderful place to call home as long as Team Loud Phoenix Storm is there to protect it.

Me: I think you will love calling our backyard home.

Nerri: I know I will.

Me: I'm gonna meditate now Xenia.

Xerneas: Okay J.D.

Xerneas went back inside and I sat in front of the tree in a lotus position and meditated. It was a beautiful sight to see me meditate in front of a Willow Tree.

Me: Oooooooommmm…

Nerri: Wow.

I had my aura flare up and it was overflowing with beautiful life energy and getting stronger by the second. All of nature was reacting to it with incredible power.

Me: Oooooooommmm…

## Part 2: A Wedding of Hearts

In our backyard it was time for the awesome wedding of Sora and Kairi. We were all dressed up in really nice clothes and Sora was dressed in an all white version of his KH3 clothes and it was a beautiful sight. We had all of our friends that Sora knows from all of the worlds that we visited and Sora's mom and friends from his island and Twilight Town were with us. We also had the Masters of Evil with us because they were all invited. They had a soft spot for weddings. It was gonna be an awesome wedding. With us was another one of Hunter's friends from the United Arab Emirates, Lateefa al-Dada, she has tan skin, long dark black hair with a red headband, roman nose, straight eyebrows, same age as Leni, wears a red Abaya, wears black Tamashee. Her powers are Fire, Scorch, Wind, and Magnet Release.

Lola: Wow. You are really pretty Lateefa.

Lateefa: (Arabic Accent) Thank you Lola. It's an honor to be part of Team Loud Phoenix Storm. Hunter told me so much about all of you.

Hunter: (German Accent) It's great to have you here as well.

Axel Adell: (Swedish Accent) Same here.

Matthias: (German Accent) Ja.

Me: Sora, I am so happy for both you and Kairi.

Sora: Me too J.D. But I'm really nervous.

Me: Don't be man. You can do it.

Magnet Man: We seem to be on a roll with weddings lately.

Nico: I know.

Luigi: (Italian Accent) Sora, I think-a you've pretty much earned this.

Cana: It's so beautiful seeing a person get married.

Varie: It sure is Cana.

Lucy Heartfilia: I love weddings. They are so beautiful.

Juvia Lockser: I am so excited.

Tsuki: Me too. My boy looks so amazing.

Aqua: He sure does and I am so happy for my bro.

The wedding march was on and we saw Kairi come out and she was dressed in a beautiful wedding dress. She had a white tube top with flowers on it and her bridal veil had flowers and she had a beautiful white wedding skirt. She looked like a true angel from heaven.

Sora: Wow.

Me: Kairi is so beautiful in that dress.

Sora: She sure is.

Lady Tsunade came out and she was the priest for this.

Lady Tsunade: Good afternoon everyone. Dearly beloved, we are gathered here today in the sight of God to join this man, and this woman in holy matrimony. Not to be entered into lightly, holy matrimony should be entered into solemnly and with reverence and honor. Into this holy agreement these two persons come together to be joined. If any person here can show cause why these two people should not be joined in holy matrimony, speak now or forever hold your peace. Marriage is a sacred union between husband and wife and shall remain unbroken. It is the basis of a stable and loving relationship and is a joining of two hearts, bodies and souls. The husband and wife are there to support one another and provide love and care in times of joy and times of adversity. We are all here today to witness the joining in wedded bliss of Sora Kiyo Raiga and Kairi Hikari Lincoln. This joyous day celebrates the commitment and love with which Sora and Kairi start their lives together. Through God, you are joined together in the most holy of bonds. Who gives this woman in holy matrimony to this man?

Tsuki and Aqua: We do.

Me: Aqua is representing Sora's dad because he is not here. She is Sora's big sister now.

Lady Tsunade: I understand. Do you, Sora Kiyo Raiga take Kairi Hikari Lincoln to be your lawfully wedded wife and live together forever in the estate of holy matrimony? Do you love, comfort, honor and keep her, in sickness and in health, for richer or for poorer, for better or for worse for as long as you both shall live?

Sora: I do.

Lady Tsunade: Do you, Kairi Hikari Lincoln take Sora Kiyo Raiga to be your lawfully wedded wife and live together forever in the estate of holy matrimony? Do you love, comfort, honor and keep her, in sickness and in health, for richer or for poorer, for better or for worse for as long as you both shall live?

Kairi: I do.

We exchanged the Wedding Rings.

Lady Tsunade: The wedding ring is an unbroken symbol of the everlasting love and commitment between man and wife. (Hands ring to groom.) Repeat after me: With this ring, I thee wed.

Sora: With this ring, I thee wed. (Sora placed the ring on Kairi's finger)

Kairi With this ring, I thee wed. (Kairi placed ring on Sora's finger)

Lady Tsunade: What God has joined together, let no man put asunder. With the power vested in me by the grace of God and the state of Michigan and the city of Gotham Royal York, I now hereby pronounce you man and wife. You may kiss the bride.

Sora and Kairi kissed and we cheered wildly for them.

Offroad: I can't believe this is actually happening!

Later we had the reception.

Me: Congratulations Sora and you too Kairi.

Nico: We're so happy for the both of you.

Kairi: Thanks guys.

Aqua had tears of joy.

Aqua: (Crying) My little bro is now an amazing husband.

Tsuki: (Crying) My little boy is all grown up! (Crying!)

Me: I'm so proud of him. We've been through so much.

Vypra: I'm happy for him though.

Me: We are too Vypra.

Sideswipe: (to Vypra) Don't suppose you'd like to tell us who you're sending to fight us on our next mission.

Vypra: Now, you know I don't want to spoil the surprise.

Me: Even villains like to have surprises in store.

Sideswipe: I see.

Nico: I'm just so happy for Sora and Kairi.

Me: We all are buddy.

Qin: It is so beautiful seeing Kairi and Sora together. They have been through so much on their adventures.

Lincoln: They all have. It's so amazing.

Aerrow: I am so happy for them.

Piper (Storm Hawks): Me too.

Cat: We all are Piper.

Dog: You said it Cat.

We had a wonderful reception and Nerri got to join the fun. She may be bound to the willow tree, but that doesn't mean that she can't join in on some fun.

Part 3: Crime is Afoot at Gotham Royal York Middle School.

**IN GOTHAM ROYAL YORK MIDDLE SCHOOL'S WAR ON CRIME, THE WORST CRIMINAL OFFENDERS ARE PURSUED BY THE DETECTIVES OF THE MAJOR CASE SQUAD. THESE ARE THEIR STORIES. DUN DUN!**

We were over at Gotham Royal York Middle School and it's also now merged with X Middle School. With us was lead detective of the School Safety Patrol Cornelius Fillmore and his best friend and fellow Goth Girl, Ingrid Third.

Me: It's a pleasure to meet you Officer Fillmore.

Fillmore: You can just call me Fillmore. But thank you J.D.

Me: You're welcome.

Fillmore: Also congratulations to both you and Kairi, Sora.

Sora: Thank you.

Fillmore: While you guys do your job in fighting bad guys, I do mine by keeping X Middle School clean of any criminal activity.

Ingrid: We all do.

Lucy Loud: I think that is really cool.

Brittney: I think so too.

Ingrid: Maybe you guys can help us with this case. Somebody's been shredding important projects.

Me: Looks like we got a case of Serial Shredding. Usually we go after serial killers but this is an unusual form of murder.

Nico: We'd like to help. (to me and the Loud Kids) That means certain individuals have to keep their cool. If they have a problem, I'll pummel them with my club!

Me: Don't worry Nico. We are doing what we can.

Ingrid: What does he mean by that?

Me: We have anger problems. Clyde's therapist recommended us going to a Buddhist temple to help keep our anger in check through meditation.

Hunter: Ja. Und its been really helpful for them.

Lateefa: I heard about that.

Fillmore: I see. I'm glad it's working for you.

Me: Thanks Fillmore. Also Nico is now our Chief Enforcer. Whenever we show signs of anger, he will whack us with his club.

Erza Scarlett: Kind of like how I enforce Fairy Tail.

Me: And you do a great job at it Erza.

Erza Scarlett: Thanks.

Lincoln then saw something coming!

Lincoln: Fillmore! Look out!

He grabbed Fillmore and dodged him out of the way as I was hit by a mess of chocolate.

Me: (Slurps) Mmm. Chocolate.

Maria: You ok?

Fillmore: Aside from nearly getting squished by chocolate, I'm fine. Thanks Lincoln. I owe you one.

Lincoln: You're welcome.

I washed myself off.

Me: What clues do we have so far that can lead us to the Serial Shredder?

Fillmore: Our fellow officer, Profiler Frank Bishop is looking into it.

Frank Bishop: I found something.

Frank came up to us.

William: Frank, do you have any clues that indicate if the shredder is being helped by two of our enemies?

Frank Bishop: As a matter of fact I do. The Shredder is my sister Francine and she is not alone. She has 8 people with her.

Maria: Okay. So we know the culprit. But we still don't know who's helping her!

Frank Bishop: One has a hoodie and has strange light blades for hands.

Me: That's Shiv!

Qin: Who is Shiv?

Maria: He's one of my former comrades in the Meta-Breed.

Maria went over his history.

---

Shiv was a metahuman who could create weapons of energy from his hands. Getting his 'nom-de-crime' from a shiv (a kind of bladed weapon), Shiv is the immature jokester in the Meta-Breed; in fact, when he encountered the Joker, he tells the villain "Big fan, big fan…". He has been described as insane by both fans and creators of the show and comics. Shiv may be one of the many Bang Babies whose mental health was affected by the Big Bang, but this is never confirmed; he may simply just be an eccentric, childish jokester. Shiv's powers enable him to generate "light energy", which he could blast at opponents, and fashion into weapons which he could hold, throw, or fashion around his arms and hands-giving rise to his new alias; 'Shiv'. Shiv is assumed to have either returned to normal, or is now among the re-infected Dakota's Bang-Baby population at the end of the series

---

Qin gesped.

Qin: Whoa! That is crazy!

Me: So Vypra recruited Shiv into her forces. Anyone else?

Frank Bishop: Yeah. I saw that he had this weird Spider freak.

Me: That's Webstor. He was one of Skeletor's minions.

I went over his history.

---

Webstor is reused in the 2002 relaunch of the Masters of the Universe cartoon series by Mike Young Productions. He was also intended for the new toy line, but the line was cancelled before his figure could be released. In 2007 NECA with The Four Horsemen released a "stacion figure", an action figure without movable limbs, of Webstor. The writers of the new show showcased him as more of a freelance villain rather than another member of Skeletor's evil team.

Webstor's design was modified quite considerably from the old, to appear more spider-like, with a thinner frame, six equally-sized eyes (the original Webstor had multiple eyes, but they were smaller than his "normal" eyes), and additional spider-limbs. He receives a subtle introduction in the episode "Snake Pit", in which we see only a close-up of his eyes as he is awakened by Kobra Khan entering the cavern beneath Snake Mountain. A nod to old-school fans, this appearance immediately stirred intense debate among fans over whether the 'spider' was Webstor or just a regular giant spider. He went on to receive a full introduction in the episode "Council of Evil, Part 1", in which he is a hired member of Skeletor's council of evil, composed of independent evildoers from across Eternia. The episode does not show us how exactly he met Skeletor, leaving us to assume that Skeletor just encountered him in the caverns beneath Snake Mountain and adding an aura of mystery to his character. Portrayed as a silent and subtle villain who spends most of his time lurking in the shadows, he is seen to capture Stratos by entrapping him in his web, spun in the hollow of the Eye of Zarcane within the Mystic Mountains. In the second part of the 3-part epic, he uses his webbing to steal the Sword of Power itself from Prince Adam, leaving him with no way to become He-Man and capturing Teela.

In the concluding episode of the 3-parter, "The Last Stand" which begins season 2, Webstor declares that he will remain allied with Skeletor upon the defeat of the Council of Evil, when other members desert Skeletor. He is only seen in one episode thereafter.

In "Web of Evil" he is the main villain, stealing the substance Ambrosia from Buzz-Off's people, the Andreenids, to provide him with extra power and thus allowing him to spawn hundreds of deadly spiders, which he sets upon the Masters. The name of his species is given by Buzz-off in this episode calling him an Arachna, whose physiology is very similar to the Andreenids. After his Ambroisa-enriched eggs are subsequently stolen by the Snake Men, Webstor is brutally beaten by them and collapses dead on the ground, the only member of the regular cast ever to be killed off in a He-Man episode. However, his death is depicted in an ambiguous manner so that fans are led to debate over whether he is dead or unconscious, and it was only when Ian Richter of Mattel answered the fans' questions on the that it was confirmed that Webstor did indeed meet his end. It is possible that his death may have been deliberately shown in this uncertain manner, so that the writers could be left free to bring Webstor back if they chose to include him in future episodes. The series was canceled three episodes later, so Webstor remained dead.

---

Qin: Whoa!

Me: Anyone else?

Frank Bishop: Yeah. He had 5 more people with him. They looked a lot like Mystery Inc. except they had Glowing Red Eyes and they lifted up a whole science fair project like it was a piece of paper.

Me: (Gasp) The Mystery Inc. Evil Clones!

Qin: Who are they?

Me: They were lead by an old friend of ours named J.C. Chasez. He was a friend of ours in school. Until he got jealous.

---

He began a long-term relationship with Rachel, an old girlfriend of Shaggy Rogers, after she had won an online dating competition, Win a Date with J.C. However, after a year of hearing Rachel talk about Shaggy's feats, he planned to discredit him.

He formed the gang's evil impersonators (Chasez dressed up in an "evil" Scooby-Doo mask and costume) and went around Coolsville framing them. Later, after the police and the Mystery Gang went to his cabin to find the missing teenagers, J.C was quickly attacked by the mob of teens who recognized him, with Rachel in vain trying to protect him. One of the teens ripped off a piece of his shirt and hair, much to his discomfort, to which the police got him into a police car for protection.

---

Me: When his ex-girlfriend Rachel started to discredit Shaggy, he was jealous and he swore to get revenge. He and 4 extras from Hollywood dressed up as Mystery Inc. to frame them for crimes they didn't commit so that the real Mystery Inc. would rot in prison. Luckily their plan didn't succeed and we busted them. J.C. wanted to ruin Mystery Inc. forever. They got 20 to 40 years in prison for their crimes.

Qin: Geez! And I'll bet they got life because of the conspiracy and are now in the Uranus Prison.

Me: Bingo. After the conspiracy was thwarted, we had all of Mystery Inc.'s enemies all moved to a prison of higher security. We chose the Uranus prison for it. They will never see the light of day again.

Rachel S.D.: Good riddance.

Aylene C.: Serves them right.

Me: Yep.

Nico: J.C. Chasez, you have failed this world.

Me: Yep.

Frank Bishop: Also there was a man with brown hair and he looked like a Principal.

Me: That's Principal Seymour Skinner.

Bart Simpson: He's the disgraced principal of my former school Springfield Elementary.

Me: And one of the co-conspirators of a major national corruption conspiracy that destroyed Springfield, Oregon.

Fillmore: Whoa! I saw that on the news. You had a press conference for that.

Me: Yep. Springfield, Oregon was now forever labelled as the Most Hated Town in the world. Everyone is grateful that we destroyed it and reduced it to a radioactive crater.

Ingrid: I would not want to live there.

Me: No one ever wants to ever again.

Vallejo: I'm gonna go face them.

We gasped.

Hay Lin: Vallejo, you're going to Frank's house by yourself? Are you crazy?!

Me: That's right. You can't handle this by yourself. We're going with you.

Vallejo: No. I'll handle this.

He left.

Me: We got to go with him.

Fillmore: I agree. He won't handle this by himself.

Me: Lets do it.

We followed Vallejo from the shadows.

At Frank Bishop's house we were watching from the shadows.

Frank Bishop had a portable paper shredder in his hands.

Frank Bishop: You're the Shredder aren't you!?

He threw the shredder onto the ground.

Vallejo: Frank? What the?

Frank Bishop: You got your friends to do your dirty work. You had them shred their own stuff. They weren't traumatized. They were acting.

Francine: Frank, I think you've been drinking a little too much fake fruit juice.

Frank Bishop: Bernice was right-handed. So her shreds tilted to the right! And Lorenzo was left-handed. So his shreds tilted to the left.

Francine: So what!? I had nothing to do with it!

Frank Bishop: What about your little distraction at the science fair? You did a great job of botching the stakeout.

Francine: Frank, I really don't…

Frank Bishop: Alphabetically you were next on the list. That's when it hit me. The actors are your friends. You're female, and your motive was revenge. And finding that shredder in your room confirmed everything!

Vallejo: But where does the revenge fit in?

Francine: I hated you for what you did to my brother! He was rotting away!

We were listening in.

Me: That little brat.

Lola: How could she do such a terrible thing?

Me: She's a true psychopath.

Nico: Shh.

Francine: I couldn't just sit back and watch that happen! I created the Shredder to give Frank purpose and to take yours away.

Frank Bishop: Francine, I can't let you just…

She pushed them into a dungeon cell in an ice tower and locked the door.

Francine: You'll thank me later Frank! As for you Vallejo, your hearing starts in 20 minutes. Kiss your 2nd term as junior commissioner goodbye!

Fillmore: Your Phoenix Cry generates heat, right?

Lola: Of course. Why?

Nico: (sighs) I can't believe I'm saying this but charging in with a Phoenix Cry right now could melt the ice prison Frank and Vallejo are in.

Me: Lets do it.

A massive explosion of fire blasted in the sky and melted all the ice as a Phoenix Cry was heard and we landed in front of Francine. I put a force field around the area of Francine's backyard to make sure she doesn't escape.

Fillmore: That's cold baby! Real cold!

Ingrid: Hand over the key Francine.

Francine: NEVER! Kill them!

Me: It's over Francine.

Sheila: Francine Bishop, you're under arrest!

Sheila grabbed her and cuffed her and we saw SHIV, WEBSTOR and the EVIL MYSTERY INC.!

Me: Long time no see Shiv, Webstor and evil Mystery Inc.

Webstor: (to He Man) Who knew that the Mighty He Man is actually a scrawny teenager?

Me: Looks like the secret is out.

Bart: You are looking really well Skinflint.

Skinner: It's Skinner, Bart. And you are going back to school in Springfield where you belong!

Bart: I don't think so!

Shiv: (Points light blade at Vallejo's neck) Uh uh uh. Take one more step and the kid loses his head. You think we're gonna play fair?

Maria: You always did have a knack for being the biggest fuckpot of them all Shiv. That's why I hated your guts.

Ingrid: Guys, you really think it's smart to piss off the meta with light blades and the walking spider in front of us?

Shiv: She really pissed us off!

He let go of Vallejo and Lynn punched Shiv in the face and kicked him in the mouth!

Me: We'll handle this. Sheila, make sure that Francine doesn't get away. She's gonna answer for her crimes by the time we're done here with these clods.

Sheila: Okay.

Webstor just webbed Lucy up.

Webstor: Get yourself out of that, Loud!

Lucy Loud was enveloped in an aura of black lightning and burned her way out.

Lucy Loud: Usually Leni would hit you all over right now.

Webstor: Yeah she would.

Troy: Since you guys aren't the real Mystery Inc, we won't feel bad about hurting you!

Megaforce Rangers: Legendary Ranger Mode: Samurai!

The Megaforce Rangers transformed into the Samurai Rangers.

Me: Lets get them!

We went at them.

---

Battle 1: Shiv.

---

Lynn, Sandman and Clayface were facing Shiv.

Lynn: I'm gonna pulverize your face in until there is nothing left.

Shiv: Ooh I'm so scared!

Lynn: You should be. Because I have a new transformation.

Lynn then was enveloped in a massive vortex of fire and lava and we felt her power increase at an astronomical rate and it was incredible! When the vortex faded, Lynn was forever changed. She looked like she was Lori's age and she had longer hair in a ponytail, volcano earrings, wings made of pure lava and and rock and she had a red jersey with a volcano on it and she had the Number 1 on it and she had red sports pants and black boots. She also had a sword of pure lava and she had the kanji for Lynn Loud, Volcanic Olympic Athlete on her pant leg. リン・ラウド、火山オリンピック選手 She was now a SUPER ANGEL 20,000 VOLCANO FORCE DRAGON!

Lynn: (Older Voice) Now you will see how dangerous I can be not just in sports but in fighting as well.

Shiv: Bring it you bitch.

Lynn: If you were my dark self, you wouldn't last even 10 seconds.

Lynn unsheathed her sword and she charged at him and they clashed and the power of Lynn's sword blew him back with the force of a volcanic eruption sent him crashing into the Force Field and it electrocuted him.

Shiv came at Lynn and she punched him in the face and knocked out one of his teeth and she slashed him and burned his chest open. He screamed in pain from being cut and badly burned. Lynn kicked him in the face and punched him in the stomach with deadly force and he belched up a huge amount of blood.

Sandman: Whoa! That was amazing!

Clayface: Lynn has really changed into an amazing fighter.

Sandman: Lets help her.

Clayface: Right!

They did so. Sandman formed his hand into a hammer and smashed it onto Shiv's head and Clayface formed his hand into a mace ball and smashed it into Shiv's stomach and Lynn smashed her fist into his head and knocked him out.

Lynn: Whoa!

Sandman: Lynn you look awesome like this.

Lynn: Thanks Flint. I wonder what Lightning would think?

Lightning: I would say "SHA-BLAM! You look incredible Lynn!"

Lynn: Thanks Lightning.

## Battle 2: Webstor

Lucy, Demona and Riku were facing Webstor.

Lucy Loud: You are not going to wrap us up in web ever again.

Webstor: This time I will kill you.

Lucy was enveloped in a vortex of darkness and her power was increasing dramatically. Lucy then transformed into her Super Angel 20,000 Darkness Vampire Raven and this time she had a pitch black sleeveless trench coat on and it had the kanji for Lucy Loud, Dark Vampire Empress of the Netherworld on the back. 冥界のダークヴァンパイアエンプレス、ルーシーラウド

Lucy Loud: (Older Voice) I'm not the same as I was when we fought the last time on Eternia.

Webstor: So you have a new form. Won't save you though.

Without warning, Lucy kicked him in the face and slashed his spider legs off and she fired blasts of black lightning and electrocuted him all over.

Demona punched him all over and blasted him with dark energy and Riku slashed him with his keyblade and cut him and burned him all over.

Rocky (Loud House): Whoa! Lucy you look amazing!

Lucy Loud: Thanks Rocky. It brings out the darkness inside me and makes me one with the darkness.

Demona: You do look amazing Lucy. A true warrior of the night.

Riku: Indeed you do.

---

Battle 3: Principal Skinner

---

Bart and Dana were facing Principal Skinner.

Dana (LH): You make me sick Skinner. You have no love for any one of the kids of Springfield at all! It's one of the reasons why Springfield was completely destroyed in the first place!

Skinner: The kids of Springfield had no future to begin with!

Bart: All you ever cared about was money.

Dana (LH): And for that you will pay.

Dana was then enveloped in a massive vortex of ice and snow and we felt her power increase exponentially and then when the vortex faded, Dana was forever changed. She had longer hair in a ponytail and she had snowflake earrings and she had blue, purple and sky blue snowflake bracelets and she had a snowflake t-shirt with lightning on it and she had blue pants and she had a sleeveless trench coat that had ice and a raging blizzard all over it and it had the kanji for Dana - the Subzero Freezing Hurricane on the back. ダナ-氷点下の氷点下のハリケーン Dana also had a sword with a blade made of pure ice. She also had angel wings made of pure ice and snow.

Bart: WHOA! Dana you look incredible!

Dana (LH): (Older Voice) I sure do Bart. Now it's time for this disgraced Vietnam War Veteran to hit the curb.

Dana punched him in the face and kicked him in the stomach and she punched him in the nose and broke it and she slashed his chest and froze him with her ice sword and he screamed in pain as he was being freezer burned with ice and Bart kicked him in the face and threw a spiked dodgeball into his face and it slammed into him.

SMASH!

It hurt him really bad and more.

He was knocked down.

Dana: That felt really good.

Bart: It was awesome putting Weiner Skinner in his place.

Dana laughed.

Bart: I have an idea.

Bart held up Principal Skinner.

Bart: Carve into his forehead with your sword "I am A Fucking Weiner."

Dana (LH): I like how you think Bart.

Dana carved what Bart said into his forehead with her sword and she also carved a hot dog with Skinner's face on it into it as well.

Bart and Dana laughed at it. That carving will be with Skinner forever.

Axel Adell: Oh that is so funny! Nice job you two!

Dana (LH): Thanks Axel.

## Battle 4: Evil Mystery Inc.

The rest of us were facing the Evil Mystery Inc.

Me: You 5 give my friends a really bad name!

I punched the evil Fred in the face and threw him down and Nico grabbed the evil Shaggy and threw him into a tree and the Megaforce Rangers blasted the evil Daphne and Velma all over the place and blew them into another tree. Naruto slammed a Rasengan into the evil Scooby Doo and sent him crashing into a melted ice sculpture.

Ben: Lets see how they like this predator!

Ben turned into a new predator. It was called VERSTARKER! It looked like a zombie crocodile with its skin and bones exposed and it had fur that looked like it was coming off.

Ben: VERSTARKER!

Me: Whoa! That is a terrifying predator!

Shanan: Wow! That is a Dinuchus from the planet Luna Lobo. It's Blitzwolfer's natural predator.

Nico: Wow! It looks like a zombie crocodile!

Shanan: It sure does look like it huh?

Riley: It's a scary one.

Verstarker: Watch this.

He fired a massive sonic blast that was more powerful than that of a Loboan and it slammed into the Evil Mystery Inc and knocked them down.

Me: Whoa! Its sonic blasts are more powerful than Loboans.

Varie: No kidding.

Aylene C.: That was awesome!

Nico: It sure packs a massive wallop.

Jackie: It sure does. Lets see how they like this. EARTH STYLE NINJA ART: BABYLON!

Jackie floated into the air and the song of Mesopotamian Lore, Babylon played and she fired a massive wave of earth that turned into the ancient wonder of the world: The Hanging Gardens of Babylon and it slammed into the evil Mystery Inc and exploded.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Whoa! That was amazing!

Jessie K.: Wow! That was the Hanging Gardens of Babylon, one of the Seven Wonders of the Ancient World. They were built by King Nebuchadnezzar II back in 6th century B.C. and it was a very famous monument that brought fame to Babylon.

Laney: That is amazing!

Lana: Really cool!

Me: That is amazing! I didn't know about that.

Jaime Knudson: Me neither. That is amazing!

Me: Lets show some teamwork!

Offroad: Right! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his SMG Blaster 100-fold.

Magnet Man: This will attract you. GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into his right arm and enhanced his Magnet Launcher 100-fold.

Offroad and Magnet Man: MAGNETIC BULLET FIRESTORM!

They fired bullets and a magnet and they slammed into the Evil Scooby Doo and exploded.

KRABBBBBBOOOOOOOOOOOOOOOOOOMMMMMMMMM!

Sideswipe: Lets get him! CYBER KEY POWER!

The Autobot Cyber Planet Key went into his back and enhanced his pile-driver arms 100-fold.

Luigi: This is-a gonna be fun! NINTENDO CYBER KEY POWER!

The Nintendo Cyber Planet Key went into his right arm device and enhanced his abilities 100-fold.

Sideswipe and Luigi: FLAMETHROWER PILE-DRIVING BURST!

Luigi fired a blast of fire and it merged with Sideswipe's pile-driving arms and he punched the Evil Scooby and smashed him into dust. Killing him.

Me: One down 4 to go.

Demona: We go this.

Demona fired a blast of darkness and Cheetah ran at incredible speed.

Demona and Cheetah: DARK SPEED STORMSLASH!

The darkness merged with Cheetah's claws and she slashed Evil Shaggy all over the place with incredible speed.

Finn (Storm Hawks): Try this one!

Finn of the Storm Hawks fired an arrow and Finn of Ooo fired a blast of fire from his hands.

Finn (Storm Hawks) and Finn (Adventure Time): FLAMING ARROW FIRESTORM!

The blasts combined and they slammed into the Evil Shaggy and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

The explosion killed him.

Lincoln: Lets do it!

Piper (Storm Hawks): With pleasure Lincoln!

Lincoln fired a massive blast of lightning and Piper fired a powerful blast of fire with a Phoenix Crystal.

Lincoln and Piper (Storm Hawks): LIGHTNING PHOENIX ELECTROSTORM!

The blasts combined and turned into a Lightning Phoenix and it slammed into the evil Velma and exploded.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The evil Velma was dead.

Piper (Mysticons): Lets see how you like this one!

Zhalia: Lets get her!

Piper (Mysticons) fired a massive blast of fire and Zhalia fired a powerful Augerfrost blast.

Piper (Mysticons) and Zhalia Moon: MOONLIGHT PHOENIX BURST!

The blasts combined and turned into a Phoenix made of moonlight and it slammed into the evil Daphne and exploded.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: This will burn you up. INCINERATE! IGNATIUS!

A wall of lava exploded out and out of the lava came the lava titan Ignatius!

Lok: This is gonna hurt really bad!

Nico and Ignatius fired a massive blast of fire and Lok fired a powerful blast of his Boltflare.

Nico with Ignatius and Lok: VOLCANIC FLARE INCINERATION!

The blasts combined and they slammed into the Evil Daphne and incinerated her in an instant.

Me: Time to finish you for good Evil Fred. Lets hit him all at once with our Final Smashes.

Bart: Lets do it!

Lynn: Yeah!

Lucy Loud: Lets do it!

Cana Alberona: Lets get him! This guy has tormented the good name of Mystery Inc for the last time.

Lucy Heartfilia: Lets do it!

She then summoned Aquarius!

Lucy Heartfilia: Lets get him Aquarius!

Aquarius: (Enraged) YOU ARE DEAD!

I grabbed Aquarius by the arm.

Me: Leave her alone Aquarius!

Aquarius: Let me go J.D.! This little bitch brought me here for this!? I will kill her right now!

Qin: What is her problem?

Me: Aquarius has always had a rotten attitude. Its been a major problem for her and everyone in Fairy Tail. She hates Lucy for some reason and Lucy is really terrified of her.

Qin: Geez! I don't think it's you that needs the Anger Management treatments J.D., it's Aquarius.

Me: (Chuckles) Maybe. But I agree with you Qin.

Aquarius: Well she started it.

Me: It doesn't matter who started it.

Nico bashed Aquarius in the head with his club and she had a nasty lump on her head.

Aquarius: OW!

Me: Nice shot Nico.

Nico: Thanks.

Nico then looked at Aquarius with menacing eyes.

Nico: Lets get one thing straight Aquarius! You have no right to hurt your summoner the way you do! Lucy is your friend and you have always been there ever since she was young! You need to get rid of your hatred and rage and work with Lucy from now on.

Cana Alberona: That's right Aquarius! You need to stop being so resentful towards Lucy and work with her instead of terrifying her. Your rotten attitude is not being very helpful to her and all you are doing is terrifying her and making her look bad.

Nico: That's right.

Aquarius: (Growls) Fine.

Me: Good. Lets do it. WOLF FIRE MOONSTORM!

I fired a blast of blue fire.

Bart Simpson: This is gonna be awesome! AY CARAMBA LIGHTBURST!

Bart fired a massive blast of light.

Lynn: Try this! VOLCANIC LAVA MEGAWAVE!

Lynn fired a wave of lava.

Lucy Loud: This will hurt. BLACK LIGHTNING ELECTROCUTION!

Lucy fired a massive blast of black lightning.

Cana Alberona: Lets do it! CARD MAGE FIRESTORM!

Cana fired a massive barrage of fire cards.

Aquarius: AQUARIUS MEGATSUNAMI DELUGE!

Aquarius fired a huge wave of water.

Lucy Heartfilia: CELESTIAL ZODIAC MEGABLAST!

Lucy Heartfilia fired a huge blast of constellation symbols.

Fillmore: CRIME DOESN'T PAY FIRESTORM!

Fillmore fired a wave of light and it turned into a police badge.

Ingrid: This will hurt. DARK CRIMES WILL BE PUNISHED!

Ingrid fired a darkness blast and it turned into a police badge.

Sora & Kairi: LIGHT HEART UNITY STRIKE!

Sora and Kairi fired a blast of light and it formed into a heart of light with wings on it.

The blasts all combined and they slammed into the Evil Fred and exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The evil Mystery Inc was destroyed.

Webstor: You all won't get lucky next time!

Bart: Now, how about telling us who else Dark Spicer restored?

Shiv: Sorry. Vypra told the two of us not to tell you guys anything about that. (he and Webstor teleport out)

Skinner: You all have gotten powerful.

Me: Wait Skinner. I have a message for Vypra. Tomorrow is April 1st, April Fools Day and it's gonna be a nasty prankapocalypse. Luan Loud is not gonna be the one that's doing the pranks. It's all gonna be because of Nico's little brother Connor.

Nico: That's right. Connor is in every way like how Luan was when J.D. first moved here in 2016. He does these really deadly and dangerous pranks that are bad enough to land you in the hospital.

Skinner: (Gasp) Oh dear God!

Me: I know. Luan's pranks were really bad enough to get me, Varie, Laney, Lincoln and Clyde seriously hurt. Not fatal hurt but hurt really bad. Last year in 2019, Luan and Connor both fought and Luan was badly hurt even though Connor took the worst of Luan's beating. Connor swore to get even and he's coming for us. And there will be no mercy.

Skinner: Thanks for warning me J.D. I will tell her.

Me: Thank you.

Skinner: Oh Sora, Kairi, congratulations on your wedding.

Sora: Thanks Skinner.

Kairi: It's gonna be so awesome being together.

Skinner: I'm happy for you both.

He teleported back.

Aquarius: (sighs) I'm sorry, Lucy. I completely forgot that J.D. and the others helped me become a better person towards you. But it's just been so long since they had that talk with me!

Lucy Heartfilia: It has been a while. We were just so busy doing stuff all over the universe.

Aquarius: I know. But I'll try to get better. I promise.

Lucy Heartfilia: Thank you.

Me: Well we beat another Scooby Doo monster and Lynn and Lucy have two archenemies.

Lynn: Yep.

Fillmore: Thanks for helping us J.D.

Me: It was our pleasure Fillmore.

Ingrid: You all are amazing.

Me: Thanks Ingrid.

Francine was expelled from school and sentenced to spend 12 months in Juvie.

Bart: (To the viewers) Never mess with the rules of the school or there will be big time trouble.

Dana (LH): You said it Bart.

We formed an alliance with the Safety Patrol should they ever need us.

---

FLASHBACK ENDS

Sunset Shimmer: Wow!

Applejack: That was amazing!

Fluttershy: Goodness.

Me: That was also the day that Sora and Kairi got Married.

Nico: I remember that! That was so awesome and unforgettable.

Laney: It sure was and all the awesome worlds of Disney that we know and Love were all there too.

Fluttershy: Oh I think that was so magical.

Rainbow Dash: It sure was from the way it sounded.

Me: Oh it was the best day we've had for them.

Varie: That was really awesome.

Xenia: I thought it was awesome too.

Lola: We all did.

Nico: We should start helping you two with those again.

Me: I agree. With so many awesome cases that you all know and solve it'll be awesome putting more of our detective skills to good use. And we can also provide new state of the art high tech forensic technology to help you guys out.

Ingrid Third: Thanks guys. That means a lot to me and it would be awesome for Fillmore.

Nico: You're welcome.

Me: That will be awesome to go on more cases.

Nico: And speaking of rape, I'm glad Lee Kanker got what she deserved.

Lincoln: I agree Nico. I am glad too.

Me: The world is now a much safer place without the Kankers running around. Minus Marie and May.

Lola: Yeah. I wonder what happened to their mother though.

Me: I always have a hard time remembering that.

Nico: Luan and Eddy busted her when Luan met Rolf, Nazz, and Kevin. And then, she got the death penalty.

Me: Yeah! I remember that now!

Varie: I remember that! That was on my babysitting adventure.

Nico: That's right. I heard so much about that.

Laney: Yeah! You weren't with us when that happened but it was cool.

Nico: It sure was.

Rarity: How come no one hardly remembers what happened in the Vengeance Express?

Me: Well that's because there was a huge cover up to keep people from finding out the truth.

I pulled out the paper that showed the Vengeance Express that was dated on July 14th, 2014.

Me: This is a newspaper from that day.

It was actually a bunch of newspapers stuck together. What they saw was extremely horrifying. It showed on the front page an incredibly horrible picture of the entire city of Atlanta, Georgia completely reduced to flaming rubble and there were buildings burning and thousands of people were dead. All the buildings were completely destroyed and burning on fire. Cars were thrown into the buildings and the entire city looked like it was hit by a nuclear explosion. Damage was estimated to be in the hundreds of trillions of dollars. The article said in big bold letters: "ATLANTA CATASTROPHICALLY DESTROYED!" In smaller letters was "3 Sisters to Blame For City-Wide Devastation" and a picture of the mugshots of the Kanker Sisters was below it. Everyone that hadn't seen the newspaper all gasped in horror.

Me: That was horrifying.

They read the whole series of papers and they saw that the Kanker's were the true cause of the Vengeance Express that sent the kids of Peach Creek on a statewide hunt for the Ed's intending to kill them and mount their heads on pikes. The Kanker's were found guilty of numerous crimes as a result and they were sentenced to serve 3 eternity sentences in prison with no hope of parole and were ordered to pay $1,512,323,435,734,899,900.00 in restitution. They were also declared the most hated kids in all of America and the 3 biggest mistakes any parent could ever make. Their mom Bebe was made the most hated woman who ever lived and she was killed by an angry mob armed with pitchforks and torches for giving birth to the most hated children ever.

Rarity: So the whole truth was covered up to make sure no one ever found out and hated them.

Me: That's correct.

Eli: Whoa man! That is terrible.

Varie: It was.

Aylene C.: Yeah it sure was.

Littlefoot: That is awful.

Me: Yeah. The Kankers were all totally evil monsters and bullies back then.

Laney: Yeah.

Nico: Life can't get any better for Eddy. His stalker's gone, he's accepted by everyone, and he's got all the Jawbreakers he can eat.

Me: That is an absolute fact. And all those jawbreakers are on an amazing planet covered in them.

Nico: Yep.

Gwen: And his brother is now redeemed.

Me: Yep.

Lola: And he has an awesome girlfriend. Our sister Luan.

Me: That is awesome.

Nico: Yes it sure was.

Me: Also lets not forget. I was the one that threw the Kanker's in prison and I saved the Ed's from being raped and violated.

Nico: I remember hearing about that!

Eli: Wow! Bro that is awesome!

Twilight Sparkle: How come you didn't remember that earlier?

Me: Some memories back then were still blurry. I still have fragmented memories from my Amnesia that I got earlier.

Twilight Sparkle: Oh right! You hit your head really

Camie: I didn't know about that J.D.

Me: I hit my head really hard while doing a daredevil move in gym class. I couldn't remember at all anything back then. I was a shadow lost in a world I didn't understand. Until I got hit in the head again and most of it all came back.

Nico: Wow.

Camie: Oh man.

Kaito: Alright, let's split up to cover more ground. The first person to find Heather reports it to everyone else.

We nodded.

Nico: Lets go!

We got to searching.

All Vroon saw was stinky bathrooms.

Vroon: So filthy!

Me: I know these bathrooms all too well Vroon.

Vroon: Wow.

I fired a wave of water and cleaned them all up and made them sparkling clean.

Rarity: Oh that is so amazing J.D.

Me: Thanks Rarity.

We searched the bathrooms and looked.

Me: Looks like the girls left their makeup here by mistake.

Laney put them in a toiletry box to give back to them.

Nico and the group searched the Mess Hall.

Nico: The Mess Hall.

Magine: I can't believe that Billy made all the contestants here eat all that gross food.

Lincoln: I remember seeing all that. Nico you wouldn't believe what J.D. and the contestants ate.

Nico: Can you tell me?

Lincoln: You guys aren't gonna like it.

Lincoln showed on his Laptop a video of the entire episode from chapter 140.

Week 4

We were all in the mess hall for our 4th challenge.

Chris: Campers welcome to your challenge. Now you all remember my favorite time during season 1. We are going to do THE BRUNCH OF DISGUSTINGNESS.

All: OH NO!

Me: I remember this challenge. Chris did a Battle of The Sexes version of this challenge.

Owen: That's right J.D. The Brunch of Disgustingness was the grossest challenge we all ever did.

Courtney: I heard you guys hurled your guts all over the place.

Alan: Oh man.

Naruto: This is not gonna be good.

Chris and Chef snickered.

Chris: All right campers. This is also gonna be a double-elimination round. Here's the rules. We will not be doing a Battle of The Sexes theme this time. You will be in your teams. You will each be given a 9-Course Meal and it will be gross and the dish you had will be grosser than the last. The team that finishes the most dishes wins.

Me: This is gonna be good.

Chris: I love that confidence J.D. First some hordearves.

Me: From what I remember the 1st dish was Bull Cahones.

Chris: An interesting way to put it. Heres the dish. Ants. White ants.

Me: Interesting. The people in Uganda eat these.

I eat them and they taste like chicken.

Me: Tastes like chicken.

Naruto: That's cool.

Naruto eats them and the team ate them too.

Chris: Team Atomic Owls wins round 1.

We cheer.

Chris: Good job Owls. J.D. how did you know that the Uganda people eat white ants?

Me: Me and my family traveled all over the world and I learned all sorts of unique cultures and more. Tried all sorts of weird food and more. It was an invigorating and educational experience.

Chris: I can believe it.

Me: I wish I could've gone with you guys on Total Drama World Tour. That would've been awesome.

Chris: I know. Next course: Soup. Moroccan Spicy Stew.

Me: I love Morocco Stew. The people in Morocco have some of the spiciest spices in the world and some are so strong that they can burn your stomach on the inside.

We had bowls of Morocco Stew in front of us.

Me: (Sniff) It smells really good.

I drink the whole bowl and a blast of fire explodes from my mouth.

Me: Yummy!

Chris: You are one tough guy J.D.

Me: I know. Plus I've been to Morocco and it's really good food and an interesting culture.

Chris: I believe it.

Chef Hatchett: I can tell that you have one love for super spicy food J.D. We salute a super spice maniac.

Me: It's true. And I'm flattered. But thanks.

Everyone ate their soup and endured the spice.

Chris: The Owls win Round 2!

We cheer.

Chris: You guys like pizza?

Me: Love the stuff.

Gwen: When we had this challenge in Season 1 he gave us Pizza with Jellyfish, live grasshoppers and live anchovies.

Me: Yuck! I saw that and that was gross.

Chris: Then how about the same thing guys?

Chris gave us a pizza with Grasshoppers, Anchovies and Jellyfish.

Me: Me and my big mouth.

Naruto: That is nasty.

Alan: I know.

Dawn: I believe your auras are fluctuating because of the gross food.

Me: I know Dawn.

Courtney: I heard that Trent didn't like this.

Me: I saw that. But lets eat it.

I ate a slice and it wasn't that bad.

Me: Different. But tasty. At least I'm not eating the jellyfish on Peanut Butter Sandwiches.

Mike: Peanut Butter and Jellyfish? Yuck!

Zoey: That is gross.

Sammy: I agree.

Me: That was a joke but it's the truth.

Amy: You're such a disgraceful wimp Samey!

Me: Shut up Amy. No one asked for your opinion.

We ate the whole pizza.

Chris: The Atomic Owls win Round 3!

We cheer.

Chris: Now for course 4: Spaghetti! Well earthworms covered in snail slime sauce and hairballs.

Me: I ate a worm on a dare back when I was 5 and it taste like chicken.

Bridgette: We ate this in this challenge and it was gross.

Me: But Geoff ate it right?

Bridgette: That's right.

I eat the worms and it was good.

Me: Yummy. My friend Lana eats worms and she loves them.

Gwen: Lana is one brave little girl.

Me: She sure is.

We all ate our plates clean.

Me: Done.

Chris: The Atomic Owls win round 4!

We cheer.

Chris: There are 5 more dishes left. Bon Apetite!

A montage plays and it shows us eating all kinds of disgusting food and the Atomic Owls ate them all. Dish 5 was rotten onion meatballs, dish 6 was Chum Smoothies, Dish 7 was Icelandic Rotten Shark shish-kababs and Dish 8 was Snake stuffed with squirrels.

Chris threw up and it was gross.

Chris: Oh man you guys are so gross!

Me: Sorry Chris. It's a good challenge.

Chris: All right then. It's time for desert and we'll have an eat off. J.D., Amy, join me.

We sat down and Chris gave us a dessert glass that had radioactive marshmallows in them.

Me: The Toxic Marshmallow of Loserdom?

Chris: Normally yes but it's for dessert. Now whoever eats theirs first wins the challenge.

Me: Interesting.

Chris: Yes it is. Ready? Go!

I picked up the Marshmallow and it didn't affect me.

Me: Radiation doesn't burn me. I have radiation immunity.

I ate the marshmallow and it was weird.

I gulp and suddenly I felt a nasty pain in my butt and then I felt something.

Me: Ouch!

I see that I had a tail and it was Punk Shock's tail.

Me: Cool! I have a tail! And it's surging with electricity.

Chris: The Atomic Owls win!

We all cheer.

Amy: I don't feel so good.

Amy projectile vomits everywhere and it set off a chain reaction of projectile vomiting and I projectile vomit all over Amy.

At the bonfire we saw Amy and Owen get eliminated and hurled.

Back at our cabin we were getting ready for bed, I stamped red X's on Amy and Owen's faces and I pulled out my laptop and called Lincoln.

Lincoln: Hey J.D.

Me: Hey Lincoln.

Lincoln: That was seriously some gross food we saw you ate.

Me: I know. But some of it was from my travels from around the world.

Lincoln: I believe it. That tail you got is really cool! What do you think you can do with it?

Me: We'll have to find out later.

Lincoln: Lana said it was the coolest and most awesome challenge you've ever done J.D.

Me: I can believe it. But everyone will probably think I'm very crazy after eating all kinds of disgusting food like that.

Lincoln: No we know it was part of the challenge and you were awesome!

Me: Thanks buddy. (Someone vomits in a bucket) We're very sick to our stomachs and it is not pleasent.

Lincoln: I can hear that. But congratulations on winning challenge 4 guys.

Me: Thank you. 5 down 6 to go.

Lincoln: Good luck J.D. We're rooting for you.

Me: Thanks buddy. See you next time.

The call clicked off and I hit the hay.

FLASHBACK ENDS

Nico: OH GOOD GOD! J.D. wasn't kidding about when he said he ate all that on his travels all over the world.

Lincoln: No he wasn't.

Applejack went to a trash can and hurled her guts out from what I ate!

Lana patted her back.

Lana: But I liked that episode.

Nico: But sorry about that.

Applejack: It's all right.

Nico: But that was how J.D. got a tail like Punk Shock? How freaky is that?

Lana: It was cool though.

They searched more all over the mess hall.

Maria: Nothing in the cafeteria.

Nico: Drat.

We regrouped.

Nico: This is getting ridiculous. Where can she be?!

Eli: I think I know.

Eli pointed to a mine in the middle of the island.

Me: I remember that mine. That's the mine that is flooded with radiation from season 4.

Gwen: I remember that. That was crazy!

Me: What the Hell was Billy thinking using radioactive materials like that!?

Nico: No fucking idea. Lets go.

We arrived.

Me: That mine always gave me the creeps.

Eli: Scary place.

Nico: Come on out, Heather! So we can use the Black Gates on you and get this over with! You can't hide forever!

We heard nothing.

Me: Maybe I can flush her out.

I fired an energy ball and threw it down into the mine and there was an explosion and then massive clouds of smoke blasted out and blew out a figure that screamed and it landed in a pool full of stinging jellyfish that packed billions of volts of electricity!

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

It was Heather and she was screaming as she was getting electrocuted!

We laughed hysterically!

Heather got up and she was ENRAGED AND BURNING WITH INTENSE RAGE AND FURY!

Nico: There's nowhere else to run, Heather. Just stand down and you'll be out of existence in just a few seconds.

Me: It'll save you a whole mess of pain!

Heather: DO I LOOK LIKE A FUCKING CARE!?

Me: You never gave a flying fuck about anything anyway.

Laney: Yeah! All you cared about was yourself.

Heather: Well I HATE YOU ALL MORE THAN LIFE ITSELF!

Our auras flared up with incredible power!

Me: Thanks for the power boost.

Heather: YOU RUINED EVERYTHING FOR ME! I COULD HAVE HAD A MILLION DOLLARS FROM THIS SHOW! BUT NOW! I WAS CHEATED OUT OF IT!

Me: It wasn't worth that much anyway. $1,000,000.00 in Canadian Money is only $880,000.00 in U.S. Money.

Nico: Yeah.

Heather: I DON'T CARE! NOW I WANT ONLY ONE THING AND THAT'S TO KILL ALL OF YOU FOR TURNING ME INTO A LAUGHINGSTOCK AND AN OUTCAST!

Me: You brought all that on yourself you narcissistic fucked up bitch!

Heather then screamed in intense fury and Gwen then punched her in the face and sent her crashing into a land mine and it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blasted her back into the pool and she got zapped again.

Juran: $880,000 is still a lot though.

Me: True but to us because of all the money we have that's nothing but small pocket change.

Juran: That does make sense.

Nico: He's right.

Heather got out again and she was EVEN MORE ENRAGED!

Gwen (Total Drama): I've had it up to hear with you to last an eternity, Heather.

Suddenly, something within Gwen's mind snapped as memories of what that bitch put her through were rushing through her mind, as her black eyes turned dark blue, and she was surrounded by a dark energy aura with dark angels, dark fire, and shadows, she unholstered her sword from her back, and as she approached Heather, she left dark energy, dark angels, dark fire, and shadows with every step.

Gwen (Total Drama): You've been nothing more than a nightmare not only to me, but to everyone that crossed your path. (Suddenly Getting Pissed Off) But, when you eventually crossed a big line last season when you ruined what could've been a romantic relationship between me and Trent and due to your scheming… , YOU'VE CROSSED ONE LINE TOO MANY, YOU HEARTLESS, TWO-FACED, MANIPULATIVE QUEEN BEE SATANIC BITCH, AND NOW, I WILL SEE TO IT THAT YOU DIE HERE AND NOW, AND YOU WILL BE FOREVER FORGOTTEN!

We gasped at the pure rage and fury Gwen had towards Heather.

Nico: HOLY CRAP!

Me: Yep, Gwen's fury has been unleashed, and it's been a long time coming for that bitch. HIT THE DECK!

We ran for cover, as Gwen screamed like a madwoman and then…

KRABOOOOOOOOOOOOOMMMMMMM!

There was a massive explosion and she was surrounded by a massive vortex of dark energy with dark fire and shadows surrounding it, there's a Havanian flying around the vortex, and in the vortex is a teal phoenix. Then, as the vortex, Gwen emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Gwen (Total Drama) grew to 6'11" in height, she had the body of a goddess, she has teal highlights in the bangs of her neck-length hair along with her teal streaks in her hair, she has neon dark blue eyes and a dark energy aura with dark angels, dark fire, and shadows surrounding her, she has a dark angel holding the Dark Kanji in her hands and The Moon right above her head emblazoned on her forehead, she has on dark angel earrings with teal blue gems for eyes and the Dark and Eternity Kanjis in her hands and her Crystal Necklace of the Buddha with teal gems on the Moon-shaped gold links and teal crystal links and a teal angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a dark angel with teal gems for eyes and holding the Dark and Eternity Kanji in her hands for the pendant, she has on a black long-sleeved shirt with teal phoenix on it, black skirt with dark angels on it, black leather knee-high combat boots with skulls for the buckles, and a black long sleeveless trenchcoat with creatures of darkness on the coattails and shadows on it, and on the back are The Castle of The Vampires surrounded by dark angels and on top of the castle is the full moon. Suddenly, Gwen felt a sharp pain on her back, and then, her black angel wings grew for her new body, now she has massive black angel wings with teal tips on the large black feathers, she has on a Ring of The Phoenix with teal gem and heart-shaped gem embedded in it on her right ring finger and her Black Lantern Corps ring on her left ring finger.

Suddenly, Gwen's massive Sword of The Goths of Darkness and Destroyer of Billy McLean swords began merging together, and they were surrounded by a kaleidoscope of dark energy, shadows, dark fire, and dark angels, and when it emerged, it was transformed into Havania's Dark Angel Greatsword of Gothic Dark Justice, it's a brand-new greatsword with the symbol of The Goths of Darkness and a Havanian angel etched on the 7'0" massive, wide, double-edged black blade, black angel wings for the crossguard, large teal gem embedded in the rainguard, longer black handle, and large teal gem with surrounding black angel wings for the pommel, she has on her brand new gold cuff Bracelets of the Champions of The Universe with large teal gems on her wrists, her gold Belt of Elemental Bravery with gold angel with teal gems for eyes and a large teal gem in her hands for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a teal kanji below the The Castle of The Vampires that said, "Gwen, Half-Human Half-Havanian Angel of Canada, Best Friend of Courtney, Friend to Many, Despiser of Billy McLean, Destroyer of The Satanic Queen Bee Heather and The Total Drama Sore Losers, Member of The Goths of Darkness, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness and Dark Angels"

グウェン、カナダのハーフヒューマンハーフハバニアンエンジェル、コートニーの親友、多くの友人、ビリーマクリーンの嫌悪者、悪魔の女王蜂ヘザーの破壊者とトータルドラマの痛い敗者、闇のゴスのメンバー、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして闇とダークエンジェルのマスター

Gwen has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS HAVANIAN ANGEL OF DARK GOTHIC JUSTICE AND DARKNESS LOVE!

We were amazed by Gwen's Super Angel Eternity Infinity transformation, but when Heather saw it, she flew into a demonic rage and tried to kill Gwen, but Gwen fired a powerful dark energy blast with shadows, dark fire, and dark angels and it hit Heather, and she crashed into a tree.

Nico: AW YEAH!

Me: Take that, bitch! You've had this coming for a long time!

Gwen (Total Drama): (Divine Echoing Cosmic Voice of The Darkness Havanian Angel and Divine Dark Love) **You're right, J.D., Heather's had this coming for a very long time.**

Zocks: (gets out Gaim gear) This is honor of Kaito Kumon, who was a little like you but a lot more different.

Kaito: (gets out Wizard gear) It's weird how he and I both have the same first name.

Me: Lots of people have same first names but they aren't related.

Kaito: True.

Zocks got Kamen Rider Gaim's fruit swords and Kaito got Wizard's swords and rings.

Me: I think we'll demonstrate some Change Auras.

Hiiryu: Lets do it then.

Ingrid: I know one. RAVEN SPIRIT POWER!

She flared up a black aura in the shape of the Raven Spirit from Alaskan Myth and it was Imbued with the powers of Felix Faust and she fired a beam of magic and it hit Heather in her back and burned her.

Me: WHOA! The Raven Spirit in Alaskan Myth is a symbol of Guidance.

Nico: Awesome!

Zarya Moonwolf: Let me see here. QALLUPILLUIT POWER!

Zarya flared up a neon blue aura in the shape of a Quallupilluit, the Boogeyman of Alaskan Inuit folklore and it had Knightbrace's powers in it and she fired a wave of toothpaste and it hit Heather and burned her in her eyes!

Nico: WHOA!

Me: Wow! The Qallupilluit from Alaskan Inuit Folklore. That is amazing.

Dante: Yeah! Lets see how she likes this nightmare. EL CUCUY POWER!

Dante flared up a Yellow Aura in the shape of the Mexico Boogeyman, El Cucuy from Mexican Myth and it was imbued with Devack's powers and he fired a blast of yellow fire and it slammed into Heather and burned her bad!

Me: Wow! Ronnie Anne and the Casagrande's would love to see that one.

Lincoln: El Cucuy is the Mexico Version of the Boogeyman.

Me: Yep.

Gwen went after Heather, and she fired powerful blasts of dark energy, shadows, dark fire, and dark angels and they explode with incredible power as they hit Heather. Then, Gwen attacked Heather with her massive greatsword and she left painful scars on her, and the worst humiliation came when Gwen slashed off Heather's hair and she was bald yet again, and she screamed in pure insane rage.

Nico: We need to finish her off before the next Another Ranger gets here!

Nico then fired a blast of energy and it hit Heather and exploded. Knocking her down.

Gwen went up to her and she drew a kanji on Heather.

Gwen: **UZUMAKI BLACK JUDGEMENT SECRET ART: BLACK GATES!**

She was then surrounded by all the spirits of those she hurt and they found her guilty and Heather was fading away.

Heather: (ENRAGED GROWLING) I HATE YOU GWEN! (FADES)

She was gone forever!

Nico: Good riddance.

Gwen: **Yeah.**

Gwen holstered her massive new greatsword on her back and powered down, and her new body, clothes, weapons, jewelry, and massive black angel wings are permanent.

Gwen: Good riddance and don't you dare come back!

Nico: We're not done yet.

We heard Eerie Moaning and we saw a figure come out and it was a scary version of Zenkai Red! It was a really scary version of Kaito's Zenkai Red form with a scary helmet!

Nico: WHOA! Another Zenkai Red!

Me: Not Another Impersonator! But I forgot that Kaito has 2 forms, Zenkaiser and Zenkai Red.

Nico: That is cool!

Kaito: I never thought I'd see ANY version of this form again.

Me: This form was based on the VERY FIRST Super Sentai Red Ranger from back in 1975. It was for Gorenger back then.

Nico: Right! I forgot all about that one.

Hiiryu: Man its been years since that one came out.

Me: Well it was 10 years before you guys Hiiryu.

Sayaka: That is amazing though.

Me: Yeah.

Nico: Rest assured we'll still fight Another Akarenger in the future.

Me: That will be interesting to see. Another Ranger for 1975's Super Sentai.

Lola: It sure will be.

Me: But lets find out who this one is. Who are you!?

Another Zenkai Red: (In a girls voice) Just here for a good fight for fight club.

Me: (Gasp) That voice!

It reverted back and we saw that it was a girl with indigo blue hair and she had a beautiful blue dress and had a powerful and strong physique and she had the kanji for Sapphire emblazoned on her forehead.

Me: (GASP) Sapphire Simpson!

Sapphire Simpson: Been a long time J.D.

Nico: You know her J.D.?

Me: I sure do. She was my partner in tag-team boxing in high school. She and I really dominated the ring. We thrashed the toughest opponents in all of the sport and we even won the high school state championships 6 times in a row.

Nico: Wow! That is really impressive.

Me: Yep. But she disappeared just as I was about to move to Michigan.

Sapphire Simpson: Good times back then. They were sure fun too.

Laney: That is really awesome.

Me: Yep.

Nico: Swartz used that same trick before. This is no fight club.

Me: Yeah it's a pack of lies and bullshit.

Sapphire Simpson: We'll see about that one.

She was enveloped in a vortex of darkness and she turned into

ANOTHER ZENKAI RED!

Zocks: I never joined the team at the time the original Zenkai Red was around.

Me: Looks like you're going to get your shot at facing this one.

Nico: Yep. It's Buttkicking time!

Me: Sorry about this Sapphire but this is for your own good. Lets see how you like this one. NGAMOEYEIK POWER!

I flared up a green aura and it was in the shape of the Ngamoeyeik Crocodile from Myanmar Myth and it was imbued with Evilseed's powers and it fired fruit blasts at Another Zenkai Red and smashed her all over.

Nico: WHOA!

Me: That was the Ngamoeyeik from Myanmar Myth.

Laney: Cool!

Nico: Let's see the collectibles this time.

Another Zenkai Red: Here it comes.

She activated the Sentai Gear for the Cheese Monster and fired globs of cheese!

Me: WHOA! HODAG POWER!

I flared up an orange aura in the shape of the Hodag from American Folklore and it fired waves of cheese with the Cheese Monster's powers and the blasts collided and splattered all over Nico and drenched him in cheese!

Laney: Wow!

Camie: She has Sentai Gears for the Non-Core members of the Masters of Evil!

Me: Yeah!

Tsuyu: But what's a Hodag?

Me: It's a Legendary Creature from American Folklore that is said to have been around in Wisconsin.

Nico: (Licks off Cheese) Mmm! Just as good though.

May licked the cheese off Nico too.

May: You are tasty Nico.

Nico: (LAUGHS) (takes out Sentai gear for Roquefort) Time to fight cheese with cheese!

He fired cheese wheels of gouda and they smashed Another Zenkai Red all over.

But then we heard really thunderous footfalls!

Me: WHAT THE!?

Eli: What was that?!

We heard a loud roar.

Ingrid: Is that the Gene Slammer?

Me: I think so!

We then saw a REALLY HUGE CREATURE COME OUT! IT WAS A PHYREXIAN INGESTER!

We gasped in shock at the size of it!

Nico: WHOA!

Me: A Phyrexian Ingester!

Laney: HUGE!

It roared and looked at Another Zenkai Red.

Phyrexian Ingester: (In a girls voice) So you are the Zenkai Red imposter!

Nico: Dorothea Qinsley!

Phyrexian Ingester: Yep. Awesome to see you again Nico.

She then reverted back and was a girl with blue hair and blue clothes and she had the symbol of the Phyrexians tattooed on her right arm.

Nico: YEAH!

Dorothea: I got this.

She fired a wave of energy and it hit Another Zenkai Red and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch and purified it.

Me: Yeah!

We picked up Sentai Gears all over and they were awesome. I went over to Sapphire.

Sapphire Simpson: (Groans) What a splitting headache! I feel like I drank a barrel of vodka.

Me: It's an ugly story Sapphire.

I picked her up and carried her on my back.

Nico: By the way, Gwen, you're going with Lincoln on his rescue.

Gwen: You got it Nico.

Dorothea Qinsley: But that was a great rescue though. I saw you destroy Heather. To be honest Gwen, I loathed that viper with EVERY FIBER of the core of my being.

Gwen: I can tell. But thanks.

Ingrid Third: What's your favorite memory of Nico?

Dorothea Qinsley: I have a lot of them. But my favorite is when me and Nico took on the biggest pizza ever. We went to a restaurant that made massive 100" Pizzas and we finished the whole thing and got $80,000.00 and free pizza for life. We became the very first to eat the whole thing.

Nico: I remember that. Awesome times.

Me: That is amazing!

Lola: Wow! A 100" Pizza!? That must have been like 50 pounds of food.

Nico: It was!

Me: That's ridiculous!

Nico: It was but it was cool.

Me: Yep.

Nico and Dorothea hugged.

Nico: I've really missed you.

Dorothea Qinsley: Me too Nico.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Total Drama Gwen are heading to Detroit, Michigan, and not only is Lincoln going to rescue the five girls here, but we're also going to have fun exploring Detroit, but we also got word that Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski have come back from the dead, and they want revenge again.

Lincoln: Wow, we're here in Detroit, Michigan, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to have fun exploring Detroit.

Nico: That's right, big guy, but we also got word that Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski have come back from the dead, and they want revenge again.

Rayne: Those five just don't know when to give up.

Lincoln: But, this time, they're getting The Black Gates, Rayne, and this time, they're never coming back. And thanks for joining us, Gwen.

Gwen (Total Drama): You're welcome, Lincoln, and this is really going to be the last time Rayne's evil father and twisted half-siblings dare to come back.

Me: You said it.

We explored all of Detroit, and it's been doing quite well ever since the fall of The Black Daffodil Gang years ago.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski, and they're going to kill them.

Lincoln: Guys, I found the five girls, but they've been cornered by Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski, and they're going to kill them.

?: Those psychopathic evil vampires, let's get them!

Suddenly, we saw the Duel Monster, Knight of the Red Lotus, appear before us.

Nico: Whoa, that's the Duel Monster, Knight of the Red Lotus, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Rosie Davis, but we'll talk later, it's time to get rid of Rayne's evil father and her twisted half-siblings once and for all.

We then rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski and it blindsided them, and it allowed the five girls to get to safety. When the five evil vampires saw us, they were pissed, but so was Rayne.

Rayne: You just don't know when to stay gone for good, do you, Kagan? I thought we were finally rid of you, along with your sick twisted children last year. But, this is the absolute last time we ever have to deal with you five.

Suddenly, Rayne's emerald green eyes had turned neon emerald green and she was surrounded by a crimson red and black energy aura with dark shadows, vampires, and vampire bats, she unholstered her Defender of Brimstone large sword from her back, and as she approached Kagan, she left crimson red and black energy, dark shadows, vampires, and vampire bats with every step.

Rayne: You five still make me absolutely sick just looking at you, and I can never forgive any of you for what you've done, especially you, Kagan, you raped and murdered my mother and wiped out my mother's family, and now, it's time for you all to pay the price for everything you all have done.

Suddenly, Rayne was suddenly surrounded by a massive vortex of crimson and black red energy with dark shadows surrounding the vortex, there's a vampire bat flying around the vortex, and inside the vortex is a black phoenix. Then, as the vortex faded, Rayne emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rayne grew from 6'0" to 6'11" in height, she has the body of a goddess, she has blood red highlights in the bangs of her neck-length crimson red hair and she doesn't have on the black ribbons attached to large rings looped into her hair, she has neon emerald green eyes and a crimson red and black energy aura with dark shadows, vampires, and vampire bats surrounding her, she has a vampire bat with the Leviathan Cross, the sigil of The Brimstone Society, in its claws and three drops of blood emblazoned on her forehead, she has on bat earrings with blood red gems for eyes and the Leviathan Cross and the Dark and Eternity Kanjis in its claws, she has a vampire bat with blood red gems for eyes and the Dark and Eternity Kanjis in its claws for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts, her new Elemental Thunderbird Choker Necklace of Eternal Love, and her red jeweled necklace with the Leviathan Cross inside the red jewel, she has on a black sleeveless midriff corset with tinges of red, black leather pants, black high-heeled knee high combat boots, and a long black sleeveless trenchcoat with vampire bats on the coattails and on the back is the Leviathan's Cross, the sigil of The Brimstone Society with drops of blood and vampire bats surrounding it. Suddenly, Rayne felt a sharp pain on her back, and then, her massive crimson red angel wings on her back have gotten a little bigger, and the large crimson red feathers have black tips. Rayne has on a Ring of The Phoenix with a blood red gem and heart-shaped gem embedded in it on her right ring finger and Red Lantern Ring on her left ring finger.

Suddenly, Rayne's Defender of The Brimstone Society large sword and Sword of The Goths of Darkness began merging together, and they were surrounded by a kaleidoscope of blood red and black energy, vampire bats, blood, and shadows, and when it emerged, it was transformed into Brimstone's Blood Greatsword of Dark Gothic Dhampir Justice, it's a brand-new greatsword with the symbol of The

Brimstone Society, The Leviathan's Cross, etched on the 7'0" massive, wide, double-edged blood red blade, large black angel wings for the crossguard, large blood red gem embedded in the rainguard, longer black handle, and large blood red gem with surrounding black angel wings for the pommel, she has on her brand new gold cuff Bracelets of the Champions of The Universe with large blood red gems on her wrists, her gold Belt of Elemental Bravery with gold Leviathan's Cross with blood red gems around it and a large blood red gem inside it for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Rayne has transformed into SUPER ANGEL ETERNITY INFINITY DHAMPIR DARKNESS BLOOD ANGEL OF BLOODSTAINED JUSTICE AND DIVINE BLOOD LOVE!

We were amazed by Rayne's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski saw it, they fell into a black rage and tried to kill her, but Rayne fired five blood red and black energy blasts, and they hit Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski, and it sent them flying onto the concrete, and it pissed them off even

more.

Nico: Whoa, Rayne's transformed into her Super Angel Eternity Infinity form, nice.

Me: This is going to get really bloody in a second.

Lincoln: Wow, Rayne, you look beautiful. How do you feel?

Rayne: (Divine Echoing Cosmic Voice of The Blood Dhampir Angel and Dark Dhampir Justice) I feel incredible, Lincoln. Now, shall we put an end to Kagan and the siblings once and for all?

Lincoln: (Smiles) With pleasure, Rayne.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Rayne.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) This is the absolute last time we ever have to deal with you and Rayne's twisted half-siblings, Kagan. Come on, gang, let's get them.

TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity

Then, Rayne pinned Ferill, Ephemera, Xerx, and Zerenski to the wall with dark energy hands, and Lincoln then put Kagan into a brutal bear hug, and as Lincoln sank his fangs into the right side of Kagan's neck, Lincoln began drinking Kagan's blood and the Vesper Shards embedded in Kagan's flesh were removed. Then, Lincoln began absorbing Kagan into his body, and he was assimilating Kagan's raw power and abilities, and it horrified Rayne's evil half-siblings, and they too met the same fate as Lincoln went after them one by one and he put them into a brutal bear hug, sank his fangs into their necks, drank their blood, and absorbed them into his body, and assimilated their powers and abilities.

Then, five energy cards appear in Lincoln's large left hand with the souls of Kagan, Feril, Ephemera, Xerx, and Zerenski inside them, and as the kanjis appeared on their foreheads, they were erased by the Black Gates. We cheered wildly as we holster our weapons and power down, and Rayne's new body, clothes, weapons, jewelry, and massive red angel wings are permanent.

Rayne: Now, you five will never ever come back and torment me again. Thanks for helping me put those bastards down again, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Rayne.

Suddenly, Rayne wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans his face down to Rayne's face, they kissed passionately as Rayne's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and vampire bats flying behind them and we cheered wildly.

Nico: That's the last time we ever have to deal with Kagan and Rayne's evil half-siblings.

Me: You said it, Nico. Now, this time, Rayne's mother and her family can finally rest in peace.

Eli: Yeah.

Lincoln: Rayne's hunted down and destroyed Kagan's family tree, one by one all over the world for the past 70 years, and now, it's finally over. (To Rosie Davis) And it's good to see you again, Rosie Davis.

Rosie Davis reverted back to normal, and she's a beautiful girl with long flowing rose red hair, rose red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful red angel wings, and she reigned in the power of Knight of The Red Lotus, and she's dressed in a short-sleeved black and red blouse, sleeveless red midriff top, red skirt, red pants, red sneakers, and long sleeveless red trenchcoat with flames and knights on the coattails, and Knight of The Red Lotus on the back, and holstered on her back a large Knight of The Red Lotus-themed greatsword with Knight of The Red Lotus etched on the 7'0" massive, wide, double-edged red blade, red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Rosie Davis: You too, Lincoln, it's been a long time.

Lincoln went up to Rosie Davis and they hugged, and Rosie Davis' very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were eleven, and as you can see, I really grew a lot since then.

Rosie Davis: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her.

Lincoln: Indeed I do, Nico, this is Rosie Davis, she's my Guardian Angel from North Dakota, she's a master at swordfighting, an expert in the wilderness, and skilled in survival tactics and techniques. She and I have gone out into the woods many times and she's also helped in teaching me survival skills.

Nico: That's awesome.

Lincoln: And she's also taken on the absolute worst of Lynn's wrath.

Me: Uh oh, I wonder what Dark Lynn did this time to earn her punishment from Rosie Davis?!

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Rosie Davis's neck with red gems on the gold thunderbolt links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love.

Rosie Davis: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, and that means you're now part of my harem and one of my many future wives, Rosie.

Rosie Davis had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Rosie Davis' waist and Rosie Davis wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Rosie Davis' face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Claire Cruz A.K.A. Nina Viento, Ariel Albus, Chiharu de Lucia, Nanako Hanasaki, and Sharon Molkos from The Pilot's Love Song.

Lincoln: Oh wow, it's Claire Cruz A.K.A. Nina Viento, Ariel Albus, Chiharu de Lucia, Nanako Hanasaki, and Sharon Molkos from The Pilot's Love Song.

Me: Awesome.

Lincoln: Are you girls okay?

Claire Cruz: Yes, we're okay, thanks to you.

Then, when Claire Cruz and the other four girls saw who it was that saved them from Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski, saw who it was that saved them from Patch D'Coolette, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and

Claire Cruz: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Claire Cruz: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Claire Cruz A.K.A. Nina Viento, Ariel Albus, Chiharu de Lucia, Nanako Hanasaki, and Sharon Molkos with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villains we went after were Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski, who came back from the dead and they wanted revenge.

But, when Lincoln showed what we did to those five vampires and Rayne transforming into her new Super Angel Eternity Infinity form, and Lincoln feeding on and absorbing them into his body and banishing them to The Black Gates, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Rosie Davis have a lot of catching up to do now that she's back in town, and now, we're finally rid of Kagan and Rayne's twisted half-siblings for good, and they're never coming back.

---

After finally getting rid of Kagan, Ferill, Ephemera, Xerx Mephistopheles, and Dariel Zerenski and this time for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Rosie Davis saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Rosie Davis: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rosie, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rosie Davis: That's incredible.

Nico: It sure is. So, Rosie, how did you take on the absolute worst of Lynn's wrath?

Rosie Davis: That's one tale I've never forgotten. One day, Lincoln and I were out in the wilderness and I was teaching him on how to build a fire and set up a campsite, and he was getting the hang of it. Next, we headed out to the creek, so I can teach him how to catch a fish with his bare hands, and he caught a huge red snapper in his hands.

Nico: Whoa, now that's awesome.

Rosie Davis: It sure is, but our fun day and lessons in the wilderness were ruined when a barrage of soccer balls came flying out of nowhere and destroyed our campsite, ruined our fire, and knocked the red snapper out of Lincoln's hands, and then, we saw who it was that did this: it was Lynn. I knew that pig would ruin everything for us, but then, I saw that she had a knife in her hands and she was going to kill Lincoln and me as well. We then had to use our survival skills and self-defense skills if we were to stop Lynn, I kicked the knife out of Lynn's hand, and we used martial arts and we knocked her out, and then, I tied her up in rope, so she couldn't escape. Then, we saw Vanzilla and Lori came out, and wanted to see if we were okay. We told her we were okay, and we tied up Lynn who wrecked our camp and our fun. Lori then took us back to The Loud House, and I told Mr. and Mrs. Loud of what Lynn did in wrecking our camp, and that she tried to kill me and Lincoln. Lynn got grounded for eight weeks and she was put in an isolation cube in the basement. But, our fun wasn't entirely ruined by Lynn, we then set up a campsite in the backyard, and we also had s'mores, and we slept under the stars.

Me: Now, that was one awesome story.

Nico: Yeah, and I can't believe Lynn wrecked your campsite, ruined your fire, and knocked the red snapper Lincoln caught, that was a bust. I wonder what caused her to get set off like that?

Lincoln: I know what it was, earlier before Rosie and I went out to the woods, I told Lynn that I wasn't going to be her so-called "sparring" partner anymore, when the Guardian Angels and I know she just wants to beat me up and make me cry, while she laughs at my pain and suffering, and that's what set her off that day.

Nico: Yeesh.

Me: At least those dark sides will never cause anymore trouble.

We then got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Vice-Director Matic, and he's causing havoc.

Strider Hiryu: Matic, I should've known he'd show up.

Lincoln: Oh man, he's the Vice-Director of the Striders, and he's one cruel, coldhearted individual, who rules with an iron fist and does not hesitate to use violence. We need to stop him, let's go.

We flew out of the World Tree Estate and Lincoln fired rainbow energy balls and elemental forces at Vice-Director Matic, and when he saw us, he was enraged.

Vice-Director Matic: You've ruined my plans for the last time, Hiryu, and now, I will have my revenge.

Strider Hiryu: That's not going to happen, Matic, your days of tormenting the innocent are all over.

Suddenly, the blue eyes of Strider Hiryu, Genis Sage, and Presea Combatir turned neon blue, and they were surrounded by colored energy auras with elemental forces and mythological animals, and as they approached Matic, they left colored energy, elemental forces, and mythological animals with every step.

Strider Hiryu: I'll never forgive you for the crimes that you've committed, Matic, along with the pain and suffering you've caused, and now, we will see to it that you never return to hurt anyone again.

Genis Sage: Your days are officially numbered, you monster.

Presea Combatir: And you deserve no mercy for the pain you've caused.

Suddenly, Strider Hiryu, Genis Sage, and Presea Combatir were surrounded by massive vortexes of colored energy with elemental forces surrounding them, there are mythological animals flying around the vortex, and inside the vortexes are colored phoenixes. Then, as the vortexes faded, Strider Hiryu, Genis Sage, and Presea Combatir emerged, but they were changed forever.

Presea Combatir has transformed into SUPER ANGEL ETERNITY INFINITY EARTH PHOENIX ANGEL OF NATURE JUSTICE AND DIVINE EARTH LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Strider Hiryu, Genis Sage, and Presea Combatir, but when Vice-Director Matic saw them, he flew into a rage and was about to attack, but the three of them attacked first by firing energy blasts at him.

Genis Sage: (Divine Echoing Cosmic Voice of The Arctic Magic Phoenix and Divine Arctic Hope) **Presea, Strider, let's put an end to Matic for good.**

Presea Combatir: (Divine Echoing Cosmic Voice of The Earth Phoenix and Divine Nature Love) **Let's do it, Genis.**

Strider Hiryu: (Divine Echoing Cosmic Voice of The Arctic Phoenix and Divine Arctic Hope) **Time to die, Matic.**

Strider Hiryu, Genis Sage, and Presea Combatir went after Matic, and they fired powerful blasts of bluish-purple energy, blue and white energy, and pink energy, magic, laser blasts, plasma blasts, Earth, wood, and mythological animals at Matic, and they exploded with incredible power as they hit him. Then, they attacked him with their weapons and left scars on him, and then, they fired black energy blasts which hit Matic, killing him and he was erased by The Black Gates after being found guilty of his crimes by those he's killed. We cheered wildly for what Strider Hiryu, Genis Sage, and Presea Combatir did as they holster their weapons and power down, and the new bodies, weapons, clothes, jewelry, and massive angel wings of Strider Hiryu, Genis Sage, and Presea Combatir are permanent.

Nico: That's one evil CEO that got his just desserts for the crimes he's committed.

Me: Yeah.

Lincoln: What Matic did has proven that he deserved to be erased from existence for good. Now, the fallen Striders who fell because of Meio's plans and Matic's schemes can finally rest in peace.

We returned home to the World Tree Estate, and we got rid of another of Strider Hiryu's enemies for good.

---

We then got ready to go to the Bowling Alley.

Nico: It's Georgina and Cody's turn for some bonding.

Me: Yep and we're gonna go to the bowling alley for that.

Georgina: It'll be awesome to go bowling.

Lola: Yeah it sure will.

Cody Burns: I've never gone bowling before. It'll be fun.

Eli: It sure will be awesome.

Nico: Yep. Lets go.

We were off to the Bowling Alley.

Aligned Heat Wave: There's actually no bowling alley in Griffin Rock.

Nico: I know. That's why we're going to the one here.

Georgina: Yep.

Me: But that's a shame there isn't one in Griffin Rock. We'll have to see if we can have one built there.

Laney: That's a good idea.

Qin: Yeah I like it.

We arrived at the Bowling Alley.

Nico: Considering your strength even as a human, this is perfect for you.

Georgina: Yeah.

We got to bowling.

BOWLING CRASH!

STEEERIKE!

Nico: YEAH!

Aligned Heat Wave: Nice!

Georgina: WOOHOO!

Nico: So, do you enjoy having Quickshadow as a partner?

Georgina: You bet I do Nico. She's awesome.

Qin: And she is really fast and stealthy too.

Nico: Yep.

Georgina: Yeah she is.

Cody Burns: Okay here goes.

He then grabbed a ball and then rolled it and then…

BOWLING CRASH!

It knocked down all the pins except for the dreaded 7-10 Split.

Me: The Nefarious 7-10 Split. The Fencepost.

Nico: That was still a good throw.

Me: Yeah.

Fred Flintstone: (Laughs) I know how to deal with these.

Nico: Oh cool. Here comes the iconic Fred Flintstone Bowling Strike.

Fred Flintstone: Just keep your eyes on the ball boys.

He geared up and tinkled his toes and threw the ball into the air and then it bounced and the ball split in two and knocked down the pins.

Georgina: WOOHOO!

Twilight Sparkle: That was great!

Nico: They don't call Fred an iconic bowler for show.

Carlos: That was one that Strikes ya! (Laughs)

Kids: CARLOS!

We laughed at his joke!

Simone Honou: That was a good one though.

Luan: (LAUGHS) That sure was.

Leandro Chan: Nico, I said some things to you back when Penelope was on the verge of dying that implied that I was considering on disowning you…

Nico: I know dad. I know. You were just upset and that is understandable. But like everyone said, there are times when Superheroes have to make hard decisions they don't like doing.

Leandro Chan: That's true. But I'm proud of you for doing the right thing.

Nico: But I won't deny that you saying those words hurt me inside a little.

Leandro Chan: I know son. And I'm sorry.

Nico: Oh I accept your apology. I was just conflicted is all.

Me: Lets see how you guys like this one.

I went up and rolled the ball and the pins looked like Patrick.

Patrick Pins: Yurrgh! [the bowling ball hits the Patricks, transforming him into several pins. A "strike" symbol appears. Another "strike" symbol then appears after the bowling ball falls into the back and crashes the Patricks again!]

SpongeBob: You okay, Patrick?

Patrick Pins: [painly] Finland!

We laughed!

Me: SSTTTTTEEEEEERIKE!

Cody Burns: Was that really Patrick?

Me: No that was just me making it look like Patrick with a genjutsu.

Nico: That was really funny.

Sunny Starscout: But that was awesome though.

Me: Thanks.

Georgina: My turn!

She went over and then rolled the ball and it hit the pins.

BOWLING CRASH!

STEEERIKE!

Nico: YEAH!

Georgina: OH YEAH!

Me: Boy this is awesome!

Nico: Who wants to go next?

Eli: I will! I want to try the biggest number of pins ever.

Me: I think I have just the number for you bro.

I pressed a button and then out came an alley with 100 pins!

CLANG!

Many of our jaws dropped!

Nico: Whoa!

Eli: Oh it's on.

Nico: Do they even fit?

Me: The lane was expanded to fit.

Nico: Oh.

Eli then went over and rolled the ball and then!

KRASSSSMAAAAAAAAAAAAAASSSSSHHHH!

HE KNOCKED THEM ALL DOWN!

We cheered wildly!

Nico: SUPER STRIKE!

Cody Burns: Nice one!

Nico: YEAH!

Eli: WOOHOO!

Fred Flintstone: Now that was amazing Eli!

Eli: Thanks. That was so awesome and fun.

Georgina: Yeah it was.

Nico: Quick question. No one can break into here, right?

Me: Yeah why?

Nico: Well I think we have company.

We then saw a scary figure appear and it was ANOTHER IBUKI! It was a scary version of Kamen Rider Ibuki from Hibiki!

Nico: Whoa!

Iori: Is that another me!?

Me: It's Another Ibuki! Not good!

Iori: You have some nerve impersonating me!

Me: Yeah! Who are you!?

Another Ibuki: (In a Girls Voice) (British Accent) Oh I'm terribly sorry for interrupting your fun game chaps.

She reverted back and Nico recognized her!

Nico: Wendy Winslow Tudor III!

Wendy Winslow: Ah you remember me Nico. I'm glad you do my good man.

Me: Wait a second. I remember reading about you. You're Wendy Winslow Tudor III The Gentlewoman Thief. You are the most notorious gentleman jewel thief and pickpocket in all of England and Europe. You are widely known for stealing some of the most priceless jewels in all the biggest museums of the world.

Wendy Winslow: That is correct my good man. And yes I have made quite the most fearsome reputation as a prominent master thief.

Iori: Are you good or bad?

Wendy Winslow: A little bit of both actually. You see, I am actually a robin hood thief. I steal the most priceless jewels and money from greedy nobleman and corrupt officials all over the world and give them to the poor and the needy. I am known as the Robin Hood of Europe.

Me: I like your style.

Sly Cooper: That is definitely something that I would do. You are definitely worthy of the title of master thief.

Wendy Winslow: Indeed Sly. And like you I too myself come from a long line of thieves.

She showed us an ancient book that her family has wrote for generations. It was called the Winslow Thief Chronicles. It has all the secrets of the Tudor Thief Clan that date back to 10,000 B.C. and her family has been stealing from the same kinds of criminals for eons!

Me: I am very impressed. I didn't know there was a clan that has been stealing for many eons. You and the Cooper Clan would really make awesome partners and allies. Did you lose your family like how Sly did?

Wendy Winslow: Alas no. My mother and father retired to an isolated island to live in peace from thieving.

Me: Ah.

Nico: And let me guess. Swartz gave you this power, right?

Wendy Winslow: Yes he did. And I unfortunately don't find it well suited for my tastes.

Me: Well you would make an awesome addition to the team. Your thieving talents would be perfect for a new branch team I have in development.

Nico: I agree.

Wendy Winslow: I would be more than willing to join you all if you defeat me and liberate me from this power.

Me: Deal.

Georgina: You're not the only who had a power forced on her!

Me: Many people have been forced into Swartz's forces.

Wendy Winslow: I can see that and you have my most sincere of condolences for all that.

Megan Kiraton: Thank you very much.

Me: Then shall we get it on then?

Wendy Winslow: We shall my good man.

She walked up to me and pulled out a white glove and slapped me across the face.

Me: I accept your challenge.

Wendy Winslow: Excellent.

She jumped back and was enveloped in a swirl of darkness and she reverted back to Another Ibuki!

Georgina: (hair starts to fall out) This is what I'm referring to!

She turned into STONEBITER!

Another Ibuki: I see.

Me: KIBAL LETS HOWL!

THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!

I turned into WOLF MOON 🌙!

Iori charged at Another Ibuki.

Iori: HENSHIN!

PING!

He turned into Ibuki!

Another Ibuki jumped and landed on a table.

Me: All right then.

I pulled out my Disk Animal for the Phoenix.

Me: Go get her my fiery friend.

I had it form into a phoenix and then it went at her and she dodged it and the Disk Animal blasted her all over with fire.

Nico: Your move!

She pulled out a scary trumpet.

Me: Nice trumpet my friend.

Another Ibuki: Indeed.

She played a tune and fired a beam of energy and I deflected the blast back and it hit her all over.

Me: Time for this. (Activate's Air Man EXE's Ridewatch) WIND STORM BLAST!

I fired a wave of wind and smashed her down.

Aligned Heat Wave: That all you got?

Another Ibuki: I've only just begun.

Nico: So have we.

Tara: PELE POWER!

She flared up a red aura in the shape of Pele, the Hawaiian Goddess of fire and using Axel's powers she fired a blast of fire and it hit Another Ibuki and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

I caught the Ridewatch and purified it.

Me: Nice.

We saw Disk Animals all on the ground and they were imbued with the non-core members of the M.O.E. We picked them all up and I went over to Wendy and picked her up.

Me: A deal is a deal.

Nico: I hope you two still had fun.

Stonebiter: Oh we did!

Nicole gave Stonebiter new clothes and she went in to the bathroom and reverted back and she was in her clothes.

Georgina: Ahh that's better.

Qin: But this was awesome.

Lola: Yeah it was!

We later went back home.

---

We were about to watch TV.

Tae Kwon Crow was watching TV.

Tae Kwon Crow: Time to see what's on TV.

He turned it on and then he saw a news report.

News Reporter: And in recent news a massive nationwide raid of numerous High Profile figures homes resulted in the arrests of over 582,333 Mean Queen Bee Girls.

Tae Kwon Crow: Wow! Look at this guys!

We came.

Princess Daisy: Our new law worked wonders.

Me: Boy it sure did.

Nico: Where are all those girls going to go?

Me: Well if they are declared too dangerous and irredeemable they will be deported and sent to a boarding school in Oymyakon, Russia.

Nico: Whoa! That is the coldest place in the world.

Me: Yep. And if they have redeeming qualities they will be sent to a boarding school in Seattle, Washington.

Nico: Interesting.

Lincoln: And if the girls that aren't redeemed show up they will get cursed with the King Midas Vengeance Curse.

Me: Yep. And turned into solid gold statues forever.

Cybertron Crumplezone: And the arrest count's still going up!

It was already up to 1,232,532 mean queen bee girls.

Me: Wow! But because we have many versions of Earth fused with us we're going to see that number skyrocket.

Nico: He's right on that.

Eli: This is gonna be awesome.

Qin: At least the world will be safe without mean girls like them ruining peoples lives.

Gwen: Thank goodness and Heather was a monster like that.

Samie: So was my evil sister.

Me: Yeah she was. But we need her for the humiliations.

Hardhead: And thanks to us, it's going to stay that way.

Me: You got that right. Like I said, those mean girls can listen to me say this. KISS! MY! ASS!

Nico: Yeah.

Qin: The world is now a much better place without those mean girls.

Laney: I'll say.

Nico: Now it's time for our next mission. It's on another food planet.

Sunny Flare: Eli, please tell me the next planet's edible!

Eli: Oh it is and it's one that Jared will like.

Me: A Vegetable planet. Nice.

Qin: I have a feeling this one will be awesome and good.

Laney: Me too. As long as it's not made of Brussels Sprouts.

Eli: No it's not.

Then Femme Fatale, Waffle Woman, Titania, Plastique, U-Foes, Dark Turtles, Wrecking Crew, Robo-Roxy, Amora and DC Enchantress appeared.

Femme Fetale: Can me, Waffle Woman, Titania, Plastique, U-Foes, Dark Turtles, Wrecking Crew, Robo-Roxy, Amora and DC Enchantress go with you guys?

Dark Leo: And nice to see that the new law's working out.

Nico: Yes it sure is and yes you guys can all go with us. We don't know what kind of vegetable planet this world is but it's gonna be awesome.

Eli: It sure will be.

Ghuul: Nico, which Gene Slammer do you think you'll meet next?

Nico: One for a Phyrexian Hydra next.

Me: That's another really awesome and scary one.

Laney: Yeah it sure is. I'm looking forward to seeing who that one is.

Lana: Me too.

Qin: I have a feeling it will be awesome.

Nico: It sure will.

DC Enchantress: Let's proceed with caution?

Dark Don: But then again, Eli's never wrong.

Nico: No he isn't. Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Alan Sylvasta, the main antagonist of the anime Brand New Animal, and he's come to kill Michiru Kagemori, Nazuna Hiwatashi, Nina Flip, and Marie Itami. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Michiru, Nazuna, Nina, Marie, you're not going to like it: the dark energy signal I sensed belongs to Alan Sylvasta, and he's come to kill you girls.

Michiru Kagemori, Nazuna Hiwatashi, Nina Flip, and Marie Itami gasped in shock, and that includes the rest of us.

Michiru Kagemori: I never thought we'd have to deal with that monster again.

Marie Itami: And we've told you everything about him, right, Linky?

Lincoln: You sure did, and I remembered that he's plotted to control both humans and beastmen by manipulating conflict between them until Shirou foiled his campaign. That monster needs to be stopped.

Gallie Kenovich: (Croatian Accent) And that's what's going to be done to him, Lincoln, I refuse to let a savage like himself kill my sisters, I'll see to it that this monster is banished to The Black Gates, but not before we brutally thrash him, and Lincoln, I know you're going to turn into Lincoln the Nocturnal.

Lincoln: (Smirks) You know me all too well, Gallie.

Nico: Now, you're talking. Alright, gang, let's go, there's another food planet we're going to see.

Lincoln: Yeah, but I can't help but get the feeling that on the next planet, an old enemy from two years ago is about to show its face.

Nico: I've got the same feeling too, big guy.

Me: Me too.

Lily: Same with all of us.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6643.7: The U.S.S. Valorous Phoenix is en route to a mysterious food planet located 14,233 light-years from Earth and our mission is to investigate it and destroy any evil that might be there.

Me: I have a feeling this world will be awesome.

Jared: Me too dad.

Fisticuffs: Whatever happens, we're not gonna destroy it.

Me: Nope. Not unless it posses a threat to the world and the

universe.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a green forest planet.

Nico: Wow. Looks like a forest world from up here.

Jared: It sure does.

Lola: Awesome.

Nico: Lets land everyone.

Wrecker: What is it?

Thunderball: Is it really edible?

Nico: Lets find out.

We landed onto the planet and we got out and to our surprise and amazement we saw that it all was A PLANET MADE OF BROCCOLI! There were huge forests, grasslands and meadows and more made all entirely of broccoli!

FAAAARRRTT!

Me: It's a world made of broccoli!

2D Man: There's nothing really wrong about broccoli.

Jared: Now this is my kind of planet!

Jared went and ate a whole broccoli tree.

FFAAAARRRT!

We laughed.

Nico: Oh Jared sure loves his vegetables.

Me: Yep.

King Kai: (Telepathically to Nico) Nico can you hear me!?

Nico: King Kai yes we hear you.

King Kai: I'm afraid I have bad news. That broccoli planet you're on is home to one of your old enemies that you faced 2 years ago. It's home to the Broccoloids.

We gasped!

Me: So we inadvertently landed on their home planet!?

King Kai: Yes you sure have. And at this moment they are planning something really huge for all of Earth. You guys need to find out what it is and stop it fast.

Nico: Right! We're on it!

Plastique: We're still not destroying the planet.

Dark Ralph: Nah. Just the dirtbags on it!

Nico: Yep.

Camie: Who are the Broccoloids?

Me: Old enemies that we faced 2 years ago.

Lily: I remember them too. They are broccoli aliens from this very planet.

Nico: That was a great adventure though.

Nico went over what happened in chapter 677 and it was awesome.

---

Chapter opens with a view of the Gotham Royal York.

Narrator: The city of Gotham Royal York.

(A view of Earth from space; pull back.)

Narrator: On the planet Earth.

(Pull back farther; now the moon is also in view, with something hovering behind it.)

Narrator: Out in outer space. (Zoom in on the moon.) And not too far out in outer space- (It slides away.) -just behind the Earth's moon, a mysterious craft lies in wait.

(Spinning in place, the craft in question looks vaguely as if it was grown in somebody's backyard garden. Two alien voices speak from inside.)

Voice 1: Target achieved, Your Highness. Firing sequence ready on your command.

Voice 2: Excellent. Launch the sporepedo.

(The underside of the craft bulges briefly and expels a projectile that resembles a flower which has not yet opened up its petals and bloomed. A spearhead is attached to this. The object hurtles through space and enters Earth's atmosphere, landing in a farm field with its pod/bloom facing straight up and its base glowing. This swells up for a moment and then bursts; a cloud of green vapor pours out and envelops the entire field. A few seconds later, in a long shot, the miasma dissipates to leave only a spot of pulsing green light where the missile hit. Fade to black.)

(Fade in quickly to a rural setting: farmhouse, barn with a crowing rooster on the roof, tractor in front. The sun is smiling and chewing a stalk of wheat.)

Narrator: The town of Farmsville! (Pan across the scene as he continues.) A quiet, hardworking agricultural community whose residents take humble pride in the most important of duties…

(During the pan, we see your average small town, with more barns, a gas station, a general store, animals grazing, and so forth. Stop on a field, in which a man is using a combine harvester to gather the produce-broccoli.)

Narrator:… the growing of wholesome, natural foods, which are promptly harvested-

(Zoom in on the broccoli stalks as they enter the machine, then pull back; they are now in crates and being loaded onto a truck.)

Narrator: -packed, and shipped- (The truck rolls off toward Townsville.) -to the many hungry and grateful residents of Gotham Royal York.

(Cut to a city street, humming with business activity of all sorts, and pan along it.)

Narrator: These busy city-dwellers may have important appointments to keep- (In an office, two men shake hands over a contract.) -deals to make- (The control room of a TV station.) -information to distribute- (A building being put up.) -and constructions to construct-

(Turn down toward Malph's Market and zoom in slowly as he continues. The truck from Farmsville is parked in front.)

Narrator: -but none of the business that is Townsville could even begin without a trip to the market and a heaping plate full of that nutritious, delicious farm-raised goodness.

(Dissolve to a woman eating dinner, which includes a healthy portion of broccoli. She eats a forkful and smiles.)

Woman: Mmm-mmm!

(Pull back; her children-a son and a daughter-are next to her in the family kitchen. They glare at their food with loathing, and their mother is trying to get them to eat it.)

Woman (Mother 1): Come on, kids, eat your vegetables.

Daughter: No way, Jose!

Son: Yeah. No way, Jose!

Daughter: I don't eat broccoli.

Son: Yeah. I don't eat broc… (Both look crossly at him.)… lo… ri.

(Cut to a man at the table with his infant son. He is playing around with the child's food, waving a forkful around and trying to steer it in-but with no luck.)

Father 1: Here comes the Broccoli Express… (He imitates a train whistle.)… into the tunnel! (He laughs.) Here comes the pirate ship to hide treasure in the secret cave! Here comes the X-Wing space fighter zooming around through hyperspace with proton torpedoes to blow up the Death Star!

(His face falls at his lack of success. Cut to a kid in football gear, with his dinner plate in front of him and his helmet next to him on the table. His plate also has a fair amount of broccoli on it. Chewing sounds are heard o.c.)

Football Jimmy: Yuck! I ain't eatin' that!

Football Mom: (from o.c., bored) Why?

Football Jimmy: 'Cause vegetables is for sissies and rabbits. Right, Dad?

(Pan left slightly to bring his father partially into view-a big, beefy fellow with a Marine Corps tattoo on his arm and an entire steak speared on his fork. He is the one chewing. The left edge of the screen cuts off his head.)

Football Dad: (bored) Right.

Football Jimmy: And eatin' the flesh of stupid lesser beasts makes you strong. Right, Dad?

Football Dad: Right.

(Pan left again; now we see the father in all his buzz-cut glory. The mother stands next to him, with a bowlful of broccoli in hand and an annoyed look on her face. He stops chewing after a few seconds and looks at her sheepishly; now he opens his mouth so she can stick a forkful of greens into it. He bites down. The whole time, her face remains locked in that annoyed look, making sure that her husband ate the broccoli, one way or another.)

(Cut to the all of us at the estate and we are eating dinner. We are eating broccoli. Everyone except the young Powerpuff Girls, who are peeking over the edge of the dinner table at a plate of everybody's favorite vegetable.)

Bubbles: Ewww! What's that icky green stuff?

Blossom: It definitely isn't cake.

Buttercup: It ain't a corn dog.

Bubbles: I know it's not a hamster.

Blossom, Buttercup: (shocked) You eat hamsters?!

Bubbles: No! I like hamsters, and I know I don't like that… stuff!

(Pull back. The Professor is at the table as well; Blossom and Bubbles are perched on booster seats. Buttercup's chair is hidden by its placement and the plate of broccoli.)

Me: Come on girls. I know it doesn't look good. But broccoli is one of the best things you can eat.

Varie: That's right. It's good for you.

Professor: Now, girls, Varie's right. Eat your broccoli. It's exactly what growing superheroes need to charge up their powers.

(He flexes his muscles on the end of this line.)

Professor: Oh, it's packed with all kinds of vitamins and minerals, and mmm-mmm! It's so good for you!

Johnny: I don't like broccoli myself but it's good with nacho cheese on it.

Dukey: I'll say.

Adult Buttercup: Yep. It's one of my favorite vegetables.

Jared: Mine too Buttercup.

Buttercup: Too bad it tastes so nasty. (Blossom sticks her tongue out at the broccoli.)

Bubbles: You haven't even tasted it yet.

Blossom, Buttercup: Shhh!

I spear a forkful of broccoli and just as I was about to eat it, my powers reacted to it and lightning destroyed it.

Me: That's unusual. My powers know something is up with the Broccoli.

Bunny: It looks okay to me.

Professor: Well, you're not leaving the table until your broccoli is all gone. (Zoom in on him and his plate; he spears a forkful.) And the only way to get rid of broccoli is to eat it all up. Like this!

(On the end of this line, he lifts the fork to his mouth and the camera follows and zooms in. The girls react with fear and revulsion.)

Bubbles: Ewww!

Buttercup: Professor, no!

(Extreme close-up of his mouth as the broccoli enters it. Fade quickly to black and turn up into the stars, where the UFO is still hovering. The first alien voice speaks again.)

Voice 1: Your Highness, readings show the receptor spores have been ingested.

(During this line, zoom in quickly and cut to inside the craft. Its interior also has a very organic motif. The speaker is a giant humanoid stalk of broccoli with a rather nasty-looking face. It and a second stalk are seated at control panels; a third sits behind them on an elevated chair, holding a scepter and wearing a belt with a red jewel. It speaks next-this is the ruler, who has been referred to as "Your Highness," and who was the second voice heard at the start.)

Ruler: Excellent. (Zoom in on him.) The time is ripe to initiate hypnotransmithesis.

(On the end of this line, cut to a close-up of the scepter. He presses a button on its head, and it begins to glow with the same green light as the projectile in the field. The camera follows it as he brings it back in front of his face.)

Ruler: Now the Earth's barbaric mammal people shall be hypnotized into a vegetable state, allowing my warriors to reap through the Earth's animal population and weed out all the human beings. Leaving we, the Broccoloid Empire, to harvest the fruits of the earth and plant the seeds of a new empire! (He laughs evilly as the camera slowly zooms in on his scepter.)

The camera zoomed out and in came a scientist.

Broccoli Tech Guy: Sir, I've managed to make copies of our Dark Orb and spread them across the planet.

Broccoli Leader: Excellent. We may go down today. But at least Team Loud Phoenix Storm's lives will be a lot harder.

(Dissolve to a close-up of the Professor's head. His eyes are pulsing with the same light, and his skin has taken on a greenish tint. His face is frozen into a flat mask.)

Blossom: (from o.c.) Professor? Professor? Are you all right?

Me: Professor? What's wrong?

(Pull back slightly to reveal his entire body seems to have gone stiff. He tips backward and crashes to the floor. Pull back; he is as stiff as a board and unresponsive. Blossom and Bubbles stand near him and are visibly distraught.)

Buttercup: (from o.c.) You see?! (landing by him) I told you that stuff was wrong!

I check his pulse.

Me: He's still alive but he's in a braindead state.

Bubbles: (voice breaking) Why did you eat it, Professor? Why?

(A faint cacophony of voices starts up, and the girls cock their heads and cup their hands to their ears, listening intently.)

Narrator: Just then, the girls' ultrasonic hearing is bombarded with cries for help.

Laney: What is it girls?

Buttercup: We have many people crying out!

Blossom: Sounds like we're not the only ones in trouble. We gotta find out what's going on!

(Overhead view of the Estate as we all exit through the roof and head into the city.)

Narrator: So Team Loud Phoenix Storm heads out across Gotham Royal York.

(Cut to the black family's kitchen. The mother is in the same condition as the Professor; her kids are nearby, crying. Blossom, Lincoln and Adult Blossom fly in through the window.)

Narrator: But everywhere they go, the story's the same.

Girl: Our mom was trying to make us eat broccoli, but-

(In another house, Bubbles, Laney, Nico and Carol are on the scene. A woman lies on the floor, with her kid nearby.)

Kid: -I wouldn't, so she ate it and her-

(Buttercup, Varie, Adult Buttercup, Aylene and Lana are checking out the parents of the football kid. The mother's expression has gone from the annoyed look she had as she was feeding her husband the broccoli earlier to a similar zonked-out look like on the Professor, with her hair somewhat frazzled, and her husband in a similar state as well.)

Football Jimmy: -eyes started glowin' and then they just zonked out, man!

(We all gather for a conference.)

Blossom: Just like the Professor! (Pull back; We are in all the street, with a crowd of kids around us.)

Adult Blossom: This looks very familiar to all of us.

Me: How so Blossom?

Adult Blossom: We fought evil broccoli aliens that wanted to invade the Earth to take it for themselves.

Me: I know that kind of trouble all too well. Who were these evil Broccoli Aliens?

Adult Blossom: These aliens were called the Broccoloids and they are an alien race that want to take over the universe.

Me: So they're evil vegetable aliens.

Robin (PPG): I remember these aliens. They were tasty.

Football Jimmy: They were. We showed them and we got to love eating them and vegetables.

Me: Well we got to find out where the source of the bad broccoli came from.

(Cut to us in flight, heading toward Farmsville.)

Narrator: So Team Loud Phoenix Storm traces the broccoli back to its roots, in hopes of unearthing some clues.

(They land in one of the fields; cut to all of us, inspecting the stalks left over from the harvest.)

Bubbles: (from o.c.) Hey, guys! (Pan right slightly; she is farther back from them.) Over here!

(Cut to her; she has found the spent shell and is looking intently at it. We all join her.)

Bubbles: What is it?

Buttercup: Looks like a missile.

Bubbles: Or a weird pea pod.

Blossom: Or both.

Me: I've never seen something like this.

(Close-up of Blossom, now looking very closely at it. The highlights in her pupils are glowing slightly; zoom in on the projectile as the Narrator speaks.)

Narrator: Upon closer inspection, Blossom's microscopic vision reveals…

(Dissolve to a magnified view of the surface of the exposed bulb at the center. It is covered with glowing green particles. This is Blossom's perspective.)

Blossom: It was carrying some sort of alien mind-control spores. (Cut to Buttercup, bent over a furrow in the field.)

Buttercup: There's spores all over this field! (Pull back; we are standing away from her.)

Blossom: It must have infected the broccoli.

Me: These aliens are crafty.

Lincoln: So that's why our powers didn't let us eat the broccoli.

Laney: Or we would've ended up like the people that did.

Then my dark orb detector went off and it showed millions of Dark Orbs coming into our atmosphere.

Me: Uh oh.

Bubbles: But why? (A high-pitched humming begins.) Where did it come from?

(In the sky, the organic flying saucer descends toward the field.)

Blossom: (from o.c.) Looks like we're about to get our answer. (Cut to a nearby scarecrow.) Quick, hide!

(The girls dive into it and poke their heads out. Top to bottom: Blossom, Buttercup, Bubbles. Me, Lincoln, Laney and Lola hid on top of the barn. The craft extends legs and touches down. Its underside bulges and ejects four Broccoloid soldiers armed with blasters made from carrots. The ruler, who could be now dubbed as "Emperor" due to his earlier decree regarding the Broccoloid Empire, stands in the middle of the group; he now wears a red cape in addition to the belt and still carries his scepter.)

Ruler: Leaftenant, branch out and scout the area for our first wave of invasion. (The soldiers fan out as he finishes. Also, "Leaftenant" would actually be "Lieutenant" in normal military rank designations, though it is dubbed "Leftenant" in the British Armed Forces.)

Buttercup: What?!

(The girls jump down in time with their next lines. Each one ends up with different clothing from the scarecrow-Blossom the hat, Buttercup the shirt, Bubbles the pants and shoes.)

Blossom: Nobody invades Earth-

Buttercup: -without a fight-

Bubbles: -from the Powerpuff Girls!

Me, Lincoln, Lola and Laney jump down.

Me: And Team Loud Phoenix Storm!

Broccoli Leader: You will not defeat us this time, Powerpuff Girls!

Blossom: We did before and we can do so again!

(He pulls a weapon of his own and fires. The shot vaporizes the hat, leaving only a wisp of black smoke above Blossom's head that she looks up at as her bow parts to emit the wisp of smoke from where the scarecrow's hat had been. The other troops begin shooting; Buttercup jumps out of the shirt just before it is blown full of holes. Bubbles charges at the enemy, still wearing the pants and shoes and taking long, floppy strides to avoid the barrage. Blossom strikes the blaster from a soldier's hands-and, in the same blow, knocks the hands themselves off. Buttercup beheads another with an uppercut, while Bubbles disposes of a third with a high kick. Blossom splits the fourth with a flying karate chop.)

(The battle is not over, however; the four Broccoloids quickly regenerate the body parts they have lost. Even the one Blossom just split in half regenerates, with each half becoming a new soldier and advancing again. The girls scream and grab each other, and Bubbles jumps out of the scarecrow pants.)

Bubbles: That scared the pants off of me!

Buttercup: How are we ever gonna stop 'em?

(Blossom has a mental picture of the Professor and recalls his words at the dinner table-words that do not put her at ease as she recalls them.)

Professor: (memory) The only way to get rid of your broccoli is to eat it all up.

(A Broccoloid jumps at her, snarling; zoom in slowly on Blossom who does not realize what she is about to do. Faced with no other option, she finally opens her mouth as wide as she can and slams her teeth together. The enemy is dispatched in four huge bites; Blossom swallows hard and looks a bit ill from the experience. The other Broccoloid infantry and the ruler are left shocked by what they just witnessed.)

Ruler: Barbarians!

Bubbles: Ew-ew-ew-ew-ew-ew-ew-ew-ew!

Buttercup: Ugh! Nasty!

Blossom: Swallow your pride, girls! We gotta eat 'em to beat 'em!

Me: I know you girls don't like it but we can do it. Besides. I'm getting hungry. (Licks lips)

(The Broccoloids yell and charge at us and we do do so likewise with our teeth bared. Blossom crunches through the midsection of one, Bubbles eats her way up from the legs of another, and Buttercup takes the head off a third with a single bite. Me and Laney bit a bunch of them and ate them. Buttercup struggles with the lower half of this one for a moment before finally getting it down. Now Bubbles and Buttercup chomp one from opposite ends and make short work of it.)

(Buttercup joins Blossom and Bubbles on the ground; then later rubs her stomach.)

Bubbles: Oh… I'm getting full.

Me: (Burps) Excuse me.

Blossom: I think I've got room for one more.

(She looks o.c. on the end of this line, and the camera pans to follow her gaze. The Broccoloid Emperor stands by himself at the entrance to the saucer. What he says next starts with him having a look of sympathy on his face before turning it back into an evil smile.)

Ruler: What? You're getting full already? But that was just an appetizer. (The sky fills with saucers, a couple deploying their landing gear as they prepare to touch down first to reinforce their leader.) Here comes the main course! (He laughs wickedly.)

(We all look into the sky with great apprehension.)

Me: There's hundreds of them!

Blossom: Uh-oh. We're gonna need some help! (The reinforcements start to land.)

Ruler: What's the matter? Don't have the stomach for it?! (He laughs again; We all take off for the city.)

Narrator: And with that, Team Loud Phoenix Storm retreats back to

Gotham Royal York to enlist the aid of the other children.

(Dissolve to the girls in the midst of a crowd of kids.)

Blossom: So you see? The only way to save the Earth is by eating broccoli! (Close-up of her.)

Me: That's right. You all beat these broccoli aliens before and you can do so again.

Varie: That's right. The world is in danger and they will kill us all if we don't stop them!

Aylene C.: That's right.

Adult Blossom: Me, Bubbles and Buttercup got you all together and we beat these aliens the first time. If we don't stop them they will kill us all.

Bunny: That's right. Our older selves have experiences with this. So what do you say guys? Shall we eat some vegetables and save our world and our parents from ultimate death!?

(Football Jimmy was touched by our words and sobs and sniffles for a few seconds before raising his helmet.)

Football Jimmy: Let's do it for the folks!

(His teammates roar and bang their helmeted heads together, and several of the other kids cheer with a new fighting spirit. A huge boy wearing a black T-shirt with the letters "nWo" on its front shoves them aside.)

Edzilla: ED EAT BROCCOLI!

Huge boy: Lemme at 'em! Lemme at 'em! (Pan briefly to us, who look on in approval.)

Flint Lockwood and Chowder arrived.

Flint L.: Let us help too.

Lincoln: Flint Lockwood and Chowder?

Viper: Flint? What're you doing here?

Flint L.: You think I was gonna miss out on dealing with a food crisis? As if!

Chowder: Whenever there is food I will eat it.

Me: We need all the help we can get.

Narrator: And so-

(In the field, armed assault vehicles built from ears of corn and tomatoes roll out of the saucers.)

Narrator: -as the vegetarian forces mobilize for invasion-

(As he continues, two kids put cooking pots on their heads and a third dons a fireman's helmet.)

Narrator: -the children of Gotham Royal York gird their loins for battle.

(The helmet has a strobe light on top; the kid presses a button to activate it and a siren. Broccoloid soldiers rush to parade formation, salute their ruler, and seize blasters. A kitchen drawer is opened; several kids reach in to grab utensils. One boy slides salt and pepper shakers into a bandolier slung across his chest as if they were shotgun shells; a fork is already loaded in. Another boy checks the aim on a bottle of ketchup and drops it into a cowboy-style holster at his belt. The alien ruler, now mounted on a giant carrot creature, gives a signal to the troops, and the march to Gotham Royal York begins.)

(Blossom has a set of battle plans spread before her on the ground and is explaining them to a group of kids as Bubbles and Buttercup look on. When she finishes, two of them snap to attention and salute. We were ready to fight and launch an all-you-can-eat buffet of pain and torture on the Broccoloids. The assault force approaches the city, but stops at the ruler's command.)

Ruler: Halt! (to a nearby soldier) Colonel, let's trim back that overgrown city.

(The soldier, dressed in a military cap and belt, speaks with the first alien voice we heard-the one that addressed the ruler twice before on the saucer.)

Colonel: Artillery, on my mark. (Cut to a row of assault vehicles; he continues o.c.) Ready! (They roll into position.) Aim! (The cannons are leveled. Back to him.) Fire!

(Before anyone can obey the command, though, the vehicle next to him is blown to bits, knocking the Colonel's hat off in the process as he shields himself from the splatter that results from the artillery piece's demise.)

Colonel: Huh?

(Blossom flies overhead, her face locked in an angry, fighting mood, firing shots from her eye lasers and wiping out several vehicles. Her sisters do likewise, after which all three take cover in the city. Lincoln fires a lot of lightning and burned the tanks to a crisp. The ruler looks after them and growls in surprise and fury at the cheap shot to his armor so that the city skyline remains unharmed.)

Ruler: Those little sprouts have pulped my tanks! No matter. (turning around, to ranks of soldiers) Infantry! After them!

(The troops run through the streets.)

Ruler: (from o.c.) Storm the city!

(They charge down one street but find nothing. Turn up to an upper-story window in one building; Blossom and a kid watch, keeping as far out of sight as they can so the Broccoloids don't see them. Suddenly she stands up.)

Blossom: Release the cheese!

(Up and down the street, kids tip over huge kettles of melted cheese, and the contents rain down toward the Broccoloids.)

Troops: Huh?

(They scream as the cheese douses them; when the deluge ends, they have been reduced to a dripping yellow mass on the pavement, leaving a few pairs of eyes to blink in confusion and arms and legs sticking out of the mess to twitch in helplessness. Cut to a closed door, which bursts open. A horde of kids swarms out, with Bubbles floating above them.)

Bubbles: CHARGE!

(The kids start to cheer as they rush out on Bubbles' command to attack. We storm out of the buildings and began eating the Broccoloids. Buttercup smashes her way through another door, and she and more kids fall on top of the incapacitated invaders. Everybody digs in with great enthusiasm and not a little bit of bloodlust, though their table manners could use some improvement-one of them chews with his mouth open far enough to allow us to see the contents.)

(A soldier standing near a trash can is chomped by a kid who pops out from inside it; another one meets the same fate after stepping too close to a basement window. Several others retreat around a corner, firing up the street, but one trips and falls-and is promptly set upon. Now a troop transport made from a pumpkin and tomatoes rolls onto the scene, and a hatch in front opens to allow its occupants to join the battle. They are met by the football team, with Buttercup standing behind them like a quarterback.)

Buttercup: Eighty-two! Thirty-six! Bite!

(They tackle the invaders and chomp away. Now we see a close-up of a soldier advancing down the block, gun drawn, and stopping to look back and forth. No threats in sight. Crunching is heard, and the soldier looks down-the camera following-to find two babies eating it from the legs up. Another enemy has a kid at gunpoint, but promptly gets a faceful of salt and is devoured.)

Nico: Broccoloids, you have all failed this city!

Nico ate a bunch of Broccoloids and he was still hungry.

Me: (Chomps a Broccoloid) (With my mouth full) More like they have failed our galaxy. (Gulps)

Sprout grew lots of killer plants and they ate them.

Cosmos fired lasers and burned the Broccoloids.

Cosmos: I love fried broccoli! Combo time!

Sprout agreed. Cosmos fired lasers and Sprout grew ferocious plants.

Cosmos: LASERPLANT FIRESTORM!

Cosmos fired lasers from Sprout's killer plants. They incinerated them. During the skirmish Laney caught a Flabebe, Galvantula, Torterra, Gogoat, Sceptile, Serperior and a Leavanny. Nico caught a Jumpluff, an Aipom and the Ultra Beast Pheromesa.

Edzilla (eats Broccoli aliens left and right): ED KNOWS THAT FRIENDS ARE HUNGRY! BUT ED IS HUNGRIEST OF THEM ALL! BROCCOLI ALIENS BELONG TO ED NOW!

Carmen (nervously gives Edzilla one of the Broccoli aliens): It's cool, big guy! Have all the broccoli that you want.

Viper fired missiles and Coconuts fired a banana bomb blaster.

Viper and Coconuts: BANANA MISSILE BARRAGE!

The banana bombs and missiles blew the Broccoloids into mush.

Flint L.: Final Smashing! ROTSTORM RAY!

Flint fired a ray gun the turned the Broccoloids into stalks of rotten broccoli and it smelled horrible.

Lana: That was awesome Flint!

Lana ate the rotten Broccoli.

Chowder: My turn! CHOWDER EAT!

Chowder was eating the Broccoloids like there was no tomorrow.

(The football kid is pinned down and at the mercy of yet another soldier, which laughs at him. Cut to Bubbles as she opens a cage of rabbits, which hop over and quickly nibble the threat into submission, saving the kid. Blossom stands next to a boy lying on his back; his belly is greatly swollen, and he sounds very ill and weak.)

"Injured" boy: Forty-seven stalks… the horror… the horror…

Blossom: Stay down, soldier. You've seen enough action.

Bubbles: (from o.c.) Blossom! (Pan left slightly; she stands with several other kids, all looking sick.) A lot of us are getting really full. I don't know how much more we can eat!

Me: Yeah! I'm getting bloated!

Leni: This is totes too much for me.

Lori: This is literally too much. (FARTS LOUDLY)

Me: Lori!

Lori: That was my shoe!

I rolled my eyes.

(The Broccoloid Emperor has a quick conference with the Colonel. The Colonel is still without his hat after it was knocked off by the earlier attack on the Broccoloid artillery pieces by the Girls.)

Colonel: Sire, their forces are weakening. We have them on the run.

Ruler: Excellent. It's only a matter of time before-uh?

(A sound like that of a Harley-Davidson starts up in the distance, and the two look toward it. The camera pans in that direction to show a silhouette and a cloud of dust racing toward the battlefield; close-up of a kid wearing sunglasses and a bucket on his head. He holds the horns of an animal, perhaps a goat, and the camera pulls back to reveal that this is in fact what it is. The boy and the goat charge in at top speed, and a second rider appears on the scene. They leap over the Emperor and Colonel, who look on in total disbelief.)

Narrator: Ha-haw! Here comes the hungry cavalry!

(When they hit the ground, they each do a screaming U-turn and plow into the ranks of surviving troops. Each is seen in turn; the goats eat the bodies and leave pieces of the heads flying, and the riders finish these off. Severed arms and legs flying everywhere during the blitzkrieg. Blossom and several other kids, including the football kid, watch in admiration.)

Kids, Blossom: Hooray!

Me: Yeah!

Blossom: CHARGE! (They do so.)

Jared: Lets get them!

Ruler: RETREAT!

(He does so, but the other Broccoloids are quickly set upon; Blossom takes one out in a single flying bite. The ruler makes a break for it but finds Buttercup and several other kids blocking his path. They cheer and yell at him, and he directs his mount in a new direction. This time, he runs into Bubbles and still more fired-up defenders. He is knocked to the ground when one of the goats munches the animal.)

Me: You're finished Broccoloid Emperor.

Broccoli Leader: Even if you defeat us, we still managed to make copies of our Dark Orb around the planet. That will give the villains of this world a fighting chance!

Nico: Well, we don't mind hunting those orbs down one at a time. After all, I like a challenge!

Me: Me too.

Broccoloid Leader: Well then how about this for a challenge? Release my secret weapon!

A huge pumpkin landed and out of it came a huge dragon heartless.

The Heartless that appeared before us was a black mechanical dragon. Optimus Prime was able to recognize it. It was MEGATRON! As a Heartless. But he was called the Megatronic Nightmare.

Optimus Prime: Megatron!

Megatronic Nightmare: Did you really think our battle was over, Optimus Prime?

Me: Megatron!? But how can this be?

Megatron: I am now a Heartless. But as a result, my power is greater than ever!

Me: We stopped you before and we can stop you again. Jared, Cornelia, Sam M, Laney, Riley and Ben, You all fight the Broccoli leader.

Jared: You got it dad.

Lily: Optimus let me help you face him.

Lori J.: Me too Optimus. I've had it with this freak!

Optimus Prime: Okay.

Optimus Prime transformed into his Super Mode.

Optimus Prime: Give it all you got Megatron. OPTIMUS PRIME SUPER MODE!

Lily: We've had it with you Megatron! You're dead!

Lori J.: If there's one thing I've learned since being with the Autobots and Optimus and his friends it's that we will always win no matter what!

Optimus Prime: That's right. We have right on our side.

Megatronic Nightmare: (Laughs) For all the good that will do. Now prepare to meet your end.

Optimus Prime: Wrong Megatron. It's your reign of evil that's ending.

Lily: You're the one who's going to die Megatron. We killed you before and we can kill you again.

Lily kicked the Megatronic Nightmare in the face and Lori J. and Lily grew to Megatron's size.

Optimus Prime: At the end of this day, one shall stand. And one shall fall!

Megatronic Nightmare: Why throw away your life so recklessly?

Optimus Prime: That's a question you should be asking yourself, Megatron!

Megatronic Nightmare: No! I'll crush you with my bare hands!

Lily kicked him in the face and fired a massive blast of water and Lori fired a massive blast of fire and the blasts combined and exploded.

KRABOOOOOMMM!

Megatron was still standing. And he transformed. (Megatron's Transmetal 2 form from Beast Wars)

Megatronic Nightmare: Is that really all you got? You pathetic fools.

Lily: We're just getting started.

Optimus Prime: Good will always triumph over evil.

Megatronic Nightmare: Ha! You must be joking.

Lori J.: Like Hell we are!

Optimus Prime: Even if you destroy me you haven't won. My friends will never stop fighting you and if they fall others will come forward. As long as all you care about is yourself, you'll have to take on the Entire Universe! YOU WILL NEVER WIN!

Lily: And we're gonna make sure that we send you back to Hell you bastard!

Lori J.: Yeah! You've tormented the Universe for the last time Megatron!

Megatronic Nightmare: Even if you all are right, which you're not, there's still one thing I can do. I can be rid of you!

Megatronic Nightmare charged up his most powerful attack and he charged up a powerful blast of dark energy in his dragon head.

Lily charged up a Kamehameha Wave.

Megatronic Nightmare: You can't possibly withstand my full power! GOOD BYE AND GOOD RIDDANCE!

Megatronic Nightmare fired a massive blast of dark energy and Lily fired a powerful Kamehameha Wave and the blasts collided and Lily's overpowered his and it exploded in his face.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blew him into the armada of Broccoloid saucers and knocked him down.

Megatronic Nightmare: No… no more Optimus Prime! Please have mercy! I beg of you!

Optimus: Mercy? You, who are without mercy, now plead for it? I thought you were made of sterner stuff, Megatron

Lily: I've had it with you Megatron! I will never forgive you for all the pain and suffering you caused to the universe!

Lily thought about all the terrible and dark deeds that Megatron caused to all of Cybertron and all of the Autobots and the Decepticons all throughout the years and she also thought about all the times Megatron tried to destroy the universe and kill everyone Optimus Prime and all his friends care about. She also thought about all the times Megatron tried to kill all her friends and everyone she cares about. She knew that Megatron was the ultimate evil of Cybertron and the most dangerous menace to the entire galaxy.

Then Lily screamed in a massive roar of unrelenting fury and she had her aura flare up in a massive explosion of energy and her hair turned aqua blue and grew down to her knees. She had lightning flicker all over her at an incredible rate and water swirled around her. Lily was now a Super Angel 3! And her power was incredible!

Megatronic Nightmare: What trickery is this!?

Lily: I am your end Megatron! Optimus, Lori, lets send this monster back to Hell!

Lori J.: With pleasure.

Optimus Prime: I agree. This ends here.

Lily gave Lori and Optimus Prime versions of Vector Prime's Time Sword.

Optimus Prime: We'll give you one last chance to surrender.

Megatronic Nightmare: Ha. You three are pathetic to the end.

He charged at them.

Optimus Prime: Very well. Then this shall be your end!

Optimus Prime slammed him with the sword and blew him back with incredible force.

Megatronic Nightmare: Such power! (Groans)

Megatronic Nightmare stopped.

Optimus Prime: You will always lose Megatron. You think of nothing but destruction. None of your victories last. You care about nothing but yourself. No one cares about you. The time has come to end your struggle.

Megatronic Nightmare: You're right old friend. (Forms a sword of dark energy) We've waged this war for far too long! (Glows in a dark purple aura)

Optimus Prime: Only one shall stand Megatron.

Lily: And it's not going to be you! (Flares up her Aqua blue aura)

Lori J.: You've tormented our universe for the last time! (Flares up a Crimson Red Aura)

Optimus Prime: It ends here! (Flares up a yellow aura)

Megatronic Nightmare: NEVER! (CHARGES AND SCREAMS)

Lily, Lori and Optimus Prime charged.

Optimus Prime: At last the Universe will be free of your evil!

Megatronic Nightmare: AAAAAAAAAAAAAAAAAAHHHH!

Optimus Prime: AAAAAAAAAAAAAAAAAAAAHHHHHHH!

Lily: AAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHH!

Lori J.: AAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHH!

Megatronic Nightmare swung his sword. But Lily, Optimus and Lori's swords were too strong and they went through it and shattered it into a million pieces and they impaled the Megatronic Nightmare all the way through his black spark! He screamed in excruciating pain.

Lily: GO BACK TO HELL! AND STAY THERE YOU FUCKING SON OF A BITCH!

Lori J.: NEVER SHOW YOUR UGLY FACE ON OUR PLANET AGAIN!

Lily: THIS IS OUR UNIVERSE! AND YOU WILL NEVER BE WELCOME HERE!

There was a massive explosion.

KRABBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, the sun was rising over the horizon and the Megatronic Nightmare had 3 swords skewered all the way through him and his black spark. He was dying.

Megatronic Nightmare: I still function. (Weakly) You haven't won. Not while my spark… Still burns. (Laughs)

He was fading away.

Optimus Prime: You've fought well. Good bye Megatron.

Nicole sent Megatron's spirit into the River of Fire. He was gone for good.

Lily fell to the ground exhausted.

Lincoln rushed over to Lily.

Lincoln: Lily!

Optimus Prime: She's all right Lincoln. She's really exhausted.

Lincoln had tears of joy in his eyes.

Lincoln: Lily I'm so proud of you.

Lily: Thanks big brother.

Jared, Cornelia, Sam M, Laney, Riley and Ben as Wildvine were facing the Broccoloid Emperor.

Broccoloid Emperor: This world will be ours and humans will all be dead! Our ambition is to make the galaxy perfect for all vegetables.

Cornelia (clearly angry):… Are you kidding me? Are you fucking KIDDING ME?! YOU JUST DROP YOUR BROCCOLI SPORES ON THE GROUND LIKE NOTHING!? WHAT THE HELL'S WRONG WITH YOU ALL?! TALKING ABOUT MAKING THE GALAXY A BETTER PLACE, YEAH RIGHT! YOU'RE ONLY POISONING THE

WORLD WITH YOUR SPORES AND PLANET DOMINATION CRAP! IF YOU WANNA MAKE THE GALAXY A BETTER PLACE, MAKE YOURSELVES BETTER PEOPLE: LEARN TO READ, FINISH YOUR EDUCATION, AND GET A DAMN JOB! AND IF YOU ALL CAN'T BRING YOURSEVES TO DO THAT, THEN YOU'RE JUST A BUNCH OF RETARDED PUSSBAGS!

We applauded for her.

Me: Well said Cornelia.

Nico: You tell her.

Megan: Way to lay down the law on him sis!

Irma: Corny, you know your parents aren't gonna be happy that you said some bad words, right?

Cornelia (smirks): It was worth it!

Cornelia fired blasts of bramble vines at him and Laney, Sam M., Wildvine and Riley slashed him with whips and vines.

Ruler: No! No! Leaf me alone! I don't dessert this!

(The girls' shadows fall over him on the end of this line, and one by one, they open wide for a huge final bite of mutant broccoli. The scepter falls to Blossom's feet and, after she looks at it as it glowed for a few more seconds, is reduced to mush by one well-placed stomp from her Mary Jane-the invasion is over.)

(Cut to a slow pan down a street full of cheering, celebrating kids. We all were cheering wildly. Buttercup is tossing a couple of them into the air, Bubbles is being tossed by two-one of them being the football kid-and Blossom is shaking hands with another.)

The Broccoloids all appeared as spirits.

Broccoli Leader (as a spirit): We will return! And when we do, we will… (Edzilla pours ketchup on him) What are you doing?

Edzilla: Ed want to eat Broccoli spirit with ketchup! (about to devour him)

Broccoli Leader (horrified): NO! PLEASE! HAVE MERCY!

Nicole sealed them into the Book of Vile Darkness.

Narrator: So, with the Broccoloids devoured-

(Cut to a pan up a street full of recovering adults as he continues. The kids hug them. The football kid's father is a bit befuddled at finding a rabbit in the celebration.)

Narrator: -and the hypno-transmithesizer destroyed, the parents of Gotham Royal York awaken. And families once torn apart by war are reunited once again.

(Cut to the Professor and the girls doing some grocery shopping. Bubbles and Buttercup ride in the cart; Blossom floats along above it. Things have returned to normal as life continues after the girls have saved Gotham Royal York once more.)

Narrator: And as normal life resumes, we join the Utonium family on an outing to the supermarket.

Professor: Why don't you girls go pick out some cereal, and I'll meet you in the produce aisle.

Blossom: (as the girls zip away) Okay!

Professor: (to himself) We'll see if we can't find some greens they will eat.

(An o.c. commotion brings him up short; in the produce aisle, kids are ferociously digging into the fruits and vegetables on display. The girls are leading the offensive.)

Blossom: Give 'em heck, troops! We'll show 'em who's boss! You can never be too careful. (The Professor and several parents watch, completely stunned by this turnaround of their kids eating the greens that they hated only a day ago.)

Flint L.: (To the Viewers) Eat your vegetables. They are very good

for you.

(The background for the end shot comes up.)

Narrator: And so once again the day is saved-

(Team Loud Phoenix Storm and the Powerpuff Girls appear in their usual pose.)

Narrator: -thanks to the Team Loud Phoenix Storm and the Powerpuff Girls!

(The background is chomped away in three huge bites; it ends up looking exactly as it did before, but now several kids have appeared below the girls.)

Narrator: And the hungry little tykes of Gotham Royal York.

FLASHBACK ENDS

Twilight Sparkle: Wow! That is amazing that you guys dealt with them before.

Qin: That sure is awesome!

Tsuyu: Yeah.

Meta Knight: They do not have a Heartless version of Megatron this time.

Nico: No thank goodness.

Lily: And that was awesome.

Me: But we have to eat these aliens to destroy them. Hope you guys are all hungry.

Laney: Yeah.

Nico: I don't know about you guys but I'm in the mood for some of Chef McMuesli's broccoli salad, made Broccoloid style.

Eli: Me too!

Waffle Woman: I've got a jar of butterflies for backup.

Vapor: And my powers can kill them easily.

Me: Butterflies don't eat broccoli. Here use these.

I gave her a jar of locusts.

Waffle Woman: Even better. Thanks.

Nico: Yeah. Lets go find us some broccoloids.

Me: I got plenty of nacho cheese with Cheese Monster and Cheese Crocker's powers.

Eli: Yeah!

Nico: Awesome.

Gru: I've also got my trusty freeze Ray!

Me: Awesome.

Lola: Yeah and our fire powers will burn those aliens.

Me: Yeah!

Nico: Looks like we got everything. Lets get moving and eat.

We were off to find some Broccoloids.

Titania: I'm ready to pound them!

Piledriver: So am I!

Leni: I'll make smoothies out of them.

Nico: Now you're talking.

Me: Hey Nico which Ridewatches are you going to assign this time?

Fabia: I was just about to ask the same thing.

Nico: Does this answer your question?

The Ridewatches and their copies were Super Megaforce Red, OOO, Birth, OOO Tajadol combo, OOO Putotyra combo, my OOO form, and Will's OOO form.

Disk Wars Deadpool: Why couldn't these have existed in the show's run?

Me: No idea Wade.

Laney: But this is gonna be interesting to see who gets which one.

Vector: Who gets which?

X Ray: Damn! The Super Megaforce ones look promising.

Nico: Yeah they do!

The copies for Super Megaforce Red, OOO, Birth, OOO Tajadol combo, OOO Putotyra combo, my OOO form, and Will's OOO form will go to Derpy Hooves, Lyra Heartstrings, Cayenne, Saffron Masala, Princess Amore, Princess Cadance and Trixie Lulamoon. The Originals for Super Megaforce Red, OOO, Birth, OOO Tajadol combo, OOO Putotyra combo, my OOO form, and Will's OOO form will go to Superman, Batman, Wonder Woman, Green Lantern, Martian Manhunter, Flash and Hawkgirl.

RD Lola: Let's roast some broccoli!

Nico: Yeah.

We went over a hill and then we saw a massive and huge city made of vegetables!

Laney: Whoa! What a city!

Bulldozer: Not gonna lie. This is an amazing city.

Dark Mikey: I've seen better.

Nico: Wait look.

We saw on a huge viewing tv or Jumbotron, the leader of the entire empire, EMPEROR OF THE BROCCOLOID EMPIRE, ZARNKON!

Zarnkon: Fellow citizens of Vegetus, as you all know its been 2 years since the fall of my brother Rendo in his failed attempted conquest of the planet known as Earth, but now the time is ripe for the Broccoloid Empire to destroy that planet to avenge my brother! We will launch the largest ever invasion in the entire universe with a massive army of billions of our ships and then we'll use mind control brainwaves to hypnotize all the people of Earth into a vegetable state and destroy all the Earth's population. Then we will make that miserable planet all ours for the taking! (EVIL LAUGHTER)

Citizens: LONG LIVE ZARNKON!

Laxus Dreyar: Guy loves to hear himself talk.

Nico: Yes he does.

Laney: It's time for us to make him salad.

Nico: Yep.

Qin: Shall we get to doing the entrance?

Robo Roxy: We need to clear a path first.

Ironclad: (cracks knuckles) Leave that to me!

Nico: Lets do it.

We went and plowed through them.

Taylor: NOW we can do our entrance.

Nico: Lets do it!

We went to the castle. The Broccoloid Army was getting ready to attack. BILLIONS AND BILLIONS OF SOLDIERS were ready for war. But then the spirits of the Women of Power, Groups of Fury and Magic Masters appeared and they swirled around and then converged and then…

KKRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and fireballs rained down and burned many soldiers. Then we came out!

Nico: Okay Broccoloids, you are all dinner!

Zarnkon: Team Loud Phoenix Storm!? Here!?

Me: Yes us here on your world this time!

Blossom: You sent your men to our planet and now we're here to return the favor by retaliating!

Nico: You wanted to destroy us with hypnosis vegetables. But the kids thankfully didn't eat any of them.

Zarnkon: Why?

Me: Because they didn't like broccoli before and now that we've eaten you guys, we're going to eat ALL our vegetables!

Amora: Oh, don't worry. Unlike you, your planet will remain intact.

Nico: Because we're going to make sure your invasion never happens.

Zarnkon: We'll see about that!

Then Speed Demon, Mysterio, Yenaldooshi, Gentleman Ghost, Grodd, Iceage, Samon Shakekisutanchin, Mortal Kombat Scorpion, Count Spankulot and Xigbar then appeared!

Nico: Speed Demon, Mysterio, Yenaldooshi, Gentleman Ghost, Grodd, Iceage, Samon Shakekisutanchin, Mortal Kombat Scorpion, Count Spankulot and Xigbar!

Me: Awesome seeing you guys here.

Speed Demon: I bet you guys didn't expect to see the Broccoloids here.

Nico: Honestly? We didn't.

Me: It was totally unexpected. But it's amazing that we found their home planet.

Mysterio: At least you guys can take them out right now.

Yenaldooshi: And eat them.

Me: Right at the very source.

Yenaldooshi: Yep.

Gentleman Ghost: We heard that you took out Heather.

Nico: We sure did.

Grodd: You did a good job.

Me: Thanks. That monster had it coming.

Grodd: And we heard a new Anti-Queen Bee law was put into effect.

Me: Yep.

Grodd: Good.

Mothma then appeared again.

Nico: Back for another round I see Mothma.

Mothma: Yep.

Nico: Just wanted to thank you for distracting Blakk last year.

Mothma: It was my pleasure.

Me: That was awesome and cool.

Gentleman Ghost was next.

Gentleman Ghost: (To Yugi) I heard you guys met a gene-slammer for Knight of the Red Lotus. What's her name?

Yugi Moto: Her name is Rosie Davis and she is one of Lincoln's awesome guardian angels. She is also a very awesome wilderness survivor.

Eli: Yeah I think she is amazing.

Sunset Shimmer: She is also the girl that taught Lincoln all about how to survive in the wilderness.

Pipsqueak: (British Accent) We all were amazed.

* * *

Rosie Davis: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rosie, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rosie Davis: That's incredible.

Nico: It sure is. So, Rosie, how did you take on the absolute worst of Lynn's wrath?

Rosie Davis: That's one tale I've never forgotten. One day, Lincoln and I were out in the wilderness and I was teaching him on how to build a fire and set up a campsite, and he was getting the hang of it. Next, we headed out to the creek, so I can teach him how to catch a fish with his bare hands, and he caught a huge red snapper in his hands.

Nico: Whoa, now that's awesome.

Rosie Davis: It sure is, but our fun day and lessons in the wilderness were ruined when a barrage of soccer balls came flying out of nowhere and destroyed our campsite, ruined our fire, and knocked the red snapper out of Lincoln's hands, and then, we saw who it was that did this: it was Lynn. I knew that pig would ruin everything for us, but then, I saw that she had a knife in her hands and she was going to kill Lincoln and me as well. We then had to use our survival skills and self-defense skills if we were to stop Lynn, I kicked the knife out of Lynn's hand, and we used martial arts and we knocked her out, and then, I tied her up in rope, so she couldn't escape. Then, we saw Vanzilla and Lori came out, and wanted to see if we were okay. We told her we were okay, and we tied up Lynn who wrecked our camp and our fun. Lori then took us back to The Loud House, and I told Mr. and Mrs. Loud of what Lynn did in wrecking our camp, and that she tried to kill me and Lincoln. Lynn got grounded for eight weeks and she was put in an isolation cube in the basement. But, our fun wasn't entirely ruined by Lynn, we then set up a campsite in the backyard, and we also had s'mores, and we slept under the stars.

Me: Now, that was one awesome story.

Nico: Yeah, and I can't believe Lynn wrecked your campsite, ruined your fire, and knocked the red snapper Lincoln caught, that was a bust. I wonder what caused her to get set off like that?

Lincoln: I know what it was, earlier before Rosie and I went out to the woods, I told Lynn that wasn't going to be her so-called "sparring" partner anymore, when the Guardian Angels and I know she just wants to beat me up and make me cry, while she laughs at my pain and suffering, and that's what set her off that day.

Nico: Yeesh.

FLASHBACK ENDS

Gentleman Ghost: Oh my goodness. But that is amazing that Rosie stopped her like that.

Crag: Come on guys!

Ripping Friends, May, Lincoln, Lynn and Luna: IT'S RIPPING TIME!

We went at the Broccoli Soldiers!

We were blasting them and cooking them with our new blasters and even eating them left and right!

We were really chomping them all over the place and really eating them all over the place.

We really let them have it too!

We used everything from salt and pepper, ketchup and more and even fired waves of fire and energy and cooked them all over and we were really eating them!

Blossom: Release the cheese!

(Up and down the walls of the castle, kids tip over huge kettles of melted cheese, and the contents rain down toward the Broccoloids.)

Troops: Huh?

SPLAT!

(They scream as the cheese douses them; when the deluge ends, they have been reduced to a dripping yellow mass on the pavement, leaving a few pairs of eyes to blink in confusion and arms and legs sticking out of the mess to twitch in helplessness. Cut to a closed in the castle, which bursts open. A horde of kids swarms out, with

Bubbles floating above them.)

Bubbles: CHARGE!

(The kids start to cheer as they rush out on Bubbles' command to attack. We storm out of the buildings and began eating the Broccoloids. Buttercup smashes her way through another door, and she and more kids fall on top of the incapacitated invaders. Everybody digs in with great enthusiasm and not a little bit of bloodlust, though their table manners could use some improvement-one of them chews with his mouth open far enough to allow us to see the contents.)

(A soldier standing near a cauliflower can is chomped by a kid who pops out from inside it; another one meets the same fate after stepping too close to a basement window from a broccoli wall. Several others retreat around a corner, firing up the hall, but one trips and falls-and is promptly set upon. Now a troop transport made from a pumpkin and tomatoes rolls onto the scene, and a hatch in front opens to allow its occupants to join the battle. They are met by the football team, with Buttercup standing behind them like a quarterback.)

Buttercup: Eighty-two! Thirty-six! Bite!

(They tackle the invaders and chomp away. Now we see a close-up of a soldier advancing down the block, gun drawn, and stopping to look back and forth. No threats in sight. Crunching is heard, and the soldier looks down-the camera following-to find two babies eating it from the legs up. Another enemy has a kid at gunpoint, but promptly gets a faceful of salt and is devoured.)

Nico: Broccoloids, you have all failed this planet!

Lana: That was awesome Flint!

Lana ate the rotten Broccoli.

Chowder: My turn! CHOWDER EAT!

Chowder was eating the Broccoloids like there was no tomorrow.

(The football kid is pinned down and at the mercy of yet another soldier, which laughs at him. Cut to Bubbles and Fluttershy ast They summon a bunch of rabbits, which hop over and quickly nibble the threat into submission, saving the kid.)

Me: Nice!

Michiru Kagemori: I knew there's no mistaking that Scottish Accent from anywhere. You can come out now, Alan Sylvastra.

A blonde-haired man in a suit came out, and it was none other than Alan Sylvastra.

Michiru Kagemori: I should've known you'd come out of the shadows, Sylvastra.

Alan Sylvastra: And now, I'm going to kill you filthy half-breeds once and for all!

Alan Sylvastra transformed into his Beastman form, and he was about to attack them, but Lincoln grabbed Alan Sylvastra by his collar, and he hoisted him up with his immense brute superhuman strength.

Lincoln: Get your filthy paws away from my future wives!

Lincoln tossed Alan Sylvastra into a wall with his immense brute superhuman strength.

Gallie Kenovich: (Croatian Accent) Excellent throw, Lincoln, but it looks like you've made him madder than ever. But, I've had enough of this beast to last an eternity.

Suddenly, Gallie Kenovich's electric blue eyes turned neon electric blue, and she was surrounded by an electric blue energy aura with lightning, psychic energy, and dragons, she unholstered her massive Wattaildragon-themed sword from her back, and as she approached Alan Sylvastra, she left electric blue energy, lightning, psychic energy, and dragons with every step.

Gallie Kenovich: (Croatian Accent) Alan Sylvastra, the crimes that you've committed against humans and beastmen alike can never be forgiven, you've more than once proved you're a heartless, sadistic, greedy, powerhungry damned soul, and now, I'll see to it you never hurt anyone ever again.

Suddenly, Gallie Kenovich was surrounded by a massive vortex of electric blue energy with lightning and psychic energy surrounding the vortex, there's Wattaildragon flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Gallie Kenovich emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Gallie Kenovich grew from 6'5" to 6'11" in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing electric blue hair, she has neon electric blue eyes and an electric blue energy aura with lightning, psychic energy, and dragons surrounding her, she has Wattaildragon with the Thunder Kanji in its claws emblazoned on her forehead, she has on dragon earrings with electric blue gems for eyes and holding the Thunder and Eternity Kanjis in its claws, she also has Wattaildragon with electric blue gems for eyes and the Thunder and Eternity Kanjis in its claws for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with electric crystal links from her merged Crystal Necklace of the Buddha and electric gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Gallie Kenovich has on an electric blue sleeveless vest, electric blue sleeveless midriff top, electric blue skirt, electric blue pants, electric blue shoes, and long sleeveless electric blue trenchcoat with lightning, psychic energy, and dragons on the coattails, and on the back is Wattaildragon with lightning bolts surrounding her. Gallie Kenovich felt a sharp pain on her back, and then, her massive electric blue angel wings grew much bigger for her new body, and the large electric blue feathers have black tips on the feathers, and underneath, Wattaildragon's wings also sprouted out. Gallie Kenovich has on a Ring of The Phoenix with electric blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Gallie Kenovich's massive Wattaildragon-themed sword was surrounded by a kaleidoscope of electric blue energy, psychic energy, lightning, and dragons, and when it emerged, it was transformed into Wattaildragon's Electric Greatsword of Draconic Lightning Justice, it's a brand-new greatsword with Wattaildragon etched on the 7'0" massive, wide, double-edged electric blue blade, Wattaildragon's wings for the crossguard, large electric blue gem embedded in the rainguard, longer black handle, and four large electric blue dragon heads with electric blue gems for eyes and in their mouths and on the bottom of the heads is a large electric blue gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with electric blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Wattaildragon's head with electric blue gems for eyes and a large electric blue gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a black kanji below Wattaildragon that said, "Gallie Kenovich, Superhuman Genius From Croatia, Fast as Lightning Runner, Powerful Psychic, Gene-Slammer of Wattaildragon, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Psychic Energy, and Dragons"

Gallie Kenovich has transformed into SUPER ANGEL ETERNITY

INFINITY ELECTRIC THUNDERSTORM PSYCHIC DRAGON ANGEL OF ELECTRIC JUSTICE AND DIVINE DRACONIC LOVE!

We were amazed by Gallie Kenovich's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Alan Sylvastra saw it, he howled with rage and went after Gallie Kenovich, but she dodged his attack with her lightning-quick reflexes and fired a powerful electric blue energy blast with psychic energy, lightning, and dragons, and it really electrocuted him badly.

Nico: Whoa, Gallie Kenovich's transformed, awesome.

Lincoln: And she electrocuted Alan Sylvastra, and the exact voltage she used on him is approximately 950,000,000,000,000,000,000 watts, but not enough to kill him.

Me: Yikes, now that's what I call a shocking development.

We shared a laugh.

Luan: (Laughs) Good one!

Lincoln: Good one, J.D., and Gallie, you look beautiful. How do you feel?

Gallie Kenovich: (Divine Echoing Cosmic Voice of The Electric Dragon and Divine Psychic Draconic Love) **I feel incredible, Linky. Now, shall we take care of this beast once and for all?**

Lincoln: (Smiles) With pleasure, Gallie.

Lincoln let out a growl as brown fur begin growing on his abnormally massive and powerful muscular body with light brown fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws and were laced with his cure: silver moonlight energy, his deep sapphire blue eyes turned yellow with slit pupils, and his eleven massive, long, and powerful werewolf tails with large black wolf heads for the tips sprouted out, and he let out a howl as he transforms into Lincoln the Nocturnal. Then, Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Gallie Kenovich.

Lincoln: (Divine Echoing Beastly Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of turning humans and beastmen against one another are over, Alan Sylvastra.**

Gallie Kenovich and Lincoln went after Alan Sylvastra, and they fired powerful blasts of rainbow energy, electric blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, and Angels at Alan Sylvastra, and they exploded with incredible power as they hit him. Then, Lincoln and Gallie attacked him with their massive greatswords and Lincoln slashed him on the chest with his claws. This got Alan Sylvastra so angry, it caused him to transform into his False Ginrou form, but Lincoln was prepared for that one, as he sent his eleven massive, long, and powerful werewolf tails at the beast, and the wolf heads bit Alan and they sucked out and absorbed his energy, and it caused him to change back to his regular beastman form, but it didn't save him for long as Lincoln put him in a brutal bear hug, so he couldn't escape, and as he sunk his fangs down on Sylvastra's neck, he began feeding on his blood, and at the same time, Lincoln began absorbing Alan Sylvastra into his body, and he was also assimilating Alan's powers and abilities.

Then, as Lincoln was done feeding on Alan Sylvastra's blood and absorbing him into his body and assimilating his powers and abilities, an energy card appeared in Lincoln's large left hand with Alan Sylvastra's soul inside it, and as the kanji appeared on his forehead, Alan Sylvastra was then sent to The Black Gates and erased forever. We cheered wildly for what Gallie Kenovich and Lincoln did as they holstered their massive greatswords on their backs and powered down and Lincoln changed back, and Gallie Kenovich's new body, clothes, weapons, jewelry, and massive angel wings and Wattaildragon's wings underneath her angel wings are permanent.

Gallie Kenovich: (Croatian Accent) That's the end for that xenophobic monster. Thank you for helping me take down and destroy Alan Sylvastra, Linky.

Lincoln: (Smiles Warmly) You're welcome, Gallie.

Suddenly, Gallie Kenovich wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans his face down to Gallie Kenovich's face, they kissed passionately as Gallie Kenovich's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Wattaildragon flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and lightning crashing down behind them and we cheered wildly.

Nico: That was not only one awesome food planet exploration, but we've finally got rid of the Broccoloid Empire for good.

Me: And stopped their revenge on all of Earth for what happened two years ago.

Lincoln: You said it, those Broccoloids have been asking for it for a long time. Looks like two years of being humiliated by us had driven them to the brink of wanting revenge on us, but we stopped their strike force for good.

Nico: You bet we did, Linc, and we sent them all to The Black Gates for good. This'll be remembered as The Great Broccoloid Genocide.

Me: Awesome name and a perfect end to those broccoli aliens.

Nico: Oh wait for it…

And then…

EXTREMELY MASSIVE AND LOUD SUPER BELCH!

We released a really loud and huge belch! The belch was so loud that it shook the planet!

When it was done we were really full!

Me: (GROANS) MAN I'm Stuffed!

Luan: Me too!

Laney: Yeah I'm not gonna eat anything for the rest of the day.

Jared: But this was an awesome battle.

Iceage: Those Broccoloids were actually delicious.

Samon Shakekisutanchin: But not as tasty as salmon!

Mortal Kombat Scorpion: The Disk Animals that Nico and the others got really came in handy.

Nico: They sure were. And this turned out to be an awesome adventure.

Rosie Davis: I'm really gonna love it here with you guys.

Dorothea Qinsley: Same with me.

Count Spankulot: You girls won't regret it.

Xigbar: Let's go back home. Maybe we can take down some more queen bee girls before bed.

Me: Yeah the number must've gone up tremendously by now.

Nico: Yep. Great job everyone.

Jared: (To the viewers) Man this was a very big Plant Filled victory for us. Just remember to eat your vegetables. They are good for you and great for health. Now we are finally free of the Broccoloid

Empire.

Nico: Yep we sure are. Lets go home.

We went back home to Earth and we discovered on the TV that the number of Queen Bee Mean Girls arrested had increased to 72,323,322! WHOA! We were gonna need to build a massively huge new prison for them all. And I decided to build it on the largest moon of Uranus, Titania. It's called the Titania Supermax Reformatory Prison for Queen Bee Mean Girls. This was a very awesome day for us. We enjoyed the rest of the day and went to sleep.

# SWEETNESS OF THE LICORICE PLANET

Walking through an amazing and beautiful endless jungle on another planet was Nico, The Ripping Friends, Ilana, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were actually on another planet in the system Lhodwi is located in. We were on the jungle planet of Eien and it was a magnificent and amazing endless rainforest planet.

Me: Wow!

Eli: This planet is amazing!

Arrietty: Wow! The rainforests on this planet go on forever.

Laney: Boy they sure do. This is amazing!

Fu: And the animals here are absolutely amazing.

Lana: Boy they sure are.

Fluttershy: I think they are just absolutely amazing.

Kaoruko: They sure are. It's all amazing.

Nico: Thanks for coming with me, Ilana.

Ilana: It's my pleasure Nico. And it's an honor that I get to go with you on your rescues.

Nico: You're going to love it.

Me: Yep you sure are.

Nico: Remember when we met you and your friends?

Ilana: I sure do and you guys all helped me and Lance reclaim my home planet.

Me: That was terrible that your home planet was going through such a terrible and catastrophic war like that.

Ilana: It was.

Sunset Shimmer: What planet are you originally from Ilana?

Ilana: I am from Galaluna. My planet was a beautiful world. Until General Modula took over.

Me: Her home planet was in the grip of a terrible war. Her father the king was overthrown in a terrible hostile takeover by his best friend General Modula. All because he wanted revenge.

I went over his history.

---

Modula was once a close friend to the king and his most trusted general. As shown during flashbacks, he was an honorable and respectful man to everyone, even the princess. He was present during an award ceremony for a young Lance, but a fight between Lance and his school rival, Baron, ruined the ceremony. Modula personally intervened and the two were punished.

At some point during the war with the Mutraddi, the king and his general arrived at the enemy homeworld and did battle. Modula was caught in an explosion and the king was forced to retreat, unknowingly leaving him for dead.

Modula survived, by unknown means, and desired revenge against his former friend. Having spent several years on Muttrad, enslaving many creatures and apparently showing some of them how to speak, Modula convinced a captain from Galaluna to aid him in an invasion of his former homeworld.

While the said captain was killed, Modula's involvement was kept secret until after the king was captured and Ilana, Lance and Octus escaped.

---

When I was finished everyone gasped in shock!

Sunset Shimmer: That's horrible!

Laney: Yeah it sure was.

Me: And we ended up killing Modula.

Nico: Yep.

Me: In the end, he paid the ultimate price for his crimes.

Eli: Wow! Can you tell us how that happened?

Me: I sure can.

I went over what happened during the events of chapter 1018.

---

At City Hall in Gotham Royal York, we were there to sign Bart Simpson up for a harem.

Fire Man: Hi. We'd like to sign Bart up for a harem.

The receptionist showed us where to go and we got Bart Simpson signed up.

Bart: This is really cool being part of a harem. I now can talk to my girlfriends more now. Also girls I'm sorry I lied about all that.

Jenna: It's all right Bart.

Gina Vendetti: Love has a strange way of causing people to do strange things.

Laura Powers: Yeah.

Jessica Lovejoy: That's right Bart.

Greta: Take it from me. I know how you feel Bart.

Annika Van Houten: It's true.

Mary Spuckler: Yeah.

Nikki McKenna: I'm glad we're together again Bart.

Sherri: Same here.

Terri: Yeah.

Bart: This is gonna be awesome.

Me: I'm happy for you Bart.

Lori: Same here.

Marge: I won't let Bart be a relationship with several girls! He needs only one girl!

Wendy Marvell: You know what, Marge? If you don't like Bart's harem, then we can just let you out and give you to Vanitas and Zs'Skayr!

Me: You tell her Wendy. But I think Marge being a portrait is perfect.

Wendy Marvell: True.

Me: Besides now that Marge is a portrait we won't have to have Bart listen to her incessant nagging.

We laughed.

Lana: That is so funny.

Me: Be right back guys.

I went up to Kidah's room and checked on her. She was rocking baby Olivea to sleep.

Me: How are you feeling Kidah?

Kidah: Doing really good J.D. Thank you so much for everything you've done for me.

Me: No problem Kidah.

I saw how adorable Olivea was in Kidah's arms.

Me: Olivea is so adorable.

Kidah: She sure is. I heard you all won on Total Drama.

Me: We sure did. It was also where we brought Billy McLean to justice.

Kidah: I'm so happy for everyone that they don't have to go through his torture ever again.

Me: You and me both. He got what he deserved.

Kidah: He sure did.

Kidah put Olivea in her crib and sung her a lullaby.

Kidah and me left her room quietly and Kidah closed the door.

Me and Kidah came down.

Nico: I'm glad Kidah is doing good.

Me: Ever since we brought her evil parents to justice Kidah has been so free and more.

Nico: Wow.

Laney: I have a song for you all.

Naruto: What is it Laney?

Laney: It's called the Willow Maid.

Natilee: Wow. That is a really good song. It's about the legend of the Tree Sprites of Celtic Myth. Very prominent tale.

Laney: Yep. Luna is letting me borrow her guitar for this.

Me: Awesome. Go for it.

Laney played for us and she was playing the song The Willow Maid by Erutan.

Laney: (Singing Divinely)

A young man walked through the forest

With his quiver and hunting bow

He heard a young girl singing

And followed the sound below

There he found the maiden

Who lives in the willow

He called to her as she listened

From a ring of toadstools red

'Come with me my maiden

Come from thy willow bed'

She looked at him serenely

And only shook her head.

'See me now, a ray of light in the moondance

See me now, I cannot leave this place

Hear me now, a strain of song in the forest

Don't ask me, to follow where you lead'
A young man walked through the forest
With a flower and coat of green
His love had hair like fire
Her eyes an emerald sheen
She wrapped herself in beauty
So young and so serene
He stood there under the willow
And he gave her the yellow bloom
'Girl my heart you've captured
Oh I would be your groom'
She said she'd wed him never
Not near, nor far, nor soon
'See me now, a ray of light in the moondance
See me now, I cannot leave this place
Hear me now, a strain of song in the forest
Don't ask me, to follow where you lead'
A young man walked through the forest
With an axe sharp as a knife
I'll take the green-eyed fairy
And she shall be my wife
With her I'll raise my children

With her I'll live my life

The maiden wept when she heard him

When he said he'd set her free

He took his axe and used it

To bring down her ancient tree

'Now your willow's fallen

Now you belong to me'

'See me now, a ray of light in the moondance

See me now, I cannot leave this place

Hear me now, a strain of song in the forest

Don't ask me, to follow where you lead'

She followed him out the forest, and collapsed upon the earth

Her feet had walked but a distance,

From the green land of her birth

She faded into a flower,

That would bloom for one bright eve

He could not take from the forest,

What was never meant to leave.

We saw the room turn into the beautiful forests of Ireland and it was beautiful. We saw fairies appear and they were beautiful.

When the song was done we cheered for her.

Me: Way to go Laney!

Natilee: (Irish Accent) That was really beautiful lass. Well done.

Laney: Thanks guys. I have another song. It's called Fairy Nightsongs.

Me: Ooh. That is one of my favorites. Go for it.

Laney was playing the song and we saw the night over Celtic Ireland and it was beautiful.

Laney: (Singing)

Dancing a spiral we sing unaware

On fairy night wings our songs fill the air

Making a circle of magic and light

Watched silently by the Fey of the night

Our hearts full of love and our arms open wide

We hold the key to the fairies delight

Song in our hearts belong in the air

The words of our wisdom we bring forth to share

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Sounds of the forest in sweet harmony

We give the gift of our song to the fairy

Dancing a spiral we sing unaware

The fairy night wings our song fill the air
The songs in the night
As we dance 'round the flame
The Fairy Nightsongs are never the same
The words from our lips as we sing for the night
Impart to the Fey our hearts truest sight
Ahh…
Dancing a spiral we sing unaware
On fairy night wings our songs fill the air
Making a circle of magic and light
Watched silently by the Fey of the night
The songs in the night
As we dance 'round the flame
The Fairy Nightsongs are never the same
The words from our lips as we sing for the night
Impart to the Fey our hearts truest sight
Our hearts full of love and our arms open wide
We hold the key to the fairies delight
Song in our hearts belong in the air
The words of our wisdom we bring forth to share
The songs in the night
As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Sounds of the forest in sweet harmony

We give the gift of our song to the fairy

Dancing a spiral we sing unaware

The fairy night wings our song fill the air

We saw beautiful fairies and they were flying all around us and they were beautiful.

When the song was done we cheered wildly.

Lola: That was so beautiful Laney!

Lily: A beautiful masterpiece of music!

Lori: Literally beautiful.

Natilee: Agreed. Well done lass.

Laney: Thanks guys. It is so amazing.

Natilee: It sure is. Fairies have always been a very prominent part of the Irish lands. It's been that way for millennia.

Me: Learning a lot about Ireland is so cool.

Hunter: (German Accent) Ja. It's amazing that Ireland has that much history behind it.

Axel Adell: (Swedish Accent) It sure is amazing.

Nico: Yeah. Dana, I am so happy for you and Axel.

Dana: Thanks Nico. We just started dating after we got back.

Me: Awesome!

Seia: I'm so happy for you both.

James Maxfield: Me too.

Me: We all are.

Lana: Yeah.

We got back to watching TV.

---

Later, we were over in the city of Sherman, Illinois.

Shockwave: So this is Sherman, Illinois.

Me: Wow. It looks to be as big as Chicago.

Shannon: As long as we aren't there, I'm cool with it.

Nemo: It sure is a neat city. I wouldn't mind going to many more places like this more often.

Laney: Earth is a beautiful place Nemo. You will love seeing more of it.

Nico: Yep.

Naruto: Earth is really pretty. It's hard to imagine that it has so much we can learn from.

Sakura Haruno: That's right.

Fu: Yep.

Then we saw a bank being robbed!

Me: Uh oh! Looks like we got a 2-11 in progress! Lets get them!

We went at the robbers and we punched one in the face and Varie kicked one in the stomach and Nico kicked a third one in he face.

Then we saw a boy with black hair and a girl with blonde hair punch and kick the robbers and knocked them out.

Me: Whoa! That was awesome!

Lance: Thank you. Whoa! You're all Team Loud Phoenix Storm.

Me: That's right. It's a pleasure to meet you uh…

Lance: I'm Lance.

Ilana: Princess Ilana of Galaluna. It's an honor to meet you all.

Octus: And I'm Octus. It's a pleasure to meet your acquaintance J.D. Knudson.

Me: Same to all of you.

Nico: Galaluna. Galaluna. (Gasp) I know the planet Galaluna! That is a wartorn planet that is under the rule of the ruthless General Modula.

We gasped in shock.

Me: Whoa!

Ilana: Yes. My planet is in a lot of turmoil. It was a couple of years ago.

Ilana and Lance went over what was happening and they went over the history of General Modula.

We gasped in horror!

Lincoln: I can't believe that General Modula would take over like that!

Naruto: He's exactly like Danzō Shimura was.

Me: No kidding bro. Looks like we got to head to Galaluna and put an end to him once and for all.

Laney: Yeah.

Lance: Thank you all so much. And we can help you with the Titan.

Me: Titan?

Lance: Lets show them.

Lance, Ilana and Octus turned into the giant robot called the SYM-BIONIC TITAN! It was a huge and awesome robot!

Me: Whoa! So that is the Titan!

Lola: Wow! What an awesome robot!

Wheeljack: Your Sym-Bionic Titan form is almost similar to a Megazord with 3 components.

Me: Just what I was thinking.

Lance: That's right.

Lincoln: It sure is amazing.

Me: Well we aren't gonna sit here and get the job done by doing nothing. Lisa, deploy the U.S.S. Valorous Phoenix.

Lisa Loud: Affirmative!

We got into the U.S.S. Valorous Phoenix and we were off to Galaluna. Galaluna was located in the Triangulum Galaxy 2.73 million light-years away from Earth. We were traveling there with faster than light travel.

* * *

The U.S.S. Valorous Phoenix was traveling through the Triangulum Galaxy.

Me: Captain's Log, Stardate 2810.2: The U.S.S. Valorous Phoenix is en route to the wartorn planet Galaluna, home to the princess Ilana and her friend Lance. The planet was overthrown in a massive coup de'Tat by the once good friend of the king, General Modula. Our mission is to kill General Modula and help Lance, Ilana and Octus get home.

Nico: Boy we were in space not too long ago. It's awesome that we're in space again.

Me: I know. But when we get to Galaluna, we're gonna be in for one helluva fight.

Vince: I know. It's gonna be a dangerous fight. But we're ready for anything.

Carol: That's right.

May: We're ready for anything.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Me: On screen.

We arrived at the planet Galaluna. It was a beautiful planet and we saw massive fiery explosions blowing much of the capital city of the planet apart.

Me: Man what a war. Lets land. Engage cloaking device and land outside the city.

Lana: Copy that.

We engaged the cloaking device and went invisible and we landed. We got out of the ship and we saw that the city was completely destroyed and ruined.

Me: My god. This is terrible.

Varie: No kidding. It's terrible that General Modula is doing this to this planet.

Ilana: And he won't stop until he kills us.

Lance: Yeah.

Me: Lets go.

We went to the palace.

General Modula was looking out over the world of Galaluna.

General Modula: Soon my rule over the lands of Galaluna will be supreme. All that stands in my way is the Princess and her friend.

Then a massive fiery explosion blasted through the palace ceiling and a phoenix cry was heard and we landed in front of GENERAL MODULA!

Me: So we meet at last General Modula.

General Modula: The famous Team Loud Phoenix Storm. It's an honor to make your acquaintance.

Me: Your reign of terror ends now Modula.

General Modula: Where are Lance and his annoying friends?

Maria: (smirks) Oh, they're closer then you think!

The Sym-Bionic Titan was smashing all of his forces. Then Lance, Ilana and Octus appeared.

Lance: It's over Modula!

Ilana: I'm taking back MY Kingdom!

General Modula: This is my kingdom.

Dark Spicer and Vanitas then appeared.

Me: Dark Spicer and Vanitas. I figured you 2 would be here.

Dark Spicer: I had a feeling. (to Lance) Here's your warning: Your ass is about to be kicked!

Lance: Not if I kick your ass first.

Spiderman: You are in for a wild ride Vanny.

Me: Yeah!

Dark Spicer: And I have new aliens to show you.

Dark Spicer then turned into a new mutant. It was a Polymorph Mutant! He was a purple Polymorph and he had an ugly appearance.

Slimepuss: I call this form… Slimepuss! (fires slime into my mouth)

Zarya: Ew!

Shanan: A Mutant Polymorph. How disgusting.

Slimepuss: I learned that Polymorphs have a different flavor. Tell me what I taste like later. (fires slime at Acid Man)

Acid Man fired acid at the slime and destroyed it.

Me: (Spits) Oh yuck! BRUSSELS SPROUTS! I HATE BRUSSELS SPROUTS!

Ben: Brussels Sprout flavor slime? Yuck!

Dark Spicer: Time for you to meet the second most powerful alien in my arsenal!

Me: Uh oh.

Dark Spicer changed into a Mutant Celestialsapien. He looked like Alien X but with purple stars and nebulae.

Alien Ξ: Meet Alien Ξ! (snaps his fingers)

Lincoln: What did you just do?!

Alien Ξ: I didn't do anything fatal to you guys. I only completed Vypra's secret project.

Reflector fired his blaster at Alien Ξ but he held his hand out to deflect the blast back at him.

Lincoln used the Force and sent the blast back at Alien Ξ and it slammed into him and knocked him down.

?: That must've hurt.

Tyzonn: I haven't heard that voice in a while.

Out came BULLOX from episodes 11 and 12 of Operation Overdrive!

Tyzonn: Bullox!

Bullox: Long time no see Tyzonn. Same to you rangers.

Me: I remember this guy! He was your commanding officer Tyzonn.

Tyzonn: That's right.

Bullox: I see you have your normal form back, Mercurian.

Tyzonn: I've also been a Power Ranger for several years now.

Bullox: Shame. I liked it better when you were on my side.

Me: As a freak of nature? I don't think so.

Troy: General. Your mission is over!

Megaforce Rangers: Legendary Ranger Mode: Techno Bionic Team!

The Megaforce Rangers turned into the Electronic Bioman Rangers from 1985.

Then another figure came out and we saw that it was KRUSTY THE CLOWN!

Bart: Krusty!

Krusty: Long time no see kid.

Laney: Why are you here?

Krusty: Isn't it obvious? I'm here to fight you guys or something.

Me: I never did like your food. It was all poisonous. Laced with carcinogenic chemicals and all that!

Krusty: Hey I never liked being in fame and all that! I hated it! It was a nightmare! I hated all the fame and fortune and it was terrible! I want to be free and do what I want as a villain!

Jackie (Loud House): You are a terrible clown and I hate clowns!

Sophie Krustovsky: I still love you as a father dad.

Krusty: Aww thank you sweetie.

Jackie (LH): Lets dance!

Me: Attack!

We went at them!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: (Divine Voice) **You are a monster Modula! You don't deserve to live!**

Nico: Yeah! General Modula, you have failed this world!

Laney fired powerful blasts of fire at him and burned him all over and so did Lola and he was charred all over.

Lincoln: Time for some dark force! SHADOW STYLE NINJA ART: SHADOW NINJAS!

Lincoln fired a wave of darkness and they formed into the Feudal Ninjas of Japan back in the 17th century and they slashed and punched and bashed Modula all over with incredible speed and power.

Me: **Whoa! The Ninjas of Feudal Japan. Awesome.**

Hunter: Ja. Awesome.

Ben: Time to add some predator power!

Ben then turned into a new predator. He was DRAVEK! He was a long sandworm covered in spikes.

Ben: DRAVEK!

Me: **Whoa! What a sandworm!**

Shanan: Wow! That's a Turrewuste Sandworm! They are incredibly dangerous creatures from the planet Turrewuste.

Nico: Deadly creatures.

Riley: No kidding.

Dravek: Lets see what it can do.

He burrowed underground and went at Modula and he grabbed him and sent him flying and he crashed into the wall.

Ben then turned into another new predator! It was MOSSUCK! He looked like a huge mosquito.

Ben: MOSSUCK!

Me: **Whoa! That is a nasty mosquito!**

Shanan: That is a Viscosian Colicidaeus! It's the natural predator of the Polymorphs.

Nico: Whoa! So they are Goop's natural predators.

Riley: And I don't like mosquitoes.

Me: **Me neither.**

Mossuck: Watch.

He skewered Modula and started sucking his blood and Modula was screaming in excruciating pain as half of his blood was sucked out.

Ben: And try this!

He turned into a new ultimate Alien. It was ULTIMATE TOEPICK! He was now purple with 3 heads and he had the middle cage of his face plate opened and he had a terrifying mouth and he had mouths on his hands and in his stomach. And he had tentacles on his arms.

Ben: ULTIMATE TOEPICK!

Me: **Whoa! An Evolved Mekfootan!**

Shanan: Wow! That is an ugly one!

The forces of Modula were killed and destroyed.

I powered down.

Me: That's the end of him.

Alien Ξ: I think all of us won today.

Laney: Who exactly were the villains you restored?

Vanitas: You guys are smart. We'll let you figure it out.

Alien Ξ then teleports him and Vanitas out of there.

Ilana: C'mon, guys! You helped us take down Modula. And that's pretty much a win in my book. Let's enjoy the moment.

Me: Okay.

We had an awesome victory party as a way of saying thanks for killing Modula and ending his reign of terror. We were given medals for our heroism and Lance, Ilana and Octum we allowed to return home. I built an awesome portal that enabled them to come to Earth whenever they wanted. Earth was also their home as well. We went back to Earth.

Lance: (To the viewers) You mess with Galaluna, you mess with us and Team Loud Phoenix Storm.

Ilana: Who are you talking to?

Lance: No one. No one.

FLASHBACK ENDS

Rainbow Dash: WHOA!

Rarity: Oh my goodness!

Nico: Yeah. Some friend.

Eli: But at least your world is safe and free now.

Ilana: That's true.

Me: But it's good that you guys were sent to Earth for your safety.

Laney: It's true.

Ilana: That's true. And I'm so honored we got to learn so much on Earth and become part of the team.

Varie: We're glad you did.

Nico: In the future, we'll help you take out the rest of your enemies.

Ilana: Thanks Nico.

Me: The most major one has already been dealt with.

Nico: Yep.

Me: These last few planets we went to have been amazing so far.

Nico: Yeah especially that Broccoli planet.

Lana: That was awesome.

Nico: Broccoli isn't as gross as Brussels sprouts.

Me: No it isn't.

Lola: Yeah but that was an awesome planet we went to yesterday.

Me: It sure was.

Camie: By the way Ilana what is your home planet Galaluna like?

Ilana: It's a beautiful planet. It's very much like Earth but it has 3 moons. Before it was wartorn it was home to a beautiful utopian paradise. It was so beautiful.

Me: It sure was. Until Modula ruined it.

Nico: Yeah. That was awful.

Juran: One of these days, we should see the Sym Bionic Titan form. It's probably as big as our giant robo!

Ilana: Oh it is. It's a Megazord Size Robot.

Me: We only saw it in action once and it was really cool. It reminds me so much of Voltron and many Megazords from over the years. So awesome.

Eli: That is really awesome!

Lola: Boy it sure was.

Varie: We all thought it was really cool to see it in action.

Me: Yeah.

Nico: And on that day, Dark used his Celestialsapian form to fully restore several villains to serve as archenemies for the Loud Kids.

Me: He sure did and that was so awesome.

Lola: Now we have them as great archenemies for us.

Lily: And they are great frenemies too.

Fu: That is true.

Ilana: And I think it's awesome that many of us are getting great archenemies too.

Me: It sure is Ilana. Boy I'll never forget everything that happened to us with the Masters of Evil.

Nico: Me neither. From December 26th, 2019 and ongoing. It's so awesome.

Eli: Awesome times.

Me: And to think that we started out as enemies once before.

Lincoln: Until that terrible storm gave birth to awesome frenemies.

Twilight Sparkle: Terrible storm?

Lincoln: It was really awesome.

Lincoln went over what happened during the events of Chapter 973.

FLASHBACK 2

It was a cloudy day and we were heading over to the island of Berk.

Me: Boy it sure is a gray day.

Lucy Loud: I wouldn't mind a day like this. It's my kind of day.

Maggie: You and I have so much in common Lucy.

Lincoln: It sure is a good day though.

Lily Loud: It sure is.

Laney: I wonder what's gonna happen when we get to Berk.

Me: We'll find out shortly.

We arrived at the island of Berk and it had more dragons than ever.

Hiccup: Hey guys!

Me: Hey Hiccup.

Nico: What's going on?

Hiccup: Things have been going great and we have so many more dragons than ever.

Me: We can see that. Wow! There's so many dragons!

We saw that the whole island was turned into a city and it was unbelievable!

Me: Wow! I can't believe that it grew into this so fast since we were here a couple of days ago.

Nico: You have me and the Shinobi to thank for that.

Naruto: It's true guys. We've been using Shadow Clones to help out. When you have Shadow Clones, you can get things done really quickly.

Me: Very impressive bro. Well done.

Naruto: Thanks big bro. It's awesome!

Hiccup: Naruto and the shinobi have been a really big help and we can't thank them enough.

We went to see Stoick.

Stoick: (Scottish Accent) Welcome back lads.

Me: Always a pleasure being in Berk.

Nico: Yep.

Stoick: Lads, I want to thank you all for sving my life from Drago.

Me: It was our pleasure Stoick.

Maria: We were just doing our jobs, Stoick.

Stoick: But I insist. As a reward, some of you can pick out a dragon partner from here.

Me: Wow! Some of us already have dragons. But go for it guys.

Francis: What dragon do you think is perfect for me?

Me: There are many kinds of fire dragons Francis. Whichever one suits you best.

Francis: Okay.

Silver Banshee: (Scottish Accent) You sure the rest of you guys don't want a dragon partner?

Lori: We're fine Siobhan. But thank you.

Poison Ivy: Let's make sure our new dragon partners don't get wet.

Me: Well some dragons live in the water. So we'll have the Neptune Crusaders get dragons that live in the water.

Bai Tza: Good idea.

Varie: That's perfect.

Lana: I love it!

Gali: That's a great idea. Water Dragons are perfect for us.

Nokama: You said it. It's a great idea.

Luna: Rockin' dudes!

We got to choosing our dragons. But there were so many of them that it was hard to pick. But we got our dragons.

Later back at the estate, Lincoln, Clyde, Laney and Lily were watching an awesome Zombie Movie Marathon.

[In a desolate small town, a man and his dog are running for their lives, being pursued by zombies.]

Colonel Austin: "More zombies, better put a little distance between us." [Austin slides across a puddle and grabs the leash of his dog. He throws it around a tree and attaches the other end to a tree across the road. The zombies get closer, growling and snarling, then Austin grabs the leash an uses it to slingshot the zombies away.] "Well Goldie, looks like we just gave ourselves a new leash on life."

[Goldie barks, liking the joke. The whole thing is a movie being watched by Lincoln and Clyde, Laney and Lily.]

Clyde: "Colonel Austin is such a boss! Taking out zombies, and lightening the mood."

Lily: Boy he sure is awesome! Zombies are awesome!

Laney: Zombies are scary!

[There's a growl on the TV.]

TV Announcer: "Swarm of the Zombies will return after these messages. And stick around, the all-night movie marathon continues with parts two through five."

Lincoln: "We're not going anywhere."

Lily: No we aren't.

[The boys and girls clink their juice boxes and drinks, when suddenly, the lights come on.]

Lynn Sr.: "Alright my little zombie heads, let's go, time for bed."

Clyde: [Confident] "Mmm-hmm."

Lincoln: "Okay, Dad. Come on, Clyde." [Walks off]

Clyde: "Wait, what?" [Follows Lincoln]

Laney: Huh?

Lynn Sr.: "I said, it's t-" [Realizes] "Wow, that was easier than I expected. [The boys and girls are heading upstairs.] Oh, wait, Clyde, I promised your dads a timestamped picture of you on your way to bed, here we go."

[He takes the photo. The boys and 2 girls enter Lincoln's room.]

Laney: What was that all about Lincoln?

Lily: Yeah that's what I was wondering.

Clyde: "I can't believe you gave up so fast, Lincoln, I was expecting a big protest with slides, and maybe even some well timed tears."

Lincoln: "No need for that my friend, because I knew this would happen, and I have a backup plan: we're gonna sneak out and watch the rest of the marathon in Lisa's bunker."

Clyde: "Great idea, but how are we gonna break through her security system?"

Lincoln: "Oh please, the code is her birthday. Lisa may be a genius, but she's terrible at creating passcodes."

Lily: That is crafty bro!

Laney: I'm impressed.

[Lincoln opens the panel behind his 'Amazing Space' poster, and pulls the cord. His inflatable slide opens up, and the boys and 2 girls slide down it.]

Lily: Weee!

[The boys and girls are in Lisa's bunker, it's 12:15 AM.]

TV Announcer: "And now, back to Swarm of the Zombies Part Two: Runaway Brain."

Colonel Austin: "We may not be able to stop these freaks, but we can slow them down."

[He takes a barrel of toxic sludge, and props it onto the door, he and Goldie run for cover. A zombie enters, but the sludge eats right through hands, and he passes out. 2:20 AM.]

TV Announcer: "We now return to Part Three: Brain Man."

[Austin is trying to hold a door shut, but the zombies are very strong.]

Colonel Austin: "Don't worry, nobody's getting into our secret hideout, Goldie." [Goldie tosses Austin a talkie, Austin stops it with his knee and kicks it up and out of the hideout, it lands a distance away. Austin talks into the other one.] "Hey zombies, got some fresh brains for you, skull to table."

[The zombies hear this from the talkie Austin kicked out and go over to where the sound came from, Goldie and Austin high five each other. 4:45 AM.]

TV Announcer: "Now, back to Part Four: Citizen Brain." [Austin and Goldie are climbing an oil tower, and kick a barrel sending the oncoming zombies over a cliff, Lincoln and Clyde high five. 6:55 AM.] "And now, back to the exciting conclusion of Part Five: Nothing Ventured Nothing Brained."

[The zombies are all stuffed into a rocket.]

Colonel Austin: [Holding the remote] "Wanna do the honors, Goldie?"

[Goldie hits the button, and the zombies are sent into space, the exhaust smoke reads 'the end..?'. Lincoln and Clyde and the 2 girls cheer.]

Lincoln: "I knew they could do it!"

Lily: Yeah me too!

Laney: That was awesome!

Lincoln: [Suddenly he sees the time.] "Ooh, it's 7:00 AM, we better sneak back up to my room." [They poke their heads through the entrance to the bunker, and then the back door, and find the kitchen empty.] "Oh, good, no one's up yet."

Lily: It sure is quiet.

[They continue through the house, and grow confused when they can't find anyone. They notice that Lynn and Lucy's bedrooms are empty, yet a mess.]

Lincoln: "Hmm, I guess they are up."

Clyde: "Pretty early for a Saturday, isn't it?"

Laney: But where is everyone?

Lincoln: "I wonder where they are." [The boys and girls look downstairs, and check the parents bedroom.] "Mom?! Dad?!" [The bed is unmade, but the room is empty.] "They're gone too? I'd better call them." [Takes out his phone] "Huh, no service."

Laney and Lily pulled out their cell phones and it was the same

thing.

Laney: Mine too.

Lily: Yeah same here.

Clyde: [Tries turning on the lamp.] "No electricity either."

Lily: The power is out.

[They go outside and find the whole street is empty, and eerily gloomy, the only sound is a window shutter.]

Lincoln: "This is weird, come on." [They run down the street to Mr Grouse's house, the front door is wide open.] "Mr. Grouse?"

[The house is in the same state as the estate, a big mess, but totally empty.]

Clyde: "His place is empty too, and it looks like he left in a hurry."

Lily: Where do you think he went?

[The boys and girls run through the streets, checking other houses, but eventually return to the estate.]

Lincoln: Hmm, empty houses, abandoned streets, no power. What do you think happened here?

Dark Spicer: (Offscreen) That's what we want to know.

Lincoln, Laney, Lily and Clyde turned to see Dark Spicer, Waffle Woman, Zs'Skayr, Vanitas, Number 7, and Vypra walking towards them.

Laney: Oh great!

Lily: Not you guys!

Clyde: What do you guys want?

Lincoln: Did you have anything to do with this?

Zs'Skayr: Of course not! We just got here 5 minutes ago after we got done killing some of those meddling Death Eaters.

Clyde: Then, who did this?

Waffle Woman: We're just as confused as all of you.

Lincoln: Look, none of us know what happened here. So, until we can solve this mystery, we should call a temporary truce.

Vanitas: That's fine by me.

Number 7: A most logical decision.

Clyde: (to Vypra) Can't you use your Batlings to do a search of the area?

Vypra: I would. But they're watching our base until the 6 of us get back. And no. We're not telling you where it is.

Laney: I had a feeling you wouldn't talk Vypra.

Dark Spicer just turned into Feralhound.

Lincoln: Why don't you use your Loboan form to sniff out clues?

Feralhound: I haven't exactly turned into that form yet. I'm saving it for the next time I face you guys.

Clyde: Assuming that there is a next time.

Laney: Don't say that Clyde.

Lily: We can get through this if we work together.

Lincoln: If I didn't know any better, I would swear that we're in the middle of a Zombie Apocalypse.

Clyde: "Ha, that's funny, it does kinda looks like it, the only thing missing is an actual-"

[Suddenly they hear growling, they look over, and see a dark figure slowly approaching them, and gulp.]

Lincoln and Clyde: Zombie!

Lincoln: Run!

Dark Spicer: (to the zombie) Here's your warning: Your ass is about to be kicked!

Dark Spicer fired his blaster at the zombie while Zs'Skayr fired a blast of dark energy at it. Both attacks knocked it down with a huge explosion.

KRABBBBBOOOOOOOOOOOMMMMM!

Dark Spicer: Let's go while it's distracted!

[The boys and girls run for it, and hide behind a fence. The zombie is nowhere in sight.]

Clyde: "We lost it, but who knows how many more are out here?" [Gasps] "Do you think they got our families?"

Laney: I don't know.

Lincoln: "I doubt it, Lynn's a blackbelt and Lola's a biter."

Lily: I remember that.

Clyde: "Yeah, and my dads are really tough. They once fought off fifty angry shoppers for antique candelabra."

[Brief silence]

Laney: That's impressive.

Vypra: Very impressive.

Lincoln: "Listen Clyde, we knew this day would come. Right now, let's get to our secret hideout for supplies and zombie fighting gear."

Clyde: "Good call."

Laney: It's time we put our Zombie Survival Skills that we were taught from Shawn to the test.

Lily: Right!

Vypra: This is gonna be interesting.

Both: [As they roll out] "Clincoln McCloud."

Laney and Lily: And Lanily!

Lincoln: Good name you two.

Clyde: I'll say.

[They all run through the streets, keeping out of sight, while looking out for more zombies. They stop in front of the Burpin' Burger.]

Clyde: "Mind if we stop at the Burpin' Burger? I need to use the bathroom, I know it's for paying customers, but I really have to go."

Lincoln: "It's the apocalypse, Clyde, I think that rule is out the window."

Waffle Woman: Well when you got to go, you got to go.

Vypra: We'll keep a watch.

Clyde: Okay.

[They all enter the restaurant, and find it empty.]

Clyde: "Huh, looks like everyone left here in a hurry, too."

Laney: Looks like it.

Lincoln: [Quivers] "Or were attacked by zombies." [Sees Clyde's not next to him.] "Clyde?" [The boys enter the bathroom, when there's a moaning outside.] "The zombies."

Clyde: [Zips up] "Never mind, I'll pee later!"

[They all look around, and see the window is open.]

Lincoln: "Remember what Colonel Austin said? We might not be able to stop them, but we can slow 'em down."

Laney: Good thinking.

[Lincoln grabs the garbage can and props it on the door, Clyde is struggling to climb through the window, Lincoln gives him a boost, and follows after him. Vanitas gives him a boost and they went through the window. They land outside, and hear the sound of their trap being sprung, they're pleased by this.]

Clyde: [Offers a fist bump] "Clincoln."

Lincoln: [Returns it] "McCloud."

[They explode their fists.]

Laney: Nice trap boys.

Vypra: Very genius.

Lily: Yeah.

[Later, they arrive at the abandoned Flip's Food & Fuel, and look inside.]

Lincoln: "Okay, the old Flip's, looks zombie free." [They start getting stuff.] "Grab what you can, I put a ton of cheese and crackers in our secret hideout, but that was like, five years ago."

Lily: Eww!

Flip: "Freeze bozos!" [They all get startled and drop everything.] "There are no freebies in Flip's house."

Lincoln & Clyde: [Hopeful] "Flip!"

Clyde: "He's alive!"

Laney: I thought he was in prison!

[They head for the backroom, but right when they enter… ]

Flip: "Freeze bozos!"

Lincoln & Clyde: "Huh?"

[Flip's voice was revealed to be a tape recording.]

Recording: "There are no freebies in Flip's house."

Laney: It's only a tape recording.

Clyde: Do you think the zombies got Flip?

Vanitas: Of course not. He's safe inside one of your prisons, remember?

Lily: That's good. I hate that guy.

Laney: I hate him more. Cheapskate freak.

They gasp when they hear a moaning outside, they look and see a figure bent over behind the counter. They also see the nacho machine, Clyde gives a signal, they swing on some bunting and kick the cheese at the figure.

Clyde: Eat congealed cheese, zombie!

Waffle Woman: How about some syrup to go with it?!

Waffle Woman sprayed syrup into the zombie's eyes. And then, Vanitas shot a Dark Firaga at it, knocking it down with powerful explosions.

KRABOOOMM! KRABBOOOOOMMM! KRABBBBOOOOOOOOMMM! KRABBBOOOOOOMMMM!

Laney: Nice shooting!

Lincoln: We need to keep moving!

[They make it to Tall Timbers Park, and keep out of sight until they find their secret hideout.]

Lincoln: "Quick! Into the secret hideout."

[He pulls some branches out from an opening to a cave hidden behind a large boulder and they all enter. In their hideout, Clyde checks the snacks, while Lincoln tunes their radio. There's a noise making Clyde scream.]

Laney: What is it!?

Lincoln: [Regarding the radio] "I think we got something."

Vypra: Lets hear it.

Mayor Davis: "This is Mayor Davis, if there are any stragglers out there, I urge you to please come to the mall."

Lola: "Lincoln! Clyde! Laney! Lily! She's talking to you! Get your butts down here!"

Rita: "Lola! Give that back to the mayor."

Me: Ms. Rita, it's all right. Lincoln, Clyde, Laney, Lily, be careful out there.

Nico: Just be safe you guys.

Lincoln: "Yes!"

Clyde: "Our families and friends are okay! Now we just need to get to them." [Attempts to move the boulder.]

Lincoln: [Stops him] "Clyde, wait."

[There's more moaning outside and the boys look at each other.]

Laney: Uh oh.

Clyde: "More zombies? What do we do? I know, throw our spiciest jerky at them and give them heartburn."

Vypra: That is the best you got?

'Lincoln: "Or," [picks up their walkie talkies.] "We borrow another move from Colonel Austin." [Throws the other talkie through the opening above the boulder, it lands in the bushes outside. Two figures are there.]

Clyde: [Through the talkie] "Fresh brains over here, and you're gonna wanna munch on mine, I just aced my math test."

Laney: That's genius.

[They hear the zombies moving the other way.]

Lincoln: "Let's move. Guys, we might be the last 10 people alive in Gotham Royal York. So, I want you to know that despite us being enemies, me and the others have always respected you guys.

Dark Spicer: That's fine. The 6 of us have always respected all of you in return. You're not so bad. (smirks) For annoying heroes.

Laney: (Sarcastically) Thanks a lot)

Clyde: (sarcastically) We are all feeling the love right now.

Vanitas: If Ventus really is dead, then I never got to fight him after I joined up. Dammit, why did J.D. have to block my path to him?!

Lincoln: Lets focus. [They pack their gear.] "Good job on that test by the way, I know you studied really hard." [They all exit the hideout and run into the forest, they look back and see a figure behind them.] "Another zombie, we gotta lose it; or we'll be leading it straight to our families."

Laney: Right.

Clyde: "Quick, grab a branch." [They grab some low branches and pull them back, the figure approaches.] "Now!" [They let go of the branches, propelling the figure away.]

Lincoln: Zombs away.

But the zombie got up.

Vypra: My turn! (knocks the zombie down with an energy blast)

Number 7: This will help. (knocks zombie back with ion blaster)

KRABBBOOOOOOOMMMMM! KRABBBBOOOOOOOOOOMMMM! KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

The explosions from the blast sent it flying.

[They run off.]

[They run past the supermarket, and see another figure in front of them. Clyde jumps into Lincoln's arms and they run inside. They peek out from behind the crate of watermelons.]

Lincoln: [Looks around] "Quick, open that freezer door." [Clyde does so, then Lincoln tips over an icebox and ducks behind the counter. The figure enters and slips on the ice; he lands in the freezer and they all shut him in.] "Let's get to the mall."

[They run, but slip on the ice on their way out.]

[They run into a construction site, see three figures headed their way, and dive behind a pile of bricks.]

Clyde: "Even more zombies? It's like their multiplying."

Laney: No kidding!

[Lincoln notices a dumpster nearby.]

Lincoln: "Come on, I've got an idea." [Pulls them away. One figure points, inside the dumpster are two pillows with construction helmets, Clyde's glasses, and the boys shirts and Laney's scarf and Lily's scrunchy, the figures go over. Nearby, the real kids are without their shirts and accessories, and holding a steel girder.] "Time to take out the trash." [They use the girder to ram the dumpster away, taking the zombies with it.] "Come on, let's go." [The dumpster rolls away, and they puts a new clothes and accessories on.] "Good thing we kept backup clothes in the secret hideout."

Laney: Good thinking!

Lily: Yeah!

Vypra: Very genius guys.

Dark Spicer: I'm impressed

Clyde: [Catches up with Lincoln, wearing a lavender button down and a red bowtie.] "Yeah, but I wish I hadn't gone so formal."

Laney: That's all right.

[Lincoln stops, and Clyde runs right into him, the mall is right there.]

Lincoln: "There's the mall! We made it!"

Laney: And so did the zombies!

[Just then, the dumpster makes a turnaround, the boys look and see it headed right for them, they scream and dive into a bush.]

Clyde: "Dang it, we forgot the roundabout at 4th and Maple."

Vanitas: Oh no!

[The dumpster stops at the steps of the mall, and the figures climb.]

Clyde: "Oh no, we doomed our families!"

Lincoln: "It's not too late! We can still stop them from getting inside, let's gear up." [Goes into the bush.]

Clyde: "Right, brain protectors."

[They come out of the bush wearing colander helmets, and holding squirt guns.]

Lincoln: Here goes, everything. We have our powers still.

[They all let out a battle cry and charge. The three figures see Lincoln and Clyde running towards them, firing their squirt guns and lightning, one figure gets the juice in his mouth and is electrocuted and falls over, Laney wraps them in plant vines and Lily fires a powerful blast of water and drenches them and Vanitas slashes them and they all keep charging, their colanders fall over their eyes, another figure gets the juice in his eye and yells. All three figures walk to them.]

Clyde: "We're out of juice!"

Lincoln: "Forget the blasters, hand to hand combat!"

Laney: Lets get them!

[With the colanders still over their eyes, they all jump on the figures and start beating them up, until they hear a familiar voice.]

Rita: "Lincoln! Clyde! Laney! Lily!" [The 4 remove the colanders, and see all the female Louds, All of us, Mayor Davis, Mr. Grouse, and various others.] "You're hurting your fathers!"

Lincoln & Clyde: "Huh?"

Laney: You're all okay!

[They turn around and see the figures are indeed their own fathers, who are in serious pain; they gasp at this exposition, and run up to them.]

Lincoln, Laney and Lily: [In unison] "Sorry, Dad."

Clyde: [In unison] "Sorry Dads."

Lincoln: "We thought you we're zombies, we've been fighting them all day."

Lynn Sr.: [Strained] "No you haven't, you've been fighting us."

Lincoln & Clyde: "What?"

Howard: [Also strained] "We've been trying to find you, see, there was a big storm last night."

[Flashback to last night. Mayor Davis is on the TV news.]

Mayor Davis: "This is Mayor Davis, I urge all citizens of Gotham Royal York to evacuate to the mall," [We all frantically make a run for the mall.] "we have supplies and a generator so you can wait out the storm there."

[The power goes out. We all were running for our lives, Lynn Sr. approaches her.]

Lynn Sr.: "I can't find Lincoln, Laney, Lily and Clyde! Take the girls to the mall, everyone, and the McBrides and I will find the rest."

[Rita gets in the van and Lynn Sr. takes off. End flashback.]

Lynn Sr: "We've been chasing you boys all over town, yelling our voices out."

Me: Wow. You really strained your voices too hard.

Lily: No kidding.

Clyde: "So all the zombies we thought we attacked were really [gulps] you guys?" [The dads agree, and have the injuries to prove it. The boys and girls look at each other feeling horrible.] "Wow, we're really sorry."

Me: Boy they really did a number on you.

Nico: No kidding.

Rita: "So where were you during the storm?"

Lincoln: [Meekly] "Uh, [nervously chuckles] watching the 'Swarm of the Zombies' marathon in Lisa's bunker."

Laney: Yeah.

Lisa: [Aghast] "What?! Impossible! How did you crack my passcode?"

Everyone else: "It's your birthday."

Lisa: "Dang it."

Lily: Not very smart Lisa.

Me: But why are Vypra and the other Masters of Evil with you?

Lincoln: We didn't know what was going on and we formed a truce with them and they were helping us.

Nico: (to the Masters of Evil) So the whole time, you helped Lincoln, Laney, Lily and Clyde try to find us and didn't try and kill them even once?

Vypra: Well, this was a situation unknown to the 6 of us. And as annoying as you all are, you're still our archenemies. We couldn't let anything bad to the four of them or any of you.

Carter Grayson: I guess there's some good in you after all.

Waffle Woman: Don't get used to it. Next time you face any of us, we're enemies again.

Me: Agreed. But you've earned our respect and for that you get to live so we can fight another day.

Vypra: Thank you.

Dark Spicer: Since you're letting us go today, here's a little present (gives Eddy present)

Eddy: Thanks! Wonder what's inside? (starts to open it)

While this was happening, Dark Spicer turned into Dirtdrive and ran off. Vypra teleported her, Number 7, and Waffle Woman out. Zs'Sakyr flew off and Vanitas went through a dark portal. Carter noticed this.

Eddy: (opens the box only to find a bomb) Oh, fuck.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOMMMM!

The bomb went off, causing an explosion that knocked Eddy to the ground.

Edd: (helps Eddy up) Eddy! Are you alright?

Eddy: (Coughs out smoke) (growls) Damn those Masters of Evil!

Tara: (laughs) Looks like everything's back to normal.

Me: The old Bomb In the Present trick. I know that gag all too well.

Rita: "Normally, we would punish you for sneaking out of the house like that, but I think you've been through enough today."

Lynn Sr.: [Aghast] "They've been through enough?! I've got melted cheese everywhere!" [Slaps some out of his ear.]

Lincoln: "We're really sorry about that, Dad."

Laney: Yeah.

Clyde: "And the ice at the grocery store."

Lincoln: "And the branches at the park."

Clyde: "And the garbage can at the Burpin' Burger."

Lincoln: And all the explosions that blew you back.

Me: But still I'm impressed that you 4 survived a nasty storm of this caliber.

THUNDERCLAP!

Me: Whoa! We better head back inside!

Nico: Yeah!

We went back into the mall and we saw everyone there.

Lincoln: Wow! Everyone is here!

Laney: No kidding.

Me: But still your Zombie Apocalypse survival skills really paid off.

Shawn: Yeah I'm very impressed you 4. Good job.

Lincoln: Thanks Shawn.

Clyde: I'm glad we could do it.

Laney: It was good training. But we did survive.

Lily: We sure did.

We saw Sora and Kairi making out and it was so adorable! We also saw Elena & Lea and Star Butterfly & Marco making out as well as Poromon & Manaphy, Poliwag & Horsea, Stacy & Roy, The Bolton Brothers & the Wereshark Girls, Ash & Serena, Naruto & his wives, and Carol & Vince.

Me: Aww. So cute.

Nico: They were making out the whole time we were in here.

Lincoln: Wow.

Clyde: That's amazing.

Syd Chang: Clyde!

Syd Chang came and hugged him.

Syd Chang: Thank goodness you're safe!

Clyde: I know. Thanks to Shawn and his teachings.

Lily: How bad is this storm?

Me: Really bad. It's what's called a Derecho.

Lincoln: A Derecho? What's that?

Me: It's a huge line of storms that is incredibly powerful. They can stretch up to hundreds of miles long and they can pack deadly hurricane force winds, powerful lightning, tornadoes, large hail, and torrential rain and they can cause a lot of damage and even flash flooding.

Lincoln: Whoa!

Clyde: That's terrible!

Laney: But thank goodness we made it to the mall safely.

Lily: Yeah.

Me: But thank goodness you all are okay. We could've stayed at the estate because of our force field and auxiliary power generator.

Lincoln: I guess we didn't think about that.

Me: Fear has a way of causing strange things to happen to people.

Nico: That's true.

Laney: But we still made it through this.

Me: Yep.

Leni: But as long as we're here we might as well go shopping.

Shaggy: Like yeah and eat at the food court.

Me: You two always think about food.

Scooby Doo: Reah but we like it.

We stayed at the mall for a couple of days because of the storm. But we made it through and went back home.

FLASHBACK ENDS

Sunset Shimmer: Whoa! So that's how you guys got closer.

Eli: That is so cool!

Varie: It sure was awesome.

Lola: I thought it was amazing too.

Lina: That is awesome and amazing.

Kia: I have a feeling that this planet is gonna be having some very unique surprises for all of us.

Me: I have that same feeling too Kia.

Nico: Yeah.

Eli: Yeah. I sense we aren't alone though.

Twilight Sparkle: I can feel something in the air.

Maria: Look at this place.

Nico: Yeah the rainforest just goes on forever.

Me: It's beautiful though.

Kaoruko: It sure is.

Eli: (Senses something) Someone is in trouble!

Me: Where!?

Eli: (Points down a path) That way 100 meters!

Nico: Lets go!

We ran and saw a green hair girl that was waist deep in quicksand!

Me: Oh man! Wait you're Feena from Grandia!

Feena: Wow Team Loud Phoenix Storm! It's an honor. Can you get me out of here?

I spread my wings and flew over to her and she took my hand and I pulled her out.

Nico: Wow! That was close.

Feena: It sure was. But I'm really muddy and covered.

Varie: Let me wash you off.

She fired a wave of water and washed her off.

Nico: How did you get here onto this planet?

Feena: I don't have any idea. But I'm not the only one. 5 others were with me.

Eli: What did they look like?

Feena: Well…

We heard a scream.

Me: Looks like we found one more.

Eli: Through there at 35 meters! (Points down a path to the north.)

We went down it and we saw a girl in a witch outfit grabbed by tentacles and being pulled into quicksand.

Me: Oh man!

I flew over and slashed the tentacles with my sword and cut her free. It was Lisa from Genshin Impact.

Lisa (GI): Wow! J.D. Knudson!

I grabbed her by her shoulders and pulled her out and brought her over to us.

Kaito: You okay?

Lisa (GI): I am now thanks to J.D.

Feena: He saved me too.

Me: But we got to find the other four girls here.

We heard a scream.

Eli: 2 girls in trouble 45 meters to the west!

We ran fast and we saw that it was Maple and Sally from the anime Bofuri! And they were up to their chests in quicksand!

Me: Sally and Maple!

Maple: J.D. Knudson and all of Team Loud Phoenix Storm!

Nico: Hold on!

I flew over to them and grabbed them both by the backs of their shirts.

Me: All right I'm going to pull you girls out but don't take this the wrong way.

Maple: Okay.

I flew and pulled them out and Eli used the Force and brought their weapons over and I put them on the ground.

Sally: (Sighs in relief) Wow!

Nico: You girls all right?

Maple: Yeah we are.

Lisa (GI): Thank goodness.

Magine: 2 to go!

Eli: I sense the fifth one in that clearing 500 meters to the east!

Nico: Lets go!

We went over to the clearing and we saw a huge pool of quicksand and the next girl was far out in the middle of it. She was up to her neck.

Nico: Whoa man!

The girl was Naymayas!

Me: Naymayas from Granblue Fantasy!

Naymayas: HELP ME!

Me: Hang on!

(IMPERATRIX MUNDI PLAYS FROM 1:45 TO 2:34)

I formed a vine rope and threw it and lassoed a tall tree and did a Tarzan swing! I swung and she held out her hand from the quicksand and I reached as I swung and I grabbed her hand and pulled her out and she was covered in mud.

Nico: WHOA!

Eli: WOW!

I swung back and we landed on the ground by everyone!

Everyone cheered!

Nico: ALL RIGHT J.D.!

Naymayas: Wow! My hero!

Me: Aw it was nothing.

Feena: That was incredible!

Lisa (GI): Yeah it sure was!

Maple: Wow!

Gaon: One to go!

Nico: Yep.

Eli: She's over in that area 50 meters southwest.

We went over and we saw that it was Djeeta from Granblue Fantasy and she was up to her chest in quicksand!

Me: Oh man! Djeeta from Granblue Fantasy!

Nico: Oh man!

Djeeta: Help me!

I saw a big tree branch.

I flew over and used my tail and hung from it like a possum and Djeeta grabbed my hand and I spread my wings and flew and I pulled her out.

Djeeta: Wow! That was awesome!

Me: Now I know how a possum feels.

Nico: Yeah!

Everyone cheered for me.

Eli: Way to go bro!

Feena: That was really clever.

Lisa (GI): It sure was cool.

We got to washing the girls off.

Varie: How did you girls wind up on this amazing jungle planet?

Maple: We were taken here by a scary red monster.

Me: Scary red monster? Wait did it look like a Power Ranger with a scary skull helmet?

Sally: Yeah!

Me: Another Ranger is here!

Nico: What did it look like?

Sally: Well it looked like a ranger from a long time ago and had a scary version of the sun on it for a symbol.

We gasped!

Me: That's Another Vulcan Red!

Nico: That one is from 1981.

Lola: Wow! 40 years ago.

Hiiryu: That is amazing.

Nico: Where is it now?

Eli: In that clearing over there at 500 meters.

Nico: Then lets go.

We went to the clearing in the northeast and there we saw ANOTHER VULCAN RED!

Me: Another Vulcan Red.

He looked at us and he was a scary version of Vulcan Red with a scary helmet on.

Me: Boy if Ryuusuke Oowashi saw this one he would be mondo pissed off.

Eli: No kidding.

Nico: Who are you?!

Another Vulcan Red: (In a girls voice) Just Another Ranger passing through for some jungle fun.

Me: (Gasp) That voice.

She reverted back and it was a girl with long flowing blond and orange hair and she had the kanji for Sun in the middle of her forehead and she had a beautiful yellow and orange dress on. She also had magnificent golden yellow angel wings.

Me: (Gasp) Hikari Taiyou the Princess of the Sun!

Nico: Whoa!

Hikari Taiyou: It's amazing to see you again J.D.

Me: Same to you Hikari and you are just as beautiful and golden and radiant as ever. It's amazing that Swartz picked you to be Another Vulcan Red because they are the rangers for the Sun.

Hikari Taiyou: That's right.

Nico: How do you know Hikari?

Me: She's the Princess of The Sun. She actually comes from a kingdom that is Right on the Surface of the Sun.

We gasped!

Nico: But that's impossible! The Sun is a ball of fire that brings life and nourishment to our planet.

Me: I was shocked myself. But Hikari is really the Princess of The Kingdom of the Sun. She and I have known each other since we were in Kindergarten and she and I did all sorts of amazing things together. We busted bad guys and even gave the homeless loving homes as well as find awesome jewels and weapons imbued with the powers of the Sun.

Nico: Wow!

Eli: That's incredible.

Me: Yep. But when we were about to start high school she disappeared. We haven't seen each other since.

Nico: Swartz got her.

Me: Yeah.

Nico: What did Swartz promise you?

Hikari Taiyou: The resurrection of my kingdom if I can bring these girls here to sink in quicksand.

Me: Sorry to disappoint you but he is lying to you.

Nico: Yeah Swartz will never hold up to his part of the bargain.

Feena: Who is Swartz?

Me: Long story on that one.

Qin: Yeah he's one of our many enemies for the Kamen Riders that we're going to face.

Eli: Yep.

Hikari Taiyou: I can tell you guys have a bad history with him too.

Me: You don't know the half of it Hikari. But you once said that The Sun is a Force of Light and Love that gifts us with the energy of life.

Hikari Taiyou: That is true.

Eli: Wow.

Feena: Awesome and philosophical.

Hikari Taiyou: He also said that you won't be able to defeat me like this.

Nico: (takes out Molten Man's Ridewatch) Well, we can think outside of the box!

He activated it and he had fire surrounding him and his hands were dripping with molten lava.

Me: Lisa also made this one too.

I pulled out a special ridewatch and it was imbued with the powers of Kronos the Titan of Lava and father of Zeus and Hades!

Nico: Whoa!

Me: Watch this.

I activated it.

KRONOS SPEAKING IN NATIVE LANGUAGE!

Me: INFERNO LAVA BARRAGE!

Hikari was enveloped in a powerful aura of darkness with the sun and she turned into ANOTHER VULCAN RED!

I swung my arm and fired a massive shower of fireballs and they hit the ground all around her and exploded in powerful fiery explosions.

Nico threw a fireball.

It hit Another Vulcan Red and exploded!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Yeah!

Another Vulcan Red then pulled out a Vulcan Stick imbued with the powers of Electro and she fired waves of lightning and I blocked the blast and deflected it back and electrocuted her.

Me: Whoa! She has Vulcan Sticks imbued with the powers of the core and non-core members of the M.O.E.

Nico: Wow!

Kaito kicked the Vulcan ball at Another Vulcan Red.

And it smashed into her with incredible force.

Me: Bullseye! My turn. KRONOS POWER!

I flared up a red aura in the shape of Kronos and it was imbued with the power of Molten Man!

KRONOS SPEAKING IN NATIVE LANGUAGE!

I fired numerous balls of lava and they hit Another Vulcan Red and exploded all over the place.

Nico: Whoa!

Hiiryu: Wow! That was awesome!

Eli: It sure was!

But then a bunch of roars were heard!

Nico: Whoa! A gene-slammer?

Me: I think so! Look!

We saw a Phyrexian Hydra appear!

Zocks: We'll decide how this story ends for you!

Me: That's for sure!

Phyrexian Hydra: (In a girls voice) And it'll end with us saving you from Swartz's influence!

Nico: Victoria Nottingham! Wow!

Phyrexian Hydra: Awesome to see you again Nico. We can catch up after we beat her.

We fired a massive wave of energy and the blasts all hit Another Vulcan Red she exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Ridewatch and purified it.

I went over to Hikari and picked her up.

Hikari Taiyou: (Groans) What a massive headache.

Me: But you're okay Hikari.

Hikari Taiyou: Oh man. My head feels like it was crushed by an elephant.

Me: It's what happens when we save people.

The Phyrexian Hydra reverted back and she was a girl with dark green hair and had black clothes.

Victoria Nottingham: Now that was an awesome adventure.

Ilana: Boy it sure was.

Lisa (GI): I agree there.

Zocks: To be fair, we didn't say it would end badly.

Nico: No. We didn't.

Me: Yeah.

Hikari Taiyou: But at least I'm back to normal.

We saw Vulcan Sticks on the ground and we picked them all up.

Me: Awesome.

Laney: Yeah.

Victoria Nottingham: But this was really awesome.

Ilana: What was your favorite memory with Nico?

Victoria Nottingham: I have a lot of them. But my favorite was when me and Nico were the masters of Dodgeball. We were known as the Black Hurricanes of Dodgeball. I pack a powerful throw that smashes peoples teeth out in dodgeball.

Me: Whoa! That is lethal!

Nico: Yeah. She smashed lots of peoples teeth out in deadly dodgeball tournaments and they had their jaws all removed.

Me: Ouch!

Eli: That is powerful! You would definitely give Dodgeball Wizard a run for his money.

Victoria Nottingham: I'm sure I would.

Nico and Victoria hugged.

Nico: I really missed you.

Victoria Nottingham: Me too Nico. Me too.

We later went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Starfire are heading to Beverly Hills, California, and not only is Lincoln going to rescue the eighteen girls here, but we're also going to take down Dash Dawson, another enemy of Sam, Clover, and Alex, and throw him in The Masters of Evil's prison.

Lincoln: Wow, we're here in Beverly Hills, California.

Sam Simpson: It's been a long time since we've last been here, it's still the same as ever.

Lincoln: It sure is, Sam, and I know what we're going to do here, not only am I going to rescue the eighteen girls here, but we're also going to take down Dash Dawson, another enemy of you, Clover, and Alex, and throw him in The Masters of Evil's prison.

Clover: That's right, Linky, and from what Jerry told us, he's after The Cat's Eye Emerald Ring again.

Alex (Totally Spies): That ring's too dangerous, we need to stop him.

Me: That's what we're going to do.

Nico: And we got our professional gentlemen thieves on the job: Wendy Tudor III and Sly Cooper.

Suddenly, we saw Sly Cooper and Wendy Tudor III arrive, and in hand is The Cat's Eye Emerald, and it's in a special enchanted lock box.

Sly Cooper: We got The Cat's Eye Emerald, guys, and the curator was the one who gave it to us, and he knew of the fact that we've dealt with supernatural stuff, so he gave it to us, so we can lock it away for good.

TLPS Mr. Wolf: Perfect. Which means Dash Dawson's going to be ticked.

Clover: With that ring, Dash looked like an attractive person, but without it, here's what he looked like.

We saw his photo and he looked like a nerd.

Lincoln: So, he stole the ring for his own vanity. Sheesh, so we're dealing with an arrogant and vain thief.

Sly Cooper: I'm going to knock him so hard in the head, he's going to be seeing stars.

Lincoln: You said it, Sly, and thanks for joining us, Starfire.

Starfire: You're welcome, Lincoln, this is going to be an amazing and glorious rescue, and I think we can put Dash Dawson in The Masters of Evil, and have him as Sly Cooper's archenemy.

Nico: I like that idea, Starfire.

Lincoln: Me too, Nico, but he's still got to serve some jail time in The Masters of Evil's prison.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eighteen girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eighteen girls, but they've been cornered by Dash Dawson.

Lincoln: Guys, I found the eighteen girls, but they've been cornered by Dash Dawson.

?: That narcissistic arrogant excuse for a thief, let's get him.

Suddenly, we saw the Duel Monster, Ancient Sacred Wyvern, appear before us.

Nico: Whoa, that's the Ancient Sacred Wyvern, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Audrey Berkeley, but we'll talk later, we've got a narcissistic thief to take down.

We then rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Dash Dawson, and it allowed the eighteen girls to get away. When Dash Dawson saw us, he was furious, but we also saw that he retained his good looks.

Lincoln: What the, how on Earth did you retain your looks without The Cat's Eye Emerald? (Stunned) Wait a second, Vypra used her magic to make sure you retain your good looks when Sly and Wendy got the Cat's Eye Emerald away.

Dash Dawson: She did, but I'm not going down without a fight.

Sam Simpson: Fine with us. Let's get him!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Starfire, The Ghostforce, The Louds'

Then, Lincoln, Sly Cooper, and Wendy Tudor III knocked him out and tied him up in a rainbow energy straitjacket and beam him to The Masters of Evil's prison. We cheered wildly as we holstered our weapons and power down, and Lincoln told Vypra that Dash Dawson's in their prison, and he also had found out of what she did, and this was a surprise to us.

Lincoln: That's another member for The Masters of Evil recruited. (To Audrey Berkeley) And it's so good to see you again, Audrey Berkeley.

Audrey Berkeley reverted back to normal, and she's a beautiful girl with long flowing yellow hair, yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful yellow angel wings, and she reigned in the power of Ancient Sacred Wyvern, and she's dressed in a long-sleeved yellow blouse, short-sleeved yellow top, yellow skirt with orange flowers, yellow pants, yellow sneakers, and long sleeveless yellow trenchcoat with plants and wyverns on the coattails, and Ancient Sacred Wyvern on the back, and holstered on her back a large Ancient Sacred Wyvern-themed greatsword with Ancient Sacred Wyvern etched on the 7'0" massive, wide, double-edged yellow blade, Ancient Sacred Wyvern's wings for the crossguard, large white gem embedded in the rainguard, longer black handle, and a large yellow gem surrounded by angel wings for the pommel.

Audrey Berkeley: You too, Lincoln, it's been a long time.

Lincoln went up to Audrey Berkeley and they hugged, and Audrey Berkeley's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were eleven, and as you can see, I really grew a lot since then.

Audrey Berkeley: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her.

Lincoln: Indeed I do, Nico, this is Audrey Berkeley, she's my Guardian Angel from Nevada, she was born with powers over the forces of nature and she's an expert on the culture of the various Native American tribes that lived in parts of America for thousands of years, and her father's a member of the Washoe tribe.

Me: That's one of the Great Basin Tribes in Nevada that settled on this land long ago.

Lincoln: That's right, and she also has a deep connection to the environment.

Nico: That's really awesome, and we know a lot of people who have a deep connection to the environment.

Lincoln: And Audrey's also defended me from the absolute worst of Lori's demonic wrath.

We gasped.

Me: Uh oh, I'm not going to like hearing this tale one bit.

Nico: Same here.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Audrey Berkeley's neck with yellow gems on the gold thunderbolt links and white crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Audrey Berkeley: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Audrey.

Audrey Berkeley had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Audrey Berkeley's waist and Audrey Berkeley wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Audrey Berkeley's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eighteen girls, and when Lincoln saw them, he recognized them immediately. The eighteen girls are Yukine Gionji, Momiji Itou, Haru Nabatame, Rio Seibu, Kyouka Tamaki, Miina Hirose, Nanoka Hiumi, Hotaru, Aoba Karabayashi, Itoha Karabayashi, Eiko Kikuchi, Ren Kurogane, Yawara Naekawa, Remi Nashinoki, Natalya, Homare Torawatari, Nanami Totsuka, and Hinatsu Youmoto from Shine Post.

Me: Awesome.

Lincoln: Are you girls okay?

Yukine Gionji: Yes, we're okay, thanks to you.

Then, when Yukine Gionji and the other seventeen girls saw who it was that saved them from Dash Dawson, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Yukine Gionji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seventeen clones of himself, and he and the seventeen clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yukine Gionji: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eighteen Thunderbird Necklaces of Eternal Love appeared on the necks of Yukine Gionji, Momiji Itou, Haru Nabatame, Rio Seibu, Kyouka Tamaki, Miina Hirose, Nanoka Hiumi, Hotaru, Aoba Karabayashi, Itoha Karabayashi, Eiko Kikuchi, Ren Kurogane, Yawara Naekawa, Remi Nashinoki, Natalya, Homare Torawatari, Nanami Totsuka, and Hinatsu Youmoto with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Dash Dawson, another enemy of Sam, Clover, and Alex.

But, when Lincoln showed what we did to him and Wendy Tudor III and Sly Cooper getting the Cat's Eye Emerald away from him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Audrey Berkeley have a lot of catching up to do now that she's back in town, and Dash Dawson's in The Masters of Evil's prison.

---

After stopping Dash Dawson and putting the Cat's Eye Emerald into our vault for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Audrey Berkeley saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Audrey Berkeley: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Audrey, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Audrey Berkeley: That's incredible.

Nico: It sure is. So, Audrey, how did you take on the absolute worst of Lori's demonic wrath?

Audrey Berkeley: That's one tale I've never forgotten, but you're not going to like it one bit. One day, Lincoln and I were outside in the backyard and we were having fun playing outside, then we came in for something to eat. Suddenly, we saw Lori acting sneaky, and from what Lincoln's other Guardian Angels and the others told me of Lori's history of hostility towards Lincoln, it couldn't be good. We had to find out what she was up to, so we snuck into her room while she was out, and we found her diary and what we found was too shocking for words: Lori was still planning to turn the other sisters, his parents, his Pop-Pop, and all of his friends against him, so he'd have no one to turn to, and then, he'd fall into depression, and then, she'd kill him in cold blood. This pissed me off, and Lincoln was really horrified, but before we could head out, Lori came in and when she saw that I had her diary in my hand and with it her plans to still try and turn the other sisters, his parents, his Pop-Pop, and all of his friends against him, she went berserk and went after us, but I punched Lori hard in the nose, it caused blood to leak out, and her blood wound up on Lincoln, and when the blood went into Lincoln's mouth, he saw Lori's memory of still coming up with plans to turn the other sisters, his parents, his Pop-Pop, and all of his friends against him, and he finally realized the truth.

Nico: My God.

Audrey Berkeley: Yeah, it was bad. But, it was about to get really bad for Lori when Lincoln turned to her, and his eyes turned blood red and his vampire fangs were bared, and we viciously attacked her, and we then tied her up in dark energy ropes Lincoln formed, along with poison ivy vines, and we all headed downstairs and we showed Mr. and Mrs. Loud, along with the other sisters, Lori's diary, and we showed them the page where she'd come up with more plans to turn all of Lincoln's sisters, his parents, his Pop-Pop, and all of his friends against him, so he'd have no one to turn to, and then, he'd fall into depression, and then, she'd kill him in cold blood. They were horrified, and then, we saw in the page that she was planning to kill Lynn, Lola, Lisa, and Luan for not siding with her, since they'd decided not to side with her again. Then, their horror turned to rage towards Lori, and after a brief discussion with me and Lincoln, we decided to throw Lori in jail for five weeks and she was also put in the Scared Straight Program for her crimes. She's just lucky we didn't decide to press charges on her.

We cheered wildly for what Audrey did to defend Lincoln and put Lori in her place.

Lynn: But, that wasn't the end there. Lincoln was really depressed at what Lori was planning, and it really got to us. One day, Luan, Lola, Lisa, and I went to Lincoln and we talked with him, and we also called Audrey, the other sisters, and Mom and Dad in as well, and then, we hugged him and told him we'll always love him with all our hearts and that if Lori ever tried that again, she'd be grounded for life and in the basement until she left for college, and that got him to let it all out and he really cried heavily.

Lola: And I didn't care if my dress got wet, I don't want our brother suffering from depression, thanks to Lori, and we owe Audrey a lot for what she did.

Luan: We sure did, I would've thought Lori would've stopped with those kinds of plans after her plan was found out and we got grounded big time, but she had her fingers crossed, and as always, she didn't care.

Audrey Berkeley: And when she got back, I told her that she was sleeping in the basement until she cleaned up her act. Lori threatened to kill me, but I had my phone in my hand, and I warned her, if she even thinks about trying to kill me, Lincoln, or anyone, I'd personally call the cops and I will press charges on her, and it sunk into her brain at last, and she went to the basement.

Leni: Yeah, when we heard Audrey say that to Lori and right in her face, it was so awesome seeing Lori petrified by fear and getting her just desserts.

My jaw and Nico's jaw dropped to the floor when Audrey said that.

Nico: Damn.

Me: You sure are one tough girl, Audrey, to give a direct threat like that to Lori, if she tried any funny business again.

Lincoln: It was so awesome, and Luan got a picture of the petrified look on Lori's face.

Luan showed us the picture of Lori's petrified face, thanks to Audrey's threat, and it was so awesome.

Nico: Ooh, now that was brutal.

We then got a shower afterwards, but then, a bright light descended on The World Tree Estate and the world and we covered our eyes.

Then, the bright light had faded, and then, we saw that the world of Tamriel from the Elder Scroll series has now merged with our world.

Lincoln: Oh, no way, guys, look, Tamriel has merged with our world.

Clyde: Whoa.

Me: No way, that's so awesome.

Nico: You said it, but this is before the Oblivion crisis from Elder Scrolls IV: Oblivion, this is awesome.

Suddenly, we saw four figures appear from four beams of light, and when the lights faded, we saw who the figures were: Dibella, Goddess of Beauty, Love, Art, and Music, Kynareth, Goddess of Sky, Air and Wind, Azura, the benevolent Daedric Princess of Dusk and Dawn, and Mara, Goddess of Love and Maternity.

Nico: Oh wow, you're Dibella, Goddess of Beauty, Love, Art, and Music.

Me: And you're Kynareth, Goddess of Sky, Air and Wind.

Clyde: And you're Azura, the benevolent Daedric Princess of Dusk and Dawn.

Lincoln: And you're Mara, Goddess of Love and Maternity.

Dibella: That's correct, and you must be Nicholas Chan, Leader of Team Loud Phoenix Storm.

Kynareth: And you must be J.D. Knudson, Founder of Team Loud Phoenix Storm.

Azura: And you must be Clyde McBride, best friend of Lincoln Loud.

Mara: And you're Lincoln Loud, one of the founders of Team Loud Phoenix Storm and the one who united The Three Kingdoms and the Warriors of Japan. It's an honor to meet all of you.

Nico: Same here. This is indeed quite a surprise to see that Tamriel has now merged with our world.

Lincoln: But, this also means the enemies that plague Tamriel are now ours, but we'll be ready for them.

Mara: Indeed, and there's another reason why we've come here to meet you, Nico, J.D., and Clyde.

We suddenly knew what Mara meant, and Lincoln welcomed Mara into his harem, Nico welcomed Dibella into his harem, I welcomed Kynareth into my harem, and Clyde welcomed Azura into his harem, and we saw a Thunderbird Necklace of Eternal Love appear around Mara's neck with blue gems on the gold thunderbolt links and glue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with an Elemental Thunderbird Choker of Eternal Love, and an Elemental Phoenix Necklace of Eternal Love appeared around Kynareth's neck with sky blue gems on the gold thunderbolt links and sky blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Phoenix Necklace of Eternal Love.

Everyone cheered at the sight.

Lori: This is literally amazing.

Lola: You said it. But, we'll also be ready for when the enemies of Tamriel appear to cause trouble yet again.

Lincoln: You said it, Lola, if they want to cause trouble here, they're not going to like dealing with all of us.

* * *

Later it was time for Rice and Marty to have some bonding time.

Nico: Rice, you and Marty are up for bonding time today.

Rice Fitzgerald: Awesome! Looking forward to this one.

Marty: Me too.

Rice Fitzgerald: And I know just how to do it. We're gonna go to the movie theater and watch Jurassic World Dominion.

Me: Awesome!

Eli: YEAH! Looking forward to this one.

Nico: Then lets head out.

We were off to the theater.

Nico: Rice, remember the Ambassador missions you went on?

Rice: I sure do. To the world of the 57th Century and we took down the forces of The General.

Marty: Awesome times back then.

Lola: Yeah those were awesome.

Camie: Wow that is awesome.

Maria: And a few Shadow Pokemon were captured.

Me: And a bunch of scrap metal robots being rebuilt for us and the M.O.E.

Qin: I remember that. That was awesome.

Sean Bolton: It sure was.

Eli: That is so awesome.

We arrived at the theater.

We got our tickets and we got some popcorn and snacks and we were ready for Jurassic World Dominion.

Marty: I can't wait, sis!

Rice Fitzgerald: Me too bro!

Eli: I can't tell you how long I've been waiting for this.

The movie started.

***SPOILER ALERT***

Four years after the Lockwood Estate incident and the cataclysmic volcanic eruption on Isla Nublar, de-extinct dinosaurs freely roam the earth, causing ecological disasters and deadly animal attacks. Amid global efforts to control the invasive species, Biosyn Genetics established a dinosaur preserve in Italy's Dolomite Mountains where they conduct genomics research, ostensibly seeking groundbreaking pharmacological and agronomic applications.

Claire Dearing, Zia Rodriguez, and Franklin Webb are still with the Dinosaur Protection Group and investigate illegal dinosaur breeding sites, while Claire's partner, Owen Grady, works as a wrangler, helping to relocate stray dinosaurs. At their remote cabin in the Sierra Nevada Mountains, Claire and Owen secretly raise 14-year-old Maisie Lockwood, Benjamin Lockwood's biogenetic granddaughter, while protecting her from genetic research corporations, who would study her DNA for various nefarious schemes. When Owen's trained Velociraptor, Blue, unexpectedly arrives with an asexually-reproduced hatchling, Maisie names it Beta. Having grown increasingly frustrated living in seclusion, Maisie sneaks away from Claire and Owen, unaware that Biosyn operatives have located her. They abduct her and capture Beta.

Elsewhere, formerly extinct giant locusts have inexplicably reappeared in massive swarms, wiping out crops. Paleobotanist Dr. Ellie Sattler observes that corporate-grown crops using Biosyn seeds are left uneaten, raising suspicions they created the locusts. Believing the locust may date to the Cretaceous period, Ellie approaches former partner and paleontologist Dr. Alan Grant for help.

Franklin, now with the CIA's dinosaur unit, tells Claire and Owen that Maisie and Beta were likely taken to Malta. They arrive and infiltrate a dinosaur black market. When authorities launch a raid, predator dinosaurs are unleashed, causing havoc. Barry Sembène, Owen's former Jurassic World colleague who is working undercover in Malta, informs Claire and Owen that Maisie and Beta are being transported to Biosyn's secluded Italian research facility. Kayla Watts, a sympathetic cargo pilot, flies Claire and Owen there.

Chaos theorist Dr. Ian Malcolm, now working for Biosyn, has sought Ellie's help to expose CEO Dr. Lewis Dodgson's illegal activities after being tipped off by communications director Ramsay Cole. It is revealed that company geneticist, Dr. Henry Wu, genetically engineered the locusts to avoid Biosyn crops as a means to control the world's food supply. Wu now denounces this plan, citing it will cause global famine as the locusts spread unchecked. Wu meets Maisie and explains that Dr. Charlotte Lockwood, Benjamin Lockwood's deceased daughter and Wu's former colleague, used her own DNA to asexually conceive and give birth to the genetically-identical Maisie. She altered Maisie's DNA to prevent her inheriting a fatal disease she had. Wu believes that the asexual conceptions of Maisie and Beta, along with their DNA, are key to creating a pathogen that can halt the locust outbreak.

A Quetzalcoatlus attacks Kayla's plane as they reach Biosyn airspace, causing Owen and Kayla to crash land while Claire ejects. Following separate encounters with a Therizinosaurus and a Pyroraptor, the three regroup. Inside Biosyn, Ellie and Alan access a restricted lab and steal a locust sample. They encounter Maisie, who leaves with them. Discovering the breach, Dodgson incinerates the locusts in the lab to destroy evidence, but many escape, sparking a forest fire and forcing a site-wide evacuation.

Alan, Ellie, and Maisie barely escape the facility and rejoin with Ian, Owen, Claire, and Kayla. Dodgson flees with dinosaur embryos via a hyperloop, but he becomes trapped in a tunnel and is subsequently killed by three Dilophosaurus. Electronic implants summon the dinosaurs to protect them from the fire, while Owen locates and tranquilizes Beta. A Giganotosaurus threatens the group but is fatally attacked by a Therizinosaurus and the first park's old Tyrannosaurus rex. The group escapes with Wu in a Biosyn helicopter.

Ellie and Alan rekindle their relationship before testifying alongside Ian and Ramsay against Biosyn. Owen, Claire, and Maisie return home and reunite Beta with Blue. Wu manufactures and releases a pathogen to eradicate the locusts. Around the world, dinosaurs adapt to a new co-existence with humans while the United Nations declares Biosyn Valley a dinosaur sanctuary.

When the movie was done we cheered wildly!

Nico: That was a great movie!

Me: WOOHOO! Yeah it was!

Laney: I loved it!

Eli: SO AWESOME! I LOVE JURASSIC PARK!

Me: Me too!

Ruby Salazar: Me and Sapphire both give that movie an awesome 4 thumbs WAY WAY UP!

Nico: Damn, that movie was great!

May: We all loved it.

Nico: So, the Another Riders are fine interrupting a bowling match but not a movie?

Me: I guess. But there should be Another Rider showing up right about…

Eli: Now.

We saw a dark figure appear and it was a scary Another Rider version of G3 from Agito!

Nico: Right on cue.

Me: And it's for G3 from Agito!

Eli: Scary too!

Qin: And ugly as well!

Nico: Thanks for waiting for the movie to finish. I hope you enjoyed it.

Another G3: (In a girls voice) Oh I did. I was waiting for it to finish so you all can come out and I can thrash you all into dust! Especially you Lori for siding with my wretched sister!

Lori: Oh no! I literally knew it was gonna be you Tanya Anyanova!

She revealed herself and it was a girl with blond hair and green eyes and had torn up clothes. It was disgraced fraud and fake singer Tanya Anyanova!

Tanya Anyanova: I knew you were gonna be here Lori! You will pay for siding with my sister! I'm going to kill you!

Me: Wait a second. Aren't you the disgraced singer that was shown to be a total fraud after your sister was shown to be the true singer?

Tanya Anyanova: Yeah that's right! My sister ruined everything for me! She took away everything from me! My fame, my boyfriend, family, everything! And Lori had to side with her and stop me! I will kill Lori and anyone that gets in my way!

Nico: Lori, care to fill us in?

Lori: I sure can. Tanya is the big sister of Lincoln's Guardian Angel and amazingly divine singer Anna Anyanova. Anna is a girl who has a heart of gold and a soul of light. Anna, Lincoln and me exposed Tanya for being a fraud and a fake. She even swore to get revenge on all 3 of us and she wasn't going to stop until she got it.

Me: I remember seeing that on the news and on TV! That was nuts!

Nico: I do too! That was crazy!

Tanya Anyanova: I will kill you all! And I will not stop till you're dead!

Me: You're insane!

Lori: After she was disgraced she was sent to an insane asylum and they diagnosed her with Histrionic Personality Disorder.

Laney: I know that disease all too well.

Varie: She should have been sent to prison.

Tanya Anyanova: (laughs insanely) Although I would've spared you if you had just chosen to become an Another Rider like me. It would've been easy, considering the atrocities you've committed towards your own brother.

Nico: At least she's willing to admit it!

Lori: I admit we literally made mistakes, but we are not stupid enough to become one! You are just a worthless and selfishly vain monster!

Me: And you are an outcast!

But then…

SPLAT! SPLAT SPLAT SPLAT SPLAT SPLAT!

A bunch of rotten eggs and tomatoes all hit Tanya Anyanova all over!

Man 1: YOU ARE A WORTHLESS FAKE!

Man 2: YOU ARE NOTHING LIKE YOUR SISTER!

Woman 1: WE LOVE HER MORE THAN YOU!

Woman 2: SO GO BACK TO THE GUTTERS YOU FRAUD!

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

Then TANYA WENT FULL FLEDGE PSYCHO!

SHE WAS SCREAMING AND ROARING WITH INSANE RAGE!

Nico: EVERYONE, GET OUT OF HERE BEFORE SHE KILLS YOU!

Everyone ran fast out of the mall!

Me: I don't know about you guys but I've had enough of this fraud!

Lincoln: YEAH! ME TOO!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Bring it on, bitch!

Lincoln: I have a feeling Anna will be the next of my Guardian Angels to appear tomorrow.

Lola: I always liked her singing better than yours Tanya the loser!

Tanya then WENT COMPLETELY BALLISTIC!

She went at us and then Lori went over and punched her in her face and sent her crashing into a trash can!

Lori: You literally disgust me Tanya! You should have been thanking your sister for helping you but instead you let something as petty as fame and fortune get in the way of what truly matters and that is your family! And to make matters worse, you took all the credit from her!

Me: Yeah! You have no love in your heart And you don't care about anyone but yourself! No wonder everyone hates you now!

Marty turned into Eon Kid.

Julie Tancheno: Your sister Anna has more love than you EVER Will!

She then had her hand glow and she got an amazing and beautiful blue bladed scythe with symbols on the blade!

Steven Universe: Wow! That scythe is Blue Diamond's Scythe!

Julie Tancheno: That's right Steven. Blue Diamond gave it to me.

Steven Universe: Wow.

Tanya got up and she was enveloped in a vortex of darkness and blazing black fire and she turned into Another G3!

Nico: Lori, Lola, and Lynn might be called the Trinity of Violence. But they've actually improved as people. Unlike you!

Another G3: I DON'T CARE! They will pay for getting in my way!

Me: How delusional is this bitch!?

Eli: VERY Delusional!

She then Formed a spear staff and it was imbued with the powers of Lord Drakkon!

Me: She has Agito Arms all imbued with the powers of the Core and Non-Core members of the M.O.E.!

Nico: WHOA!

She fired blades of energy and I deflected them back with my scythe and she got cut all over!

Nico: What's wrong? Don't like the fucking truth?!

Me: It hurts doesn't it!?

Another G3: Not as much as it will when I snap your fucking necks!

Me: We'll see about that!

I activated Zen-Aku's Ridewatch.

I got his flute.

Another G3 pulled out a Crescent Moon Agito Arms with Zen-Aku's powers in it.

Another G3: YOU ALL STOLE EVERYTHING FROM ME!

Me: GO TO HELL! Dark Wild Zords Arise!

I played a tune and then mini versions of the Wolf, Red Wolf and Coyote Zords came!

Nico: Wow!

Laney: Boy Zen-Aku would really be proud of you.

Me: Thanks.

Rice punched Another G3 in the face.

SMASH!

She sent her crashing into the wall!

The zords spun around and the like a powerful smashing disk they smashed her into the wall some more and mangled her up!

She got up.

Rice: You gave up the one thing that loves you more than anything and you gave up your love for your family! And for what? Worthless and petty fame and fortune!

Rice then turned into RAZORFIST!

Razorfist charged at Another G3.

She slashed her all over.

Nico: WHOA!

Eli: YEAH!

Me: Take that! But to add more awesome fuel…

I used a new crystal.

Nico: What's that one?

Me: Watch.

I put it into my Flute and it was The Blue Piranha Zord of King Shark!

I played and out came a blue piranha!

Nico: WHOA THE PIRANHA!

It went over and mauled Another G3 all over!

Nico: I thought it was going to be another shark.

Me: I was expecting that too. But Piranhas are just as good.

Nico: Yeah.

Me: This one is for Misty.

I put a new crystal in and it was The Green Gila Monster Zord of Misty Tredwell!

I played and out came a green Gila Monster!

Nico: Awesome!

It went over and bit Another G3 on her leg and she screamed in pain!

Nico: Gila monsters are lizards too.

Me: But they are also the most venomous lizard in the world.

The poison from the Gila Monster Zord burned off her Another Rider form and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it.

Me: If Makoto Hikawa saw you Tanya, he would want your head mounted on a pike.

We picked up all of the Agito Arms that were on the ground and then Lori grabbed Tanya by her shirt!

Lori: You literally disgust me Tanya!

She spat in her face!

Lori: I'm not gonna deny anything, Tanya. You're right. I have committed so many atrocities towards Lincoln. Heck, I used to question Nico's methods before and on missions, I occasionally endangered innocents. But the difference between you and me? I literally own up to my mistakes.

Nico: But you Tanya on the other hand don't learn from them like Lori and the Trinity of Violence did! Your soul, heart and conscience are just as black as night!

Tanya Anyanova: I don't care!

Laney: Then you will when these guys get ahold of you!

Then a bunch of men grabbed her and put her in a straitjacket!

Tanya Anyanova: NO! LET GO OF ME! LET GO!

Me: Have a nice life in the looneybin.

Nonetheless, Marty and Rice both had a great time and we went back home. Tanya Anyanova was taken to trial for her crimes and she was convicted but found criminally insane and she was deemed to be tragically incurable. She was committed to the Saturn Insane Asylum for the rest of her life without possibility of parole and she was chained up with rainbow energy chains.

* * *

Later Diamond Tiara saw the Mascots doing something funny.

Diamond Tiara: (to the mascots) What are you guys doing?

Poromon: Talking to this octopus and this starfish.

Patrick: What is it gonna say to you?

Poliwag: I don't know.

Slammu: Guys, I don't think you should be messing around with those two.

Poliwag: Why?

Slammu: Just being cautious.

Nico: Yeah.

The octopus crawled towards Poromon.

Poromon: Here he comes.

Me: That's a cute octopus though.

Nico: It sure is.

Poromon then tickled the octopus and it loved it and laughed.

But the its mother grabbed him.

Mother Octopus: Uh uh uh uh.

Poromon: Sorry madam!

She threw Poromon and Nico caught him.

The starfish crawled towards Poliwag.

Me: Don't worry Poliwag, this starfish is a vegetarian. It won't hurt you.

Poliwag: Awesome.

It went over to Poliwag and he pat the starfish.

Poliwag: Squishy.

Patrick: Nice to see one of my starfish brothers liking you.

Nico: Aww.

Chromedome: Should we take them home?

Nico: I think it would be awesome. Sure.

We did so.

We thought it was so awesome and cute.

Later we were getting ready for our next mission and it was to another awesome food planet.

Livewire: How do our new friends like their new home?

Lily: Perfect for our aquarium. Now the Mascots have new friends here.

Qin: They sure do.

Eli: The next planet we're going to is edible so don't worry.

Nico: Great! I have a feeling this is gonna be a good one.

Then Mysterio, Speed Demon, Yenaldooshi, Gentleman Ghost, Grodd, Iceage, Samon Shakekisutanchin, Mortal Kombat Scorpion, Count Spankulot and Xigbar appeared.

Mysterio: Can me, Speed Demon, Yenaldooshi, Gentleman Ghost, Grodd, Iceage, Samon Shakekisutanchin, Mortal Kombat Scorpion, Count Spankulot and Xigbar go with you all? And what Heartless Robots should I use?

Nico: In order, yes you guys can go with us and I was thinking about Aquatank Heartless next.

Mysterio: Great choice.

Nico: Yeah. We're going to another food planet next.

Iceage: Ooh! I hope it's just as good as the Broccoli planet.

Eli: Oh it is.

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Well this one will be interesting. How about a Hellfire Wyrm Gene-slammer next.

We gasped!

Me: Whoa! From D&D.

Sheila (D&D): Wow! That will be cool!

Bobby (D&D): Yeah it sure will be awesome bro.

Me: Yep.

Nico: Yeah and hot too.

Gentleman Ghost: Shall we get going?

Nico: We shall.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Cain from the DC Comics, and he's coming to destroy us and turn all humans into vampires. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Kal, you and the Justice League aren't going to like it one bit: the dark energy signal I sensed belongs to your old enemy, Cain, and he's coming to destroy us and resume his plan to turn all humans into vampires.

The Justice League were shocked.

Wonder Woman: I never thought Cain would show up again.

Me: I've read the file on this guy, he's an immortal killer and he's known as The Sire of All Vampires.

Lincoln: And just like the biblical Cain, he was condemned for the murder of his brother, Abel, and he has The Mark of Cain on him.

Nico: So, it looks like we've got an immortal killer and vampire from eons past who's coming after us, but that's not going to happen.

Charlene Novamenova: That's right, we're going to stop him once and for all and send him straight to The Black Gates for good, and I know you're going to feed on him and absorb him into your body, right, Lincoln?

Lincoln: (Smirks) You know me all too well, Charlene.

Nico: Now, you're talking. Alright, gang, let's go, there's another food planet we're going to see.

Lincoln: And not only is there another villain waiting for us, but we also have an immortal vampire and killer and enemy of The Justice League to destroy.

With that we went into the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6649.1: The U.S.S. Valorous Phoenix is en route to another amazing food planet located 21,212 light years from Earth and it's going to be a really interesting one from what we were told. It's going to be a really interesting mission as we deal with whichever villain is there.

Eli: I have a feeling this will be a sweet one.

Varie: Me too.

Woz: Lord Nico, so far, we have managed to defeat all the Another Riders and Rangers Swartz has thrown at you.

Nico: Of course we have.

Woz: But, I have not told you about three Kamen Riders that are from the far future.

Iceage: What are their names?

Woz: Mondo Douan, Rentaro Kagura and Rento Makina.

Me: Kamen Riders Quiz, Shinobi and Kikai.

Woz: Correct.

Me: Wow.

Nico: We haven't met them yet. But it'll be awesome to meet them in the future.

Me: Maybe in 2023's Ambassador Missions. Sometime around Christmas we'll have to pick out who will be chosen for those missions.

Nico: Yep.

Pharaoh Man: So, what you're saying is, we might see Another Rider versions of those 3?

Woz: Correct.

Me: That will be really scary but cool. And without a doubt we're going to get M.O.E. Weapons and Legend Tools from them.

Nico: That will be awesome.

Lola: Yeah.

Lisa (GI): I know who I'm gonna get in the M.O.E. soon. Another Kikai.

Nico: He will be perfect for you Lisa.

Lynn: Yeah he will!

Woz: Fortunately, I have the Miridewatches of all 3 at my disposal.

Xigbar: Unfortunately, we don't know which out of those 3 we'll face first.

Nico: We'll have to roll with the punches and face them one at a time.

Me: Yeah. Besides it'll be awesome to face them.

Eli: Yeah. But I'm really excited to face whichever enemy is going to present himself when we meet the Den-O Kamen Riders later this week.

Me: Me too.

Barrage: It'll definitely be Kai, Negataros, and Death Imagin.

Me: Whoa! I remember those guys all too well. And we're going to kill all three of them.

Eli: I have that same feeling myself.

Qin: Yeah this will be awesome too.

Grodd: And some time traveling might be involved as well.

Me: Oh boy. Then we got to be really careful. But nonetheless I'm not going to travel back in time to the day where we formed the team and all that and change history.

Nico: Me neither.

Qin: Yeah.

Maria: I have a feeling said time travel won't even involve those days at all.

Me: If that's the case then I'm looking forward to it.

May: But after said mission, we'll have access to a train AND a time machine at the same time.

Me: That is gonna be so awesome.

Tuddrussel: Time Squad in train form. Looking forward to that one!

Larry 3000: Yes if you want to smash some faces in.

Tuddrussel: Oh go fight a radioactive gorilla or something.

Larry 3000: Oh you know I would but I'm afraid I might hurt you!

Tuddrussel and Larry then growled at each other and then…

BLANG!

Eli grabbed them and bashed their heads together!

Eli: I'm not even gonna bother saying anything this time.

Me: Especially if Nico wants to shave your head.

Qin: Yeah

We laughed at that one.

Joe Swanson: Wait Nico shaved his head?

Me: After Eli did so with him. Cleveland you remember that right?

Cleveland: I sure do. Peter did that to me as we were doing Jackass stunts.

Qin: That was funny. But stupid doing that.

Brian: That happened to me as well.

Nico: Yep.

Me: That was funny from what I heard.

Qin: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a planet that was as red as blood.

Me: Whoa it's a really red planet.

Nico: Yeah. Lets land everyone.

We got to landing and we later went out and we saw that the planet was A PLANET MADE ENTIRELY OUT OF RED LICORICE!

Me: Whoa!

Nico: A planet made of Red Licorice! Awesome!

Pipp Petals: So amazing!

Fi: I thought you guys don't like licorice.

Birdbrain: We don't like BLACK licorice. Any other type is okay.

Me: Red Licorice is awesome stuff. But I HATE Black Licorice. It tastes like you're eating Candied Onions.

Feena: Yuck!

Camie: Yeah! Yuck!

Yenaldoshi: There's even cherry licorice as well!

Nico: Strawberry too!

We got to eatting some of it and it was awesome!

Eli: Delicious!

Camie: Oh boy! Delicious!

Qin: So awesome.

Hornet Man: I want some too!

Nico: Now now there's enough to last forever.

Hornet Man: Oh right.

Me: Hmm.

Eli: I sense that the villain we're going to face here is one we haven't faced yet. And I think I know who it is.

Me: I do too bro. LORD LICORICE!

Everyone gasped.

Nico: I remember him! He was one of the main bad guys from Candyland.

Me: I know. I haven't played that game in like forever.

Nico: Yep.

Qin: What can you tell us about him?

Me: He is not a nice guy.

I went over his history.

---

Lord Licorice, also spelt as Lord Liquorice, is the main antagonist in the board game Candy Land, and the main antagonist of the 2005 animated film Candy Land: The Great Lollipop Adventure.

He was voiced by Mark Oliver in the animated film, who also plays as Miles Dredd and Terrorax in Max Steel, and Lord Garmadon in Ninjago.

In the animated special based off the 2002 version of the game, Lord Licorice has his minions (the Bites) steal Princess Lolly's scepter, and plans on using a concoction he made make Licorice grow everywhere, and take over Candyland, turning it into "LicoriceLand" as described in his musical number.

They all attempt to catch the protagonists (Jib, Mr. Mint, Jolly, and Princess Lolly) but they are all foiled. After reaching to the Candy Castle, Lord Licorice tries to bring licorice to be ruler. Jib stopped him by putting green icing when trying to put the scepter. Gloppy (the swamp monster) grabs him after that. Grabbing the monarch, everyone puts their gifts on the slot (except Jib who wasted his last icing container).

Lord Licorice thought he failed, but he put his backpack on the slot. Princess Lolly puts her scepter on the center slot, causing all of the licorice to go away and restoring peace in Candyland. He complained that everything is lollipops and despaired he will not make everything licorice anymore

---

When I was done everyone was shocked!

Me: Yeah.

Eli: No kidding.

Speed Demon: I'll use my speed to find out where he is.

Nico: Okay.

ZZZZZOOOOOOM!

He ran off to find him and then he came back 30 seconds later.

Nico: Wow that was really fast.

Speed Demon: Yep. He's in that castle 50 miles north.

We saw it.

Me: That's a really tall castle.

Block Man: It won't hurt to eat a few more licorice pieces before we confront him.

Nico: Okay.

We had a lot of licorice and it was awesome.

Samon Shakekisutanchin: NOW we can go!

Nico: Lets go!

We were off to Licorice Castle. When we got there it was a huge castle made of licorice.

Me: Wow nice place.

Sonata: Got any more Ridewatches for us, Nico?

Nico: Glad you asked.

Nico got out Ridewatches for Fourze, Meteor, Fourze Cosmic

States, Meteor Storm, my Fourze form, Whenua's Fourze form, and their copies.

Nico: I'll also include a Ridewatch for Beast Morpher Red and its' copy after Another Beast Morpher Red is dealt with.

Me: Okay then. This will be awesome.

For the copies of Fourze, Meteor, Fourze Cosmic States, Meteor Storm, my Fourze form and Whenua's Fourze form we chose Adagio Dazzle, Aria Blaze, Sonata Dusk, Sweet Leaf, Strawberry Sunrise and Fancy Pants. Core members for Fourze, Meteor, Fourze Cosmic States, Meteor Storm, my Fourze form and Whenua's Fourze form were Iron Man, Thor, Hulk, Black Widow, Hawkeye and Captain America.

For the Beast Morpher copy: Miia the Lamia. For the original, Nanette.

Count Spankulot: (Transylvanian Accent) Lord Licorice has been VERY bad!

Nico: Yes he has.

Eli: And he's gonna get more than a spanking.

Laney: He'll get eternal servitude in the M.O.E.

Will: Nice.

Nautilator: Entrance time!

Nico: Lets do it.

We went into the castle.

Lord Licorice was bored and then the spirits of Duelists, Superheroes and Fairy Tail Femme Fatales appeared and swirled around him and then they converged and massive stalks of red licorice grew in front of him instantly and then a licorice flower appeared and bloomed and we came out of it.

Me: Now that is a sweet entrance.

Lord Licorice: Team Loud Phoenix Storm!? What are you all doing here!?

Nico: What else? To stop you

Mortal Kombat Scorpion: Get over here!

He fired his tentacle and grabbed him and then pulled him over and Nico kicked him in the face and sent him crashing into his throne.

Eli: OH YEAH!

Nico: Take that!.

Then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard appeared.

Nico: Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard.

Weather Wizard: Good thing this isn't a black licorice planet.

Nico: No kidding.

Wolf: Because that would've been disgusting.

Villamax: And we don't want J.D. vomiting again.

Me: No way.

Toyman: (to Nico) We heard you rescued some girls from quicksand.

Nico: Well it was J.D. that did the rescuing for that.

El Diablo: What are their names?

Me: Feena - from Grandia, Lisa from Genshin Impact, Naymayas from Granblue Fantasy, Maple and Sally from the anime BOFURI, and Djeeta from Granblue Fantasy.

El Diablo: Wow that's awesome!

Then Brez Arenishka appeared.

Nico: Brez Arenishka.

Brez Arenishka: Yep.

Laney: Awesome.

Brez Arenishka: In 3 days, you guys are going to recruit your third Kamen Rider team.

Me: We sure do and that one I'm looking forward to.

## Shane Clarke, Rainbow Dash, Scootaloo, Air Skylanders, Ninja Storm Rangers, Silver Banshee and Livewire VS Weather Wizard - Nico's rescue

Weather Wizard was first.

Weather Wizard: (to Shane) Nico did a good job on that planet in his rescue. And he saved those girls.

Shane Clarke: It was J.D. that really saved them. But he did awesome on that planet too.

Rainbow Dash: He sure did and it was really awesome going to a planet made of rainforests.

Scootaloo: It sure was cool. And they went on forever.

Whirlwind: It was amazing.

Tori Hansen: It sure was cool.

Weather Wizard: It sure was. Lets do it!

Shane activated his Eyecon and Ridewatch!

They fired waves of leaves, grass, flowers and energy and smashed him down.

---

## Wes Collins, Princess Celestia, Amber Morning, Light Skylanders, Time Force Rangers, Ember and Amorpho VS Villamax - Lincoln's rescue

---

Villamax was next.

Villamax: (to Wes) I heard Lincoln's rescue was in Beverly Hills, California. How was it?

Wes Collins: It was really awesome and we saw them face Dash Dawson, another enemy of Sam, Clover, and Alex who stole the Cats Eye Emerald, a powerful jewel that takes the coolness of others and transfers it to the user.

Villamax: Wow! That is incredible! And I've heard about Dash Darwin. He was a total nerd and he just wanted to be cool? Strange. But he will make an awesome member of the M.O.E.

Princess Celestia: Yeah he sure will.

Amber Morning: Yeah and we put the ring on our vault.

Spotlight: It'll be safe there.

Katie: It sure will.

Villamax: Great. Lets do it!

Wes activated his Eyecon and Ridewatch.

PETER HENLEIN AND VILLAMAX!

Villamax: The 15th Century inventor of the wristwatch. Great choice and perfect for the Time Force Rangers.

Wes: It sure is.

They fired waves of light and smashed him down.

## Carter Greyson, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Lightspeed Rescue Rangers, Pharaoh Man and Turbo Man VS Toyman - Meeting an Ancient Sacred Wyvern Gene-slammer

Toyman was next.

Toyman: (to Carter) I heard you guys met an Ancient Sacred Wyvern Gene-slammer. What's her name?

Carter: Her name is Audrey Berkeley and she is a really awesome and amazing girl.

Twilight Sparkle: She sure is and an awesome guardian angel.

Starshine Sparkle: Her story is really awesome too.

Audrey Berkeley: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Audrey, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Audrey Berkeley: That's incredible.

Nico: It sure is. So, Audrey, how did you take on the absolute worst of Lori's demonic wrath?

Audrey Berkeley: That's one tale I've never forgotten, but you're not going to like it one bit. One day, Lincoln and I were outside in the backyard and we were having fun playing outside, then we came in for something to eat. Suddenly, we saw Lori acting sneaky, and from what Lincoln's other Guardian Angels and the others told me of Lori's history of hostility towards Lincoln, it couldn't be good. We had to find out what she was up to, so we snuck into her room while she was out, and we found her diary and what we found was too shocking for words: Lori was still planning to turn the other sisters, his parents, his Pop-Pop, and all of his friends against him, so he'd have no one to turn to, and then, he'd fall into depression, and then, she'd kill him in cold blood. This pissed me off, and Lincoln was really horrified, but before we could head out, Lori came in and when she saw that I had her diary in my hand and with it her plans to still try and turn the other sisters, his parents, his Pop-Pop, and all of his friends against him, she went berserk and went after us, but I punched Lori hard in the nose, it caused blood to leak out, and her blood wound up on Lincoln, and when the blood went into Lincoln's mouth, he saw Lori's memory of still coming up with plans to turn the other sisters, his parents, his Pop-Pop, and all of his friends against him, and he finally realized the truth.

Nico: My God.

Audrey Berkeley: Yeah, it was bad. But, it was about to get really bad for Lori when Lincoln turned to her, and his eyes turned blood red and his vampire fangs were bared, and we viciously attacked her, and we then tied her up in dark energy ropes Lincoln formed, along with poison ivy vines, and we all headed downstairs and we showed Mr. and Mrs. Loud, along with the other sisters, Lori's diary, and we showed them the page where she'd come up with more plans to turn all of Lincoln's sisters, his parents, his Pop-Pop, and all of his friends against him, so he'd have no one to turn to, and then, he'd fall into depression, and then, she'd kill him in cold blood. They were horrified, and then, we saw in the page that she was planning to kill Lynn, Lola, Lisa, and Luan for not siding with her, since they'd decided not to side with her again. Then, their horror turned to rage towards Lori, and after a brief discussion with me and Lincoln, we decided to throw Lori in jail for five weeks and she was also put in the Scared Straight Program for her crimes. She's just lucky we didn't decide to press charges on her.

We cheered wildly for what Audrey did to defend Lincoln and put Lori in her place.

Lynn: But, that wasn't the end there. Lincoln was really depressed at what Lori was planning, and it really got to us. One day, Luan, Lola, Lisa, and I went to Lincoln and we talked with him, and we also called Audrey, the other sisters, and Mom and Dad in as well, and then, we hugged him and told him we'll always love him with all our hearts and that if Lori ever tried that again, she'd be grounded for life and in the basement until she left for college, and that got him to let it all out and he really cried heavily.

Lola: And I didn't care if my dress got wet, I don't want our brother suffering from depression, thanks to Lori, and we owe Audrey a lot for what she did.

Luan: We sure did, I would've thought Lori would've stopped with those kinds of plans after her plan was found out and we got grounded big time, but she had her fingers crossed, and as always, she didn't care.

Audrey Berkeley: And when she got back, I told her that she was sleeping in the basement until she cleaned up her act. Lori threatened to kill me, but I had my phone in my hand, and I warned her, if she even thinks about trying to kill me, Lincoln, or anyone, I'd personally call the cops and I will press charges on her, and it sunk into her brain at last, and she went to the basement.

Leni: Yeah, when we heard Audrey say that to Lori and right in her face, it was so awesome seeing Lori petrified by fear and getting her just desserts.

My jaw and Nico's jaw dropped to the floor when Audrey said that.

Nico: Damn.

Me: You sure are one tough girl, Audrey, to give a direct threat like that to Lori, if she tried any funny business again.

Lincoln: It was so awesome, and Luan got a picture of the petrified look on Lori's face.

Luan showed us the picture of Lori's petrified face, thanks to Audrey's threat, and it was so awesome.

Nico: Ooh, now that was brutal.

Wonder Woman: I knew there's no mistaking that voice from anywhere. You can come out now, Cain.

A figure came out, and it was none other than Cain, the immortal killer of his brother, Abel, and The Sire of All Vampires.

Zatanna: Cain, I should've known you'd show up here one day.

Cain (DC): And now, I will enjoy killing you all and drinking your blood!

Cain was about to attack us, but Lincoln fired a blast of poisonous acidic blood at Cain, and it hit him and it burned him badly as he screamed in excruciating pain.

Me: Ooh, now that was painful.

Lincoln: But, it also shows our blood's poisonous to evil vampires like you, Cain.

Charlene Novamenova: And I've had it up to hear with you to last an eternity, Cain.

Suddenly, Charlene Novamenova's purple eyes turned neon purple, and she was surrounded by a black and purple energy aura with darkness, shadows, and demons, she unholstered her massive Caius the Shadow Monarch-themed large sword from her back, and as she approached Cain, she left black and purple energy, darkness, shadows, and demons with every step.

Charlene Novamenova: Cain, what you did in murdering your own brother, Abel, eons ago and what you and Lilith did in turning hundreds of humans into vampires can never be forgiven, and now, I will see to it that you suffer the ultimate penalty for your crimes: death.

Suddenly, Charlene Novamenova was surrounded by a massive vortex of black and purple energy with darkness and shadows surrounding it, there's Caius, the Shadow Monarch flying around the vortex, and in the vortex is a purple phoenix. then, as the vortex faded, Charlene Novamenova emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Charlene Novamenova grew from 6'5" to 6'11" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing purple hair with flower in her hair, she has neon purple eyes and a black and purple energy aura with darkness, shadows, and demons surrounding her, she has Caius the Shadow Monarch with the Dark Kanji in its hands emblazoned on her forehead, she has on demon earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in its claws, she also has Caius the Shadow Monarch with purple gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Charlene Novamenova has on a purple sleeveless checkerboard open blouse, short-sleeved purple top, purple skirt, purple pants, purple shoes, and long sleeveless black and purple trenchcoat with darkness, shadows, and demons on the coattails, and on the back is Caius the Shadow Monarch with shadows surrounding it. Suddenly, Charlene Novamenova felt a sharp pain on her back, and then, her massive dark purple angel wings grew much bigger for her new body, and the large dark purple feathers have black tips on the feathers. Charlene Novamenova has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Charlene Novamenova's massive Caius the Shadow Monarch-themed large sword was then surrounded by a kaleidoscope of dark purple energy, shadows, darkness, and demons, and when it emerged, it was transformed into Caius the Shadow Monarch's Demonic Dark Broadsword of Shadow Monarch Justice, it's a brand-new large broadsword with Caius the Shadow Monarch etched on the 7'0" massive, wide, double-edged dark purple blade, large black angel wings for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, and large dark purple gem with black angel wings surrounding it for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Caius the Shadow Monarch's head with red gems for eyes and a large dark purple gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Caius the Shadow Monarch that said, "Charlene Novamenova, Fiercest Bounty Hunter in The World, Goth Girl of Belarus, Gene-Slammer of Caius the Shadow Monarch, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Shadows, and Demons"

Charlene Novamenova has transformed into SUPER ANGEL

ETERNITY INFINITY DARKNESS SHADOW MONARCH ANGEL OF GOTHIC JUSTICE AND DIVINE DARK MONARCH LOVE!

We were amazed by Charlene Novamenova's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Cain saw it, he fell into a rage and went after her to kill her, but Charlene used a powerful spell and it removed The Mark of Cain from him and destroyed it, and she fired a powerful black and purple energy blast with darkness, shadows, and demons, and it hits Cain and sent him flying into a wall of licorice.

Nico: Holy crap, Charlene Novamenova's transformed, and she removed The Mark of Cain from Cain, awesome.

Me: I would've thought it was impossible to remove The Mark of Cain since this mark can never be removed, but that was really awesome.

Lincoln: You said it, J.D., and Charlene, you look beautiful. How do you feel?

Charlene Novamenova: (Divine Echoing Cosmic Voice of The Darkness Shadow Monarch and Divine Darkness Love) **I feel incredible, Linky. Now, shall we put an end to this monster once and for all?**

Lincoln: (Smiles) With pleasure, Charlene.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Charlene Novamenova.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Now, you will pay for all the murders that you've committed eons ago, Cain!**

Charlene Novamenova and Lincoln went after Cain, and they fired powerful blasts of rainbow energy, black and purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, and Angels at Cain (DC), and they exploded with incredible power as they hit him. Then, Lincoln and Charlene attacked him with their massive greatswords and they left painful scars on him, and he wasn't able to heal from any of them, despite his superhuman regeneration. Then, Lincoln put Cain in a brutal bear hug, so he couldn't escape, and as he sunk his fangs down on Cain's neck, he began feeding on his blood, and at the same time, Lincoln began absorbing Cain into his body, and he was also assimilating the immortal killer's powers and abilities.

Then, as Lincoln was done feeding on Cain's blood and absorbing him into his body and assimilating all of his powers and abilities, an energy card appeared in Lincoln's large left hand with Cain's soul inside it, and as the kanji appeared on his forehead, Cain was sent to The Black Gates and erased forever. We cheered wildly for what Charlene Novamenova and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Charlene Novamenova's new body, clothes, weapons, jewelry, and massive dark purple angel wings are permanent.

Charlene Novamenova: And now, eons after his condemnation, Cain has finally met his end. Thank you for helping me take down and destroy Cain, Linky.

Lincoln: (Smiles Warmly) You're welcome, Charlene.

Suddenly, Charlene Novamenova wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Charlene Novamenova's face, they kissed passionately as Charlene Novamenova's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and

Caius the Shadow Monarch flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark shadows flying behind them and we cheered wildly.

Nico: Now, that's what I call one sweet adventure.

Me: You said it, we not only explored a planet made of red licorice, but we also battled Lord Licorice as well.

Lincoln: And we also got rid of Cain, who's the first murderer and The Sire of All Vampires, and we sought to it that he paid the ultimate penalty for the crimes he's committed against mankind for eons.

Eli: You said it. What a monster.

Me: But, it's what got him marked forever as the world's first murderer in The Bible, and he was given a divine punishment for Abel's murder, Eli.

Lincoln: That's right, and I've seen what you did in marking a couple of villains with The Mark of Cain along with The Tree of Cain, J.D.

Nico: You've got to tell me about that one day, Linc, this is something I really want to hear.

Lincoln: Trust me, Nico, when it comes to praying to God and marking villains with The Tree of Cain, no villain wants to mess with J.D., but they refuse to learn their lesson as always.

Overdrive: Looks like we got another recruit.

Key: And on a delicious licorice planet.

Me: At least there was no black licorice.

Feena: That's for sure.

Lisa (GI): Yeah no kidding there.

Evil Star: The Agito Arms Nico and the others got sure came in handy.

Nico: They sure did. This was one eventful day.

Victoria Nottingham: I'm really gonna love it here with you guys.

Audrey Berkeley: Same with me.

Maple: And all of us too.

Firepower: You girls won't regret it.

Scorcher: When we get home, let's continue playing with our new octopus and starfish.

Me: You got it.

Qin: Yeah.

Nico: But great job today everyone. This was an awesome adventure to a great planet.

Numbuh 5: It sure was. (To the viewers) This was a great adventure and Numbuh 5 thought it was amazing and fun.

Me: We all did.

Lola: Yeah it was awesome.

Nico: Lets go home.

We went back to the ship and Lord Licorice was put in the M.O.E. Prison. We got back home and enjoyed the rest of the day before going to sleep. Who knows what the next food planet will have.

# INSANELY SPICY CURRY ADVENTURE

GET READY FOR A SPICY ADVENTURE

---

Walking through the streets of Beach City was Nico, The Ripping Friends, Yugi Moto, the 1983 D&D Gang, Pharaoh Atem, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to go on an awesome rescue and even battle a corrupted Crystal Gem there.

Me: So the next Rescue is in Beach City, Steven's home town. We haven't been here in a while.

Nico: Boy it sure has been a while since we were here.

Kaina Tsutsumi: Beach City sure looks like a nice place.

Varie: It sure is Kaina and it's Steven Universe and the Crystal Gems home town and they lived here for a while before they joined up with us.

Me: You should have seen what they did here over the years. Steven and his friends and family have battled evil gems and more all over the place here. And it's also where we met him the first time and reunited Varie with Lapis who has been like a sister to her.

Varie: It's true and I remember that day all too well. It was so awesome and fun.

Varie went over what happened during the events of Chapter 44 and it was awesome.

---

Varie is in the Training Simulator.

Me, Luna, Jessie, Starfire, Terra, Volcana, Lucy, Laney and Lisa are in the control room.

The simulator activated and Varie found herself in Beach City, California in the world of Steven Universe. This is Varie's favorite show.

Varie: Wow. I'm in Beach City. But where is everyone?

Varie walked around town and she saw that everyone was on the beach and the ocean was gone.

Varie: [Gasp] Where's the ocean?

She then sees a van, and a pink lion driving and running into the vast desert.

Varie: I'd better go with them.

Varie spread her wings and flew after them.

Varie caught up and to her surprise it was her friends Steven Universe, Connie and the Crystal Gems Garnet, Pearl and Amethyst.

Varie: Hey it's been a while.

Garnet: Varie. It has been a long time.

Amethyst: Neptune Varie! It's been a while!

Varie: It's good to see you again Amethyst and you too Pearl.

Pearl: Things sure have been different without you Varie.

Varie: I know. Who's that with you all?

Garnet: That is Steven Universe. He's the son of Rose Quartz and with him is Connie.

Varie: Wow. I missed out on a lot. Where's the ocean?

Garnet: This is all the work of Lapis Lazuli.

Varie: [Gasp] Lapis? She's alive?

Garnet: Yes. I take it you and Lapis are very close.

Varie: We are very close Garnet. We are like sisters and I'm so glad she's alright.

Pearl: Well her gem is cracked and we are on a mission to get the ocean back.

Varie: Oh no. I'm gonna do everything I can to help her.

Garnet: We would greatly appreciate it Varie.

Varie flew to Steven.

Varie: So you are Rose Quartz's son?

Steven: Yes I am.

Varie: My name is Varie Knudson. I used to be a member of the Crystal Gems before I left.

Steven: It's a pleasure. I'm Steven Universe. I'm a Crystal Gem in training.

Varie: You've inherited your mothers powers and you've already become so strong. I can feel it.

Steven: Thank you Varie. Are you from the Gem Homeworld?

Varie: No. I was born here on Earth. I was born in the ocean as a mermaid but I have very special powers. I joined the Crystal Gems before you were even born.

Steven: Wow. That's amazing.

Connie: I didn't know you were a Crystal Gem Varie.

Varie: Yes. Lapis is like a sister to me. We met a long time ago when I was a little girl.

[Flashback to Varie's Past]

Varie: (Narrating) My parents were killed by 2 mermaids from the dark side of the legend. I managed to survive and escape and I wound up on a beach. That's when I met Lapis Lazuli and we became very close. We did all sorts of good deeds and our bond became stronger and stronger. But then the time came where she had to go back to the Gem Homeworld.

Lapis: Varie, You are more than just my best friend. You are like a sister to me. I will always treasure them very close to my heart.

Young Varie: Me too Lapis. I'll never forget you.

Lapis: Me neither.

Varie: (Narrating) I promised to always hold a very special place in my heart for Lapis Lazuli.

* * *

Varie: After Lapis went back home. I never saw her again. It's been almost 11 years since I saw her last.

Connie: Wow. I had no idea that you two were very close.

Varie: Yeah. I'm gonna try to help her in any way I can. She saved me from my pain and now It's time I save her.

Steven: I know you can do it Varie. But what does she need the ocean for?

Varie: My guess is Lapis is trying to get back home to the Gem Homeworld by using all the ocean water as a pillar to try and reach it. But the Gem Homeworld is 5 Lightyears away from Earth and getting there with little water like that would be impossible.

Steven: You're right.

Varie: Steven. If I may ask. How did you find Lapis?

Steven: Her cracked gem was on a mirror I found at home. I pulled it out and I freed her.

Varie: Hmm. That's weird.

20 minutes later Varie, Steven, Connie and the Crystal Gems arrive at an enormous column of water thay went miles up into the sky.

Varie: Whoa.

Connie: Whoa. It's like an aquarium.

Varie: Lapis is here. I can feel it.

Lapis: You shouldn't be here!

Garnet: She sensed us.

Steven: Lapis Lazuli! It's me Steven!

Lapis's face formed from the Water Column.

Lapis: Go away! Before I make you.

Steven: But we're beach summer fun buddies.

Lapis: [Steven's Voice] Nooooo! [Normal Voice] You're one of them. One of the Crystal Gems.

Amethyst and Pearl growled and Garnet held this back.

Garnet: Easy.

Varie: [In her head] Her gem is too cracked and it's warped her mind.

Steven: What do you mean? We're all Gems right? Just let us help you.

Lapis: You don't understand. Just leave me alone.

Steven walked up to the column.

Steven: We're not leaving Lapis. Not until you give us back our ocean.

A water hand grabbed Steven and a Water Steven materialized.

Lapis: [Through the Water Steven] I said Leave Me Alone!

She hurled Steven to Garnet and Garnet caught him.

A Water Pearl, Amethyst and Garnet materialized and it was a fight.

Varie: I'm going up to talk to Lapis.

Garnet: Okay. Be careful.

Varie nodded and jumped into the water column and turned into her mermaid form and swam up.

Varie swam up for what seemed like miles and she popped up out on top of the column and charged to her human form and was standing on top. The Column reached high into the upper atmosphere. She saw Lapis Lazuli.

Varie: Lapis.

Lapis saw Varie.

Varie: Lapis? Do you remember me?

Lapis: Do I know you?

Varie: It's me, Varie. We met 11 years ago.

Lapis gasped.

Lapis: But you can't be Varie. She's a little one.

Varie: I've grown up from those days Lapis. But I held you very close to me in my heart. You once taught me this: A true friend must always look after, protect and treat their friends like family.

Varie and Lapis: Even in times of great peril, danger or sadness.

Lapis suddenly remembered and instantly recognized Varie.

Lapis: It is you. Varie!

Lapis and Varie then hugged and were reunited for the first time in over a decade.

Lapis: I thought I would never see you again.

Varie: I'm glad you're okay Lapis and I'm gonna help you. Your gem is cracked and maybe I can fix it.

Lapis: How?

Varie: I have healing powers.

Varie put some water on Lapis's gem on her back and it glowed and wings made of pure water sprouted from her gem.

Lapis: Thank you Varie.

Varie: Anytime my sister.

Lapis hugged Varie again.

Varie: Lapis, I don't want us to be separated again. Will you come with me to where I live with my friends?

Lapis: I would be honored.

Varie: But first can you return the ocean to Earth?

Lapis then let the water column go and it was starting to collapse.

Varie: Shall we help our friends?

Lapis: Lets shall.

Varie and Lapis flew down the collapsing tower and created a ball of water that entombed the Universe Van, Lion, Connie, Steven, Mr. Universe, Garnet, Pearl and Amethyst inside it and got them out as the ocean started to fill up.

Back in Beach City, the mayor was crying as he futiily tried to fill the ocean back up with a garden hose. But the ocean came back in and Varie and Lapis had the van in tow and placed them back on the land.

Varie: Well. I'm glad the ocean's back and the best part is I'm now reunited with my best friend.

Lapis: Me too.

A dimensional vortex appeared and Varie and Lapis got sucked in as they waved good bye.

The Exercise ended and Varie revealed everything and more.

FLASHBACK ENDS

We were shocked and amazed.

Nico: Whoa! So that's how you guys met Steven and the gems. That is so awesome!

Eli: It sure is! Wow!

Twilight Sparkle: I think that sure is amazing!

Fluttershy: Goodness. That is amazing.

Nico: It sure was.

Yugi: I think it's really amazing myself.

Pharaoh Atem: I agree too.

Eli: Same with me father.

Nico: Thanks for coming with me, Yugi.

Yugi: No problem Nico. It's an honor to go with you on a great

rescue.

Me: It's one amazing adventure Yugi.

Nico: You actually started a history of generations of duelists fighting for good.

Yugi: That is true. But it was Pharaoh Atem that did that.

Pharaoh Atem: That is true. We did invent Duel Monsters 5,000 years ago but it was all in stone tablets back then.

Eli: That was what I read about father. It's really amazing that such an awesome game was created from it.

Camie: And now here we in the 21st Century, 5,000 years later and we now have awesome Duel Monster Cards.

Miku Yuuki: Boy we sure do. And it's really amazing that we have so many of them too.

Me: And we also have the 8 most powerful Duel Monsters ever in existence, The Egyptian God Cards and The Sacred Beast Cards.

Laney: That is so awesome.

Nico: Don't forget that Jaden was the succeeding main duelist after you.

Yugi: That's right and he definitely has what it takes to be the next King of Games.

Pharaoh Atem: He most certainly does and I couldn't be anymore proud of him.

Eli: Me too father. And those Elemental HERO Cards he has are all amazing.

Me: And lets not forget Yusei became number 3 and then Yuma became number 4.

Nico: That's for sure.

Camie: That's amazing that you guys know so many amazing duelists and how they became great allies.

Me: Not all the duelists were good. Many of them were bad. But the Dark Signers are just as amazing too. And they have amazing powers and Duel Monsters too.

Tsuyu: They sure do. And Misty is getting married to you soon.

Me: Not for 5 more years. But yeah I'm so happy for all of us.

Varie: Me too.

Qin: That is so awesome though.

Rei Miyamoto: We're all so happy for J.D. and everyone.

Nico: I am too.

Camie: How many Duel Monster cards are out there?

Eli: Thousands. Maybe more. With so many cards to pick from it's hard to count.

Me: And many of them are incredibly strong and powerful.

Eli: Yep.

Qin: That is really awesome though.

Nico: Man, that licorice was good!

Me: Boy it sure was.

Sheila (D&D): Some of the tastiest ever.

Bobby (D&D): You said it sis.

Me: That was really awesome stuff. Thank goodness it wasn't black licorice! YUCK! I HATE Black Licorice.

Bobby (D&D): I don't blame you one bit bro.

Me: That is true.

Camie: He calls you bro too?

Me: We're not related by blood. Me and Sheila, Bobby and friends have all gotten so close that we developed a powerful sibling bond.

Nico: I remember that. That was so awesome.

Me: Yeah it sure was. And we destroyed Venger for good.

Camie: Who was Venger?

Me: You would have hated this guy to the Nth degree Camie. He was a monster that wanted to use the powers of the weapons of Hank and friends to destroy all of Eberron.

I went over his history.

---

Venger is the main antagonist of the Dungeons & Dragons cartoon.

He is a very powerful sorcerer/archmagi, knowing a variety of spells both necromantic and evocation. He antagonizes both the children and the Dungeon Master on the majority of the episodes, forcing them to fight him and his forces as well as helping the villagers terrorized by him, which often sidetracks them from their main objective of finding a way to return home.

He was voiced by Peter Cullen, who would later play Optimus Prime in much of the Transformers franchise, and Captain Nathaniel Flint in Disney's Treasure Planet.

The man known only as Venger is a sorcerer/archmagi who terrorizes the realm where the show takes place. His sole purpose in the series was to defeat the Dungeon Master and claim the realm as his own.

Though he is described as a force of pure evil, Venger was once a heroic person. He was once human, at some point being transformed into a Half-fiend. The force that turned him evil was never stated specifically, though it is said that he got his dark powers from the Nameless One. The Nameless One is a dark entity which was banished prior to the youngsters arrival. He is the Dungeon Master's son and was also his student, leaving Dungeon Master to consider Venger "his greatest mistake". His twin sister is Karina and all 3 members of the family are 1,000 years old at least.

When the six youngsters arrived at the Realm, the Dungeon Master gave each one a magical artifact, the same artifacts Venger was seeking in order to defeat the dragon-goddess Tiamat and the Dungeon Master himself. Venger travels mounted in a Dark Horse (a Nightmare) who flies and breathes fire. He also has a henchman known as the Shadow Demon, as well as an army of orcs. He has a lot of castles throughout the Realm, threatening all villages in the Realm with his powers. Venger has also known to have killed many heroes his father has sent after him in the past, making him a threat to the lives of the 6 teenagers brought to the realm to fight him and the only ones to thwart his evil plans.

---

When I was finished, everyone that hadn't heard about it was shocked!

Nico: That guy was a monster and was pure evil. He wanted to destroy them.

Me: Not if we destroyed him first. Venger got what was coming to him.

Sheila (D&D): Good riddance to him.

Diana: Yeah he had it coming.

Me: Yep. And it started out as a simple amusement park ride which ended up turning into a fight to the death and a battle for survival for the future of Eberron.

Eli: That was intense.

Hank (D&D): That's true. It was a great adventure though.

Eric (D&D): And the cool part is that Tiamat is in the M.O.E.

Camie: Tiamat?

Me: She's the Dragon Goddess. She's a dragon with 5 heads. Each one has a certain element. Fire, Lightning, Ice, Acid and Poison. She's also the 5-Headed Dragon from Mesopotamian Myth.

Camie: Wow! That is cool!

Me: Boy it sure is. And she is also Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer's archenemy.

Kaoruko: That is so awesome! Tiamat VS Tiamat in a way.

Nico: Good analogy. That's a good way to describe it.

Me: It sure is.

Maria: When the Metabreed was still active, we actually did play Dungeons and Dragons once. Sadly, it ended with Shiv leaving our characters to be eaten by ogres.

Carol: I remember hearing about that. That is awesome.

Me: But it's awesome that you guys got to play Dungeons and Dragons. Think you can teach me how to play?

Maria: I would be honored. We can do that on our way to the next planet.

Me: Awesome.

Nico: Lincoln, Anna's gonna be happy to hear that we dealt with her sister.

Lincoln: I know. Soon we'll find her on my rescue after this.

Me: Yeah but what was really shocking was that Lori had a terrible history with her.

Sheila (D&D): That was crazy! I can't believe she let fame and fortune consume her that bad.

Yugi: Yeah that was terrible.

Pharaoh Atem: It was Yugi. But at least she is in a place where she can't do any harm.

Eli: That's right father. She's in the Saturn Insane Asylum.

Me: Thank goodness.

Qin: Yeah.

Varie: There's Steven's house.

We saw an awesome beach house in front of an amazing and beautiful statue.

Nico: Wow!

Camie: That's Steven's house? That is amazing!

Me: It sure is.

Varie: Just as awesome as I remember.

Camie: Wow. What things has Steven and the Gems done that made him so awesome?

Varie: Steven and his friends all have done so much good not just on Earth but on the Gem homeworld as well. He brought 2 worlds together and put the Great Diamond Authority on the road to redemption.

Nico: Can you tell us Varie?

Varie: I would be honored.

She did so and went over Steven's history.

---

**Steven Quartz Universe** is the titular main protagonist of the *Steven Universe* franchise. He is the son of Greg Universe and Rose Quartz, the only known hybrid of a human and a Gem and the first Crystal Gem of human descent. As a result of his parentage, Steven is an extraordinarily unique being with innate powers beyond that of normal humans and Gems. While he was only a child, Steven steadily grew from a tag-along to the Crystal Gems into the heart of the team thanks to his kind-hearted nature and resourcefulness.

Steven is devoted to protecting humanity and helping those in need just as Rose Quartz did, and though her monumental legacy once forced Steven to live in her shadow, he has since surpassed her by ending the authoritarian practices of the Great Diamond Authority and establishing peace across the galaxy. However, the consequences of his mother's mistakes continue to haunt Steven and those he cares about to his growing frustration. Additionally, as his friends and family continue to grow and start to go out into the world and beyond, Steven has begun to struggle with his own self-identity and what he wants to do with the rest of his life. He has also started coming to terms with suppressed trauma that he has built up over the course of his years of adventures and near-death experiences with Gems.

At the end of the series, however, after holding his feelings in for so long culminates in him transforming into a giant Gem monster after coming to the conclusion that he is one, Steven's friends and family manage to get through to him with the power of love. In the months following, he decides to leave Beach City to go on a road trip on his own to see the world and find himself.

---

When she was done we were absolutely amazed and incredibly in awe.

Lincoln: That is incredible!

Laney: Wow! Steven has done so much great good for 2 awesome worlds.

Me: That's what makes him and the gems all very valuable members of the team and awesome members of Mary's Crystal Brigade.

Nico: Yep.

We got to walking around.

Kaito: It's quiet. Too quiet.

Me: All I hear is the ocean.

But then we heard a bird call and then up in the sky we saw a REALLY SCARY BIRD! IT WAS A CORRUPTED GEM BIRD!

Me: WHOA!

Nico: Is that a bird!?

Eli: No I sense strange brain wave patterns!

Maria: That bird is a corrupted gem!

Camie: WHOA! So that's a Corrupted Gem!

Me: Yep.

Maria: You wouldn't believe what kinds of Corrupted Gems we faced.

Me: We faced one that looked like a Shrieker from the Tremors movies and there was even one that looked like a Tardigrade and so much more.

Nico: Yep.

Camie: Wow!

Tsuyu: What are Tardigrades?

Me: One of the oldest living lifeforms on the planet. They are microscopic organisms that have been around for over 600 million years.

Himiko: Wow! That is amazing!

Nico: Yeah that is awesome. Lets go get this gem and cure it!

Zocks and Kaito: Zenkaiju Gear!

They turned into their ZENKAIJU FORM!

Nico: Yeah!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Awesome!

Eli: Wait look! There's someone on the creatures back!

We looked and we saw ANOTHER RANGER!

We gasped!

Me: It's Another Ranger!

We saw that it was ANOTHER BEAST MORPHER RED! It was a scary version of Beast Morpher Red but with a scary Cheetah helmet and a skeleton suit!

Nico: WHOA MAN!

Me: This is gonna be awesome!

Nico: We get two save two corrupted people today!

Sheila (D&D): YEAH!

We flew up to them and confronted them.

Me: Devon and Whiplash would be pissed seeing this. First lets see who our mysterious Another Ranger is.

Another Beast Morpher Red: (In a girls voice) I hope my daughter is doing all right J.D.

Most of us gasped hearing that voice!

Me: NO WAY!

Lily: Oh no!

Laney: It can't be!

Nicole: But that's impossible!

She reverted back and we saw that it was QUEEN SERENITY! BACK FROM THE DEAD AND FULLY RESURRECTED!

We gasped in shock!

Nico: Oh my God! Queen Serenity!

Varie: I did not see this coming!

Eli: Sailor Moon's mother is alive again!? But how!?

Me: Your majesty, it's good to see you again. I'm sorry it has to be like this though.

Queen Serenity: I know J.D. But I'm sorry I got turned into this.

Maria: How did Swartz even bring you back?!

Queen Serenity: It's part of a spell he used. He revived me using an ancient spell from the destroyed moon kingdom that can raise the dead and bring them back to life.

Me: That's amazing. But you've been dead for over 1,000 years your majesty. So much has changed since then.

Nico: But you'll be happy to know that all your major enemies have all been destroyed.

Eli: That's right. Including Sailor Chaos.

Queen Serenity: (GASP) I had a feeling it was her!

Me: We actually know the whole story your majesty. Chaos was responsible for everything that got set into motion.

Kaoruko: Who was Chaos?

Me: The Ultimate Source of all the Galaxy's Evil.

I told them her history and it was horrible.

---

Chaos is the ultimate antagonist and final enemy in the Sailor Moon series. It has little to no true form. Regardless, its agenda is destruction.

In the manga, Chaos resided in the Galaxy Cauldron, the center of the galaxy where everything was formed from it. Its desire was to bring everything back to it and become one with everything in the universe. It had manipulated, instead of controlled, Sailor Galaxia into stealing Sailor Crystals. When Sailor Moon encounterd Chaos, Sailor Galaxia believed the confrontation between Chaos and Sailor Moon would kill them both, allowing her to be the ultimate Sailor Senshi, but Chaos immediately attacked Galaxia and she survived only with the help of Sailor Moon. It was revealed to Sailor Moon that in order to permanently destroy Chaos, she would have to destroy the Galaxy Cauldron, the source of all life, including Chaos. Rather than destroying both Chaos and the Cauldron, Sailor Moon jumped into the Cauldron, and using the Silver Crystal, she dragged Chaos down with her, destroying him. Since Sailor Moon chose to preserve the Galaxy Cauldron, rather than destroy it, Chaos would return in the future, but it also meant new life would be born, ensuring the galaxy's future.

In the anime, Sailor Galaxia battled against Chaos. In order to defeat it, Galaxia sealed it within herself to save the galaxy. Eventually, Chaos gained control over her and started stealing Star Seeds throughout the galaxy. In the last episode, Sailor Moon frees Galaxia from its control and returned Chaos to its rightful place within the hearts of everyone where it could no longer do any harm.

All of the previous main villains in the manga (Queen Metallia, Wiseman, Pharaoh 90, and Queen Nehelenia) were all incarnations of Chaos.

When I was finished everyone that hadn't heard about it was shocked and horrified.

Camie: Oh man! That's horrible!

Kaoruko: Unbelievable!

Queen Serenity: And it's good that you all destroyed her.

Me: Sailor Moon has done so many incredible things with us over the years too. She has become a true force of good and has achieved so much too. You would be very proud of her for how much good she has done your majesty.

Queen Serenity: I am. I watched her from Heaven and I am so proud of her. (Clutches her head) You have to save me!

She was enveloped in a vortex of darkness and she reverted back to Another Beast Morpher Red!

Me: Hang on Your Majesty!

Yugi summoned Dark Magician and Slifer the Sky Dragon.

Yugi: Even with Devon's super speed, you can't outrun my most powerful monsters!

Me: Lets do it!

Nico: (Takes out Whiplash's Ridewatch) Hope she likes this one too!

Nico got powerful energy whips on his arms!

Maria: (takes out M.O.E. cannon) Let's bring some more backup here!

Nico: Yeah!

Maria: (Turns Dial) MOONLIGHT WARRIOR CRUSADE!

She summoned Moonstone, Saix, The Luna Ghost, Zen-Aku, Moonroid Tsukki and The Moon Monster!

Saix: Whoa so that's Another Ranger here.

Moonstone: Thank goodness Whiplash isn't here to see this.

Me: And you aren't going to believe who it is.

Nico: We'll explain later.

Me: Zen-Aku you will love this one.

I activated his Ridewatch and got a version his flute.

Me: Your Dark Wild Zords have been a really awesome and incredible asset to the team.

Zen-Aku: I'm glad you like them. Lets summon them.

Me: Here we go.

Me and Zen-Aku: DARK WILD ZORDS ARISE!

We played our flutes and then out came Zen-Aku's zords! They were mini versions of the Wolf, Hammerhead and Alligator Zords. Mine were mini versions of the Raven, Vampire Bat and the Owl Zords!

Nico: COOL!

Zen-Aku: Very impressive.

Me: Yep. I found a way to utilize the Dark Wild Zords without them actually being evil like you did on TV. That was awesome.

Zen-Aku: It was amazing seeing that.

Slifer roared at Another Beast Morpher Red.

Yugi: Slifer, THUNDER FORCE ATTACK!

He fired a massive blast of lightning from his mouth and it hit the corrupted gem and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was back to a gemstone and then I grabbed it. And Another Beast Morpher Red landed on the sand.

I used my magic and energy and cured the gem. She was a girl with orange skin, purple and orange hair and had orange eyes and orange clothes.

Carnellite: Thank you for saving me.

Me: Whoa who are you?

Carnellite: My name is Carnellite.

Nicole: Wow! That's a gem that's usually found in the Persian Basin over in Texas.

Carnellite: That's right and you guys saved me.

Me: But we're not done yet. We got Another Ranger to cure too.

Dark Magician charged at Another Beast Morpher Red.

He blasted her with his magic and she dodged it.

Another Beast Morpher Red: UNLEASH THE BEAST!

She used the power of the Bat with Myotismon's powers and unleashed a powerful crimson sonic blast and we dodged it.

Me: Whoa! She has Beast Powers imbued with the core and non-core members of the M.O.E.!

Nico: Wow! That's amazing!

Laney: She has all the forces of the entire animal kingdom into one!

Me: And I thought Cuvier was powerful enough with all that! That is incredible!

Lola: Yeah!

Me: Lets see here. Here's a good one!

I pulled out the crystal for the Arctic Wolf and it was imbued with Vexen's Powers. I put it in my flute and played a tune and summoned a pure white Wolf Zord and it had an ice aura around it and it fired a blast of energy and froze Another Beast Morpher Red in ice.

Nico: Chill out!

Me: Yeah!

Zen-Aku: Nice one!

Me: Thanks. Here's an interesting one. This should finish the job.

?: Let me help too!

We heard a roar and then we saw A HELLFIRE WYRM! It was a scary dragon made of pure lava!

Me: A Hellfire Wyrm! Whoa!

Nico: Wow!

Hellfire Wyrm: (In a girls voice) Awesome to see you again Nico.

Nico: Margaret Stockington!? Wow!

She reverted back and was a girl with orange hair and orange eyes and orange clothes.

Margaret Stockington: We can catch up later. Lets save Queen Serenity.

Me: And I got a neat trick.

I pulled out the crystal for the Emperor Penguin Zord with Penguin's powers in it.

I put it in and played a tune and then a wave of ice formed a path and a big black Penguin Zord slid on the ice like how Penguins do in Antarctica and it smashed into Another Beast Morpher Red and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it.

Nico: Now we can give the copy and original to the ones we assigned.

I went over to Queen Serenity and she was okay but weak. Then suddenly we got ALL THE BEAST POWERS AND POWERS of the M.O.E. all inside of us!

Nico: Whoa! That was amazing!

Qin: Wow!

Me: Your Majesty, are you all right?

Queen Serenity: (Groans) I'm okay. You saved me though J.D. and I am forever grateful.

Me: It was our pleasure Your Majesty.

Steven Universe and the gems then came.

Steven Universe: Guys!

Nico: Hey Steven.

Garnet: We heard some explosions. Are you guys all right?

Me: Yes we're okay.

Amethyst: Whoa is that?

Nico: Yeah Queen Serenity and she is back from the dead thanks to an enemy of ours.

Me: It's a really ugly story.

We told them everything.

Pearl: My goodness!

Lapis Lazuli: I can't believe that Swartz is doing all this to so many people! But mostly to friends you know J.D.!

Nico: And to many enemies of ours too.

Me: But soon on August 12th, Swartz will pay the ultimate price for his crimes with the Black Gates.

Peridot: That's still amazing that Queen Serenity is back.

Nico: Serena's gonna be so happy!

Margaret Stockington: And they have over 1,000 years of catching up to do.

Bismuth: Boy they sure do.

Carnellite: Yeah no kidding.

Pearl: Carnellite!

They hugged.

Carnellite: Pearl!

Nico: Wow! I didn't know you two knew one another.

Pearl: Long story on that.

Me: Wow.

Yugi: But this was awesome. Margaret what's your favorite memory of Nico?

Margaret Stockington: I have a lot of them but my favorite would have to be when me and Nico made an awesome chili for our entire class and we made it with an awesome recipe I have known from my mother. The ingredient is curry sauce.

Me: Wow that sounds tasty.

Nico: Oh it was Heaven! We made an awesome award winning chili for a chili cookoff and it was awesome.

Me: We'll have to try some later.

Margaret Stockington: You guys will love it. And so did everyone in our class. They loved that chili so much that they didn't leave me and Nico any.

Laney: Wow that chili must've been really good!

Moonstone: No kidding. J.D. loves Wiggum's chili too.

Me: Yeah.

We laughed.

Nico and Margaret hugged.

Nico: I've really missed you Margaret.

Margaret: Me too Nico.

Me: We got to get home. Serena is gonna be in for a surprise unlike any other.

Eli: So will the rest of the Sailor Soldiers.

We later went back home and told everyone everything and they were all shocked! Serena and Queen Serenity had so much to catch up on. It was gonna be a long reunion.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Jaden are heading to the world of the 1995 Looney Tunes cartoon, Carrotblanca, and not only is Lincoln going to rescue the seven girls here, but we're also going to take down Yosemite Sam, who's in the guise of General Pandemonium.

Lincoln: Wow, we're here in the world of the 1995 Looney Tunes cartoon, Carrotblanca, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to take down Yosemite Sam, who's in the guise of General Pandemonium. And there's no doubt that we're going to run into Anna Anyanova here too.

Nico: That's right, big guy.

Lori: After what we did taking down her insane little sister, Tanya, she'll literally be happy to hear that we sent Tanya to the Saturn Insane Asylum for life and she'll never be free again.

Lincoln: You got that right, Lori, and thanks for joining us, Jaden.

Jaden: You're welcome, Lincoln.

Me: Plus, this is going to be awesome taking down Yosemite Sam again, and this is also one of my favorite Looney Tunes cartoons, and a parody of Casablanca.

Nico: A tale of drama and romance, but with the touch of Looney Tunes comedy, awesome.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, along with Bugs Bunny as Mr. Bugs, Penelope Pussycat as Kitty Ketty, and Sylvester as Sylvester Slazlo, but they've been cornered by Yosemite Sam as General Pandemonium, and he's going to kill them.

Lincoln: Guys, I found the seven girls, along with Bugs Bunny as Mr. Bugs, Penelope Pussycat as Kitty Ketty, and Sylvester as Sylvester Slazlo, but they've been cornered by Yosemite Sam as General Pandemonium, and he's going to kill them.

?: That rotten-tempered, mean, trigger-happy goon, let's get him!

Suddenly, we saw Destiny HERO - Dark Angel appear before us.

Jaden: That's Destiny HERO - Dark Angel, but…

Lincoln: This wasn't Aster Phoenix's doing since we haven't met him yet, and I'd recognize that voice from anywhere, I knew it was you, Anna Anyanova.

Lori: I knew she'd be here, but we'll have to talk later. Let's turn General Pandemonium into a toon pretzel.

We then rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Yosemite Sam as General Pandemonium, and it allowed the seven girls, Bugs Bunny as Mr. Bugs, Penelope Pussycat as Kitty Ketty, and Sylvester as Sylvester Slazlo to get to safety with us. When General Pandemonium saw us, he was really mad.

Lincoln: Sorry, General Pandemonium, but you're not getting your hands on that formula again.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity

Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Starfire, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after General Pandemonium, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Anna Anyanova knocked General Pandemonium out, and he changed back to Yosemite Sam, but this time, in prison clothes and threw him back in The Masters of Evil's prison. We cheered wildly as we holstered our weapons and power down.

Lincoln: That'll teach that varmint. (To Anna Anyanova) And it's so good to see you again, Anna Anyanova.

Anna Anyanova reverted back to normal, and she's a beautiful girl with long flowing black hair and a flower in her hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings, and she reigned in the power of Destiny HERO - Dark Angel, and she's dressed in a sleeveless light purple top, purple skirt, jeans, purple stockings with stars, purple sneakers, and long sleeveless purple trenchcoat with darkness and dark angels on the coattails, and Destiny HERO - Dark Angel on the back, and holstered on her back a large Destiny HERO - Dark Angel-themed greatsword with Destiny HERO - Dark Angel etched on the 7'0" massive, wide, double-edged purple blade, Destiny HERO - Dark Angel's wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and a large purple gem surrounded by angel wings for the pommel.

Anna Anyanova: You too, Lincoln, it's been a long time, and it's also good to see you again, Lori, Lynn, and Lola.

Lori: You too, Anna.

Lincoln went up to Anna Anyanova and they hugged, and Anna Anyanova's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were seventeen, and as you can see, Lori, Lynn, Lola, and I really grew a lot since then.

Anna Anyanova: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome, and Lori, you grew into a beautiful young woman.

Lincoln: And don't forget married to Bobby and she has kids already.

Anna Anyanova: No way, that's awesome!

Nico: And we knew we'd run into you, Anna.

Lincoln: That's right. Everyone, this is Anna Anyanova, she's one of my Guardian Angels and she has an amazing singing voice, and she's an awesome girl that's really good friends with Lori, Lynn and Lola. But, as we remembered, her sister Tanya hates her, Lori, Lynn, and Lola with every fiber of her being.

Lori: Yep, and Anna is now a true angel and her sister is pure evil incarnate and an outcast and a fraud. She also taught Lincoln how to sing with a divine voice and she also has light and darkness powers too and she also used these powers on Chandler and got him in trouble more times than anyone can even count!

Nico: Should've known that she also dealt with Chandler, along with Tanya.

Lori: And you're not going to like this one bit, Anna. We ran into your insane outcast of an older sister, Tanya, yesterday, who was turned into Another G3 by Swartz, to kill you, me, and Lincoln for exposing her lies along with all of the team.

Anna Anyanova: She what?! Why, that little… !

Lincoln: But, don't worry, we stopped her and we threw her in The Saturn Insane Asylum for the rest of her life, and she was deemed tragically incurable by the doctors and she was chained to the wall of her cell with rainbow energy chains.

Anna Anyanova: Good, she deserves it for all the rotten things she's done.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Anna Anyanova's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Anna Anyanova: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Anna.

Anna Anyanova had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Anna Anyanova's waist and Anna Anyanova wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Anna Anyanova's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Emilia, Midori Oono, Aya Takayashiki, and Miki Takekasa from After School Dice Club, Akira Tachibana, Haruka Kyan Haruka, and Yui Nishida from After The

Rain.

Lincoln: Oh wow, it's Emilia, Midori Oono, Aya Takayashiki, and Miki Takekasa from After School Dice Club, Akira Tachibana, Haruka Kyan Haruka, and Yui Nishida from After The Rain.

Nico: Awesome.

Lincoln: Are you girls okay?

Emilia: Yes, we're okay, thanks to you.

Then, when Emilia and the other six girls saw who it was that saved them from Yosemite Sam in the guise of General Pandemonium, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three

Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Emilia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Emilia: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Emilia, Midori Oono, Aya Takayashiki, Miki Takekasa, Akira Tachibana, Haruka Kyan Haruka, and Yui Nishida with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Yosemite Sam in the guise of General

Pandemonium from Carrotblanca.

But, when Lincoln showed what we did in pulverizing him and what Anna Anyanova did to him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Anna Anyanova have a lot of catching up to do, now that she's back in town.

---

After mongrelizing Yosemite Sam who was in the guise of General Pandemonium, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Anna Anyanova saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Anna Anyanova: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Anna, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Anna Anyanova: That's incredible.

Nico: It sure is. Anna, you've already heard of what we did yesterday to that insane bitch, Tanya, but can you tell us how you, Lincoln, and Lori exposed Tanya for the fraud she is and got her sent to that insane asylum?

Anna Anyanova: You got it, Nico, and it'll give you guys a more detailed look into the psyche of that insane monster. My parents always dreamt of being world famous singers, but they could never become anything more than background vocals. So, when me and Tanya were born, Dad taught me all about music, while Tanya was Mom's favorite 'cause she was the pretty one. Everyone admired her for her blonde hair and emerald green eyes. Once when we were five, a woman tried to steal her from the park.

Young Anna: Let go of my sister, or I'm going to scream.

Woman: I'll give you $10, kid. Let go of her hand.

Anna Anyanova: Tanya and I struggled until she let go and ran away before the police came. Tanya hugged me tight.

Young Tanya: Anna, you saved me.

Young Anna: No one touches you on my watch, sis.

Anna Anyanova: Even growing up, she always had everyone's attention, whereas I enjoyed my simple life. But, then in 10th grade, things took a wild turn, one day, after school, we got home to see Dad being rushed to the hospital: he had a heart attack. A week passed by, and we found out he wasn't gonna get better, unless he had a really expensive surgery, and we didn't have any money for it. Mom was thinking of selling the house when out of the blue, she got a phone call. After she hung up, she screamed like crazy.

Mrs. Anyanova: My former agent called told me they're looking for new talent, and they're gonna pay huge money.

Anna Anyanova: She told us about a music audition that was happening in another week, and asked us to grab the opportunity. On the day of the audition, everyone was stunned by Tanya's looks, but when she opened her mouth, everyone covered their ears.

Tanya: (Off-Key) Hello from the Other Side.

Producer: Someone, grab the mic from her hands or shut off the speakers! I can't stand her voice!

Anna Anyanova: Well, he was overexaggerating, but not entirely.

Tanya couldn't sing a note, not even in the bathroom. A few minutes later, it was my turn, and when I started singing, the producers were mesmerized.

Past Anna: (Singing Divinely) I'm not giving up on you. You know I love you. Please, hug me and say it back, I love you.

Anna Anyanova: After a long discussion, they announced they were gonna sign both of us. But, there was one condition: they wanted me to sing, but in the background for Tanya, she would lip sync to my voice.

Past Anna: No, that's wrong. We won't be doing that!

Anna Anyanova: But, Tanya held my hand with teary eyes.

Tanya Anyanova: Please, sis, you have to do this. We need the money.

Past Anna: But, Tanya…

Mrs. Anyanova: Anna, my love. The future of our family rests on your shoulders now. Think about your dad, think about your family, honey.

Anna Anyanova: I knew it was wrong, but I couldn't stand to see my family suffering. So, I agreed. After I signed the deal, all of Dad's hospital bills were paid, and he came back home all healthy in a month, and then, it was just me and Tanya and the non-ending music videos and tours around the country. Everywhere Tanya went, people would go crazy over her, they would literally jump over each other to catch sight of her. These people were nuts, and clearly, this was getting to Tanya's head, because when we returned to school after summer break, she started acting like a queen and a bully.

Tanya Anyanova: Get out of my seat, that's my spot! Do you know who I am?!

Anna Anyanova: The girl didn't even flinch, and kept munching on her sandwich, and Tanya looked as furious as a dragon.

Past Anna: Hey, it's okay. We can take another seat, maybe she can't hear…

Anna Anyanova: But, she just picked up a bottle full of mustard, and dumped it on her head.

Girl: You've literally got to be fricking kidding me!

Anna Anyanova: I looked at the girl who looked raging mad.

Past Anna: Hey, I'm sorry about my sister. She's a little, please let it go, I'll pay for your clothes later.

Anna Anyanova: I grabbed Tanya's hand as I pulled her out of there.

Past Anna: Have you lost your mind?!

Tanya Anyanova: Didn't you see? She was acting as if she didn't even know me!

Past Anna: Tanya, you're not the President, and you should..!

Tanya: Whatever, Anna, you didn't have to say sorry to her. She's a jerk.

Anna Anyanova: Saying that, she stormed away. Ugh, such a diva. Later, after school was over, I went to the music room to practice singing. But, just as I finished practicing, I heard someone clapping behind me, and I was shocked to see the girl from the cafeteria, and I knew who it was: it was Lori Loud, the captain of the Golf Team, and I knew her reputation for getting angry if someone messed with her, and I also knew of that cold-hearted monster demon, Dark Lori.

Lori: That voice, that's your sister's voice when she sings, isn't it?

Anna Anyanova: Oh God, what now? But, she didn't know anything for sure.

Past Anna: I thought you didn't know her, and now, you know her voice?

Past Lori: I never said that, she just assumed it. I know who she is, and now, I literally know her secret.

Past Anna: You know nothing!

Anna Anyanova: With every sentence, Lori kept getting closer and I started to back away fearing that Dark Lori would try something evil, I tripped on something and she caught me. Right there, I knew that Dark Lori wasn't there, but the real Lori.

Past Anna: What are you even doing here, Lori? Everyone's gone.

Past Lori: But, you're literally still here, Anna, and you kind of owe me something.

Anna Anyanova: My eyes widened when she said that, but then, Lori got me back on my feet and continued.

Past Lori: You said you'll pay for my jacket, the one your diva sister spilled mustard on, right?

Anna Anyanova: Right, what was I even thinking? I knew she was here for the money to pay for the jacket Tanya spilled mustard on. I gave her some money from my bag.

Past Lori: And don't worry. I got a nasty surprise in store for Tanya. She is gonna be so mad.

and I ran out of there.

Anna Anyanova: And with that, I ran out of there. A few days later while I was in the library, Tanya came up to me.

Tanya: I want you to go and give this to this cute boy, Brandon, and tell him I want to meet with him at the café tonight.

Past Anna: What? Why? What are you up to now?

Tanya: Didn't you see, he ignored me. He's not like the other guys who were running up to me 24/7. I like him, I want him. I want to make him my fricking boyfriend.

Past Anna: Well then, why don't you go up and talk to him? Why should I do it

Tanya: Because I'm me, duh, I'm a superstar. I can't make the first move, I don't want to look desperate, do it for me please.

Anna Anyanova: Ugh, reluctantly, I left the note on the boy's table and asked him to come to the café and I ran out. But, what I didn't know was that Lori was there in the library, and she must've known what Tanya's planning. Lori now knows the secret that I'm the amazing singer, and Tanya was a fake. Later on that day, Tanya asked me to tag along, and just when we reached the café, she saw some random people with cameras there.

Tanya: Oh no, paparazzi. I can't be seen with anyone. My contract doesn't allow me to date publicly, Anna.

Past Anna: But, what about Brandon? He's waiting for you.

Tanya: Can you please go tell him? I'll see him in school tomorrow. Okay, thanks, bye.

Anna Anyanova: Saying that, she ran into a cab and it drove off. Now, I had no choice but to inform Brandon myself. So, I went inside.

Past Anna: Hey, I'm sorry, but

Brandon: I thought you wouldn't come, and that this was some stupid prank, but I'm glad you're here.

Past Anna: What? Me?

Anna Anyanova: Wait, did he think I was the one who called him? Shoot, I wanted to tell him everything, but he looked so happy to see me, and he ordered all my favorite foods. I thought I could wait a few more minutes before telling him, but as time went by, things just kept getting better and better. After that, he walked me back home, this was my chance to tell him the truth. But, he just pulled me to the side and just as he was about to kiss me, suddenly, I heard Tanya coming out the front door, and I pushed him away into the bushes and rushed in. The next day I was looking for Brandon everywhere to tell him the truth. But, I found Tanya was already talking to him in the corridor. Fricking fishes.

Tanya: What do you mean you don't like me? Then why did you show up at the café last night?

Brandon: What are you, crazy? I wasn't waiting for you, I was there for Anna. I wouldn't date someone as mean as you, even if you were the last girl on Earth.

Tanya: How dare you?!

Anna Anyanova: Tanya slapped him hard and ran out of there, and all the kids started recording the incident on their phones. This was bad, I ran after Tanya, but she pushed me away.

Tanya: Get lost, Anna. I told you I liked him, but you trapped him first.

Past Anna: Tanya, stop it, I didn't do anything. He liked me from the beginning, and you sent me to him.

Tanya: Yeah, it was my biggest mistake thinking I could trust you, traitor witch.

Anna Anyanova: She jumped onto me and grabbed my hair, and we broke out into a huge fight. Mom and Dad were called in and the principal showed them the videos the kids recorded. Principal Rivers said Tanya's behavior was getting worse day by day, and it was getting out of control and she was suspended for 3 months. I felt so bad for her and went to hug her later that night and told her I wasn't going to see Brandon anymore, and she immediately hugged me. But, when I went up to my room, Brandon was already there.

Brandon: Why are you avoiding me and what was your sister talking about today?

Past Anna: Brandon, you can't be here, get out now.

Brandon: Hey, chill, why do you look so tense?

Anna Anyanova: Brandon went up to me, and then, I decided to tell him everything. Then, I looked into his eyes.

Brandon: It's okay, Anna, I won't force you to like me.

Anna Anyanova: But then, Tanya came to my room with a fire extinguisher in her hand and she sprayed us.

Tanya: I knew it, you ugly cow! I knew you were a filthy backstabber and I'm going to destroy you both!

Anna Anyanova: Suddenly, Mom and Dad came rushing in and they took Tanya back to her room, and I was grounded for a week for inviting a boy. We had a big concert soon, and although I was super mad at Tanya, I still had to help her because of our contract. As usual, I was singing backstage while the entire crowd was cheering for Tanya. After the performance was over, she was given a reward for star performer, even Mom and Dad were called on stage.

Announcer: You guys must feel truly blessed to have a daughter with the voice of an angel.

Mrs. Anyanova: It's an honor. We're so lucky to have her.

Anna Anyanova: For some reason, I felt really left out and I smashed my mic on the ground. Just then, somebody from the audience asked Tanya to dedicate a song to Mom. Holy Moly! Tanya made this gesture with her hands that was my cutest sing every time. But, my mic was lying broken on the ground, and without it, I knew Tanya was about to mess this up. She started singing without me and everyone soon heard her real voice. Oh my God! A wave of silence passed through the audience, and Tanya looked at me super mad.

The crowd started chanting that she was a fraud who did lip syncing, they all went mad and started climbing onto the stage. The bodyguards immediately took Tanya and my parents to safety, and left me there all by myself. How could they?! I ran out the venue and I was raging mad! I did so much for them and they didn't care about me one bit. But, when I reached home, I was shocked to see a huge crowd gathered in front of our house. What in the world was happening?! Just then, my phone was buzzing like crazy with videos and messages from everyone. Tanya's bullying and lip syncing videos went viral, and someone uploaded my video as the real singer too. There was only one person who did this: Lori Loud. Oh my God, so that was the nasty surprise she had in store for Tanya, but she's not the only one who found out about it, I found out from Luna that Lori also told her little brother, Lincoln, and he found out what Tanya did to Lori spilling the mustard on her, but I didn't have time for that later, I needed to get inside the house now.

We gasped in surprise.

Anna Anyanova: I quickly went into the house through the back door, and on seeing me, Tanya viciously threw a vase at me, which I barely missed. Just then, I saw all of the singing awards and trophies she was burning in the fireplace.

Past Anna: Oh my God, have you gone crazy?!

Tanya: Why would you do that?! What were you thinking trying to ruin me?!

Past Anna: What, are you kidding me?! It was an accident!

Tanya: Oh, was it? Or is it because you want some fame for yourself now? Just remember this, you witch! People hear your singing because of my face, otherwise, no one would ever pay you, even if you sang on the roadside!

Anna Anyanova: Who was this monster?!

Past Anna: You're such a mean, delusional, self-absorbed brat, Tanya, I can't believe you'd say that to me, when the fact is you're only a star because of my voice! Without me, you're just a pretty dumb face!

Anna Anyanova: Tanya picked up a burning trophy in her hand and charged at me with full force.

Tanya: You took everything away from me, the guy I loved, my reputation at school, and now, my fame too? I'm gonna kill you!

Anna Anyanova: Thankfully, Mom and Dad came in and stopped her just in time.

Mrs. Anyanova: Stop this madness right now! I can't believe we were so blinded by your fame and beauty that we never realized what a monster you were turning into.

Anna Anyanova: Dad took the burning trophy from Tanya's hand and threw it away.

Mr. Anyanova: Anna, we're so sorry. We've never truly appreciated you for everything you've done. You're the daughter every parent would be proud of. Please, forgive us.

Past Anna: Mom, Dad, I forgive you.

Anna Anyanova: I forgave Mom and Dad for what happened, but now, we still had the problem of my soon-to-be ex-little sister, Tanya, to deal with, and she was now completely insane.

Tanya: You people are a bunch of morons, and I'm not letting go of my fame that easily! I'm gonna walk out and everyone is still going to love me!

Anna Anyanova: Just then, the door bursted opened and two people came inside with a straitjacket, and they wrapped Tanya in it and she was screaming to have them let her go but they refused, and we saw who called them here: it was Lori and her little brother, Lincoln, who came inside the house. I knew Lori had a surprise in store for Tanya, but I didn't know what it was, but now, I knew.

Past Lori: Too little too late, Tanya. Now that everyone literally knows the real you, your fame and reputation are now mud.

Past Lincoln: Now, everything's come back to bite you on the butt, and now, you're an outcast, a fraud, and pure evil incarnate. You are also now an insane and delusional freak! Have fun in the nuthouse for the rest of your life!

Anna Anyanova; Then, as they were carrying Tanya out, everyone threw rotten eggs, rotten fruit and veggies at her, and she screamed like crazy as she was carted off, and I was enjoying it, she was totally getting her just desserts. As the car was just about to drive off, Tanya screamed out that she'd get her revenge on me, Lori, and

Lincoln for ruining her, and that was the last time she'd ever plague anyone again.

We cheered wildly for what Anna Anyanova, Lori, and Lincoln did in exposing Tanya and getting her sent to the nuthouse.

Nico: (Laughs) That'd teach that no-talent hack, Tanya!

Leandro Chan: I guess that's what happens when fame gets into their head, it makes them go crazy!

Lincoln: You said it, Mr. Chan, and that's why we never let fame get into our heads, otherwise, we'd suffer the same fate as Tanya.

Me: You said it, Linc.

Anna Anyanova: And it was really great, I became good friends with Lori, Lynn, and Lola, and I also became Lincoln's Guardian Angel and I told them I had powers of light and darkness, and with those powers, I used them on Chandler and got that little stain in trouble more times than anyone can even count!

Eli: That'd teach him a lesson.

Lori: And she also taught Lincoln how to sing with a divine voice, and it was really amazing. And as for Tanya, she got sent to the nuthouse in Lansing, Michigan, where she'd stay there for the rest of her life.

Lincoln: That was until Swartz turned her into Another G3, so she could get revenge on us yesterday. But, we beat her into the ground and purified her Ridewatch and we got her sent to The Saturn Insane Asylum for good.

Nico: And since the doctors told us she's tragically incurable, that diagnosis sealed her fate, and she'll spend the rest of her life chained to the wall of her cell with rainbow energy chains and in Maximum Security Solitary Confinement.

Mebuki: And if she tried to go on a rampage again, Lincoln's going to hit her with the King Midas' Golden Touch Vengeance Curse.

Anna Anyanova: Wait, you also know magic as well?!

Lincoln: Yeah, I do, and I came up with a ton of awesome curses that I've used on a lot of jerks we don't like.

Me: Here's a list of some of them.

I gave her a copy of the list of curses we used and they were amazing.

Anna Anyanova: Wow! These are incredible! And that King Midas's Golden Touch Vengeance one looks amazing.

Sakura Haruno: And Lincoln's used that curse mainly on Queen Bees who think they're better than everyone.

Naruto: And thanks to the new law passed, every Queen Bee Mean Girl in America has been arrested and put in the Titania Supermax Reformatory Prison for Queen Bee Mean Girls. But, if they're not reformed and still want revenge, Lincoln's going to hit them with The King Midas' Golden Touch Vengeance Curse.

Me: That's right bro. And they'll stay there at the Reformatory Prison for the rest of their lives.

Lincoln: And since we've seen that many Queen Bee Mean Girls refuse to learn, that'll be the only fate that awaits them.

Anna Anyanova: Imprisoned forever in gold, that's indeed a fate crueler than death.

Crash Bandicoot: True, but like Lincoln said, Queen Bees like that have no place in society, and Tanya became both a Queen Bee and a bully. Look at what happened to Lori, and when your ex-little sister angered Lori, she basically sealed her own doom.

Lola: Yeah, making Lori mad is like the equivalent of a death sentence, and it's really bad.

Me: Believe me we know. After everything we heard about from your fellow Guardian Angels, those dark sides of the mean Louds were only going to make things worse. But at least they are gone and given the black gates.

Anna Anyanova: Good riddance.

Me: Yep. And Lincoln is also very multi-lingual. He knows how to speak in many languages from all over the planet.

Nico: And he can sing in many songs of those languages too.

Anna Anyanova: That is so cool! We'll have to hear some of them.

Me: You'll love them.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Mankar Camoran, the founder of the Mythic Dawn, a cult dedicated to serving Mehrunes Dagon.

Mara: Mankar Camoran.

Lincoln: Oh man, he's the founder of the cult, Mythic Dawn, and they're dedicated to serving Mehrunes Dagon. We got to stop him, come on.

We flew out of the World Tree Estate, and Lincoln fired powerful energy blasts at Mankar Camoran, and when he saw us, he was enraged.

Mankar Camoran: Team Loud Phoenix Storm, here?! It doesn't matter, soon, this entire world will be destroyed in the name of Mehrunes Dagon!

Lincoln: That's never going to happen, you madman! The Mythic Dawn cult will be brought to an end here and now.

Suddenly, the eyes of R. Mika, Menat, and Jacqueline McMadd turned neon, and they're surrounded by colored energy auras with elemental forces and mythical animals, and as they approach Mankar Camoran, they left colored energy, elemental forces, and mythical animals with every step. Suddenly, R. Mika, Menat, and Jacqueline McMadd were surrounded by massive vortexes of colored energy with elemental forces surrounding them, there's mythical animals flying around the vortex, and in the vortexes are colored phoenixes. Jacqueline McMadd has transformed into SUPER ANGEL ETERNITY INFINITY WRESTLING FIRESTORM PHOENIX ANGEL OF FIERY WRESTLING JUSTICE AND DIVINE FIRESTORM LOVE!

We're amazed by the Super Angel Eternity Infinity transformations of R. Mika, Menat, and Jacqueline McMadd, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mankar Camoran saw it, he fell into a rage, but they fired blasts of energy at him and he was sent flying into a wall.

Nico: Whoa, Menat, R. Mika, and Jacqueline McMadd have transformed, this is going to be awesome.

Me: You said it.

Lincoln: Wow, Menat, R. Mika, and Jacqueline, you look beautiful. How do you feel?

Menat: (Divine Echoing Cosmic Voice of The Magic Egyptian Cobra and Divine Fortuneteller Love) **We feel incredible, Linky.**

R. Mika: (Divine Echoing Cosmic Voice of The Celestial Phoenix and Divine Wrestling Love) **Now, shall we take care of this cult leader once and for all?**

Jacqueline McMadd: (Divine Echoing Cosmic Voice of The Firestorm Phoenix and Divine Wrestling Love) **And send him to The Black Gates?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Menat, R. Mika, and Jacqueline McMadd.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Today, The Mythic Dawn cult shall be erased from existence forever!**

Lincoln, Menat, R. Mika, and Jacqueline McMadd went after Mankar Camoran, and they fired powerful blasts of rainbow energy, purple energy, blue energy, bright pink energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Cobras, Demons, and Angels at Mankar Camoran, and they exploded with incredible power as they hit him. Then, they attacked him with their massive broadswords and they left painful scars on him as they slashed him, and they fired powerful blasts of energy at Mankar Camoran and they exploded with incredible power, killing him and every member of the Order of The Mythic Dawn, and they were all erased by The Black Gates forever. We cheered wildly for what the four of them did as they holster their massive broadswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Menat, R. Mika, and Jacqueline McMadd are permanent.

Then, they shared a passionate and romantic kiss with Lincoln, and we all cheered wildly.

Nico: Alright, The Order of The Mythic Dawn has been destroyed forever!

Me: And they've been sent to The Black Gates for good, awesome!

Lincoln: That's one of the enemies from The Elder Scrolls put down for good, but there's bound to be more out there, but we'll be ready for them.

We returned to The World Tree Estate, and we got rid of Mankar Camoran and the Order of The Mythic Dawn for good.

* * *

Later we were walking over to Phoenix Land.

Nico: Kendra, you and Charlie Brown are up for bonding next.

Kendra: And I'm really looking forward to this. We're gonna have so much fun in Phoenix Land.

Charlie Brown: We sure are sis.

Me: We got a whole bunch of awesome new rides installed that you all will love.

Eli: I can't wait to have some of the funnel cake too.

Me: That's always the best part of our park.

Nico: Yep.

Anna Anyanova: It's awesome being with you guys now and thank you guys so much for taking care of my psychotic sister.

Me: You're welcome Anna. I'm so sorry she hogged all the glory and stole the spotlight from you. Some sister.

Nico: Yeah no kidding. What a fake.

Me: But that was still an awesome adventure we had with you guys back then.

Charlie Brown: It sure was.

Rainbow Dash: It was really fun and awesome.

Linus: Can you believe that my Robot Chicken self used Satanic magic?

Me: Yeah that was crazy! I don't know what the hell he was thinking!

Margaret Stockington: Yeah I remember seeing that on the internet! And as a master of the powers of the Occult and Dark Magic myself I know that those are all things that no one should ever mess with.

Brittney: You are a master of the dark arts and dark magic too?

Nico: I forgot to mention that Margaret is a user of Dark Magic and knows all about the Occult and how Satanic Magic works.

Me: Wow that is cool!

Rainbow Dash: It sure is.

Margaret Stockington: Yeah and you guys should know that Dark Magic like that never gives away stuff like that for free. It always comes with a terrible price.

Raven: That's right.

Maria: The price was that Robot Chicken Linus lost his life as well as the others. Too bad the rest were off screen.

Me: Yeah that is for sure. It was a murderous pumpkin with a massive thirst for blood and a hunger for human flesh.

Nico: Yep.

Me: We're here.

We arrived at Phoenix Land.

Me: Well you and Charlie go have fun Kendra.

Kendra: Oh we will. Ready bro?

Charlie Brown: You bet sis!

They went and had lots of fun and we went to the snack booths and got some cotton candy, funnel cakes, hot dogs, burgers, pizzza and more.

Me: Those two more than earned this.

Nico: Absolutely.

Poromon and Poliwag were about to board a roller coaster unsupervised.

Nico then grabbed them.

Nico: Now now. Me and May will go with you guys.

Poromon: Oh thanks.

May: Ready Manaphy.

Me: This is the newest Roller Coaster we have made.

It was called THE SPINE SHATTERER! It was called that because it was known for shattering your spine into a million pieces. It was the fastest roller coaster ever with speeds over 300 miles per hour and loaded with as much pain as the Fiery Fist O' Pain.

They saw a sign.

Poliwag: [reads the sign] Warning! This ride may cause: Crying, screaming, projectile vomiting, amnesia, spine loss, embarrassing accidents, uncontrollable gas…

Poromon and Poliwag:… and explosive diarrhea. [explosion is heard]

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They got in and it was gonna be awesome and cool!

The Spine Shatterer started.

Nico: Here we go.

Poliwag: Goodbye Poromon!

Poromon: Goodbye Poliwag!

Poliwag and Poromon start to scream with May and Nico cheering, whooping and hollering, dropping and going through a saw, a flaming fist, and a laser. When the coaster drops at a 90 degree angle, Poromon and Poliwag's skeletons fly through the air while their bodies go down with the coaster. Their skeletons fly into them as they go up, out of the planet and into the upper atmosphere, but when they sit up, Poromon and Poliwag have the other one's skeleton. The coaster drops into the ground, causing an explosion.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When it stopped they cheered wildly!

Poromon: WOW!

Nico: WOOHOO! THAT WAS AWESOME!

Poliwag: We're okay!

May: Yeah! That was awesome!

Manaphy came!

Manaphy: Wow! You guys made it!

Nico: At least we didn't lose our spines like Clyde and Lincoln.

We laughed.

Camie: You guys literally lost your spines!?

Lincoln: Yeah we sure did!

Twilight Sparkle: When did that happen?

Me: It was on New Years Day 2020.

I went over what happened during chapter 933. It was funny and scary.

---

At the estate in Gotham Royal York, we were celebrating the start of the new year. Today was January 1st, 2020.

Poromon, Manaphy, Poliwag, and Horsea: HAPPY NEW YEAR'S, EVERYBODY!

They blew noisemakers.

Me: I propose a toast everyone, to the start of an awesome new year!

Everyone: HERE HERE!

We clinked our glasses together.

Lincoln: This year is gonna be awesome!

Laney: It sure is.

Maria: In 2016, J.D. met the Loud Family and Varie, in 2017 he met Vince, Hercules & Zoe and Riley, In 2018 Team Loud Phoenix Storm was formed. And in 2019, we met the Transformers and Power Rangers. I can't wait to see the surprises for this year.

Me: Yeah! A lot of things have happened over the course of 3 and a half years.

Muscle Man: You know who else is looking forward to the rest of 2020? My mom!

Lana: (Laughs) That's right Muscle Man!

Nico: My New Year's Resolution is to keep making more friends.

Vince: Good idea Nico!

Carol: That's right!

Carla: You said it mommy.

Me: 2019 was very eventful and we did a lot of action and adventure.

Varie: Boy we sure did.

Aylene C.: Boy it was awesome!

Littlefoot: You said it Aylene.

Later we were watching the Rose Bowl Parade and we saw all kinds of awesome floats and it was awesome!

Me: Wow! I love all these floats.

Lola: Me too. They are so beautiful.

Lily Loud: And really colorful and artistic.

Nico: They sure made a lot of beautiful ones.

Laney: Yep.

Then we were watching the Rose Bowl Game. It was awesome!

Lynn: YEAH!

Me: YEAH! How can this day get any better?

William: Let's celebrate the New Year by going to our amusement park!

Everyone: YEAH!

Then Clyde appeared through a portal!

Syd Chang: Hey Clyde.

Clyde: Guys you gotta see this! It's an emergency broadcast on my TV!

TV announcer: The day you've been waiting for is almost here. That's right. Phoenix Land has a new ride. It's big… [roller coaster goes into the stars and then back down to Earth.] It's fast… [Nancy and Harold are riding a roller coaster so fast, Harold flies off of it]

Nancy Suzy Fish: Harold, no!

TV announcer: It's painful… [roller coaster crashes into the ground, causing an explosion]

KRABBBOOOOOOOOOOOOOMMMM!

TV announcer: It's The Flaming Blast of Obliteration! Opening today at Phoenix Land!

Lana: Wow! What a roller coaster!

Me: Yep, we just built it. Lily told us about an awesome Roller Coaster she went on over at Glove World with SpongeBob and Patrick and we got the idea for it.

Lily: Oh yeah! That was awesome! That was the Fiery Fist O' Pain and it was awesome!

Gali: I remember seeing that. That was awesome!

Me: Lets head over there!

We were off to our awesome amusement park.

Lincoln: Wait for me, guys.

We were walking towards Phoenix Land.

Lincoln: Whoo! Flaming Blast of Obliteration, here we come.

Timmy Monroe: Yeah, dudes, we're all riding the Blast of Obliteration.

Boy #2: I heard somebody rode it and his spine fell out.

Timmy: [laughing] Dude, I hope my spine falls out.

Taylor: [laughing] Yeah, me too.

Me: Boy the new Roller Coaster we built looks like its a success.

Lincoln: Boy, the Blast of Obliteration sounds…

Clyde: Really, really scary. I mean fun! Fun, really, really fun.

Lincoln: Yeah, really fun.

We arrived at Phoenix Land and we saw our new roller coaster we built. It was a massive and terrifying new roller coaster with lots of awesome loops and twists and it had one super tall ramp that went out into space. Lightning came out of storm clouds around the tall ramp and the car came back down fast and a massive explosion happened when the car hit the bottom.

KRABBBBOOOOOOOOOOOOOOMMMMMMMM!

Lincoln: That sure looks like fun.

Clyde: Yeah, I can't wait to ride it.

Me: Here we are guys. Phoenix Land. The only amusement park opened all year and on Major Holidays.

Laney: This is amazing!

Lizzie Morris: Your new amusement park is awesome!

Fu: (Offscreen) I'll say and the pay is worth it.

We saw Fu and she had a tray full of cotton candy.

Me: Hey Fu.

Fu: Hey guys.

Lana: I didn't know you work in Phoenix Land, Fu.

Fu: It's an awesome job. Lady Hokage said that we should diversify in the number of jobs we do besides being a shinobi.

Me: Good thinking. And with your Shinobi abilities you can do multiple jobs all at once. We're heading over to ride the Flaming Blast of Obliteration.

Fu: That roller coaster is awesome!

Laney: I heard about it.

Lucy Heartfilia: It sure looks awesome!

Fu: See ya at home guys.

Me: Will do.

We walked and found the line for the ride.

Lincoln: There it is. The line looks awfully long.

Clyde: Oh, I know! Let's go on some of the dumb kiddie rides first.

Me: Good idea Clyde. Lets go have some fun while we're here.

Everyone: YEAH!

Some of us went onto the regular rides like the bumper cars, mad tea cups and others, some of us went to the prize booths and more and everyone else went to the other rides and more.

Lincoln: Can you believe some people are afraid to ride roller coasters?

Clyde: Yeah, only a real baby would be afraid of a roll… Whoa!

Lincoln: I can't believe it, Clyde. It's Fiery Bird! [a man in a cool red, orange and yellow phoenix costume is standing in front of them] Get over there and I'll take your picture with him. [Clyde moves a few steps into the camera phone so he's not too close to Fiery Bird] Get closer, Clyde.

Clyde: Nuh-uh.

Lincoln: Come on, closer. [Clyde moves a little closer] That's it, a little more. Now hold onto his thumb. Give me a big smile. [takes the picture]

Clyde: How do I look? [pictures shows Clyde touching Fiery Bird with only a finger] Wow, I look great. [a little kid is laughing on one of the kiddie rides]

Lincoln and Clyde: The Firechick!

Me: That's an adorable ride we built for kids

Lincoln: [clears throat] I mean, The Firechick.

Clyde: That ride's for babies.

Lincoln: Yeah. Let's ride it just to see how baby-fied it is.

Me: Okay.

[Both Lincoln and Clyde walk over and get into the ride, with the little kid. When they go over a bump, they scream. When the ride is over, they get out and both are shivering; the baby snaps his fingers at Lincoln and Clyde and walks away]

Clyde: I guess that ride was too much for the little guy. [cut to Lincoln and Clyde standing in line by the Flaming Blast of Obliteration]

Lincoln: Well, the line looks a little bit shorter now. Can you believe that some people are scared of this ride? [both chuckle nervously]

Me, Kevin Levin and Captain America were figuring them out.

Clyde: Yeah, it's perfectly safe. No one gets hurt riding these roller coasters. [an old man is wheel chaired out of Phoenix Land!]

Old Man Walker: Oh, why, why, why? [Lincoln and Clyde scream and run off] Why won't you let me on the ride?

Sasuke: Sir, you have a serious medical condition.

Old Man Walker: But it's my birthday! [cut to Lincoln and Clyde running through a line, cheering]

Clyde: Yeah!

Lincoln & Clyde: One more time!

Tom: You know, this is the line for the bathroom.

Lincoln: [laughs] We've gone eight times.

Clyde: And I went three times all by myself.

Tom: I'm going to walk away now. [does so]

Lincoln: Bye.

Me: You guys are funny.

Clyde: Have fun! [Lightning walks up]

Lightning: Lincoln! Clyde!

Lincoln: Hello, Lightning.

Me: Hey Lightning! What's happening?

We high five.

Lightning: I just got off the Blast of Obliteration. Man, what a rush. [sniffs his armpit then sighs in relief as a green odor is released from under his arm] You smell that? That's the smell of adrenaline. [Lincoln's and Clyde's eyebrows disintegrate]

Lincoln: Oh, it's, uh… [holding breath] very manly, Lightning.

Me: Invigorating Lightning!

Lightning: Thanks [picks up Lincoln and smells him] Lincoln, I'm not smelling any adrenaline on you. You haven't gone on the ride?

Lincoln: Um, I have a confession to make. We haven't gone on the ride because I'm… hungry. I'm very hungry. Hungry, hungry! [runs off]

Lightning: Come on, Clyde. You and me, pal?

Clyde: I'm hungry, too. [runs off]

Lightning: Maybe I should stop making people smell me.

Me: You can come with us Lightning. I think we know what's going on.

[Cuts to Lincoln and Clyde sitting at a table, eating ice cream, and looking at the explosions on the Blast of Obliteration]

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Clyde: Want some?

Lincoln: No thanks, Clyde. Um, you got ice cream in your eyebrows.

Clyde: Yeah, that's the problem with this brand.

Me: Lincoln, I think you and Clyde are scared of the roller coaster.

Lincoln: (Sighs) Yeah we are J.D.

Clyde: It's really scary for us.

Me: Aw it's okay guys.

Everyone else came to us.

Lana: What's wrong guys?

Lisa: It appears that our elder brother and his best friend unit appear to be showing a cowardly yellow stripe towards the newest Roller Coaster.

Laney: They're scared of the new Roller Coaster?

Syd Chang: Oh man.

Kevin Levin: (to Lincoln) Dude, you and the others fought several bad guys, powerful monsters and save the universe several times, and yet, you're scared of a roller coaster?

Edd: This is quite normal for children.

Captain America: Lincoln, it's ok to be afraid. That shows that despite our powers and accomplishments, deep down, we're still only human.

Lightning: I just tried that roller coaster a few minutes ago. I found it awesome! And I barely needed powers to survive it!

Me: That's right.

Earth: If you want, I can go with you Linky.

Syd Chang: Same here Clyde.

Lincoln: Really? Okay Earth.

Clyde: I would like that Syd.

Me: Awesome! Lets go!

Lincoln: [reads the sign] Warning! This ride may cause: Crying, screaming, projectile vomiting, amnesia, spine loss, embarrassing accidents, uncontrollable gas…

Lincoln & Clyde:… and explosive diarrhea. [explosion is heard]

KRABBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

Lincoln: Is that all?

Clyde: Big deal, I did half that stuff this morning.

Syd Chang: It's okay Clyde. We're with you.

Earth: That's right Linky.

Clyde: After you. [both sit down in the ride]

Lincoln: We made it.

Clyde: Yeah.

Syd Chang: This is gonna be awesome!

Employee #3: Please keep your arms and legs inside the vehicle at all times. [buckles them, puts on helmets, and wraps them up] There.

Employee #4: Now if you could just sign this release, absolving Phoenix Land in case of accidental spine loss… [Lincoln, Clyde, Syd and Earth sign their name] Well, nice knowing you.

Employee #3: Ready in ten…

Lincoln: This is it, guys.

Earth: Oh yeah!

Employee #3: Nine, eight…

Lincoln: We made it!

Employee #3: Seven, six…

Clyde: We're not scaredy cats.

Employee #3: Five, four…

Lincoln: We're not crybabies.

Employee #3: Three, two…

Lincoln & Clyde: We're brave!

Employee #3: One… [when he presses the 'GO' button, Lincoln & Clyde scream, but the roller coaster breaks down]

Henry: [over speaker] Uh, we're experiencing some technical difficulties.

Employee #3: Man, this cheap thing is always breaking down.

Me: Let me see that stupid thing.

I kicked it and it was working again.

Employee #3: Oh, wait, it's fine.

Lincoln & Clyde: Huh?

Employee #3: Have fun. [presses the 'GO' button again. They all take off but their wrapping and helmets have come off]

Lincoln: Clyde, I don't want to face my fears. I'm afraid of them! [when they get to the top, it stops for a moment] Goodbye, Clyde. Goodbye Earth.

Clyde: Goodbye, Lincoln. Goodbye Syd.

[Coaster starts again, dropping and going around many loops and tunnels and they had a lot of fire in them and they through a saw, a flaming fist, a log ram, a wrecking ball, lightning blasts and a laser. When the coaster drops at a 90 degree angle, Lincoln, Clyde, Syd and Earth's skeletons fly through the air while their bodies go down with the coaster. Their skeletons fly into them as they go up, out of the sky and into space, but when they sit up, they have the other one's skeleton. The coaster drops into the ground, causing an explosion.]

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

[When the ride is over, Lincoln was hugging Earth and Clyde was holding Syd Chang, shaking]

Woman: [over speaker] Please wait until the car has come to a complete stop. And stop crying!

Employee #3: It's over. You can get out now.

Lincoln & Clyde: We did it! [both get out and run around in circles]

Clyde: That was so much fun!

Me: That was awesome!

Lori: Great job boys!

Syd Chang: Way to go Clyde!

Earth: Yeah Linky!

Lincoln: We conquered our fears!

Clyde: We stopped crying!

Lincoln: We survived the Blast of Obliteration!

Employee #3: Hey, hold it right there! You forgot these.

Lincoln, Clyde, Earth and Syd: Our spines! [grab their spines]

Me: Geez! Those kids weren't kidding! That ride does cause spine loss!

Lincoln: Yeah! [when they grab them, they start to wiggle their bodies and then bend them backwards. They laugh]

Me: Geez.

Lincoln: Let's go again!

Clyde: Yeah!

Syd Chang: That was so awesome!

Earth: I'll say!

We later went home and got their spines put back in.

Nico: That was so much fun!

Vince: Boy you said it!

Lola: We won all kinds of awesome prizes too.

Lana: You said it!

Lila Loud: Yeah!

Laney: But it was so cool seeing Lincoln and Clyde conquer their fears like that.

Me: Boy you said it Laney. But they are gonna be in a lot of pain after having their spines put back.

Sora: I can heal them.

Me: Thanks Sora.

FLASHBACK ENDS

When it was done everyone was cringing.

Clyde McBride: But it was awesome.

Lori: Literally was.

Anna Anyanova: Oh Linky.

She hugged and kissed him all over.

Anna Anyanova: You must've been scared.

Lincoln: I was. But now I'm not afraid anymore.

Me: Good.

Maria: Patrick and Spongebob went through the same thing as well.

Lily: Yeah that was really funny.

SpongeBob: It sure was. We were scared about the Fiery Fist O' Pain at Glove World.

Patrick: But we quickly conquered our fear when Glove World was closing in five minutes.

Nico: Wow.

Laney: Yeah that was crazy.

Poromon: Although me and Poliwag did lose our skeletons for a few seconds.

Lincoln: Welcome to the club though guys. Me, Clyde, Syd, Earth, SpongeBob and Patrick and now you guys all had that happen to us.

Poliwag: Oh wow!

Nico: I remember that! That was so awesome and funny.

Me: But it was crazy though. It was amazing that you guys conquered your fear of the scariest roller coasters ever.

Lola: Yeah that was cool.

Qin: It sure was.

Rainbow Dash: Too bad I'm afraid of Roller Coasters now.

Me: What!? You are afraid of roller coasters too R.D.!? You're not afraid of anything!

Nico: Yeah! You are a fearless girl when it comes to battle.

Poliwag: And you kick a lot of ass.

Nico: Yeah!

Lincoln: How about I go with you and help you conquer your fear?

Rainbow Dash: I would like that Linky.

Me: Go for it.

They went on the ride and it was funny and awesome and more and Rainbow Dash quickly got over her fear with ease! When it was done we cheered for them!

Rainbow Dash: THAT WAS AWESOME!

Lincoln: WOOHOO!

Nico: Yeah!

Me: Nice job guys!

Nico: Still scared?

Rainbow Dash: Not anymore! That was great!

But then we heard screaming and then we saw a figure.

Me: Uh oh! We got a Code A.R.S.!

Nico: A.R.S?

Me: Another Rider of Swartz.

Nico: Oh!

We went to face it and we saw that it was ANOTHER KIKAI!

Me: Oh man! Another Kikai!

Nico: Just like Woz said!

Woz: I hope you don't mind me joining in, Lord Nico.

Nico: Not at all Woz. But please no need for formalities. Just call me Nico.

Woz: Sorry.

Me: But lets find out who our mysterious friend is!

Nico: Yeah!

Another Kikai: (In a girls voice) I think you should know Nico!

Qin: (GASP) Oh dear god! I was hoping to never have to hear that voice again after everything you did! Sally Witchford!

We saw her revert back and it was a girl with blond hair and torn up clothes!

Nico: I should have known you would return for revenge Sally!

Me: You know her Qin and Nico?

Qin: Yeah unfortunately we do. You see she is a very bad mentally unstable girl. Her name is Sally Witchford and she has Histrionic Personality Disorder.

Nico: She hurt my friend Rue Knoxville who was being elected for the student body president and she really left a nasty mark on her. But me and Qin were really too fast for her and we made sure she paid for it bad.

Me: What did she do?

Nico: She slashed Rue in her face with a knife and left a nasty lightning bolt shaped scar on her right cheek.

Lola: Whoa man!

Nico: Yep and she threatened to burn down the entire school and kill Rue. But luckily me and Qin didn't let that happen and we had her sent to an insane asylum for life after she was disowned by her family. She became the states problem now.

Me: Holy shit!

Qin: Yeah.

Maria: And now, you want payback on Nico and Qin for supposedly ruining your life?

Sally Witchford: That's right! You two ruined everything for me! I could have been student body president but NO! You had to get in the way and help that fucking bitch Rue! You made me an outcast and now I will make sure you pay for everything you did!

Me: You are insane!

May: How delusional is this girl!?

Nico: What was I supposed to do? Let you hurt Rue more?!

Me: I should say not!

Sally Witchford: I don't fucking care! I want you to die Nico!

Qin: You'll have to get through us first you heartless bitch!

Me: And all of us! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico went Super Saiyan 2!

Qin flared up her aura.

Woz: Henshin!

Action! Touei! Future Time! (Chinese-themed electronic music) Sugoi! Jidai! Mirai! Kamen Rider Woz! Woz!

He turned into KAMEN RIDER WOZ!

Nico: OH YEAH!

Sally Witchford: If it's the last thing I do I will kill you and I will not stop!

Me: Geez you bitch get a life!

Sally then turned back into Another Kikal!

Woz: Watch, Lord Nico. To fight an Another Rider of Kikai, one must harness the power of Kikai.

Action! Touei! Future Time! (Drum roll followed by triumphant rock music) Dekai! Hakai! Gōkai! Futurering Kikai! Kikai!

He harnessed the power of Kikai!

Me: Cool!

Eli: Awesome!

Me: Yeah! I'll join in too. I know!

I pulled out my new Agito Arms for Zen-Aku! It looked like a sword and in it was 10 slots for Animal Crystals.

Me: I've always wanted to try this one out.

I put in the following Animal Crystals:

Purple Manta Ray of Black Manta,

Brown Gopher of Mole Man,

Red Kinkajou of Dark Spicer,

Blue Tamandua of The Top,

Orange Cacique of Shriek,

Green Quetzal of Femme Fatale,

Green Crocodile of Killer Croc,

Grey Great White Shark of Bruce the Shark

Brown Moose of Bane,

and the Orange Coral Viper of King Hiss!

Nico: Whoa! That is cool!

Me: Yep. Watch! I summon the Dark Wild Zords!

The sword glowed and I summoned said zords!

Nico: Now that is cool!

Me: Yep.

Maria: (takes out M.O.E. Cannon) Let's not forget about this! Try dealing with these nimrods! (Turns Dial) IDIOT BUTTFACE BRIGADE!

She summoned The Empty Head Society, Dean Toadblatt, Eustace, Box Ghost, Norm, I.R. Baboon and The Greasers!

Nico: Now we're talking!

Ice Cream Starfish: Time for us to have some fun on this stupid girl!

Norm: Yeah!

Eustace: Stupid girl trying to hurt someone innocent!

Another Kikai: Says the person who's at odds with a dog!

Eustace: At least I'm honest about it! (Pulls out mask) OOOGA BOOGA BOOGA!

Another Kikai had the shit scared out of her!

Me: What's the matter Sally? Can't handle being scared of an ugly mask?

Another Kikai: How about I show you what being scared is when I kill you!?

Me: Bite my big fat fucking ass!

Woz and Another Kikai clashed with one another.

Woz: You dare try to defame an innocent girl?!

Another Kikai: She wasn't innocent! She was in my way!

Woz kicked and smashed her all over.

Me: Time for you to get a massive lobotomy!

I activated Electro's Ridewatch and channeled lightning into my scythe and then I slashed Another Kikal in the back and electrocuted her with billions of volts of electricity!

Nico: SHOCKING!

Qin: Had enough you blackhearted bitch!?

Another Kikal: NEVER! NOT UNTIL YOU BOTH ARE DEAD!

Box Ghost: Watch out! She's using items based on my team's powers!

We saw her use a Miridewatch for the powers of Box Ghost!

She summoned a bunch of boxes and threw them at us!

Me: You Box Ghost Ripoff Artist!

I activated Pyros's Ridewatch and fired waves of lava and melted the boxes!

Box Ghost: HEY! That hurt me you know!

Nico: Don't waste your breath… Or ectoplasm on her Box Ghost. She is mentally unstable and will never listen to reason.

Box Ghost: Oh right.

Maria: Those aren't the only weapons she's using based on the M.O.E. powers!

She had a blaster for Kikai that had Dark Spicer's powers in it! She fired a blast of energy with Crystal Freak's power and I deflected the blast back!

Me: Two can play that! (Pulls out Dark Spicer's Faiz Phone) Here's your warning: Your Fucking Ass is about to be kicked!

I formed it into a blaster and fired a blast of fire with Dark's Hot Burn Powers and it hit her and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Hot enough for ya?

Another Kikai: NEVER!

Me: This girl needs a hobby! Time for this bitch to see the light.

I activated Xion's Ridewatch.

Me: 14 ELEMENT POWER BLAST!

I fired a blast of energy with the powers of the 14 elements and then they hit Another Kikai and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Ridewatch and purified it.

Me: Take that!

We saw Kikai Weapons for each of the M.O.E. Members on the ground and we picked them up.

Nico and Qin went up to her.

Sally Witchford: You will pay for everything you did to me!

Qin: Not likely!

KRABLAM!

They both punched her in the face and sent her crashing into a wall and then she hits the wall, the impact causing the shelf above her to slant and drop a pot, a glass, a pan, a mug, a treasure chest, an anchor, a buoy, and a heavy scuba suit on her head. A giant bump rises up on Sally Witchford's head and then a dime falls on it, causing her to fall over and black out.

She was really gonna be feeling that! Then the men from the Saturn Insane Asylum came and put her in a rainbow energy straitjacket and loaded her into the paddy wagon. She was knocked unconscious because of all that stuff that hit her.

Nico: One future Another Rider down. Two to go.

Me: Yep.

Laney: Good riddance.

Kendra and Charlie Brown came back.

Kendra: Hey guys.

Me: Oh hey.

Charlie Brown: What did we miss?

Me: Huge battle. We faced Another Kikai.

Kendra: A battle with Another Rider and we missed it!? Oh crap! We were having so much fun that we missed the whole thing.

Rarity: But at least you guys had fun.

Luan: But don't worry I filmed the whole thing for you.

She showed the video on her camera.

Charlie Brown: Wow!

We later went back home.

* * *

Later we were walking to the east side of the city.

Me: Boy that makes 2 enemies of Nico and Lincoln's friends that we know that we faced.

Anna Anyanova: Boy no kidding! First my wretched sister and now an enemy of Nico and Qin.

Eli: Wow no kidding!

Me: Yeah. But at least they are in a place where they won't cause anymore harm.

Zocks: You said it.

Me: But we're glad that Kendra and Charlie had fun.

Nico: No kidding. So what is this place you want to show us J.D.?

Me: You'll love it and it's a blast from the past.

We arrived at the iconic Schoolhouse Rock diner called The Conjunction Junction Diner!

Nico: The Conjunction Junction Diner! Awesome!

Chloe Bourgeois: If this isn't an old favorite, I don't know what it is.

Nico: Oh it's more than an old favorite.

Me: Yep. Good memories.

Laney: And right on the east side of the city.

Lana: Awesome!

We went into the diner. We saw the iconic Schoolhouse Rock characters.

Me: Wow! Look at everyone here.

Tsuyu: Hey there, folks!

Interplanet Janet: Wow! Team Loud Phoenix Storm!

Lucky Seven Sampson: It's awesome to meet you all!

Bill: Yeah it's amazing to have you guys here.

Me: We're honored to be with you all.

Little Twelve-Toes: We're honored to have you with us too.

Guyhawk: Don't mind us. We're just having a meal after getting rid of an Another Rider.

Prepositions: Awesome. You guys are some of our heroes.

Me: And all your songs have made us all blossom into smart people over the years.

Varie: They sure have.

Naughty Number 9: Yes they have. Think me and some of the guys can get into that M.O.E.?

Me: Sure thing.

Tyrannosaurus Debt: Yeah! As long as I get to have a good salad.

Me: You will love it.

Nico: Oh yeah!

Good 11: But it's so magical that you guys do so much for everyone.

Me: Thanks. It's what we do to keep everyone safe.

We were having great food.

G1 Brainstorm: Damn, the food here's good!

Me: Boy it sure is.

Nico: (Eating burger) Yummy.

Lola: Yeah it's awesome.

Qin: I'll say. I hope the next planet we're going to is just as awesome.

Me: You'll love it Qin.

---

Later back at the estate we were getting ready for our next mission.

Anna Anyanova: I'm really sorry my so called sister went after you guys.

Donna Diego: Don't apologize, Anna. It's not your fault.

Me: Yeah besides I knew it was only a matter of time before she would come after Lori to get revenge.

Lincoln: But at least she is in a place where she will never hurt anyone again.

Nico: Yep.

Then Firepower, Scorcher, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard appeared.

Firepower: Can me, Scorcher, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard go with you guys?

Nico: Yes you all sure can.

Evil Star: Whoa is that the Schoolhouse Rock crew!? Awesome! I loved watching and learning from all of you growing up.

George III (SHR): We're glad you did.

Me: A couple of them are joining you guys soon.

Overdrive: Neat and which vehicle can I use for this one?

Me: I got just the one.

I gave him a scroll and it had a Maser Tank in it.

Me: Maser Tank, the tanks used to fight against Godzilla.

Overdrive: Wow! Awesome choice.

Nico: Yeah.

Flash Man: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm hoping to meet one for a Fiendwurm next.

Me: Whoa that's a scary one. And that is one that's completely out of its mind with pain.

Qin: Yikes! That one will sound dangerous too.

Eli: Yeah.

But then…

POOF!

An ANBU appeared.

Toad: Sorry to come in like this Team Loud Phoenix Storm but I'm afraid Lady Hokage has called for you.

Me: We're on our way.

Nico: Wonder what it's for.

Me: We'll find out.

I snapped my fingers and I got into my proper Shinobi gear and we went to the Leaf.

---

We arrived at the Hokage's office and I knocked on the door.

Lady Tsunade: Enter!

We came in.

Me: You wanted to see us Lady Tsunade?

Lady Tsunade: Yes I'm afraid I have a huge mission for you all.

Key: Can this wait until tomorrow? We're about to go to another planet for our mission.

Nico: Key this is just as important.

Key: Okay.

Then the Hidden Leaf 12, Sai and the Jinchuriki all came.

Me: Wow everyone is here.

Mebuki Haruno came in.

Sakura Haruno: Mom too? Wow.

Mebuki: What's going on Lady Hokage?

Lady Tsunade: I'm afraid this is a mission of high importance.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Abirama Redder, one of the Fracción of Baraggan Louisenbairn and he's heading here to destroy us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and the Soul Society's not going to like this one bit: the dark energy signal I sensed belongs to Abirama Redder, one of the Fracción of Baraggan Louisenbairn and he's heading here to destroy us.

The Soul Society girls gasped in shock.

Rukia Kuchiki: Abirama Redder's here, I should've known he'd show up.

Layla Thomas: Rukia, if it's not too much trouble, I'd like to ask that you let me and Lincoln take down and destroy Abirama Redder.

Rukia Kuchiki: Of course, Layla.

Nico: So, one of the Soul Society's enemies has shown up, this isn't good, but I'm surprised that Layla asked to take on this task.

Lincoln: This also means she's going to transform, Nico.

Nico: Yeah, you're right. Alright, gang, let's go, there's another food planet we're going to explore, and I got a feeling it's going to get really hot!

Lincoln: You said it.

Me: Yeah.

Naruto: But, I can't help but get the feeling we're about to face someone from Sakura and her mom's past, someone we thought we'd never see again.

Sakura Haruno: Same here.

Mebuki Haruno: And if it's who I think it is, then, she's looking at a one-way trip to the Saturn Insane Asylum. (Cracks Knuckles)

Lady Tsunade: And you're suspicions are correct Mebuki.

She showed us a photo of Mebuki's evil and crazy psychotic twin sister Rose Haruno.

Me: Rose Haruno? Oh no. Don't tell me.

Naruto: That psychotic bitch is loose again.

Lady Tsunade: That's correct.

Me: I knew it was only a matter of time before that Psychotic bitch returned.

Nico: Sounds like you have a really bad history with her J.D.

Me: That's a big understatement Nico. Rose Haruno is beyond a shadow of a doubt the most mentally deranged monster ever known to the entirety of the Hidden Leaf Village.

Kushina: He's right on that. Me, Mikoto and Mebuki all were the best friends of Minato and I loved him. When we were in the Academy we were gonna be a great team together.

Mebuki: But I couldn't become a kunoichi because I couldn't make a transformation jutsu right. Mine always came out looking like they got punched in the mouth.

Me: I'm sorry about that Mrs. Haruno.

Mebuki: It's all right.

Kushina: Yeah. But Mebuki's evil twin sister Rose found out about me and Minato dating and all that and she did not like that one bit. She let her jealousy destroy her completely. She was getting more and more unstable by the second and she vowed to ruin my life. She wanted Minato all for herself. But the Hokage wouldn't let that happen and she was committed to the Hidden Grass Insane Asylum. She vowed to escape and make Mebuki suffer.

Nico: Whoa.

Me: Yeah. On the day Naruto was born, Rose busted out of the Insane Asylum and she came across the village being attacked by the 9-Tails. When Minato and Kushina died Rose switched places with Mebuki by sending her into her place to rot and she assumed her identity.

Sakura Haruno: But I was onto her from the moment I started in the academy. I was going to reveal everything when the time came. But I couldn't remember anything after a couple of days after the Uchiha Massacre because I had a loyalty and false love seal put on me for Sasuke. After it was removed I remembered it all. J.D. killed Rose before I could do anything.

Me: I remember that.

Trixie Lulamoon: You want us to take her out?

Lady Tsunade: No I want you guys to capture her. Use any form of lethal force if necessary on her.

Me: Affirmative. I have a feeling she's on the planet we're heading to.

Nicole: That's right dad. Scans show that there is a single human life form on it.

Me: Oh man. Good timing.

Shizune: Be careful guys. Rose Haruno is extremely dangerous.

Me: We're on our way.

Nico: Lets head out everyone.

El Diablo: I got a feeling this next planet's gonna be hot!

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6652.0: The U.S.S. Valorous Phoenix is en route to a mysterious planet and we got word that a dangerous escaped mental patient that J.D. faced in 150,000 years is there and is no doubt going to be ready for us. Our mission is to find and subdue her and make sure she is put back in the nuthouse where she belongs.

Kiba Inuzuka: Hard to imagine that Rose Haruno is back.

Fu: After what she did to Naruto and so many other people she doesn't deserve to be in the village for another minute.

Me: Lets not forget, she is a monster that has a loud shrill voice that is like a monkey scraping his fingernails on a chalkboard.

Nico: Ooh yikes!

Me: We call her the Banshee Haruno.

Sakura and Mebuki snickered at that nickname.

Woz: Lord Nico, I have a feeling that Rue will appear tomorrow.

Armada Cyclonus: I got a feeling about that too.

Nico: That one is gonna be interesting to see.

Eli: It sure will.

I was playing Dungeons & Dragons with Maria and I was learning so much from it.

Me: Wow this is really amazing.

Maria: It sure is. You're doing really well for your first time.

Me: It's very complicated but interesting for me.

Maria: It sure is.

We were having fun on this one.

Babs Seed: Hey Nico what Ridewatches do you have this time?

Nico: I'm glad you asked Babs.

He pulled out originals and copies for Wizard, Wizard All Dragon, Wizard Infinity Style, Beast, Beast Hyper, Elyon's Wizard form, my Wizard form, 5 additional Ridewatches for the Wizard team, and the Dino Charge Red Ridewatch.

Eli: Wizard Ridewatches. Sweet!

Nico: Yep.

The copies went to Vapor Trail, Soarin, Honoka Uzumaki, Rockhoof, Star Swirl, Mistmane, Mage Meadowbrook, Flash Magnus, Somnambula, Stygian, Eureka Thurston, and Rachel and Marco of the Animorphs. The Originals went to Georgina, Sydney, Kendra, Nanette, Rice, Maxxine, Sheila, Liam, Stella Zhau, Skyla, Mallow, Sophie Casterwill and Lok Lambert.

Villamax: Having fun, J.D.?

Me: You bet I am.

Maria: He's learning really fast.

Me: Yeah.

Nico: Neat.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

It showed that we were at a scary looking volcano planet.

Nico: Wow it's a volcano planet.

Me: It sure looks like it.

Laney: Wow. You don't think Rose is that crazy to be on a planet that scorching hot do you think?

Sakura Haruno: She just might be that nuts.

Mebuki: Yeah.

Sakura Haruno: I can't believe we're related to that psycho.

Bad Juju: Let's see how hot it is.

Nico: Better engage the heat shields just in case. Lets land.

We got to landing and we were on the planet and then when we got out we saw that it was a really volatile world and volcanoes were erupting all over.

Nico: Wow!

We then smelled a really familiar smell that was really tasty and delicious.

Me: (sniffs) Hey I know that smell. It's the smell of curry.

Nico: (sniffs) I smell it. I know that smell too.

Eli: Hmm.

Eli went over to a river of lava.

Nico: Uhh Eli?

Eli then dipped his hand into the lava!

Nico: ELI ARE YOU NUTS!?

Eli then ate the lava and it wasn't lava at all!

Eli: Hey this isn't lava! It's hot and spicy curry!

Nico: Whoa!

Me: I don't believe it! A volcano planet of curry! This is incredible!

Weather Wizard: You had us worried for a second!

Nico: But this is amazing seeing a world like this!

Eli: Yeah! (Eats more curry lava) But it's really tasty!

Nico: Yeah!

We got to eating some and it was really awesome.

Coconuts: Want some cinnamon with that?

Grounder: I don't think that would taste good.

CLANG!

Scratch hit him on the head.

Grounder: OUCH!

Scratch: Cinnamon doesn't go good with curry you dumbbot!

Qin: You got to admit though. This is a really awesome planet. Hard to imagine it's here too.

Eli: It sure is awesome.

Wolf: It won't hurt to have some curry before we continue.

Nico: Good idea.

We pulled out some bowls and filled them all up and got to eating. But when some of us took a bite we bursted into massive fiery explosions of fire and they were intense!

Me: WHOA! It's the hottest curry in the entire universe!

Qin: Whoa! That is really intense!

Rock Lee: But it's just as delicious as Grandma Sancho's Curry of Life.

Nico: Wow this is awesome!

Rage Mage: Man, this is hot!

Nico: Whew! No kidding!

Lola: Yeah! But it's awesome!

Nico: Yeah!

Qin: But it's delicious.

Toyman: Nothing is as hotter as this!

Sonic: Yeah but it's all delicious too.

Me: I think we've had enough. Shall we get on with our mission?

Nico: We shall.

Eli: Rose is 10 kilometers to the north. In that volcano field.

Nico: Then lets go.

Stickybeard: I should include curry in my candy in the future.

Nico: Good idea.

Laney: Yeah!

We were off to the volcano field.

Overdrive: My maser tank's ready!

Me: Yeah!

Nico: Yeah!

We got to the field and we saw standing in the middle of the field was ROSE HARUNO!

Nico: Target sighted.

Qin: She is disgusting.

Metal Man: What's she doing?

Me: Just pacing around. Shh.

Rose Haruno: I HATE THAT FUCKING DEMON! THAT VILLAGE WORSHIPS HIM AND NOT LORD UCHIHA!

Me: She is fucked up.

Sakura Haruno: How deranged is she?

Nico: After we capture her we're having her vocal cords removed.

Evil Star: Oh, yeah. That's right. She wanted Sakura to marry Sasuke. (to Sasuke) No offense.

Sasuke: None taken.

Me: I've had enough of this wacko bitch to last an eternity.

Nico: I agree there. Lets go guys. Entrance time.

Dirge turned into vehicle mode.

Dirge: (aims weapons at her) Target locked on.

Nico: Fire.

He fired an energy blast.

Rose was ranting and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Rose Haruno: What the!?

Then the spirits of the red rangers appeared and swirled around her and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

We came out and we were ready!

Me: Hello Rose. 150,000 years hasn't been too kind on you hasn't it?

Mebuki and Rose glared at each other with intense burning hatred.

Mebuki: Hello "Sister!"

Rose: My stupid sister!

Scorcher: Time to turn up the heat!

Rose Haruno: YOU WILL PAY FOR EVERYTHING YOU DID TO ME!

Me: Shut your fucking mouth! You're giving us all headaches!

Donkey Kong: Yeah you're a loud freak!

Rose Haruno: YOU SHOULD HAVE GIVEN MINATO TO ME! BUT NO! YOU JUST HAD TO GET IN THE WAY KUSHINA! YOU WERE ALWAYS MORE BEAUTIFUL THAN ME! I WANTED TO MAKE YOU SUFFER! (LAUGHS MANIACALLY) YOU MAKE ME SICK KUSHINA AND I WILL ALWAYS HATE YOUR FUCKING GUTS MORE THAN LIFE ITSELF YOU TOMATO-HEADED FUCKED UP WHORE!

We gasped!

Kushina: (Angry) You want to repeat that again!?

She jumped her and pulverized Rose all over the place!

Me and Naruto pulled her off!

Me: Kushina save that for after we have the usual battles!

Naruto: Yeah mom! Besides she will get what's coming to her.

Me: She should know better than to say that.

Kushina calmed down.

But then Evil Green Ranger, Dark Spicer, Evilseed, Pete, Bonz, Dayu, Mumbo Jumbo, Knightbrace, Fixer and Electrocutioner appeared.

Nico: Evil Green Ranger, Dark Spicer, Evilseed, Pete, Bonz, Dayu, Mumbo Jumbo, Knightbrace, Fixer and Electrocutioner.

Pete: Nice seeing you guys here.

Evil Green Ranger: Hope you don't mind that we tried the curry here.

Nico: Oh, we don't mind at all.

Evilseed: Good to know.

Nico: Yeah.

Pete: (to Nico) We heard you purified a Gem.

Nico: We sure did.

Bonz: Haven't done that in a while.

Nico: No we haven't.

Dark: (to Rose) Here's your warning: Your ass is about to be kicked!

Nico: Big time you bitch!

Rose Haruno: Come and try it!

Nico: Be careful who you face.

?: Good advice.

A figure came out and it was MUSIC JAMEN from episode 10 of Kiramagers!

---

Despite taking a verbal lashing from Carantula for Smog Jouki being used to form King Express and destroy Heian-kyō Basra in the previous episode, Galza revealed that he had sent Music Jamen down to Earth to begin his next plan. Music Jamen was said scheme and was given the mission of taking control of enough people that they could feed to the next Jamen Beast. With such a massive influx of dark energy, nothing would be able to stop it from destroying the world and allowing Yodonheim to conquer humanity. He was first seen after he possessed popular internet singer Yodomihime who was being watched by Juru, Tametomo, and Sena. She/he sung a song and then announced a big concert before sending the black and red tickets into the chest of the three Kiramagers. This brought them under his/her control and they entered a coma with Princess Mabushina recognising the symbol of the Yodonheim. As revealed by Sayo via a medical report, the tickets had fused to thier hearts to removing them would immediately kill the patients.

Later, whilst Shiguru and his three remaining allies looked for clues, they were approached by his creepy stalker named Iyo Kodera (who was actually Yodomihime's real identity) who revealed that she had previously been approached by Music Jamen and could get her hands on Shiguru if she let him use her body although she was unaware of the Jamenshi's malicious intentions. After failing to appeal to Shiguru with her popularity, Sayo used her Kiramai Changer to reveal a large purple cloud around Iyo which it ejected and revealed Music Jamen on her back so they morphed and he dismounted Iyo who gawked at her idol in his suit. Deciding to make themselves scarce, he gave Iyo a piggyback and summoned Bechats to preoccupy the trio although Shiguru easily dealt with them with allowed Sayo to cut the two of them off. However, he reminded her that he she couldn't shoot him due to Iyo so she deflected a blast off of some rubble but a Bechat took it for him which let him run on. Though Iyo stopped him to ask Shiguru for marriage, he refused and Music Jamen revealed that the next show was his big finale before blasting them with a sonic attack which allowed the two of them to get away on foot.

On the day of the big concert, Music Jamen subsequently set up shop in an abandoned Olympic theatre and activated those he had infected with his theater cards to go to the seats to begin the final phase. However, no-one came because Sayo had analysed the theater cards and managed to destroy the curtain which controlled them and thus was able to make the cards disappear. Music Jamen was shocked at this as the remaining three Kiramagers and Shiguru swiftly arrived in Mashin Jetter. Though very heavily outnumbered, he reminded the Kiramagers that Iyo was still his and they couldn't attack him without harming or even killing Iyo. Unfortunately for him, Shiguru solved this problem by unleashing a new attack with his sword on her and the Jamenshi which knocked him clean off of her. Music Jamen was horrified and confused so Shiguru revealed that he controlled his Kiramentality so that the middle of the blade vanished before it struck her and materialized after it passed through her and thus hitting only Music Jamen, knocking him off. Music Jamen was fatally wounded by this devastating attack but was able to successfully send his dark energy into the theater stage in creating the Stage Shellga which made him explode in the process. With his death, the entire theater was revealed to have been the Jamen Beast in disguise who had been lying dormant until the later Jamenshi's energy revived it.

---

Juru: Music Jamen!

Me: I remember you! You were sent to turn the city into a concert and then you mind controlled everyone for Yodonheim.

Music Jamen: Yep. Good times.

Lola: That was cool how you did it.

Nico: Yep.

Music Jamen: I heard you guys have karaoke nights.

Maria: We sure do. You'd be perfect for those.

Tecna: You still kept the Voracious part, I see.

Voraciousaurus: Well, he IS voracious! Let me show you! (opens his mouth to eat her)

Tecna teleported and Nico fired waves of wind and smashed him down.

Dark Spicer: And here's number 2.

He turned into a purple and blue version of Vicetopus! And he had spiked tentacles.

Crushalopod: I call this one… Crushalopod!

Shanan: A Vicetopus Hybrid. Awesome.

Spongebob: I get it! Because he crushes enemies in his grip

Crushalopod: Exactly! (grabs Spongebob)

He crushed him like a stress doll.

SpongeBob: (Laughs) That tickles.

Nico: That's funny.

We got the usual battles underway.

They fired waves of stars, lightning, magic and bones and energy and smashed him down.

Fixer: What did she do?

Piper Willowbrook: Well it's really horrible and it all happened in 150,000 years.

She went over everything I said and it was brutal!

Fixer: Oh my goodness! She is pure evil!

Princess Celestia: And all because of her unbridled jealousy and it completely destroyed her.

Snowdrop: She doesn't care about family at all.

When she got out, she was beyond pissed off and completely insane with hatred.

Naruto: Whoa, both Sakura and her mother have transformed, this is really amazing!

Me: You said it, bro!

Nico: Those two are really going to give that evil witch what she deserves: a good ass-kicking!

Naruto: Not without me, Nico. I've just about had it up to hear with her.

Naruto: You make me sick, Rose, you not only killed your own sister in cold blood, but you also turned Sakura into something that she didn't want to be. You're just like those who hated me ever since that very night I became the 9-Tails Jinchuriki. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, when you also threatened to kill Sakura, one of my future wives, and all for your own selfish desires… , YOU'VE CROSSED ONE LINE TOO MANY, AND NOW, I'M GOING TO MAKE YOU PAY FOR EVERY LAST EVIL AND SELFISH THING YOU'VE EVER DONE IN YOUR MISERABLE LIFE, YOU HEARTLESS EVIL INSANE WITCH!

I gasped in shock at the extent of Naruto's rage.

Suddenly, Layla Thomas felt a sharp pain on her back, and then, her massive dark purple angel wings grew much bigger for her new body, and the large dark purple feathers have black tips on the feathers. Layla Thomas has on a Ring of The Phoenix with dark purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Layla Thomas' massive Desrook Archfiend-themed large sword was then surrounded by a kaleidoscope of dark purple energy, fiends, shadows, darkness, and demons, and when it emerged, it was transformed into Desrook Archfiend's Demonic Broadsword of Archfiend Justice, it's a brand-new large broadsword with Desrook Archfiend etched on the 7'0" massive, wide, double-edged dark purple blade, large skulls for the crossguard, large dark purple gem embedded in the rainguard, longer black handle, four large skulls with purple gems in the eye sockets and in the open mouths and on the bottom of the four skulls is a large dark purple gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Desrook Archfiend's head with red gems for eyes and a large dark purple gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Layla Thomas has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS ARCHFIEND ANGEL OF GOTHIC JUSTICE AND DIVINE DARK ARCHFIEND LOVE!

We were amazed by Layla Thomas' Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Abirama Redder saw it, he fell into a violent rage and activated his Resurrección, Águila, and he gains a bird-like appearance, including heavy red-feathered wings and tried to attack her, but Layla Thomas fired a powerful dark purple energy blast with fiends, darkness, shadows, and demons at Abriama, and it sent him flying into a wall of curry, which he got out of and he was enraged.

Nico: Whoa, Layla Thomas' transformed, that's really awesome. But, we also saw Abirama activate his Resurrección, Águila, and gain a bird-like appearance.

Me: Rukia told me about that, and it's an Arrancar's special ability. But, Abirama's not getting away with what he's done.

Lincoln: You said it, and Layla, you look beautiful. How do you feel?

Layla Thomas: (Divine Echoing Cosmic Voice of The Darkness Archfiend and Divine Dark Gothic Love) **I feel incredible, Linky. Now, shall we deal with this monster once and for all?**

Lincoln: (Smiles) With pleasure, Layla.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Layla Thomas.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's clip this bird's wings for good.**

Layla Thomas and Lincoln went after Abirama Redder, who used his

Devorar Pluma attack and he sent feathers to attack them, but they dodged them, and they fired powerful blasts of rainbow energy, black and purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, and Angels at Abirama Redder, and they exploded with incredible power as they hit him. Then, Lincoln and Layla Thomas attacked him with their massive broadswords and they left painful scars on him, and it made him even furious than before.

Then, they saw him enter into his stronger form called Devorar Erupcion by tearing open the tattoos on his stomach with his talons which released spirit energy charged blood, and that caused Abirama's mask to change into a more intricate mask and granted him another pair of wings. Then, Lincoln and Layla moved fast and they fired rainbow energy swords, which damaged Abirama's wings, and he had crash landed onto the ground. Then, Lincoln grabbed Abirama by the neck, and he forced Abirama to look him in his deep sapphire blue eyes, and that caused Lincoln to begin sucking out and absorbing all of Abirama's spirit energy and power, and when Lincoln was done, Abirama was reduced to a now withered corpse drained of spirit energy and power and life, and he set him ablaze with rainbow fire and he burned away.

Then, an energy card appeared in Lincoln's large left hand with Abirama Redder's soul inside it, and as the kanji appeared on his forehead, Abirama Redder was then sent to The Black Gates and erased forever. We cheered wildly for what Layla Thomas and Lincoln did as they holstered their massive broadswords on their backs and powered down, and Layla Thomas' new body, clothes, weapons, jewelry, and massive dark purple angel wings are permanent.

Layla Thomas: That'll teach you, you monster. Thanks for helping me take down and destroy Abirama Redder, Linky.

Lincoln: (Smiles Warmly) You're welcome, Layla.

Suddenly, Layla Thomas wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Layla Thomas' face, they kissed passionately as Layla Thomas' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Desrook Archfiend flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark shadows and fiends flying behind them and we cheered wildly.

Then, Naruto, Sakura, and Mebuki got through with brutally beating up Rose, and they tied her up in a straitjacket which destroyed her Chakra and Jutsu, and Naruto, Sakura, and Mebuki holstered their massive new broadswords and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Sakura and Mebuki, and Naruto's new body, clothes, weapons, jewelry, massive angel wings, large pointed red fox ears, and nine massive, long, and powerful red fox tails with blonde tips are permanent.

Rose Haruno: This isn't over, I'll get out again and I will kill you all! Do you hear me?!

Mebuki Haruno: That's never going to happen, Rose. You're going straight to The Saturn Insane Asylum, where you will remain there for the rest of your life, and like I said, you're no longer my sister after everything you've done.

Sakura: Yeah, and to give you a final farewell.

Suddenly, Sakura wrapped her arms around Naruto's thick muscular neck as her chest was pressed against Naruto's massive and wide muscular pecs, which'd brought an atomic red blush to Naruto's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Naruto leans down to Sakura's face, they kissed passionately as Sakura's left arm was still wrapped around Naruto's thick muscular neck, but she moved her right arm and her right hand onto Naruto's massive and wide muscular right pec, and behind them was a Phoenix, Angel, and Butterfly flying in the air, and we saw Kurama the Nine-Tailed Fox running across the field, along with elemental forces and crimson red flames raging behind them and we cheered wildly, and it pissed Rose off greatly.

Naruto: (Smirks) That was pretty slick of you to piss off your former aunt, Sakura.

Sakura: (Seductively and rubs her right hand on Naruto's massive and wide right pec) What can I say, I'm full of surprises, big, tall, muscular, and handsome.

Then, we came back home with Rose in tow, and Rose Haruno was found guilty for her crimes against The Hidden Leaf and her own aunt and sister, and she was sentenced to Eternity in The Saturn Insane Asylum, and the doctors found her tragically incurable, and she was chained to the wall of her cell with rainbow energy chains.

Later we were back in the Leaf filing our report.

Shizune: That's incredible! So the planet you guys were all on was a planet made of insanely spicy curry?

Me: That's right Shizune. It was a volcano planet made of Curry. The lava was nuclear hot curry.

Lady Tsunade: That's really interesting.

Me: Yep. But also Naruto, Sakura and Mebuki here transformed into their most powerful forms and we laid down the law on Rose. She had been asking for this for over 150,000 years.

Nico: No kidding.

Qin: But she deserves it for all the pain and suffering she has caused to Naruto, Mebuki and Sakura. But we captured her and tied her up.

Lady Tsunade: Well that's good she is back in the looney bin where she belongs.

Eli: Word of advice, have her vocal cords removed. She drives people bonkers with that voice of hers.

Lady Tsunade: We'll make sure that happens. Great job today everyone. You'll receive Quadruple Z-Rank credit for this.

Me: Thank you Lady Hokage.

We left.

Dayu: That's it for that bitch.

Mumbo: And she won't annoy anyone with her voice ever again.

Laney: Thank goodness.

Knightbrace: The Kikai weapons Nico and the others got really came in handy.

Anna Anyanova: I'm gonna love it here with you guys.

Margaret Stockington: Same with me.

Fixer: You girls won't regret it.

Electrocutioner: What do you guys say we go to the Conjunction Junction Diner and celebrate?

Me: Good idea.

Nico: I'm buying this time.

We cheered.

Naruto: (To the viewers) Hope you guys liked this adventure. Now another threat of the Leaf has been removed.

Me: Yes it sure has bro.

Nico: Yep. Great job today everyone.

We went to the Conjunction Junction Diner and had a great meal and then went back to the estate and enjoyed the rest of the day and went to sleep.

Flying along the east coast heading south was Nico, The Ripping Friends, Liam, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were on our way to answer a distress call from Carmen & Juni.

Me: I hope Carmen and Juni are all right.

Qin: I have a feeling that whatever is going on is gonna be huge.

Liam: Yeah whatever it is must be bigger than a June Bug in a porch light sale.

Laney: I have a feeling that it is.

Nico: Something is telling me that it must be with one of Carmen and Juni's enemies.

Lana: Yeah.

Applejack: But we're ready for anything.

Me: Yep we sure are.

Nico: Thanks for coming with me, Liam.

Liam: Aw shucks anytime Nico. It's great to go with y'all on one of your amazing rescue adventures.

Nico: You're gonna have a great time Liam.

Me: Yeah.

Nico: Liam, you really should be honored to have Carmen as a fiancee.

Liam: Oh you bet I am Nico. I'm more happier than a pig getting fed at the slop trough.

Nico: (Laughs) That's a good way to put it.

Maria: And I am so happy for my little sister and you Liam. You and Carmen were absolutely made for each other.

Liam: Yeah we sure were.

Applejack: Maria was more happier than a rattlesnake in a zap apple orchard.

Qin: That's true and we were all so happy.

Kia: That was so awesome and unforgettable.

Lincoln: That's one of my best friends and pals for you.

Me: Yep. What did you call yourselves Lincoln? Lincoln 6?

Lincoln: Yep.

Nico: So awesome.

Maria: (sternly) But if you make Carmen cry on her wedding day, I'm going to kill you at least 10 times. And after that, I'll let my mom and Horsea kill you 10 times!

We gulped in fright!

Nico: Sis you're scaring me.

Liam: (GULP) I won't do that Maria. You have my word.

Lincoln: Yeah Liam is a man of his word Maria.

Maria: Good.

Carol: Maria it'll be all right. I have known Liam too with Lincoln and he is a great family man.

Me: And he also makes the best bacon too.

Qin: He sure does.

Nico: Sakura shouldn't have to be embarrassed by her aunt's crimes.

Fu: She is not at all Nico. Sakura's aunt was dangerous from day one ever since she was starting out in the Academy.

Me: Yeah it's not her fault. If anyone is to blame for all this it's her wicked aunt. She brought all this on herself.

Nico: You're right about that.

Eli: Yeah no kidding. By the way bro are you excited to meet the Den-O Riders tomorrow?

Me: You bet I am bro. And we're going to see some time traveling in that one too. That train they have is really cool and it can travel through time as well.

Nico: So we're going to need to launch our Supertrain Megazord for this one too.

Me: And the ToQgers can use their Resshas as well. It'll be an awesome battle of trains. But the one battle I'm really excited for is the battle with the Kiva Riders. I did some research and our main targets are not only Kamen Rider King but also 2 new ones called Kamen Rider Ark and Rey.

Nico: That's right.

Laney: Who are they?

Me: I found out something really shocking. You know how Drake was the very first vampire? Well Ark is really the first ever Fangire.

Everyone gasped in shock!

Nico: We're gonna need a lot of garlic. And holy water.

Me: And we're gonna need a lot of power too.

Laney: What do you know about Kamen Rider Ark?

Me: Lets see here.

I pulled up his info and what it revealed was HORRIBLE!

* * *

Kamen Rider Arc is the ruler of the Legendorga race and the main antagonist of the movie Kamen Rider Kiva: King of the Castle in the Demon World. Though vanquished in the past, Arc returns in the present day after possessing the body of a convict named Takashi Sugimura.

He was portrayed by Ken Horiuchi.

In the past, Kamen Rider Arc led the Legendorga race to war against the other Demon Races until he was defeated by the original Kiva and had his essence sealed within a coffin.

Years later, the site of his imprisonment became the ground for a prison. Arc's coffin was later uncovered by a psychotic inmate named Takashi Sugimura as he was fleeing from the Zebra Fangire, allowing Arc to possess Sugimura's body. During the next twenty years Sugimura was in prison, he was sentencted to be executed several times but each time he did not die due to Arc.

After the Legendorga were revived in the present day, they brought Sugimura to Arc's castle where the demonic Rider resurfaced within him. Now fully revived, Arc led the Legendorga to conquer the world once more as well as gain control of the humans and any other race who opposed him. To ensure his conquest is unimpeded, Arc also sought to defeat the current Kamen Rider Kiva, Wataru Kurenai.

When Wataru and Otoya Kurenai faced off against Arc, Arc used Legendorga baptism to covert Wataru into a servant of the Legendorga, turning him into Kiva Flight Style. Arc then ordered him to kill his father, but Otoya manages to get through to his son and get him to resist his brainwashing. Wataru then fought against Arc and destroyed him as Kiva Emperor Form and Flight Style with assistance from Castle Doran.

---

Me: HOLY FUCKING SHIT!

Nico: Oh man!

Me: And I remember Takashi Sugimura! I busted that fucking asshole years ago! And I condemned him to die!

Nico: Did you really!?

Me: Yeah! He killed 10 people!

Eli: So we're going to kill 4 bad people there!

Nico: Blade might sue me for saying this. But Ark and King have no idea who they're fucking with.

Me: You got that right! But with us killing so many vampires and Fangire he won't have a problem with you saying that. But we have 8 days till then.

Liam: That's right! And we're going to be ready for them.

Lola: Yeah and they will all be destroyed like the worms were.

Me: Yep. These soul-sucking fuckers picked the wrong people to fight!

Nico: Although we do have several Fangires in the Masters of Evil already.

Me: That's true. But something is telling me that like with the worms the rest of them will all be destroyed. But not Maya the Pearlshell Fangire. Like Hiyori she abandoned that side of her.

Nico: Yep.

Eli: But we're going to be ready for them.

Qin: We sure will be.

Rainbow Dash: And it's going to be awesome.

Me: But after tomorrow we'll have 3 teams with us.

Nico: Yep.

Nico: We also have Sungaze Fangire, Warthog Fangire, and Prawn Fangire with the Masters of Evil.

Me: Yes we do.

Lola: They are awesome though.

Me: But what really has me curious is that Kamen Rider Rey guy.

I pulled up his history too and what it revealed was shocking!

---

Takato Shiramine is the user of the Rey Kivat to become Kamen Rider Rey and the secondary antagonist of the movie Kamen Rider Kiva: King of the Castle of the Demon World.

He was played by Shouma Yamamoto.

Takato Shiramine was the top agent of 3WA who was rivals with Nago while he was a member of the organization. Shiramine researched Kiva and developed the Rey System from but, as normal humans were unable to sustain using it, Shiramine was willingly baptized into a servant of the Legendorgas so he could use the system.

Takato Shiramine first appears when two Legendorgas are attacking

Kiva and IXA. He becomes Kamen Rider Rey to fight them off and causes them to flee with Takashi Sugimura. Shiramine later meets with the two at a cafe and explains the Legendorgas to them.

As Kiva and his friends are fighting the Legendorgas, Rey appears and attacks them, revealing himself to be a servant of the Legendorgas before kidnapping Megumi and Yuri Aso. While the Mummy Legendorga fought Otoya, Rey battled Nago and was destroyed by him with the Ixa Judgement.

---

When I was done I was shocked!

Me: WHOA MAN! So he's a Kamen Rider Traitor! Now we have another Kamen Rider that we're going to kill. This makes the 3rd bad Kamen Rider that we destroyed.

Nico: Yeah.

Eli: Yeah!

Nico: Lucy and the Goths of Darkness are gonna have a fun time on the 28th.

Brittney: You bet we will Nico. This wil be the biggest battle of darkness.

Lucy: And we're going to love every second of it.

Qin: The forces of darkness will unleash the ultimate extent of their wrath on the monsters of the Legendorga and the Fangire.

Nico: Yep they sure will.

Bonnie Terrez: And send them off to the darkness of Hell forever.

Liam: Yeehaw!

Nico: Ed can also learn violin lessons from Wataru.

Me: Yeah he sure can.

Qin: Yeah.

Me: Better watch out Sugimura. (EYES GLOW RED) On July 28th, You and I have an old score to settle and I'm going to enjoy killing your motherfucking ass!

Nico: (Eyes Glow Red) Save seconds for me!

Qin: (Eyes glow Neon Green) Me too!

Nico: Then, who is it?

Me: I have a pretty good idea. Lets go!

We flew at the castle.

The main bad guy we were going to face is MR. LISP!

---

Lisp hired Fegan Floop and Alexander Minion to build himself an army. Things haven't really made much progress. The first few billion dollars given to Floop was used to mutate captured OSS agents- who were either thought to be protecting the Third Brain or infiltrating the castle to rescue their captured comrades- which he used as characters for his TV show, and the Thumb-Thumbs. Floop then demonstrated to Lisp a small hint of his requested army, two of the robot children he had built (they resemble Lisp's son, Johnny, and the president's daughter). But the robots are in still need of their brains. Lisp, running out of patience, gave him a two-day deadline to finish the army, or else everything given to Floop will be lost.

Two days later, Lisp and his men approached Floop's castle in their helicopters. Minion, who had taken charge of the project, told the army is complete and Floop is indisposed. As Lisp made an entrance to the castle, he was welcomed by Minion and Miss Gradenko, an ex-member of the OSS. Floop suddenly then announced a problem to Minion, who decided to check the situation. When he came back, Minion had fused hands and three additional heads on his original. Soon, Gregorio and Ingrid Cortez of the OSS and their kids, Carmen and Juni confronted Lisp and his men, with Uncle Machete soon joining the fight. Minion then summoned the

500 robot children, impressing Lisp. The robots then charged at Lisp and his gang and began tossing them into the air, as Floop had reprogrammed them.

---

Mr. Lisp had the Cortez Family trapped and they were outnumbered by 500 Robot Children!

Mr. Lisp: CHILDREN! Tear them limb from limb!

Their eyes glowed and they were ready to fight. But then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out behind Lisp and a phoenix cry was heard!

Zocks: Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

We arrived!

Me: Someone called for a robot exterminator!?

Gregorio: (Spanish Accent) Perfect timing!

Me: And I knew it was you Mr. Lisp!

Lisp: Team Loud Phoenix Storm!?

Nico: That's right!

Carmen Cortez: You guys arrived just in time!

Me: Yeah we always did have a habit of showing up at the right time.

Aylene C.: Yep.

Maria: (gets out MOE Cannon) Floop, if you can hear us, don't worry. Help is on the way! (Turns Dial) ROBOT BATTLE FEVER!

She summoned Number 7, 1984 Terminator, T-1000, Auta Magetta, And all the robots of the M.O.E.!

Nico: NICE!

Number 7: Looks like the fun is about to start.

T-1000: Always ready for this.

Me: Wow!

I looked at the T-1000 with my data eyes.

Me: That's amazing! SKYNET really knew what it was doing in making a robot made of pure liquid metal!

Nico: Wow no kidding.

I looked at the Robot Children too.

Me: And the Robot Children are all lookalikes of the children of the world leaders and very powerful political and economic figures! Except for the 2 that look like Carmen and Juni.

Nico: Yeah!

May: You're going down, Lisp!

Lisp: Come and get me!

Nico: With pleasure.

He teleported and kicked Lisp in the stomach and sent him crashing into the hand chair! Then Minion came and Nico grabbed his 15 fingered hand!? WHAT THE FUCKING HELL!?

Nico saw Minion with 4 heads on him and he had 15 fingers on one hand!

Nico: HOLY FUCKING FREAK SHOW!

Minion: I know. I'm a freak.

Nico: It's quite an improvement if you ask me.

Nico then activated Dr. Octopus's ridewatch and got robot tentacles and then smashed Minion all over the place with incredible force and smashed him all over.

Nico: See these? These are metal arms! Much more many than your fingers!

Minion: You are a brutal monster!

Nico: I've been called worse!

I fired waves of lightning and energy and smashed the Robot Children all over the place.

Qin: Take that!

Qin grabbed the robot Juni and smashed him into the others!

CRASH!

Eli: Normally it's against our code to kill kids. But these ARE NOT KIDS!

Nico: Juni, you know we'd never do that to you.

Juni: I know.

Me: Besides at least we can tell who the real thing is apart from everyone else.

Nico: True.

The T-1000 formed swords of metal from his hands and stabbed numerous Children.

Qin: Try this on! (Activate's Captain Cold's Ridewatch)

She fired waves of ice and froze numerous Children into blocks of ice and Rainbow Dash then shattered them into a million pieces.

Gregorio: J.D. get the Third Brain! It's in the Brain Room!

Me: I know where that is!

Nico: Go J.D. go!

I ran fast and plowed through the children!

Lisp: STOP HIM!

The children went went after me!

Some of the children tried to stop me but I jumped and used Parkour moves by ricocheting off the walls and I landed by a door to the brain room and fired a blast of energy and blasted the children down.

I busted in and I found the original Third Brain!

Me: Found it.

I grabbed the Third Brain!

Me: Yeah!

Then an alarm sounded.

Me: Uh oh!

I knew what was coming and then I ran back with the group and then the entire factory exploded!

MASSIVE FIERY EXPLOSION!

Then the children all exploded into scrap metal!

Nico: WHOA!

I came back.

Lisp: NO! YOU RUINED EVERYTHING!

Me: And stopped your plot for world domination!

Lisa Loud: But we can use these robots for good.

Me: Smart thinking Lisa.

Nico: Nice parkour moves J.D. Lynn would be proud.

Me: Thanks.

Nico: Be on guard. The Another Ranger here is still active.

Then we heard a moan and out came ANOTHER IN SPACE RED!

Me: Another In Space Red!

Nico: Whoa man!

Me: Andros and Overdrive would be pissed to see this one!

Nico: You're just in time for the party, pal!

Another In Space Red: (In a girls voice) Glad I could attend.

Carol: (GASP) That voice! I did not expect you to become Another Ranger Charlotte Watsford!

She reverted back and we saw that it was our old enemy CHARLOTTE WATSFORD, one of the girls of Mako Island that abused her power and tried to kill us before! She was in an orange prison jumpsuit and it was torn up and she was pissed off to the brink!

Nico: WHOA MAN! So you are Charlotte!

Charlotte Watsford: That's right! And I will make you all pay for humiliating me!

Maria: It doesn't take a genius to know what Swartz promised you.

Nico: And it's obvious you want revenge.

Me: You weren't with us when that happened Nico but it was crazy ass bad.

Varie: It's how we met Cleo and the girls from Mako Island.

Varie went over what happened in chapter 358 and it was amazing.

---

It starts in Australia as 4 boys are looking for something or someone.

Ash: Still nothing?

Lewis: They've been gone for two weeks. I've tried calling them and sent emails. But they won't pick up.

Zane: C'mon! This is Cleo, Emma, Bella, and Rikki we're talking about. They can handle themselves.

Will: You're just saying that because you're still bummed about Rikki breaking up with you.

Zane: I am not!

Ash: That's enough, guys! Arguing won't get us anywhere.

Will: You're right. Let's ask their families where they are.

Lewis: Let's start with Cleo's house first.

They went to Cleo's house and Cleo's dad answered. He told them that Cleo is in America.

Lewis: So the girls are in America? Then that's where we're headed.

Cleo's dad: That's not necessary. The girls are perfectly safe there.

Ash: But they must be worried sick about us. And they're our girlfriends.

Kim Sertori: (scoffs) Well, I hope you boys know what you're doing. I heard that America is home to many dangerous villains.

Zane: (glares at her) Listen, pipsqueak. We've been through a lot with helping the girls with Denman, Charlotte, and that comet. We can handle a few villains.

Cleo's dad: Okay. But just be careful.

Ash: We will, Mr. Sertori. C'mon, guys! Let's get a flight booked to America. We have girlfriends to find.

However unknown to them a girl was overhearing the conversation from behind the rocks. It was Charlotte Wattsford.

Charlotte: So they're heading for America. Now I can get my revenge.

---

On the flight there, Charlotte was sitting in the back of the plane.

Flight attendant: How are you feeling, miss?

Charlotte: (grins sinisterly) Like a monster!

---

12 hours Later the plane landed in Royal York, Michigan.

Ed: Hey, there! My name is Ed and these are my friends!

Zane: Hey there. Don't mind us. We're just looking for Cleo Sertori, Rikki Chadwick, Emma Gilbert, and Bella Hartley.

Eddy: (with a deep voice and Australian accent) No, you're not! You may not be meet our friends today, mate!

Double D: (raised eyebrow)… Eddy, are you changing your voice?

Eddy: (fake accent): No.

Spiderman: You are. You're imitating the Australian dude. It's weird.

Eddy: (fake accent) No, I'm not.

Tara M: (giggles) You just did it again!

Eddy: (fake accent) This is my voice!

Zane: Are you mocking me?

Eddy: (copies him): Are you mocking me?

Zane: You just did it again!

Eddy: (to Luan with fake accent) He's trying to copy me!

Luan: (laughs) Alright, sweetie. That's enough.

Cleo, Emma, Rikki, and Bella were watching this. Cleo was giggling, Emma was face palming, Rikki was laughing, and Bella was smirking.

Cleo: Hey guys!

They saw them and hugged them.

Me, Lisa and Melody were having ice cream.

Melody: Thanks for getting ice cream with me, Lisa.

Lisa: No problem, Melody. We needed something to do while the others met those boys from Australita.

I sensed something.

Me: Uh oh. I sense a disturbance in the Force.

Suddenly, Melody is knocked out from behind. She falls to the ground, revealing Charlotte to be the one who knocked her out.

Lisa: (alarmed) Wait. Aren't you Charlotte Watsford?

Charlotte: (grins sadistically) That's my name. Don't wear it out.

Me: I've heard about you. You're one of Cleo's enemies for abusing her powers for her own selfish gains.

Charlotte: That's right.

Lisa: What in Einstein's name are you doing here?

Charlotte: Oh, that's what I want to talk to you about! (points gun at Lisa)

Lisa (scared): Now what… could I have possibly done… to deserve such aggression?

Charlotte: It's not what you've done, it's what you're gonna do.

Lisa: Come again?

Charlotte: I want the powers that Melody has. And I want them via injection.

Lisa: Don't you already have mermaid powers?

Charlotte: I did. But Cleo and her friends took them away from me, along with my former boyfriend and locket! But that's fine. Now I want the powers of Ariel's daughter. You've seen what she can do, right?

Lisa: I have… and those powers are amazing. And those wings are very beautiful.

Charlotte: I want that. No, I need that! Make me that!

Me: You don't have any idea what you're doing Charlotte.

Lisa: It's not that simple. The powers are gained through the people that the dieties choose. I don't know what will happen if I inject them into someone else. The results could be… castastrophic. (Charlotte grabs Lisa by the collar and raises her into the air) I didn't say I was unwilling… I just need informed consent… and you've given it!

Lisa pulled out a vile of blood. But what Charlotte doesn't know is that it's a vile of a mixture of alien DNA. She drank it.

Charlotte: You better hope that this works. Because if it doesn't, I'll-

Charlotte suddenly was cut off as she screamed in pain. She dropped to the ground holding her stomach in a fetal position.

Charlotte: What's happening to me!?

Her body started to change and expand as her black leather jacket tore off.

Me: Oh man!

Charlotte: (Voice distorting) **WHAT HAVE YOU DONE TO ME!?**

Melody got up and she saw Charlotte.

Melody: You monster!

Lisa: (terrified) This is what I was trying to explain! (Charlotte gains Water Hazard's legs and her skin turns blue as her purple shoes rip off) You can't gain powers from a deity through injection. (Charlotte's gains Jetray's wings and Ampfibian's tentacles as her red shirt ripped to shreds) The powers have to be earned! (Ripjaws' tail bursts through Charlotte's blue jeans) Okay, you're probably not listening to a word I'm saying. (Charlottes gains Ripjaws' lure on her forehead and teeth) But if you'll just get back on the table, I can fix this!

Me: She's a mixture of different aliens. She has an Amperi's tentacles, an Orishan's legs, A Piscciss Volann's Lure and tail and an Aerophibian's wings. What a monstrosity!

Charlotte: **NEVER!** (flies through the roof)

The heroes along with mermaid girls and their boyfriends come in the house.

Lori: We're back! (sees the roof destroyed) WHAT HAPPENED TO THE ROOF?!

Varie: Something went down here.

Lincoln: (walks into Lisa's room and sees the destroyed remains of Charlotte's clothes) Either someone was doing laundry or something really bad happened.

We flew out of the roof and went after Charlotte.

She saw Cleo.

Charlotte: **Cleo! Just the girl I wanted to see.**

Cleo: Charlotte? What happened to you!? You've become a monster!

Me: A scientific sabotage. She wanted our powers to get revenge on you for ruining her life.

Rikki: Some people just will never take a hint.

Me: Lets get this monster!

Me, Varie and Lincoln go Super Angel and I activate my Ultimate J.D. form. Ben became Chromastone.

Ben: CHROMASTONE!

Me: A different type of Crystalsapian from planet Petropia.

Chromastone: That's right J.D.

Me: Lets waste this brat!

We fought Charlotte and she was putting up a huge fight.

Charlotte: (fires water at Cleo who dodges it) **I hate you, Cleo Sertori!** (fires electricity at her, knocking her down) **Do you hear me?! I HATE YOU! I hate how you took my locket from me! I hate you how you took Lewis from me! But most of all, I hate how you and your friends cost me my mermaid powers! Even though I have new ones, there's still no going back.** (grabs her by the collar) **I'm going to kill you and your friends painfully! And then, I'm coming for Lewis and your family!**

Me: You're insane!

Cleo: (spits at her) Big words coming from a monster! And that's both on the inside and outside now. How does it feel to finally embrace your true evil self? It feels good, doesn't it?!

Charlotte: **Stop being dramatic, Cleo. There are 2 kinds of people in this world. Those who are weak and those that have true power. And I'm one of the people who have true power.**

Cleo: True. But there's one thing you should know.

Charlotte: **What's that?**

Spiderman (appears behind her) With great power comes great responsibility!

Spiderman punched Charlotte in the face and sent her crashing into a tree.

But Charlotte got up.

Charlotte: (pins Cleo down with her foot) **Any last words, Cleo?!**

Cleo: (looks behind Charlotte and smirks) No. But Hulk might have some.

Charlotte looks behind her and saw Hulk.

Hulk: HULK SMASH! (pins Charlotte to the ground and punches her mercilessly)

Hulk got out of the way and Ben fired a blast of rainbow light at her and me and Lincoln fired a blast of lightning and fire at her.

Cleo, Rikki, Bella and Emma fired Ice, Fire, Lightning and Wind blasts at Charlotte.

The blasts burned off all of the DNA she took and reverted her back to normal.

Me: That did it.

Charlotte got up and saw that she was back to normal but she was badly burned.

Me: It's over Charlotte. You've lost.

Charlotte: WHY!? WHY!? IT'S NOT FAIR! WHY CAN'T I WIN

AGAINST YOU!? I SHOULD HAVE EVERYTHING!

Me: You're starting to sound like someone we hate to the core. The reason you can't win Charlotte is because your heart is full of darkness and evil and you care about no one other than yourself.

Laney: That's right Charlotte.

Laney and the other sisters came.

Luna: Your heart is full of evil.

Charlotte: WHY!? You all have powers! So why can't I have powers!?

Me: Because your heart is full of darkness and you would only use your powers to destroy. You would also use your powers only to fulfill your own selfish desires. You've caused too much pain and misery.

The police arrived and arrested Charlotte.

Cleo: Good riddance to bad rubbish.

Me: Yep.

Lincoln: Lets hope her time in prison will give her a chance to reflect on everything she did.

Lori: She literally gives all girls everywhere a really bad name.

Lola: You said it Lori.

Lana: I hate that girl.

Lily: Me too.

Lilly: I hate her too.

Maria: Me too.

Aylene: We all hate her and it looks like she's going to prison for a long time.

Cody: Yep.

Charlotte Wattsford was found guilty of weapons violations, assault and battery, attempted 1st degree murder, kidnapping and theft. She is sentenced to Life in Prison without parole in the Moon Supermax Prison. She was also ordered to pay $750,000,000.00 in restitution.

FLASHBACK ENDS

Nico: Oh my God! This girl is fucking crazy!

Me: Yep and she had to learn the hard way that our powers can't be stolen. They have to be earned. Also we were given these powers by the gods themselves and they

will not obey anyone us but those that were given them.

Charlotte Watsford: SHUT UP! YOU HAVE NO IDEA THE HELL I WENT THROUGH!

Me: You brought all that on yourself Charlotte! You think after spending 4 years in prison that you would learn your lesson but no. You haven't learned a thing.

Nico: (takes out Overdrive's Ridewatch) Guys, please show me some vehicles I can use after I activate this Ridewatch.

Me: Vehicles coming right up!

I pulled out some scrolls and Nico activated his Ridewatch for Overdrive and I unsealed a bunch MBT-92 Laser Cannon tanks!

Nico: Nice!

She turned back into Another In Space Red! Nico then fired waves of laser blasts and they hit her all over and exploded!

KRABBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!

Liam: How'd you like that?!

But she wasn't done yet!

Another In Space Red: I will never stop!

She pulled out a sword!

Another In Space Red: DRAKKON SPIRAL SABER!

Nico: She has In Space Weapons all imbued with the powers of the Core and Non-Core M.O.E. Members!

She went and clashed with me and I kicked her in the face and smashed her into the wall!

She got up.

Another In Space Red: You've! You got so much stronger!? But how!?

Me: Through training and battles and even protecting those that you care about!

Lisa Loud: And this is for forcing me to use Melody!

Lisa fired laser blasts and smashed her all over with them.

Lisa: And also, that was for holding me at gunpoint!

She fired waves of lasers and blasted her all over.

Nico: That's terrible she did that!

Me: If her heart weren't as black as night we would gladly have her with us.

Eli: But her selfishness put her on the point of no return.

Lincoln: Yeah!

Nico: Too bad Cleo and the others aren't here to see this!

Me: But we'll tell them about it later when we get back.

Eli: The next Gene-Slammer is coming.

Suddenly there was a loud rumble and then out of the floor erupted a FIENDWURM!

It smashed onto Another In Space Red and fired acid at her and burned her.

Nico: Whoa! A Fiendwurm!

Lola: Yeah!

Fiendwurm: (In a girls voice) And it's good to see you again Nico! And you too Qin.

Nico: Rue Knoxville!?

Me: Whoa we were just talking about you yesterday! We had a run in with that insane monster Sally who was Another Kikai.

Fiendwurm: I heard about that! And I'm glad she is back in the nuthouse where she belongs.

She reverted back and was a girl with purple hair, purple clothes and had a lightning bolt shaped scar on her right cheek just like Nico said!

Rue Knoxville: But now it's time to put this monster back in her place!

She fired a wave of acid and it hit Another In Space Red and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I grabbed the Ridewatch and purified it!

Lisp: NO!

We arrested Lisp and his henchmen and Charlotte and picked up the weapons and Lisa picked up the children.

Qin: You remember, Missy, Ellie, Erica, Poromon, and Poliwag too, right?

Rue Knoxville: I sure do and Qin it's awesome to see you again.

They went over and hugged.

Qin: Wow you are looking awesome as ever. The purple hair is totally stylish on you.

Rue Knoxville: Thanks Qin.

Nico: And it's awesome to see you too.

Rue Knoxville: Same here. And I'm glad you guys got Sally thrown into the padded cell.

Qin: We are too. How's your mom doing?

Rue Knoxville: She's doing good thank you.

Eli: That's awesome.

Laney: We're glad that you can join us now Rue. We heard so much about you from Nico and Qin.

Rue Knoxville: I'm truly honored that he was spreading good words about me.

Nico: Aww.

Me: And the scar on your cheek looks cool. It makes you look really tough.

Rue Knoxville: Thanks.

Liam: I think we know. But what's your favorite memory of Nico?

Rue Knoxville: I have a lot of them but my favorite was where me, Qin and Nico beat up Sally after she went bonkers and tried to set the school on fire.

Nico: Yeah she was pouring Gasoline all over the school and trying to burn everything down. She said that if I can't be student body president then no one will be for any school.

Me: She is completely insane!

Qin: Yeah what a monster!

Lola: She is an arson bug now.

Rue Knoxville: Yep. We left her in the hospital for over a year with almost every single bone in her body broken.

Laney: Geez!

Me: Wow!

Varie: Yeah.

Nico and Rue then hugged.

Nico: I've missed you Rue.

Rue Knoxville: Me too Nico.

Nico: Missy, Ellie, Erica, Poromon, and Poliwag will be so happy.

Rue Knoxville: I know they will.

Nico: Sally got what she deserved.

Me: If she ever gets out I will kill her.

Qin: Me too. I've had it with that monster.

Nico: That's a promise.

We later went back home and Lisp and his minions were all sent to prison forever. The Robot Children were being rebuilt as good people. And Charlotte was put in the Neptune Prison for eternity.

Nico: That's right, Linc.

Me: It's always good coming here to London, and we had a lot of awesome adventures, one of them was arresting Cruella De Vil, and meeting Pongo, Perdita, and their puppies.

Lincoln: And meeting their descendants last year, and that was also really awesome, now we're here to put an end to Lord Naarifin for good. And thanks for joining us, Applejack.

Applejack: You're welcome, Lincoln, this is going to be one amazing rescue.

Eli: Especially here in the capital of The British Empire for hundreds of years.

Lincoln: And many of my Guardian Angels from England have been to London many times before coming to Royal Woods.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third

Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Lord Naarifin, and he's going to kill them.

Lincoln: Guys, I found the six girls, but they've been cornered by Lord Naarifin, and he's going to kill them.

?: That despicable member of the Thalmor, let's get him.

Suddenly, we saw the Duel Monster, Raidraptor - Final Fortress Falcon, appear before us.

Nico: Whoa, that's Raidraptor - Final Fortress Falcon, awesome!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Relena Jettofarukon, but we'll talk later, we've got to deal with Naarifin once and for all.

We then rushed on over, and Lincoln fired powerful rainbow energy balls and elemental forces at Lord Naarifin, and it allowed the six girls to get to safety. When Lord Naarifin saw us, he was enraged.

Lord Naarifin: How dare you all get in the way of the Thalmor, Team Loud Phoenix Storm!

Lincoln: You and the Thalmor are responsible for so much pain and suffering you've inflicted on so many innocent people in Tamriel, and for that, you deserve no mercy from us.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Lord Naarifin, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln proceeded to slash and cut Lord Naarifin into a thousand pieces, and then, he infused his massive broadsword with Black Gates energy, and when Lord Naarifin's spirit appeared, Lincoln delivered one final slash and cut down Lord Naarifin's spirit and he was erased by The Black Gates for all eternity. We cheered wildly as we holstered our weapons and power down.

Lincoln: That's one member of the Thalmor put down for good. (To Relena Jettofarukon) And it's so good to see you again, Relena Jettofarukon.

Relena Jettofarukon reverted back to normal, and she's a beautiful girl with long flowing purple hair put into pigtails, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful purple angel wings, and she reigned in the power of Raidraptor - Final Fortress Falcon, and she's dressed in a sleeveless dark purple open blouse, short-sleeved black and purple top, purple skirt, purple pants, purple legwarmers, purple sneakers, and long sleeveless purple trenchcoat with darkness and falcons on the coattails, and Raidraptor - Final Fortress Falcon on the back, and holstered on her back a large Raidraptor - Final Fortress Falcon-themed greatsword with Raidraptor - Final Fortress Falcon etched on the 7'0" massive, wide, double-edged purple blade, Raidraptor - Final Fortress Falcon's wings for the crossguard, large purple gem embedded in the rainguard, longer black handle, and a large purple gem surrounded by angel wings for the pommel.

Relena Jettofarukon: You too, Lincoln, it's been a long time.

Lincoln went up to Relena Jettofarukon and they hugged, and Relena Jettofarukon's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were eleven, and as you can see, I really grew a lot since then.

Relena Jettofarukon: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Relena Jettofarukon, she's my Guardian Angel and my friend in English. But, you're in for the shock of a lifetime: see, her real name is Relena Septim, and she's the daughter of Uriel Septim VII. I found out her father teleported her to Japan when she was 4 years old in order to protect her father's bloodline. Then, she and her parents moved to Royal Woods when she was 11.

CLANG!

My jaw and Nico's jaw dropped.

Me: No way, so Relena Jettofarukon's real name is really Relena Septim, the daughter of Uriel Septim VII?!

Lincoln: That's right.

Nico: Whoa!

Lincoln: And Relena's the one who trained me on how to use weapons and effectively, plus she also studies gems, this one time we built a massive diorama of all the gemstones throughout the world and I even built her a beautiful purple tiara with beautiful purple gemstones.

Eli: And you also had to keep it away from Lola, right?

Lincoln: You got it, and she also hates Icky Vicky with a blazing passion.

Nico: Same with all of us.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Relena Septim's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Relena Septim: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Relena.

Relena Septim had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Relena Septim's waist and Relena Septim wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Relena Septim's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Ren Ekoda, An Hanakoizumi, Hibiki Hagyuu, Ruri Hibarigaoka, Botan Kumegawa and Kodaira from the anime Anne Happy.

Lincoln: Oh wow, it's Ren Ekoda, An Hanakoizumi, Hibiki Hagyuu, Ruri Hibarigaoka, Botan Kumegawa and Kodaira from the anime Anne Happy.

Nico: Awesome.

Lincoln: Are you girls okay?

Ren Ekoda: Yes, we're okay, thanks to you.

Then, when Ren Ekoda and the other five girls saw who it was that saved them from Lord Naarifin, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man

Ren Ekoda: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ren Ekoda: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Ren Ekoda, An Hanakoizumi, Hibiki Hagyuu, Ruri

Hibarigaoka, Botan Kumegawa, and Kodaira with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Lord Naarifin, one of the members of the Thalmor.

But, when Lincoln showed what he did in cutting that villain to a thousand pieces and delivering the final blow that sent him to The Black Gates forever, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Relena Septim have a lot of catching up to do, now that she's back in town.

* * *

After we destroyed Lord Naarifin in London, England, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Relena Septim saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Relena Septim: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Relena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Relena Septim: That's incredible.

Nico: It sure is. So, Relena, Lincoln told us you both built a massive diorama of all the gemstones throughout the world, can you show it to us?

Relena Septim: Gladly.

Relena Septim got out the massive diorama of all the gemstones throughout the world that she and Lincoln built, and it was really amazing.

Me: Whoa!

Nicole: Holy cow!

Rarity: This is truly amazing that you both built this diorama of all the gemstones throughout the world.

Lincoln: Thanks, Rarity, it took a lot of work to do it, and we had to keep them away from Lola, or she was going to blab to the rest of my sisters.

Relena Septim: That's right. While we were working on our diorama, we had to keep the gemstones away from Lola, since she'd probably take them and we'd never get them back. But, Lola burst in and she caught sight of the gemstones and demanded we hand them over, but Lincoln told her no and the gemstones are for our project, and that set Lola off and she went ballistic. She tried to attack Lincoln, but I got in the way and I used some self-defense moves I learned by myself, and I pinned Lola to the ground and I tied her up in rope so she couldn't escape. Then, I went downstairs with Lola in tow and told Mr. and Mrs. Loud of what Lola tried to do, and she got grounded for three weeks and put in an isolation cube in the basement. On the day we handed our diorama in, we got an A on it.

We cheered wildly for what Relena did.

Me: Awesome, and you also trained Lincoln on how to use weapons?

Relena Septim: That's correct.

Lincoln: Yep, we first did some training on how to use swords and shields with the use of a wooden sword and wooden shield, then, she taught me how to use a bow and arrow, and we used wooden training dummies for that one.

Nico: That's really awesome that you had a skilled weapons master training you how to use weapons before J.D. came here and before the team formed, Linc.

Lincoln: And we also did this far from my sisters.

Rita: And Lincoln only told me, Lynn, Luna, Leni, Lana, Lucy, and Laney about it, and we swore to keep it a secret, since Lori, Lynn, Lola, Lisa, and Luan can't be trusted with secrets.

We got a shower afterwards, and then, Lincoln and his harem are heading to Gelato Beach, plus he'd told them that Justice, one of the main antagonists of the Guilty Gear series, is heading out to cause havoc and he's heading for Gelato Beach, but they'll be ready.

Lincoln snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in the large orange swim shorts with stars, constellations, Thunderbird, Phoenix, Angel, Buffalo, and elemental forces that Kuēsā gave him, large orange sandals, jewelry, and weapons holstered, in case of trouble.

And his harem were dressed in the two-piece bikinis with stars and constellations in their favorite colors that Kuēsā gave them, jewelry, colored sandals, and their weapons holstered in case of trouble.

Lincoln: Alright, ladies, are we ready?

Girl Jordan: We're ready, Linky.

Lincoln and his harem left the World Tree Estate and they arrived at Gelato Beach in the world of Mario.

Lincoln: Ah, Gelato Beach, it's still as amazing as ever.

Bridget Branley: You said it, and I can't believe that one of the enemies from the Guilty Gear series is heading here to cause havoc.

May (Guilty Gear): But, we'll be ready for him. Alright, shall we?

Lincoln and his harem dived right into the waters and they began swimming in the waters, and they also saw the sea creatures and plants that live there. Then, they also were working on their tans in the sun by lying out on towels in the sand, and they also had fun playing some volleyball, and the girls also got an atomic blush when they saw Lincoln lift up the heaviest barbell he conjured up and it weighed up 900,000,000 pounds, and that's just a fraction of just how strong Lincoln's become and he's still becoming, but, there's going to be trouble very soon.

?: I will destroy every last pathetic human in this entire world!

Suddenly, the nine large multi-colored orbs orbiting around Lincoln's legs along with their gems on our Bracelets of The Champions of the Universe were glowing, and that means trouble's coming.

May (Guilty Gear) I knew there's no mistaking that voice from anywhere. You can come out now, Justice.

A large robotic figure came out, and it was none other than Justice, one of the main antagonists from the Guilty Gear series.

Lincoln: Should've known you'd show up here, Justice.

May (Guilty Gear): But, we're going to make sure that you never return to hurt anyone again.

Suddenly, May's black eyes turned neon orange, and she was surrounded by an orange energy aura with skulls, water, and anchors, she got out her trusty anchor, and as she approached Justice, she left orange energy, skulls, water, and anchors with every step. Suddenly, May was surrounded by a massive vortex of orange energy with water surrounding it, there's a pirate ship sailing around the vortex, and in the vortex is a brown phoenix. Then, as the vortex faded, May emerged, but she was changed forever.

May (Guilty Gear) grew to in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing brown hair and she has on her orange pirate tricorn hat, she has neon orange eyes and an orange energy, skulls, water, and anchors surrounding her, she has a pirate skull with the Water Kanji on its cranium emblazoned on her forehead, she has on pirate skull earrings with orange gems for eyes and the Water and Eternity Kanjis on its cranium, she also has a pirate skull with orange gems for eyes and the Water and Eternity Kanjis on its cranium for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. May (Guilty Gear) has on an orange coat, orange sleeveless midriff top, orange skirt, orange pants with skulls, orange boots, and long long-sleeved orange trenchcoat with skulls, water, and anchors on the coattails, and on the back is the symbol of the Jellyfish Pirates with ocean waves and anchors surrounding it. Suddenly, May (Guilty Gear) felt a sharp pain on her back, and then, massive brown angel wings with orange tips on the feathers, sprouted out from her back. May (Guilty Gear) has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, May's trusty anchor was surrounded by a kaleidoscope of orange energy, water, skulls, and anchors, and when it emerged, it was transformed into Jellyfish Pirates' Maelstrom Anchor of Oceanic Justice, it's a brand-new anchor with a much longer black shank with two larger curved palms/flukes with spear-pointed billipea tips, spear-pointed tip on the crown, a large gold ring around the anchor's throat, and a large gold ring on the end of the much longer black shank, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold skull with orange gems for eyes and a large orange gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a white kanji below the symbol of the Jellyfish Pirates that said, "May (Guilty Gear), First Mate and Member of The Jellyfish Pirates, Adopted

Daughter of Johnny, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water and Pirate Skulls"

5月（ギルティギア）、クラゲ海賊団のファーストメイトとメンバー、ジョニーの養女、リンカーンラウドの愛する守護天使と未来の妻、いじめっ子の嫌悪者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべきそして驚くべき強力な教師の強力な学生、そして水と海賊の頭蓋骨のマスター

May (Guilty Gear) has transformed into SUPER ANGEL ETERNITY INFINITY MAELSTROM ANCHOR PIRATE ANGEL OF SEVEN SEAS JUSTICE AND DIVINE OCEANIC LOVE!

Lincoln's harem were amazed by May's Super Angel Eternity Infinity transformation, and when Lincoln saw May (Guilty Gear), he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Justice saw it, the robot fell into a rage and was about to attack her, but she fired a powerful blast of orange energy with water, skulls, and anchors and it hit her, and it damaged her. Then, she hit Justice hard with her new anchor and really damaged her software.

Lincoln: Wow, May, you look beautiful, how do you feel?

May (Guilty Gear): (Divine Echoing Cosmic Voice of The Maelstrom Jellyfish Pirate and Divine Seven Seas Love) I feel incredible, Linky. Now, shall we take care of this robotic monster for good?

Lincoln: (Smiles) With pleasure, May.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined May (Guilty Gear).

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal

Justice and Elemental Hope) Let's end this robotic monster for good.

Lincoln and May (Guilty Gear) went after Justice, and they fired powerful blasts of rainbow energy, orange energy, pirate skulls, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, and Angels at Justice, and they exploded with incredible power as they hit her. Then, May and Lincoln attacked Justice with their weapons and left painful scars on her and really damaged her badly, then, they fired powerful blasts of energy at Justice and they exploded with incredible power, killing her and sending her to The Black Gates forever. Lincoln's harem cheered wildly for what May (Guilty Gear) and Lincoln did, as they holstered their weapons and powered down, and May's new body, clothes, weapons, jewelry, and massive brown angel wings are permanent, and May was back in her orange two-piece bikini and orange sandals.

May (Guilty Gear): That's the end of that robot. Thanks for helping me destroy Justice for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, May.

Suddenly, May (Guilty Gear) wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to May (Guilty Gear)'s face, they kissed passionately as May (Guilty Gear)'s left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and Lincoln's harem saw a herd of Buffalo running across the field, along with elemental forces and a pirate ship sailing behind them and they cheered wildly for them.

Then, Lincoln and his harem had lunch in a picnic area here and it was really amazing. Then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they shared an amazing and passionate super-charged kiss. Then, they came back home to the World Tree Estate, and back in their original clothes.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Gelato Beach, and just as expected, Justice showed up to cause trouble, but May (Guilty Gear) transformed and we ripped her in two and sent her to The Black Gates for good.

Me: Nice.

May Chan: That'll teach that genocidal robot.

We were over at the awesome annual Pancake Festival. It's an annual festival for pancakes. Yummy. And it was time for Emerald and 2012 Leo's bonding time.

Nico: Leo, you and Emerald are up for bonding time.

Emerald Goldenbraid: Sweet!

2012 Leo: Righteous!

Me: You guys have fun. And we're going to have awesome pancake breakfasts/lunches.

Nico: Yep.

Emerald Goldenbraid: Will do.

They went to have fun.

Homer and Lisa however were not very happy with each other for some reason.

2012 Leo: Emerald, Shredder might be gone. But as you saw with our version of Speed Demon, our other enemies are still out there.

Emerald Goldenbraid: I know and we'll be ready for them all.

2012 Leo: It'll be awesome taking them all down.

They got to playing on a pancake trampoline and it was cool.

Me: Those two are having a lot of fun.

Sunset Shimmer: (Eating chocolate pancakes) Mmm! Boy they sure are.

Nico: (Eating Bacon, chicken, sausage and pork pancakes) Mmm! Yeah. And these carnivore pancakes are delicious.

Me: (Eating cheese and egg pancakes) Mmm! So are the omelette pancakes.

Eli: Yeah and these banana chocolate pancakes are delicious too.

Nico: Yeah they are.

Homer and Lisa were glaring at each other.

Me: Homer, Lisa, is something wrong?

Nico: Eli, bonk their heads if you have to. This is supposed to be a happy occasion!

Eli: Right.

Homer: Okay I'll tell you guys. It was because on this day Lisa ruined my barbecue. (Season 7 Episode 5)

Marge: You're still upset over that Homie?

Homer: I can't help it Marge and I was really looking forward to eating Petey.

Nico: Tell us what happened.

Lisa Simpson: I will do that.

She did so.

---

The Simpson family visits a petting zoo, where Lisa is enraptured by a cute lamb. That night, Marge serves lamb chops for dinner. Troubled by the connection between the dish and its living counterpart, Lisa announces that she will no longer eat meat. Bart and Homer mock her relentlessly for her newfound vegetarianism. Reaction at school is no better; when Lisa requests a vegetarian alternative to the cafeteria food, Principal Skinner labels her an "agitator". After her second-grade class is forced to watch a Meat Council propaganda film starring Troy McClure that criticizes vegetarianism, Lisa's classmates tease and shun her.

Jealous of Ned Flanders' barbecue, Homer hosts his own, complete with roast pig. Lisa makes gazpacho as an alternative to meat, but Homer's guests ridicule her. After Homer inadvertently flips a burger into her room that lands on her face, Lisa is enraged. To stop the guests from eating the roast, she uses a riding mower to drive away with the pig in tow. Homer and Bart chase her, but she pushes the pig off a slope. It rolls into a river and is shot into the air by a dam spillway's suction.

At home, Homer is furious at Lisa for ruining his party, Lisa rebukes him for serving a meat-based dish. At breakfast the next day, Lisa runs away after Homer's choice of words causes Lisa to reach her breaking point. Lisa succumbs to the pressure to eat meat and bites into a hot dog from the roller grill at the Kwik-E-Mart. Apu, an avid vegan, reveals that she has eaten a tofu dog. He leads Lisa through a secret passageway to the Kwik-E-Mart roof, where they meet Paul and Linda McCartney. Being vegetarians, the McCartneys explain that they are old friends of Apu from Paul's days in India. Apu then asks her what happened at home that made her run away. After a brief confession, he helps Lisa understand tolerance. At that moment, she realizes her intolerance towards others' views. Lisa recommits herself to vegetarianism, but she also realizes that she should not force her animal rights views onto others. On her way home, Lisa reunites with Homer, who frantically searching for her, apologizing for ruining his barbecue. Homer forgives her and offers her a "veggie back" ride home.

---

When she was done we were shocked.

Jared: Oh man. Lisa I know how you feel when it comes to meat. I never liked meat at all. It's why I only eat fruits and vegetables and drink only water.

Arnold: That's amazing Jared.

Jared: It sure is.

Me: But that was awesome that you got to meet the legendary Paul McCartney of the Beatles and his wife Linda.

Lola: It sure is.

Me: Even though over 50 years have passed since the Beatles broke up they are still awesome.

Nico: Seriously, Eli. I'm asking you to bonk their heads before this happy occasion is ruined!

Eli: Nah I'm going to let them explain this out. But I'll keep that option open.

Nico: Okay.

Me: But Homer you know that Lisa is a vegetarian right?

Homer: Yeah.

Me: Well she doesn't like meat at all just like Jared and Apu. You know that.

Homer: That's true.

Me: Also my friends Laurie and Miles are both vegans. You know that right?

Nico: I remember them from the Ridonculous Race. They are awesome.

Me: Yep.

2012 Raph: Okay, Eli. If you're not gonna bonk their heads together, I will!

Nico: Raph stand down! Eli will keep that option available when things will get physical and rough and so far things haven't gotten to that level yet.

2012 Raph: Oh fine.

Nico: Good.

2012 Raph: In my opinion, both vegetarians and meat lovers are good.

Nico: I agree there.

Jared: Same with me.

Apu: (Hindu Accent) That is right and I am a huge vegetarian myself.

Me: Everyone has their own tastes.

Eli: That's true.

Nora: I want some pancakes too!

Me: Now now Nora there's plenty for everyone.

Nora was eating tons of pancakes.

Eli: Whoa she sure loves Pancakes.

Weiss: You should have seen how many Pancakes she ate every day.

Yang: Nora is a true pancake lover.

Lola: Yep she sure is.

Applejack: That's what I call an appetite fit for Texas.

Ren: I've known Nora even before Beacon. And you won't believe the number of pancakes she eats per day.

Nico: Wow!

Me: She is a true garbage disposal when she comes to pancakes.

Nico: Yeah.

Ren: No kidding there.

Me: I respect a true Pancake Queen.

Eli: If there is a Pancake Eating Contest, Nora would definitely win hands down.

Nora Valkyrie: Thanks. I know I would win.

Maria: And not Po Kong?

Nico: Maria with Po Kong she wouldn't be satisfied after that.

Maria: You're right on that.

Me: Yeah.

We laughed.

2012 Mikey: Are Homer and Lisa happy yet?

Homer and Lisa were hugging.

Me: That answer your question?

Nico: Yep.

Bart: As long as they eat tons of pancakes too.

Homer: WHY YOU LITTLE!?

He strangled him.

Nico: Now you can bonk their heads Eli.

Eli went over and grabbed Bart and Homer and then…

BONK!

He bonked their heads together.

Homer and Bart: OW!

Nico: Now nothing can ruin this moment.

Me: Whew.

But then we heard screaming and then we saw ANOTHER RIDER and it was ANOTHER SHINOBI!

Me: Oh man! It's Another Shinobi!

Nico: I had a feeling this one would show up!

Eli: Lets get him!

We went to face him!

Emerald and 2012 Leo came.

2012 Leo: Good thing me and my team are here, huh?

Emerald Goldenbraid: Yeah they sure are.

Me: Okay. First lets find out who our mysterious friend is.

Qin: Right.

Me: Who are you dirt clod!

Another Shinobi: (In a boys voice) You should know!

Carol Pusateri: Oh no! Not him!

He reverted back and it was Carol's evil ex-boyfriend CORY SLADE!

Me: Cory Slade!

Nico: Not this douchebag again!

Carol Pusateri: You just don't ever learn do you Cory!

Kaito: He's your ex-boyfriend, right?

Carol Pusateri: That's right. He's my monster criminal ex-boyfriend.

Me: And he is a really dangerous one too.

I went over his history and how I busted him and more. And it was a shocker. When I was done everyone that hadn't heard about it was shocked!

Applejack: Why that low-down double-dealing sidewinder!

Eli: Yeah! This guy is a jerk!

Me: Big time!

Woz: And I see you had the nerve to become Another Shinobi!

Cory Slade: That's right! Swartz gave me this power for revenge!

Nico: Well too bad you won't get that chance! And another thing you jerk, Carol is already married.

Me: So go back into the sewer and marry a gator!

BURN!

Me: It's buttkicking time! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Woz: Henshin!

Action! Touei! Future Time! (Chinese-themed electronic music) Sugoi! Jidai! Mirai! Kamen Rider Woz! Woz!

He turned into KAMEN RIDER WOZ!

Me: Yeah!

Woz: Let me show you the REAL power of Shinobi.

Action! Touei! Future Time! (Traditional Japanese music) Dare ja? Ore ja? Ninja! Futurering Shinobi! Shinobi!

He had a Shinobi form ready!

Me: Lets see how he likes this! (Activates Pork Butt Ridewatch) This is a special equipment Ridewatch that I'm testing for Lisa.

I had a special Pork Butt Catapult backpack appear on my back.

Nico: Oh that is cool!

Qin: Yeah it sure is!

Me: PULL!

I fired Pork Butts and a pork butt hit him square in the crotch and then taters hit him right in the face!

Woz charged at Cory Slade.

He kicked him in the face and knocked some teeth out! And it sent him flying. Cory Slade hits the wall, the impact causing the shelf above him to slant and drop a pot (CLANG), a glass (DINK), a pan (CLANG), a mug (DINK), a treasure chest (BONK), an anchor (BLANG), a buoy (BONG), and a scuba suit on his head (SQUISH). A giant bump rises up on Cory Slade's head.

Nico: Nice one Woz!

Cory Slade got up and he felt the bump and he screamed in pain!

Maria: (takes out M.O.E. Cannon) Let's get some more faces in here! (TURNS DIAL) SCUMBAG COMEDY FORCE!

She summoned the Springfield Scumbags! She summoned Rich Texan, Skinner, Snake, Selma & Patty, Wiggum, Krusty and

Bassoon Burns

Skinner: So we're facing Carol's ex-boyfriend.

Me: Yep.

Cory then got up and he was PISSED! Then he was enveloped in a vortex of darkness and he turned into ANOTHER SHINOBI!

Krusty then saw our friend Chester J. Lampwick.

Nico: Uh oh.

Krusty: So you're in the team now! I gave you a couple of blintzes to paint my fence, but he never did it!

Chester J. Lampwick: Those blintzes were terrible!

Krusty: PAINT MY FENCE!

Chester J. Lampwick: Make me!

Krusty went over to him and pulverized Lampwick!

Krusty: YOU GIVE ME BACK THOSE BLINTZES THEN!

POW BLAM BIFF SOCK SMACK!

Eli then grabbed them.

Eli: Pardon me guys but I must discipline the nannygoats!

BLANG!

He bashed their heads together!

Krusty and Lampwick: OUCH!

Eli: Besides we have much bigger fish to fry.

2012 Mikey: Dude, you give ninjas a bad name!

Nico: I agree. Time to fight ninjas with ninjas!

Me: Here's a funny thing I learned from Master Goku!

I teleported and kicked him in the stomach and sent him flying!

I then took out a Power Pole and then Another Shinobi fell onto it and got STABBED RIGHT IN THE BUTT!

HE SCREAMED IN PAIN LIKE HOW MURASAKI DID!

We laughed hysterically at his pain!

Nico: (LAUGHS HYSTERICALLY) OH THAT IS SO FUNNY!

Nico was rolling on the ground and laughing hysterically!

Woz: You deserve much worse than that, you cur!

Me: Like this!

I fired a wave of lightning and it hit the pole and conducted electricity and he was electrocuted from the inside!

Ash: Lets see how he likes this! (Activate's See-More's Ridewatch)

Ash got a 3rd Eye right in the middle of his forehead! Then he fired a massive laser blast from it and it hit Another Shinobi and blasted him all over!

Nico: Whoa! Nice one!

Nico: Just like Tien!

Tien: That is very much like me. Nice shot Ash.

Ash: That was awesome.

Me: It sure was.

Another Shinobi then threw Lord Drakkon Shuriken!

We dodged them.

Me: He has Shuriken and Ninjatos for the Core and Non-Core

M.O.E. Members!

Nico: Whoa!

Eli: This is gonna be awesome!

Nico: At least it's not another Evil Sasuke.

Me: That's for sure.

Nico: Yep.

Me: Time to see what else we can do. (Activates Equipment Ridewatch and Mortal Kombat Scorpion's Ridewatch)

I got Scorpion's tentacle and Donkey Kong's Coconut Shooter!

Me: GET OVER HERE!

I fired it and pulled him over and then fired 20 coconuts into his face at point blank range and then sent him flying and smashed him into the ground.

Patrick: DA HA HA HA! THAT GUY GOT HIT IN THE HEAD WITH 20 COCONUTS!

Nico: That's not the only thing he's getting hit with!

Nico activated Firepower's Ridewatch and got all sorts of missile and machine gun blasters and he fired a full arsenal and blasted Another Shinobi all over the place with intense fury!

Nico: YEAH!

Eli: Lets see how he likes this one. (Activates Baron Mordo's Ridewatch)

Eli used his magic and got Another Shinobi hit in the with numerous objects.

CLANK!

A Flower Pot!

CLANG!

An Anvil!

CRASH!

A Hay Cart!

KRASMASH!

A Piano!

KRABBBBBOOOOOOOOOOOMMMM!

A mine!

KRABBBBBLAAAAAAAAMMMM! TOOOOOOTTTT!

And an abandoned Cruise Ship!

Then Another Shinobi exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then caught the Shinobi Ridewatch and purified it.

Nico: YEAH!

We got the weapons that were all over the ground.

Maria and Carol went up to him.

Maria: You're in serious trouble, you piece of shit!

Cory Slade: Oh crap.

But then…

KRASMASSSSSHH!

They punched him in the face and then he crashed into a bunch of conveniently placed Slot Machines and they poured coins and gold bars all over him as he was knocked out! HE WON THE JACKPOT!

Me: That's one way to HIT THE JACKPOT!

Everyone laughed at my joke!

Luan: (LAUGHS) That was a good one J.D.!

Cory was taken back to prison and he was sentenced to eternity in the Neptune Cryoprison.

Maria and Carol were gonna be going on an awesome shopping spree later on.

---

Later back at the Estate we were talking to Rue.

Maria: So, Rue. Tell us how you, Nico, Qin, Poromon, Poliwag, Missy, Erica, and Ellie took Sally down the first time.

Rue Knoxville: Now that is something I will never forget.

She told us that her mother was very overprotective and that she was constantly all over her like a really bad rash. But she did that just because she loved her. Nico and Qin, Poromon, Poliwag, Missy, Erica and Ellie were watching her too but not as bad as her mother. They even defended her from this mean girl bully that was mentally unstable named Sally and she was a monster. Sally cheated her way in everything and didn't care one bit about anyone other than herself and thought she was so much better than everyone else. But if she thought she was going to boss Rue around she had another thing coming. When Sally was about to burn Rue's phone Nico, Rue and the group got into a really big fight with Sally. But as Sally was carted off to the nuthouse because her mom and dad told them she has Histrionic Personality Disorder the Principal had no idea she was teaching a really dangerous and mentally unstable nutcase. Rue won the election for Student Body President fair and square. Sally swore revenge against Nico, Rue, Qin, Missy, Erica, Ellie, Poromon and Poliwag for ruining her life.

Me: She is pure evil incarnate!

Poliwag: And she tried to have Rue framed as a bad person!

Nico: Yeah. But luckily we were on to her from the get go.

Qin: Yeah. I had video evidence to even back it up.

Maria: What happened to Sally after that incident?

Qin: She was disowned by her parents and was the states problem.

Nico: Yep.

Eli: Good riddance.

Poromon: I voted for her first as the Student Body President.

Poliwag: Me too.

Qin: We all did.

Missy Rodgers: Yep we sure did.

Erica: That's for sure.

Me: Awesome. One thing is for sure though, Sally is never going to be well in society ever again.

Qin: That is an absolute fact.

May: Did any of you guys get any rewards for exposing Sally?

Qin: As a matter of fact we did. Because of our heroic deeds we were awarded the schools highest honor.

Rue Knoxville: The Medals of Merit for saving the school from a deranged and mentally unstable monster.

Nico: Yep.

Maria: That is so cool.

Eli: Awesome.

Me: You guys earned it after what she was trying to do.

Lola: Yeah Sally was completely dangerous. She should have never been allowed to go to school at all.

Varie: I agree there. People with Histrionic Personality Disorder only care about one thing and that is only themselves and don't care how they will get it and only will enjoy seeing other people suffer to get what they want. Even if it's all about getting shortcuts too.

Nico: That's right.

Numbuh 1: Alright, guys. You know what today is.

Numbuh 4: The day before we recruit the Den O team?

Numbuh 1: Not just that Numbuh 4. It's also the one year anniversary of when we all destroyed Grandfather.

Me: That's right! I can't believe it was one year ago today.

Lola: Yeah that was amazing!

Camie: We can't wait to hear what that was like.

Kaoruko: Yeah this will be awesome to hear about.

Me: It was awesome and unforgettable.

Nico: Yep. And we're going up to the Moonbase for an awesome barbecue and party.

Numbuh 362: Yeah this will be amazing.

Maria: Let's go over there.

We were off to the Moonbase.

* * *

We arrived at the KND Moonbase.

Numbuh 86: (Scottish Accent) Welcome everyone.

Numbuh 274: Glad you guys could make it.

Me: Wouldn't miss this for anything guys.

Numbuh 9: We're glad you all could join the fun.

Cree Lincoln: It's gonna be so awesome.

We got pizza, pudding, candy, snacks, everything.

Even games and all sorts of fun.

Turbo: I remember speeding you guys over to Grandfather's base.

Me: I remember that too.

Eli: Yeah that was so awesome.

Qin: It sure was.

Camie: Can you go over the full details of the battle?

Me: Sure thing.

I told everyone that hadn't heard about it all about what happened during the events of chapter 1463.

* * *

In England, me and Bhavna were flying over London and we saw that the city was in chaos as people were running for their lives.

Me: Whoa looks like we got here just in time!

Bhavna: (Indian Accent) How long do we have until the War starts?

Bhavna concentrated and groaned as her buttons popped off her shirt.

Me: We have about 5 hours.

Bhavna turned into XERNEAS!

Me: YEAH!

But then we saw a huge PALEOSAURUS and it was running amuck in London.

The **Giant Behemoth** is the titular main antagonist of the 1959 American-British science-fiction monster film *The Giant Behemoth* .

Its vocal sound effects were provided by the late Sydney Wiles.

History

The Giant Behemoth was first mentioned by the old fisherman Thomas Trevethan in his final word "behemoth". He and thousands of dead fish are found washed ashore on a Britain beach. Meanwhile, two scientists named Steve Karnes and James Bickford collect enough samples which lead them to assume radiation was the cause of death, and the "behemoth" is theorized to be some kind of large marine animal that had also been infected by radiation as well.

The next victims of the creature are a man, his son, and their dog. A photo of a huge footprint found at the scene is analyzed by Dr. Sampson, identifying the creature as a *Paleosaurus*, an aquatic dinosaur that could emit an electric pulse, similar to an eel. Karnes suggests that the Behemoth transmits the radiation through its electric pulses, explaining the burn marks found on the fisherman and the other victims.

The radiation is also discovered to be slowly killing the Behemoth. Dr. Samson says that the dying creature might be trying to leave the ocean to head upstream, seeking out shallow waters to where it was born. However, death by radiation poisoning may not come soon enough to prevent the creature from reaching London on the way, where it will likely cause havoc throughout the city.

Karnes and Bickford try to persuade authorities to close the River Thames, but the military believes by tracking the dangerous beast with radar tracking systems will be enough to prevent it from reaching the city. However, the Behemoth is invisible to radar, allowing it to easily swim past their trap. Dr. Sampson and other scientists spot the Behemoth from a Royal Navy helicopter, but even their radar could not track the beast. The Behemoth destroys the helicopter using radioactive emanations, before surfacing in the Thames while capsizing a Woolwich Ferry.

Rising from the Thames, the creature begins its attack on the city, flattening several cars and knocking over buildings onto fleeing citizens. Karnes and Bickford advise the military not to use bombs against the Behemoth, as blowing up the creature would just spread the radiation further and result in more fatalities. Instead, they propose an idea to create a dose made of radium to accelerate the radiation sickness that is already killing the Behemoth. As they prepare the radium dose, the Behemoth finishes its rampage by destroying electric towers and plummeting through London Bridge back into the Thames.

As the Behemoth continues to swim upstream the Thames, Karnes and Bickford set their plan into action using a mini-sub carrying a torpedo filled with radium in pursuit of the monster. During an initial pass, the Behemoth bites the mini-sub, but Karnes convinces the submarine captain to have another one go. The sub manages to fire the torpedo into the monster's mouth, causing it to roar in pain as the radium accelerates the radiation level. Steam rising from the water indicates the monster's demise. However, although the Behemoth is gone for good, Karnes and Bickford hear on the radio about dead fish washing up on the eastern shores of the United States, implying that the Behemoth may not be the last of its kind.

Me: WHOA That's a Paleosaurus.

Bhavna Xerneas: What's a dinosaur doing here.

But then my geiger counter was clicking like mad!

Me: Whoa Bhavna stay back!

Bhavna Xerneas: Why what's wrong?

Me: We can't get near that dinosaur. It's the Radioactive

Paleosaurus from the 1959 movie The Giant Behemoth! My Geiger Counter is picking up Gamma Radiation Levels that are off the scale!

Bhavna Xerneas: It's intensely radioactive!?

Then we saw a massive spike in electromagnetic radiation and it hit a bunch of people and turned them into fried corpses!

Me and Bhavna gasped in horror!

Me: HOLY SHIT!

Bhavna Xerneas: That was terrible!

Me: We can't even get near it because of its intense radioactivity. It's like we're fighting a thermonuclear explosion.

Bhavna Xerneas: Wait what's that?

We saw a small fairy and an Yveltal.

Me: Whoa! That fairy is a Korobokkuru from Japanese Folklore.

Bhavna Xerneas: And an Yveltal is with it.

Me: Yeah. Lets get rid of that dinosaur and I know just how to do it. We're gonna send it into the sun.

Me and Bhavna fired a wave of energy and it carried the Paleosaurus all the way into the Sun and it was completely obliterated in an instant!

Me: That did it!

Yveltal: (Thai Accent) That was great!

Shinotcha: That was amazing! Thank you so much. Hey wow! You're J.D. Knudson, leader of Team Loud Phoenix Storm!

Me: That's right.

Shinotcha: I'm Shinotcha and yes I'm a Korobokkuru.

Yveltal: And I'm Chaem Choi Saengkaew and as you can see I'm also an Yveltal.

Me: Pleasure to meet you both.

Bhavna: I'm Bhavna Radhakrishnan. Pleasure to meet you.

Yveltal: Same here.

Me: What were you doing before you became an Yveltal?

Yveltal: I was sitting at home when I was hit by a dart and then I took a nap and next thing I knew I woke up as an Yveltal.

Me: Geez. I have the power to change you back and you can use all of Yveltal's powers.

Yveltal: I would like that.

Me: Okay.

I put on my blind man glasses.

Me: Here we go. (Snaps fingers)

The Yveltal reverted back to human and she was a girl that had red hair with black highlights and blue eyes and blue sclera and she was naked. Bhavna reverted back too.

Bhavna was human again. But naked.

Bhavna: (covers herself) Chaem, we chose a perfect time to recruit you.

I gave them both towels.

Chaem: (Covers herself) Why is that?

Me: In a couple of hours we're gonna go into battle with the most dangerous and most deadliest adversary we're gonna face: Grandfather, he's the ultimate leader of the Adult Villains of the Kids Next Door and we're gonna need all the help we can get if we're going to stop him for good and make sure he never returns.

Shinotcha: I've heard about Grandfather and how dangerous he is. He is an evil the likes of which no one should ever have to face.

Me: You got that right. Lets get back to the World Tree Estate and rendezvous with everyone for this.

Bhavna: Right.

We went back home.

---

Back at the World Tree Estate, everyone was getting ready for what could very well be the biggest battle ever. We came back.

Me: We're back.

Nico: Glad you could make it. Where's the next girl?

Shinotcha: I'm down here.

Nico saw Shinotcha.

Nico: Wow she's a Korobokkuru from Japanese folklore.

Me: Yep.

Chaem: It's a pleasure to meet you. I'm Chaem and I'm an Yveltal Gene-Slammer.

Nico: Pleasure to meet you Chaem. Anyway we better prepare for battle.

Me: Right.

Lori: I hope no one literally has plans for today.

Cloud Man: Well, I was planning to go patrolling from the clouds. Why?

Lori: Because war is literally upon us.

Nico: Yeah. Grandfather is coming and we have to make sure he pays for his crimes. Flash and Quicksilver are evacuating everyone in the nursing home that Grandfather is at so I can detonate the explosives.

Me: Good. Better to be safe than sorry.

Chaem: Yeah.

Sea: They should be finished any second now.

Then they got back just as she finished saying that.

Flash: We're back. All the staff and people except for Grandfather are out of the nursing home.

Quicksilver: It didn't take that long.

I pulled out a key and put it in a lock and it opened a compartment that showed a detonation panel with a red button.

Me: Care to do the honors Nico?

Nico: You bet.

The LupinRangers came in.

Tree Hugger: (sees the Lupinranger come in) Thanks for coming, guys.

Touma: No problem. Now, what's so important that the three of us had to close Bistrot Jurer early?

Me: We're going into war against Grandfather and we need all the help we can get. Nico was just about to set off the explosives in the nursing home that Grandfather is at.

Eli: Everyone but him is out of there. Now lets see if these explosives will do him in.

Sea: What kinds of explosives did Nico put in?

Nico: 200 pounds of nitroglycerin, 10 pounds of C4, 400 pounds of ammonium nitrate and all kinds of explosives.

Me: This is gonna be big.

Varie: As long as it's not Behrut Explosion big.

Me: You may detonate when ready buddy.

Breakdown: You know if this works, the war will be avoided, right?

Nico: Yep I know. Okay you shitsucking old fuckpot codger, you fuck around with us and we'll see who shits on the sidewalk.

Nico pressed the red button.

BEEP!

Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blew the whole Nursing Home Complex apart in a huge mushroom cloud of fire and smoke and all that was left of it was a massive flaming crater of fire.

Me: BINGO!

Nico: YEAH!

Miia: That did it!

Nico: There. Now we can rest easy.

Anakin: I don't think so! I'm sensing a huge evil signal from the rubble.

Obi-Wan: I feel it too! It's evil and massive!

Me: He's still alive!

Then we saw a terrifying figure arose from the fire of the rubble and it was GRANDFATHER! HE WAS BACK!

Me: OH SHIT ON MY ASS AND FUCK ME SIDEWAYS!?

Miia: Is that Grandfather!?

Numbuh 1: That's him and he is ultimate evil.

Numbuh 0: This is really bad.

He flew off!

Nico: Lets prepare for battle everyone!

Mirage: I think there's 3 more Masters of Evil members that we need to recruit.

Nico: And we better recruit them and fast. I'm leader of this mission since it's my turn. Brittney, you, Eli and Lana will take three groups and go and recruit Mortal Kombat's Scorpion, Leapfrog and Felix Faust.

Brittney: We're on it sir!

Nico: I could get used to this. Rendezvous back here when you all recruited them.

Brittney: Right! Goths, lets move!

Eli: Laney, Raiden you come with me.

Lana: Naruto summon Gamabunta, and Nico you better go with us too.

Nico: I'm on it. But first. SHADOW CLONE!

Nico made a Shadow Clone.

Nico: Keep an eye on everything till we get back.

Nico 2: Right!

They were off.

Eli, Laney and Raiden went and found SCORPION OF MORTAL

---

**Hanzo Hasashi**, better known as **Scorpion**, is an undead ninja warrior and one of the main protagonists and the mascot of the *Mortal Kombat* franchise. Even though he has a neutral alignment, he has done some villainous acts. In *Mortal Kombat: Armageddon*, he allied with the Forces of Darkness to come closer to his enemy, Quan Chi due to having a grudge against the Elder Gods for "restoring" the Shirai Ryu members as undead monsters and not fully humans. He is also the archenemy of Quan Chi.

He is currently voiced by Ron Yuan. Prior to that, he was voiced by Patrick Seitz, who has been doing the role since *Mortal Kombat vs. DC Universe*, and by one of the co-creators of the series, Ed Boon himself, since the very first *Mortal Kombat* game.

Scorpion was born has Hanzo Hasashi to the Shirai Ryu Ninja clan. He was among the best warriors in the clan. As a result, he earned the name Scorpion do to his impressive abilities.

*Mortal Kombat Mythologies: Sub-Zero*

All changed however when he was given a mission by the evil Quan Chi to steal the Map of Elements from the Order of Light's Temple. While he was there, he was killed by Sub-Zero, a member of their rivals, the Lin Kuei. As a result, his entire family and clan were slaughtered by Quan Chi as a payment to Sub-Zero. Because of the fact he died, his soul was sent to the Netherrealm, While in there, he fought Sub-Zero again but was once again defeated. Scorpion vowed revenge on Sub-Zero due to his family's demise and his defeat.

*Mortal Kombat* (1992)

Two years later, he was finally able to leave the Netherrealm and return to Earthrealm. He went there to participate in Shang Tsung's tournament to defeat Sub-Zero and avenge his family as well as his clan due to Quan Chi's deception. He was not able to make it to Sub-Zero at first, but after Liu Kang defeated Goro, he got his opportunity to kill Sub-Zero while he was unguarded. He did exactly that, finally getting revenge in his mind, so he was sent back to the Netherrealm.

### *Mortal Kombat II*

Due to being in the Netherrealm, he was able to find out about a tournament hosted by Shao Kahn, the ruler of the Outworld. He was angered when he found out that Sub-Zero somehow returned back to life, unaware that it was actually his younger brother. So in order to finish what he started, Scorpion entered Shao Khan's tournament. However, during one of Sub-Zero's battles, he witnessed him sparing his opponent's life, which caused Scorpion to have some doubts about this person. He would eventually find out that this Sub-Zero was not his murderer, but in fact, his younger brother having taken up his older brother's mantle. To atone for slaying Sub-Zero's older brother, he decided to dedicate himself to protecting the new Sub-Zero.

### *Ultimate Mortal Kombat 3*

When Shao Khan invaded Earthrealm and tried to conquer Netherrealm but failed, Scorpion was accidentally set free. He initially didn't pledge allegiance to anyone, but when Shao Kahn noticed Scorpion's expertise in fighting, he decided to recruit him to his army. The alliance didn't last very long, however, as Scorpion discovered that when he learned Sub-Zero was one of Earth's chosen warriors and therefore one of Shao Kahn's targets. Due to this, Scorpion turned on Shao Khan and helped Earthrealm defeat him. They succeed and because of that, Scorpion returns back to the Netherrealm.

### *Mortal Kombat 4*

At some point, Quan Chi was somehow able to convince that the new Sub-Zero was in some way responsible for his wife and child's death. After he was tricked into believing this, he swore revenge on Sub-Zero. However, just before Scorpion was about to kill Sub-Zero, Quan Chi appeared and told him that he was actually responsible for his family's death to get Scorpion to break his promise of protecting Sub-Zero. Quan Chi then attempted to banish Scorpion to the

Netherrealm, but Scorpion, thinking quickly, tackled Quan Chi and banished both of them to the Netherrealm.

## *Mortal Kombat: Deadly Alliance*

During the many years that Scorpion and Quan Chi were in the Netherrealm, Quan Chi would be tortured by Scorpion. Quan Chi seemed to have very little chance of escaping because his powers were slowly weakening while Scorpions was getting stronger (the reason for this is they were in a different part of the realm). To escape, Quan Chi struck a deal with Drahmin and Moloch. The two fought off Scorpion, which gave Quan Chi enough time to escape the Netherrealm through a portal, Scorpion following him. Scorpion continued to chase Quan Chi until he found his way to Shang Tsung's Palace. While he was at the palace, he was ambushed by Drahmin and Moloch, who had just escaped the Netherrealm. Scorpion tried to fight them off, but they overpowered him and threw him into the Soulnado, believing it would eliminate the ninja once and for all.

## *Mortal Kombat: Deception*

However, Scorpion was able to escape into the void and meet the Elder Gods. There, he also witnessed Raiden's sacrifice and Onaga beginning his conquest. The Elder Gods were aware of his presence as well as the incredible skills and abilities he possessed, so the made him the champion of the Elder Gods. His first mission was to destroy Onaga before he conquered all the realms. Scorpion is next seen in Konquest mode before Onaga goes to retrieve the Amulet from Quan Chi. Scorpion fights Shujinko in the name of the Elder Gods, but Shujinko won the battle. In his ending, it is said that Scorpion tracked Onaga through the realms to fight him, but it's unknown if he fought him, as it is known that Shujinko defeated Naga.

## *Mortal Kombat: Armageddon*

Later on, Scorpion's alliance with the Elder Gods had fallen apart. This was due to the fact that they promised to resurrect the Shirai Ryu clan along with his wife and son, which although they did, they were brought back as Hellspawn. Scorpion was angry at what he thought of as their betrayal, and vowed revenge on the Elder Gods by removing the two things critical to their plans to prevent Armageddon, the Edenian brothers Taven and Daegon.

When Armageddon is summoned, Scorpion joins the Forces of Darkness. Scorpion is one of the consistent that makes it the highest, but he is also one of the many killed seen with his back pierced by Sub-Zero's Kori Blade, ending this version of Scorpion permanently.

*Mortal Kombat vs. DC Universe*

Scorpion first appears in Liu Kang's chapter, attempting to kill Sub-Zero. Liu Kang saves Sub-Zero's life by shoving him out of the path of Scorpion's Kunai and deflecting it, which allows Sub-Zero to escape. Scorpion enraged that Sub-Zero got away again, challenges Liu Kang to a battle. Scorpion loses that battle and is badly injured in the process, reeling in pain. Scorpion is then suddenly surrounded, which confuses him causing Scorpion to vanish with The Flash appearing in his place.

Scorpion then reappears in the bat cave right in front of the dark knight. Scorpion believed he was Sub-Zero in disguise, so he challenged Batman, but due to his weekend state he was easily defeated and batman took him away for studying. Batman brought the unconscious Scorpion along in his investigation in Gotham City, but he was able to escape in the confusion of the Joker and Liu Kang's arrival.

He would later reunite with Quan Chi and also pull Sub-Zero into the Netherrealm. He challenged Sub-Zero to mortal combat believing he was his family's murderer with Quan Chi goading him. As Scorpion and Sub-Zero fought, the merging of the realms spread into the Netherrealm itself, allowing Quan Chi to escape. Scorpion then sent Sub-Zero back to Raiden and then was ordered to find Kitana.

Scorpion would later return to Gotham, where he was confronted by the Joker. Scorpion didn't have the patience to deal with him at first, and he tried walking away but became enraged when he was struck from behind by The Joker, so Scorpion fought him. Scorpion was easily able to defeat the Joker. Scorpion decided to spare his life and teleported to Themyscira, where he encountered Wonder Woman. He told Wonder Woman of his mission to find the princess, but when Diana thought he was referring to her and offered her help, he refused her offer before challenging and defeating her in battle.

Scorpion would travel to Metropolis where he encountered Superman. Like with Wonder Woman, Scorpion refused Superman's help, and Scorpion replied with a fire covered kick. The kick shocked Superman, who realized that his powers were coming from sorcery. Due to Superman's weakness to magic, Scorpion was able to defeat him and pushed him to a car where he encountered Kitana. He quickly realized she was infected with the Kombat Rage, so he battled her, Scorpion was able to subdue Kitana but unable to hold her off for much longer, so he called out to Quan Chi.

Quan Chi later appeared along with Baraka and Shang Tsung. Quan Chi used his magic to place Kitana under his control. Quan Chi then spotted Shazam approaching and ordered the three to deal with him in the Netherrealm while he went to Raiden. The three sprang their trap, but they were defeated by Captain Marvel so they retreated. They followed after Quan Chi and Scorpion witnessed Quan Chi use the last of his magic to restore Kitana to sanity, pleading with Raiden to work with them to save the world.

Raiden agreed, and so both Forces of Light and Darkness united, with Scorpion and Sub-Zero teaming up to face Lex Luthor and Catwoman in the Wu Shi Academy. Luthor defeated both of them while under the Kombat Rage's influence. Scorpion then joined up with the United Forces of Light and Darkness on their journey to the merged Apokolips/Outworld and due to Dark Kahn's influence, he came under the effects of the Rage and faced the Flash in the final battle with the DC Universe.

Scorpion was knocked out as a result, but he revived in time to witness the realms be restored after Dark Kahn's destruction.

Alternate Timeline

Scorpion's backstory is similar to his original version. He was once a member of the Shirai Ryu, a clan of ninjas known for bringing Ninjitsu and other secret martial arts to Japan from China. He also had a wife and child. However, his entire clan and his wife and child were killed by Quan Chi who disguised himself as Sub-Zero, a ninja for the Lin Kuei rival clan, to frame him. Scorpion would die but was revived by Quan Chi to be his servant.

Under Quan Chi's command, Scorpion entered Shang Tsung's tournament to what he believed get revenge for the death of his family by killing Sub-Zero who he believed to be their killer. When Scorpion arrived, he immediately demanded that Shang Tsung let him fight Sub-Zero. However, he is challenged by Kung Lao. Scorpion is able to defeat Kung Lao and again demands to fight Sub-Zero, but Shang refuses, saying he would demand nothing, Shang Tsung then assigns Scorpion his next opponent, Nightwolf. Nightwolf tries to talk Scorpion down his path of revenge and that his aggression is misplaced, but Scorpion ignored him and beat Nightwolf in a fight. Scorpion, more sternly this time, again demanded to fade Sub-Zero. Scorpion's previous victories had impressed Shang Tsung enough, so he told Scorpion that he will have his fight against Sub-Zero soon enough.

Since Raiden had been having visions, he saw the future where Scorpion kills Sub-Zero and the latter is reborn as Noob Saibot, Raiden pleaded with Scorpion not to kill Sub-Zero. Scorpion refuses at first, but then Raiden promised Scorpion he would request that the Elder Gods bring back the Shirai Ryu clan. Scorpion thinks about the offer for a bit and nods his head saying yes.

Later Scorpion was by Lin Kuei assassins, Sektor and Cyrax who both mocked his family's death, but Scorpion kept his calm nature and stated that his clan would walk the earth again. Upon hearing this, an angered Cyrax shoved Scorpion, and Shang Tsung saw this as a challenge and declared that Scorpion would fight Cyrax and Sektor.

Eventually, Scorpion was able to defeat them, but right after he was confronted by his enemy Sub-Zero who disrespected his family and clan's death. Scorpion was enraged to hear this, so he took both of them to the Netherrealm. While there the two would fight in Mortal Kombat, Scorpion emerged victoriously but do to his deal decided to spare his life until Quan Chi appeared and urged Scorpion to kill Sub-Zero which Scorpion refused to do. Quan Chi, knowing

Scorpion needed to be provoked, conjured up fake images of his family and clan being mercilessly slaughtered by Sub-Zero. Sub-Zero begged for Mercy saying it was not him, but Scorpion but didn't believe him, so Scorpion ripped the mask from his head, revealing a skull engulfed in flames.

Back in the throne room of Shang Tsung, Scorpion reappeared and Shang Tsung smiles in anticipation. Wordlessly, Scorpion held up a scorched skull with the spinal cord attached. Scorpion had killed Sub-Zero, breaking his deal with Raiden. His head hung low, Scorpion dropped the skull onto the floor shattering it and then he burst out a loud scream, then he burst into flames and disappeared. Near the first tournament's end, Scorpion fought alongside Quan Chi to best Liu Kang, the last Earthrealm warrior in the tournament, but even his and Quan Chi's combined power and effort were not enough to stop Liu Kang.

During Shao Khan's Mortal Kombat tournament, Scorpion was once again summoned by Quan Chi to fight Sub-Zero. While there, Scorpion quickly realized this was not the same Sub-Zero when the new Sub-Zero proclaimed he would fight in his fallen brother's honor. Scorpion proclaimed he had no honor and the two fought. Eventually Sub-Zero gained the upper hand, but just before he was going to finish Scorpion off some Lin Kuei cyborgs captured him giving Scorpion the opportunity to flee.

During Shao Khan's invasion, Scorpion was confronted by Raiden where he expressed his disappointment that he was still working for Quan Chi. Raiden requested to speak with Quan Chi, but Scorpion refused. Raiden angrily then accused Scorpion of not saving his family, which caused Scorpion to become enraged. The two of them then battle, but Scorpion lost and was teleported away as Quan Chi appeared.

*Mortal Kombat 11*

Due to Kronika's timequake, past Scorpion gets brought into the present. Hoping Kronika can resurrect his family, Scorpion sides with her. He first confronts Liu Kang and Kung Lao within the Dragon Grotto under Wu Shi Academy, which ends up activating the Grotto's traps. Scorpion is defeated with Kung Lao finding out that stopping the traps is impossible. Scorpion disappears to escape the poison gas, and later returns alongside the past version of Jade to fight them. He is later defeated again and knowing he has lost, Scorpion escapes.

Meanwhile, a time-displaced Sektor and Cyrax start kidnapping the new Lin Kuei clansmen into a cybernetic army. Hanzo is alerted to the cybernetic army's return, and he immediately heads over there to assist Sub-Zero in stopping the army before they will attack the new Shirai-Ryu, as Sektor did in the past. He and Sub-Zero eventually infiltrate the cave, defeat Frost and Noob Saibot, free Cyrax from the enslavement protocol, and kill Sektor.

Due to the destruction of many of Earthrealm's bases, Hanzo welcomes his surviving allies to the Shirai-Ryu Fire Garden as the only base left. Hanzo and the other heroes learn about the Elder God's demise and that Kronika is Shinnok's and Cetrion's mom. Hanzo realizes Kronika is indirectly responsible for his family's death due to being Shinnok's mother and Quan Chi working for Shinnok, and so, Scorpion decides to join in the fight against Kronika. He and Sub-Zero go to Kharon's house while scouting Kronika's remaining army, led by Cetrion in the Netherrealm. Hanzo then tells Sub-Zero to return to Earthrealm while the former plans to convince Kharon to join forces against Kronika.

Scorpion also arrives after Hanzo defeats D'Vorah, who was torturing Kharon for refusing to assist Kronika. Scorpion still believes Kronika can revive his clan to their former glory, viewing the present Hanzo's Shirai Ryu as tainted and imperfect. So the two Scorpions fight, Hanzo ends up winning, but doesn't kill his past self knowing he is only doing what he is to restore their wife and son. So in order to convince his past self, Hanzo tells Scorpion that Kronika is planning to resurrect Shinnok, the man responsible for their family's death. But due to being distracted, Hanzo is ambushed by D'Vorah, who poisons him with her venomous pincers, Scorpion, convinced by Hanzo's words, slices off her pincers and forces her to retreat. Hanzo tells his past self that the Shirai Ryu are defined by their heart, not blood, before dying in Scorpion's arms.

Scorpion realizes his present self is right to join the Earthrealm heroes against Kronika, but unfortunately, he ends up being erased when Kronika reverts time back to the beginning.

Scorpion (Mortal Kombat): So the famous Team Loud Phoenix Storm has come.

Eli: (Kung Fu Bow) It's an honor to meet you Scorpion.

Mortal Kombat Scorpion: (to Raiden) Raiden, please tell me the truth. Was Sub Zero really the one who killed my family and my clan?

Raiden: No Scorpion. It was really Quan Chi that did it.

Laney: That's right.

Mortal Kombat Scorpion: Is that true?

Eli: Search your feelings. You know it to be true.

Mortal Kombat Scorpion then exploded in a massive pillar of fire and he roared in incredible fury!

Mortal Kombat Scorpion: I WILL TEAR THAT MOTHERFUCKERS HEAD OFF FOR THIS AND MOUNT IT ON A PIKE!

Eli: Save seconds for us.

Mortal Kombat Scorpion: But I know that you didn't come all this way to reveal the truth to me.

Raiden: Not just that. There's a huge war coming. Grandfather has returned.

Mortal Kombat Scorpion gasped!

Mortal Kombat Scorpion: Did you say Grandfather? He's back!?

Eli: Yeah he is and we need your help to destroy him for good.

Laney: Yeah.

Mortal Kombat Scorpion: Count me in.

The Goths of Darkness went to a castle and there they found FELIX FAUST!

---

**Felix Faust** is a powerful sorcerer native to the DC Comics universe and a man who has sold his soul to demons multiple times in his quest for power. He is a recurring enemy of the Justice League and heroes that seek to balance magic such as Doctor Fate, Zatanna and Wonder Woman.

Felix Faust has a talent for enslaving others to his will via dark magic and transforming them into thralls. This particular trait plays a major role in the early quests for heroes loyal to Wonder Woman in *DC Universe Online*, where they battle the minions of Felix Faust to save Zatanna from his evil spells.

Past

Felix Faust's origins are for the most part unknown. However, the first recorded whereabouts of Felix Faust is from 5,000 BC, at which time he appeared in the legendary African empire of Kor. The king of Kor was Nommo, the prime wizard of his time and the guardian of the mystic power called the Flame of Life. The evil sorcerer battled Nommo, attempting to use the Flame's power to his own corrupt ends. Nommo then called the Flame of Life into himself, defeating the sorcerer by banishing him to another dimension.

In the mid-1920s, a madman and aspiring magician named Dekan Drache stumbled upon the dimension and managed to open a portal to it. Released, the sorcerer destroyed Drache's soul and entered his body. However, though alive on Earth once more, the sorcerer found his powers drastically reduced.

Obsessed with restoring his mystic might, the sorcerer read the story of how the man called Faust had sold his soul to the devil for supernatural powers, and decided to do the same. Inspired by the story's main character, the sorcerer now called himself Felix Faust and began a never-ending quest for mystical knowledge.

Felix Faust first appeared in the comic, Justice League of America, vol. 1, #10 (March 1962), when he tried to gain some of his lost magical abilities by contacting the Demons Three, three fictional demons in the DC Universe. These three demons were brothers who ruled the galaxy a billion years ago before being banished by beings known as the Timeless Ones. The Demons Three have tried to return time and again, summoned by Felix Faust and others, their attempts always foiled by the Justice League. Felix Faust tried to summon the power of the Demons Three by possessing three artifacts: the Green Bell of Uthool, the Silver Wheel of Nyorlath, and the Red Jar of Calythos, that had been created by the Demons, and which the Timeless Ones could not destroy or move from Earth. Pre-Crisis they claimed a spell using the artifacts would free them in 100 years, but in that time the caster of the spell would be able to command them.

In order to accomplish this task, he takes control of the JLA with the Demon's help, who find and defeat the artifact's guardians and bring them to Faust who begins the spell, but Aquaman is able to break the spell by distracting him using his control of fish. The Sorcerer is then taken to prison, and the JLA soon after find out about the Demons escape and re-imprison them. Pre-Crisis he was a member of the Crime Champions, a trio of Earth-1 criminals who teamed up with a trio of Earth-2 villains to commit crimes, then escaped to the other world using a vibratory device accidentally discovered by the Fiddler.

Felix Faust robbed a million dollars from a sunken ship and escaped Aquaman, the Martian Manhunter and the Atom. Later the Earth-2 Crime Champions impersonated the Earth-1 Crime Champions using the Wizard's magic, in an attempt to trap the JLA. The Fiddler impersonated Felix Faust. They robbed Casino Town (evidently based on Las Vegas), and 'Felix Faust' contacted the JLA. The Fiddler was oddly enough able to cast spells like Faust, and battled Aquaman, the Martian Manhunter, and the Atom. The real Felix Faust, while robbing a fair on Earth-2 was confronted by Green Arrow, the Manhunter, and the Atom, but despite casting a spell that made them spin in midair he was knocked out by the Atom. When the Crime Champions were fully defeated, Doctor Fate, Batman, and the Earth-1 Flash defeated Faust.

Over the years, Faust's hunger for magical power proved very costly to him. He has bargained his soul for knowledge away on many occasions, only to buy it back later when his acquisitions failed to help him meet his goals; every time, he'd end up worse than before. Eventually, he found it difficult to find any mystics willing to purchase his tarnished soul. Finally, he tried to trick the demon Neron into giving him power by offering the pure soul of an innocent girl he murdered in lieu of his own. Unfortunately for him, Neron saw through the ruse and punished Faust by setting the girl's vengeful spirit upon him. For a time, Faust's damned soul languished in a hellish plane for magicians who had abused or ignored the laws of magic.

### *52*

During the event known as 52, a voice from within the helm of Doctor Fate speaks to Ralph Dibny and promises to fulfill his desires if he makes certain sacrifices. Dibny journeys with the helm through the afterlives of several cultures, where he is cautioned about the use of magic and sees Felix Faust. He is told about their deals by the voice. The Spectre promises to resurrect his late wife Sue in exchange for Dibny's taking vengeance on her murderer, Jean Loring, but Dibny is unable to do so.

At Nanda Parbat, Rama Kushna tells Dibny, "The end is already written." In Doctor Fate's tower, Dibny begins the spell to resurrect Sue, puts on the helmet of Fate, and shoots it, revealing Felix Faust, who was posing as Nabu. Faust planned to trade Dibny's soul to Neron in exchange for his own freedom.

Ralph reveals that he was aware of Faust's identity for some time, and that the binding spell surrounding the tower is designed to imprison Faust, not to counter any negative effects of the spell. Neron appears and kills Dibny, only to realize too late that the binding spell responds only to Dibny's commands: through his death Ralph has trapped Faust and Neron in the tower.

*One Year Later*

One year after Infinite Crisis, with Neron having already escaped, Faust escapes from the Tower of Fate with the help of Black Adam through the aid of a revived Isis, and contacted Red Tornado's soul which was still adrift after fighting Alexander Luthor alongside Donna Troy, the Green Lantern Corps, and their allies. Working with Dr. Impossible, Professor Ivo, and Solomon Grundy, Faust posed as Deadman and offered the android his heart's desire: a human body. The Tornado accepted, and Faust bound his soul into his new body. Faust and his allies then stole the Red Tornado's original android body for their own purposes.

After lending his concealment spells to Cheetah, Faust joined with Talia al Ghul in order to corrupt yet another hero: Black Alice. Faust offered Alice power, wealth, a place in the Secret Society of Super Villains, and the resurrection of her mother, but Alice refused, sent Faust out of town, and tapped into his powers so she could perform the resurrection herself. After this, Faust seemed to rejoin the Society.

On the cover of the comic Justice League of America (vol. 2) #13, it shows Felix Faust as a member of the latest incarnation of the Injustice League.

### *Post-Final Crisis*

As a member of Cheetah's Secret Society of Super Villains, Felix Faust played a part in the creation of Genocide when he used his magic to animate the collected soil samples.

### Further Appearances

Felix Faust has been shown retaining his control over Isis even after he used her powers to free himself from Fate Towers by creating a doorway. Forced to keep Isis under a powerful sedation spell at all times, he's implied to regularly sexually abuse the young goddess. Still unable to communicate, Isis manages to signal her husband Black Adam to her aid via a trail of Isis flowers. Once Black Adam discovers Isis he forces Faust to free his wife, who in retaliation castrates Faust with her bare hands before leaving, sparing his life.

### *The New 52*

In The New 52 (a reboot of the DC Comics universe), Felix Faust is sporting a more macabre, emaciated appearance. He captures Doctor Mist after the hero attempts to infiltrate his cult, leading to the Justice League Dark being sent in to rescue him. After Faust is knocked out by Black Orchid, the heroes find a map leading to the Books of Magic in his possession.

During the Forever Evil storyline, Felix Faust is among the villains recruited by the Crime Syndicate to join the Secret Society of Super Villains. In the pages of Forever Evil: Blight, Felix Faust and Nick Necro are seen torturing Mindwarp for Ultraman, eventually killing him, in an attempt to create rechargeable specimens, having previously done so with Sargon the Sorcerer.

When John Constantine's group arrives in the Nanda Parbat temple, they eventually come across the project that Nick Necro and Felix Faust has been working on. They see Black Orchid, Cassandra Craft, Shade, the Changing Man, Enchantress, Blackbriar Thorn, Blue Devil, Papa Midnite, Sargon the Sorcerer, and Zatanna being held for the use in the Crime Syndicate's weapons program to use against the entity that destroyed their world. Constantine realizes that Nightmare Nurse is not herself, actually Necro in disguise. The two fight and Constantine is able to stop Necro in order to try and free Zatanna. Before he is able to, his is captured by Felix Faust. Constantine senses his team getting closer and hopes they will help him, not realizing that they have been captured too in order to be used for the project.

*DC Rebirth*

Felix Faust appears as one of the supervillains refusing to be hired by Henry Bendix in order to kill Midnighter and Apollo.

---

Brittney: Felix Faust, it's a pleasure to meet you.

Felix Faust: The famous Goths of Darkness of Team Loud Phoenix Storm. It's an honor to have you all here.

Shadow Lucy: We're glad we could come.

Felix Faust: (to Yumi) Before you say anything, I want to say that it was I who teleported Octavious' Sinister Six group to the Island Paul was banished to so they could kill him the first time.

Brittney: That explains why they vanished after that battle. We owe you for that. But we didn't come here to reminisce on past battles. We got a really bad situation here. Grandfather has returned and he's going to try and finish what he started in the past and destroy everything.

Shadow Lucy: And if we don't stop him we have no future.

Felix Faust: I see. I've heard about Grandfather. I will help you all.

Brittney: Great.

Lastly, Nico, Lana, Naruto and Gamabunta were in a swamp to find

Vincent Patilio A.K.A. Leap-Frog!

---

**Leap-Frog** is a supervillain alias used by two different minor characters in *Marvel Comics* . While wearing the Leap-Frog suit, the wearer receives enhanced durability and strength and the ability to leap great distances. They are both enemies of Daredevil.

Vincent Patilio

Tired of his lack of success as an inventor, Vincent Patilio designed himself a frog-like costume incorporating his latest invention: electrically powered leaping coils. Calling himself Leap Frog, Patilio was defeated in both attempts at a criminal career by the hero Daredevil. After being defeated by Iron Man, Patilio was sent to jail.

Patilio served his time in prison and then returned to his wife Rose and young son Eugene. Rose's salary kept the family financially solvent until she died of cancer. Barely making enough money to support himself and his son, Patilio fell into despair. At this time, his son Eugene donned a version of his costume to attempt to create a heroic career as Frog-Man. Patilio was proud of his son for capturing the villain Speed Demon, but his pride turned to disapproval as Eugene continued to serve as a superhero. Patilio forbade his son to adventure as Frog-Man.

When the villainess White Rabbit reappeared, Patilio went undercover to join her gang on behalf of the police, which brought him into conflict with his son, who, as Frog-Man, tried to take down the White Rabbit. Patilio ultimately defeated the White Rabbit with the help of his son.

Presumably, Patilio remains retired from adventuring.

---

They found him and were standing before LEAP-FROG!

Leap-Frog: So Team Loud Phoenix Storm has come.

Nico: Vincent Patilio A.K.A. Leap-Frog. Pleasure to meet you.

Leap-Frog: Same here.

Lana: Glad we found you.

Leap Frog: (to Nico) Is it true? That Peter Parker is Spider Man?

Nico: Every single word of it.

Lana: It's true.

Gamabunta: I am amazed about that. But I'm afraid we didn't come here to just confirm that for you.

Leap Frog: What did you come here for?

Lana: Grandfather has returned and he's going to destroy the planet if we don't stop him!

Leap Frog gasped.

Leap Frog: Oh man! I'll gladly help you all.

Naruto: That was easy.

Leap Frog: (to Spidey) So, Peter Parker, huh? (smiles) If it's all the same to you, I'll stick to Spder Man.

Spiderman: Thanks Vincent.

Me: Company, ATTENTION!

Then we stood in attention Nico stepped out and he was wearing a General Hat.

Nico came and faced us.

Nico: All right listen up! This is for all you new people. I only have one rule: Everyone fights and no one quits. You don't do your job, I'll send you all back here for the rest of the mission. Do you get me!?

Everyone: WE GET YOU SIR!

Nico: Welcome to the Roughnecks.

Me: NICO'S ROUGHNECKS!

Everyone: (SPARTAN GRUNT)

Nico: At ease everyone. Now as you all know, we are on the precipice of war yet again. We have a new enemy and his name is Grandfather. He is one of the most ruthless enemies of the Kids Next Door. He tried to enslave the world.

Nico went over his history.

---

Grandfather is the main antagonist of Cartoon Network's 3rd animated feature film, Codename: Kids Next Door Operation: Z.E.R.O.. He is by far the most powerful and evil villain, as well as the overarching antagonist of the Codename: Kids Next Door series.

He is an extremely powerful and tyrannical being who once ruled the world before he was overthrown by his elder son, Monty Uno. Many years later, he was revived by his younger son and successor, Father, and began transforming the people of the world into Senior Citi-zombies. Grandfather is very tall and lanky, and significantly taller than a normal person. He had a bald head and a large beard with long, scraggly strands of hair. He is also the grandfather of Nigel Uno (Numbuh 1), and Number Zero/Monty Uno's father and arch-nemesis.

He was voiced by Neil Ross, who also voiced Norman Osborn/ Green Goblin in Spider-Man: The Animated Series, the Cyclops in The SpongeBob SquarePants Movie, and Colonel Volgin in Metal Gear Solid 3: Snake Eater.

During the Victorian Era, Grandfather (back then known as Pappy) ruled the world with an iron fist and forced all children to work in his tapioca factories. One day, his son, Monty Uno, discovered the Book of KND, led an uprising of children and defeated his evil father by erasing memories and powers.

During the dawn of the 21st century, Grandfather's other son, Benedict Uno, used the Recommissioning Module on Grandfather, then a decrepit old man, to restore his former self, and expected to work together with him to destroy the Kids Next Door and rule the world alongside him. However, Grandfather shunned his son and ordered him to leave, calling him a failure and claiming that he liked his other son more.

He then revealed his plan: To turn all of the kids in the world into Senior Citi-zombies, as well as everyone who was ever a kid. The villains cheered, until they realized that they all used to be children and that this amounted to every person in the world. They tried to flee, but in vain. Once Grandfather turned all of them into his zombie minions, he ordered them to invade the Kids Next Door's treehouses throughout the world, turn them into zombies as well, and turn their treehouses into tapioca factories. Soon, every nearly KND operative (and presumably every person) on the planet was transformed, save for Numbuh 1, who would commission his father by the name of Numbuh 0 again.

After establishing his rule over the world, Grandfather turned his efforts to finding and destroying the Book of KND, as it could provide children with hope; the only thing that could defeat him. Grandfather arrived near its location just in time to be confronted by his son Monty, who was carrying the book in his back pocket. Monty wrestled with Grandfather until he found the Book of KND. Monty was able to resist Grandfather's power, but soon began to succumb to it.

Monty was able to fight off Grandfather long enough for Sector V to launch the KND Moonbase at him, and seemingly destroyed him. However, Grandfather survived relatively unscathed and emerged from the wreckage, only to find out that he was standing in a Decommissioning Chamber from the Moonbase. Grandfather and Numbuh 0 were both decommissioned once again, and turned back into their harmless, and clueless adult selves. This causes all of the Senior Citi-Zombies to turn back into their regular selves too.

---

When he was finished everyone that hadn't heard it was horrified.

Nico: Horrifying isn't it? Now Grandfather has returned and we have to stop him no matter what. Failure is not an option and we have to stop Grandfather at all costs or the entire planet as we know it will cease to exist. Grandfather picked the wrong time to return. Scans show that he went to the ruins of the Delightful Children's Mansion in Virginia. TEAM LOUD PHOENIX STORM, TONIGHT WE DINE IN ADULT HELL!

Everyone: (300 SPARTAN GRUNTS!)

We cheered.

Nico: All right we leave in one hour. Use this time to get ready and J.D. send out an emergency message to everyone on Earth and let them know.

Me: Yes sir General Nico.

Nico: General Nico. I like that. Dismissed!

I went to the broadcast room and got on the emergency frequency.

Me: Attention all citizens of Earth. This is a Code ΩΞΓΣ emergency message from everyone on Team Loud Phoenix Storm. The ultimate evil villain of the Kids Next Door, Grandfather has returned and he is back to destroy the entire planet. In less than an hour we're gonna go into war against this evil monster and make sure he never succeeds in exterminating the entire human race. He tried to do this once before and now he has returned to try and do so again. Grandfather is the ultimate personification of pure evil incarnate and we are gonna head out to stop him. Grandfather will pay for everything he did in the past and we're not going to let him take away our planet, our future and our free will. This is our world and monsters like him are never gonna be welcome here! Team Loud Phoenix Storm will not allow it and the world will be saved from him!

Everyone cheered wildly for me!

We were getting ready.

Mortal Kombat Scorpion: (to Sub Zero) I know now that it wasn't you who killed my clan and family.

Me: It was Quan Chi. And he will pay for his crimes.

Sub Zero: I knew it was him.

Eli: Me too.

Laney: We'll make that monster pay later on.

Felix Faust: (to Ash) I'm guessing you're grateful to me for indirectly causing Paul's first death.

Ash: You better believe I am.

Pikachu: Pika!

Dawn: That monster had it coming.

Lynn: You bet he did.

?: Don't forget me.

A figure came out and it was KERBERO GANGAN from episode 34 of LupinRanger VS PatRanger!

Touma: Kerbero Gangan!

Me: I remember you! You have quite a vast knowledge of guns and like collecting them. Also you stole a powerful gun from a museum and that was the Lupin Magnum!

Kerbero Gangan: That's right. Looks like you all need my help.

Me: We need all the help we can get.

Nico: All right everyone. Lets head on out. Scans show that he is at the ruins of where the Delightful Mansion used to be. Lets roll!

We were off!

---

SECTOR V - VIRGINIA

We arrived in Sector V in Virginia and we saw that Grandfather had turned the ruins of the Delightful Mansion into a malevolent fortress. Grandfather's evil fortress looked like a true fortress from the fire of Hell. We were hiding on the rocks and the landscape was also turned into a volcanic landscape with lava cascades and more.

Nico: Whoa so that's his new fortress.

Me: It looks like a true fortress from Hell.

Numbuh 1: It sure looks terrifying.

Nico: It sure does. Hard to imagine he's that evil. He would make even the Devil himself whimper in fear.

Me: Yeah.

We saw that he had tons of Senior Citi-Zombies all around the fortress. But they were all thugs that we all took down in the past.

Me: I know all those guys. Those Senior Citi-Zombies are all thugs that we took down in the past.

Nico: Whoa.

Laney: They sure look awful.

Turbo then came.

Nico: Thanks for getting my message, Turbo.

Turbo: No problem. You guys save your energy. I'll deal with these guys before getting you to where you need to go!

Nico: Awesome.

Turbo: Time to burn rubber!

ZZZOOOOOOOOOOOOOOOOMMMMMMMM!

He zoomed fast and smashed through countless Senior Citi-Zombies.

Nico: Now's our chance! CHARGE!

We ran fast and roared at the top of our lungs through the blockade of Senior Citi-Zombies!

Nico: PORCUPINE!

We formed shields and spears and ran and skewered many Senior Citi-Zombies like in the movie 300 and in our adventures as the Brave 12 with the Spartans.

Samurai Jack: This brings back memories.

Me: It sure does Jack.

We then busted in through the door of the fortress. Turbo came to us.

Maria: Thanks, Turbo. You sure you don't want to stick around?

Turbo: Sorry. Got to head back to my home. Just in case Grandfather's goons try to attack it.

Nico: Okay and thanks for the help Turbo. We owe you one.

Turbo: Anytime. (To the viewers) See you all on August 26th.

ZOOOOOOOOOOOOMMMMMM!

He zoomed off home.

Nico: Lets go and stay alert.

Me: Yes sir.

We went into the fortress and it was a terrifying fortress. It looked like a castle that the Devil Himself would like.

Nico: Wow this castle is terrifying.

Me: The decoration in this place is terrible.

?: That's a matter of opinion sonny.

We saw GRANDFATHER!

Nico: I had a feeling you were gonna make a big entrance.

Grandfather: I didn't appreciate that explosion you gave me!

Nico: Well, before I finish the job, how did you even regain your powers?

Grandfather: It was thanks to this my friend.

He showed that he had a DARK ORB IMBEDDED IN HIS CHEST!

Eli: He has a Dark Orb on him!

Me: He must've been hiding it the entire time!

Grandfather: That is right! And I have many friends for you all to play with for my amusement! (Snaps fingers)

Out came a massive number of Patrick Mini-Clones!

Me: Mini-Patrick's!?

Evil Patrick 1: It's not just that. We are the Starfish that were slain from the very universe where the Tormented one was killed.

We gasped.

Nico: You're the insane Patrick's from that comic book BIkini Bottom Horror!

Eli: You're the Patrick's that lost their marbles!

SpongeBob: I can't believe that you would become like this Patrick!

Patrick: YEAH! This is NOT LIKE ME!

Mr. Krabs: You would never resort to murder like this lad!

Evil Patrick 2: It's because you did this to us Krabs!

Evil Patrick 3: You stole a piece of us and used it to feed Bikini

Bottom me!

Evil Patrick 4: And you will pay for it!

Evil Patrick 5: As you know, our nervous systems aren't centralized.

Evil Patrick 6: They are spread throughout our limbs.

Evil Patrick 7: So when I ate an undercooked patty…

Evil Patrick 8: The memory cells fused with my own.

Evil Patrick 9: Endowing me with my copies endless nightmares.

Evil Patrick 10: His anguish…

Evil Patrick 11: And his lust for revenge.

Mr. Krabs: That version of me paid for his crimes. I would never resort to cannibalism like that!

Patrick: That's right! You may be me, but I would NEVER become like you!

Squidward: Patrick May be a moron but he and SpongeBob are good friends and I respect that now!

Sandy: Me too!

Grandfather: It's not just them you have to deal with!

We then saw DARK VERSIONS OF ALL THE ADULT VILLAINS! AND EVEN ANOTHER FATHER AND ANOTHER DELIGHTFUL CHILDREN FROM ANOTHER UNIVERSE!

We gasped in shock and horror!

Numbuh 1: It's all the Adult Villains that we faced!

Nico: This is gonna be big guys!

Grandfather appeared to Nico.

Grandfather: And now, to make you my slave. Forever! (about to touch Nico)

Nico: Well, might as well end you before the battle even starts.

Grandfather grabbed Nico by the chest. At the same time, Nico grabbed him by the face.

Nico: HAKAI!

Nico destroyed the Dark Orb and stripped him of his power! He was like what he was before when he first tried to destroy the Kids Next Door!

Nico: Nice try Grandfather! But I'm immune to your power!

I fired an energy blast and sent him crashing into the wall!

Nico: You will pay for your crimes! Your crimes are beyond forgivness and everything that you have done is unpardonable. Your crimes cannot go unpunished! In the name of Team Loud Phoenix Storm…

Dark Spicer: Here's your warning…

Eli: IT'S BUTTKICKING TIME!

Maxxor: In the name of the Tribal Alliance…

Tommy Oliver: IT'S MORPHIN TIME!

Bloom: MAGIC…

Will Vandom: GUARDIANS…

Nico: CHARGE!

We all charged at them and roared at the top of our lungs.

THE BATTLE THAT WILL DECIDE THE FATE OF THE EARTH HAS BEGUN!

Evil Toiletnator was being faced.

---

**The Toiletnator** (real name: **Lou Pottingsworth III** ) is a recurring joke character from *Codename: Kids Next Door* . He is obviously a toilet-themed supervillain, a motif that has unclear justifications even compared to the show's other villains. He is seen as a non-threat by KND operatives everywhere and shunned by other villains to the point that they take deliberate measures to keep him away from their villainous meetings.

Despite all of this, he is incredibly enthusiastic and jubilant about being a villain and completely oblivious to the fact that no one wants him. His "powers" include several toilet-related abilities such as shooting toilet paper from his arms. He is Numbuh 4's arch-nemesis.

He was voiced by Dee Bradley Baker.

In the episode "Operation: F.L.U.S.H.", Toiletnator decides to prove himself worthy to the other villains by defeating the KND in their treehouse. However, because the members of Sector V were away at the time, the other villains had already taken over the treehouse without resistance and as a result the empowered Toiletnator defeats his own allies, mistaking them for the kids, who arrive right afterwards just when his sudden burst of competence wears off.

In the comic story "Operation: H.I.S.T.O.R.I.E.", Toiletnator's origin is revealed: he'd once been Lou Pottingsworth III, an executive for Evil Adult Industries, before he was assigned by Father himself to become part of the company's operation to mass-produce their new vegetable: "asparigross". But when the Kids Next Door attacked the factory building site, Lou hid in a porti-potty and was trapped in there for several days when it was knocked under a large mass of rubble, forced to eat nothing but urinal cakes. There, he was visited by "The Almighty Protector of Potty" (some form of toilet god), who'd chosen him to be its knight (the only reason being that he'd been the only one to use the bathroom in a while) and bestowed him with toilet-based powers, which he used to punish kids who wrote on the bathroom walls, misused toilet paper, and forgot to flush. The comic also revealed that the Toiletnator is actually Numbuh 4's uncle and Mr. Beetles long lost twin brother.

---

Layla just punched Evil Toiletnator in the face, knocking him down.

Layla: A clone of the original and yet, still an imcompetent villain. (to Toiletnator) No offernse.

Toiletnator: None taken.

Evil Toiletnator got up and fired toilet paper and Layla fired waves of water and drenched the toilet paper and it hit him and made him all wet!

Layla then kicked him in the face and sent him flying and then he impaled himself on a spear and his heart was on the tip of the spear and he died in an instant with his blood dripping onto the floor.

YUCK!

Toiletnator: You give me a bad name.

Eli fired Force Lightning blasts at the Evil Patrick's.

Eli: Maybe a powerful electroshock Lobotomy will give you a wakeup call you brainless morons!

Baron Mordo fired Mystic Bolts and obliterated many Evil Patrick's.

Evil Stickybeard was next.

---

**Stickybeard**, formerly known as **Stickyfuzz**, is a recurring antagonist in the Cartoon Network series *Codename: Kids Next Door* . He was once a cabin boy of Licorice pirates. He is the rival of Numbuh 5 (Abigail Lincoln).

He was voiced by Mark Hamill.

Stickybeard is a candy-loving pirate who sails around the suburbs where the members of Sector V live in his ship the *Sweet Revenge* (which is a reference to the Queen Anne's Revenge). Along with his crew of Candy Pirates, Stickybeard hoards candy in the same manner that traditional pirates horde gold, primarily by stealing it from various children. Stickybeard's name references the notorious real-life pirate Blackbeard, as well as the fact that his beard has several pieces of candy stuck to it. The candy of Stickybeard and his crew is very prominent to the point that parts of the ship itself is made of candy, and they use weapons made of candy, such as candy cane swords and gumball cannons.

Stickybeard frequently targets the Kids Next Door due to their large stash of candy, and is most closely associated with Numbuh 5, also a lover of candy, who he respects as a rival; he even offered her the position of First Mate and heir aboard his ship in Operation P.I.R.A.T.E., which she turned down. He has aided members of the KND on multiple occasions, including saving them from the great white asparagus monster and escorting them home in *Operation A.F.L.O.A.T.* and teaming up with Numbuh 5 in *Operation L.I.C.O.R.I.C.E.* to save Heinrich Von Marzipan (his former cabin boy) from evil pirates made out of licorice under the command of Black John Licorice, who Stickybeard was worked for as a cabin boy on their ship in his youth. He was also on Numbuh 4's bowling team in *Operation M.I.S.S.I.O.N.* . He especially eats candy in a rush, as seen in *Operation Q.U.I.E.T.* .

In *Operation V.I.D.E.O.G.A.M.E.*, Stickybeard is the boss of Operation *S.H.I.P.S.H.A.P.E.*, fought by Numbuh 5. In *Operation A.W.A.R.D.S.*, Stickybeard was nominated for best villain at the Villains' Choice Awards, along with Gramma Stuffum, Mr. Boss, and Father. In Operation *G.I.R.L.F.R.I.E.N.D.*, he tried to steal the Sweater of Sweetness, but was foiled by Numbuh 1. He last appeared in *Operation I.N.T.E.R.V.I.E.W.S.*, where he stole Yipper Card 87 from the Nerd Zombies, which resulted in the Nerd Zombies chasing Stickybeard and his Candy Pirates away.

In real-life, Stickybeard would likely be arrested for breaking and entering, robbery, property destruction, and possibly involuntary manslaughter if anyone was in the houses destroyed by his ship.

---

Knightbrace: (to Evil Stickybeard) I never thought I'd say this to any version of you. But your candy isn't really healthy!

Evil Stickybeard: WHY YOU STUPID BILGERAT! I'LL KEELHAUL YOU FOR THAT!

Numbuh 5 kicked him in the face and Zarya fired a wave of fire and it burned him to ashes.

Zarya Moonwolf: I like our Stickybeard better.

Stickybeard: Thanks lassie.

The Evil Knightbrace was next.

---

**Mr. Jelly**, better known as **Knightbrace**, is a recurring antagonist of *Codename: Kids Next Door* . He is an oral health-themed villain who attacks children at night and forcibly performs painful and unnecessary dental and orthodontic procedures on them. He is one of the most frequently recurring villains of the series alongside Toiletnator, Count Spankulot, and Stickybeard.

He was voiced by Tom Kenny who also voiced the Common Cold and Chester in the same series.

Knightbrace's true identity is Mr. Jelly. Mr. Jelly had dreamed of being a dentist all his life, but used extreme methods and was kicked out of dental school for trying to put braces on babies. He was then forced to work in his family's candy store, thus damaging kid's teeth rather than cleaning them. This ultimately drove him over the edge. He thus became Knightbrace and sought out to repair the damage he'd done.

*Codename: Kids Next Door*

Knightbrace first appeared in "Operation: T.E.E.T.H.". Sector V first became aware of Knightbrace when he was encountered by Numbuh 3 while she was walking home one night after a trip to Mr. Jelly's candy store; the entire team went back to the candy store with her because her teeth got whitened to an extreme level. On the way back, Knightbrace launched a sneak attack on Numbuh 4 and nobody noticed until they reached the Sector V Treehouse, whereupon they found Numbuh 4 tied up with giant braces that stuck out very far and within minutes both Numbuh 2 and Numbuh 5 were also attacked and tied together with floss. The KND initially assumed him to be Dr. Sigmund Teef, a dentist who had offered them free checkups (and been rudely refused) earlier that day. When the villain is unmasked by Numbuh 1, he and his team are shocked to learn his true identity to be Mr. Jelly. Dr. Teef, who had been awakened by the noisy fighting, then walks into the room, at which point Knightbrace's past is revealed. Dr. Teef saves the KND from Knightbrace by giving him taffy, his "delicious weakness". Apparently, even Knightbrace has an occasional sweet tooth, despite his hatred of cavity-inducing foods.

In "Operation: F.L.U.S.H.", Toiletnator believes Knightbrace to be

Numbuh 4, who he considers to be his arch-nemesis, when he attacks his fellow villains at the Sector V Treehouse and violently disposes of him. When he does this to Knightbrace, a view of the treehouse shaking violently is shown on screen with a rumbling sound affect.

In "Operation: M.U.N.C.H.I.E.S", he buying toothpastes. He bought the Rainbow Monkey's Munchies cereal. When Father furiously asked if he could share the cereal, Knightbrace isn't planning to eat the munchies but rather destroying them believing it is bad for their teeth. However, Sector V and the adults teamed up to beaten up Knightbrace and used him to give them milk.

In "Operation: A.W.A.R.D.S.", Knightbrace is the host of the Villain's Choice Awards. As his clothes are stolen by Numbuh 4 during the episode, he is forced to appear onstage in his underwear. He was to read the winner of Best Villain award, but was caught up in the fighting before it could be revealed.

In "Operation: I.N.T.E.R.V.I.E.W.S.", Knightbrace is believed to have been tie-ified by a Queen Neck Tie along with Potty Mouth while at the tieland common shopping mall. It's unknown what happened to him after this, mostly he either got eaten alive or more likely he was tie-ified and it is not confirmed if he and Potty Mouth will return back to their normal selves.

Stickybeard: (to Evil Knightbrace) Call my candy unhealthy, will ye?

Stickybeard punched and smashed him all over and Rita blasted Evil Knightbrace with massive blasts of lightning and incinerated him into ashes.

Rita: Take that you bad dentist!

Katie was facing her so-called father, CHESTER!

---

**Chester** is a recurring villain in *Codename: Kids Next Door*, who first appears in "Operation: C.A.M.P.", where he was an evil camp counselor who brainwashed children and made them produce wholesale lanyards and wallets for him to sell. In subsequent episodes, his character was built upon from this, making him into a man who forms a variety of elaborate money-making schemes which all involve harming children.

Unlike other villains on the show, who generally stand for "adult supremacy" and mainly target the Kids Next Door and other rebellious youngsters, Chester is motivated simply by monetary greed and harms completely innocent children, making him one of the more vile villains in the series. By far his worst atrocity of all was in "Operation: F.A.S.T.-F.O.O.D.", in which he ran a hamburger restaurant where he intended to lure children, kill them and feed them as burgers to anthropomorphic sharks. Fortunately, Chester was stopped before he could take any victims by Numbuh 3, who had been sent to buy the team's lunch.

He was voiced by Tom Kenny, who also voiced Dirty Bubble in *SpongeBob SquarePants* .

## History

He first appeared in "Operation: C.A.M.P.", in which he is the councilor of "Camp Lemmeouttaheah", where kids are brainwashed into making wallets and lanyards for Chester to sell. With the help from their new teammate Bradley and his parents, the KND defeated Chester and set the campers free.

In "Operation: F.A.S.T.-F.O.O.D.", Chester enacts what is undoubtedly his most despicable plan ever (and possibly the most gruesome operation of any villain in the entire series, and obviously crossed the Moral Event Horizon): opening a fast food restaurant called Burger Frenzy, where kids visiting the restaurant are captured and used as the meat on burgers which are then sold to sharks. This horrific plan was stopped by Numbuh 3 during her birthday "mission" of picking up lunch.

In "Operation: U.T.O.P.I.A.", Chester creates the "Happy Headband", which traps the victim in a virtual reality in which they experience a personal paradise. However, the device can be adjusted to turn the dream "sour". He intended to sell it to parents as a product designed to keep children under control. The Happy Headband was tested on Numbuh 1, who eventually escapes using the jet boots he is wearing in real life. He then puts the Happy Headband on Chester. In Chester's fantasy, he has defeated Numbuh 1 and finds himself in a room surrounded by a cheering crowd of his fellow villains. Mr. Boss then awards Chester a check for "a buhmillion dollars" for his victory. At the end of the episode Numbuh 4 turned the dial to Sour at which point Chester realized that he was wearing his own headband.

In "Operation: S.A.F.A.R.I.", Chester disguises himself as " **Dr. Phineas Sharp** ", a doctor who gives vaccination shots for "Moosebumps". he used Nurse Jumbo, a needle hating elephant who quit working for Chester after receiving repeated vaccinations by mistake due to Chesters poor aim and Numbuh 1's quick foot work. However, the shots he gives actually *cause* Moosebumps, which literally turns the victim into a moose. Chester intends to saw off the antlers of his victims and use them to make "Chester's Marvelous Moosicles". Though at the end of the episode it's revealed the entire episode was the paranoid ramblings of Numbuh 1 who was trying, and failing, to explain to his mother why he shouldn't get his moosebumps shot, in the final shot of the episode it's revealed that Chester is the secretary for the real doctor.

Katie: You were never my father Chester!

Chester: I made you and I own you!

Katie: You NEVER WILL own me!

She fired a massive blast of poison ivy leaves and they cut him all over and he was itching like mad!

Lola and Firefly fired waves of fire and incinerated him into nothing but ashes.

Evil Mr. Boss was next.

---

**Mr. Boss** is a fat, greedy villain and a major antagonist from the show *Codename: Kids Next Door* . He is Father's right hand. He is Numbuh 3's arch-nemesis and Numbuh 86's father.

He was voiced by Jeff Bennett.

Despite the fact that he has not fought with any weapons or technology, Mr. Boss is the #2 greatest enemy of the Kids Next Door, and unsurprisingly, it is Father and the Delightful Children From Down the Lane who top the list. He always has a cigar in his mouth. He is the leader of the Villains who are adults, and has no control over the children villains (either Father has control at least over few of them or they work alone).

As second-in-command of the adult villains, he is also the minor leader of all the common-appearing villains. His three most supportive henchmen are Crazy Old Cat Lady and Mr. Wink and Mr. Fibb. Later, it is revealed in Operation: D.A.D.D.Y. that Numbuh 86 (Fanny Fulbright) is actually his daughter, and that Mr. Boss loves his children, and still cares about them a lot even if they're in the Kids Next Door, including one of his sons Numbuh 85.

His biggest plan before was to transport all girls, then the boys to planet Pluto, but was stopped by Numbuhs 3 and 4. Numbuh 1 calls him Sector V's most biggest enemy, but he was fought only four times. He is a "boss" because Numbuh 3's mother and Numbuh 4's father work for him as boss.

---

Zarya: (to Evil Mr. Boss) Hopefully, your family won't mind if I kill you. TIME TO HOWL! (HOWLS)

She fired a blast of blue wolf energy and it formed into a Wolf and it hit Evil Mr. Boss and obliterated him in an instant.

Numbuh 86: (Scottish Accent) You were never going to be the real version of my father!

Zarya: You said it!

The Evil Common Cold was next.

---

The **Common Cold** is a recurring antagonist of *Codename: Kids Next Door* . He is an eternally ill villain who wishes to spread his cold to everyone else in the world and uses a machine to fire mucus from his nose at his enemies. He is Numbuh 2's arch-nemesis and Anna Worthington's uncle.

He was voiced by Tom Kenny who also voiced Knightbrace and Chester in the same series.

History

The Common Cold first appears in *Operation: T.O.M.M.Y.*, in which Numbuh Two's brother, Tommy, aids the Common Cold out of jealousy for the KND, building a machine for him that transforms him into the "Flu Bug". Numbuh Two's mother used chicken soup to counter the machine and defeat the villain.

The Common Cold never got a starring role in an episode again, but made several minor appearances.

---

Robin socked an Evil Common Cold all over the place with his staff.

Robin: You will never make the world sick on my watch!

Evil Common Cold: Try and stop me! (Sneezes)

Kraven the Hunter then grabbed the Evil Common Cold's head and ripped it clean off of his shoulders.

Kraven: (Russian Accent) That's it for that bad cold.

The Evil Count Spankulot was next.

---

**Count Spankulot** is a recurring antagonist of *Codename: Kids Next Door* . He is a vampire who exists to spank naughty children who have violated rules. He appears to his victims in a terrifying way and announces their crimes and his name before he proceeds to punish them. Count Spankulot speaks with a deep Romanian accent.

He was voiced by Daran Norris.

Count Spankulot makes his first major appearance in *Operation: S.P.A.N.K.* and his story is revealed that he was sent to prison after mistakenly spanking an innocent child named Carlos, and after being released, resolves to now use his powers to help children rather than punish them. When he sees the Kids Next Door fighting Mr. Wink and Mr. Fibb, he forcibly joins Sector V, who make no complaints about this so as not to invoke his wrath.

After several missions, in which Count Spankulot proves to be more harm than good, the team decides that they must find a way to get rid of him. On a mission one night, they take Count Spankulot to a house that they claim belongs to Wink and Fibb and tell him to go inside and spank them. He does so, only to realize that the house actually belongs to the Judge who had sentenced him to prison after the previous incident, and that he has been spanking him and his wife.

At the trial, the furious judge sentences Spankulot to an absurdly long prison term, and the KND apologise to him for this unfortunate "accident". Kuki, not understanding that they are supposed to be lying, then reveals the true nature of the event to Spankulot while also revealing they were responsible for the incident with Carlos, so he begins furiously spanking them on the spot before the authorities come to restrain and take him to prison offscreen.

In *Operation: L.O.C.K.D.O.W.N.*, Count Spankulot carries out his revenge on the KND by using his hypnotic powers to lure Nigel to the prison he was incarcerated in, then turning him into a spank-happy vampire like himself, and later, having him do the same to the other Sector V operatives, as well as Kuki's Big Bottom Rainbow Monkey Doll, while the treehouse is on complete lockdown during the night. It is explained here that Count Spankulot can turn other people into vampires by spanking the victim with his bare hands, which is why he, along with every other Spank-Happy Vampire, normally wears gloves, creating the Spank-Happy Vampire Army. The only way a victim can cure himself/herself of the Spank-Happy spell is to spank back the vampire that spanked him/her, or spank the original Spank-Happy Vampire (Count Spankulot himself), which is how the members of Sector V return to normal at the end of the episode.

In *Operation: S.P.A.N.K.E.N.S.T.I.N.E.*, before he could administer a spanking to Mushi Sanban for "murdering" Kuki's Posh Party Rainbow Monkey Doll in *Operation: C.L.U.E.S.*, Mushi used an evil machine on him to revive the Rainbow Monkey Doll as an undead monster. He is later seen at the Sanban's dinner party, reminiscing on the old days with Lydia Gilligan.

---

Evil Count Spankulot: (Transylvanian Accent) Those who hurt other people are bad and must be punished.

Lucy Heartfilia: (to Evil Count Spankulot) This is one butt you're not spanking!

Evil Count Spankulot: PREPARE TO FEEL THE STINGY WRATH OF COUNT SPANKULOT! (EVIL LAUGHTER)

But then!

SHEEEN!

He was stabbed all the way through his black heart by Blade.

Blade: Some motherfuckers are always trying to iceskate uphill.

Evil Count Spankulot then disintegrated into ashes in an instant.

Jared was facing Father.

---

**Benedict Uno**, also known as **Father,** is the main antagonist of the 2002 animated action series *Codename: Kids Next Door* .

He is one of the most powerful villains in the show, and one of the most malicious, being one of the few to actually attempt to kill members of the KND. He is the adoptive father and the boss of The Delightful Children From Down The Lane. He's also Nigel Uno/ Numbuh One's uncle and arch-nemesis.

He is voiced by Maurice LaMarche and Jeff Bennett as Benedict while in *Cartoon Network: Punch Time Explosion* he was voice by Nolan North who also did the Penguin in *Batman: Arkham Series* .

Father was the brother of Monty Uno (Numbuh Zero) and son of Grandfather. Unlike his brother, Ben was too afraid to rise up against his father, and ran away. He later grew resentful of his brother overthrowing their tyrannical parent.

At some unknown point, he gained his powers and became the villain known as Father. He secretly kidnapped Sector Z and turned them into The Delightful Children From Down The Lane, adopting them as his own children, resulting in the Kids Next Door losing all contact with Sector Z, until the events of Operation: Z.E.R.O. when Numbuh One's father Monty (Numbuh Zero) discovered the truth and temporarily recommissioned them.

In a crossover with Villainous, it's revealed that he buys his technology from the Black Hat Organization, however, it's uncertain if this info is canon.

---

Jared: I will never allow you to destroy all the children in the world and exterminate the entire human race you genocidal monster! You give all loving fathers everywhere a REALLY bad name!

Father: WHY YOU UGLY MONSTROSITY!

Jared: You would rather see people suffer than help kids all over! You would rather make sure that humanity has no future! You don't give a flying fuck about anyone and that's why everyone hates you! You only want nothing more than to see the whole planet burn! And that's why you are nothing but a shitbrained fuckfignewton!

THEN FATHER WENT COMPLETELY BALLISTIC AND INSANE! HIS FIRE AURA EXPLODED OUT WITH INCREDIBLE FURY AND

THE FORCE OF A MASSIVE NUCLEAR EXPLOSION!

Father: (ROARS IN MASSIVELY EXPLOSIVE FURY!) YOU MOTHERFUCKING BIG JERK! HOW DARE YOU TALK TO ME THIS WAY!? I HATE YOU MORE THAN ALL OF LIFE ITSELF!

Jared's aura flared up with incredible power!

Jared: Thanks for the power boost you fucking little baby!

He roared with incredible fury and fired a massive blast of fire and Jared fired a massive blast of fire and the blasts collided and exploded with incredible power!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Jared then was enveloped in a sudden flash of light and then he had a powerful vortex of fire explode out of him and his power was rising exponentially! When the fire vortex faded, Jared emerged forever changed!

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

He had a sleeveless trench coat made entirely of pure fire and he had a cronmage made of pure fire and he had a phoenix with a sword and an axe in its talons emblazoned in the middle of his forehead and he had red eyes and the sclera were glowing neon orange and he had flaming angel wings and fire pants and his sword was now a blade of pure fire! He had kanji in pure fire on the back of his coat that said "Jared Nathaniel Knudson, Supreme Master of Fire and Ultimate Warrior of Justice, Friendship and Love."

ジャレッド・ナサニエル・ナドソン、火の最高のマスターであり、正義、友情、愛の究極の戦士。

He was now a SUPER ANGEL 25,000,000,000 PHOENIX FIRE FURY!

Jared: (Divine Echoing Fiery Voice) **You will pay for all your crimes against our planet Father. You will never be allowed to get away with all the pain and suffering you caused to so many people.**

Father: (ENRAGED SCREAMING)

He fired waves of fire at Jared and Jared fired massive waves of fire too and the blasts collided and exploded with incredible power as massive explosions were burning the entire area around them and everything was being set on fire.

Jared teleported and then kicked him in the back of the head and unsheathed his sword and slashed him in half and he was cleaved in half right down the middle and was dead!

Evil Robin Food was next.

---

**Robin Food** is a parody of medieval folk hero, Robin Hood.

He's something of a moron, as Lydia Gilligan points out Robin is supposed to COOK food, not steal it.

He and his band of Hungry Men "rob from the young and give to the old"; they attack elementry schools during lunchtime and steal kids' lunches, which they then give to the old people at Sure Would Forest Senior Center, who hate the kid food he brings them due to the fact it's bad for them, though he's too delusional to realize this.

In *Operation: L.U.N.C.H.*, they raid Gallagher Elementary School`s Cafeteria during Nigel's "romantic lunch" with his possessive girlfriend Lizzie, who prevents him from intervening.

When they steal Lizzie's lunch, she takes the L.O.C.K.A.H.S.O.C.K.A.H. and storms the Sure Would Forest Senior Center to retrieve her lunch. Just before Lizzie forces Robin Food to surrender, he calls her selfish and claims he's giving it to the seniors because they're starving to death. Lizzie is touched by Robin Food's kindness. The Senior Citizen Squad form their robot and prepare to attack. Robin Food and Lizzie both think they're going to attack Lizzie until the Squad reveals they are going to attack Robin Food, to the pair's shock. The Squad and the other seniors reveal that Robin Food and his Hungry Men are really their retirement home's cafeteria staff who are supposed to make them lunch themselves and that they only raid elementry school cafeterias and steal food from children because they're too lazy to do their jobs. The seniors also reveal that they do not want to eat children's food as they give seniors complications, such as preventing them from using the bathroom and causing problems for their bridgework.

Lizzie gets her lunch back as the SCS proceeds to beat up Robin Food and his Hungry Men.

In *Operation A.W.A.R.D.S.*, Robin Food is the host of the Villain's Choice Awards and Dinner Show. He was also seen next to the Dodgeball Wizard in *Operation: Z.E.R.O.* during the Candy Pirates attack on Kids Next Door Moonbase, and was later seen at the Convention Center.

He made one last appearance in *Operation: I.N.T.E.R.V.I.E.W.S.* where he tried to steal Gramma Stuffum's Tusk Pie, which then grew tentacles and attacked him and his Hungry Men, which reporter Nick commented, "It looks like Robin Food picked the wrong pie to pilfer."

---

Evil Robin Food: You will not get the best of me. For I am… (singing) Robin Food! Robin Fo- (Mr Touch punches him, knocking him down)

Mr. Go: You sing too much!

Laney then slashed The Evil Robin Food's head off and killed him and blood splattered all over the place.

Laney: I like our Robin Food's singing better.

Evil Mr. Fizz was next.

---

**Mr. Angelo Fizz** is a minor antagonist from *Codename: Kids Next Door* . He is Numbuh 2's arch-nemesis.

He was voiced by Jeff Bennett, who also provided the voices of

Major Man and Professor Dick Hardly in *The PowerPuff Girls* .

Mr. Fizz is the Hispanic head of the Soda Control Board. He raised the legal soda drinking age to 13 meaning children were banned from consuming it. He enforces this law strongly and dedicates himself to remove the underground soda bars and their suppliers, one of whom being Numbuh 2 of the Kids Next Door. Despite his occupation, Fizz himself is seemingly addicted to soda which possibly provides him an incentive to prevent children from drinking soda. He utilizes many soda based weaponry most notably his combat suit consisting of mostly soda barrels and bottles. He is tall and thin and dons purple shades and white suit with grey suit attire adorned by a red tie and big white shoes. His more notable characteristics are his chin and mustache.

*Codename: Kids Next Door*

Mr. Fizz debuted in Operation: P.O.P. He catches Numbuh 2 illegally selling soda to an illegal underground soda bar. After his men destroy the bar, he takes Numbuh 2 into questioning. Despite capturing Numbuh 2's fellow operatives, Numbuh 2 refuses to divulge any information. After the children begin ranting angrily, he storms out for a drink. Once getting a drink he looks through the observation window to find the KND escaping. He sends the guards after them but to no avail. Whilst attempting to escape from the Soda Control Board, the heroes discover a factory in which children are getting stuffed into bottles. While they are in shock, Mr. Fizz appears and reveals his plan to keep control over the children. The Kids Next Door rant angrily at Fizz causing him to go beserk. He bellows "soda" and encases himself in his soda based combat suit. He unleashes rivers of soda onto the children. Whilst Fizz battling on the conveyor belt, Numbuh 2 switches the belt on and off, shaking him rapidly. After the belt is stopped Fizz swears vengance however, before he can enact his revenge, the carbonation in his soda bubbles over leading his suit to explode. Afterwards, while the children are enjoying the soda, Fizz, under the watchful eye of Numbuh 2, searches for Numbuh 5 in all the bottles.

Mr. Fizz returns in Operation S.I.X in another attempt to defeat Numbuh 2. He has his spy, Lt. Seltzer, infiltrate an underground soda bar where Numbuh 2 and Numbuh 3 are recieving a mission.

Once Fizz is informed by Seltzer of 2's plans, he sends guards to capture the heroes. However they are subdued by Robobradley while 2 and 3 escape. Once they are on the road, Fizz himself pursues them in a Soda Control Board Carbonator. He almost captures them until Robobradley breaks into the carbonator and releases his smell onto Fizz and his minions. However as Mr. Fizz has anosmia (an ability to perceive odours) he is not affected. Fizz catches the skunk but is distracted by an oncoming Carbonater manned by Lt. Seltzer and his men. They crash causing a large soda explosion. This does not stop Fizz as he and his men immediately continue pursuing the heroes in soda related cars. They surround them and Fizz is almost catching up to the truck, however Numbuh 2 initiates the turbo boost created a large distance between them. Whilst Numbuh 2 attempts to deploy the PowerPack emergency brake, Fizz kicks him off the truck and laughs while he hangs on to Robobradley. Numbuh 3 drives the truck into a hippopotamus ranch and Mr. Fizz gloats about he will defeat Numbuh 2 on top of his contraband. Numbuh 3 abandons the wheel to save Robobradley and the truck bounces of a hippopotamus sending Fizz flying. He then finds the heroes at the Yipper Youth Club Playtime Pizza Palace and gloats that he finally caught Numbuh 2 redhanded with millions of barrels of soda. However they discover that the contents of the truck was The Delightful Children From Down The Lane's birthday cake. As they escape, Numbuh 2 realises the roadblock was to stop him from delivering the cake. He optimistically acknowledges that at least they were not caught with any soda, but Numbuh 3 returns with one giving Fizz a devious look on his face.

Fizz also makes other cameo appearances in other episodes.

*Operation S.O.D.A*

Mr. Fizz was the main antagonist of the gameboy advance's *Operation S.O.D.A* . The plot of the game is that the anti-child senate passed the Soda Control Act prohibiting children under the age of 13 from drinking soda. The Kids Next Door are outraged and decide to rebel against the act by providing soda to children secretly (which in real life could never be passed legally as it violates the right for young children to drink soda, which the U.S. constitution forbids laws that violate the rights of others). The game consists of mission where the player goes up against members of the Soda Control Board in order to deliver soda or to disrupt Fizz's plans. Mr. Fizz himself his the final boss of the game. After the battle, the volcano erupts and washes away Fizz's soda.

---

Gwen Tennyson: (to Evil Fizz) You don't know who you're dealing with!

Gwen concentrated and groaned as her teeth sank into her gums.

She turned into her shark form!

Gwen T.: Your Soda Control law has been repealed!

She then bit him in half and splattered his blood guts and severed head all over and then she burped.

Gwen T.: Oops. Excuse me.

Mr. Fizz: Great job though Gwen.

Gwen T.: Thank you.

Evil Cheese Shogun Roquefort was next.

---

**Cheese Shogun Roquefort** is the ruler of the "Cheese Empire" made up of stereotypical Japanese warriors made out of cheese, who appears in "Operation: T.H.E.-S.H.O.G.U.N.".

He was voiced by Kevin Michael Richardson.

Biography

He stole all the cheese from a new cheese-themed restaurant, taking great offense at the idea of cheese being eaten and considering it more valuable than gold. He kidnapped Numbuh 2 and Numbuh 4, who attended the opening of the restaurant, and forced them to work in his Cheese Mines. After escaping, Numbuh 4 freed the workers and led them to an exit while Numbuh 2 battled the Shogun in his throne room. Roquefort was eventually defeated by knocking himself out.

In real-life, he would most certainly be the target of a military operation, due to his use of military-grade weaponry for his soldiers, as well as kidnapping and enslaving innocents.

He was not seen again until "Operation: I.N.T.E.R.V.I.E.W.S.", where he is among the numerous characters competing for the The Delightful Children From Down The Lane's birthday cake. He and his ninjas give up when they learn that the cake is not a cheesecake.

The **Cheese Ninjas** are the Shogun's loyal henchmen, and are in charge of capturing prisoners to work in the cheese mines. They have cheese wheels for heads and wear light-yellow outfits. Their main weapons are shurikens made of American cheese slices. The voices of the various cheese ninjas were provided by Brian Tochi, Kevin Michael Richardson and Daran Norris.

---

Raven: You are a rotten sack of cheese!

Evil Roquefort: I'll make this quick!

Raven blasted him with darkness blasted and Roquefort slashed him in half and killed him.

Roquefort: Take that!

Evil Potty Mouth: You may have a worse mouth than mine you bitch but you are not a true potty mouth like me you fuckhead girl!

Tayuya: We'll see about that you shitmouthed fuckup! I've heard better comebacks from a fucking turkey sandwich that was left in the sewers and eaten by fucking alligators!

She fired a wave of sound and it hit Evil Potty Mouth and shattered him into a million pieces.

Evil Dodgeball Wizard was next.

---

The **Dodgeball Wizard** is a minor antagonist in *Codename: Kids Next Door* .

He was voiced by Dave Wittenberg.

Biography

The Dodgeball Wizard is an eccentric adult wizard who wants to prove adults can play dodgeball as well as any kid. To this end, he traveled around the world, defeating any child of great dodgeball skill. When he was about to defeat the previous greatest known child player the boy told of another, "the one called Beatles" who was the greatest player ever.

He captured Numbuh 4's mother, father, and baby brother Joey in order to "persuade" Wally to battle him thinking him the greatest player, but he knocked Numbuh Four out in seconds. However, Joey, the real greatest player, snuck out of his bonds and defeated the Wizard before the villain could even react.

He said that he has spent 64 years trying to prove that adults are better at dodgeball than kids. Given the fact that he would have to be an adult in the first place to even start this quest, he was to be around 82 years old.

Being a wizard, the Dodgeball Wizard uses a lot of magic, mostly conjuring up dodgeballs of any size and telekinetically throwing them at his opponents. He can also fly.

He was later seen next to Robin Food in Operation: Z.E.R.O. during the Candy Pirates attack on Kids Next Door Moonbase.

---

Dan Kuso: (to Evil Dodgeball Wizard) Time to use your own Dodgeballs against you!

Dan picked up a dodgeball and threw it at the Evil Dodgeball Wizard. It went faster than a bullet fired from a gun and it smashed into the Dodgeball Wizard's face and knocked his head clear off his shoulders! Killing him!

Dodgeball Wizard: Nice job Dan!

Dan: Thanks. That was awesome!

Evil Gramma Stuffum was next.

---

**Gramma Stuffum** is a recurring antagonist of *Codename: Kids Next Door* . She is a fat old lady obsessed with force-feeding her disgusting food to children to fatten them up, believing that a child that is too fat to move can't get into trouble. She speaks with a German accent.

History

She first appeared in *Operation: N.O.-P.O.W.U.H.*, in which she was interviewed by The Delightful Children From Down The Lane, who wanted to find a villain to bring havoc upon the KND. They convinced her to do so by saying their foes were famished. Gramma Stuffum then attacks Sector V Treehouse with her food army while their power is out. She is able to fatten Numbuh 1, Numbuh 3, Numbuh 4 and Numbuh 5 into a state of helplessness, but Numbuh 2, who has an enormous appetite and is more tolerant of her disgusting dishes, proves much more difficult to subdue. When he is finally full and about to give up, the Hamsters return and eat the rest of her food. Numbuh 2 then fires Gramma Stuffum back to the Delightful Mansion From Down The Lane, where she decides to feed the Delightful Children.

She appeared again in *Operation: F.O.O.D.F.I.T.E.*, She is apparently revealed to be a cafeteria chef at Gallagher Elementary. During lunch period, the members of Sector V have an extended battle with her and her food, which is implied to be a regular occurrence during lunchtime. Gramma Stuffum then summons the monstrous Slamwich, which overwhelms the children until the super-powered hamster Joaquin appears and eats it. During the battle sequences are lyrically altered versions of the GWAR songs "The Private Pain of Techno Destructo" and "Gor-Gor". GWAR provided the music for this episode under the name "RAWG". After her defeat, she tells them to prepare for lunch the next day and Numbuh 4 throws a chicken leg at her, hitting her in the head as he tells her to get a real cookbook.

---

Luster Dawn: (to Evil Gramma Stuffum) You know what? I'm eating your food minions anyway!

She ate them all and she belched in Evil Gramma Stuffum's minions and they melted into mush!

Gramma Stuffum: Time for me to stuff you till you explode!

She sent all her food and force fed her evil self with all her food and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

EEEEEEEEEEEWWWWWW!

She exploded into a massive mess and splattered vomit, blood, guts and organs everywhere!

Luster Dawn: YUCK!

Gramma Stuffum: That was a good lunch!

Evil Big Brother was next.

---

**Big Brother** is a giant teenage villain based on the common archetype of the abusive older brother.

History

He first appears in *Operation: M.I.N.I.-G.O.L.F.* where he is defeated by Numbuh 2. In *Operation: M.O.V.I.E.*, he apprehends Numbuh 4 when his disguise is blown. In *Operation: Z.E.R.O.*, his giant pants are on display in the KND museum.

Big Brother does not incorporate himself with the Teen Ninjas probably due to his size, and rather assembles with other adult villains if not working alone.

---

Evil Big Brother: GIVE ME BACK MY STUFF YOU PUNKS!

Nico kicked Big Brother in the face and sent him back and then he bumped into Genie as a Hillbilly,

Genie: (As a hillbilly) How 'bout a packet of Nutty Buddies? (Genie pushes Big Brother back with his stomach)

BOING!

He sent Evil Big Brother flying and he landed in the fireplace and he was on fire!

Nico: NUOVA STAR!

The 4-Star Ball on his bracelet lit up and he fired a fireball and blew Evil Big Brother apart.

Nico: Take that!

The Delightful Children From Down The Lane were next.

---

The **Delightful Children From Down The Lane** are five children bent on the destruction of the Kids Next Door Organization and the supremacy of adults over children. They speak in synchronization and stand together in group formation. They are the secondary antagonists throughout the *Kids Next Door* series.

Although the Delightful Children are in service of Father, they are seen acting independently from him just as often as not. The Delightful Children rarely partake in direct physical combat, usually sending other villains to do their work and controlling large combat machines. They make more appearances in the series than any other villains, and more than any character other than the five members of Sector V.

It is revealed in "Operation: Z.E.R.O", that the Delightful Children are none other than the operatives of the legendary "lost sector" of the KND, Sector Z. They were captured by Father and placed in his first prototype Delightfulization Chamber, which had much stronger effects than intended and completely destroyed the children's individual identities, creating the hive mind that is the DCFDTL and destroying the unstable machine.

Shortly after this is revealed, the Delightful Children are re-commissioned by Re-commissioning Module, restoring them to their former selves as KND operatives. However, the effects of delightfulization were so powerful that any reversion is temporary, and the re-commissioning module's effects wear off during the final battle on the moon base. Sector Z's final words to Numbuh 1 as the delightfulization takes hold again are "Tell The Kids Next Door That we miss them!'.

The Delightful Children celebrate their birthday five times a year, as they are technically five people. Each time, they prepare a delicious cake which they intend to eat it without sharing with any other kids and force their "guests" to watch as they do so. Sector V personally attempts to stop them from eating their cake at all costs whenever they celebrate their birthday, which occurs six times throughout the series and composes a recurring storyline, throughout which this simplistic scenario is repeated with several variations and exaggerated to absurd lengths.

In "Operation: C.A.K.E.D.F.I.V.E'.", Father creates a moon-sized ice cream cake for his children and attempts to remove all other ice cream, planning to have all the children in the world watch as they eat the last ice cream in existence. In each of these episodes, the cake is stolen, destroyed or in some way rendered inedible for the Delightful Children, save for " *Operation: S.I.X.* ", where Numbuh 2 is tricked into personally delivering their cake to them. This leads to Numbuh 362 giving the mission to Sector W in "Operation: I.N.T.E.R.V.I.E.W.S.".

In "Operation: F.O.U.N.T.A.I.N.", it was revealed that the Delightful Children were responsible for making Numbuh 1 bald, which was done in such a way that his hair would never grow back. This occurred shortly before he joined the KND, and is never shown and only briefly mentioned, leaving the circumstances of the incident up to the imagination of the viewer.

Their first appearance was in "Operation: C.A.K.E.D.", the very first episode of the series after No P in the Ool and the first installment in the aforementioned "C.A.K.E.D." series. Their connection to Father was first revealed in "Operation: G.R.O.W.-U.P.", also the latter's first appearance, in which he gives them use of the "Really Really Incredibly Destructive Machine" and the Age-Changing Cigar from "Operation: C.A.B.L.E.T.V.". Using these items, the Delightful Children successfully destroy Sector V's treehouse and turn Numbuh 1 into an adult.

The DCFDTL are obsessed with behaving properly and wish to become adults as soon as possible. In "Operation: E.L.E.C.T.I.O.N.S.", they make a deal with Chad to let the students of his middle school enslave the students of Gallagher Elementary in exchange for being "promoted" to middle school level, thereby becoming "that much closer to glorious adulthood." In *Operation: F.O.U.N.T.A.I.N.", they attempt to destroy the Fountain of Youth in order to prevent anyone from remaining a kid.*

When startled, the Delightful Children become disoriented and briefly cease their synchronization with each other. In "Operation: U.N.D.E.R.C.O.V.E.R.", Lenny, the boy with the helmet, is apparently revealed to be an undercover KND operative and leaves the DCFDTL to assist the team during their attack on the coffee rig, during which time he functions independently and acts like a normal kid.

However, this is revealed to be a ruse, and Lenny returns to the Delightful Children towards the end of the episode. Even after this is revealed, Lenny alone is responsible for the error that causes the Delightful Children's defeat. In "Operation: I.T.", the Delightful Children betray Father in order to stop his plan to spread broccoli throughout the world to force feed to children, which even they are against, because they are still children, and even they hate broccoli.

The last we see of the Delightful Children is in "Operation: I.N.T.E.R.V.I.E.W.S.", in which they are on a scavenger hunt to retrieve their cake. When Numbuh 1 returns to the amusement park with Father's pipe, the children begin to battle him for it, and end up on a log-river ride. They get him into a hold and are about to end him once and for all, when Nigel grabs onto a sign, as the Delightful Children fall into a broken part of the ride, and into a deep hole to their apparent deaths.

Nicole: You sophisticated little brats have tormented the Kids Next Door for the Last time.

DCFDTL: (In Unison) We'll see about that.

Nicole: And another thing, we are always one step ahead of you.

Nicole fired a massive energy blast and it obliterated the DCFDTL in an instant.

The Evil Teen Ninjas were next.

---

The **Teen Ninjas** are an antagonistic faction in *Codename: Kids Next Door* . They are a faction of teenagers equipped with Battle Ready Armor who serve The Delightful Children From Down The Lane and Father. The two most notable members are Cree Lincoln and Chad Dickson, both former KND operatives, who frequently lead them in their battles.

Biography

In "Operation S.L.U.M.B.E.R", a group of teens attempted to make off with the Code Module for Father being led by Cree; Chad was keeping Numbuhs 86, 3, and 12, and 4-30-teen busy and away from the Moon Base by disguising himself as Numbuh 86's mother and making her throw a slumber party. It might have worked if not for Numbuh 4's uninvited presence. The teens manage to succeed with their plan on stealing the Code Module since Numbuh 12 was almost 13 and decided to join the teens early. Due to the teens success Father was able to create the animalization forcefield to turn all KND operatives into animals until Tommy takes his booger out of the Code Module to be immune and puts The Delightful Children's and Fathers boogers into The Code Module to turn them into animals which Father surrenders to and turns the KND back to normal although that makes Father a KND operative as he becomes supreme leader in "Operation I.T."

In "Operation T.R.E.A.T.Y", it is revealed that their leader is a boy named The Steve. Like most teenagers, Teen Ninjas members are fond of torturing children in general, but most of their proper operations consists of attacks on the Kids Next Door organization.

In real-life, the Teen Ninjas would be seen as a group of thugs and gang members who commit assault and battery against children.

Muscle Man punched the Evil Teen Ninjas all over with incredible power and smashed their heads in and killed them all over the place.

We then regrouped and faced Grandfather.

Nico: You are next Grandfather.

Grandfather: I didn't want to use this. But you've forced my hand.

Bring out the Tortured One!

We felt a rumbling and then we saw a GINORMOUS STARFISH APPEAR AND IT ROARED LIKE 2014'S GODZILLA! IT WAS THE TORTURED ONE!

---

**Patrick Star**, or more specifically, his clone **the Tortured One**, is the main antagonist of the SpongeBob fan webcomic *The Bikini Bottom Horror* .

He is a more competent yet murderous version of his cartoon counterpart, being able to become a monstrous beast that can grab people and dissolve them into fluids that he then dines on. He is also able to clone into multiple Patricks due to his ability to regenerate his body from severed limbs and vice versa.

The story starts with SpongeBob asking Patrick if he wants to go jellyfishing with him, only for Patrick to ask him if he knows how starfish feed. He then proceeds to eat SpongeBob as he explains, apologizing to SpongeBob after he injects him with enzymes and seemingly kills him. Sandy, after learning this, leaps out to avenge him by slicing Patrick in half. However, this just results in the two halves regenerating to become two Patricks, both of which attempt to eat her.

Sandy manages to make it to the Krusty Krab, where she explains to Mr. Krabs that SpongeBob has been eaten by Patrick and that they need to board up the restaurant before they are too. However, a Patrick sticks a large tendril into the building, smashing a hole through the boards, and grabs Sandy with it, dragging her through the hole. Then the Patrick prepares to kill Krabs, who shifts into his giant crab form to try to kill him. After tearing the Patrick's head off, though, the sea star tells him about how he knows about Krabs cutting off one of his arms and using it to generate a clone, which he tormented for years as he used it to make Krabby Patty meat.

As the Patrick finishes his backstory, a group of Patricks grab Krabs's legs and tear them off. Later, Sandy and Squidward enter the Krusty Krab and see Mr. Krabs overturned, with his legs and claws lying around him in pools of blood. He explains how a Patrick forced him to eat a raw Krabby Patty before a small starfish bursts out of his chest, killing him once and for all. A lone Patrick emerges ande Squidward tries to put him to sleep with a song. This Patrick covers his ears and rips them off before turning into his monster form, breaking Squidward's clarinet and knocking him down onto the floor.

This Patrick then turns back into his normal form, now scarred by the bullets fired at him by Sandy and the spaces where his ears used to be. A group of Patricks then surround the two, preparing to kill them both. However, Squidward turns into his monster/Kraken form, killing all of the clones around them. Sandy then decides to shoot the one that killed Krabs, only for Plankton to appear and tell her not to shoot, explaining that she'll want to see where the clone is going. They follow it underneath the Krusty Krab, where a machine hangs from the ceiling.

Plankton explains that the machine is what the tortured clone was hooked up to, injecting it with growth hormones and allowing Krabs to take pieces of the clone's body and turn them into patty meat. Sandy is so disgusted by the revelation that she winds up puking in her suit. Plankton then shows her something even more disturbing: a cult of Patrick clones. The small Patrick clone tugs on a Patrick's robe and says that he has returned. The Patrick responds by telling him that he is too small and unready to rejoin with the Tortured One, and that he must feed some more before returning again. Then a much larger Patrick enters the area, saying that he is ready to rejoin and that the souls that he once fed would now be fed to him.

The other cultists shout " **Rejoice** " as he leaps into and falls toward the bottom of the pit. Then a Patrick throws Sandy over the edge of the balcony she's standing on, revealing that Plankton had tricked her into going there so that he would be spared by them. After he leaves, a Patrick absorbs her gun and then holds her above the pit, where she sees a large, outer-space-like vortex, which opens up and reveals SpongeBob's face, who tells her to join him and become a part of something beautiful. Beneath the vortex, it is shown that there is actually a large pool of acid, which some grinning Patricks are being dissolved by.

She seemingly considers joining him before wriggling out of the Patrick's grasp and tossing him into the pit, causing him to dissolve in the acid at the bottom. The other cultists are grabbed by dozens of clawed hands that suddenly break through out of the ground, tearing them apart as they happily watch Sandy get grabbed by the hands, which attempt to tear her apart as well. However, she manages to get free by unzipping her suit and escaping with just her helmet. However, more hands grow from the walls of the tunnel she runs through as a crack forms and begins growing in the earth above. When Squidward flies up to get an aerial view of the crack, he sees that there are actually five of them, all forming the shape of a star. At the center of the cracks is the Krusty Krab, which is destroyed as a huge starfish arm breaks through the ground and lands on Larry.

Larry is then torn apart and killed by the tiny appendages of the colossal starfish, which then eats him and stands up above the wreckage of the Krusty Krab, revealing itself to be the tortured clone that Krabs had been using as his source for Krabby Patty meat for years, now also combined with many Patricks. It uses another arm to break through the roof of a building where some survivors hide out, eating Bubble Bass and a few other unfortunate fish. It then attempts to eat a mother and her child, but Squidward grabs the arm with a rope and yanks it out before it's able to grab them, saying to it that its fight is with him.

They engage in a battle, with Squidward tossing the Tortured One down onto the ocean floor, ordering it to stay down. It responds by lifting itself up and causing Squidward to fly into his house, destroying it in the process. In response, Squidward lifts up SpongeBob's pineapple and tosses it straight into the mouth of the Tortured One, causing it to bleed and begin choking as Squidward flies up to finish it off. Meanwhile, a Patrick that had learned about the secret formula's true amount of secrecy and became heartbroken over the realization, finds Gary, who nuzzles against the clone's leg. The clone responds with a promise to redeem himself for his wrongdoing and make things right.

Squidward tries to shove the pineapple further down the Tortured One's throat, only for the pineapple to break into multiple pieces and cause Squidward to nearly be pushed into the TO's stomach. When Squidward looks into it, he sees what look like the ghosts of Larry and SpongeBob that try to convince him to give up and let go. The latter also holds a clarinet that he tells Squidward to play so he can let go and join them. As he holds it out, both the ghosts suddenly begin disintegrating and melting away. Suddenly, Squidward sees the vision of a large audience of rotting and disintegrating sea-dwellers eaten by the monster, including Bubble Bass and Squilliam Fancyson, all telling him to let go and play them a final song to bring him peace. Before Squidward can make a decision, though, Sandy shows up to break him out of his trance and hit the Tortured One with a rocket launcher.

Plankton and Karen then show up in a giant mech, the former wishing to redeem himself for what he did to Sandy. He cuts off one of the Tortured One's limbs and burns its wound to keep the limb from regenerating. However, the small Patrick appears behind him to grab him with its stomach and eat him, killing him after his head explodes. Sandy kills the clone, but the Tortured One's limb begins to grow into a new monster and Karen, without Plankton, is unable to go over to burn it completely. So Sandy and Squidward push her over and allow her to self-destruct atop the limb. It attempts to grab hold of Squidward before Karen blows up, but Sandy shoots off the tentacle that it grabs onto and they quickly fly away before they get caught in the explosion.

Chapter 16 reveals that a Patrick had gone over to Squidward's house to attempt to consume him, but it was foiled after Squidward stuck his clarinet into one of its eyes. Outside, he saw the destruction that the Patricks were causing, including the clothes and the dissolved body of SpongeBob, which Squidward lamented over and which triggered his apology for not being a better friend. After the flashback, the Patricks attempt to kill Squidward by eating their way to his brain, but stop when Good Patrick shows up and berates the Tortured One for his supposed ignorance, explaining how nobody besides Mr. Krabs knew that Krabby Patties were made out of starfish meat, which causes Squidward to jaw-drop in shock and horror. Good Patrick then asks the Tortured One why everyone should be punished for something they never knew about, to which it responds by saying that they never asked and tries to kill the good

Patrick by smashing it.

Squidward finally blasts off the Patricks attached to him with ink and prepares to take down the Tortured One once and for all, only to see SpongeBob holding on to the arm that attempted to squish Good Patrick. After SpongeBob reveals that he was able to come back to life because of his ability to regenerate via a single cell, he fuses with all of the cells covering all the Patricks and becomes Porifera. After devouring all of the Patricks (except for Good Patrick), he prepares to go to battle with the Tortured One, explaining how what it did was far more monstrous than what was done to it before finally delivering the first punch, officially starting the battle between the two. They both manage to tear pieces of each other apart. As a result, the Tortured One releases its stomach in an attempt to consume him, causing Porifera's skin to melt as he comes into contact with it.

After Barnacle Boy sacrifices himself to make Mt. Bikini Bottom erupt, Sandy (now Mermaid Squirrel) and Squidward attempt to push the Tortured One into the resulting crack in the earth. Sandy tries to save SpongeBob, but Squidward says that it's too late, with most of his skin having been melted off of his body. Inside of the Tortured One's mindscape, SpongeBob (not appearing as Porifera) sees the TO, being hoisted by a machine similar to the one in the Krusty Krab. He explains to SpongeBob his plans to consume everything in the ocean indiscriminately, not caring whether or not anyone he eats had anything to do with his torment. He then grabs SpongeBob with multiple hooks and stretches him out, intending to torment and eventually kill SpongeBob.

However, Gary, finding his way into the mindscape, slithers up his body and bites him, while in the real world, his stomach to pops open. When Squidward realizes he can save SpongeBob/Porifera, he goes up to him and manages to snap him out of his trance. Porifera, now mostly a large skeleton, lifts up the Tortured One and throws it into the magma-filled crevice, finally killing it once and for all. Porifera nearly goes down with it as the ground where he stands collapses, but Patrick, Sandy, and Squidward manage to grab a small chunk of him before he falls in, which turns into SpongeBob in his normal form and hugs the group.

Eli: Lets do it! EARTH STYLE NINJA ART: TYRANNOSAURUS REX!

Eli fired a wave of earth by punching the ground and it formed into the meanest dinosaur that ever lived from 68 million years ago: Tyrannosaurus Rex!

---

Tyrannosaurus is a genus of coelurosaurian theropod dinosaur. The species Tyrannosaurus rex, often called T. rex or colloquially T-Rex, is one of the most well-represented of the large theropods. Tyrannosaurus lived throughout what is now western North America, on what was then an island continent known as Laramidia. Tyrannosaurus had a much wider range than other tyrannosaurids. Fossils are found in a variety of rock formations dating to the Maastrichtian age of the upper Cretaceous period, 68 to 66 million years ago. It was the last known member of the tyrannosaurids, and among the last non-avian dinosaurs to exist before the Cretaceous-Paleogene extinction event.

Like other tyrannosaurids, Tyrannosaurus was a bipedal carnivore with a massive skull balanced by a long, heavy tail. Relative to its large and powerful hind limbs, Tyrannosaurus forelimbs were short but unusually powerful for their size and had two clawed digits. The most complete specimen measures up to 12.3 meters (40 feet) in length though T. rex could grow to lengths of over 12.3 m (40 ft), up to 3.66 m (12 ft) tall at the hips, and according to most modern estimates 8.4 metric tons (9.3 short tons) to 14 metric tons (15.4 short tons) in weight. Although other theropods rivaled or exceeded Tyrannosaurus rex in size, it is still among the largest known land predators and is estimated to have exerted the strongest bite force among all terrestrial animals. By far the largest carnivore in its environment, Tyrannosaurus rex was most likely an apex predator, preying upon hadrosaurs, armored herbivores like ceratopsians and ankylosaurs, and possibly sauropods. Some experts have suggested the dinosaur was primarily a scavenger. The question of whether Tyrannosaurus was an apex predator or a pure scavenger was among the longest debates in paleontology. Most paleontologists today accept that Tyrannosaurus was both an active predator and a scavenger.

Hunter: (German Accent) INFERNO STYLE NINJA ART: SPINOSAURUS!

Hunter fired a wave of black fire and it formed into the largest and meanest carnivorous dinosaur that ever lived from 112 million years ago in Egypt: Spinosaurus!

---

Spinosaurus (meaning "spine lizard") is a genus of spinosaurid dinosaur that lived in what now is North Africa during the upper Albian to upper Turonian stages of the Cretaceous period, about 112 to 93.5 million years ago. This genus was known first from Egyptian remains discovered in 1912 and described by German paleontologist Ernst Stromer in 1915. The original remains were destroyed in World War II, but additional material has come to light in the early 21st century. It is unclear whether one or two species are represented in the fossils reported in the scientific literature. The best known species is S. aegyptiacus from Egypt, although a potential second species, S. maroccanus, has been recovered from Morocco. The contemporary spinosaurid genus Sigilmassasaurus has also been synonymized by some authors with S. aegyptiacus, though other researchers propose it to be a distinct taxon. Another possible junior synonym is Oxalaia from the Alcântara Formation in Brazil.

Spinosaurus was among the largest of all known carnivorous dinosaurs, nearly as large as or even larger than other theropods such as Tyrannosaurus, Giganotosaurus and Carcharodontosaurus. Estimates published in 2005, 2007, and 2008 suggested that it was between 12.6 to 18 meters (41 to 59 ft) in length and 7 to 20.9 metric tons (7.7 to 23.0 short tons) in weight. New estimates published in 2014 and 2018, based on a more complete specimen, supported the earlier research, finding that Spinosaurus could reach lengths of 15 to 16 meters (49 to 52 ft). The latest estimates suggest a weight of 6.4 to 7.5 metric tons (7.1 to 8.3 short tons). The skull of Spinosaurus was long, low and narrow, similar to that of a modern crocodilian, and bore straight conical teeth with no serrations. It would have had large, robust forelimbs bearing three-fingered hands, with an enlarged claw on the first digit. The distinctive neural spines of Spinosaurus, which were long extensions of the vertebrae (or backbones), grew to at least 1.65 meters (5.4 ft) long and were likely to have had skin connecting them, forming a sail-like structure, although some authors[who?] have suggested that the spines were covered in fat and formed a hump. Spinosaurus's hip bones were reduced, and the legs were very short in proportion to the body. Its long and narrow tail was deepened by tall, thin neural spines and elongated chevrons, forming a flexible fin or paddle-like structure.

Axel Adell: (Swedish Accent) ICE STYLE NINJA ART: WOOLLY MAMMOTH!

Axel fired a wave of ice and it formed into the famous and widely known ancestral elephants from 800,000 years ago: The Woolly Mammoth.

---

The woolly mammoth (Mammuthus primigenius) is an extinct species of mammoth that lived during the Pleistocene until its extinction in the Holocene epoch. It was one of the last in a line of mammoth species, beginning with Mammuthus subplanifrons in the early Pliocene. The woolly mammoth began to diverge from the steppe mammoth about 800,000 years ago in East Asia. Its closest extant relative is the Asian elephant. The appearance and behaviour of this species are among the best studied of any prehistoric animal because of the discovery of frozen carcasses in Siberia and Alaska, as well as skeletons, teeth, stomach contents, dung, and depiction from life in prehistoric cave paintings. Mammoth remains had long been known in Asia before they became known to Europeans in the 17th century. The origin of these remains was long a matter of debate, and often explained as being remains of legendary creatures. The mammoth was identified as an extinct species of elephant by Georges Cuvier in 1796.

The woolly mammoth was roughly the same size as modern African elephants. Males reached shoulder heights between 2.7 and 3.4 m (8.9 and 11.2 ft) and weighed up to 6 metric tons (6.6 short tons).

Females reached 2.6-2.9 m (8.5-9.5 ft) in shoulder heights and weighed up to 4 metric tons (4.4 short tons). A newborn calf weighed about 90 kg (200 lb). The woolly mammoth was well adapted to the cold environment during the last ice age. It was covered in fur, with an outer covering of long guard hairs and a shorter undercoat. The colour of the coat varied from dark to light. The ears and tail were short to minimise frostbite and heat loss. It had long, curved tusks and four molars, which were replaced six times during the lifetime of an individual. Its behaviour was similar to that of modern elephants, and it used its tusks and trunk for manipulating objects, fighting, and foraging. The diet of the woolly mammoth was mainly grasses and sedges. Individuals could probably reach the age of 60. Its habitat was the mammoth steppe, which stretched across northern Eurasia and North America.

The woolly mammoth coexisted with early humans, who used its bones and tusks for making art, tools, and dwellings, and the species was also hunted for food. It disappeared from its mainland range at the end of the Pleistocene 10,000 years ago. Isolated populations survived on St. Paul Island until 5,600 years ago and on Wrangel Island until 4,000 years ago. After its extinction, humans continued using its ivory as a raw material, a tradition that continues today. With a genome project for the mammoth completed in 2015, it has been proposed the species could be revived through various means, but none of the methods proposed are yet feasible.

Dana: ICE STYLE NINJA ART: SABER-TOOTH CAT!

Dana fired a wave of ice and it formed into the ancestral cats of 42 million years ago: The Saber-Toothed Cats!

---

A saber-toothed cat (alternatively spelled sabre-toothed cat) is any member of various extinct groups of predatory mammals that are characterized by long, curved saber-shaped canine teeth which protruded from the mouth even when closed. The saber-toothed cats have been found almost worldwide from the Eocene epoch to the end of the Pleistocene epoch 42 million years ago (mya) -

11,000 years ago (kya). The first saber-toothed cat fossil in Canada was found in Medicine Hat, Alberta.

One of the best-known genera is Smilodon, species of which, especially S. fatalis, are popularly, but incorrectly, referred to as "saber-toothed tigers". However, usage of the word cat is in some cases a misnomer, as many species referred to as saber-toothed "cats" are not closely related to modern cats (Felidae). Instead, many are members are classified into different families of Feliformia, such as Barbourofelidae and Nimravidae; the oxyaenid "creodont" genera Machaeroides and Apataelurus; and two extinct lineages of metatherian mammals, the thylacosmilids of Sparassodonta, and deltatheroideans, which are more closely related to marsupials. In this regard, saber-toothed cats can be viewed as examples of convergent evolution. This convergence is remarkable due not only to the development of elongated canines, but also a suite of other characteristics, such as a wide gape and bulky forelimbs, which is so consistent that it has been termed the "saber-tooth suite."

Of the feliform lineages, the family Nimravidae is the oldest, entering the landscape around 42 mya and becoming extinct by 7.2 mya. Barbourofelidae entered around 16.9 mya and were extinct by 9 mya. These two would have shared some habitats.

Lana: ICE STYLE NINJA ART: WOOLLY RHINOCEROS!

Lana fired a wave of ice and it formed into the Ice Age ancestors of modern day Rhinoceroses from 3.6 Million years ago: The Woolly Rhinoceros!

---

The woolly rhinoceros (Coelodonta antiquitatis) is an extinct species of rhinoceros that was common throughout Europe and northern Asia during the Pleistocene epoch and survived until the end of the last glacial period. The woolly rhinoceros was a member of the Pleistocene megafauna.

The woolly rhinoceros was covered with thick and long hair, which allowed it to survive in the extremely cold, harsh mammoth steppe. It also had a massive hump reaching from its shoulder. It fed mainly on herbaceous plants that grew in the steppe.

Mummified carcasses preserved in permafrost and many bone remains of woolly rhinoceroses have been found. Images of woolly rhinoceroses are found among cave paintings in Europe and Asia.

Killer Frost: ICE STYLE NINJA ART: IRISH ELK!

Killer Frost fired a wave of ice and it formed into the largest deer ever known that lived 2.5 million years ago: The Irish Elk.

---

The Irish elk (Megaloceros giganteus) also called the giant deer or Irish deer, is an extinct species of deer in the genus Megaloceros and is one of the largest deer that ever lived. Its range extended across Eurasia during the Pleistocene, from Ireland to Lake Baikal in Siberia. The most recent remains of the species have been carbon dated to about 7,700 years ago in Siberia.

Although abundant skeletal remains have been found in bogs in Ireland, the animal was not exclusive to Ireland nor closely related to either of the living species currently called elk: Alces alces (the European elk, known in North America as the moose) or Cervus canadensis (the North American elk or wapiti). For this reason, the name "giant deer" is used in some publications, instead of "Irish elk". Although one study suggested that the Irish elk was closely related to the red deer (Cervus elaphus), most other phylogenetic analyses support that their closest living relatives are fallow deer (Dama dama).

Maggie: ICE STYLE NINJA ART: SHORT-FACED BEAR!

Maggie fired a wave of ice and it formed into the Ice Age bear from 1.8 million years ago: The Short-Faced Bear.

---

The short-faced bear (Arctodus sp.) is an extinct bear genus that inhabited North America during the Pleistocene epoch from about 1.8 Mya until 11,000 years ago. It was the most common early North American bear and was most abundant in California. There are two recognized species: the lesser short-faced bear (Arctodus pristinus) and the giant short-faced bear (Arctodus simus), with the latter considered to be one of the largest known terrestrial mammalian carnivores that has ever existed. It has been hypothesized that their extinction coincides with the Younger Dryas period of global cooling commencing around 10,900 BC.

Khalyaka: (India Accent) EARTH STYLE NINJA ART: TARBOSAURUS BABAAR!

Khalyaka fired a wave of earth and it formed into the terrible theropod of 70 million years ago: Tarbosaurus!

---

Tarbosaurus (meaning "alarming lizard") is a genus of tyrannosaurid theropod dinosaur that flourished in Asia about 70 million years ago, at the end of the Late Cretaceous Period, considered to contain a single known species, Tarbosaurus bataar. Fossils have been recovered in Mongolia, with more fragmentary remains found further afield in parts of China.

Although many species have been named, modern paleontologists recognize only one, T. bataar, as valid. Some experts see this species as an Asian representative of the North American genus Tyrannosaurus; this would make the genus Tarbosaurus redundant. Tarbosaurus and Tyrannosaurus, if not synonymous, are considered to be at least closely related genera. Alioramus, also from Mongolia, has previously been thought by some authorities to be the closest relative of Tarbosaurus, though this has since been disproven with the discovery of Qianzhousaurus and the description of the Alioramini.

Like most known tyrannosaurids, Tarbosaurus was a large bipedal predator, weighing up to 5 metric tons (5.5 short tons) and equipped with about sixty large teeth. It had a unique locking mechanism in its lower jaw and the smallest forelimbs relative to body size of all tyrannosaurids, renowned for their disproportionately tiny, two-fingered forelimbs.

Tarbosaurus lived in a humid floodplain criss-crossed by river channels. In this environment, it was an apex predator, probably preying on other large dinosaurs like the hadrosaur Saurolophus or the sauropod Nemegtosaurus. Tarbosaurus is represented by dozens of fossil specimens, including several complete skulls and skeletons. These remains have allowed scientific studies focusing on its phylogeny, skull mechanics, and brain structure.

Lynn: EARTH STYLE NINJA ART: APATOSAURUS!

Lynn fired a wave of Earth and it formed into the famous sauropod from 158 million years ago: Apatosaurus!

---

Apatosaurus is a genus of herbivorous sauropod dinosaur that lived in North America during the Late Jurassic period. Othniel Charles Marsh described and named the first-known species, A. ajax, in 1877, and a second species, A. louisae, was discovered and named by William H. Holland in 1916. Apatosaurus lived about 152 to 151 million years ago (mya), during the late Kimmeridgian to early Tithonian age, and are now known from fossils in the Morrison Formation of modern-day Colorado, Oklahoma, New Mexico, Wyoming, and Utah in the United States. Apatosaurus had an average length of 21-22.8 m (69-75 ft), and an average mass of 16.4-22.4 t (16.1-22.0 long tons; 18.1-24.7 short tons). A few specimens indicate a maximum length of 11-30% greater than average and a mass of 32.7-72.6 t (32.2-71.5 long tons; 36.0-80.0 short tons).

The cervical vertebrae of Apatosaurus are less elongated and more heavily constructed than those of Diplodocus, a diplodocid like Apatosaurus, and the bones of the leg are much stockier despite being longer, implying that Apatosaurus was a more robust animal. The tail was held above the ground during normal locomotion. Apatosaurus had a single claw on each forelimb and three on each hindlimb. The Apatosaurus skull, long thought to be similar to Camarasaurus, is much more similar to that of Diplodocus. Apatosaurus was a generalized browser that likely held its head elevated. To lighten its vertebrae, Apatosaurus had air sacs that made the bones internally full of holes. Like that of other diplodocids, its tail may have been used as a whip to create loud noises.

The skull of Apatosaurus was confused with that of Camarasaurus and Brachiosaurus until 1909, when the holotype of A. louisae was found, and a complete skull just a few meters away from the front of the neck. Henry Fairfield Osborn disagreed with this association, and went on to mount a skeleton of Apatosaurus with a Camarasaurus skull cast. Apatosaurus skeletons were mounted with speculative skull casts until 1970, when McIntosh showed that more robust skulls assigned to Diplodocus were more likely from Apatosaurus.

Apatosaurus is a genus in the family Diplodocidae. It is one of the more basal genera, with only Amphicoelias and possibly a new, unnamed genus more primitive. While the subfamily Apatosaurinae was named in 1929, the group was not used validly until an extensive 2015 study. Only Brontosaurus is also in the subfamily, with the other genera being considered synonyms or reclassified as diplodocines. Brontosaurus has long been considered a junior synonym of Apatosaurus; its type species was reclassified as A. excelsus in 1903. A 2015 study concluded that Brontosaurus is a valid genus of sauropod distinct from Apatosaurus, but not all paleontologists agree with this division. As it existed in North America during the late Jurassic, Apatosaurus would have lived alongside dinosaurs such as Allosaurus, Camarasaurus, Diplodocus, and Stegosaurus.

Laney: FOREST STYLE NINJA ART: DIPLODOCUS!

Laney fired a wave of trees and leaves and it formed into the famous sauropod from 154 million years ago: Diplodocus!

---

Diplodocus is a genus of diplodocid sauropod dinosaurs whose fossils were first discovered in 1877 by S. W. Williston. The generic name, coined by Othniel Charles Marsh in 1878, is a neo-Latin term derived from Greek διπλός (diplos) "double" and δοκός (dokos) "beam", in reference to the double-beamed chevron bones located in the underside of the tail, which were then considered unique.

This genus of dinosaurs lived in what is now mid-western North America at the end of the Jurassic period. It is one of the more common dinosaur fossils found in the middle to upper Morrison Formation, between about 154 and 152 million years ago, during the late Kimmeridgian age. The Morrison Formation records an environment and time dominated by gigantic sauropod dinosaurs, such as Apatosaurus, Barosaurus, Brachiosaurus, Brontosaurus, and Camarasaurus. Its great size may have been a deterrent to the predators Allosaurus and Ceratosaurus: their remains have been found in the same strata, which suggests that they coexisted with Diplodocus.

Diplodocus is among the most easily identifiable dinosaurs, with its typical sauropod shape, long neck and tail, and four sturdy legs. For many years, it was the longest dinosaur known.

May: ICE STYLE NINJA ART: LEAELLYNASAURA!

May fired a wave of ice and it formed into the Australian dinosaur from 118 million years ago: Leaellynasaura!

---

Leaellynasaura is a genus of small herbivorous ornithischian dinosaurs from the Albian stage of the Early Cretaceous (dated to between 118 and 110 million years ago), first discovered in Dinosaur Cove, Australia. The only known species is Leaellynasaura amicagraphica. It was described in 1989, and named after Leaellyn Rich, the daughter of the Australian palaeontologist couple Tom Rich and Patricia Vickers-Rich who discovered it. The specific name, amicagraphica, translates to "friend writing" and honours both the Friends of the Museum of Victoria and the National Geographic Society for their support of Australian paleontology.

Lori: WIND STYLE NINJA ART: ALLOSAURUS!

Lori fired a wave of wind and it formed into the vicious theropod from 155 million years ago: Allosaurus!

---

Allosaurus is a genus of carnivorous theropod dinosaur that lived 155 to 145 million years ago during the late Jurassic period (Kimmeridgian to late Tithonian). The name "Allosaurus" means "different lizard" alluding to its unique concave vertebrae (at the time of its discovery). It is derived from the Greek ἄλλος (allos) ("different, other") and σαῦρος (sauros) ("lizard / generic reptile"). The first fossil remains that could definitively be ascribed to this genus were described in 1877 by paleontologist Othniel Charles Marsh. As one of the first well-known theropod dinosaurs, it has long attracted attention outside of paleontological circles.

Allosaurus was a large bipedal predator. Its skull was large and equipped with dozens of sharp, serrated teeth. It averaged 9.5 meters (31 ft) in length, though fragmentary remains suggest it could have reached over 12 m (39 ft). Relative to the large and powerful hindlimbs, its three-fingered forelimbs were small, and the body was balanced by a long and heavily muscled tail. It is classified as an allosaurid, a type of carnosaurian theropod dinosaur. The genus has a complicated taxonomy, and includes three valid species, the best known of which is A. fragilis. The bulk of Allosaurus remains have come from North America's Morrison Formation, with material also known from Portugal. It was known for over half of the 20th century as Antrodemus, but a study of the copious remains from the Cleveland-Lloyd Dinosaur Quarry brought the name "Allosaurus" back to prominence and established it as one of the best-known dinosaurs.

As the most abundant large predator in the Morrison Formation, Allosaurus was at the top of the food chain, probably preying on contemporaneous large herbivorous dinosaurs, and perhaps other predators. Potential prey included ornithopods, stegosaurids, and sauropods. Some paleontologists interpret Allosaurus as having had cooperative social behavior, and hunting in packs, while others believe individuals may have been aggressive toward each other, and that congregations of this genus are the result of lone individuals feeding on the same carcasses.

Leni: WATER STYLE NINJA ART: OMEISAURUS!

Leni fired a wave of water and it formed into one of the largest dinosaurs from 173 million years ago: Omeisaurus!

---

Omeisaurus (meaning "Omei lizard") is a genus of sauropod dinosaur from the Middle Jurassic Period (Bathonian-Callovian stage) of what is now China. Its name comes from Mount Emei, where it was discovered in the lower Shaximiao Formation of Sichuan Province.

Like other sauropods, Omeisaurus was herbivorous and large. It measured 20.2 metres (66 ft) long, and weighed 9.8 tonnes.

Luna: WATER STYLE NINJA ART: SUCHOMIMUS!

Luna fired a wave of water and it formed into the ferocious spinosaurid dinosaur from 125 million years ago: Suchomimus!

---

Suchomimus (meaning "crocodile mimic") is a genus of spinosaurid dinosaur that lived between 125 and 112 million years ago in what is now Niger, during the Aptian to early Albian stages of the Early Cretaceous period. The animal was named and described by palaeontologist Paul Sereno and colleagues in 1998, based on a partial skeleton from the Erlhaz Formation. Suchomimus's long and shallow skull, similar to that of a crocodile, earns it its generic name, while the specific name Suchomimus tenerensis alludes to the locality of its first remains, the Ténéré Desert.

Suchomimus was 9.5 to 11 metres (31 to 36 feet) long and weighed between 2.5 to 5.2 tonnes (2.8 to 5.7 short tons), although the holotype specimen may not have been fully grown. Suchomimus's narrow skull was perched on a short neck, and its forelimbs were powerfully built, bearing a giant claw on each thumb. Along the midline of the animal's back ran a low dorsal sail, built from the long neural spines of its vertebrae. Like other spinosaurids, it likely had a diet of fish and small prey animals.

Some palaeontologists consider the animal to be an African species of the European spinosaurid Baryonyx, B. tenerensis. Suchomimus might also be a junior synonym of the contemporaneous spinosaurid Cristatusaurus lapparenti, although the latter taxon is based on much more fragmentary remains. Suchomimus lived in a fluvial environment of vast floodplains alongside many other dinosaurs, in addition to pterosaurs, crocodylomorphs, fish, turtles, and bivalves.

Stella: SCORCH STYLE NINJA ART: OURANOSAURUS!

Stella fired a wave of fire and it formed into the Iguanodont from 100 million years ago: Ouranosaurus.

---

Ouranosaurus is a genus of herbivorous iguanodont dinosaur that lived during the Aptian stage of the Early Cretaceous of modern-day Niger. Ouranosaurus measured about 7 to 8.3 metres (23 to 27 ft) long. Two rather complete fossils were found in the Elrhaz Formation, Gadoufaoua deposits, Agadez, Niger, in 1965 and 1970. The animal was named in 1976 by French paleontologist Philippe Taquet; the type species being Ouranosaurus nigeriensis. The name is a combination of the Arabic word for "courage" and the country of discovery, although ourane is also the Tuareg name for the desert monitor.

Becca Chang: WATER STYLE NINJA ART: TITANOBOA!

Becca fired a wave of water that formed into the Colombian giant snake from 60 million years ago: Titanoboa!

Titanoboa (/tiˌtɑːnoʊˈboʊə/) is an extinct genus of very large snakes that lived in what is now La Guajira in northeastern Colombia. They could grow up to 12.8 m (42 ft) long and reach a weight of 1,135 kg (2,500 lb).

Fossils of Titanoboa have been found in the Cerrejón Formation, and date to around 58 to 60 million years ago. The giant snake lived during the Middle to Late Paleocene epoch, a 10-million-year period immediately following the Cretaceous-Paleogene extinction event.

The only known species is Titanoboa cerrejonensis, the largest snake ever discovered, which supplanted the previous record holder, Gigantophis.

Syd: WATER STYLE NINJA ART: OPHTHALMOSAURUS!

Syd fired a wave of water and it formed into the Ichthyosaur from 165 million years ago: Ophthalmosaurus!

Ophthalmosaurus (meaning "eye lizard" in Greek) is an ichthyosaur of the Middle Jurassic period (165-160 million years ago), named for its extremely large eyes. It had a graceful 6 m (19.5 ft) long dolphin-shaped body, and its almost toothless jaw was well adapted for catching squid. Major fossil finds of this genus have been recorded in Europe and North and South America.

Girl Jordan: WATER STYLE NINJA ART: ELASMOSAURUS!

Girl Jordan fired a wave of water and it formed into the huge long-necked plesiosaurus from 80.5 million years ago: Elasmosaurus!

---

Elasmosaurus is a genus of plesiosaur that lived in North America during the Campanian stage of the Late Cretaceous period, about 80.5 million years ago. The first specimen was discovered in 1867 near Fort Wallace, Kansas, US, and was sent to the American paleontologist Edward Drinker Cope, who named it E. platyurus in 1868. The generic name means "thin-plate reptile", and the specific name means "flat-tailed". Cope originally reconstructed the skeleton of Elasmosaurus with the skull at the end of the tail, an error which was made light of by the paleontologist Othniel Charles Marsh, and became part of their "Bone Wars" rivalry. Only one incomplete Elasmosaurus skeleton is definitely known, consisting of a fragmentary skull, the spine, and the pectoral and pelvic girdles, and a single species is recognized today; other species are now considered invalid or have been moved to other genera.

Measuring 10.3 meters (34 ft) long, Elasmosaurus would have had a streamlined body with paddle-like limbs, a short tail, a small head, and an extremely long neck. The neck alone was around 7.1 meters (23 ft) long. Along with its relative Albertonectes, it was one of the longest-necked animals to have lived, with the largest number of neck vertebrae known, 72. The skull would have been slender and triangular, with large, fang-like teeth at the front, and smaller teeth towards the back. It had six teeth in each premaxilla of the upper jaw, and may have had 14 teeth in the maxilla and 19 in the dentary of the lower jaw. Most of the neck vertebrae were compressed sideways, and bore a longitudinal crest or keel along the sides.

The family Elasmosauridae was based on the genus Elasmosaurus, the first recognized member of this group of long-necked plesiosaurs. Elasmosaurids were well adapted for aquatic life, and used their flippers for swimming. Contrary to earlier depictions, their necks were not very flexible, and could not be held high above the water surface. It is unknown what their long necks were used for, but they may have had a function in feeding. Elasmosaurids probably ate small fish and marine invertebrates, seizing them with their long teeth, and may have used gastroliths (stomach stones) to help digest their food. Elasmosaurus is known from the Pierre Shale formation, which represents marine deposits from the Western Interior Seaway.

SpongeBob: WATER STYLE NINJA ART: LIOPLEURODON!

SpongeBob fired a wave of water and it formed into the ferocious marine reptile from 166 million years ago: Liopleurodon!

---

Liopleurodon (/ˌlaɪoʊˈplʊərədɒn/; meaning 'smooth-sided teeth') is a genus of large, carnivorous marine reptile belonging to the Pliosauroidea, a clade of short-necked plesiosaurs. The two species of Liopleurodon lived from the Callovian Stage of the Middle Jurassic to the Kimmeridgian stage of the Late Jurassic Period (c. 166 to 155 mya). It was the apex predator of the Middle to Late Jurassic seas that covered Europe. The largest species, L. ferox, is estimated to have grown up to 6.4 metres (21 ft) in length.

The name "Liopleurodon" (meaning "smooth-sided tooth") derives from Ancient Greek words: λεῖος leios, "smooth"; πλευρά pleurá, "side" or "rib"; and ὀδόν odṓn, "tooth".

Salar: (Arabic Accent) FIRESTORM STYLE NINJA ART: GALLIMIMUS!

Salar fired a massive wave of fire and it formed into a herd of the ostrich-like egg-eaters from 70 million years ago: Gallimimus!

---

Gallimimus (/ˌɡælɪˈmaɪməs/ GAL-i-MY-məs) is a genus of theropod dinosaur that lived in what is now Mongolia during the Late Cretaceous period, about seventy million years ago (mya). Several fossils in various stages of growth were discovered by Polish-Mongolian expeditions in the Gobi Desert of Mongolia during the 1960s; a large skeleton discovered in this region was made the holotype specimen of the new genus and species Gallimimus bullatus in 1972. The generic name means "chicken mimic", referring to the similarities between its neck vertebrae and those of the Galliformes. The specific name is derived from bulla, a gold capsule worn by Roman youth, in reference to a bulbous structure at the base of the skull of Gallimimus. At the time it was named, the fossils of Gallimimus represented the most complete and best preserved ornithomimid ("ostrich dinosaur") material yet discovered, and the genus remains one of the best known members of the group.

Gallimimus is the largest known ornithomimid; adults were about 6 metres (20 ft) long, 1.9 metres (6 ft 3 in) tall at the hip and weighed about 440 kilograms (970 lb). As evidenced by its relative Ornithomimus, it would have had feathers. The head was small and light with large eyes that faced to the sides. The snout was long compared to other ornithomimids, although it was broader and more rounded at the tip than in other species. Gallimimus was toothless with a keratinous (horny) beak, and had a delicate lower jaw. Many of the vertebrae had openings that indicate they were pneumatic (air-filled). The neck was proportionally long in relation to the trunk. The hands were proportionally the shortest of any ornithomimosaur and each had three digits with curved claws. The forelimbs were weak while the hindlimbs were proportionally long. The family Ornithomimidae is part of the group Ornithomimosauria. Anserimimus, also from Mongolia, is thought to have been the closest relative of Gallimimus.

As an ornithomimid, Gallimimus would have been a fleet (or cursorial) animal, using its speed to escape predators; its speed has been estimated at 42-56 km/h (29-34 mph). It may have had good vision and intelligence comparable to ratite birds. Gallimimus may have lived in groups, based on the discovery of several specimens preserved in a bone bed. Various theories have been proposed regarding the diet of Gallimimus and other ornithomimids. The highly mobile neck may have helped locate small prey on the ground, but it may also have been an opportunistic omnivore. It has also been suggested that it used small columnar structures in its beak for filter-feeding in water, though these structures may instead have been ridges used for feeding on tough plant material, indicative of a herbivorous diet. Gallimimus is the most commonly found ornithomimosaur in the Nemegt Formation, where it lived alongside its relatives Anserimimus and Deinocheirus. Gallimimus was featured in the movie Jurassic Park, in a scene that was important to the history of special effects, and in shaping the common conception of dinosaurs as bird-like animals.

Andropov: (Russian Accent) ICE STYLE NINJA ART: ELASMOTHERIUM!

Andropov fired a wave of ice and it formed into the ancestral big-horned rhinoceros of the Ice Age from 2.6 million years ago: Elasmotherium!

---

Elasmotherium is an extinct genus of large rhinoceros endemic to Eurasia during the Late Pliocene through the Pleistocene, existing from 2.6 Ma to at least as late as 39,000 years ago in the Late Pleistocene. A more recent date of 26,000 BP is considered less reliable. It was the last surviving member of Elasmotheriinae, a distinctive group of rhinoceroses that had separated from the ancestry of living rhinoceroses by at least 35 million years ago according to fossils and estimated around 47.4 million years ago based on molecular clock.

Four species are recognised, which were largely confined to the Pontic-Caspian steppe, the Caucasus and Central Asia. The best known, E. sibiricum, known as the Siberian unicorn, was the size of a mammoth and is thought to have borne a large, thick horn on its forehead. Like all rhinoceroses, elasmotheres were herbivorous. Unlike any other rhinos and any other ungulates aside from some notoungulates, its high-crowned molars were ever-growing. Its legs were longer than those of other rhinos and were adapted for galloping, giving it a horse-like gait.

Golova: (Russian Accent) ICE STYLE NINJA ART: CAVE LION!

Golova fired a wave of ice and it formed into the Ice Age lions of 500,000 years ago: Cave Lions!

---

Panthera spelaea, also known as the "Eurasian cave lion", "European cave lion", or "steppe lion", is an extinct Panthera species that evolved in Europe probably after the third Cromerian interglacial stage, less than 600,000 years ago. Phylogenetic analysis of fossil bone samples revealed that it was highly distinct and genetically isolated from the modern lion (Panthera leo) occurring in Africa and Asia. Analysis of morphological differences and mitochondrial data support the taxonomic recognition of Panthera spelaea as a distinct species that diverged from the lion about 1.9 million years ago. Nuclear genomic evidence suggests a more recent split approximately 500,000 years ago, with no subsequent interbreeding with the ancestors of the modern lion. The oldest known bone fragments were excavated in Yakutia and radiocarbon dated at least 62,400 years old. It became extinct about 13,000 years ago.

Matthias: (German Accent) FOREST STYLE NINJA ART: LEPTICTIDIUM!

Matthias fired a wave of wood and leaves and it formed into a swarm of the ancestor of the Elephant Shrew that lived 50 million years ago: Leptictidium!

Leptictidium (a Latinized diminutive of the name of its close relative Leptictis, which means "graceful weasel" in Ancient Greek) is an extinct genus of small mammals that were likely bipedal. Comprising eight species, they resembled today's elephant shrews. They are especially interesting for their combination of characteristics typical of primitive eutherians with highly specialized adaptations, such as powerful hind legs and a long tail which aided in locomotion. They were omnivorous, their diet a combination of insects, lizards and small mammals. One of the first branches to split from basal eutherians, they appeared in the Lower Eocene, a time of warm temperatures and high humidity, roughly fifty million years ago. Although they were widespread throughout Europe, they became extinct around thirty-five million years ago with no descendants, probably because they were adapted to live in forest ecosystems and were unable to adapt to the open plains of the Oligocene.

Kanaloa: (Hawaiian Accent) BEACH STYLE NINJA ART: EUSTREPTOSPONDYLUS!

Kanaloa fired a wave of sand and water and it formed into the theropod dinosaur from 163 million years ago: Eustreptospondylus!

Eustreptospondylus (/juːˌstrɛptoʊspɒn'daɪləs/ yoo-STREPT-o-spon-DY-ləs; meaning "true Streptospondylus") is a genus of megalosaurid theropod dinosaur, from the Oxfordian stage of the Late Jurassic period (some time between 163 and 154 million years ago) in southern England, at a time when Europe was a series of scattered islands (due to tectonic movement at the time which raised the sea-bed and flooded the lowland).

Fiona: WIND STYLE NINJA ART: ORNITHOCHEIRUS!

Fiona fired a wave of wind and it formed into the ostrich-like dinosaur from 92.5 million years ago: Ornithocheirus!

---

Ornithocheirus (from Ancient Greek "ὄρνις", meaning bird, and "χεῖρ", meaning hand) is a pterosaur genus known from fragmentary fossil remains uncovered from sediments in the UK and possibly Morocco.

Several species have been referred to the genus, most of which are now considered as dubious species, or members of different genera, and the genus is now often considered to include only the type species, Ornithocheirus simus. Species have been referred to Ornithocheirus from the mid-Cretaceous period of both Europe and South America, but O. simus is known only from the UK, though a specimen referred to O. cf. simus is also known from Morocco.

Because O. simus was originally named based on poorly preserved fossil material, the genus Ornithocheirus has suffered enduring problems of zoological nomenclature.

Fossil remains of Ornithocheirus have been recovered mainly from the Cambridge Greensand of England, dating to the beginning of the Albian stage of the early Cretaceous period, about 110 million years ago. Additional fossils from the Santana Formation of Brazil are sometimes classified as species of Ornithocheirus, but have also been placed in their own genera, most notably Tropeognathus.

Becky: PHOENIX STYLE NINJA ART: COELOPHYSIS!

Becky fired a wave of fire and it formed into one of the first ever dinosaurs from 216 million years ago: Coelophysis!

---

Coelophysis (/sɛˈlɒfɪsɪs/ seh-LOF-ih-sis traditionally; /ˌsɛloʊˈfaɪsɪs/ SEL-o-FY-sis or /ˌsiːloʊˈfaɪsɪs/ SEE-lo-FY-sis are heard more commonly in recent decades) is an extinct genus of coelophysid theropod dinosaur that lived approximately 216 to 196 million years ago during the latter part of the Triassic Period in what is now the southwestern United States and also in South Africa and Zimbabwe.

Coelophysis was a small, slenderly-built, ground-dwelling, bipedal carnivore, that could grow up to 3 m (9.8 ft) long. Coelophysis is one of the earliest known dinosaur genera. Scattered material representing similar animals has been found worldwide in some Late Triassic and Early Jurassic formations.

The type species C. bauri, originally given to the genus Coelurus by Edward Drinker Cope in 1887, was described by the latter in 1889. The names Longosaurus and Rioarribasaurus are synonymous with Coelophysis. Another dinosaur genus, Megapnosaurus, has also been considered to be a synonym. This primitive theropod is notable for being one of the most specimen-rich dinosaur genera.

Inostrancevia is an extinct genus of carnivorous therapsids, containing the largest members of the family Gorgonopsidae, predators characterized by long, saber-tooth-like canines. The various species inhabited northern Russia during the Upper Tatarian (Vyatskian), a Russian regional stage equivalent to the Wuchiapingian stage of the Late Permian period, dating from approximately 265 to 252.3 million years ago. It is known from several skulls and two almost-complete skeletons.

Muttaburrasaurus was a genus of herbivorous ornithopod dinosaur, which lived in what is now northeastern Australia sometime between 105 and 103 million years ago during the early Cretaceous Period. It has been recovered in some analyses as a member of the iguanodontian family Rhabdodontidae. After Kunbarrasaurus, it is Australia's most completely known dinosaur from skeletal remains. It was named after Muttaburra, the site in Queensland, Australia, where it was found.

Paige: PHOENIX STYLE NINJA ART: CRYOLOPHOSAURUS!

Paige fired a wave of fire and it formed into the Antarctic dinosaur from 193 million years ago: Cryolophosaurus!

---

Cryolophosaurus (/ˌkraɪoʊˌloʊfoʊ'sɔːrəs/ or /kraɪˌɒloʊfoʊ'sɔːrəs/; "CRY-oh-loaf-oh-SAWR-us") is a genus of large theropods known from only a single species Cryolophosaurus ellioti, known from the early Jurassic period of Antarctica. It was about 6.5 metres (21.3 ft) long and 465 kilograms (1,025 lb) in weight, making it one of the largest theropods of its time. Individuals of this species may have grown even larger, because the only known specimen probably represents a sub-adult. Cryolophosaurus is known from a skull, a femur and other material, the skull and femur of which have caused its classification to vary greatly. The femur possesses many primitive characteristics that have classified Cryolophosaurus as a dilophosaurid or a neotheropod outside of Dilophosauridae and Averostra, whereas the skull has many advanced features, leading the genus to be considered a tetanuran, an abelisaurid, a ceratosaur and even an allosaurid. Since its original description, the consensus is that Cryolophosaurus is either a primitive member of the Tetanurae or a close relative of that group.

Cryolophosaurus possessed a distinctive "pompadour" crest that spanned the head from side to side. Based on evidence from related species and studies of bone texture, it is thought that this bizarre crest was used for intra-species recognition. The brain of Cryolophosaurus was also more primitive than those of other theropods.

Cryolophosaurus was first excavated from Antarctica's Early Jurassic, Sinemurian to Pliensbachian aged Hanson Formation, formerly the upper Falla Formation, by paleontologist Dr. William Hammer in 1991. It was the first carnivorous dinosaur to be discovered in Antarctica and the first non-avian dinosaur from the continent to be officially named. The sediments in which its fossils were found have been dated at ~194 to 188 million years ago, representing the Early Jurassic Period.

Lateefa: (Arabic Accent) DESERT STYLE NINJA ART: VELOCIRAPTORS!

Lateefa fired a wave of sand and it formed into the deadly carnivorous dinosaurs from 78 million years ago: Velociraptor!

---

Velociraptor (/vɪˈlɒsɪræptər/; meaning "swift seizer" in Latin) is a genus of dromaeosaurid theropod dinosaur that lived approximately 75 to 71 million years ago during the latter part of the Cretaceous Period. Two species are currently recognized, although others have been assigned in the past. The type species is V. mongoliensis; fossils of this species have been discovered in Mongolia. A second species, V. osmolskae, was named in 2008 for skull material from Inner Mongolia, China.

Smaller than other dromaeosaurids like Deinonychus and Achillobator, Velociraptor nevertheless shared many of the same anatomical features. It was a bipedal, feathered carnivore with a long tail and an enlarged sickle-shaped claw on each hindfoot, which is thought to have been used to tackle and disembowel prey. Velociraptor can be distinguished from other dromaeosaurids by its long and low skull, with an upturned snout.

Velociraptor (commonly shortened to "raptor") is one of the dinosaur genera most familiar to the general public due to its prominent role in the Jurassic Park motion picture series. In real life, however, Velociraptor was roughly the size of a turkey, considerably smaller than the approximately 2 m (6 1⁄2 ft) tall and 80 kg (180 lb) reptiles seen in the films (which were based on members of the related genus Deinonychus). Today, Velociraptor is well known to paleontologists, with over a dozen described fossil skeletons, the most of any dromaeosaurid. One particularly famous specimen preserves a Velociraptor locked in combat with a Protoceratops.

Nataša: (Czech Accent) EARTH STYLE NINJA ART: UTAHRAPTOR!

Nataša fired a wave of earth and it formed into the state dinosaurs of Utah from 139 million years ago: Utahraptor!

Utahraptor (meaning Utah's predator) is a genus of large dromaeosaurid dinosaur that lived in North America during the Early Cretaceous period. It was a heavy-built, ground-dwelling, bipedal carnivore. It contains a single species, Utahraptor ostrommaysi, which is the largest-known member of the family Dromaeosauridae.

In 2018, it was proposed that Utahraptor be the Utah state dinosaur, an act that was approved by the Senate. Initially Utahraptor would have replaced another dinosaur, Allosaurus, as the state's official fossil, but it was decided that Utahraptor would be another symbol of the state.

Suwailim: (Egyptian Accent) DESERT STYLE NINJA ART: PROTOCERATOPS!

Suwailim fired a wave of sand and it formed into the Ceratopsian from 75 million years ago: Protoceratops.

---

Protoceratops (/ˌproʊtoʊˈsɛrətɒps/; from Greek proto-/πρωτο- "first", cerat-/κερατ- "horn" and -ops/-ωψ "face", meaning "first horned face") is a genus of sheep-sized (1.8 m long) herbivorous ceratopsian dinosaur, from the Upper Cretaceous Period (Campanian stage) of what is now Mongolia. It was a member of the Protoceratopsidae, a group of early horned dinosaurs. Unlike later ceratopsians, however, it was a much smaller creature that lacked well-developed horns and retained some basal traits not seen in later genera.

Protoceratops had a large neck frill which was likely used as a display site to impress other members of the species. Other hypotheses about its function include protection of the neck and anchoring of jaw muscles, but the fragility of the frill and the poor leverage offered by possible attachment sites here makes these ideas implausible. Described by Walter W. Granger and W.K. Gregory in 1923, Protoceratops was initially believed to be an ancestor of the North American ceratopsians. Researchers currently distinguish two species of Protoceratops (P. andrewsi and P. hellenikorhinus), based in part by their respective sizes.

In the 1920s, Roy Chapman Andrews discovered fossilized eggs in Mongolia that were interpreted as belonging to this dinosaur, but which turned out to be those of Oviraptor. However, it wouldn't be until 2011 that a genuine Protoceratops nest was discovered, with the remains of the neonates inside suggesting parental care in this dinosaur.

Woya: WIND STYLE NINJA ART: PTERANODON!

Woya fired a wave of wind and it formed into the famous pterosaur from 86 million years ago: Pteranodon!

---

Pteranodon (/tɪˈrænədɒn/; from Greek πτερόν (pteron, "wing") and ἀνόδων (anodon, "toothless")) is a genus of pterosaur that included some of the largest known flying reptiles, with wingspans over 7 meters (23 feet). They lived during the late Cretaceous geological period of North America in present-day Kansas, Alabama, Nebraska, Wyoming, and South Dakota. More fossil specimens of Pteranodon have been found than any other pterosaur, with about 1,200 specimens known to science, many of them well preserved with nearly complete skulls and articulated skeletons. It was an important part of the animal community in the Western Interior Seaway.

Pteranodon was a pterosaur, meaning that it is not a dinosaur. By definition, all dinosaurs belong to one of the two groups within Dinosauria, i.e. Saurischia or Ornithischia. As such, this excludes pterosaurs. Nonetheless, Pteranodon is frequently featured in dinosaur media and are strongly associated with dinosaurs by the general public. While not dinosaurs, pterosaurs such as Pteranodon form a clade closely related to dinosaurs as both fall within the clade Avemetatarsalia.

Edwayl: WATER STYLE NINJA ART: BASILOSAURUS!

Edwayl fired a wave of water and it formed into the one of the first whales of the Eocene epoch from 41.3 million years ago:

Basilosaurus!

---

Basilosaurus (meaning "king lizard") is a genus of large, predatory, prehistoric archaeocete whale from the late Eocene, approximately 41.3 to 33.9 million years ago (mya). First described in 1834, it was the first archaeocete and prehistoric whale known to science. The first fossils were discovered along the Gulf Coast of the United States, along with a few fossils in the eastern U.S., attributed to the type species B. cetoides. They were originally thought to be of a giant reptile, hence the suffix "-saurus", Ancient Greek for "lizard". The animal was later found to be an early marine mammal, which prompted attempts at renaming the creature, which failed as zoological nomenclature dictates using the original name given. Fossils were later found of the second species, B. isis, in 1904 in North Africa, more specifically the countries of Egypt, Jordan, Tunisia and Morocco. Basilosaurus has a possible record in Seymour Island in Antarctica.

Basilosaurus is considered to have been common in the Tethys sea. It was one of the largest, if not the largest, animals of the Paleogene. It was the top predator of its environment, preying on sharks, large fish and other marine mammals, namely the dolphin-like Dorudon, which seems to have been their predominant food source.

Basilosaurus was at one point a wastebasket taxon, before the genus slowly started getting reevaluated, with many species of different Eocene cetacean being assigned to the genus in the past, however they are invalid or have been reclassified under a new or different genus, leaving only 2 confirmed species. Basilosaurus may have been one of the first fully aquatic cetaceans (sometimes referred to as the pelagiceti). Basilosaurus, unlike modern cetaceans, had various types of teeth-such as canines and molars-in its mouth (heterodonty), and it probably was able to chew its food in contrast to modern cetaceans which swallow their food whole.

Rusty: DESERT STYLE NINJA ART: PARACERATHERIUM!

Rusty fired a wave of sand and it formed into the one of the ancestral rhinoceroses from 34 million years ago: Paraceratherium!

---

Paraceratherium is an extinct genus of hornless rhinoceros. It is one of the largest terrestrial mammals that has existed and lived from the early to late Oligocene epoch (34-23 million years ago). Its remains have been found across Eurasia between China and the Balkans. It is classified as a member of the hyracodont subfamily Indricotheriinae. Paraceratherium means "near the hornless beast", in reference to Aceratherium, the genus in which the type species A. bugtiense was originally placed.

The exact size of Paraceratherium is unknown because of the incompleteness of the fossils. The shoulder height was about 4.8 metres (15.7 feet), and the length about 7.4 metres (24.3 feet). Its weight is estimated to have been about 15 to 20 tonnes (33,000 to 44,000 lb). The long neck supported a skull that was about 1.3 metres (4.3 ft) long. It had large, tusk-like incisors and a nasal incision that suggests it had a prehensile upper lip or proboscis (trunk). The legs were long and pillar-like. The lifestyle of Paraceratherium may have been similar to that of modern large mammals such as the elephants and extant rhinoceroses. Because of its size, it would have had few predators and a slow rate of reproduction. It was a browser, eating mainly leaves, soft plants, and shrubs. It lived in habitats ranging from arid deserts with a few scattered trees to subtropical forests. The reasons for the animal's extinction are unknown, but various factors have been proposed.

The taxonomy of the genus and the species within has a long and complicated history. Other genera of Oligocene indricotheres, such as Baluchitherium, Indricotherium, and Pristinotherium, have been named, but no complete specimens exist, making comparison and classification difficult. Most modern scientists consider these genera to be junior synonyms of Paraceratherium, and it is thought to contain at least three discernible species; P. bugtiense, P. transouralicum, and P. huangheense. The most completely-known species is P. transouralicum, so most reconstructions of the genus are based on it. Differences between P. bugtiense and P. transouralicum may be due to sexual dimorphism, which would make them the same species.

Zach fired a wave of sand and leaves and it formed into the ancestors of the wild boar from 33.9 million years ago: Entelodon!

Entelodon (meaning "complete teeth", from Ancient Greek ἐντελής entelēs "complete" and ὀδών odōn "tooth", referring to its "complete" eutherian dentition), is an extinct genus of entelodont artiodactyl endemic to Eurasia. Fossils of species are found in Paleogene strata ranging in age from the Houldjinian (37.2-33.9 mya) until the Rupelian epoch of the early Oligocene (33.9-28.4 mya).

Liam: (Southern Accent) PLAIN STYLE NINJA ART: HYAENODON!

Liam fired a wave of sand and leaves and it formed into the ancestors of the hyena from 42 million years ago: Hyaenodon!

Hyaenodon ("hyena-tooth") is the type genus of the Hyaenodontidae, a family of extinct carnivorous fossil mammals from Eurasia, North America, and Africa, with species existing temporally from the Eocene until the middle Miocene, existing for about 26.1 million years.

The various species of Hyaenodon competed with each other and with other hyaenodont genera (including Sinopa, Dissopsalis, and Hyainailurus), and played important roles as predators in ecological communities as late as the Miocene in Africa and Asia and preyed on a variety of prey species such as primitive horses like Mesohippus and early camels. Species of Hyaenodon have been shown to have successfully preyed on other large carnivores of their time, including a nimravid ("false sabertooth cat"), according to analysis of tooth puncture marks on a fossil Dinictis skull found in North Dakota.

Mollie: LIGHTNING STYLE NINJA ART: GIGANOTOSAURUS!

Mollie fired a wave of lightning and it formed into the ferocious theropod from 98 million years ago: Giganotosaurus!

---

Giganotosaurus (/ˌdʒaɪɡəˌnoʊtəˈsɔːrəs/ JY-gə-NOH-tə-SOR-əs) is a genus of theropod dinosaur that lived in what is now Argentina, during the early Cenomanian age of the Late Cretaceous period, approximately 98 to 97 million years ago. The holotype specimen was discovered in the Candeleros Formation of Patagonia in 1993, and is almost 70% complete. The animal was named Giganotosaurus carolinii in 1995; the genus name translates as "giant southern lizard" and the specific name honors the discoverer, Rubén D. Carolini. A dentary bone, a tooth and some tracks, discovered before the holotype, were later assigned to this animal. The genus attracted much interest and became part of a scientific debate about the maximum sizes of theropod dinosaurs.

Giganotosaurus was one of the largest known terrestrial carnivores, but the exact size has been hard to determine due to the incompleteness of the remains found so far. Estimates for the most complete specimen range from a length of 12 to 13 m (39 to 43 ft), a skull 1.53 to 1.80 m (5.0 to 5.9 ft) in length, and a weight of 4.2 to

13.8 t (4.6 to 15.2 short tons). The dentary bone that belonged to a supposedly larger individual has been used to extrapolate a length of 13.2 m (43 ft). Some researchers have found the animal to be larger than Tyrannosaurus, which has historically been considered the largest theropod, while others have found them to be roughly equal in size, and the largest size estimates for Giganotosaurus exaggerated. The skull was low, with rugose (rough and wrinkled) nasal bones and a ridge-like crest on the lacrimal bone in front of the eye. The front of the lower jaw was flattened, and had a downwards projecting process (or "chin") at the tip. The teeth were compressed sideways and had serrations. The neck was strong and the pectoral girdle proportionally small.

Part of the family Carcharodontosauridae, Giganotosaurus is one of the most completely known members of the group, which includes other very large theropods, such as the closely related Mapusaurus and Carcharodontosaurus. Giganotosaurus is thought to have been homeothermic (a type of "warm-bloodedness"), with a metabolism between that of a mammal and a reptile, which would have enabled fast growth. It may have been relatively fast moving, with a calculated maximal running speed of 14 m/s (50 km/h; 31 mph). It would have been capable of closing its jaws quickly, capturing and bringing down prey by delivering powerful bites. The "chin" may have helped in resisting stress when a bite was delivered against prey. Giganotosaurus is thought to have been the apex predator of its ecosystem, and it may have fed on juvenile sauropod dinosaurs.

Luan: JUNGLE STYLE NINJA ART: GIGANTOPITHECUS!

Luan fired a wave of leaves and grass and it formed into one of the first apes from 2 million to 300,000 years ago: Gigantopithecus!

---

Gigantopithecus is an extinct genus of ape from the Early to Middle Pleistocene of southern China, represented by one species, G. blacki. Potential identifications have also been made in Thailand, Vietnam, and Indonesia. The first remains of Gigantopithecus, two third molar teeth, were identified in a drugstore by anthropologist

Ralph von Koenigswald in 1935, who subsequently described the ape. In 1956, the first mandible and over 1,000 teeth were found in Liucheng, and numerous more remains have since been found in at least 16 sites. Only teeth and 4 mandibles are known currently, and other skeletal elements were likely consumed by porcupines before they could fossilise. Gigantopithecus was once argued to be a hominin, a member of the human line, but it is now thought to be closely allied with orangutans, classified in the subfamily Ponginae.

Gigantopithecus has traditionally been restored as a massive, gorilla-like ape, potentially 200-300 kg (440-660 lb) when alive, but the paucity of remains make total size estimates highly speculative. The species may have been sexually dimorphic, with males much bigger than females. The incisors are reduced and the canines appear to have functioned like cheek teeth (premolars and molars). The premolars are high-crowned, and the fourth premolar is very molar-like. The molars are the largest of any known ape, and have a relatively flat surface. Gigantopithecus had the thickest enamel by absolute measure of any ape, up to 6 mm (a quarter of an inch) in some areas, though was only fairly thick when tooth size is taken into account.

Gigantopithecus appears to have been a generalist herbivore of C3 forest plants, with the jaw adapted to grinding, crushing, and cutting through tough, fibrous plants; and the thick enamel functioning to resist foods with abrasive particles such as stems, roots, and tubers with dirt. Some teeth bear traces of fig family fruits. It primarily lived in subtropical to tropical forest, and went extinct about 300,000 years ago likely due to climate change and the retreat of preferred habitat, and potentially archaic human activity by Homo erectus. Gigantopithecus has become popular in cryptozoology circles as the identity of the Tibetan yeti or the American bigfoot, humanlike monsters in local folklore.

Fletcher: (Scottish Accent) ICE STYLE NINJA ART: DIRE WOLVES!

Fletcher fired a wave of ice and it formed into a pack of the first wolves from 125,000 to 9,500 years ago: the Dire Wolves!

The dire wolf (Canis dirus, "fearsome dog") is an extinct species of the genus Canis. It is one of the most famous prehistoric carnivores in North America, along with its extinct competitor, the sabre-toothed cat Smilodon fatalis. The dire wolf lived in the Americas during the Late Pleistocene and Early Holocene epochs (125,000-9,500 years ago). The species was named in 1858, four years after the first specimen had been found. Two subspecies are recognized: Canis dirus guildayi and Canis dirus dirus. The dire wolf probably evolved from Armbruster's wolf (Canis armbrusteri) in North America. The largest collection of its fossils has been obtained from the Rancho La Brea Tar Pits in Los Angeles.

Dire wolf remains have been found across a broad range of habitats including the plains, grasslands, and some forested mountain areas of North America, and in the arid savannah of South America. The sites range in elevation from sea level to 2,255 meters (7,400 ft). Dire wolf fossils have rarely been found north of 42°N latitude; there have been only five unconfirmed reports above this latitude. This range restriction is thought to be due to temperature, prey, or habitat limitations imposed by proximity to the Laurentide and Cordilleran ice sheets that existed at the time.

The dire wolf was about the same size as the largest modern gray wolves (Canis lupus): the Yukon wolf and the northwestern wolf. C. d. guildayi weighed on average 60 kilograms (132 lb) and C. d. dirus was on average 68 kg (150 lb). Its skull and dentition matched those of C. lupus, but its teeth were larger with greater shearing ability, and its bite force at the canine tooth was the strongest of any known Canis species. These characteristics are thought to be adaptations for preying on Late Pleistocene megaherbivores, and in North America its prey are known to have included horses, ground sloths, mastodons, bison, and camels. As with other large Canis hypercarnivores today, the dire wolf is thought to have been a pack hunter. Its extinction occurred during the Quaternary extinction event along with most of the American megafauna of the time, including a number of other carnivores, that occurred soon after the appearance of humans in the New World. Its reliance on megaherbivores has been proposed as the cause of its extinction, along with climate change and competition with other species, but the cause remains controversial. Dire wolves lived as recently as 9,500 years ago, according to dated remains.

Alex T.: (Greek Accent) FIRESTORM STYLE NINJA ART: ARGENTINOSAURUS!

Alex fired a wave of fire and it formed into the largest dinosaur that ever lived from 96.2 million years ago: Argentinosaurus!

---

Argentinosaurus is a genus of giant sauropod dinosaur that lived during the Late Cretaceous period in what is now Argentina. Although it is only known from fragmentary remains, Argentinosaurus is one of the largest-known land animals of all time, if not the largest, with length estimates ranging from 30 to 39.7 metres (98 to 130 ft) and weight estimates from 50 to 100 tonnes (55 to 110 short tons). It was a member of Titanosauria, the dominant group of sauropods during the Cretaceous.

The first Argentinosaurus bone was discovered in 1987 by a farmer on his farm near the city of Plaza Huincul. A scientific excavation of the site led by the Argentine palaeontologist José Bonaparte was conducted in 1989, yielding several back vertebrae and parts of a sacrum-fused vertebrae between the back and tail vertebrae.

Additional specimens include a complete femur (thigh bone) and the shaft of another. Argentinosaurus was named by Bonaparte and the Argentine palaeontologist Rodolfo Coria in 1993; it contains a single species, A. huinculensis. The generic name Argentinosaurus means "Argentine lizard", and the specific name huinculensis refers to its place of discovery, Plaza Huincul.

The fragmentary nature of Argentinosaurus remains makes their interpretation difficult. Arguments revolve around the position of the recovered vertebrae within the vertebral column and the presence of accessory articulations between the vertebrae that would have strengthened the spine. A computer model of the skeleton and muscles estimated this dinosaur had a maximum speed of 7 km/h (5 mph) with a pace, a gait where the fore and hind limb of the same side of the body move simultaneously. The fossils of Argentinosaurus were recovered from the Huincul Formation, which was deposited in the middle Cenomanian to early Turonian ages (around 96 to 92 million years ago) and contains a diverse dinosaur fauna including the giant theropod Mapusaurus.

Shamrina fired a wave of fire and it formed into one of the ancestral wild boars from 29 million years ago: Daeodon!

---

Daeodon is an extinct genus of entelodont artiodactyl that inhabited North America between 29 and 19 million years ago during the middle Oligocene and early Miocene epochs. The type species is Daeodon shoshonensis, the last and largest of the entelodonts; known adults of this species possessed skulls about 90 cm (3 ft) in length. It had a broad distribution across the United States, but it was never abundant.

GIANT GROUND SLOTH!

Tshibangu fired a wave of leaves and grass and it formed into the ancestor of the sloth from 5 million years ago: Megatherium or Giant Ground Sloth!

---

Megatherium (/mɛɡəˈθɪəriəm/ meg-ə-THEER-ee-əm from the Greek mega [μέγας], meaning "great", and therion [θηρίον], "beast") is an extinct genus of ground sloths endemic to South America that lived from the Early Pliocene through the end of the Pleistocene. It is best known for the elephant-sized type species M. americanum, sometimes called the giant ground sloth, or the megathere, native to the Pampas through southern Bolivia during the Pleistocene. Various other smaller species belonging to the subgenus Pseudomegatherium are known from the Andes. Megatherium is part of the sloth family Megatheriidae, which also includes the similarly elephantine Eremotherium, which was native to tropical South America and southern North America. Only a few other land mammals equaled or exceeded M. americanum in size, such as large proboscideans (e.g., elephants) and the giant rhinoceros Paraceratherium. Megatherium was first discovered in 1788 on the bank of the Luján River in Argentina. The holotype specimen was then shipped to Spain the following year wherein it caught the attention of the esteemed paleontologist Georges Cuvier, who was the first to determine, by means of comparative anatomy, that Megatherium was a sloth. Megatherium became extinct around 12,000 years ago during the Quaternary extinction event, which also claimed most other large mammals in the New World. The extinction coincides with the settlement of the Americas, and a kill site where a M. americanum was slaughtered and butchered is known, suggesting that hunting could have caused its extinction.

Lang Yan: (Chinese Accent) BAMBOO STYLE NINJA ART: DWARF PANDA!

Lang punched the ground and a bunch of bamboo grew in seconds and they formed into the ancestor of the Giant Panda from 2 million years ago - the Dwarf Panda!

---

Ailuropoda microta is the earliest known ancestor of the giant panda. It measured 1 m (3 ft) in length; the modern giant panda grows to a size in excess of 1.5 m (5 ft). Wear patterns on its teeth suggest it lived on a diet of bamboo, the primary food of the giant panda. The first discovered skull of the animal in a south China limestone cave is estimated to be 2 million years old. The skull found is about half the size of a modern-day giant panda, but is anatomically very similar. This research suggests that the giant panda has evolved for more than 3 million years as a completely separate lineage from that of other bears.

Guanlong (冠龍) is a genus of extinct proceratosaurid tyrannosauroid from the Late Jurassic of China. The taxon was first described in 2006 by Xu Xing et al., who found it to represent a new taxon related to Tyrannosaurus. The name is derived from Chinese, translating as "crown dragon". Two individuals are currently known, a partially complete adult and a nearly complete juvenile. These specimens come from the Oxfordian stage of the Chinese Shishugou Formation.

Brock: EARTH STYLE NINJA ART: DOEDICURUS!

Brock fired a wave of earth and it formed into the ancestral armadillo from 2 million to 7,000 years ago: DOEDICURUS!

---

Doedicurus, or Dædicurus, is an extinct genus of glyptodont from South America containing one species, D. clavicaudatus. Glyptodonts are a member of the family Chlamyphoridae, which also includes some modern armadillo species, and they are classified in the order Xenarthra alongside sloths and anteaters. Being a glyptodont, it was a rotund animal with heavy armor and a carapace. Averaging at an approximate 1,400 kg (3,100 lb), it was one of the largest glyptodonts to have ever lived. Though glyptodonts were quadrupeds, large ones like Doedicurus may have been able to stand on two legs like other xenarthrans. It notably sported a spiked tail club, which may have weighed 40 or 65 kg (88 or 143 lb) in life, and it may have swung this in defense against predators or in fights with other Doedicurus at speeds of perhaps 11 m/s (40 km/h; 25 mph).

Doedicurus was likely a grazer, but its teeth and mouth, like those of other glyptodonts, seem unable to have chewed grass effectively, which may indicate a slow metabolism. Doedicurus existed during the Pleistocene. Before this, South America had been isolated from the rest of the world, but the formation of the Isthmus of Panama allowed North American fauna to invade South America in the Great American Interchange, including big cats, bears, elephants, camels, and horses. Doedicurus seems to have inhabited the relatively cold and humid Chaco-Pampean plains of northeastern Patagonia. It may have been the latest-surviving glyptodont, with remains suggested to date to 8,000-7,000 years ago during the middle Holocene, though these dates have been questioned. It may have gone extinct due to some combination of human hunting and climate change.

Nora: (Spanish Accent) JUNGLE STYLE NINJA ART: CARNOTAURUS!

Nora fired a wave of grass and leaves and it formed into the ferocious theropod from 72 million years ago: Carnotaurus!

---

Carnotaurus /ˌkɑːrnoʊˈtɔːrəs/ is a genus of large theropod dinosaur that lived in South America during the Late Cretaceous period, between about 72 and 69.9 million years ago. The only species is Carnotaurus sastrei. Known from a single well-preserved skeleton, it is one of the best-understood theropods from the Southern Hemisphere. The skeleton, found in 1984, was uncovered in the Chubut Province of Argentina from rocks of the La Colonia Formation. Carnotaurus is a derived member of the Abelisauridae, a group of large theropods that occupied the large predatorial niche in the southern landmasses of Gondwana during the late Cretaceous. The phylogenetic relations of Carnotaurus are uncertain; it might have been closer to either Majungasaurus or Aucasaurus.

Carnotaurus was a lightly built, bipedal predator, measuring 7.5 to 9 m (24.6 to 29.5 ft) in length and weighing at least 1.35 metric tons (1.33 long tons; 1.49 short tons). As a theropod, Carnotaurus was highly specialized and distinctive. It had thick horns above the eyes, a feature unseen in all other carnivorous dinosaurs, and a very deep skull sitting on a muscular neck. Carnotaurus was further characterized by small, vestigial forelimbs and long, slender hindlimbs. The skeleton is preserved with extensive skin impressions, showing a mosaic of small, non-overlapping scales approximately 5 mm in diameter. The mosaic was interrupted by large bumps that lined the sides of the animal, and there are no hints of feathers.

The distinctive horns and the muscular neck may have been used in fighting conspecifics. According to separate studies, rivaling individuals may have combated each other with quick head blows, by slow pushes with the upper sides of their skulls, or by ramming each other head-on, using their horns as shock absorbers. The feeding habits of Carnotaurus remain unclear: some studies suggest the animal was able to hunt down very large prey such as sauropods, while other studies find it preyed mainly on relatively small animals. Carnotaurus was well adapted for running and was possibly one of the fastest large theropods.

Timmy Turner: EARTH STYLE NINJA ART: DIMETRODON!

Timmy fired a wave of earth and it formed into the Permian reptilian mammal from 295 million years ago: Dimetrodon!

---

Dimetrodon (/daɪˈmiːtrədɒn/ (About this soundlisten) or /daɪ ˈmɛtrədɒn/, meaning "two measures of teeth") is an extinct genus of non-mammalian synapsid that lived during the Cisuralian (Early Permian), around 295-272 million years ago (Ma). It is a member of the family Sphenacodontidae. The most prominent feature of Dimetrodon is the large neural spine sail on its back formed by elongated spines extending from the vertebrae. It walked on four legs and had a tall, curved skull with large teeth of different sizes set along the jaws. Most fossils have been found in the southwestern United States, the majority coming from a geological deposit called the Red Beds of Texas and Oklahoma. More recently, fossils have been found in Germany. Over a dozen species have been named since the genus was first erected in 1878.

Dimetrodon is often mistaken for a dinosaur or as a contemporary of dinosaurs in popular culture, but it became extinct some 40 million years before the first appearance of dinosaurs. Reptile-like in appearance and physiology, Dimetrodon is nevertheless more closely related to mammals than to modern reptiles, though it is not a direct ancestor of mammals. Dimetrodon is assigned to the "non-mammalian synapsids", a group traditionally called "mammal-like reptiles". This groups Dimetrodon together with mammals in a clade (evolutionary group) called Synapsida, while placing dinosaurs, reptiles and birds in a separate clade, Sauropsida. Single openings in the skull behind each eye, known as temporal fenestrae, and other skull features distinguish Dimetrodon and mammals from most of the earliest sauropsids.

Dimetrodon was probably one of the apex predators of the Cisuralian ecosystems, feeding on fish and tetrapods, including reptiles and amphibians. Smaller Dimetrodon species may have had different ecological roles. The sail of Dimetrodon may have been used to stabilize its spine or to heat and cool its body as a form of thermoregulation. Some recent studies[citation needed] argue that the sail would have been ineffective at removing heat from the body due to large species being discovered with small sails and small species being discovered with large sails, essentially ruling out heat regulation as its main purpose. The sail was most likely used in courtship display with methods such as threatening rivals or showing off to potential mates.

Nantan: WIND STYLE NINJA ART: AUSTRALOPITHECUS AFARENSIS!

Nantan fired a wave of wind and it formed into one of our human ancestors on our evolutionary chain from 3 million years ago: Australopithecus Afarensis!

---

Australopithecus afarensis is an extinct species of australopithecine which lived from about 3.9-2.9 million years ago (mya) in the Pliocene of East Africa. The first fossils were discovered in the 1930s, but major fossil finds would not be discovered until the 1970s. In the 1972-1977 expedition in Hadar, Ethiopia, the International Afar Research Expedition led by anthropologists Maurice Taieb, Donald Johanson, and Yves Coppens unearthed several hundreds of hominin specimens, the most significant being the exceedingly well-preserved skeleton AL 288-1 ("Lucy") and the site AL 333 ("the First Family"). Beginning in 1974, Mary Leakey led an expedition into Laetoli, Tanzania, and recovered notably fossil trackways. In 1978, the species was first described, but this was followed by arguments for splitting the wealth of specimens into different species given the wide range of variation which had been attributed to sexual dimorphism (normal differences between males and females). A. afarensis probably descended from A. anamensis and possibly gave rise to Homo, though the latter hypothesis is not without dissent.

A. afarensis had a tall face, a delicate brow ridge, and prognathism (the jaw jutted outwards). The jawbone was quite robust, similar to that of gorillas. The living size of A. afarensis is debated, with arguments for and against marked size differences between males and females. Lucy measured perhaps 105 cm (3 ft 5 in) in height and 25-37 kg (55-82 lb), but she was rather small for her species. In contrast, a presumed male was estimated at 165 cm (5 ft 5 in) and 45 kg (99 lb). A perceived difference in male and female size may simply be sampling bias. The leg bones as well as the Laetoli fossil trackways suggest A. afarensis was a competent biped, though somewhat less efficient at walking than humans. The arm and shoulder bones have some similar aspects to those of orangutans and gorillas, which has variously been interpreted as either evidence of partial tree-dwelling (arboreality), or basal traits inherited from the human-chimp last common ancestor with no adaptive functionality.

A. afarensis was probably a generalist omnivore of both C3 forest plants and C4 CAM savanna plants-and perhaps creatures which ate such plants-and was able to exploit a variety of different food sources. Similarly, A. afarensis appears to have inhabited a wide range of habitats with no real preference, inhabiting open grasslands or woodlands, shrublands, and lake- or riverside forests. Potential evidence of stone tool use would indicate meat was also a dietary component. Marked sexual dimorphism in primates typically corresponds to a polygynous society and low dimorphism monogamy, but the group dynamics of early hominins is difficult to predict with accuracy. Early hominins may have fallen prey to the large carnivores of the time, such as big cats and hyenas.

Ronnie Anne: JUNGLE STYLE NINJA ART: BRACHIOSAURUS!

Ronnie Anne fired a wave of leaves and grass and it formed into the famous sauropod from 154 million years ago: Brachiosaurus!

---

Brachiosaurus (/ˌbrækiəˈsɔːrəs/) is a genus of sauropod dinosaur that lived in North America during the Late Jurassic, about 154-153 million years ago. It was first described by American paleontologist Elmer S. Riggs in 1903 from fossils found in the Colorado River valley in western Colorado, United States. Riggs named the dinosaur Brachiosaurus altithorax; the generic name is Greek for "arm lizard", in reference to its proportionately long arms, and the specific name means "deep chest". Brachiosaurus is estimated to have been between 18 and 21 meters (59 and 69 ft) long; weight estimates range from 28.3 to 58 metric tons (31.2 and 64 short tons). It had a disproportionately long neck, small skull, and large overall size, all of which are typical for sauropods. Atypically, Brachiosaurus had longer forelimbs than hindlimbs, which resulted in a steeply inclined trunk, and a proportionally shorter tail.

Brachiosaurus is the namesake genus of the family Brachiosauridae, which includes a handful of other similar sauropods. Most popular depictions of Brachiosaurus are in fact based on Giraffatitan, a genus of brachiosaurid dinosaur from the Tendaguru Formation of Tanzania. Giraffatitan was originally described by German paleontologist Werner Janensch in 1914 as a species of Brachiosaurus, B. brancai, but moved to its own genus in 2009. Three other species of Brachiosaurus have been named based on fossils found in Africa and Europe; two are no longer considered valid, and a third has become a separate genus, Lusotitan.

The type specimen of B. altithorax is still the most complete specimen, and only a few other specimens are thought to belong to the genus, making it one of the rarer sauropods of the Morrison Formation. It is regarded as a high browser, possibly cropping or nipping vegetation as high as 9 meters (30 ft) off the ground. Unlike other sauropods, it was unsuited for rearing on its hindlimbs. It has been used as an example of a dinosaur that was most likely ectothermic because of its large size and the corresponding need for sufficient forage, but more recent research suggests it was warm-blooded. Among the most iconic and initially thought to be one of the largest dinosaurs, Brachiosaurus has appeared in popular culture, notably in the 1993 film Jurassic Park.

Ryan fired a wave of ice and it formed into one of the first giant penguins and ancestor of the Emperor Penguin from 45 million years ago: Anthropornis!

---

Anthropornis is a genus of giant penguin that lived 45-33 million years ago, during the Late Eocene and the earliest part of the Oligocene.[1] It reached 1.8 m (5 ft 11 in) in height and 90 kg (200 lb) in weight. Fossils of it have been found in the La Meseta Formation on Seymour Island off the coast of Antarctica and in New Zealand. By comparison, the largest modern penguin species, the emperor penguin, is just 1.2 m (3 ft 11 in) tall.

The type species, Anthropornis nordenskjoldi, had a bent joint in the wing, probably a carryover from flying ancestors.

Eloá: (Brazilian Accent) JUNGLE STYLE NINJA ART: GASTORNIS!

Eloá fired a wave of leaves and grass and it formed into the terror bird of 56 million years ago: Gastornis!

Gastornis is an extinct genus of large flightless birds that lived during the late Paleocene and Eocene epochs of the Cenozoic era. The genus is currently thought to contain three or four distinct species, known from incomplete fossil remains, found in western-central Europe (England, Belgium, France and Germany). More complete specimens are known from a fourth, North American species, which had previously been classified in the distinct genus Diatryma. Many scientists now consider Diatryma to be so similar to the other species of Gastornis that it should also be included in that genus. A fifth species, also previously classified in its own genus, is known from China.

Gastornis species were very large birds, and have traditionally been considered to be predators of small mammals. However, several lines of evidence, including the lack of hooked claws in known Gastornis footprints and studies of their beak structure have caused scientists to reinterpret these birds as herbivores that probably fed on tough plant material and seeds.

Haiku: DARK STYLE NINJA ART: TITANIS TERROR BIRD!

Haiku fired a wave of darkness and it formed into the ferocious giant terror bird of 5 million years ago: Titanis!

---

Titanis is an extinct genus of giant flightless terror birds that inhabited North America during the early Pliocene to early Pleistocene epochs. The generic name, Titanis, refers to the titans, Ancient Greek gods that preceded the Twelve Olympians, in allusion to the bird's size. The specific name, T. walleri, honors the holotype's collector, Benjamin I. Waller, an avocational underwater archaeologist. Titanis was thought to be carnivorous and most likely preyed on the many small mammals of the time period. This giant flightless bird was one of the most efficient predators of its time in North America.

There is only one thoroughly described species of bat in the genus, I. index, although fragmentary material from France has also been tentatively placed within Icaronycteris as the second species I. menui. I. sigei is based on well-preserved fragments of dentaries and lower teeth found in Western India.

Lola: FIRESTORM STYLE NINJA ART: BAJADASAURUS!

Lola fired a wave of fire and it formed into the newly discovered dinosaurs from 140 million years ago: Bajadasaurus!

Bajadasaurus is a genus of sauropod dinosaur from the Early Cretaceous epoch (late Berriasian to Valanginian stages) of northern Patagonia, Argentina. It was first described in 2019 based on a single specimen found in 2010 that includes a largely complete skull and parts of the neck. The only species is Bajadasaurus pronuspinax. The genus is classified as a member of the Dicraeosauridae, a group of comparatively small and short-necked sauropods that lived from the Early or Middle Jurassic to the end of the Early Cretaceous.

Bajadasaurus sported bifurcated, extremely elongated neural spines extending from the neck vertebrae. Similar elongated spines are known from the closely related and more completely known Amargasaurus. Various possible functions have been proposed for these spines in Amargasaurus, with the 2019 description of Bajadasaurus suggesting that they could have served as passive defense against predators in both genera. The skull was gracile and equipped with around 44 teeth that were pencil-shaped and restricted to the front of the jaws. The eye openings of Bajadasaurus were exposed in top view of the skull, possibly allowing the animal to look forwards while feeding. Bajadasaurus was discovered in sedimentary rocks of the Bajada Colorada Formation, and its environment resembled a braided river system. It shared its environment with other dinosaurs including the sauropod Leinkupal and different theropods.

Lily: OCEAN STYLE NINJA ART: MOSASAURUS!

Lily fired a wave of water and it formed into the marine reptile from 87 million years ago: Mosasaurus!

---

Mosasaurus (/ˌmoʊzəˈsɔːrəs/; "lizard of the Meuse River") is the type genus of the mosasaurs, an extinct group of aquatic squamate reptiles. The genus lived from about 82 to 66 million years ago during the Campanian and Maastrichtian stages of the Late Cretaceous. The earliest fossils known to science were found as skulls in a chalk quarry near the Dutch city of Maastricht in the late 1700s, which were initially thought to have been the bones of crocodiles or whales. One particular skull discovered at around 1780, and which was seized during the French Revolutionary Wars for its scientific value and transported to Paris, was famously nicknamed the "great animal of Maastricht". In 1808, naturalist Georges Cuvier concluded that it belonged to a giant marine lizard with similarities to monitor lizards but otherwise unlike any animal known today. This concept was revolutionary at the time and helped support the then-developing ideas of extinction. However, Cuvier did not designate a scientific name for the new animal; this task was completed by William Daniel Conybeare in 1822 when he named it Mosasaurus in reference to its origin in fossil deposits near the Meuse River. The relationships between Mosasaurus and modern reptiles are controversial and scientists continue to debate whether its closest living relatives are monitor lizards or snakes.

Traditional interpretations have estimated the maximum length of Mosasaurus to be up to 17.6 meters (58 ft), making it one of the largest mosasaur genera. Its skull, which was either broad or slender depending on the species, was equipped with robust jaws capable of swinging back and forth and strong muscles capable of powerful bites using dozens of large teeth designed for cutting prey. Its tail was long and ended in a paddle-like fluke that bent downwards. Mosasaurus was a predator that had excellent vision to compensate for its poor sense of smell, and a high metabolic rate that suggests it was warm-blooded, an adaptation found in other mosasaurs but no other squamates. The classification of Mosasaurus was historically problematic due to an unclear diagnosis of the type specimen. As a result, over fifty different species have been attributed to the genus in the past. A rediagnosis of the type specimen in 2017 helped resolve the taxonomy issue and confirmed at least five species to be within the genus and another five species still nominally classified within Mosasaurus are planned to be reassessed in a future study. Each species was variable with unique anatomical features differentiating them from the robustly-built M. hoffmannii to the slender and serpentine M. lemonnieri.

Fossil evidence suggests that Mosasaurus inhabited much of the Atlantic Ocean and the seaways adjacent to it. Continents that have recovered Mosasaurus fossils include North America, South America, Europe, Africa, Western Asia, and Antarctica. This distribution encompassed a wide range of oceanic climates including tropical, subtropical, temperate, and subpolar climates. Mosasaurus was a common large predator in these oceans and a dominant genus positioned at the top of the food chain. Scientists believe that its diet would have included virtually anything; it likely preyed on bony fish, sharks, cephalopods, birds, and other marine reptiles including sea turtles and other mosasaurs. It likely preferred to hunt in open water near the surface. From an ecological standpoint, Mosasaurus probably had a profound impact in the structuring of marine ecosystems; its arrival in some locations such as the Western Interior Seaway in North America has been marked with a complete turnover of faunal assemblages and diversity. Mosasaurus faced competition with other large predatory mosasaurs such as Prognathodon and Tylosaurus-which are known to feed on similar prey-though they were able to coexist in the same ecosystems through niche partitioning. There were conflicts among them, as an attack on Mosasaurus by Tylosaurus has been documented.

Several discovered fossils illustrated deliberate attacks on Mosasaurus individuals by another of the same species. Infighting likely took place in the form of snout grappling, similarly seen in modern crocodiles today.

Rainbow Dash fired a wave of wind and it formed into the one of the ancestral eagles from 1.8 million to 700,000 years ago: The Haast's Eagle!

---

The Haast's eagle (Hieraaetus moorei, synonym Harpagornis moorei) is an extinct species of eagle that once lived in the South Island of New Zealand, commonly accepted to be the pouakai of Maori legend. The species was the largest eagle known to have existed, with an estimated weight of 15 kilograms (33 lb) nearly double that of the Harpy eagle at 9 kilograms (20 lb). Its massive size is explained as an evolutionary response to the size of its prey, the flightless moa, the largest of which could weigh 230 kg (510 lb). Haast's eagle became extinct around 1400, after the moa were hunted to extinction by the first Māori.

Shrek: WATER STYLE NINJA ART: DEINOSUCHUS!

Shrek fired a wave of water and it formed into one of the first crocodiles from 82 million years ago: Deinosuchus!

---

Deinosuchus (/ˌdaɪnəˈsjuːkəs/) is an extinct genus of crocodilian related to the modern alligator that lived 82 to 73 million years ago (Ma), during the late Cretaceous period. The name translates as "terrible crocodile" and is derived from the Greek deinos (δεινός), "terrible", and soukhos (σοῦχος), "crocodile". The first remains were discovered in North Carolina (United States) in the 1850s; the genus was named and described in 1909. Additional fragments were discovered in the 1940s and were later incorporated into an influential, though inaccurate, skull reconstruction at the American Museum of Natural History. Knowledge of Deinosuchus remains incomplete, but better cranial material found in recent years has expanded scientific understanding of this massive predator.

Although Deinosuchus was far larger than any modern crocodile or alligator, with the largest adults measuring 12 meters (39 ft) in total length, its overall appearance was fairly similar to its smaller relatives. It had large, robust teeth built for crushing, and its back was covered with thick hemispherical osteoderms. One study indicated Deinosuchus may have lived for up to 50 years, growing at a rate similar to that of modern crocodilians, but maintaining this growth over a much longer time.

Deinosuchus fossils have been described from 10 U.S. states, including Texas, Montana, and many along the East Coast. Fossils have also been found in northern Mexico. It lived on both sides of the Western Interior Seaway, and was an opportunistic apex predator in the coastal regions of eastern North America. Deinosuchus reached its largest size in its western habitat, but the eastern populations were far more abundant. Opinion remains divided as to whether these two populations represent separate species. Deinosuchus was probably capable of killing and eating large dinosaurs. It may have also fed upon sea turtles, fish, and other aquatic and terrestrial prey.

Lincoln fired a wave of ice and it formed into the Theropod from 76.6 million years ago: Gorgosaurus!

---

Gorgosaurus (/ˌɡɔːrɡəˈsɔːrəs/ GOR-gə-SOR-əs; meaning "dreadful lizard") is a genus of tyrannosaurid theropod dinosaur that lived in western North America during the Late Cretaceous Period (Campanian), between about 76.6 and 75.1 million years ago. Fossil remains have been found in the Canadian province of Alberta and possibly the U.S. state of Montana. Paleontologists recognize only the type species, G. libratus, although other species have been erroneously referred to the genus.

Like most known tyrannosaurids, Gorgosaurus was a bipedal predator weighing more than two metric tons as an adult; dozens of large, sharp teeth lined its jaws, while its two-fingered forelimbs were comparatively small. Gorgosaurus was most closely related to

Albertosaurus, and more distantly related to the larger Tyrannosaurus. Gorgosaurus and Albertosaurus are extremely similar, distinguished mainly by subtle differences in the teeth and skull bones. Some experts consider G. libratus to be a species of Albertosaurus; this would make Gorgosaurus a junior synonym of that genus.

Gorgosaurus lived in a lush floodplain environment along the edge of an inland sea. It was an apex predator, preying upon abundant ceratopsids and hadrosaurs. In some areas, Gorgosaurus coexisted with another tyrannosaurid, Daspletosaurus. Although these animals were roughly the same size, there is some evidence of niche differentiation between the two. Gorgosaurus is the best-represented tyrannosaurid in the fossil record, known from dozens of specimens. These plentiful remains have allowed scientists to investigate its ontogeny, life history and other aspects of its biology.

Lisa Loud: EARTH STYLE NINJA ART: GORGONOPS!

Lisa fired a wave of earth and it formed into Permian Therapsid from 260 million years ago: Gorgonops!

---

Gorgonops (from Greek Γοργών 'Gorgon' and ὤψ 'eye, face', literally "Gorgon eye" or "Gorgon face") is an extinct genus of therapsid which lived about 260-254 million years ago, during the Late Permian. It was a typical representative of the suborder Gorgonopsia, the dominant predators of their day, which in the largest forms grew to over three metres long.

Warren: EARTH STYLE NINJA ART: SCUTOSAURUS!

Warren fired a wave of earth and it formed into the parareptile from 265 million years ago: Scutosaurus!

---

Scutosaurus ("Shield lizard") was a genus of parareptiles. It was an armor-covered pareiasaur that lived around 265-254 million years ago in Russia, in the later Permian period. Its genus name refers to large plates of armor scattered across its body. It was a large anapsid reptile that, unlike most reptiles, held its legs underneath its body to support its great weight. Fossils have been found in the Sokolki Assemblage Zone of the Malokinelskaya Formation in European Russia, close to the Ural Mountains.

Bart: EARTH STYLE NINJA ART: DINOGORGON!

Bart fired a wave of earth and it formed into the Gorgonopsid from 259 million years ago: Dinogorgon!

---

Dinogorgon is a genus of gorgonopsid from the Late Permian of South Africa and Tanzania. The generic name Dinogorgon is derived from Greek, meaning "terrible gorgon", while its species name rubidgei is taken from the surname of renowned Karoo paleontologist, Professor Bruce Rubidge, who has contributed to much of the research conducted on therapsids of the Karoo Basin. The type species of the genus is D. rubidgei.

Dinogorgon is part of the gorgonopsian subfamily Rubidgeinae, a derived group of large-bodied gorgonopsians restricted to the Late Permian (Lopingian). The Rubidgeinae subfamily first appeared in the Tropidostoma Assemblage Zone, and reached their highest diversity in the Cistecephalus and Daptocephalus assemblage zones of the Beaufort Group in South Africa.

Homer: EARTH STYLE NINJA ART: EDAPHOSAURUS!

Homer fired a wave of earth and it formed into Dimetrodon-like synapsid from 303.4 million years ago: Edaphosaurus!

---

Edaphosaurus (/ˌɛdəfoʊˈsɔːrəs/, meaning "pavement lizard" for dense clusters of teeth) is a genus of extinct edaphosaurid synapsids that lived in what is now North America and Europe around 303.4 to 272.5 million years ago, during the late Carboniferous to early Permian periods. American paleontologist Edward Drinker Cope first described Edaphosaurus in 1882, naming it for the "dental pavement" on both the upper and lower jaws, from the Greek edaphos ἐδαφος ("ground"; also "pavement") and σαῦρος (sauros) ("lizard").

Edaphosaurus is important as one of the earliest-known, large, plant-eating (herbivorous), amniote tetrapods (four-legged land-living vertebrates). In addition to the large tooth plates in its jaws, the most characteristic feature of Edaphosaurus is a sail on its back. A number of other synapsids from the same time period also have tall dorsal sails, most famously the large apex predator Dimetrodon. However, the sail on Edaphosaurus is different in shape and morphology. The first fossils of Edaphosaurus came from the Texas Red Beds in North America, with later finds in New Mexico, Oklahoma, West Virginia, and Ohio. Fragmentary fossils attributed to Edaphosaurus have also been found in eastern Germany in Central Europe.

Tabby: FOREST STYLE NINJA ART: DILOPHOSAURUS!

Tabby fired a wave of leaves and water and it formed into the theropod from 193 million years ago: Dilophosaurus!

Dilophosaurus (/daɪˌloʊfəˈsɔːrəs, -foʊ-/ dy-LOHF-o-SOR-əs) is a genus of theropod dinosaurs that lived in what is now North America during the Early Jurassic, about 193 million years ago. Three skeletons were discovered in northern Arizona in 1940, and the two best preserved were collected in 1942. The most complete specimen became the holotype of a new species in the genus Megalosaurus, named M. wetherilli by Samuel P. Welles in 1954. Welles found a larger skeleton belonging to the same species in 1964. Realizing it bore crests on its skull, he assigned the species to the new genus Dilophosaurus in 1970, as Dilophosaurus wetherilli. The genus name means "two-crested lizard", and the species name honors John Wetherill, a Navajo councilor. Further specimens have since been found, including an infant.

Footprints have also been attributed to the animal, including resting traces. Another species, Dilophosaurus sinensis from China, was named in 1993, but was later found to belong to the genus Sinosaurus. It was designated as the state dinosaur of Connecticut based on tracks found there.

At about 7 m (23 ft) in length, with a weight of about 400 kg (880 lb), Dilophosaurus was one of the earliest large predatory dinosaurs and the largest known land-animal in North America at the time. It was slender and lightly built, and the skull was proportionally large, but delicate. The snout was narrow, and the upper jaw had a gap or kink below the nostril. It had a pair of longitudinal, plate-shaped crests on its skull, similar to a cassowary with two crests. The mandible was slender and delicate at the front, but deep at the back. The teeth were long, curved, thin, and compressed sideways. Those in the lower jaw were much smaller than those of the upper jaw. Most of the teeth had serrations at their front and back edges. The neck was long, and its vertebrae were hollow, and very light. The arms were powerful, with a long and slender upper arm bone. The hands had four fingers; the first was short but strong and bore a large claw, the two following fingers were longer and slenderer with smaller claws; the fourth was vestigial. The thigh bone was massive, the feet were stout, and the toes bore large claws.

Dilophosaurus is a member of the family Dilophosauridae along with Dracovenator, a group placed between the Coelophysidae and later theropods. Dilophosaurus would have been active and bipedal, and may have hunted large animals; it could also have fed on smaller animals and fish. Due to the limited range of movement and shortness of the fore limbs, the mouth may instead have made first contact with prey. The function of the crests is unknown; they were too weak for battle, but may have been used in visual display, such as species recognition and sexual selection. It may have grown rapidly, attaining a growth rate of 30 to 35 kg (66 to 77 lb) per year early in life. The holotype specimen had multiple paleopathologies, including healed injuries and signs of a developmental anomaly. Dilophosaurus is known from the Kayenta Formation, and lived alongside dinosaurs such as Megapnosaurus and Sarahsaurus.

Dilophosaurus was featured in the novel Jurassic Park and its movie adaptation, wherein it was given the fictional abilities to spit venom and expand a neck frill, as well as being smaller than the real animal.

Kipo: HORIZON STYLE NINJA ART: AMERICAN LION!

Kipo fired a wave of red and purple energy and it formed into the Ice Age lions from 340,000 to 11,000 years ago: The American Lions!

---

The American lion (Panthera atrox), also known as the "North American lion", or "American cave lion", is an extinct pantherine cat that lived in North America during the Pleistocene epoch and the early Holocene epoch, about 340,000 to 11,000 years ago. Its fossils have been excavated from Alaska to Mexico. Genetic analysis has shown that the American lion and the Late Pleistocene Eurasian cave lion (Panthera spelaea) are sister lineages. It was about 25% larger than the modern lion, making it one of the largest known felids.

Nelson: EARTH STYLE NINJA ART: CAMARASAURUS!

Nelson fired a wave of earth and it formed into the sauropod from 155 million years ago: Camerasaurus!

---

Camarasaurus (/ˌkæmərəˈsɔːrəs/ KAM-ər-ə-SAWR-əs) was a genus of quadrupedal, herbivorous dinosaurs. It was the most common of the giant sauropods to be found in North America. Its fossil remains have been found in the Morrison Formation of Colorado and Utah, dating to the Late Jurassic epoch (Kimmeridgian to Tithonian stages), between 155 and 145 million years ago.

Camarasaurus presented a distinctive cranial profile of a blunt snout and an arched skull that was remarkably square. It likely travelled in herds, or at least in family groups.

The name means "chambered lizard", referring to the hollow chambers in its vertebrae (Greek καμαρα (kamara) meaning "vaulted chamber", or anything with an arched cover, and σαυρος (sauros) meaning "lizard").

The type and only species is Q. northropi.

Hinata: ICE STYLE NINJA ART: PACHYRHINOSAURUS!

Hinata fired a wave of ice and it formed into the ceratopsian from 73.5 million years ago: Pachyrhinosaurus!

---

Pachyrhinosaurus (meaning in Greek "thick-nosed lizard", from Παχυ (pachy), thick; ρινὀ (rinó), nose; and σαυρος (sauros), lizard) is an extinct genus of centrosaurine ceratopsid dinosaur from the Late Cretaceous period of North America. The first examples were discovered by Charles M. Sternberg in Alberta, Canada, in 1946, and named in 1950. Over a dozen partial skulls and a large assortment of other fossils from various species have been found in Alberta and Alaska. A great number were not available for study until the 1980s, resulting in a relatively recent increase of interest in Pachyrhinosaurus.

Three species have been identified. P. lakustai, from the Wapiti Formation, the bonebed horizon of which is roughly equivalent age to the upper Bearpaw and lower Horseshoe Canyon Formations, is known to have existed from about 73.5-72.5 million years ago. P. canadensis is younger, known from the lower Horseshoe Canyon Formation, about 71.5-71 Ma ago and the St. Mary River Formation. Fossils of the youngest species, P. perotorum, have been recovered from the Prince Creek Formation of Alaska, and date to 70-69 Ma ago. The presence of three known species makes this genus the most speciose among the centrosaurines.

Kiba: EARTH STYLE NINJA ART: POSTOSUCHUS!

Kiba fired a wave of earth and it formed into the rauisuchid from 221 million years ago: Postosuchus!

---

Postosuchus, meaning "Crocodile from Post", is an extinct genus of rauisuchid reptiles comprising two species, P. kirkpatricki and P. alisonae, that lived in what is now North America during the Late

Triassic. Postosuchus is a member of the clade Pseudosuchia, the lineage of archosaurs that includes modern crocodilians (the other main group of archosaurs is Avemetatarsalia, the lineage that includes non-avian dinosaurs and their descendants, birds). Its name refers to Post Quarry, a place in Texas where many fossils of the type species, P. kirkpatricki, were found. It was one of the apex predators of its area during the Triassic, larger than the small dinosaur predators of its time (such as Coelophysis). It was a hunter which probably preyed on large large bulky herbivores like dicynodonts and many other creatures smaller than itself (such as early dinosaurs).

The skeleton of Postosuchus is large and robust with a deep skull and a long tail. The total body length is about 4 to 5 metres (13 to 16 ft). The extreme shortness of the forelimbs relative to the hind limbs, the very small hands, and measurements of the vertebrae suggest that Postosuchus may have been committed to bipedal locomotion.

Rock Lee: EARTH STYLE NINJA ART: MOSCHOPS!

Rock Lee fired a wave of earth and it formed into the therapsid from 265 million years ago: Moschops!

---

Moschops (Greek for "calf face") is an extinct genus of therapsids that lived in the Guadalupian epoch, around 265-260 million years ago. They were heavily built plant eaters, and they may have lived partly in water, as hippopotamuses do. They had short, thick heads and might have competed by head-butting each other. Their elbow joints allowed them to walk with a more mammal-like gait rather than crawling. Their remains were found in the Karoo region of South Africa, belonging to the Tapinocephalus Assemblage Zone. Therapsids, such as Moschops, are synapsids, the dominant land animals in the Permian period, which ended 252 million years ago.

Tenten: EARTH STYLE NINJA ART: ANKYLOSAURUS!

Tenten fired a wave of earth and it formed into the armored dinosaur from 68 million years ago: Ankylosaurus!

---

Ankylosaurus is a genus of armored dinosaur. Its fossils have been found in geological formations dating to the very end of the Cretaceous Period, about 68-66 million years ago, in western North America, making it among the last of the non-avian dinosaurs. It was named by Barnum Brown in 1908; the only species in the genus is A. magniventris. The genus name means "fused lizard", and the specific name means "great belly". A handful of specimens have been excavated to date, but a complete skeleton has not been discovered. Though other members of Ankylosauria are represented by more extensive fossil material, Ankylosaurus is often considered the archetypal member of its group, despite having some unusual features.

Possibly the largest-known ankylosaurid, Ankylosaurus is estimated to have been between 6 and 8 meters (20 and 26 ft) long and to have weighed between 4.8 and 8 metric tons (5.3 and 8.8 short tons). It was quadrupedal, with a broad, robust body. It had a wide, low skull, with two horns pointing backward from the back of the head, and two horns below these that pointed backward and down. Unlike other ankylosaurs, its nostrils faced sideways rather than towards the front. The front part of the jaws was covered in a beak, with rows of small, leaf-shaped teeth farther behind it. It was covered in armor plates, or osteoderms, with bony half-rings covering the neck, and had a large club on the end of its tail. Bones in the skull and other parts of the body were fused, increasing their strength, and this feature is the source of the genus name.

Ankylosaurus is a member of the family Ankylosauridae, and its closest relatives appear to be Anodontosaurus and Euoplocephalus. Ankylosaurus is thought to have been a slow-moving animal, able to make quick movements when necessary. Its broad muzzle indicates it was a non-selective browser. Sinuses and nasal chambers in the snout may have been for heat and water balance or may have played a role in vocalization. The tail club is thought to have been used in defense against predators or in intraspecific combat. Ankylosaurus has been found in the Hell Creek, Lance, Scollard, Frenchman, and Ferris formations, but appears to have been rare in its environment. Although it lived alongside a nodosaurid ankylosaur, their ranges and ecological niches do not appear to have overlapped, and Ankylosaurus may have inhabited upland areas. Ankylosaurus also lived alongside dinosaurs such as Tyrannosaurus, Triceratops, and Edmontosaurus.

Ino: FIRE STYLE NINJA ART: MASSOSPONDYLUS!

Ino fired a wave of fire and it formed into the sauropodomorph dinosaur from 200 million years ago: Massospondylus!

---

Massospondylus (/ˌmæsoʊˈspɒndɪləs/ mas-oh-SPON-di-ləs; from Greek, μάσσων (massōn, "longer") and σπόνδυλος (spondylos, "vertebra")) is a genus of sauropodomorph dinosaur from the Early Jurassic Period (Hettangian to Pliensbachian ages, ca. 200-183 million years ago). It was described by Sir Richard Owen in 1854 from remains discovered in South Africa, and is thus one of the first dinosaurs to have been named. Fossils have since been found at other locations in South Africa, Lesotho, and Zimbabwe. Material from Arizona's Kayenta Formation, India, and Argentina has been assigned to this genus at various times, but the Arizonan and Argentinian material are now assigned to other genera.

The type species is M. carinatus; seven other species have been named during the past 150 years, but only M. kaalae among these is still considered valid. Early sauropodomorphs systematics have undergone numerous revisions during the last several years, and many scientists disagree where exactly Massospondylus lies on the dinosaur evolutionary tree. The family name Massospondylidae was once coined for the genus, but because knowledge of early sauropodomorph relationships is in a state of flux, it is unclear which other dinosaurs-if any-belong in a natural grouping of massospondylids; several 2007 papers support the family's validity.

Although Massospondylus was long depicted as quadrupedal, a 2007 study found it to be bipedal. It was probably a plant eater (herbivore), although it is speculated that the early sauropodomorphs may have been omnivorous. This animal, which was 4-6 metres (13-20 ft) long, had a long neck and tail, with a small head and slender body. On each of its forefeet, it bore a sharp thumb claw that was used in defense or feeding. Recent studies indicate that Massospondylus grew steadily throughout its lifespan, possessed air sacs similar to those of birds, and may have cared for its young.

Haku: ICE STYLE NINJA ART: AMERICAN MASTODON!

Haku fired a wave of ice and it formed into the ancestral elephant of the Great Ice Age from 5.3 million to 10,000 years ago: The American Mastodon!

---

A mastodon (Greek: μαστός "breast" and ὀδούς, "tooth") is any proboscidean belonging to the extinct genus Mammut (family Mammutidae) that inhabited North and Central America during the late Miocene or late Pliocene up to their extinction at the end of the Pleistocene 10,000 to 11,000 years ago. Mastodons lived in herds and were predominantly forest-dwelling animals that lived on a mixed diet obtained by browsing and grazing, somewhat similar to their distant relatives, modern elephants, but probably with greater emphasis on browsing.

M. americanum, the American mastodon, and M. pacificus, the Pacific mastodon, are the youngest and best-known species of the genus. Mastodons disappeared from North America as part of a mass extinction of most of the Pleistocene megafauna, widely believed to have been caused by overexploitation by Clovis hunters.

Sasuke: LIGHTNING STYLE NINJA ART: COMPSOGNATHUS!

Sasuke fired a wave of lightning and it formed into the fast carnivore from 150.8 million years ago: Compsognathus!

---

Compsognathus (/kɒmp'sɒgnəθəs/; Greek kompsos/κομψός; "elegant", "refined" or "dainty", and gnathos/γνάθος; "jaw") is a genus of small, bipedal, carnivorous theropod dinosaur. Members of its single species Compsognathus longipes could grow to around the size of a turkey. They lived about 150 million years ago, during the Tithonian age of the late Jurassic period, in what is now Europe. Paleontologists have found two well-preserved fossils, one in Germany in the 1850s and the second in France more than a century later. Today, C. longipes is the only recognized species, although the larger specimen discovered in France in the 1970s was once thought to belong to a separate species and named C. corallestris.

Many presentations still describe Compsognathus as "chicken-sized" dinosaurs because of the size of the German specimen, which is now believed to be a juvenile. Compsognathus longipes is one of the few dinosaur species whose diet is known with certainty: the remains of small, agile lizards are preserved in the bellies of both specimens. Teeth discovered in Portugal may be further fossil remains of the genus.

Although not recognized as such at the time of its discovery, Compsognathus is the first theropod dinosaur known from a reasonably complete fossil skeleton. Until the 1990s, it was the smallest-known non-avialan dinosaur, with the preceding centuries incorrectly labelling them as the closest relative of Archaeopteryx.

Fu: ARTHROPOD STYLE NINJA ART: BRONTOSCORPIO!

Fu fired a wave of energy and it formed into the Silurian early scorpions from over 423 million years ago: Brontoscorpio!

---

Brontoscorpio anglicus is a species of fossil scorpion. Its remains were discovered in Upper Silurian-aged sandstone from Trimpley, Worcestershire, and the species was described on the basis of an incomplete single free finger of a pedipalp, almost 10 centimetres (3.9 in) long. The complete animal is estimated to have been at least 90 centimetres (35 in) long.

The remains were found in terrestrial sediments, but it is believed, that due to its size, Brontoscorpio had to enter the water to molt. Possibly it lived a semi or fully aquatic life.

Shino fired a wave of energy and it formed into the Carboniferous Trilobite from 345 million years ago: Arthropleura!

Arthropleura (Greek for jointed ribs) is a genus of extinct millipede arthropods that lived in what is now northeastern North America and Scotland around 345 to 295 million years ago, from the Viséan stage of the lower Carboniferous Period to the Asselian stage of the lower Permian Period. The larger species of the genus are the largest known land invertebrates of all time, and would have had few, if any, predators.

Zabuza: WATER STYLE NINJA ART: SARCOSUCHUS!

Zabuza fired a wave of water and it formed into the largest crocodilian dinosaur ever known from 133 million years ago: Sarcosuchus!

---

Sarcosuchus (/ˌsɑːrkoʊˈsuːkəs/; meaning "flesh crocodile") is an extinct genus of crocodyliform and distant relative of living crocodylians that lived during the Early Cretaceous, from the late Hauterivian to the early Albian, 133 to 112 million years ago of what is now Africa and South America. It was one of the largest crocodile-line reptiles, reaching an average estimate of 9 m (30 ft) and 3.5 metric tons (3.9 short tons), but estimated to grow up to 9.5 m (31 ft) in body length and weigh up to 4.3 metric tons (4.7 short tons). It is known from two species, S. imperator from the early Albian Elrhaz Formation of Niger and S. hartti from the Late Hauterivian of northeastern Brazil, other material is known from Morocco and Tunisia and possibly Libya and Mali.

The first remains were discovered during several expeditions led by the French paleontologist Albert-Félix de Lapparent, spanning from 1946 to 1959, in the Sahara. These remains were fragments of the skull, vertebrae, teeth, and scutes. In 1964, an almost complete skull was found in Niger by the French CEA, but it was not until 1997 and 2000 that most of its anatomy became known to science, when an expedition led by the American paleontologist Paul Sereno discovered six new specimens, including one with about half the skeleton intact and most of the spine.

Kabuto: WATER STYLE NINJA ART: PARASAUROLOPHUS!

Kabuto fired a wave of water and it formed into a herd of beautiful hadrosaurs from 76.5 million years ago: Parasaurolophus!

---

Parasaurolophus (/ˌpærəsɔːˈrɒləfəs, -ˌsɔːrəˈloʊfəs/; meaning "near crested lizard" in reference to Saurolophus) is a genus of herbivorous ornithopod dinosaur that lived in what is now North America and possibly Asia during the Late Cretaceous Period, about 76.5-73 million years ago. It was an herbivore that walked both as a biped and as a quadruped. Three species are universally recognized: P. walkeri (the type species), P. tubicen, and the short-crested P. cyrtocristatus. Additionally, a fourth species, P. jiayensis, has been proposed, although it is more commonly placed in the separate genus Charonosaurus. Remains are known from Alberta (Canada), New Mexico and Utah (United States), and possibly Heilongjiang, (China). The genus was first described in 1922 by William Parks from a skull and partial skeleton found in Alberta.

Parasaurolophus was a hadrosaurid, part of a diverse family of Cretaceous dinosaurs known for their range of bizarre head adornments. This genus is known for its large, elaborate cranial crest, which at its largest forms a long curved tube projecting upwards and back from the skull. Charonosaurus from China, which may have been its closest relative, had a similar skull and potentially a similar crest. Visual recognition of both species and sex, acoustic resonance, and thermoregulation have been proposed as functional explanations for the crest. It is one of the rarer hadrosaurids, known from only a handful of good specimens.

Finn: WATER STYLE NINJA ART: LAMBEOSAURUS!

Finn fired a wave of water and it formed into a heard of hadrosaurs from 76 million years ago: Lambeosaurus!

Lambeosaurus (/ˌlæmbioʊˈsɔːrəs/ LAM-bee-o-SAWR-əs; meaning

"Lambe's lizard") is a genus of hadrosaurid dinosaur that lived about 75 million years ago, in the Late Cretaceous period (Campanian stage) of North America. This bipedal/quadrupedal, herbivorous dinosaur is known for its distinctive hollow cranial crest, which in the best-known species resembled a hatchet. Several possible species have been named, from Canada, the United States, and Mexico, but only the two Canadian species are currently recognized as valid.

Material relevant to the genus was first named by Lawrence Lambe in 1902. Over twenty years later, the modern name was coined in 1923 by William Parks, in honour of Lambe, based on better preserved specimens. The genus has a complicated taxonomic history, in part because small-bodied crested hadrosaurids now recognized as juveniles were once thought to belong to their own genera and species. Currently, the various skulls assigned to the type species L. lambei are interpreted as showing age differences and sexual dimorphism. Lambeosaurus was closely related to the better known Corythosaurus, which is found in slightly older rocks, as well as the less well-known genera Hypacrosaurus and Olorotitan. All had unusual crests, which are now generally assumed to have served social functions like noisemaking and recognition.

Jake the Dog: WATER STYLE NINJA ART: TSINTAOSAURUS!

Jake fired a wave of water and it formed into a herd of hadrosaurs from 70 million years ago: Tsintaosaurus!

---

Tsintaosaurus (/tʃɪŋdaʊˈsɔːrəs/; meaning "Qingdao lizard", after the old transliteration "Tsingtao") is a genus of hadrosaurid dinosaur from China. It was about 8.3 metres (27 ft) long and weighed 2.5 tonnes. The type species is Tsintaosaurus spinorhinus, first described by Chinese paleontologist C. C. Young in 1958.

A hadrosaur, Tsintaosaurus had a characteristic 'duck bill' snout and a battery of powerful teeth which it used to chew vegetation. It usually walked on all fours, but could rear up on its hind legs to scout for predators and flee when it spotted one. Like other hadrosaurs, Tsintaosaurus probably lived in herds.

Flame Princess: FIRE STYLE NINJA ART: CARCHARODONTOSAURUS!

Flame Princess fired a wave of fire and it formed into theropod from 100 million years ago: Carcharodontosaurus!

Carcharodontosaurus /ˌkɑːrkəroʊˌdɒntoʊˈsɔːrəs/ is a genus of carnivorous carcharodontosaurid dinosaurs that existed during the Cenomanian stage of the mid-Cretaceous Period in Northern Africa. It is currently known to include two species: C. saharicus and C. iguidensis, which are among the larger theropods, nearly as large as or even larger than Tyrannosaurus, Giganotosaurus, and Spinosaurus.

The genus Carcharodontosaurus is named after the shark genus Carcharodon, itself composed of the Greek karchar[os] (κάρχαρος, meaning "jagged" or "sharp") and odōn (ὀδών, "teeth"), and the suffix -saurus ("lizard").

Mario: (Italian Accent) WATER STYLE NINJA ART: CORYTHOSAURUS!

Mario fired a wave of water and it formed into the hadrosaur from 77 million years ago: Corythosaurus!

Corythosaurus /ˌkɒrɪθoʊˈsɔːrəs/ is a genus of hadrosaurid "duck-billed" dinosaur from the Upper Cretaceous Period, about 77-75.7 million years ago. It lived in what is now North America. Its name means "helmet lizard", derived from Greek κόρυς. It was named and described in 1914 by Barnum Brown. Corythosaurus is now thought to be a lambeosaurine, related to Nipponosaurus, Velafrons, Hypacrosaurus, and Olorotitan. Corythosaurus has an estimated length of 9 metres (30 ft), and has a skull, including the crest, that is 70.8 centimetres (27.9 in; 2.32 ft) tall.

Corythosaurus is known from many complete specimens, including the nearly complete holotype found by Brown in 1911. The holotype skeleton is only missing the last section of the tail, and part of the forelimbs, but was preserved with impressions of polygonal scales. Corythosaurus is known from many skulls with tall crests. The crests resemble the crests of the cassowary and a Corinthian helmet. The most likely function of the crest is thought to be vocalization. As in a trombone, sound waves would travel through many chambers in the crest, and then get amplified when Corythosaurus exhaled. A Corythosaurus specimen has been preserved with its last meal in its chest cavity. Inside the cavity were remains of conifer needles, seeds, twigs, and fruits: Corythosaurus probably fed on all of these.

The two species of Corythosaurus are both present in slightly different levels of the Dinosaur Park Formation. Both still co-existed with theropods and other ornithischians, like Daspletosaurus, Brachylophosaurus, Parasaurolophus, Scolosaurus, and Chasmosaurus.

Luigi: (Italian Accent) ARTHROPOD STYLE NINJA ART: MEGANEURA!

Luigi fired a wave of energy and it formed into a swarm of the Carboniferous dragonflies from 305 million years ago: Meganeura!

---

Meganeura is a genus of extinct insects from the Carboniferous period (approximately 300 million years ago), which resembled and are related to the present-day dragonflies. With wingspans ranging from 65 cm (25.6 in) to over 70 cm (28 in), M. monyi is one of the largest-known flying insect species. Meganeura were predatory, with their diet mainly consisting of other insects.

Wing venation of Meganeura monyi, redrawn after Brongniart (1893, Pl. XLI)

Fossils were discovered in the French Stephanian Coal Measures of Commentry in 1880. In 1885, French paleontologist Charles Brongniart described and named the fossil "Meganeura" (large-nerved), which refers to the network of veins on the insect's wings. Another fine fossil specimen was found in 1979 at Bolsover in Derbyshire. The holotype is housed in the National Museum of Natural History, in Paris.

Mei Terumi: OCEAN STYLE NINJA ART: MEGALODON!

Mei fired a wave of water and it formed into the largest and most meanest shark ever to swim the ocean and the ancestor of the Great White Shark from 23 million years ago.

---

Megalodon (Carcharocles megalodon), meaning "big tooth", is an extinct species of shark that lived approximately 23 to 3.6 million years ago (mya), during the Early Miocene to the Pliocene. It was formerly thought to be a member of the family Lamnidae and a close relative of the great white shark (Carcharodon carcharias). However, it is now classified into the extinct family Otodontidae, which diverged from the great white shark during the Early Cretaceous. Its genus placement is still debated, authors placing it in either Carcharocles, Megaselachus, Otodus, or Procarcharodon. This is because transitional fossils have been found showing that Megalodon is the final chronospecies of a lineage of giant sharks originally of the genus Otodus which evolved during the Paleocene.

While regarded as one of the largest and most powerful predators to have ever lived, megalodon is known from fragmentary remains, and its appearance and maximum size are uncertain. Scientists differ on whether it would have more closely resembled a stockier version of the great white shark, the basking shark (Cetorhinus maximus) or the sand tiger shark (Carcharias taurus). Most estimates of megalodon's size extrapolate from teeth; with maximum length estimates up to 18 meters (59 ft) and average length estimates of 10.5 meters (34 ft). Estimates suggest their large jaws could exert a bite force of up to 110,000 to 180,000 newtons (25,000 to 40,000 lbf). Their teeth were thick and robust, built for grabbing prey and breaking bone.

Megalodon probably had a major impact on the structure of marine communities. The fossil record indicates that it had a cosmopolitan distribution. It probably targeted large prey, such as whales, seals and sea turtles. Juveniles inhabited warm coastal waters and fed on fish and small whales. Unlike the great white, which attacks prey from the soft underside, megalodon probably used its strong jaws to break through the chest cavity and puncture the heart and lungs of its prey.

The animal faced competition from whale-eating cetaceans, such as Livyatan and other macroraptorial sperm whales and possibly smaller ancestral killer whales. As the shark preferred warmer waters, it is thought that oceanic cooling associated with the onset of the ice ages, coupled with the lowering of sea levels and resulting loss of suitable nursery areas, may have also contributed to its decline. A reduction in the diversity of baleen whales and a shift in their distribution toward polar regions may have reduced megalodon's primary food source. A 2019 study reviewed newer evidence suggesting that competition from the modern great white shark may have also contributed to the extinction of megalodon, coupled with range fragmentation resulting in a gradual, asynchronous extinction as a result of cooling oceans around 3.6-4 million years ago, far earlier than previously assumed. The extinction of the shark appeared to affect other animals; for example, the size of baleen whales increased significantly after the shark had disappeared.

Carol: EARTH STYLE NINJA ART: STEGOSAURUS!

Carol fired a wave of Earth and it formed into the awesome dinosaur from 155 million years ago: Stegosaurus!

---

Stegosaurus (/ˌstɛɡəˈsɔːrəs/), from Greek stegos (στέγος), which means roof, and sauros (σαῦρος), which means lizard, is a genus of herbivorous thyreophoran dinosaur. Fossils of this genus date to the Late Jurassic period, where they are found in Kimmeridgian to early Tithonian aged strata, between 155 and 150 million years ago, in the western United States and Portugal. Of the species that have been classified in the upper Morrison Formation of the western US, only three are universally recognized; S. stenops, S. ungulatus and S. sulcatus. The remains of over 80 individual animals of this genus have been found. Stegosaurus would have lived alongside dinosaurs such as Apatosaurus, Diplodocus, Brachiosaurus, Allosaurus, and Ceratosaurus; the latter two may have preyed on it.

These were large, heavily built, herbivorous quadrupeds with rounded backs, short fore limbs, long hind limbs, and tails held high in the air. Due to their distinctive combination of broad, upright plates and tail tipped with spikes, Stegosaurus is one of the most recognizable kinds of dinosaurs. The function of this array of plates and spikes has been the subject of much speculation among scientists. Today, it is generally agreed that their spiked tails were most likely used for defense against predators, while their plates may have been used primarily for display, and secondarily for thermoregulatory functions. Stegosaurus had a relatively low brain-to-body mass ratio. It had a short neck and a small head, meaning it most likely ate low-lying bushes and shrubs. One species, Stegosaurus ungulatus, is the largest known of all the stegosaurians (bigger than related dinosaurs such as Kentrosaurus and Huayangosaurus).

Stegosaurus remains were first identified during the "Bone Wars" by Othniel Charles Marsh at Dinosaur Ridge National Landmark. The first known skeletons were fragmentary and the bones were scattered, and it would be many years before the true appearance of these animals, including their posture and plate arrangement, became well understood. Despite its popularity in books and film, mounted skeletons of Stegosaurus did not become a staple of major natural history museums until the mid-20th century, and many museums have had to assemble composite displays from several different specimens due to a lack of complete skeletons. Stegosaurus is one of the better-known dinosaurs, and has been featured in film, postal stamps, and many other types of media.

Beast Boy: EARTH STYLE NINJA ART: TRICERATOPS!

Beast Boy fired a wave of earth and it formed into the fierce dinosaur from 68 million years ago: Triceratops!

---

Triceratops is a genus of herbivorous ceratopsid dinosaur that first appeared during the late Maastrichtian stage of the late Cretaceous period, about 68 million years ago (mya) in what is now North America. It is one of the last known non-avian dinosaur genera, and became extinct in the Cretaceous-Paleogene extinction event 66 million years ago. The name Triceratops, which literally means "three-horned face", is derived from the Ancient Greek words τρί- (tri-) meaning "three", κέρας (kéras) meaning "horn", and ὤψ (ōps) meaning "face".

Triceratops has been documented by numerous remains collected since the genus was first described in 1889 by Othniel Charles Marsh. Specimens representing life stages from hatchling to adult have been found. As the archetypal ceratopsid, Triceratops is one of the most popular dinosaurs, and has been featured in film, postal stamps, and many other types of media.

Bearing a large bony frill and three horns on the skull, and its large four-legged body possessing similarities with the modern rhinoceros, Triceratops is one of the most recognizable of all dinosaurs and the best-known ceratopsid. It was also one of the largest, up to 9 meters (29.5 ft) long and 12 metric tons (13 short tons) in weight. It shared the landscape with and was probably preyed upon by Tyrannosaurus, though it is less certain that the two did battle in the fanciful manner often depicted in museum displays and popular images. The functions of the frills and three distinctive facial horns on its head have long inspired debate. Traditionally, these have been viewed as defensive weapons against predators. More recent interpretations find it probable that these features were primarily used in species identification, courtship and dominance display, much like the antlers and horns of modern ungulates.

Triceratops was traditionally placed within the "short-frilled" ceratopsids but modern cladistic studies show it to be a member of the Chasmosaurinae which usually have long frills. Two species, T. horridus and T. prorsus, are considered valid today, from the seventeen species that have ever been named. Research published in 2010 concluded that the contemporaneous Torosaurus, a ceratopsid long regarded as a separate genus, represents Triceratops in its mature form. This view was immediately disputed with examination of more fossil evidence needed to settle the debate.

Linka: EARTH STYLE NINJA ART: TOROSAURUS!

Linka fired a wave of earth and it formed into the ceratopsian from 68 million years ago: Torosaurus!

---

Torosaurus ("perforated lizard", in reference to the large openings in its frill) is a genus of herbivorous ceratopsid dinosaur that lived during the late Maastrichtian stage of the Cretaceous period, between 68 and 66 million years ago, though it is possible that the species range might extend to as far as 69 million years ago. Fossils have been discovered across the Western Interior of North America, from Saskatchewan to southern Texas.

Torosaurus possessed one of the largest skulls of any known land animal. The frilled skull reached up to 2.77 metres (9.1 ft) in length. From head to tail, Torosaurus is thought to have measured about 8 to 9 m (26 to 30 ft) long and weighed four to six tonnes. Torosaurus is distinguished from the contemporary Triceratops by an elongate frill with large openings (fenestrae), long squamosal bones of the frill with a trough on their upper surface, and the presence of five or more pairs of hornlets (epoccipitals) on the back of the frill. Torosaurus also lacked the long nose horn seen in Triceratops prorsus, and instead resembled the earlier and more basal Triceratops horridus in having a short nose horn. Three species have been named, Torosaurus latus, T. gladius and T. utahensis. T. gladius is no longer considered a valid species, however.

In 2010, the validity of Torosaurus was disputed. A study of fossil bone histology combined with an investigation of frill shape concluded that Torosaurus probably represented the mature form of Triceratops, with the bones of typical Triceratops specimens still immature and showing signs of a first development of distinct Torosaurus frill holes. During maturation, the skull frill would have been greatly lengthened and holes would have appeared in it. In 2011, 2012 and 2013 however, studies of external features of known specimens have claimed that morphological differences between the two genera preclude their synonymy. The main problems are a lack of good transitional forms, the apparent existence of authentic Torosaurus subadults, different skull proportions independent of maturation and the assertion that hole formation at an adult stage is not part of a normal ceratopsian maturation sequence.

Paula: EARTH STYLE NINJA ART: NASUTOCERATOPS!

Paula fired a wave of earth and it formed into the ceratopsian from 75.9 million years ago: Nasutoceratops!

---

Nasutoceratops is an extinct genus of ceratopsian dinosaur. It is a basal centrosaurine which lived during the Late Cretaceous Period (late Campanian, about 76.0-75.5 Ma). Fossils have been found in southern Utah, United States. Nasutoceratops was a large, ground-dwelling, quadrupedal herbivore with a short snout and unique rounded horns above its eyes that have been likened to those of modern cattle. Extending almost to the tip of its snout, these horns are the longest of all the members of the centrosaurine subfamily. The presence of pneumatic elements in the nasal bones of Nasutoceratops are a unique trait and are unknown in any other ceratopsid. Nasutoceratops, Diabloceratops, and Machairoceratops are the only three centrosaurine dinosaurs from the American southwest.

Styracosaurus (/stɪˌrækəˈsɔːrəs/ sti-RAK-ə-SOR-əs; meaning "spiked lizard" from the Ancient Greek styrax/στύραξ "spike at the butt-end of a spear-shaft" and sauros/σαῦρος "lizard") is a genus of herbivorous ceratopsian dinosaur from the Cretaceous Period (Campanian stage), about 75.5 to 75 million years ago. It had four to six long parietal spikes extending from its neck frill, a smaller jugal horn on each of its cheeks, and a single horn protruding from its nose, which may have been up to 60 centimetres (2 feet) long and 15 centimetres (6 inches) wide. The function or functions of the horns and frills have been debated for many years.

Styracosaurus was a relatively large dinosaur, reaching lengths of 5.5 metres (18 feet) and weighing nearly 3 tonnes. It stood about 1.8 meters (5.9 feet) tall. Styracosaurus possessed four short legs and a bulky body. Its tail was rather short. The skull had a beak and shearing cheek teeth arranged in continuous dental batteries, suggesting that the animal sliced up plants. Like other ceratopsians, this dinosaur may have been a herd animal, travelling in large groups, as suggested by bonebeds.

Named by Lawrence Lambe in 1913, Styracosaurus is a member of the Centrosaurinae. One species, S. albertensis, is currently assigned to Styracosaurus. Another species, S. ovatus, named in 1930 by Charles Gilmore was reassigned to a new genus, Rubeosaurus, by Andrew McDonald and Jack Horner in 2010.

Pachycephalosaurus (/ˌpækɪˌsɛfələˈsɔːrəs/; meaning "thick-headed lizard," from Greek pachys-/παχύς- "thick", kephale/κεφαλή "head" and sauros/σαῦρος "lizard") is a genus of pachycephalosaurid dinosaurs. The type species, P. wyomingensis, is the only known species. It lived during the Late Cretaceous Period (Maastrichtian stage) of what is now North America. Remains have been excavated in Montana, South Dakota, Wyoming and Alberta. It was a herbivorous creature which is primarily known from a single skull and a few extremely thick skull roofs, though more complete fossils have been found in recent years. Pachycephalosaurus was one of the last non-avian dinosaurs before the Cretaceous-Paleogene extinction event. Another dinosaur, Tylosteus of western North America, has been synonymized with Pachycephalosaurus, as have the genera Stygimoloch and Dracorex in recent studies.

Like other pachycephalosaurids, Pachycephalosaurus was a bipedal herbivore with an extremely thick skull roof. It possessed long hindlimbs and small forelimbs. Pachycephalosaurus is the largest-known pachycephalosaur. The thick skull domes of Pachycephalosaurus and related genera gave rise to the hypothesis that pachycephalosaurs used their skulls in intra-species combat. This hypothesis has been disputed in recent years.

Rarity: CRYSTAL STYLE NINJA ART: PLATEOSAURUS!

Rarity fired a wave of crystal and it formed into the protosauropod from 214 million years ago: Plateosaurus!

---

Plateosaurus (probably meaning "broad lizard", often mistranslated as "flat lizard") is a genus of plateosaurid dinosaur that lived during the Late Triassic period, around 214 to 204 million years ago, in what is now Central and Northern Europe and Greenland, North America. Plateosaurus is a basal (early) sauropodomorph dinosaur, a so-called "prosauropod". As of 2011, two species are recognised: the type species P. engelhardti from the late Norian and Rhaetian, and the slightly earlier P. gracilis from the lower Norian. However, others have been assigned in the past, and there is no broad consensus on the species taxonomy of plateosaurid dinosaurs. Similarly, there are a plethora of synonyms (invalid duplicate names) at the genus level.

Discovered in 1834 by Johann Friedrich Engelhardt and described three years later by Hermann von Meyer, Plateosaurus was the fifth named dinosaur genus that is still considered valid. Although it had been described before Richard Owen formally named Dinosauria in 1842, it was not one of the three genera used by Owen to define the group, because at the time, it was poorly known and difficult to identify as a dinosaur. It is now among the dinosaurs best known to science: over 100 skeletons have been found, some of them nearly complete. The abundance of its fossils in Swabia, Germany, has led to the nickname Schwäbischer Lindwurm (Swabian lindworm).

Plateosaurus was a bipedal herbivore with a small skull on a long, flexible neck, sharp but plump plant-crushing teeth, powerful hind limbs, short but muscular arms and grasping hands with large claws on three fingers, possibly used for defence and feeding. Unusually for a dinosaur, Plateosaurus showed strong developmental plasticity: instead of having a fairly uniform adult size, fully grown individuals were between 4.8 and 10 metres (16 and 33 ft) long and weighed between 600 and 4,000 kilograms (1,300 and 8,800 lb). Commonly, the animals lived for at least 12 to 20 years, but the maximum life span is not known.

Despite the great quantity and excellent quality of the fossil material, Plateosaurus was for a long time one of the most misunderstood dinosaurs. Some researchers proposed theories that were later shown to conflict with geological and palaeontological evidence, but have become the paradigm of public opinion. Since 1980 the taxonomy (relationships), taphonomy (how the animals became embedded and fossilised), biomechanics (how their skeletons worked), and palaeobiology (life circumstances) of Plateosaurus have been re-studied in detail, altering the interpretation of the animal's biology, posture and behaviour.

Kentrosaurus (/ˌkɛntroʊˈsɔːrəs/ KEN-tro-SAWR-əs) is a genus of stegosaurian dinosaur from the Late Jurassic of Tanzania. The type species is K. aethiopicus, named and described by German palaeontologist Edwin Hennig in 1915. Often thought to be a "primitive" member of the Stegosauria, several recent cladistic analyses find it as more derived than many other stegosaurs, and a close relative of Stegosaurus from the North American Morrison Formation within the Stegosauridae.

Fossils of K. aethiopicus have been found only in the Tendaguru Formation, dated to the late Kimmeridgian and early Tithonian ages, about 152 million years ago. Hundreds of bones were unearthed by German expeditions to German East Africa between 1909 and 1912. Although no complete skeletons are known, the remains provided a nearly complete picture of the build of the animal.

Kentrosaurus generally measured around 4.5 metres (15 ft) in length as an adult, and weighed about one tonne (1.1 tons). It walked on all fours with straight hindlimbs. It had a small, elongated head with a beak used to bite off plant material that would be digested in a large gut. It had a, probably double, row of small plates running down its neck and back. These plates gradually merged into spikes on the hip and tail. The longest spikes were on the tail end and were used to actively defend the animal. There also was a long spike on each shoulder. The thigh bones come in two different types, suggesting that one sex was larger and more stout than the other.

Andrewsarchus (/ˌændruːˈsɑːrkəs/) is an extinct genus of mammal that lived during the middle Eocene epoch in what is now Inner Mongolia, China. Only one species is usually recognized, A. mongoliensis, known from a single skull of great size discovered in 1923 during the expeditions to central Asia by the American Museum of Natural History (AMNH). Generally classified as a mesonychid since its original description, most recent studies classify it as an artiodactyl, in one study specifically, as a member of the clade Cetancodontamorpha, closely related to entelodonts, hippos and whales.

James (Pokemon): EARTH STYLE NINJA ART: LYSTROSAURUS!

James fired a wave of earth and it formed into the Dicynodont from 255 million years ago: Lystrosaurus!

Lystrosaurus (/ˌlɪstroʊ'sɔːrəs/; 'shovel lizard'; proper Greek is λίστρον lístron 'tool for leveling or smoothing, shovel, spade, hoe') was a herbivorous genus of dicynodont therapsids from the late Permian and Early Triassic epochs (around 250 million years ago). It lived in what is now Antarctica, India, China, Mongolia, European Russia and South Africa. Four to six species are currently recognized, although from the 1930s to 1970s the number of species was thought to be much higher. They ranged in size from that of a small dog to 2.5 meters long.

Being a dicynodont, Lystrosaurus had only two teeth (a pair of tusk-like canines), and is thought to have had a horny beak that was used for biting off pieces of vegetation. Lystrosaurus was a heavily built, herbivorous animal, approximately the size of a pig. The structure of its shoulders and hip joints suggests that Lystrosaurus moved with a semi-sprawling gait. The forelimbs were even more robust than the hindlimbs, and the animal is thought to have been a powerful digger that nested in burrows.

Lystrosaurus survived the Permian-Triassic extinction, 252 million years ago. In the Early Triassic, they were by far the most common terrestrial vertebrates, accounting for as many as 95% of the total individuals in some fossil beds. Researchers have offered various hypotheses for why Lystrosaurus survived the extinction event and prospered in the early Triassic.

Kitten: EARTH STYLE NINJA ART: MACRAUCHENIA!

Kitten fired a wave of earth and it formed into the ancestor of the llama from 7 million years ago: Macrauchenia!

---

Macrauchenia ("long llama", based on the now superseded Latin term for llamas, Auchenia, from Greek "big neck") was a large, long-necked and long-limbed, three-toed native South American mammal in the order Litopterna. The genus gives its name to its family, the Macraucheniidae or "robust litopterns". Like other litopterns, it is not closely related to any living mammal, being most closely related to the group containing horses, rhinos and tapirs (the Perissodactyla), from which litopterns diverged approximately 66 million years ago. The oldest fossils in the genus date to the late Miocene, around seven million years ago, and M. patachonica disappears from the fossil record during the late Pleistocene, around 20,000-10,000 years ago. M. patachonica is one of the last and best known member of the family and is known primarily from the Luján Formation in Argentina, but is known from localities across southern South America. Another genus of macraucheniid Xenorhinotherium was present in northeast Brazil and Venezuela during the Late Pleistocene. The type specimen was discovered by Charles Darwin during the voyage of the Beagle. In life, Macrauchenia may have resembled a humpless camel, though the two taxa are not closely related. It fed on plants in a variety of environments across what is now South America. Among the species described, M. patachonica and M. ullomensis are considered valid; M. boliviensis is considered a nomen dubium; and M. antiqua (or M. antiquus) has been moved to the genus Promacrauchenia.

Tuddrussel: EARTH STYLE NINJA ART: ALBERTOSAURUS!

Tuddrussel fired a wave of earth and it formed into the theropod from 71 million years ago: Albertosaurus!

---

Albertosaurus (/ælˌbɜːrtəˈsɔːrəs/; meaning "Alberta lizard") is a genus of tyrannosaurid theropod dinosaurs that lived in western North America during the Late Cretaceous Period, about 70 million years ago. The type species, A. sarcophagus, was apparently restricted in range to the modern-day Canadian province of Alberta, after which the genus is named, although an indeterminate species ("cf. Albertosaurus sp.") has been discovered in the Corral de Enmedio and Packard Formations in Mexico. Scientists disagree on the content of the genus, with some recognizing Gorgosaurus libratus as a second species.

As a tyrannosaurid, Albertosaurus was a bipedal predator with tiny, two-fingered hands and a massive head that had dozens of large, sharp teeth. It may have been at the top of the food chain in its local ecosystem. While Albertosaurus was large for a theropod, it was much smaller than its larger and more famous relative

Tyrannosaurus rex, growing 9 to 10 m (30 to 33 ft) and possibly weighing 2.5 tonnes (2.8 short tons) or less.

Since the first discovery in 1884, fossils of more than 30 individuals have been recovered, providing scientists with a more detailed knowledge of Albertosaurus anatomy than is available for most other tyrannosaurids. The discovery of 26 individuals at one site provides evidence of pack behaviour and allows studies of ontogeny and population biology, which are impossible with lesser-known dinosaurs.

Larry 3000: EARTH STYLE NINJA ART: EDMONTOSAURUS!

Larry fired a wave of earth and it formed into the Iguanodont from 73 million years ago: Edmontosaurus!

---

Edmontosaurus (/ɛdˌmɒntəˈsɔːrəs/ ed-MON-tə-SAWR-əs) (meaning "lizard from Edmonton") is a genus of hadrosaurid (duck-billed) dinosaur. It contains two known species: Edmontosaurus regalis and Edmontosaurus annectens. Fossils of E. regalis have been found in rocks of western North America that date from the late Campanian stage of the Cretaceous Period 73 million years ago, while those of E. annectens were found in the same geographic region but in rocks dated to the end of the Maastrichtian stage of the Cretaceous, 66 million years ago. Edmontosaurus was one of the last non-avian dinosaurs, and lived alongside dinosaurs like Triceratops, Tyrannosaurus, Albertosaurus and Pachycephalosaurus shortly before the Cretaceous-Paleogene extinction event.

Edmontosaurus included some of the largest hadrosaurid species, measuring up to 12 metres (39 ft) long and weighing around 4.0 metric tons (4.4 short tons). Evidence does exist in the form of two fossilized specimens housed at the Museum of the Rockies for an even greater maximum size of 15 m (49 ft) and weighing 9.07 metric tons (10.00 short tons) for Edmontosaurus annectens. Several well-preserved specimens are known that include not only bones, but in some cases extensive skin impressions and possible gut contents. It is classified as a genus of saurolophine (or hadrosaurine) hadrosaurid, a member of the group of hadrosaurids which lacked large, hollow crests, instead having smaller solid crests or fleshy combs.

The first fossils named Edmontosaurus were discovered in southern Alberta (named after Edmonton, the capital city), in the Horseshoe Canyon Formation (formerly called the lower Edmonton Formation). The type species, E. regalis, was named by Lawrence Lambe in 1917, although several other species that are now classified in Edmontosaurus were named earlier. The best known of these is E. annectens, named by Othniel Charles Marsh in 1892; originally as a species of Claosaurus, known for many years as a species of Trachodon, and later as Anatosaurus annectens. Anatosaurus and Anatotitan are now generally regarded as synonyms of Edmontosaurus.

Edmontosaurus was widely distributed across western North America. The distribution of Edmontosaurus fossils suggests that it preferred coasts and coastal plains. It was a herbivore that could move on both two legs and four. Because it is known from several bone beds, Edmontosaurus is thought to have lived in groups, and may have been migratory as well. The wealth of fossils has allowed researchers to study its paleobiology in detail, including its brain, how it may have fed, and its injuries and pathologies, such as evidence for tyrannosaur attacks on a few edmontosaur specimens.

Skipper: EARTH STYLE NINJA ART: DICYNODON!

Skipper fired a wave of earth and it formed into the dicynodont therapsid from 253.8 to 251 million years ago: Dicynodon!

---

Dicynodon ("two dog-teeth") is a genus of dicynodont therapsid that flourished during the Upper Permian period. Like all dicynodonts, it was herbivorous. This animal was toothless, except for prominent tusks, hence the name. It probably cropped vegetation with a horny beak, much like a tortoise, while the tusks may have been used for digging up roots and tubers.

Many species of Dicynodon have been named, and the genus is considered a wastebasket taxon. A 2011 study of the genus found most of the species to represent a paraphyletic grouping, with the only valid members of Dicynodon being D. lacerticeps and D. huenei. A 2019 study named a new species D. angielczyki, but simultaneously transferred D. huenei to the genus Daptocephalus.

Placerias (meaning 'broad body') is an extinct genus of dicynodonts that lived during the late Carnian age of the Triassic Period (221-216 million years ago). Placerias belongs to a group of dicynodonts called Kannemeyeriiformes, which was the last known group of dicynodonts before dicynodonts became extinct at the end of the Triassic.

Private: EARTH STYLE NINJA ART: DIICTODON!

Private fired a wave of earth and it formed into the dicynodont from 259.8 million years ago: Diictodon!

---

Diictodon was a genus of pylaecephalid dicynodont. These mammal-like synapsids lived during the Late Permian period, approximately 255 million years ago. Fossils have been found in the Cistecephalus Assemblage Zone of the Madumabisa Mudstone of the Luangwa Basin in Zambia and the Tropidostoma Assemblage Zone of the Teekloof Formation, Tapinocephalus Assemblage Zone of the Abrahamskraal Formation, Dicynodon Assemblage Zone of the Balfour Formation, Cistecephalus Assemblage Zone of the Middleton or Balfour Formation of South Africa and the Guodikeng Formation of China. Roughly half of all Permian vertebrate specimens found in South Africa are those of Diictodon. This small herbivorous animal was one of the most successful synapsids in the Permian period.

Tails: EARTH STYLE NINJA ART: SAUROSUCHUS!

Tails fired a wave of earth and it formed into one of the first crocodilian dinosaurs from 231 million years ago: Saurosuchus!

---

Saurosuchus (meaning "lizard crocodile") is a genus of large loricatan pseudosuchian archosaur that lived in South America during the Late Triassic period. It was a heavy, ground-dwelling, quadrupedal carnivore, being the major predator in the Ischigualasto Formation.

Numbuh 2: EARTH STYLE NINJA ART: ISCHIGUALASTIA!

Numbuh 2 fired a wave of earth and it formed into the dicynodont from 231 million years ago: Ischigualastia!

Ischigualastia is an extinct genus of dicynodonts (a group of synapsids), that lived during the Carnian age of the Late Triassic Period. The genus was found in and named after the Ischigualasto Formation (Cancha de Bochas Member) of the Ischigualasto-Villa Unión Basin in northwestern Argentina. It has been placed in the family Stahleckeriidae.

Numbuh 1: EARTH STYLE NINJA ART: EORAPTOR!

Numbuh 1 fired a wave of earth and it formed into one of the first ever known dinosaurs from 231 million years ago: Eoraptor!

---

Eoraptor (/ˈiːoʊˌræptər/) was one of the earliest-known dinosaurs, living approximately 231 to 228 million years ago, during the Late Triassic in Western Gondwana, in the region that is now northwestern Argentina. It was a small, lightly-built, basal saurischian dinosaur. It is known from several well-preserved skeletons. When first described in 1993, it was considered to be the earliest or one of the earliest known dinosaurs. Eoraptor has heterodont dentition, which suggests that it was omnivorous and that the feeding strategy had evolved early on in dinosaurs.

Liberty: EARTH STYLE NINJA ART: TORVOSAURUS!

Liberty fired a wave of earth and it formed into the theropod dinosaur from 158 million years ago: Torvosaurus!

---

Torvosaurus (/ˌtɔːrvoʊˈsɔːrəs/) is a genus of carnivorous megalosauroid theropod dinosaur that lived approximately 153 to 148 million years ago during the Late Jurassic Period (Kimmeridgian to Tithonian) in what is now Colorado and Portugal. It contains two currently recognized species, Torvosaurus tanneri and Torvosaurus gurneyi.

In 1979 the type species Torvosaurus tanneri was named: it was a large, heavily built, bipedal carnivore, that could grow to a length of about 10 m (33 ft). T. tanneri was among the largest carnivores of its time, together with Epanterias and Saurophaganax (which could be both synonyms of Allosaurus). Specimens referred to Torvosaurus gurneyi were initially claimed to be up to twelve metres long, but later shown to be smaller. Based on bone morphology Torvosaurus is thought to have had short but very powerful arms.

Lyra: EARTH STYLE NINJA ART: THRINAXODON!

Lyra fired a wave of earth and it formed into the cynodont from 251 million years ago: Thrinaxodon!

---

Thrinaxodon is an extinct genus of cynodonts, most commonly regarded by its species T. liorhinus which lived in what are now South Africa and Antarctica during the Early Triassic. Thrinaxodon lived just after the Permian-Triassic mass extinction event, its survival during the extinction may have been due to its burrowing habits.

Similar to other synapsids, Thrinaxodon adopted a semi-sprawling posture, an intermediary form between the sprawling position of pelycosaurs (not unlike current Crocodylia) and the more upright posture present in current mammals. Thrinaxodon is prevalent in the fossil record in part because it was one of the few carnivores of its time, and was of a larger size than similar cynodont carnivores.

Lee: EARTH STYLE NINJA ART: CHASMOSAURUS!

Lee fired a wave of earth and it formed into the ceratopsian from 76.5 million years ago: Chasmosaurus!

---

Chasmosaurus (/ˌkæzmoʊˈsɔːrəs/ KAZ-mo-SAWR-əs) is a genus of ceratopsid dinosaur from the Upper Cretaceous Period of North America. Its name means 'opening lizard', referring to the large openings (fenestrae) in its frill (Greek chasma meaning 'opening' or 'hollow' or 'gulf' and sauros meaning 'lizard'). With a length of 4.3-4.8 metres (14.1-15.7 ft) and a weight of 1.5-2 tonnes (1.7-2.2 short tons), Chasmosaurus was a ceratopsian of average size. Like all ceratopsians, it was purely herbivorous. It was initially to be called Protorosaurus, but this name had been previously published for another animal. All specimens of Chasmosaurus were collected from the Dinosaur Park Formation of the Dinosaur Provincial Park of Alberta, Canada. C. russelli comes from the lower beds of the formation while C. belli comes from middle and upper beds.

Po: WATER STYLE NINJA ART: PROTEROSUCHUS!

Po fired a wave of water and it formed into the Permian reptile from 252 million years ago: Proterosuchus!

---

Proterosuchus is an extinct genus of archosauriform reptiles that lived during the Early Triassic. It contains three valid species: the type species P. fergusi and the referred species P. alexanderi and P. goweri. All three species lived in what is now South Africa. The genus was named in 1903 by the South African paleontologist Robert Broom. The well-known genus Chasmatosaurus is a junior synonym of Proterosuchus.

Proterosuchus was a mid-sized quadrupedal reptile with a sprawling stance that could reach a length of up to 3.5 meters (11 ft). It had a large head and distinctively hooked snout. It was a predator, which may have hunted prey such as Lystrosaurus. The lifestyle of Proterosuchus remains debated; it may have been terrestrial or it may have been a semiaquatic ambush predator similar to modern crocodiles.

Proterosuchus is one of the earliest members of the clade Archosauriformes, which also includes crocodilians, pterosaurs, and dinosaurs, including birds. It lived in the aftermath of the Permian-Triassic extinction event, the largest known mass extinction in Earth's history.

Fluttershy: EARTH STYLE NINJA ART: EUCHAMBERSIA!

Fluttershy fired a wave of earth and it formed into the therapsid from 256 million years ago: Euchambersia!

---

Euchambersia is a genus of therocephalian therapsid that lived during the Late Permian, approximately 255 million years ago, in what is now South Africa. The genus contains a single species, Euchambersia mirabilis, named by paleontologist Robert Broom in 1931 from a skull missing the lower jaws; a second skull, belonging to an immature individual, was later described. It is a member of the family Akidnognathidae, which historically has also been referred by as the synonymous Euchambersiidae (named after Euchambersia).

Euchambersia was a small and short-snouted therocephalian, possessing large canines as is typical of the group. However, it is notable among therocephalians for possessing ridges on its canines and a large indentation in the side of the skull. Under the erroneous assumption that the canines are grooved instead of ridged, it has been proposed that these structures supported a venom delivery mechanism. More recently, the internal structure of the skull of Euchambersia has been used as stronger evidence in favour of the hypothesis that it was venomous; other possibilities, such as the indentation supporting some sort of sensory organ, still remain plausible.

Jimmy Neutron: WIND STYLE NINJA ART: RHAMPHORHYNCHUS!

Jimmy fired a wave of wind and it formed into the flying reptiles from 150.8 million years ago: Rhamphorhynchus!

Rhamphorhynchus (/ˌræmfəˈrɪŋkəs/, "beak snout") is a genus of long-tailed pterosaurs in the Jurassic period. Less specialized than contemporary, short-tailed pterodactyloid pterosaurs such as Pterodactylus, it had a long tail, stiffened with ligaments, which ended in a characteristic soft-tissue tail vane. The jaws of Rhamphorhynchus housed needle-like teeth, which were angled forward, with a curved, sharp, beak-like tip lacking teeth, indicating a diet mainly of fish; indeed, fish and cephalopod remains are frequently found in Rhamphorhynchus abdominal contents, as well as in their coprolites.

Although fragmentary fossil remains possibly belonging to Rhamphorhynchus have been found in England, Tanzania, and Spain, the best preserved specimens come from the Solnhofen limestone of Bavaria, Germany. Many of these fossils preserve not only the bones but impressions of soft tissues, such as wing membranes. Scattered teeth believed to belong to Rhamphorhynchus have been found in Portugal as well.

Kick Buttowski: EARTH STYLE NINJA ART: SEYMOURIA!

Kick fired a wave of earth and it formed into the Permian seymouriamorph from 275 million years ago: Seymouria!

---

Seymouria is an extinct genus of seymouriamorph from the Early Permian of North America and Europe. Although they were amphibians (in a biological sense), Seymouria were well-adapted to life on land, with many reptilian features-so many, in fact, that Seymouria was first thought to be a primitive reptile. It is primarily known from two species, Seymouria baylorensis and Seymouria sanjuanensis. The type species, S. baylorensis, is more robust and specialized, though its fossils have only been found in Texas. On the other hand, Seymouria sanjuanensis is more abundant and widespread. This smaller species is known from multiple well-preserved fossils, including a block of six skeletons found in the Cutler Formation of New Mexico, and a pair of fully grown skeletons from the Tambach Formation of Germany, which were fossilized lying next to each other.

For the first half of the 20th century, Seymouria was considered one of the oldest and most "primitive" known reptiles. Paleontologists noted how the general body shape resembled that of early reptiles such as captorhinids, and that certain adaptations of the limbs, hip, and skull were also similar to that of early reptiles, rather than any species of modern or extinct amphibians known at the time. The strongly-built limbs and backbone also supported the idea that Seymouria was primarily terrestrial, spending very little time in the water.[9] However, in the 1950s, fossilized tadpoles were discovered in Discosauriscus, which was a close relative of Seymouria in the group Seymouriamorpha. This shows that seymouriamorphs (including Seymouria) had a larval stage which lived in the water, therefore making Seymouria not a true reptile, but rather an amphibian which was closely related to reptiles. Though no longer considered the most primitive reptile, Seymouria is still an important transitional fossil documenting the acquisition of reptile-like skeletal features prior to the evolution of the amniotic egg, which characterizes amniotes (reptiles, mammals, and birds).

Kendall Perkins: WATER STYLE NINJA ART: HYNERPETON!

Kendall fired a wave of water and it formed into the Devonian creature from 365 million years ago: Hynerpeton!

---

Hynerpeton (/haɪˈnɜːrpətɒn/; from Hyner, Pennsylvania and Ancient Greek ἑρπετόν herpetón, "creeping animal," meaning "creeping animal from Hyner") is an extinct genus of early four-limbed vertebrate that lived in the rivers and ponds of Pennsylvania during the Late Devonian period, around 365 to 363 million years ago. The only known species of Hynerpeton is H. bassetti, named after the describer's grandfather, city planner Edward Bassett. Hynerpeton is known for being the first Devonian four-limbed vertebrate discovered in the United States, as well as possibly being one of the first to have lost internal (fish-like) gills.

This genus is known from few remains discovered at the Red Hill fossil site in Hyner, Pennsylvania. The most notable fossil is a large endochondral shoulder girdle consisting of the cleithrum, scapula, and coracoid (but not the interclavicle and clavicles), all connected into one shoulder bone. The inner surface of this shoulder bone possesses an array of depressions believed to have been attachment points for a unique set of powerful muscles around the chest. This may have given Hynerpeton improved mobility and weight-bearing abilities compared to other Devonian limbed vertebrates such as Ichthyostega and Acanthostega. The cleithrum (upper blade of the shoulder) is fused to the scapulocoracoid (lower plate of the shoulder, in front of the shoulder socket), unlike in most tetrapods, but the shoulder girdle is independent of the skull, unlike in most fish.

Early four-limbed vertebrates are sometimes referred to as tetrapods (using a trait-based definition of the term), although animals like Hynerpeton, Ichthyostega, and Acanthostega are placed outside the crown group Tetrapoda by the vast majority of paleontologists. From a cladistic (relations-based) point of view, a more accurate term would be "stem-tetrapod" or "stegocephalian", indicating that they were part of the lineage of animals that would lead to true tetrapods such as modern amphibians (Lissamphibia), reptiles, mammals, and birds.

Hynerpeton hails from the Red Hill fossil site, which, during the Late Devonian, was a warm floodplain inhabited by a diverse ecosystem of aquatic fish and terrestrial invertebrates. Hynerpeton was one of several genera of four-limbed vertebrates known from the site, although it was the first to be discovered. It has been theorized that animals like Hynerpeton were able to use their amphibious lifestyle to find shallow pools where they could spawn, isolated from predatory fish which inhabited the deeper rivers.

Juandissimo: (Spanish Accent) WATER STYLE NINJA ART: TIKTAALIK!

Juandissimo fired a wave of water and it formed into the Devonian Sarcopterygian from 375 million years ago: Tiktaalik!

---

Tiktaalik (/tɪkˈtɑːlɪk/; Inuktitut ᑎᒃᑖᓕᒃ [tiktaːlik]) is a monospecific genus of extinct sarcopterygian (lobe-finned fish) from the Late Devonian Period, about 375 Mya (million years ago), having many features akin to those of tetrapods (four-legged animals).

Unearthed in Arctic Canada, Tiktaalik is technically a fish, complete with scales and gills - but it has the flattened head of a crocodile and unusual fins. Its fins have thin ray bones for paddling like most fish, but they also have sturdy interior bones that would have allowed Tiktaalik to prop itself up in shallow water and use its limbs for support as most four-legged animals do. Those fins and a suite of other characteristics set Tiktaalik apart as something special; it has a combination of features that show the evolutionary transition between swimming fish and their descendants, the four-legged vertebrates - a clade which includes amphibians, reptiles, birds and mammals.

It and similar animals may possibly be the common ancestors of the broad swath of all vertebrate terrestrial fauna: amphibians, reptiles, birds, and mammals.

The first well-preserved Tiktaalik fossils were found in 2004 on Ellesmere Island in Nunavut, Canada.

Littlefoot: WATER STYLE NINJA ART: HYBODUS!

Littlefoot fired a wave of water and it formed into the Jurassic Shark from 260 to 66 million years ago: Hybodus!

Hybodus ("humped tooth") is an extinct genus of Chondrichthyans. First appearing towards the end of the Permian period, and disappearing during the Late Cretaceous, during the Triassic, Jurassic, and Cretaceous periods the hybodonts were especially successful and could be found in shallow seas across the world. For reasons that are not fully understood, the hybodonts became extinct near the end of the Late Cretaceous period.

Patrick: OCEAN STYLE NINJA ART: LIVYATAN!

Patrick fired a wave of water and it formed into the first ancestral sperm whale from 9 million years ago: Livyatan!

---

Livyatan is an extinct genus of sperm whale containing one species: L. melvillei. The genus name was inspired by the biblical sea monster Leviathan, and the species name by Herman Melville, the author of the famous book Moby-Dick about a white bull sperm whale. It is mainly known from the Pisco Formation of Peru during the Tortonian stage of the Miocene epoch, about 9.9-8.9 million years ago (mya); however, isolated teeth from other locations such as Chile, Argentina, South Africa, and Australia implies that either it or a close relative survived into the Pliocene, around 5 mya, and was present throughout the Southern Hemisphere. It was a member of a group of hyper-predatory macroraptorial sperm whales (or "raptorial sperm whales") and was likely an apex predator, preying on whales, seals, and so forth. Characteristic of raptorial sperm whales, Livyatan had functional, enamel-coated teeth on the upper and lower jaws, as well as several adaptations for hunting large prey.

Livyatan's total length has been estimated to be about 13.5-17.5 m (44-57 ft), similar to the modern sperm whale (Physeter macrocephalus), making it one of the largest predators to have ever existed. The teeth of Livyatan measured 36.2 cm (1.2 ft), and are the largest biting teeth of any known animal, excluding tusks. It is distinguished from the other raptorial sperm whales by the basin on the skull, and how it spans the entire length of the snout. The spermaceti organ, contained in that basin, is thought to have been used in echolocation and communication, or for ramming prey and other sperm whales. The whale may have interacted with the large extinct shark megalodon (Carcharocles megalodon), competing with it for a similar food source. Its extinction was likely caused by a cooling event at the end of the Miocene which resulted in a drop in food populations. The formation where the whale has been found has also preserved a large assemblage of marine life, such as sharks and marine mammals.

It was an iguanodont (formerly classified as a hypsilophodont). Fossils have been found in the western United States and were first discovered in the late 19th century. Mike (Total Drama): FOREST STYLE NINJA ART: ORNITHOLESTES!

Mike fired a wave of wood and leaves and it formed into the theropod dinosaur from 154 million years ago: Ornitholestes.

Ornitholestes (meaning "bird robber") is a small theropod dinosaur of the late Jurassic (Brushy Basin Member of the Morrison Formation, middle Kimmeridgian age, about 154 million years ago) of Western Laurasia (the area that was to become North America).

To date, Ornitholestes is known only from a single partial skeleton with a badly crushed skull found at the Bone Cabin Quarry near Medicine Bow, Wyoming, in 1900. It was described by Henry Fairfield Osborn in 1903. An incomplete hand was later attributed to Ornitholestes, although it now appears to belong to Tanycolagreus. The type (and only known) species is O. hermanni. The specific name honors the American Museum of Natural History preparator Adam Hermann.

Fuzzy Lumpkins: FOREST STYLE NINJA ART: OTHNIELIA!

Fuzzy fired a wave of wood and leaves and it formed into the neornithischian dinosaur from 155 million years ago: Nanosaurus A.K.A. Othnielia!

---

Nanosaurus ("small or dwarf lizard") is the name given to a genus of neornithischian dinosaur that lived about 155 to 148 million years ago, during the Late Jurassic-age. Its fossils are known from the Morrison Formation of the south-western United States. The type and only species, Nanosaurus agilis, was described and named by Othniel Charles Marsh in 1877. The taxon has a complicated taxonomic history, largely the work of Marsh and Peter M. Galton, involving the genera Laosaurus, Hallopus, Drinker, Othnielia, and Othnielosaurus, the latter three now being considered to be synonyms of Nanosaurus. It had historically been classified as a hypsilophodont or fabrosaur, types of generalized small bipedal herbivore, but more recent research has abandoned these groupings as paraphyletic and Nanosaurus is today considered a basal member of Neornithischia.

Magnolia: FOREST STYLE NINJA ART: DAKOTARAPTOR!

Magnolia fired a wave of wood and leaves and it formed into the theropod dinosaur from 66 million years ago: Dakotaraptor.

---

Dakotaraptor is a potentially chimaeric genus of large dromaeosaurid theropod dinosaur that lived in North America during the Late Cretaceous period. The remains have been found in the Maastrichtian stage of the Hell Creek Formation, dated to the very end of the Mesozoic era, making Dakotaraptor one of the last surviving dromaeosaurids. The remains of D. steini were discovered in a multi-species bonebed. Elements of the holotype and referred specimens were later found to belong to trionychid turtles, and further analysis of potential non-dromaeosaurid affinities of the holotype and referred material have not yet been conducted. Phylogenetic analyses of D. steini place it in a variety of positions in the Dromaeosauridae.

Goku: EARTH STYLE NINJA ART: DEINONYCHUS!

Goku fired a wave of earth and it formed into the deadly pack-hunting theropods from 115 million years ago: Deinonychus!

---

Deinonychus (/daɪˈnɒnɪkəs/ dy-NON-i-kəs; from Greek: δεινὁς deinós, 'terrible' and ὄνυξ ónux, genitive ὄνυχος ónuchos 'claw') is a genus of dromaeosaurid theropod dinosaur with one described species, Deinonychus antirrhopus. This species, which could grow up to 3.4 meters (11 ft) long, lived during the early Cretaceous Period, about 115-108 million years ago (from the mid-Aptian to early Albian stages). Fossils have been recovered from the U.S. states of Montana, Utah, Wyoming, and Oklahoma, in rocks of the Cloverly Formation, Cedar Mountain Formation and Antlers Formation, though teeth that may belong to Deinonychus have been found much farther east in Maryland.

Paleontologist John Ostrom's study of Deinonychus in the late 1960s revolutionized the way scientists thought about dinosaurs, leading to the "dinosaur renaissance" and igniting the debate on whether dinosaurs were warm-blooded or cold-blooded. Before this, the popular conception of dinosaurs had been one of plodding, reptilian giants. Ostrom noted the small body, sleek, horizontal posture, ratite-like spine, and especially the enlarged raptorial claws on the feet, which suggested an active, agile predator.

"Terrible claw" refers to the unusually large, sickle-shaped talon on the second toe of each hind foot. The fossil YPM 5205 preserves a large, strongly curved ungual. In life, archosaurs have a horny sheath over this bone, which extends the length. Ostrom looked at crocodile and bird claws and reconstructed the claw for YPM 5205 as over 120 millimetres (4.7 in) long. The species name antirrhopus means "counter balance", which refers to Ostrom's idea about the function of the tail. As in other dromaeosaurids, the tail vertebrae have a series of ossified tendons and super-elongated bone processes. These features seemed to make the tail into a stiff counterbalance, but a fossil of the very closely related Velociraptor mongoliensis (IGM 100/986) has an articulated tail skeleton that is curved laterally in a long S-shape. This suggests that, in life, the tail could bend to the sides with a high degree of flexibility. In both the Cloverly and Antlers formations, Deinonychus remains have been found closely associated with those of the ornithopod Tenontosaurus. Teeth discovered associated with Tenontosaurus specimens imply they were hunted, or at least scavenged upon, by Deinonychus.

Vegeta: EARTH STYLE NINJA ART: DASPLETOSAURUS!

Vegeta fired a wave of earth and it formed into the theropod from 77 million years ago: Daspletosaurus!

---

Daspletosaurus (/dæsˌpliːtə'sɔːrəs/ das-PLEET-o-SAWR-əs; meaning "frightful lizard") is a genus of tyrannosaurid dinosaur that lived in western North America between about 77 and 74 million years ago, during the Late Cretaceous Period. The genus Daspletosaurus contains two species. Fossils of the earlier type species, D. torosus, have been found in Alberta, while fossils of the later second species, D. horneri, have been found only in Montana. A possible third species, also from Alberta, awaits formal identification. Daspletosaurus is closely related to the much larger and more recent tyrannosaurid Tyrannosaurus rex. Like most tyrannosaurids, Daspletosaurus was a multi-tonne bipedal predator equipped with dozens of large, sharp teeth. Daspletosaurus had the small forelimbs typical of tyrannosaurids, although they were proportionately longer than in other genera.

As an apex predator, Daspletosaurus was at the top of the food chain, probably preying on large dinosaurs like the ceratopsid Centrosaurus and the hadrosaur Hypacrosaurus. In some areas, Daspletosaurus coexisted with another tyrannosaurid, Gorgosaurus, though there is some evidence of niche differentiation between the two. While Daspletosaurus fossils are rarer than other tyrannosaurids', the available specimens allow some analysis of the biology of these animals, including social behavior, diet and life history.

Gohan: EARTH STYLE NINJA ART: SINOCERATOPS!

Gohan fired a wave of earth and it formed into the ceratopsian from 73.5 million years ago: Sinoceratops!

Sinoceratops /ˌsaɪnoʊˈsɛrətɒps/ is an extinct genus of ceratopsian dinosaur that lived approximately 73 million years ago during the latter part of the Cretaceous Period in what is now Shandong province in China. It was named in 2010 by Xu Xing et al. for three skulls from Zhucheng, China. The name of its type species Sinoceratops zhuchengensis means "Chinese horned face from Zhucheng", after the location of its discovery.

Sinoceratops was a medium-sized, averagely-built, ground-dwelling, quadrupedal herbivore. It could grow up to an estimated 6 m (19.7 ft) length and 2 metres (6.6 ft) height, and weigh up to 2 tonnes (2.0 long tons; 2.2 short tons). It was the first ceratopsid dinosaur discovered in China, and the only ceratopsid known from Asia. All other centrosaurines, and all chasmosaurines, are known from fossils discovered in North America, except for possibly Turanoceratops. Sinoceratops is also significant because it is one of the largest known centrosaurines, and is much larger than any other known basal members of this group.

Sinoceratops was discovered in the Xingezhuang Formation, which was deposited during the late Cretaceous. It lived alongside leptoceratopsids, saurolophines, and tyrannosaurines. The most common creature in the formation was Shantungosaurus, to which most of the material has been assigned. The animals living alongside Sinoceratops and Shantungosaurus were Zhuchengceratops, Zhuchengtitan, and Zhuchengtyrannus.

Me: **WOLF FIRE STYLE NINJA ART: AMPHICOELIAS!**

I fired a blast of blue fire and it formed into one of the largest sauropod dinosaurs ever discovered from 150 million years ago: Amphicoelias!

---

Amphicoelias (/ˌæmfɪˈsiːliəs/, meaning "biconcave", from the Greek ἀμφί, amphi: "on both sides", and κοῖλος, koilos: "hollow, concave") is a genus of herbivorous sauropod dinosaur that lived approximately 150 million years ago during the Tithonian (Late Jurassic Period) of what is now Colorado, United States. An herbivore, Amphicoelias was moderately sized at about 25 m (82 ft) long-roughly the same length as Diplodocus, to which it was related. Its hindlimbs were very long and thin, and its forelimbs were proportionally longer than in relatives.

The namesake fossil of the type species Amphicoelias altus, American Museum of Natural History 5764, is uncertain in included material. When described by Edward Drinker Cope shortly after its discovery in 1877, Amphicoelias was noted to include many back vertebrae, a single pubis, and a femur. However, after purchase and cataloging of the material by the AMNH, Henry Fairfield Osborn and Charles Mook described that the specimen had only two vertebrae, a pubis, femur, tooth, scapula, coracoid, ulna and a second femur. The additional material, not mentioned by Cope, was found close in proximity to the holotype and was similar to Diplodocus, a relative of Amphicoelias. Their assignment was questioned by subsequent authors Emanuel Tschopp et al. in an analysis of Diplodocidae.

During the description of Amphicoelias altus in 1877, Cope additionally named A. latus, for a femur and tail vertebrae. Following its description, Osborn and Mook in 1921 reidentified the material as a specimen of Camarasaurus, an assignment followed by other

authors who reviewed the material. A year later 1878, Cope named the third species of Amphicoelias, A. fragillimus for a gigantic dorsal vertebra that was subsequently lost. Measuring approximately 2.7 m (8.9 ft) if reconstructed based on Diplodocus, early estimates for the length of the animal in life were between 40 and 60 m (130 and 200 ft) long. Due to the incomplete nature, such lengths-the longest of any known dinosaur and sauropod-were largely ignored. In 2018, Kenneth Carpenter renamed Amphicoelias fragillimus as the new genus Maraapunisaurus, and reclassified it from Diplodocidae to Rebbachisauridae.

Sonic: WIND STYLE NINJA ART: EUDIMORPHODON!

Sonic fired a wave of wind and it formed into the flying reptile from Italy that lived 210 million years ago: Eudimorphodon!

---

Eudimorphodon was a pterosaur that was discovered in 1973 by Mario Pandolfi in the town of Cene, Italy and described the same year by Rocco Zambelli. The nearly complete skeleton was retrieved from shale deposited during the Late Triassic (mid to late Norian stage), making Eudimorphodon one of the oldest pterosaurs known. It had a wingspan of about 100 centimetres (3.3 ft) and at the end of its long bony tail may have been a diamond-shaped flap like in the later Rhamphorhynchus. If so, the flap may have helped it steer while maneuvering in the air. Eudimorphodon is known from several skeletons, including juvenile specimens.

Aylene C: FIRE STYLE NINJA ART: HEILONGJIANGOSAURUS!

Aylene fired a wave of fire and it formed into the stegosaur from 76 million years ago: Heilongjiangosaurus!

---

Heilongjiangosaurus" (meaning "Heilongjiang lizard") is the informal name given to an as-yet undescribed genus of duckbilled dinosaur

from the Late Cretaceous. It possibly was a lambeosaurine, and may in fact be the same animal as Charonosaurus. The fossils were found in Maastrichtian-age rocks in Heilongjiang, China. As a nomen nudum, it is unclear what material it was intended to be based on, but might be connected to the nomen nudum "Mandschurosaurus" jiainensis, informally named in a 1983 publication.

The "type species" is "H. jiayinensis", and it was coined in 2001 in a faunal list by Li and Jin.

Cera: EARTH STYLE NINJA ART: OJOCERATOPS!

Cera fired a wave of earth and it formed into the ceratopsian from 68 million years ago: Ojoceratops!

---

Ojoceratops ( meaning "Ojo Alamo horned face") is a genus of ceratopsian dinosaur which lived in what is now New Mexico, United States. Ojoceratops fossils have been recovered from strata of the Ojo Alamo Formation (Naashoibito Member), dating to the late Cretaceous period (probably Maastrichtian age, 68 million years ago). The type species is Ojoceratops fowleri. It is very similar to its close relative Triceratops, though it is from an earlier time period and has a more squared-off frill. Nick Longrich, in 2011, noted that the squared-off frill is also found in some true Triceratops specimens and that Ojoceratops is probably a junior synonym of Triceratops, while Holtz (2010) noted that it is probably ancestral to Triceratops and possibly synonymous with the contemporary Eotriceratops.

Ducky: EARTH STYLE NINJA ART: GRYPOSAURUS!

Ducky fired a wave of earth and it formed into the hadrosaur from 80 million years ago: Gryposaurus!

---

Gryposaurus (meaning "hooked-nosed (Greek grypos) lizard";

sometimes incorrectly translated as "griffin (Latin gryphus) lizard") was a genus of duckbilled dinosaur that lived about 80 to 75 million years ago, in the Late Cretaceous (late Santonian to late Campanian stages) of North America. Named species of Gryposaurus are known from the Dinosaur Park Formation in Alberta, Canada, and two formations in the United States: the Lower Two Medicine Formation in Montana and the Kaiparowits Formation of Utah. A possible additional species may extend the temporal range of the genus to 66 million years ago.

Gryposaurus is similar to Kritosaurus, and for many years the two were thought to be synonyms. It is known from numerous skulls, some skeletons, and even some skin impressions that show it to have had pyramidal scales projecting along the midline of the back. It is most easily distinguished from other duckbills by its narrow arching nasal hump, sometimes described as similar to a "Roman nose," and which may have been used for species or sexual identification, and/or combat with individuals of the same species. A large bipedal/quadrupedal herbivore around 9 meters (30 feet) long, it may have preferred river settings.

Petrie: WIND STYLE NINJA ART: TROPEOGNATHUS!

Petrie fired a wave of wind and it formed into the flying reptile from 112 million years ago: Tropeognathus!

---

Tropeognathus (meaning "keel jaw") is a genus of large pterosaurs from the late Early Cretaceous of South America. This genus is considered to be a member of the Ornithocheiridae, a diverse group of pterosaurs known for their keel-tipped snouts and large size. Tropeognathus is regarded as the largest pterosaur found in the Southern Hemisphere, only rivaled by the huge azhdarchids. The type and only species is Tropeognathus mesembrinus. Fossil remains of Tropeognathus have been recovered from the Romualdo Formation, which is a Lagerstätte located in the Santana Group of the Araripe Basin in northeastern Brazil.

Spike: (Through translator) EARTH STYLE NINJA ART: DRAVIDOSAURUS!

Spike fired a wave of earth and it formed into the Dravidanidu dinosaur from 90 million years ago: Dravidosaurus!

Dravidosaurus (meaning "Dravidanadu lizard", Dravidanadu being a region in the southern part of India where the remains were discovered) is a controversial genus of prehistoric reptile. It was first described as the last surviving stegosaurian, the group of "plated" dinosaurs. With an estimated length of three metres (10 ft), it would have also been the smallest member of the group. More recent studies, however, have shown that the bones actually belonged to a plesiosaurian marine reptile, and that none of the remains are demonstrably dinosaurian in origin.

Dravidosaurus lived in the Late Cretaceous period (Coniacian stage) of what is now India. It is only known from disassociated remains that were originally described as comprising a partial skull, a tooth, a sacrum, an ilium, an ischium, a dermal plate, and a spike. The badly weathered remains were discovered in marine deposits near Ariyalur in the state of Tamil Nadu in South India. They were in 1979 named by P.M. Yadagiri and Krishnan Ayyasami as the type species Dravidosaurus blanfordi, the specific name honouring William Thomas Blanford. The holotype partial skull is catalogued as GSI SR Pal 1, while other specimens are catalogued GSI SR Pal 2-7.

In 1991, Sankar Chatterjee visited the site and claimed, without presenting concrete morphological evidence, that Dravidosaurus was based on plesiosaurian pelvic and hindlimb elements, the species being a nomen dubium. However, this claim was rejected by Galton and Upchurch (2004), who noted that the skull, tooth and plate of Dravidosaurus are certainly not plesiosaurian as illustrated. Galton and Ayyasami (2017) reaffirmed the stegosaurian classification of Dravidosaurus, claiming the remains do not look like plesiosaurian pelvic and hindlimb elements. They announced that stegosaurian remains from the Dravidosaurus type locality are under study by one of the original describers of Dravidosaurus.

Zhuchengtyrannus (meaning "Zhucheng tyrant") is a genus of tyrannosaurid theropod dinosaur known from the Late Cretaceous period of Shandong Province, China. It belongs to the tyrannosaurinae subfamily, and contains a single species, Zhuchengtyrannus magnus.

Emerald Sustrai: CRYSTAL STYLE NINJA ART: KRONOSAURUS!

Emerald fired a wave of emerald crystal and it formed into the marine reptile from Australia that lived 120 million years ago: Kronosaurus!

Kronosaurus (/ˌkrɒnoʊˈsɔːrəs/ KRON-o-SAWR-əs; meaning "lizard of Kronos") is an extinct genus of short-necked pliosaur. With an estimated length of 9 to 10.9 meters (30 to 36 ft), it was among the largest pliosaurs, and is named after the leader of the Greek Titans, Kronos. It lived in the Early Cretaceous period (Aptian to Late Albian). Fossil material has been recovered from the Toolebuc Formation (middle to late Albian) and Wallumbilla Formations (Aptian) of Queensland and New South Wales in Australia, and from the upper Paja Formation (late Aptian) in Boyacá, Colombia, and assigned to two species.

Grandfather: It's not over until I say it is! Besides, if you think about it, I really am your Grandfather. And who would you be without me, Numbuh One?

Numbuh One: (thinks about it for a moment) Time to find out! This bloodline of evil must end with you!

The swords of the Kids Next Door glowed and then the swords all merged with Numbuh 1's sword and formed into one ginormous big one!

Numbuh 1: TAKE THIS! KIDS NEXT DOOR LIBERATION BLADE!

He then slashed GRANDFATHER WITH INCREDIBLE FORCE AND GRANDFATHER SCREAMED IN PAIN AS HE WAS COMPLETELY OBLITERATED IN AN INSTANT AND HE WAS SUPER HAKAIED FROM EXISTENCE FOREVER AND HIS SENIOR CITI-ZOMBIES AND THE MINI-PATRICK CLONES AND THE TORTURED ONE ALL WERE OBLITERATED TOO!

GRANDFATHER, THE ULTIMATE ENEMY OF THE KIDS NEXT DOOR AND THE MOST DANGEROUS ENEMY EVER KNOWN TO THEM HAS BEEN SILENCED FOREVER!

The land was reverted back to normal as if nothing happened. But there were lots of dead bodies of those of the Adult Villains and the evil Patrick's littering the ground and they were all bloody, burned and mangled up all over the place. The Evil Patrick's were all burned to death and destroyed.

Nico: WE DID IT! WE WON!

We cheered wildly in an awesome victory!

Numbuh 1: (smiles at his team) Thanks, you guys. Without you guys, Grandfather wouldn't have been destroyed forever.

Numbuh 2: No problem, Numbuh One. After all, we're a team and that's not gonna change.

Numbuh 3: (sees tears in Numbuh Four's eyes) Aw, are you crying, Wally?

Numbuh 4: (in denial) No! I'm just sweating through my eyes!

Numbuh 5: (smiles warmly) You guys remember the first time we met?

Numbuh 1: We were only rookies when we met and we were in training for the organization.

Nico: That was something. Also you all did a great job.

Me: Yeah I agree.

Laney: But this was some battle. We've killed all the evil adult villains.

Lincoln: Good riddance.

Lola: Yeah. But the Adult Villains of this world are still present. Some of them.

Lana: Yeah they sure are.

Nico: But we'll face them all when the time comes. And Squidward you were amazing.

Manaphy: (to Squidward) Forget calling you Stupid Squidward. We should call you Super Squidward in that form!

Squidward: Super Squidward. I like it!

Me: That was great Squidward.

Patrick: I hope I don't use the Tortured One as my Super Patrick Form.

Me: That would be scary.

Maria: (to Squidward) Now that the battle's over, can you revert back to normal?

Squidward then reverted back but he was naked.

Me: Nice one Squidward. But you're naked.

Squidward: Oops. (Covers himself) Sorry.

We laughed.

Kerbero Gangan: (to Gaz) When we have our battle, you should bring a gun.

Kairi Yano: Trust me. She's nuts for guns. Including Lupin Magnum.

Gaz: I plan to.

Nico: This was a big victory for all of us.

Me: It sure was.

Numbuh 362: (to Numbuh 1) Nigel, I think you and your team are the ones who deserve the credit for helping to take Grandfather down today. If there's anything I can give you as a reward, just name it!

Numbuh 1: I think I can arrange one thing.

Later at the World Tree Estate we were amazed that Numbuh 1 made one of the most amazing Utopia Parks in all of the world. It was a massive kids paradise and it was a beautiful park that was 100 times larger than the one he saw in Chester's Illusion.

Me: WHOA! What a Utopia Park!

Nico: WOW! This is amazing!

Eli: It's an absolute paradise!

Numbuh 1: (to Numbuh 362) Actually, there is one more reward you can give me. (takes out a box) I know we're still kids but I think now is a good time to ask this question.

He got down on one knee and we gasped and were amazed to see Numbuh 1 propose to her!

Numbuh 1: Rachel T. McKenzie, you have been a huge help to all of us just as much as we have been a huge help to you. Will you marry me?

Numbuh 362 had tears come down her face.

Numbuh 362: Oh Nigel yes I well marry you!

Numbuh 1 & 362 hugged and kissed and he put the ring on her finger and we cheered wildly for them!

Me: Congratulations Nigel!

Numbuh 0: That is my boy!

Eli: Way to go Numbuh 1!

Numbuh 2: Yeah!

Nico: AWESOME!

Rainbow Dash: That was so awesome!

Umika: I call this a Happy Ending!

Touma: Umika, there are still other villains like Grandfather out there. Including Mr. Mind, Goche, and the rest of their group.

Tsukasa: And we're going to start a serious of adventures involving the worlds Sora has been to.

Sakuya: But this is still a happy ending for us and the KND!

Noel: (chuckles) Oh la la! Some things never change.

Me: You said it.

Nico: But this was so awesome! You all did a great job and I'm proud of all of you!

Me: Thanks Nico. So did you.

Then I yawned.

Me: (Yawns) Man am I bushed.

Nico: Me too. I think we all deserve a good night sleep after all this.

Eli: I agree.

Numbuh 1: I agree too. (To the viewers) Grandfather is gone forever and so is my evil Uncle. The cursed bloodline of the Uno Family has been purified and cleansed and we now free from evil and now the evil of my family is gone. This is now gonna be a series of new amazing adventures for the KND. Because we're not just the Kids Next Door. WE. ARE. TEAM LOUD PHOENIX STORM'S KIDS NEXT DOOR!

Nico: Well said Nigel. Well said.

After a devastating battle that shook the foundation of the planet to the core, we more than earned a good nights rest. Even though it was 6:00 PM we earned a REALLY long rest after everything that happened. One of the most dangerous and most evil villains of the Kids Next Door will never terrorize the world again.

FLASHBACK ENDS

When I was done everyone that hadn't heard about it was shocked, floored and absolutely amazed!

Rue Knoxville: Wow! That is absolutely incredible!

Anna Anyanova: Yeah it sure is! That is amazing!

Carly Atlas: That was so awesome though.

Misty Tredwell: It was really cool!

Patrick: My evil self was in that battle!

Maria: Yeah he sure was.

Rue Knoxville: And I actually remember reading that comic he appeared in, Bikini Bottom Horror. That was nuts!

Me: Yeah it sure was!

I pulled out the comic and showed her.

Rue Knoxville: That's the very one.

Numbuh Two: Father was there as well.

Jared: He sure was and he was really infernal.

Qin: It's hard to imagine that Numbuh 1's uncle was trying to wipe out the entire human race.

Varie: Yeah by killing all the children.

Gwen Tennyson: I remember going shark on Evil Fizz.

Me: And ripping him to shreds.

Qin: That was awesome.

Mushi: But that was such an awesome sight.

Lola: It sure was. We also faced evil versions of the Common Cold, Proper Patrol, Big Brother and many villains we know.

Toiletnator: That's true.

Layla: That was strange but awesome.

Laney: Yeah it was.

Layla: Toiletnator was the first to die.

Nico: Yep. Burned him to a crisp.

Qin: That was awesome.

Camie: It sure was.

Numbuh 5: Evil Stickybeard was killed as well.

Stickybeard: Aye he sure was lassie. It was good to see that evil version of me get sent to the locker.

Nico: That's for sure. We also destroyed an evil version of Robin Food too

Robin Food: That was a very well done adventure.

Gramma Stuffum: (German Accent) And I was in that battle too ja.

Eli: You sure were and so was the Common Cold.

Common Cold: (SNEEZES) Yeah I sure was.

Rita: I got to fight an evil version of Knightbrace.

Knightbrace: Now that was really awesome there.

Nico: As a dental hygienist yourself Ms. Rita you really stood up for the code of dental hygiene.

Rita: That's right.

Numbuh 1: We also destroyed Chester. Now, he tied with Father as the most evil adult.

Me: Yes he sure did.

Qin: What a monster for doing what he did.

Eli: Yeah.

Dan: I also took out Evil Dodgeball Wizard.

Drago: Boy you sure did Dan.

Eli: That was awesome and cool.

Laney: You got that right.

Tayuya: I sent Evil Potty Mouth to Hell.

Nico: Never underestimate the power of a rotten mouth.

Qin: That is for sure.

Potty Mouth: You got that right jerkwads!

Numbuh 86: I killed the evil version of my father.

Mr. Boss: You sure did sweetie. That was great.

Lola: Yeah it was.

Cree Lincoln: And we also destroyed many evil versions of the Teen Ninjas and me.

Qin: Yeah that was awesome.

Raven: Oddly enough, an evil version of Roquefort appeared as well.

Roquefort: That is for sure.

Qin: Too bad Nico didn't eat that one.

Nico: Yeah that would have been cool.

Me: But lets not forget that the KND's most dangerous archnemesis the Delightful Children From Down The Lane were there too.

Camie: Yeah they were dangerous all right.

Numbuh One: After that, Grandfather had a very big surprise for us.

Nico: The Tortured One.

Rue Knoxville: Just like in that comic.

Qin: That was awful. Can you believe that version of Patrick was that bad?

Nico: Yeah no kidding there.

Squidward: To counter that, I went giant.

Me: Now that was so awesome!

Camie: Wow!

Tsuyu: What did that look like?

I showed the image of giant Squidward in the comic and it was awesome.

Tsuyu: Wow! That was amazing!

Laney: It sure was! We call him Super Squidward. That was so awesome.

Numbuh One: After Grandfather was defeated, I had a big announcement.

Me: That was unforgettable. You proposed to Numbuh 362.

Numbuh 362: Yeah that was great.

Camie: Wow! Congratulations to both of you.

Me: And we built that awesome Utopia Park in the estate for the kids.

Lola: We sure did.

Nico: That was a completely unforgettable adventure.

Qin: Yeah it sure was. And it all started before the 13 Days that lead up to the War with Xehanort.

Numbuh One: I really am proud of how far we've come.

Nico: I am too. We all did great back then.

Me: And that was before you officially became the leader of the team. I am proud of how far we all came as well.

Missy Rodgers: Yeah everyone has really come so far.

Qin: We sure have.

Yost Wolverine: We still got Harvey to deal with.

Me: Yeah but we'll be ready for him later on. But for now I have something awesome to show you guys.

Me, Laney and Rarity went to a big object under a tarp.

Me: We made this statue just for this day.

We pulled the tarp off and it was a gold and jeweled statue and it was a statue of The Kids Next Door Sector V, Numbuh 362, Numbuh 86, Lola and Cree standing on the world with Numbuh 1 and Numbuh 362 holding the symbol of Team Loud Phoenix Storm and the Kids Next Door in their hands and there was a spear in Numbuh 1's other hand and it had Father's head skewered through it. And along the statue on the bottom were the severed heads of the adult villains.

Nico: Wow! What a statue!

Qin: That is awesome!

Rarity: Isn't it fabulous?

Me: It sure is. But read what the plaque says on it.

Nico: (Reading) "On this day for July 20th, 2021 marks the anniversary of the greatest battle to save the entire human race from total extinction with which the 2 greatest forces on Earth and the Entire Universe took on the evil Adult Villains and the evil Grandfather and saved the entire world from total destruction. This day will be forever remembered as The Great TLPS-KND Union Battle of Freedom." Wow! That is so cool!

Qin: It sure is.

Poromon: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Mandatory Question. How about 4 Gene-slammers this time? 1 for each of the Avatars of the Elements from Dungeons and Dragons. Black Rock Triskelion, Cyclonic Ravager, Holocaust Disciple and Waterveiled Assassin.

Me: Wow! Those are great ideas Nico.

Qin: Yeah they sure are.

Maria: Those are my favorites in D&D.

Shiv: Boy good times back then.

Me: Yeah.

Nico: And here are some Ridewatches.

He pulled out the Ridewatches for my Gaim form, Lillian's Gaim form, and two additional Ridewatches for the Gaim team. They were Gaim, Gaim Jimber Lemon Arms, Gaim Kachidoki Arms, Gaim, Kiwami Arms, Baron, Ryugen, Zangetsu, Zangetsu Kachidoki, ToQ 1gou, and their copies.

Me: The Gaim Team this time. That is gonna be awesome.

Lola: Yeah! So it's gonna be the plant users for them.

Nico: Yep. Non-Core for copies and Core for Originals.

Me: Lets see.

I had Flashwing, Chill, Captain Flynn, Gill Grunt, Slam Bam, Whamshell, Terrafin, Hotdog, Trigger Happy, Cynder and Shroomboom get the copies and for the originals I had Vakama, Nokama, Matau, Nuju, Onewa, Whenua, Jeri Katou, Kari Kamiya, Sora Takenouchi and Earth Chan get the originals.

We had an awesome party for an awesome and momentous event from last year. We then got ready for tomorrow as it was time to meet the Den-O Kamen Riders. We enjoyed the rest of the day and went to sleep.

Meanwhile in Japan, the Den-O Kamen Riders were getting ready for our arrival and it was gonna be so awesome for them to meet us and have us help them.

Ryotaro: It's gonna be awesome having Team Loud Phoenix Storm help us.

Momotaros: You got that right! I can't wait to kick some bad guy butt with them helping us.

Urataros: Same here! This is gonna be awesome!

Yuto: Yeah this will be awesome and sweet.

Deneb: I'm really looking forward to it.

Ryutaros: You got that right.

Kintaros: Yeah same here.

Ryotaro: Lets get ready to meet them.

They agreed.

Ryotaro and Yuto: HENSHIN!

They were enveloped in a flash of light and transformed as the screen turned rainbow…

Flying over the land of Eberron in the world of Dungeons & Dragons was Nico, The Ripping Friends, Stella Zhau, The 1983 D&D Gang, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there because we got reports of Another Ranger in the area as well as reports that our old enemy Venger is back and is out for revenge.

Me: So we're not over facing Another Ranger but we're also facing Venger who is back for revenge.

Nico: Yeah. I thought he was dead and gone for good.

Sheila (D&D): He just won't take a hint will he?

Bobby (D&D): No he won't sis.

Me: Yeah. But now we have a chance to get rid of him once and for all.

Nico: We sure do.

Stella Zhau: Yeah and it'll be awesome destroying him forever.

Eli: It sure will.

Nico: Thanks for coming with me, Stella.

Stella Zhau: No problem Nico and it's so awesome that I get to go with you on one of your awesome rescues.

Nico: You're going to love it.

Lola: You sure are. And it'll be awesome to kick Venger's butt again.

Hank (D&D): Yeah that monster needs to be destroyed forever.

Me: I agree there Hank.

Reggie Hjorleifsstræti: (Icelandic Accent) And it'll be awesome to show how powerful I am both as a Tiamat and as a powerful force of good against him.

Me: Yep.

Nico: Stella, you must feel very left out being the only girl in Lincoln's group of school friends.

Stella Zhau: I was at first but after joining you guys I got more and more of my fellow classmates as my awesome friends and partners in adventures.

Lola: That's right and we're glad you are with us now Stella.

Lana: I'll say. It's awesome that Lincoln now has an awesome friend like you.

Stella Zhau: Thanks guys.

Nico: And you are awesome with knowing so much about antiques and more.

Me: Yeah you sure are. And you know how to restore awesome antiques and make them new again with your grandmother.

Stella Zhau: Yeah that's true and it's amazing that I know how to do that.

Eli: I think that's so awesome too.

May: And you're not the only one. In Hoenn, I was the only girl in Ash's group.

Me: So was Misty, Dawn and Iris. Serena and Bonnie weren't that way though.

Stella Zhau: Wow that is interesting and coincidental.

Twilight Sparkle: Like you and May, Stella, Sunny told me that Hitch Trailblazer is the only boy in his group.

Me: Wow that is very coincidental.

Nico: Yeah that is true.

Qin: Yeah it sure is.

Nico: I really am excited for today, guys.

Eli: We all are Nico. Takanuva's big mission is today.

Me: And we're really looking forward to this one.

Eli: But I have a feeling we're going to discover something in the past that one of us is going to regret big time.

Me: Like what bro?

Eli: It's just a hunch but I have this feeling it involves a certain teacher that Timmy Turner and us hate.

Me: Oh no. Not Crockerfucker. But I have a feeling we'll have to wait and see what it is.

Laney: Yeah.

Lana: Yeah.

Camie: Wow. That's brutal.

Nico: Hey, I'm not judging him for that. After all, it IS his job. Just like how it's our job to punish scumbags.

Me: They didn't call him the toughest fairy in the universe for nothing. He was just doing his job as an enforcer of the rules sure and I respect that.

Nico: Good. Me too.

Eli: But he had no idea that Crocker would end up like this.

Varie: Yeah no kidding.

Tsuyu: How did he do it?

Me: With Fairy World Neurolizer like devices.

Laney: They act like MIB Neurolizers except for Fairy World.

Lincoln: Very coincidental that Fairy World has those.

Kaito: I don't blame him for not knowing what would happen. I'm sure other times, it erases people's memories without any problem.

Me: Must have been a malfunction in one of those things that warped his mind and made him into the most fucked up monster we've ever faced over the years.

Eli: Maybe.

Nico: Yeah that could be it.

Lisa Loud: Perhaps I can look the magic neurolizer he used on that date on Crocker and figure out what went wrong.

Me: Good idea Lisa.

Sheila (D&D): Yeah that's an awesome idea.

But then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMM!

KRABBBBBBBOOOOOOOOOOOOOMMMM!

We heard many massive explosions and saw an area up ahead that was turned into a massive and raging inferno!

Me: Whoa looks like a war is going on!

Nico: In the form of Venger and Tiamat!

We saw Venger and Tiamat REALLY BATTLING IT OUT!

Me: Whoa! Remember when we were here the first time? Our powers became 100 times stronger than ever.

Nico: He's right I remember that!

Eli: boy me too!

Maria: (takes out MOE cannon) Let's start with some backup! (Turns Dial) TIME CONTINUUM FORCE!

She summoned Evil Luxord, Clock King, Cat O Clock and Ramua!

Nico: Yeah!

Evil Luxord: Looks like the fun has just started.

Clock King: Indeed it has.

Ramua: Lets do it.

Nico: Lets start things off with a massive blast!

Me: You got it! (CUPS HANDS TO SIDE) KAAAAAAAAA MEEEEEEEE HAAAAAAAAAA MEEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAAAA!

Nico: FINAL FLASH!

Eli: BIG BANG ATTACK!

We all fired a massive and powerful barrage of energy blasts and the blasts all converged and went at Venger and then they hit him

and then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION OF UNFATHOMABLE POWER!

The explosion was so massive and so devastating that it shook all of the planet to the brink. When the smoke cleared, Venger was hurt bad but not beaten yet!

Venger then saw us!

Venger: YOU! You will pay for everything you did to me!

Me: You brought all that on yourself Venger. Now we're going to make sure you never return to hurt anyone else ever again.

Diana (D&D): Yeah! You will pay for your crimes!

Nico: Not just against J.D.'s friends but also against the world of Eberron!

Nicole: And it's going to be extremely painful!

Kaito: (takes out GoGoV gear) I hope this finishes you off.

Zocks: (Gets out Timeranger gear) This gear's fitting considering on what today is.

Kaito got the weapons of the GoGoV Rangers and Zocks got the Timeranger weapons!

Me: You will pay for your crimes Venger!

I then teleported and kicked him in the face and smashed him down.

I fired numerous energy blasts and blasted him all over.

Then I pulled out my Decaforce Sword and had it morph into Explosion!

Nico: Yeah!

Me: Take this!

I fired blasts of fire at him from the sword and the blasts all hit him and exploded with incredible power!

I slashed Venger all over and then he exploded into flames with incredible power!

KRABBBBBBOOOOOOOOOMMMM! KRABOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOMMMMMM!

Bobby the Barbarian bashed him all over the place with incredible force with his club and it hurt him all over.

Sheila went invisible and she punched him in the back of the head and she grabbed his wings and ripped them clean off and she splattered his blood all over the place as Hank fired waves of arrows and Tiamat fired blasts of fire, ice, lightning, acid and poison gas at Venger and the blasts hit him all over the place and exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Nico fired waves of energy and Lincoln, Eli and Lola fired blasts of lightning and fire and the blasts all hit Venger all over and exploded!

Hank (D&D): That's it, we've had it up to hear with you for the last time, Venger.

Reggie Hjorleifsstræti: (Icelandic Accent) And I think it's time to put you down for good.

Suddenly, Reggie Hjorleifsstræti's red eyes turned neon red, and she was surrounded by a rainbow energy aura with dragons, fire, water, earth, light, and dark, and then, the eyes of Hank, Eric, Sheila, Diane, Bobby, and Presto turned neon, and they were surrounded by colored energy auras with elemental forces, and mythological animals, they got out their weapons, and as they approach Venger, they left rainbow and colored energy, elemental forces, and mythological creatures with every step.

Hank (D&D): I never thought we'd have to deal with you once again, Venger, but as always, you refuse to quit.

Reggie Hjorleifsstræti, Hank (D&D), Eric (D&D), Sheila (D&D), Diane, Bobby (D&D), and Presto: And now, we'll make sure you never come back!

Suddenly, Reggie Hjorleifsstræti, Hank (D&D), Eric (D&D), Sheila (D&D), Diane, Bobby (D&D), and Presto were surrounded by massive vortexes of rainbow and colored energy with elemental forces surrounding it, there's mythological animals flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes faded, Reggie Hjorleifsstræti, Hank (D&D), Eric (D&D), Sheila (D&D), Diane, Bobby (D&D), and Presto emerged, but they were changed forever.

Presto has transformed into SUPER ANGEL ETERNITY INFINITY MAGIC DRACONIC FIRESTORM WIZARD ANGEL OF MAGICAL JUSTICE AND MYTHICAL MYSTIC HOPE!

We were amazed and this pissed off Venger!

Me: Wow! You guys all transformed! So awesome!

Stella Zhau: That is so awesome!

Nico: Any sign of the Another Ranger?

Eli: He's not far behind!

I fired waves of energy and fire at Venger and they hit him and exploded!

KRABBBOOOOOOOOOMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMM!

I then teleported and went at Venger and flared up my Super Angel Xelnaga Infinity Form to full power and I punched Venger in the face and smashed him into the ground with devastating force and then he got up and went at me and I blocked his punches and then we clasped hands and growled. Then we flared up our auras with incredible power! Mine was rainbow fire and his was pitch black with evil! They clashed and mixed and then the ground was shaking extremely violently and lightning struck all over as the place with incredible fury!

Nico: WHOA! What power!

Laney: Unbelievable!

Camie: Wow!

I then kicked him into the air and I flew after him and Venger fired a massive barrage of energy blasts at me and I fired more blasts and they collided and exploded with incredible power in a massive and powerful fiery explosion!

EXTREMELY MASSIVE FIERY AND POWERFUL EXPLOSION!

Eli: UNREAL!

Nico: Is he dead?

Eli: Not quite!

I teleported and kicked him into the air and teleported and punched him square in the face with devastating force and then kneed him square in the stomach and he belched up a massive amount of blood and then I kicked him in the back and sent him crashing into the mountain!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He then exploded out of the mountain with incredible fury and fired powerful energy blasts at me and I deflected them back and teleported and kicked him in the face!

Me: (Divine Echoing Cosmic Elemental Voice of Hope and Friendship) **Nico get him!**

Nico: Right! (Activates Bane's Ridewatch)

He punched Venger in the face with devastating force and knocked out some of his teeth and then kicked him in the stomach all over.

Nico: I'm gonna break your back!

Nico then grabbed him and broke Venger's Back on his leg and he screamed in excruciating agony!

Sheila (D&D): (Divine Echoing Cosmic Voice of Fiery Starlight Justice) **OOH! That must've hurt!**

Me: Sheila this is for you.

I gave her a Ridewatch.

Me: Your archenemy is now Dr. M, one of Sly Cooper's dad's former best friends.

Sheila (D&D): **Oh wow. Here goes!** (Activates it)

She got an awesome lightning gauntlet and fired waves of lightning and fire and they hit Venger and burned him all over.

Nico: YEAH!

Venger was badly hurt all over but really mangled up and still living.

Stella: He's still not dead?!

Nico: What does it take to kill this monster!?

Me: But his power is severely crippled big time. One more massive blast oughta do it.

Eli: Allow me bro.

He formed a big energy blast in front of him.

Eli: BIG BANG KAMEHAMEHA!

He fired a massive energy blast and it enveloped Venger and he screamed as he was completely obliterated in an instant!

Nico: That did it!

Then his evil spirit appeared.

Nico: Now you will never torment Eberron again!

He used the Black Gates on Venger and he was gone for good!

Nico: Yeah!

We powered down.

But then an eerie moan was heard and then we saw a figure and I powered down and the figure was ANOTHER J.A.K.Q. RED! He was a scary version of J.A.K.Q. Red and had a skull card helmet and a skull suit on!

Nico: Another J.A.K.Q. Red!

Me: Oh man! Not good!

Nico: The second Japanese Red Ranger.

Me: From 1977.

Stella Zhau: Very interesting seeing it here.

Me: Yeah.

Nico: All right now who are you bub!?

Another J.A.K.Q. Red: (In a girls voice) I think J.D. knows.

She reverted back and it was a girl I haven't seen in years. It was a girl with grey clothes, black hair and had a wolf tattoo on her right arm. It was my friend Elise Okami Jekyll!

Me: (Gasp) Elise Okami Jekyll!

Nico: Whoa!

Elise OKami: Great to see you again J.D. Even though it's under bad circumstances.

Me: You look as beautiful as ever now Elise.

Nico: you know her J.D.?

Me: I sure do and I gave her the nickname Wolfbane. I call her that because she has the sight and smell of a wolf and the strength of Bane. She is just as fast and brave and just as strong.

Nico: Wow!

Me: Me and Elise were known as the night prowlers because we would prowl the night and hunt criminals that kill people and then rip them to shreds.

Elise Okami: That's right. The reason is because I'm Half Werewolf.

Nico: Whoa!

Me: Yeah.

Nico: No wonder Swartz got to you!

Elise Okami: I know. But I can't control this power. You have to get rid of it from me.

Me: We will Elise. Hold on. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

She was enveloped in a swirl of darkness and turned into Another J.A.K.Q. Red!

Me: Since we're dealing with one of the J.A.K.Q. Rangers I think it's best if I used this one. (Activates Ridewatch for The Royal Flush Gang)

I got a sword imbued with the powers of the Walker Family of Neo Gotham.

Nico: Royal Flush power!

Nico: Don't forget me as well! (activates Evil Luxord's Ridewatch)

He got his cards.

Evil Luxord: Now this is gonna be good.

Me: It sure is. Sorry Elise but you are not yourself.

I fired waves of energy from my sword and blasted her all over.

Evil Luxord: Allow me to join as well.

Nico: Sure.

Evil Luxord got his cards ready and summoned the Spellcaster Nobodies!

But then we heard a bunch of voices.

?: Time to blaze away to a happy ending! Shining bright! Here comes the Glitter Force!

Me: Oh wow!

Out came the Glitter Force!

In the series finale, Joker having long knew she was connected to the Miracle Jewel, Candy's mission was revealed to a means of preparing her to succeed Queen as new ruler of Märchenland. This results on Candy gaining the ability to transform into the human-like Royale Candy (ロイヤルキャンディ, Roiyaru Kyandi, Saban: Queen Candy) once the Cure Decors are finally gathered, helping her friends in the final battle before assuming her role as Märchenland's sovereign.

Me: Hey Emily, girls!

Emily (GF): J.D.!

We hugged.

Me: It's awesome to see you all here.

Juran: You know these guys?

Me: You bet I do. Everyone this is the Glitter Force.

Emily (GF): Awesome to meet you all. I'm Emily but I'm also Glitter

Lucky.

Kelsey (GF): I'm Kelsey but I go by Glitter Sunny.

Lily (GF): I'm Lily but I'm Glitter Peace.

April (GF): I'm April but I'm Glitter Spring.

Chloe (GF): And I'm Chloe but I'm Glitter Breeze.

Nico: Awesome to meet you all here.

Laney: Same here and it's an honor.

Magine: Are you like a Female magical Ranger team?

Emily (GF): In a way we are.

Me: The Glitter Force is the Defenders of the World of Fairy Tales. I helped them on many of their adventures.

Nico: Cool!

Me: Yep. I even helped them destroy the evil Emperor Nogos.

Nico gasped when he heard me say that name!

Nico: Oh man! I've heard abut him! He is the ruler of the Shadow World and he wants to destroy the entire universe and remake it in his own image.

Me: Yep. And just before we were getting ready to go to the world of the 2012 Turtles I helped the Glitter Force destroy Nogo once and for all and used the Black Gates on him.

Nico: Whoa!

Eli: That is so awesome bro!

Lola: Yeah! What do you know about him?

Me: You guys would not like this guy to the brink.

I told them everything about him.

---

Pierrot, also known as Emperor Nogo, is the emperor of Bad End Kingdom and the main antagonist in Smile Pretty Cure!. For the first half of the season, the Bad End Kingdom villains worked to collect enough Bad Energy to revive him, as he had been sealed away by Royale Queen before the start of the story. In Episode 23, he was successfully revived, but temporarily defeated by the Princess Cures. However, a piece of Pierrot (possibly his heart) managed to escape.

He was voiced by Tesshō Genda.

Sometime before the start of the series he was sealed away at the same time the Royale Queen fell into a deep slumber. His minions have been collecting bad energy to try to revive him and seem to have succeeded only to have him suffer a temporary defeat at the hands of the Pretty Cures who attained their Princess forms. A piece of him seems to have been shot off into space where he is undergoing a transformation and a second revival.

---

When I was done everyone was shocked!

Nico: WHOA!

Me: Yeah!

Lola: What a monster!

April: But J.D. helped us big time.

Chloe: He sure did and we are forever grateful to him. We all agreed to become his future wives.

Camie: Wow! It's awesome to have you all with us.

Varie: Same here.

Another J.A.K.Q. Red: Um… hello? I'm about to use a Legend Item based on your frenemies. Do you guys not care anymore?

Me: Sorry Elise.

April (GF): But we'll help you out.

Eli: Yeah!

Another J.A.K.Q. Red: But your wives are all awesome J.D.

Me: Thanks Elise. You wouldn't believe everything we have done together.

She pulled out a sword of Spades of Lord Drakkon!

Me: A Lord Drakkon Spade Sword! She has Core and Non-Core Royal Flush Weapons!

Nico: Whoa! Lincoln you would love this one because of Ace Savvy.

Lincoln: I sure would.

Me and Another J.A.K.Q. Red clashed and I kicked her in the face and then Kelsey fired blasts of fire and April fired waves of wind and smashed her down.

Me: Now for the finishing blow. I've been saving this one for a rainy day.

I pulled out a special Ridewatch for the Glitter Force!

But then blasts of Earth, Fire, Wind and Water hit Another J.A.K.Q. Red and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Ridewatch and purified it!

Nico: WHOA! Nice shots everyone!

Me: Uh we didn't do anything.

Nico: Huh?

Stella Zhau: I think it was from them!

We saw the 4 Elemental Avatars! We saw a Black Rock Triskelion, Cyclonic Ravager, Holocaust Disciple and Waterveiled Assassin!

Sheila (D&D): Whoa!

Maria: Awesome! The Black Rock Triskelion, Cyclonic Ravager, Holocaust Disciple and Waterveiled Assassin!

Nico: Yeah!

Black Rock Triskelion: (In a girls voice) Looks like we got here just in time!

Holocaust Disciple: (In a girls voice) We sure did.

Nico: The Volvenstein Sisters! Wow!

Qin: Awesome! It's amazing to see you girls again!

They reverted back and they were

Holly Volvenstein - Black Rock Triskelion

Esmeralda Volvenstein - Holocaust Disciple

Lanaiya Volvenstein - Cyclonic Ravager

Allie Anne Volvenstein - Waterveiled Assassin.

Holly Volvenstein: It's great to see you too Qin.

Esmeralda Volvenstein: Yeah you look awesome.

She hugged all four girls.

Eli: Awesome to meet you girls. And the symbols on your foreheads are the Alchemical Symbols of the 4 Elemental Forces of Nature.

Allie Anne Volvenstein: That's right.

Lanaiya Volvenstein: We have mastery over all the 4 elements each.

Holly Volvenstein: It's really awesome too.

I went over to Elise and cured her and picked her up and we got the weapons she had.

Stella: What's your favorite memory of Nico?

Holly Volvenstein: Well our biggest memory we have with Nico is helping him bring down an incredibly dangerous and mentally unstable queen bee psychopath girl and sending her to the nuthouse.

Esmeralda Volvenstein: And no it is not Sally. This is different.

Qin: Oh right! I remember her! That was Lori Eggelstein and she was REALLY INCREDIBLY dangerous. She was born with an incredibly dangerous case of paranoid schizophrenia as well as Dissociative Personality Disorder. She has 50 Personalities inside her.

We gasped in shock!

Laney: 50 Personalities!?

Emily (GF): My goodness!

Me: That's incredible! That's almost 50% more than Kevin Wendoll Crumb had.

Allie Anne Volvenstein: Yeah and she was so bad that she burned down an entire school building on the south side of the city and killed 50 kids in it.

Lanaiya Volvenstein: Yeah. We busted her and she was condemned to the nuthouse forever.

Me: She is pure evil!

Qin: Yeah she was. Her own mind became her ultimate worst enemy.

Nico: It sure did.

Nico hugged all four of the Volvenstein Sisters.

Nico: I missed all 4 of you.

Volvenstein Sisters: We missed you too.

Stella Zhau: You can use that Glitter Force Ridewatch later, J.D.

Me: Thanks Stella. But that is so awesome that we have 4 girls that have the powers of the Elemental Avatars with them.

Nico: Yeah it sure is.

Emily (GF): We missed you though J.D.

Me: I missed you girls too.

Stella Zhau: And I love your hair and matching outfits. They are so awesome.

Lily (GF): Thanks Stella.

Nico: Yeah. Lets go home.

We went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Z-Fighters and the Saiyans, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Flare Corona are heading to Prison Valley in Fremont County, Colorado, and not only is Lincoln going to rescue the six girls here, but we got word that Broly, the Legendary Super Saiyan, has returned from the dead yet again to get revenge.

Lincoln: Whoa, we're here in Prison Valley in Fremont County, Colorado, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word from King Kai that Broly, the Legendary Super Saiyan, has returned from the dead yet again to get revenge.

Nico: That's right, big guy. I can't believe Broly has come back again, this is going to be one messy fight.

Me: And right here in one of the most ill-reputed places here in Colorado: Prison Valley, which is the location of fifteen of Colorado's prisons, including ADX Florence, the only federal Supermax prison in the United States, and houses some of the most infamous criminals here, including drug lord Joaquin "El Chapo" Guzman and Unabomber Ted Kaczynsk. But, Dad and I are no strangers to the stories of the murders that took place here, and because of that, this place became known as the "Valley of The Damned".

Eli: That's really scary.

Lincoln: It's hard to believe that this beautiful area in the Colorado Rockies is home to the prisons and where murders have also taken place, and now, the blood of the victims have now stained the area. But, we can't stop to take in the beauty of this place, we've got to stop Broly and send him to The Black Gates before that animal does something extremely bad. And thanks for joining us, Flare Corona.

Flare Corona: You're welcome, Lincoln.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Broly, and he's going to kill them.

Lincoln: Guys, we need to get over there and fast, I found the six girls, but they've been cornered by Broly, and he's going to kill them.

?: (Norwegian Accent) That bloodthirsty brute, let's get him!

Suddenly, we saw the Duel Monster, Shiranui Sunsaga, join us as we hightailed it over there, and as we rushed on over, Lincoln snapped his fingers and we were on Planet Glaren and he fired powerful rainbow energy balls and elemental forces at Broly, and it allowed the six girls to get away. When Broly saw us, he was enraged when he saw us.

Lincoln: I should've known you'd one day return again, Broly.

Nico: You just don't know when to stay gone, do you, you bloodthirsty animal! Now, we're going to see to it that this time, you stay gone forever!

Lincoln: Let's rip him to shreds!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Z-Fighters and Saiyans, Flare Corona, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox

Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Broly, and we fired powerful blasts of rainbow energy, colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Broly was about to go after the Shiranui Sunsaga and kill her, but Lincoln grabbed Broly by the neck and choke-slammed him to the ground and attacked him with his massive broadsword, and he'd left painful injuries and Lincoln was weakening him badly. Then, we saw Lincoln sprout out one of his eleven massive, long, and powerful white werewolf tails with one of Cell's suction stingers which had opened up into a large suction, and as he latched it onto Broly's head, he tried to struggle, but it was pointless.

Then, Lincoln absorbed Broly into his body, and his rainbow energy aura flared up even more as he assimilated all of the bloodthirsty Saiyan's powers and abilities and he gained a massive power boost. Then, an energy card formed in Lincoln's large left hand with the bloodthirsty Saiyan's soul inside it, and as the kanji appeared, Broly was erased by The Black Gates forever. We cheered wildly as we'd holstered our weapons and powered down.

We then reappeared back in Prison Valley in Fremont County, Colorado.

Nico: That was a really crazy thing you did, Linc. But, it worked, and we're now finally rid of Broly for good.

Lincoln: Thanks, Nico, and next time, I'm not doing something that crazy again. But, you're right, we're finally rid of Broly for good. (To Brunhilde Ildsverd) And it's so good to see you again, Brunhilde Ildsverd.

Brunhilde Ildsverd reverted back to normal, and she's a beautiful girl with long flowing blonde hair, blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful blonde angel wings, and she reigned in the power of Shiranui Sunsaga, and she's dressed in a blue short-sleeved blouse, sleeveless blue top, blue dress skirt with the flag of Norway on it, blue high-heels, and long sleeveless blue trenchcoat with flames and samurai on the coattails, and Shiranui Sunsaga on the back, and holstered on her back a large Shiranui Sunsaga-themed greatsword with Shiranui Sunsaga etched on the 7'0" massive, wide, double-edged red blade, red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Brunhilde Ildsverd: (Norwegian Accent) You too, Lincoln, it's been a long time, and it's also good to see you too, Girl Jordan.

Girl Jordan: You too, Brunhilde.

Lincoln went up to Brunhilde Ildsverd and they hugged, and Brunhilde Ildsverd's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, we haven't seen you when you were eleven, and as you can see, Girl Jordan and I really grew a lot since then.

Brunhilde Ildsverd: (Norwegian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome, and Girl Jordan has grown into a young woman.

Nico: Wow, Lincoln, you and Girl Jordan know her?

Lincoln: Indeed I do, Nico, this is Brunhilde Ildsverd, she's my Guardian Angel from Norway and friend and classmate in gym. Her last name, Ildsverd, means Fire Sword in Norwegian.

Nico: Whoa, now that's awesome.

Lincoln: And it gets better, Brunhilde taught me how to run fast and she taught me Parkour.

Me: Wait, what?! That's really awesome that you were taught Parkour by one of your Guardian Angels.

Brunhilde Ildsverd: (Norwegian Accent) And I got a lot more to tell later.

Nico: This is something we're really going to enjoy hearing.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Brunhilde Ildsverd's neck with blue gems on the gold thunderbolt links and blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Brunhilde Ildsverd: (Norwegian Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Brunhilde.

Brunhilde Ildsverd had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Brunhilde Ildsverd's waist and Brunhilde Ildsverd wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Brunhilde Ildsverd's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Lilian, Amane Todoroki, Aya, Hirona, Kozumi, and Sentiment Takagi from Zetsumetsu Kigu Shoujo: Amazing Twins.

Lincoln: Oh wow, it's Lilian, Amane Todoroki, Aya, Hirona, Kozumi, and Sentiment Takagi from Zetsumetsu Kigu Shoujo: Amazing Twins.

Nico: Awesome.

Lincoln: Are you girls okay?

Lilian: Yes, we're okay thanks to you.

Then, when Lilian and the other five girls saw who it was that saved them from Broly, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Lilian: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Lilian, Amane Todoroki, Aya, Hirona, Kozumi, and Sentiment Takagi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Broly, the Legendary Super Saiyan, who came back from the dead yet again to get revenge.

But, when Lincoln showed what we did in brutalizing that animal and what Lincoln did to him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Brunhilde Ildsverd have a lot of catching up to do, now that she's back in town, and now, we're finally rid of Broly The Legendary Super Saiyan for good, and he's never ever coming back.

---

After we finally destroyed Broly The Legendary Super Saiyan forever, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Brunhilde Ildsverd saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Brunhilde Ildsverd: (Norwegian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Brunhilde, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Brunhilde Ildsverd: (Norwegian Accent) That's incredible.

Nico: It sure is. So, Brunhilde, what memories did you have with Lincoln?

Brunhilde Ildsverd: (Norwegian Accent) Ah, that's right, I did say I have a lot more to tell you all about me. Well, there's this one time, that me, Girl Jordan, and Lincoln took on an entire team of dodgeball champions in the biggest dodgeball competition in Royal

Woods, and we won.

Nico: Whoa! Hey, wait a sec, I remembered reading about this competition, that was you three who won the competition?!

Lincoln: Yep.

Me: Yikes, and I remembered the name they gave them: The Norwegian Dodgeball Trifecta of Pain!

Nico: (Shudders) Now, that's one team I'd never want go against in dodgeball.

Brunhilde Ildsverd: (Norwegian Accent) That's right, and there's this one time Lincoln made me a sky blue gemstone-encrusted midriff top and sky blue gemstone-encrusted skirt of the highest quality.

She then showed us the sky blue gemstone-encrusted midriff top and sky blue gemstone-encrusted skirt of the highest quality, and it was really beautiful.

Me: Whoa, that's really beautiful.

Rarity: Indeed, and I love how you encrusted the clothes with jewels, Linky.

Lincoln: Thanks, Rarity, and Brunhilde also hates bullies, especially Chandler, and she hates Hawk and Hank with a passion.

Eli: Yeesh.

We got a shower afterwards, and then, me and my harem and Nico and his harem are heading to Jolly Roger Bay for some exploration.

Lincoln: Have fun, guys, and don't worry, we'll make sure everything's okay.

Me: Thanks, Linc.

Nico: And if Sancho tries to cause trouble, you have my permission to pelt him and the other party pigeons with rotten fish.

Me and Nico and our harems left the World Tree Estate, and we arrived at Jolly Roger Bay.

Me: Wow, so this is Jolly Roger Bay.

Nico: Yep, Lincoln's been here before, and it's really awesome.

We then began our exploration of the place as we dived right into the waters and we began swimming and we explored the place. Then, we had lunch in a picnic area here and it was really amazing. Then, as the sun was about to set, me and Nico made clones of ourselves, and we and the clones went up to the girls in our harems and we wrap our abnormally massive and powerful muscular arms around the girls' waists, and the girls wrapped their arms around the thick muscular necks of Me, Nico and our clones, and we shared an amazing and passionate super-charged kiss. Then, we came back home to the World Tree Estate.

Lincoln: Hey, guys, how was your date?

Nico: It was awesome, Lincoln, we went to Jolly Roger Bay.

Lincoln: Awesome.

Me: It was everything you and your harem said it was, big guy, and how were things back here?

Lincoln: It was good, we kept Sancho and the party pigeons out by throwing fish at them, and it got the Great Lakes City cats after them, they won't be back for the rest of the day, and we've also been getting ready for our big day when we meet the Den-O Kamen Riders.

Nico: Awesome.

Then, we saw Sancho and the Party Pigeons fly past the World Tree Estate, and they cooed angrily at us saying, "We'll get you for this! Sergio's party animal reputation will be avenged!"

Nico: Flap off, Sancho!

Nico threw a Chancla at Sancho and it drove him and the pigeons away.

Ronnie Anne: Nice throw, Nico.

Rosa: (Spanish Accent) Ay, even after what happened last year, Sancho refuses to even give up, and I couldn't bear to live with a pajaro like Sancho.

Bobby Santiago: Sancho's a party animal and he'll never listen to the rules, Abuela.

Nico: Yeah, out-of-control party animals are one thing we can't stand. Good thing we took care of that problem with Sergio last year, but we're watching him.

Me: Yeah.

We gave Sergio the "I'm watching you!" look, and he flapped off in fright.

* * *

Later it was time for Sydney and U.A. Iron Man's bonding Time and we were having it over at the park.

Me: So our next bonding time is gonna be at the park.

Eli: Perfect place to unwind and relax.

Nico: Tony, you and Sydney are up for some bonding time.

U.A. Iron Man: Yep we sure are.

Sydney Burlington: It's gonna be so awesome having some time to bond.

Nico: Yep.

Qin: You guys go have fun. We'll be relaxing by the lake here.

Sydney: Okay.

U.A. Iron Man: If Another Rider shows up press that device I gave

you.

Me: Will do.

They were off to have fun.

They went to have fun and have a picnic.

U.A. Iron Man: Sydney, I'm sorry if I worried you after your last Ambassador mission.

Sydney Burlington: It's all right. But it was all totally unavoidable. Nico knew that it was going to happen.

U.A. Iron Man: Even though the damage has been done at least we are free of the Fold and the evils of our version of Maria Hill.

Sydney Burlington: That bitch had it coming for everything she did.

U.A. Iron Man: That she did.

We were having fun by the pond.

Emily (GF): So how have things been J.D.?

Me: Busy busy and busy. We are always out saving the world and the universe. But we have been doing many awesome and amazing missions.

Eli: Yeah we have all done so much and more.

Camie: It was one amazing adventure after the other.

Nico: Yep and I'm sure you were told about me now being the leader right?

Lily (GF): We sure were. Congratulations on your big promotion.

Nico: Thanks.

Me: Nico displayed amazing Leadership Skills during some of our most major missions last year and he more than earned that promotion fair and square.

April (GF): That is amazing.

Nico: It's funny that UA Tony and Sydney are having bonding time. Because the UA world was where I resolved my issues of living up to people's expectations of being like J.D.

Me: That's true. Huge wakeup call. But you were never going to become like me in the first place Nico.

Emily (GF): That's right! J.D. is the only one of a kind.

Nico: Yep he sure is.

Me: That's right.

U.A. Iron Man: (to Sydney) I don't regret getting you, J.D., and Akira out of there after the explosion. Because the last thing I needed was Hill getting her hands on you.

Sydney: I know and you did good. You saved both of us and we are forever grateful for that.

U.A. Iron Man: I'm glad you're both safe too.

Sydney: That was an awesome and amazing adventure though.

U.A. Iron Man: I'm just sorry I even made that stupid Nanite Control System!

Sydney: But at least you corrected your mistake with our help.

U.A. Iron Man: That's true. I'm glad we did.

We were then relaxing when we then heard screaming!

Me: Uh oh! Code Another Rider!

I pressed the device and then U.A. Iron Man and Sydney came and then we saw a figure come and it was ANOTHER QUIZ! It looked like a scary version of Kamen Rider Quiz!

Nico: WHOA! Another Quiz!

Me: The last of the Another Future Riders we have left to bring down!

Nico: I got a feeling lots of trivia questions will be asked!

Me: I'm always up for a pop quiz!

Another Quiz: (In a mans voice) Good then you'll like the questions I have for you.

Nico: Wait that voice! Is that?

Qin: It can't be!

He reverted back and it was a science teacher that looked like Albert Einstein!

Nico: Professor Rutenstein!?

Qin: Wow!

Professor Rutenstein: (Austrian Accent) It's good to see you again Nico und Qin.

Qin: We didn't expect you to be Another Rider.

Nico: Yeah! But it's good to see you again Professor.

Me: I take it you know him.

Nico: He's our old science teacher from Middle School. He taught us everything we know about chemistry and physics.

Qin: And he taught us a lot in many things of science.

Me: Very awesome! And it's fitting that he is Another Quiz.

Woz: You should be very proud of Lord Nico. He has grown into a truly fine hero.

Professor Rutenstein: Und I couldn't be more proud of him. He has come a long way over ze years.

Me: Nico has truly become a force to be reckoned with.

Professor Rutenstein: Yes he sure has. Would you like to answer some questions from me J.D.?

Me: I would be honored to learn from Nico's science teacher.

Woz: But I have a feeling those questions will be answered through a battle! Henshin!

Action! Touei! Future Time! (Chinese-themed electronic music) Sugoi! Jidai! Mirai! Kamen Rider Woz! Woz!

He turned into Woz!

Me: YEAH! Now for me. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Woz: Lord Nico, Quiz's powers are based on answering questions correctly. Answer them wrong and you'll take damage!

Action! Touei! Future Time! (Brass music followed by correct answer beeping) Fashion! Passion! Question! Futurering Quiz! Quiz!

Nico: I'm always up for a challenge. Thanks Woz.

Me: Me too.

Qin: Same with me.

Another Quiz: True or False: Au is the Atomic Symbol for Gold!

Me: I wish I had a game show buzzer. True!

Another Quiz: Correct!

Nico: Good one.

Me: Here's one for you. How fast does a particle beam go in a particle accelerator?

Another Quiz: At 0.99997 times the speed of light.

Me: That's right. That's 670,596,511 miles per hour.

Nico: Wow! That is fast!

Me: (Activates Eyecon)

ENRICO FERMI AND PROFESSOR CALAMITOUS!

Me: PARTICLE BEAM BURST!

I fired a wave of energy and it hit Another Quiz and blasted him all over.

Woz: True or False: Hibiki was the first Heisei Kamen Rider!

Nico: False! Kuusa was the first Heisei Kamen Rider.

Me: From the year 2000.

Nico: Yep.

This knocked Another Quiz to the ground.

Hitoshi: I might not have been the first Heisei Kamen Rider. But I was the first one you all met personally.

Me: That is true. You are 2005's series.

Eli: (Activate's Eyecon)

JAMES BRUDENELL, 7TH EARL OF CARDIGAN AND JORGEN VON STRANGLE!

Nico: James Brudenell, 7th Earl of Cardigan?

Eli: He was the commander of the Charge of The Light Brigade during the Crimean War.

Nico: Wow! That is awesome.

Me: Yeah but too bad that battle was a failure back in 1854.

Jessie Knudson: You're right on that dad.

Eli: LIGHT BURST BLAST!

Eli fired a blast of energy and it hit Another Quiz and exploded all over.

Another Quiz: True or False: You all are about to use the Masters of Evil Cannon!

Maria: (takes out said Cannon) Definitely true!

Me: That was more like a predictability question.

Maroa: But he's right. (TURNS DIAL) SCIENCE FORCE STORM!

She summoned Professor XXXL, Calamitous, Vexen and Kaos!

Professor XXXL: So we have Another Rider problem here.

Nico: Yep.

Me: Lets see if he knows this. What is the chemical formula of the radioactive mineral Cuprosklodowskite?

Another Quiz: Uhh.

Me: (BUZZ) TIME! It's this.

I showed him the formula: $Cu[(UO2)(SiO2OH)]2\bullet6(H2O)$.

Another Quiz was once again knocked to the ground.

Me: It feels like both a battle and a game show doesn't it.

Nico: It sure does. This is the part where he brings out a Legend Item.

Another Quiz: You're right.

He pulled out a Quiz Sword and it had the powers of Wolf O' Donnell!

Me: He has a Quiz Sword with all the powers of the Core and Non-Core M.O.E.

Another Quiz: Correct. When did Wolf O'Donnell first appear in Star Fox?

Nicole: Made his first appearance in Star Fox 64 for Nintendo 64 back in 1997.

Another Quiz: Correct.

Nico: (takes out Riddler's Ridewatch) This Ridewatch is perfect for this situation!

Nico activated it.

Nico: We're five little items of an everyday sort; you'll find us all in 'a tennis court'.

Me: Ooh very enigmatic.

Another Quiz: What does that mean?

Me: It's very obvious. Batman figured this out. It's Vowels. A,E,I,O,U.

POW!

Another Quiz got punched and smashed down.

Me: This is one of my favorites. I have billions of eyes, yet I live in darkness. I have millions of ears, yet only four lobes. I have no muscle, yet I rule two hemispheres. What am I?

Another Quiz: I have no clue.

Batman: You should know about that. It's the Human Brain.

KRABLAM!

He was punched down and then he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to normal and then I caught his Ridewatch and purified it.

Nico: Professor!

Nico and Qin went over and helped him.

Professor Rutenstein: (Groans) Vat in ze world happened to me? I have got ze vorst ever headache.

Nico: It's a long story professor.

Me: I think The Riddlers Riddles were too much for him.

Nico: And people say we don't use our brains.

Me: But those questions were awesome.

Woz: Indeed they were.

Qin: Yeah. But Professor we're so happy that you are okay.

Professor Rutenstein: Und I'm so proud of you Qin. Und you as well Nico.

Nico: Thank you Professor.

We picked up the weapons and we had Professor Rutenstein taken to our infirmatory.

---

The U.S.S. Valorous Phoenix was flying through space. We were heading to the scorching hot prison planet Crematoria to visit another version of Dark Lynn there.

Yost Peter: Can you explain why we're seeing Dark Lynn after Lincoln Black Gated her?

Zhalia: This Dark Lynn is different.

Me: This is a version of Lynn that came from another universe.

Lynn: Yeah. She is me that went insane because of her stupid superstitious beliefs.

Lynn went over what happened to her in her universe as well as what happened in the events of chapter 1131 and it wasn't pretty. When she was finished everyone that hadn't heard about it was shocked and horrified!

Emily (GF): Oh my gosh!

Laney: Yeah it was awful.

Qin: It was.

Lynn: That evil version of me also recruited some of the enemies we faced earlier to close out phase one of our Ambassador Missions.

Yost Peter: So it was HER that recruited those monsters first.

Me: Yes it was.

We arrived at Crematoria.

Me: There it is.

Nico: Lets engage the heat shields and land and go into the prison.

We engaged the heat shields and landed and went into the prison and in the prison was the worst ever criminals known all throughout the galaxy. We went to Evil Lynn's cell. We saw

Evil Lynn all mangled and broken. She was REALLY hurt all over.

Jin: Well, look who it is.

Me: Evil Lynn.

Nico: They really did a number on her too.

Eli: I have a feeling that Lincoln's Guardian Angels are all going to thrash her into dust.

Evil Lynn saw us.

Evil Lynn: Well if it isn't Stinkoln and his stupid friends! Why don't you just hurry up and kill me and get it over with!?

Me: Okay!

I held my hands out and instead of energy I had a Party and Confetti blaster!? What the!? Confetti and streamers blasted out all over her.

Me: GOTCHA!

Rainbow Dash and Luan laughed their heads off.

Nico: (LAUGHS) That was a good one.

Demolishor: You're not even worth killing, Evil Lynn. The other Dark Lynn was at least able to turn into Another Faiz and she was a scumbag too!

Nico: Like you.

Luan: Yeah! And you've tormented our family long enough.

Me: You got yourself into this situation by falling for those stupid superstitious beliefs and all that stupid bullshit about the Softball Gods. There are no gods for softball.

Evil Lynn then got set off!

Me: Uh oh! I set her off didn't I!?

Nico: Yep.

Evil Lynn: BLASPHEMY! BLASPHEMY!

Highbrow: Girls, can you please shut her up?!

Anna Anyanova: With pleasure.

They went into her cell and then pulverized her all over in a brutal and ferocious fight cloud and it went on for over 45 minutes! She was brutally smashed and mashed into pulp.

Me: Maybe we should put her in the Saturn Insane Asylum.

Lincoln: That's a wise idea.

Me: And I got a good idea.

I snapped my fingers and beamed Evil Lynn to a special cell for the smallest moon in Saturn. It was for the moon Anthe. Which was the smallest moon around Saturn at 2,952 feet in diameter. It was perfect for her. But also Lincoln cursed her with the Nightmare Demon's Vengeance Curse. And we chained her with a rainbow energy straitjacket and chains. We later went back home.

* * *

We then saw bags of goldfish all over.

Koichi: 100 Goldfish Crackers eaten. I doubt that's a good sign.

Me: Geez! Not even I can eat this many.

We then saw Jorgen sad.

Jorgen: (sad) (Arnold Schwarzenegger Accent) Oh. Hello, everyone.

Laval: Jorgen, we learned about what happened. But we don't care about that. We've all made mistakes!

Jorgen: But if I hadn't erased Crocker's memory, he wouldn't have gotten insane and the 20 Days of Darkness might not have happened!

Maria: I doubt that would've been the case.

Yang: You think you're the only one who's fucked up?! I was the one who carelessly got my own arm chopped off by Adam Taurus all because I was reckless! And me and Blake caused Ironwood to briefly turn against us when we told Robyn Hill about Amity Tower. (sighs) Look, you can either sit here and mope. Or, you can learn from your mistakes. It's your choice.

Me: Yeah Jorgen, what you did was something that was what we call an unexpected side effect. But Yang is right. You can learn from the mistakes and not do them again and fix them.

Jorgen: You're right! I've got to fix this!

Nico: Then lets get moving! Lets ready our Supertrain Megazord and Ressha for launch.

Then Evilseed, Evil Green Ranger, Dark Spicer, Pete, Bonz, Dayu, Mumbo Jumbo, Knightbrace, Fixer and Electrocutioner appeared.

Evilseed: Can me, Evil Green Ranger, Dark Spicer, Pete, Bonz, Dayu, Mumbo Jumbo, Knightbrace, Fixer and Electrocutioner go with you guys?

Nico: Yes you all can go with us.

Me: You guys excited too?

Dark Spicer: We sure are.

Emily (GF): Wow are they your frenemies?

Me: Yep. Girls these are the Masters of Evil.

Dayu: So you are the Glitter Force we heard so much about. It's an honor.

Nico: Lord Drakkon told you right?

Pete: He sure did.

Alternate Chrysalis: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm glad you asked and it was actually Luna that came up with the idea.

Luna Loud: You said it dudes. It's for these.

She showed us MTG Cards for the Elemental Incarnations Monsters. They were for the monsters Fury, Subtlety, Endurance, Solitude and Grief.

Me: Whoa! The Elemental Incarnations of Fire, Water, Earth, Wind and Darkness. That is gonna be interesting.

Lola: It sure is.

Nico: Yeah this will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Cabrakan from Smite, and he's heading here to destroy us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like this guy one bit: the dark energy signal I sensed belongs to Cabrakan from Smite, and he's heading here to destroy us.

We gasped in fright.

Neith (Smite): Cabrakan is someone you don't want to underestimate.

Ronnie Anne: Yeah, he's known as The Destroyer of Mountains in Mayan mythology, and he's known to destroy mountains and tear the Earth when he rises, so this is going to be one wild battle after we destroy the enemies of the Den-O Kamen Riders.

Nico: You said it, Ronnie Anne. Alright, gang, let's go, the time to meet the Den-O Kamen Riders has finally arrived.

Lincoln: Yeah, we're going to make the main villains of the Den-O Kamen Riders pay for their crimes against history.

Me: You said it, big guy.

We got into our Train Zords and we were off!

The Supertrain Megazord, Max Solarzord, Resshas and Paleozord were ready and we were off for an awesome train ride through time.

Nico: Boy the last time we did this was with the ToQgers.

Me: Yeah that was awesome.

Qin: Boy it sure was.

Emily (GF): These trains are awesome.

Kelsey (GF): They sure are.

We then arrived in Japan and we saw the Den-O Riders fighting a bunch of Imagin!

Evil Green Ranger: There they are.

Me: Lets make a minor entrance for this.

Nico: Good idea.

We went at the battle.

Ryotaro: This is getting big.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and then fireballs rained down and destroyed the Imagim. A phoenix cry was then heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

We arrived and blasted and smashed the Imagim!

Me: Looks like we got here just in time!

Ryotaro: Perfect timing guys!

Yuto: Yeah thanks for showing up.

Takanuva: Awesome to see you guys here.

Yuto: Same here Takanuva.

We blasted the Imagim and smashed them into dust.

Broccoli Guy: Just wanna thank you guys for helping us on that burger planet.

Ryotaro: It was no problem. It was awesome going there too.

Lola: That was awesome though.

Donkey Kong: We had a lot of fun on that one too.

Hana: We all thought so too.

Bonz: You guys don't mind if we see the DenLiner, do you?

Ryotaro: Not at all.

Yuto: You guys also have your own trains with you too.

Me: These are the zords of the Lightspeed Rescue Rangers and the ToQgers. The Paleozord is for the RPM Team. You may know the Lightspeed Rescue Team as the GoGoV and the RPM Team as the Go-Ongers.

Yuto: Wow that is cool and awesome!

Lola: Yeah it sure is.

We got our zords all hooked up to the DenLiner.

We saw everything in it.

Swift Foot: Look at all this!

Nico: It was awesome seeing all this when we first saw this.

Swift Foot: Wow this is awesome.

Lola: Yeah it sure is.

Lana: I think this is awesome that you guys go through time on a train like this.

Nico: It sure is.

Momotaros and the other Imagin came.

Momotaros: Hey guys!

Me: Momotaros, Urataros, Kintaros, Deneb and Ryutaros. Awesome to see you guys.

Mumbo Jumbo: (to the other Imagin) It's an honor to meet the rest of you in person.

Momotaros: You too.

Urataros: And it's aweosme meeting the M.O.E.

Nico: It sure is.

Me: We should all tell you guys why we are here too. We came to help you kill some of your enemies.

Nico: Yeah Mostly Kai, Negataros, Death Imagin and Gaoh.

Ryotaro: We're glad you came.

Poromon got out 3 beer bottles.

Ryotaro: Oh, don't tell me those are-

Poromon: 3 bottles of beer!

Chompy facepalmed.

Ryotaro: I don't drink Poromon.

Yuto: Digimon and Pokemon that drink?

Me: Don't ask.

Nico: But lets hear about your enemies that are our primary targets.

Ryotaro: Okay.

He told us about them

## Kai

Kai is a Singularity Point from the future who coordinates the Imagin's attacks and is the main antagonist of Kamen Rider Den-O. He seeks to destroy the Junction Point in order to ensure the future of the Imagin.

Kai uses a black page-a-day calendar to select dates to send Imagin back to. Kai initially believes that the key to the Junction Point is the elder Yuto Sakurai and travels to January 10, 2007 to kill him. When the alterations to the timeline caused by Sakurai's death are undone, Kai deduces that Den-O is the culprit and sends Ryutaros to the DenLiner with a permanent ticket to kill Ryotaro. When However, Ryutaros ends up refusing to go through with his mission, prompting Kai to reveal himself and attempt to get Ryutaros to sabotage the ZeroLiner, thus taking the DenLiner and Den-O Belt out of commission.

Kai's plan fails, but he notices that Yuto protects Ryotaro instead of his own future self. Kai questions him and discovers that it is Ryotaro's sister Airi he is protecting. Convinced she is the key to the Junction Point, Kai sends an army of Imagin to kill her, creating the Death Imagin from his remaining memories and will to lead his army. As the army destroys the city Kai discovers that the key to the Junction Point is not Sakurai or Airi but their child, the Singularity Point Hana. After Den-O, Zeronos, and their Imagin partners destroy the Death Imagin, all of Kai's memories are used up and he dissolves away into sand, causing all of the Imagin except for the Tarōs, Deneb, Sieg, and a few others to perish along with him.

## Death Imagin

The Death Imagin is an Imagin created by Kai to command his Imagin army and a major antagonist in Kamen Rider Den-O, serving as the main antagonist of Den-O's final arc.

## History

The Death Imagin was created by Kai from all of his remaining memories to lead his Imagin army. The Imagin army was sent to kill Hana, the key to the Junction point, in the process laying waste to the city.

The Death Imagin soon confronted the Kamen Riders, combatting and overpowering both Den-O Liner Form and Zeronos Zero Form. The Death Imagin was eventually destroyed by Den-O Sword Form and the combined energies of all the good Imagin as well as Zeronos, causing Kai and all of the Imagin that he had made contracts with earlier to dissolve into sand.

## Gaoh

Gaoh is a thief-king who targets Time Trains and a renegade Kamen Rider who wishes to take over all of space-time by obtaining the legendary GaohLiner to destroy all time as he was fed up with it. He and his Imagin followers took camp at May 2000 to await his plan to come to fruition, by sending the Molech Imagin to 2007 to set the pieces up.

## Negataros

Following the events of Kamen Rider Den-O, Negataros and a select few Imagin were able to evade the fate of the other evil Imagin when Kai ceased to exist in the final episode. Soon afterward, he steals an extra Rider Pass before arriving to restore the future where the Imagin exist by recruiting mobsters and members of the Fangire Race to his aid. In Climax Deka, Negataros has to deal with both the DenLiner Police led by Ryotaro Nogami, an inside man in the form of Yuto Sakurai, further worsened by the brief meddling of Wataru Kurenai.

In the end, Negataros' plan is foiled and his armor is destroyed by the Double Boistous Kick & Darkness Moon Break of Kiva & Den-O Climax Form before he finally meets his end in battle against the DenLiner, the ZeroLiner and Castle Doran.

Negataros is also featured prominently in the S.I.C. Hero Saga in

Hyper Hobby Magazine. The story is a retelling of the events of Climax Deka featuring Negataros traveling to April 3, 1971, to team up with the Shocker organization and combating Den-O and the Tarōs along the way.

---

When they were done we were shocked!

Me: Whoa! And I remember these guys all too well. They are bad news.

Nico: Yep. So we're here to destroy all 4 of them.

Yuto: And the bad news is that Kai managed to travel back in time somewhere.

Eye Five: Well, that's not good news.

Me: And I think I know where he is headed. Or rather when!

Nico: March 15th, 1973!

Jorgen looked away in guilt.

Fixer: Okay, Jorgen. I get it! You feel guilty! But ever stop consider that if you hadn't taken Cosmo and Wanda from Crocker, they wouldn't be with a godchild who's actually proven himself time and time again?!

Nico: Yeah and it's not your fault anyway. You had no idea Crocker would turn into the monster fuckpot we all knew and despised.

Lola: Yeah,

Ryotaro: What are you talking about?

Me: Really ugly story. It happened during the 20 Days of Darkness.

Maria: We need to get there right away. And when we do, Lisa really should take a look at that magic neurolizer.

Lisa Loud: Affirmative

Me: ALL ABOARD!

We were off to the past. 49 years into the past.

Maria: So, what do you guys wanna talk about on the way?

Ryotaro: Well, I wanna confess that me and the rest of the Riders wouldn't have been inspired to fight against evil if it weren't for the original one back in 1971.

Me: I remember seeing that. That was so awesome.

Laney: Yeah.

Me: Oh right.

I pulled out a bag and in it was a bunch of Ridetickets.

Me: These are Ridetickets we got from defeating Another Den-O and Another Zeronos.

Nico: They are all imbued with the powers of the Core and Non-Core members of our frenemies in the M.O.E.

Momotaros: Wow that is amazing.

Yuto: So, the Zeronos Tickets don't mess with your memory?

Me: No Swartz removed that drawback.

Yuto: Wow.

Me: Yeah. But these are not the only tools we got.

We told them everything and it was incredible.

Kintaros: Wow that is amazing.

Hana: No kidding. Wow.

Qin: Yeah we had a lot of interesting battles and rescues too.

Me: Yep.

We arrived.

MARCH 15th, 1973.

Nico: We're here!

Me: Feels like we're with the Time Squad.

Tuddrussel: It sure feels like it.

Nico: Yeah it feels like it.

Grave Clobber: I hear something.

Young Crocker: Please! I don't even know who you are!

Kai: (laughs evilly) You may not know who I am. But I know you are. Well, what you'll become anyway.

Young Crocker: Someone help!

Kai: No one's going to come to your rescue. I mean, why would they? You're the most hated target of Team Loud Phoenix Storm next to the Joker. I figured by killing you right now, they'd thank me. Well, those who survive the time changes that result from this anyway.

But then…

KRABBBBBOOOOOOOOOOOOOOOMMMMM!

A blast of energy hit Kai right in his back and exploded!

It wounded him badly.

Nico: Get away from him you dirt clod!

Me: Yeah!

Kai: How did you find me!?

Me: You know the answer to that you brainless moron.

Kai: (Nico grabbed him by the hair) You're defending this filth after what he does to you?! You had your chance to change the past and make your lives better. I'm just doing what you all won't!

Nico: And in the process, you're attempting child murder, which is something we don't do!

Electrocutioner: Besides, Crocker at this age is innocent! He's unaware of the crimes he'll do in the future!

To Kai's surprise, Nico let him fall to the ground. But only after he placed a tracker in his hair.

CRASH!

He was badly injured but not dead. But he won't get very far.

Torch Man: Alright, Jorgen. Let's take a look at that magic neurolizer.

He showed it to us and it was just like the Neurolizers of M.I.B. But we analyzed it and saw that it had a broken wire in it and it was connected to normal life. Instead it made Crocker into the neck-earred, hunckbacked, rotten toothed, fucked up lunatic we all hated and loathed with every fiber of our being.

Me: Whoa so it was a broken wire in here.

Nico: Wow. Well we saved Crocker. Now it's time to head back.

Lincoln: Guys, we can't leave here just yet.

Maria: What are you talking about?

Luan: If we leave, Crocker will just come back to hurt us all over again! We have to send him to the Black Gates! Now!

Knightbrace: Seriously?! We just got through with saying that we don't commit child murder unless there's no other option!

May: Knightbrace is right, guys!

Me: Yeah! Besides if we do that it will have terrible ramifications on the future and destroy the entire universe. Do you want that to happen?

Luan: Well no.

Lincoln: You're right on that.

Me: Besides even if Crocker has done harm to us in the present it's against our code to kill kids even in what time period or age they are in.

Nico: Yeah.

Jorgen: Guys, be honest. Am I really that bad of a friend?

Kairi Yano: (uncertain) Well, you do yell a lot.

Axel Manning: And you get extremely mad at Timmy if he makes mistakes.

Aligned Bumblebee: And you're not easy to hang out with most of the time.

Jorgen looked down in shame until Eli Shane put a hand on his shoulder.

Eli Shane: But that doesn't mean you're not a good friend. Deep down, you have a good heart.

Dayu: And you're a good leader.

Dudley Puppy: Without you, Fairy World would fall apart.

Otto Rocket: And you helped Timmy the most during the Darkness mess.

Maria: And you're a good member in both teams.

Keiichiro: Not to mention you have Tooth Fairy as an awesome wife. That's accomplishment compared to my own love life.

Marty: And you're forgetting about what I said about there not being any good in Crocker in the first place.

Me: That's right Jorgen. You are a great friend, leader, enforcer and a powerful ally to Timmy and friends.

Nico: Yeah and you brought Chloe and Timmy together to share Cosmo and Wanda. Which I think is awesome.

Yuto: Sure, me and the other Seceondary Riders started out as hostile to our respective teams too. But we turned out to be great friends as time went on.

Roscoe: Lots of Secondary Riders are like that.

Desoto: Just because someone seems mean at first doesn't mean they don't have a heart.

Nico: That's for sure.

Me: Absolutely.

Qin: Yeah. Take it from many of us. Chazz here was like that.

Chazz Princeton: It's true.

Jack Atlas: As was I.

Qin: You look so much like a Kamen Rider.

Eve: (Emotionless) I do get that a lot.

Me: Not very enthusiastic.

Ryotaro: She shows no emotion at all.

Sai: She and I have so much in common. We both have no emotion at all.

Yuto: Out of the way, Eve. It's your master that we want.

The spirits of the Mysticons, Megaforce Girls and Masters of Green appeared and swirled around them and blasted Kai and Gaoh and his men and smashed him down and then converged and then a massive explosion of darkness blasted out and demonic spirits appeared and then evil laughter was heard and we came out.

Me: Your time is up Kai!

Kai: What!? How did you find us!?

Me: From a place called None of Your Fucking Business!

Negataro: YOU LEAD THEM RIGHT TO US KAI!

Nico: That's right.

Nico pulled out the tracer.

Nico: Thanks to this.

Kai: NO NO!

Negataros: YOU TRAITOR!

Gaoh: No! Kill him later. We've got bigger fish to fry.

Negataros: We'll never understand any of you. Why defend the younger self of your most hated enemy?

Ryotaro: You're right, Negataros. You and your friends WILL never understand us.

Me: Because we're all human unlike you!

Nico: You think none of us have considered on taking Crocker out as a kid?! There have been PLENTY of times where we've considered on doing that. Not a day goes by where some of us think about going back in time and ending Crocker's reign of terror before it begins. But if we do that, the consequences would be fatal.

Me: Big time!

Eli: For not only us but all of the entire universe.

Qin: Yeah!

Kai: You should worry about THESE consequences. Rinshi!

An army of Rinshi Foot Soldiers appeared.

Me: Rinshi this time! Awesome!

Nico: Yeah! Too bad they don't have any animal spirits with them.

Me: Yeah no kidding there.

I fired waves of energy and elements and destroyed many of them in a fiery explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: NICE!

Qin: Yeah!

Holly Volvenstein: YEAH!

Then the Rinshi jumped the team of Den-O.

The Den O team lay defeated at the hands of the Rinshi.

Kai: (laughs evilly) Who to kill first? The main Kamen Rider? Or his stupid Imagin friend? I think I'll go with the former!

I fired a blast of energy and blasted his energy leg off!

Me: You will have to face me Kai!

Ruby Rose: (shoots Rinshi with Crescent Rose) Oh crap. What do we do?!

Takanuva got an idea

Takanuva: Everyone in the audience! Lend the Den O team your strength! They get stronger with your support! When I give the signal, share your energy with the Den O Team! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Den O team. And soon, Ryotaro found the strength to get up.

Ryotaro: Sorry, Kai. But you're not killing me and Momotaros that easily!

Ryotaro then grabbed a Rinshi and slammed it into the ground.

Ryotaro: Thanks for the help everyone.

Momataros: I knew we had some fans!

Ryutaros: I actually never knew that at all.

Urataros: We probably have a lot of fans from all over time.

Kintaros: That's a possibility.

Yuto: Deneb, I hope you're ready for the biggest battle ever.

Takanuva: Trust me. This one is ONE of the biggest battles ever.

Kyd Wykkyd: It sure is going to be one.

Me: Now it's time for us to destroy you fuckwads forever!

I went Super Angel Xelnaga Infinity!

Me: (Divine Echoing Cosmic Elemental Voice of Hope and Friendship) You bastards are going to pay for all of your crimes.

Nico: You mess with the timeline (GOES SUPER SAIYAN 5) YOU MESS WITH US!

Takanuva: May I transform with you guys.

Casey: Go right ahead, Takanuva.

Jungle Fury Rangers: Jungle Beast! Spirit Unleashed!

Ryotaro reveals a belt with what looks like a rail intersection symbol on a crystal background on the front, with red, blue, yellow, and purple buttons on the sides, four strange weapon components and a pass with the same symbol on it. He places the belt on as Momotaros phases into him, causing a red streak to appear in his hair as he presses the red button on the belt as some brief jingle starts to play.

Ryotaro: Henshin!

As his battle cry is made known, Ryotaro scans the pass against the symbol, causing the crystal background to turn red.

Den-O Belt: Sword Form!

As this happens, a black and silver suit forms on Den-O, with a rail track down the center and across the helmet, which become essential as red armor parts fly onto those tracks to settle into place, forming a red chest armor and an eye-piece that resembles a peach mixed with a blade. Once the armor settles into place, Den-O assembles the four components to create a red bladed sword.

Yuto: Henshin!

Yuto quickly places his card into the slot on his belt, causing a little disc in the center to rotate a green line slightly upwards, forming what looks like an "A".

Zeronos Belt: Altair Form!

Zeronos is clad in nearly the same armor as Ryotaro, save with gold tracks instead of silver, as green armor forms, finished off by two bull heads riding the tracks on his face and settling into a visor while he assembles a giant sword from the two parts on his belt.

The Jungle Fury Rangers transformed too!

Casey: "With the strength of the Tiger! Jungle Fury Red Ranger!"

Lily: "With the speed of the Cheetah! Jungle Fury Yellow Ranger!"

Theo: "With the stealth of the Jaguar! Jungle Fury Blue Ranger!"

Nico: YEAH!

Lincoln: You really think you can get away with your crimes against history, Negataros? I don't think so, because we've learned a valuable lesson, by altering history, you're messing with the timeline, and in the process, you'll make things extremely worse. There have been times when we wished that we could go back in time to prevent the horrible events that happened in our lives, but we can't. The only thing we can do is move forward and learn from our mistakes, so that it doesn't happen again.

Me: That's telling 'em, big guy!

Nico: YEAH!

Lincoln: But, you, Negataros, you haven't learned. You've committed so many crimes against history and across the Space Time Continuum, and your crimes have finally caught up to you, Kamen Rider Gaoh, Kai, and Death Imagin, and now, you four monsters are about to pay a very terrible price for all of your crimes against history. I may say May God have mercy on your souls, but as we've found out, you all have none, and there's only one fate that awaits you: death, and you will all pay for your crimes… in blood!

The Den-O Kamen Riders and all of us cheered wildly, and that really made the blood of Kamen Rider Negatoaros, Kamen Rider Gaoh, Kai, and Death Imagin really boil.

Nico: AW YEAH, THAT'S TELLING 'EM!

Takanuva: You said it, Nico, and I've had it up to hear with you four monsters to last an eternity.

Suddenly, Takanuva's yellow eyes turned neon yellow, and he was surrounded by a white energy aura with lights and phoenixes, and as he approached Kamen Rider Negatoaros, Kamen Rider Gaoh, Kai, and Death Imagin, he left white energy, lights, and phoenixes with every step.

Takanuva: You four really make me sick, Kamen Rider Negatoaros, Kamen Rider Gaoh, Kai, and Death Imagin, all of your crimes against history and the Space Time Continuum and constantly antagonizing the Den-O Kamen Riders has gone on for far too long, and as the Toa Mata of Light, I refuse to let you all live a single second further, you will pay for hurting my brothers and sisters.

Suddenly, Takanuva was surrounded by a massive vortex of white energy with light and phoenixes, there was a Toa Mata and a phoenix flying around the vortex, and in the vortex is a gold phoenix. Then, as the vortex faded, Takanuva emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Takanuva grew to 7'0" in height, he had abnormally massive and powerful upper and lower body muscles and eight-pack abs, tanned skin and silver-colored chin hair, he has long silver hair going down to the bottom of his neck with gold highlights in the bangs of his hair, he has neon gold eyes and a white energy aura with lights, Light Toa, and phoenixes surrounding him, he has a Toa Mata of Light with the Light Kanji in its hands emblazoned on his forehead, he has phoenix earrings with gold gems for eyes and the Light Kanji in its claws, and he has on his Crystal Necklace of The Buddha with white crystal links and a phoenix with gold gems for eyes and holding the Light Kanji in its claws for the pendant on his bare chest, and tattooed on Takanuva's now wider and more muscular back is a phoenix and a Toa Mata of Light, and they're surrounded by light. Suddenly, Takanuva felt a sharp pain on his now wider and more muscular back, and then, massive white angel wings with gold tips on the feathers, sprouted out of his now wider and more muscular back. Takanuva has on a pair of large silver pants with lights on the legs, white ankle-high leather combat boots, large white weighted bands with silver phoenixes on his massive biceps and thighs, and orbiting around his legs are eight large gold orbs.

Suddenly, Takanuva's massive Destroyer of The Bohrok-Kal sword was suddenly surrounded by a massive kaleidoscope of white energy with lights, Light Toa, and phoenixes, and it also merged with his weapons, and when it emerged, it's transformed into Takanuva's Light Toa Greatsword of Celestial Flaming Justice, it's a brand-new large greatsword with the symbol of the Light Toa and the symbol of the anti-Bohrok-Kal etched on the massive 7'0" massive, wide, double-edged white blade, white Light Toa heads for the crossguard, large gold gem embedded in the rainguard, longer black handle, and massive gold gem with surrounding angel wings for the pommel. Takanuva has on his new large gold cuff Bracelets of the Champions of The Universe with white gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Light Toa head with gold gems for eyes and a large white gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his right hip and Eater of Sins revolver holstered on his left hip, and a Ring of the Phoenix with large white gem with heart-shaped gem in the center on his right ring finger and White Lantern Corps ring on his left ring finger, and there's a gold kanji below the Light Toa and phoenix that said, "Takanuva, Toa Mata of Light, Brother and Teammate of Tahu, Vakama, Onewa, Whenua, Matau, Nokama, Nuju, Pohatu, Onua, Lewa, Gali, and Kopaka, Loving Brother of The Den-O Kamen Riders and Many, Destroyer of Tetridax and The Bohrok-Kal, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Light Toa, and Phoenixes"

Takanuva has transformed into SUPER ANGEL INFINITY SOLAR STORM TOA MATA ANGEL OF SOLAR JUSTICE AND BROTHERHOOD LIFE!

We were amazed by Takanuva's Super Angel Infinity transformation, but when Kamen Rider Negatoaros, Kamen Rider Gaoh, Kai, and Death Imagin saw it, they flew into a demonic rage and tried to kill him, but Takanuva fired four powerful blast of white energy with bright lights, Light Toa, and phoenixes, and it hit Kamen Rider Negatoaros, Kamen Rider Gaoh, Kai, and Death Imagin and it really burned them all bad.

Yuto: Let me say this to start: We are fairly strong!

Dark turned into Timedoom.

Timedoom: Here's your warning: Your ass is about to be kicked!

Ryotaro: We always start at the cllmax. So let's end this already!

Me: IT'S BUTTKICKING TIME!

Nico: You 4 are hereby sentenced to death!

Crag: Come on guys!

Ripping Friends, May, Lincoln, Luna and Lynn: IT'S RIPPING TIME!

Tuddrussell: YEAH! GET SOME!

We went at the Rinshi and smashed them all over.

Ryotaro was surrounded by Rinshi. But that's when Momotaros took over.

Momotaros: I… HAVE ARRIVED! (slashes the Rinshi)

He slashed them all into dust!

I then fired a massive shockwave of energy and blew them all away with incredible power!

Theo Martin: Call to the Beast inside! Unleash the Jaguar!

Ryutaros: Hey, can we defeat you? Can't hear you!

They slashed and punched and pounced numerous Rinshi all over the place.

Me: Now for this! (Activates the Glitter Force's Ridewatch)

I got an awesome elemental Glitter Sword!

Me: WHOA!

Nico: That is cool!

Emily (GF): That is amazing J.D.!

Kelsey (GF): Yeah it is!

Me: Lets see what it can do! UNLEASH THE DAZZLE!

I fired a massive blast of elemental and rainbow glitter from the sword and it hit the Rinshi, Kai, Negataros and Death Imagin and exploded all over the place! Massive fiery and powerful explosions went off all over!

Nora: (smashes Rinshi with Magnhild) I'M QUEEN OF THE CASTLE! I'M QUEEN OF THE CASTLE!

Nico: (LAUGHS) I had a feeling Nora was gonna do that!

Urataros: May we reel you in?

Urataros smashed and pulverized numerous Rinshi.

Eli fired waves of Force Lightning and electrocuted them all over!

Kintaros: Our strength has made you cry, wipe your tears with this! (takes out large tissue)

Xuan Chi: You know the Rinshi can't cry, right?

Kintaros: They can't? Oh. Darn.

Me: Here's something new I learned.

I pulled out Po Kong's Ridewatch and jumped into the air.

Me: I call this… (Activate's Ridewatch) The Mountain Demon Belly Flop!

I grew to massive sumo wrestler size and then fell onto a bunch of Rinshi with a massive and incredible thunderous crash!

KRASSSSMAAAAAAAAAAAAAAAAAASSSSSSSSSSHHHHH!

Blood and guts splattered all over the place from my huge girth!

Nico: EEEEEEEEEEEEEWWWWWW!

Nora: Po Kong would be proud J.D.!

Me: But that was fun though!

Emerald Sustrai: Which should I use? A Zeronos ticket? Or a Rider Ticket?

Nico: Up to you.

She activated Firefly's Ride Ticket and fired a blast of fire and it incinerated numerous Rinshi!

Razar charged at several Rinshi.

He slashed them all over the place.

Nico: Yeah!

I got up.

Me: That was awesome. Now for this one. (Activates Nergals Ridewatch) Time to feel the burn of pizza!

I grew numerous black tentacles and grabbed numerous Rinshi and electrocuted them with intense voltage!

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPP

Ed: Zappity Zap Zap!

Rogon punched a Rinshi.

SMASH!

He blasted him down.

Me: Try this one on! Seriously! (Activates Motor Ed's Ridewatch)

I got a really awesome Motorcycle!

Me: Want to Ride with me Johnny?

Ghost Rider: You bet I do.

We got ready.

(GHOST RIDERS IN THE SKY BY SPIDERBAIT PLAYS)

Me and Ghost Rider: LETS RIDE!

Johnny turned into Ghost Rider and we went at them and punched and incinerated them all over the place with incredible fire.

Death Imagin: How can you fools hope to defeat death itself?

Momotaros: Simple. By spitting in its face!

Grim: (Jamaican Accent) And you are no Grim Reaper mon!

Grim bursted into a pillar of fire and then grew.

Grim: (Demonic Voice) I AM THE GRIM REAPER! (MALEVOLENT LAUGHTER) ARE YOU READY TO MEET YOUR DOOM?

Death Imagin then pooped out all his organs in fear at the sight of him and then exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Jake: Save some for us!

Me: Wouldn't dream of leaving you guys out.

Megaforce Rangers: LEGENDARY RANGER MODE! TIME FORCE!

They turned into the Time Force Rangers!

Nico: YEAH!

We were facing Kai, Gaoh and Negataros!

Jungle Fury Rangers: Jungle Master Mode!

Casey: Strike Rider Cruise!

Yuto: Time to go Zero form!

Ryotaro: And Liner form too!

With that, Ryotaro opens his red phone phone and places it on the face of the Den-O Belt, causing the phone to sprout horns while sending a golden track out the back, rounding up Momotaros, Urataros, Kintaros, and Ryutaros, transporting them back to the DenLiner and leaving a sword with each of their visors on the base and a pull cord handle on the bottom and a golden blade with a slot out the back.

Ryotaro: Here we go!

Yuto: (Pulls out red card) Agreed.

With that, Yuto reactivates the switch on his Belt, and places the red card in the slot

Zeronos Belt: Charge and Up!

While this goes on, Ryotaro places the pass he's scanned this whole time into the back of the giant sword

DenKamen Sword: Liner Form!

Now the two begin transformation into their final forms. Yuto's green and silver armor turns red and gold while Deneb, who is still here, transforms into a massive gattling gun while Ryotaro is hit by some sort of illusory version of the Den-Liner, breaking his black armor into a red and white suit with a chestpiece resembling the headlights on the train. And as it concludes, a visor similar to the Sword Form one forms across his head, only with gold, blue, and violet pieces flaring off the back while what looks like an electric train's wire hook takes it's place atop his head.

Deneb: (As he becomes a gattling gun) Denebick Buster!

Nico: YEAH!

Me: Now to bring out the heavy firepower!

Negataros: You won't beat me yet.

He then got his belt ready.

Negataros: HENSHIN!

He turned into KAMEN RIDER NEGATAROS!

Nico: Oh no.

Me: This is gonna be good.

Eli: Lets get him!

We punched and pulverized him all over the place.

Wamma and Olkiex blasted and smashed the villains all over.

Me: It's over Negataros!

Nico: Don't even think of growing giant, Kai. You've lost. (Kai starts laughing) What's so funny?

Kai: You thought I was going to grow giant.

Negataros: (laughs as well) Kai's not going to grow giant. I am!

Negataros then indeed grows giant.

Nico: OH FUCK!

Me: Well then.

I slashed Kai and beheaded him!

Me: Time for the trains to fight back!

The Jungle Fury Rangers summoned their zords and the DenLiner and train zords flew around him.

Jungle Fury Rangers: Jungle Pride Megazord!

Neith (Smite): I knew there's no mistaking that voice from anywhere. You can come out now, Cabrakhan.

Suddenly, the ground opened up and a massive green-skinned figure came out and he was dressed in Mayan clothes and carrying two shields, it was none other than Cabrakan from Smite.

Nico: Whoa, that's Cabrakhan?! He's huge!

Neith (Smite): Should've known you'd show up here, Cabrakhan.

Takanuva: And now, we're going to put a stop to you once and for all, and close my special mission.

Suddenly, Takanuva's yellow eyes turned neon yellow, and he was surrounded by a white energy aura with lights and phoenixes, he unholstered his massive Takanuva's Light Toa Greatsword of Celestial Flaming Justice from his wider and more muscular back, and as he approached Cabrakhan, he left white energy, lights, and phoenixes with every step.

Takanuva: Cabrakhan, you have caused far too much trouble with the natural disasters that you have caused with your earthquakes, and now, I will see to it that you receive your divine punishment for the trouble you've caused.

Suddenly, Takanuva was surrounded by a massive vortex of white energy with light and phoenixes, there was a Toa Mata and a phoenix flying around the vortex, and in the vortex is a gold phoenix. Then, as the vortex faded, Takanuva emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Takanuva grew from 7'0" 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger and he still retains his eight-pack abs, tanned skin and silver-colored chin hair, he has long silver hair going down to the bottom of his neck with gold highlights in the bangs of his hair, he has neon gold eyes and a white energy aura with white lights, Light Toa, and phoenixes surrounding him, he has a Toa Mata of Light with the Light Kanji in its hands emblazoned on his forehead, he has phoenix earrings with gold gems for eyes and the Light and Eternity Kanji in its claws, and he has on his Crystal Necklace of The Buddha with white crystal links and a phoenix with gold gems for eyes and holding the Light and Eternity Kanjis in its claws for the pendant on his bare chest, and tattooed on Takanuva's now wider and more muscular back is a phoenix and a Toa Mata of Light, and they're surrounded by light. Takanuva has transformed into SUPER ANGEL ETERNITY INFINITY SOLAR STORM TOA MATA ANGEL OF SOLAR JUSTICE AND BROTHERHOOD LIFE!

We were amazed by Takanuva's Super Angel Eternity Infinity transformation, but when Cabrakan saw it, he tried to smash his shields onto the ground to bury Takanuva, but he fired a powerful blast of white energy with bright lights, Light Toa, and phoenixes, and it hit Cabrakan, and blinded him.

Nico: Whoa, Takanuva's transformed into his Super Angel Eternity Infinity form, awesome!

Me: And he blinded Cabrakan with that energy blast he fired, nice one.

Lincoln: This is going to be one awesome battle to close out his special mission.

Tahu: That's right, Lincoln. Takanuva, how do you feel, brother?

Takanuva: (Divine Echoing Cosmic Voice of The Solar Storm Toa and Brotherhood Celestial Life) I feel really incredible, Tahu, and now, it's high time for me to take care of Cabrakan once and for all.

Takanuva went after Cabrakan, and he fired powerful blasts of white and gold energy, light, Light Toa, and Phoenixes, and they exploded with incredible power as they hit him. Then, Takanuva attacked the Destroyer of Mountains with his new massive broadsword and really left nasty scars on him, and that caused Cabrakan to drop his large shields, and then, Takanuva fired a powerful blast of energy right at Cabrakan, and it exploded with incredible power, killing him, and as soon as his spirit appeared, Takanuva marked his forehead with a kanji and sent him to The Black Gates, where he was erased for good. We cheered wildly for what Takanuva did as he holstered his massive large broadsword on his now wider and more muscular back and powered down, and Takanuva's new body, clothes, weapons, jewelry, and massive white angel wings are permanent. We then ran up to Takanuva and we hugged.

Nico: Takanuva, that was one awesome battle you waged against Cabrakan, and you sent him right to The Black Gates for good.

Takanuva: Thanks, Nico.

Ryotaro: And Lincoln, that was one awesome speech you gave towards Negataros and his other cronies.

Lincoln: Thanks, Ryotaro, and I really wanted to say something like that to one of the main villains of the Kamen Riders series.

Nico: But, you really hit the mark when you said that to Kamen Rider Negataros, Kamen Rider Gaoh, Kai, and Death Imagin, big guy.

Me: Yeah.

Lincoln: I sure did, and what they've done can never be forgiven, and I can say this: Kamen Rider Negataros, Kamen Rider Gaoh, Kai, and Death Imagin, you four have failed the entire Space Time Continuum!

Nico: Now, that's how I really want to close Takanuva's special mission, saying those very words to those four bastards! Awesome!

Me: You said it.

Woz: Rejoice! Another of the Kamen Rider Villains has fallen! And Team Loud Phoenix Storm have claimed their newest Rider Allies, Kamen Riders Den-O and Zeronos. May their alliance last until the end of all timelines!

Unicorn: Kai and Negataros won't be threatening timelines anytime soon.

Me: Neither will Death Imagin or Gaoh.

Killer Shrike: Those Quiz items Nico and the others got today really came in handy.

Nico: They sure did.

Captain Cold: (to Snake) You and your friends helped too, Snake.

Snake: Damn right we did.

Me: We owe you big time Snake.

Quiet: And it was awesome helping you all.

Brunhilde Ildsverd: I'm really gonna love it here with you guys.

Holly Volvenstein: So will me and my sisters.

Mirror Master: You girls won't regret it.

Me: It's awesome.

Loki: This battle was just as awesome as the one against Evil Lynn!

Nico: Lets head home and celebrate at Lynn's Table for some grub.

Our stomachs growled.

Me: Worked up one helluva appetite.

Sheila (D&D): We sure did.

Ryutaros: No kidding. I'm starving.

Ryotaro: Me too. (To the viewers) This was an awesome adventure. Hope you all liked it.

Me: We all did.

Nico: Yep. Great job today everyone. Lets go home.

We went home and had a great meal at Lynn's Table and we then enjoyed the rest of the day before going to sleep. Number 3 of the Kamen Rider Adventures was done.

Walking through a massively huge and incredible cave deep in the Amazon Rainforest was Nico, The Ripping Friends, Zhuqiaomon, The 1983 D&D Gang, Daring Do, The Glitter Force, Grace Lorelai the Water Girl Gene-Slammer, Lizzie Strong the Great Blue Windrunner Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there for an awesome and amazing treasure hunt.

Me: Wow! (Echoing) This cave is amazing.

Kia: Wow it sure is.

Emily (GF): It's incredible. It must've taken eons to form this cave

Lola: It sure did and this is amazing.

Kaoruko: It sure is.

Himiko: I have a feeling this treasure is gonna be worth finding.

Grace Lorelai: I have that same feeling too.

Nico: Same here.

Zhuqiaomon: This cave is a majestic world of wonder and amazement.

Eli: It sure is.

Nico: Thanks for coming with me, Zhuqiaomon.

Zhuqiaomon: It's always a pleasure Nico.

Me: It's gonna be awesome having the Sovereign Digimon of the South with us.

Nicole: It sure is.

Nico: Remember when Simone met us?

Zhuqiaomon: I sure do. She looked so much like a mirror version of me.

Qin: That was so awesome to see. We saw this shadow attacking the estate and scaring us.

Nico: Yep.

Me: But that Shadow was really the shadow of an old rich man that died recently.

Kaoruko: Really? That's crazy.

Camie: Yeah it sure was. I heard about that from Simone. That was amazing.

Daring Do: That was really awesome though. And it was amazing that they all helped that shadow become the shadow of a real star.

Eli: Which I thought was really cool.

Xenia: That was awesome back then.

Nico: (laughs) And you thought she was your reflection!

Zhuqiaomon: (embarrassed) Can't I admire myself in a mirror?!

Qin: I didn't think that Sovereign Digimon were worried about their looks too.

Nico: Yeah but that's okay.

Camie: How did the Digimon Sovereign come into being?

Nico: That is an interesting story. It's based on the 4 Guardians of the Cardinal Points.

Nico went over the history of the 5 most powerful Digimon ever known to the Digital World.

---

The Digimon Sovereigns (四聖獣 Shiseijū?, lit. "Four Holy Beasts"), also known as the "Harmonious Ones" and the "Four Sovereign Digimon", are a group of four Mega-level Holy Beast Digimon that are derived from the Japanese myth of the Four Guardian Spirits of Kyoto, itself derived from the Chinese myth of the Four Symbols. Like the Guardian Spirits, they represent and rule over the cardinal points of the compass - Ebonwumon for the north, Zhuqiaomon for the south, Azulongmon for the east, and Baihumon for the west. They are led by Huanglongmon, who represents and is enshrined in the "Center", from which it supervises the others. In turn, each of the four main Sovereigns has three Deva as subordinates.

Due to Lucemon, Huanglongmon was sealed in the deepest, darkest place within the earth. This caused the Sovereigns to lose their rule and struggle for hegemony, but an equilibrium was established that is still maintained. The Sovereigns have reigned over and protected the Digital World since the age of myth, and have passed into legend as beings which are extremely difficult to track down. They are difficult to overthrow with the power of ordinary Mega Digimon, as their power is set as the highest authority among other Digimon, with strength that is said to be the epitome of gods. Unlike normal Digimon which only have one DigiCore per body, each of the Sovereigns has twelve DigiCores which float outside their body and channel their immortality and tremendous power. Except for Huanglongmon, who has eight, each of the Sovereigns also has four red, shining eyes.

While the Chinese names for the guardian spirits were used for the Digimon themselves, as well as in Digimon World 3 for the four cities at the cardinal points of the map of the Amaterasu Server, their Japanese names were used for the respective four cities of the Asuka Server.

---

When he was finished we were amazed.

Lola: Wow!

Qin: That's incredible.

Me: It sure is. And they are also named after the Guardians of the Cardinal Points. Genbu the Black Tortoise of the North, Byakko the White Tiger of the West, Suzaku the Vermillion Bird of the South, Seiryu the Azure Dragon of The East and Huanglong the Yellow Dragon of the Center.

Nico: That's right.

Fu: And coincidentally the 4 Saint Beasts are all named after the 4 Guardians except for Huanglong.

Laney: That's right and I also heard that Yolei learned all about the 4 Guardian Beasts.

Nico: That's right she sure did.

Eli: She was over in Kyoto from what I heard when that happened.

Nico: That's right and it was during the struggles we had with BlackWarGreymon.

Me: We'll have to hear about it in full detail when we get back.

Varie: That's a good idea.

Nico: Yesterday was awesome! (Echoes)

Me: Boy it sure was. Now we have 3 Kamen Rider teams with us.

Rainbow Dash: And next week on the 28th is the 4th one.

Kaito: Yeah and that Kiva next right?

Brittney: That's right Kaito and Stella of the Winx Club is excited for that one.

Lucy Loud: So are all the Goths of Darkness.

Lola: This is gonna be a good one.

Nico: We're going to be killing TONS of Fangires in that one.

Me: Yeah.

Nico: I didn't expect Ryotaro to make Shadow Clones.

Fu: I didn't either. He must've learned how to do shinobi techniques like that on the fly.

Nicole: And using a technique of that magnitude like the Shadow Clone Jutsu takes up a huge amount of chakra.

Lana: And Ryotaro isn't even a shinobi. I wonder how he's able to do that.

Me: That is a really good question.

Eli: Yeah. But I sense that he was learning how to use Chakra somehow.

Me: Yeah.

Nicole: Well we'll figure it out soon. But we're going to be really busy with these awesome treasure hunts I have planned for these 6 days till we go meet the Kiva Kamen Riders. I found 18 maps in our attic that will lead to many great treasures for us.

Grace Lorelai: Cool! (Echoes)

Lizzie Strong: What's the first treasure we're going to find?

Nicole: It's called the Staff of Ixazalvoh.

Nico: The Goddess of Water in Mayan Myth.

Nicole: That's right. And legends say that this very cave goes right underneath the Atlantic Ocean. To a hidden temple miles under the crust of the earth.

Nico: I hope it doesn't get too hot.

Nicole: Oh it's not. Legends say that the temple is in a huge room right under the ocean floor.

Eli: Wow.

Nicole: And we'll do 3 Treasure Expeditions a day. 1 on Nico's Rescue's, a second one during the Bonding Time and the 3rd one as the main mission.

Me: I like it.

Daring Do: And it's also gonna be perfect for getting inspiration for my next saga of books.

Zhuqiaomon: We're looking forward to reading them.

Rainbow Dash: And so am I. It's gonna be awesome.

Eli: It sure will be.

Nico: It's a good thing that the timeline was still intact from our trip to the past.

Me: Thank goodness. And that the Den-O Riders 4 major enemies are all dead and given the black gates.

Zhuqiaomon: That's for sure.

Lincoln: I just want to say that none of us made a trip to the past first this time.

Nico: We know. Kai did because he knew that we would never try to mess with the timeline after so many refusals.

Me: That is true. But it's good we didn't kill Crocker back then. Sure he gave us tons of headaches in the past but the one thing we would never do is kill a kid like that. Especially if that kid is Crocker. It goes against our code.

Eli: That's true.

Lincoln: I wonder what happened to Crocker after we were there?

Nico: We can always check without endangering the timeline.

Me: Okay.

Lisa Loud: And you'll be happy to know that I fixed the Magic Neurolizer.

Me: That's good.

Lisa Loud: It just needed a new wire and I modified it to make sure no insanity is induced.

Eli: That's a big relief.

Zhuqiaomon: Yes it most certainly is.

Lola: Yes.

Nico: Take Grace over here. She was raped, but if that didn't happen, her kids wouldn't have been born.

Me: That still makes me infuriated. But yes I agree there.

Lincoln: Yeah those jerks really ruined her.

Emily and the Glitter Force put their hands on her shoulders.

Emily (GF): You have our absolute sympathies for what happened to you Grace.

Kelsey (GF): Yeah that was awful you went through all that.

Grace Lorelai: Thank you girls.

Nicole: We should be just about there.

We saw a light up ahead and it was glowing aqua blue.

We went into a huge cave room and we saw that we were RIGHT UNDERNEATH THE OCEAN!

Eli: WOW! (Echoing)

Qin: Incredible!

Me: This is amazing.

I looked up where we were. We were at coordinates 1.22248° S, 39.40656° W. We were located 100 miles north northeast of Sao Luis in northeastern Brazil. And we were a mile under the surface of the ocean!

Nico: This is so cool!

Nicole: Yeah it sure is! And there's the temple.

We saw the temple.

Rarity: Oh my! The Water Skylanders would absolutely love seeing this.

Me: Boy they sure would.

Rainbow Dash: This is so awesome!

Nicole: It sure is. An underwater temple is just as awesome as a temple in the jungle.

Me: Yeah it sure is.

Zhuqiaomon: It sure is amazing.

We went into the temple.

Nico: Let's watch out for traps.

Nicole: We know the drill.

April (GF): But this is amazing that all this is down here.

Chloe (GF): It sure is.

We looked around and on a wall we saw a mural.

Nico: Wow look at this mural.

Eli: Wonder what it says.

Nicole: Lets see.

We looked it over.

Nicole: Wow this is amazing. It says "Long ago the evil Pirate Lord, Captain Nathaniel Florrence, came and unleashed his horrible crew of pirates plundering the villages of the Mayan Lands. None of our brave warriors could stop his nefarious and merciless crew, as they stole all our treasure and offerings to the Gods. The king of our land made a pact with the Goddess of Water, Ixazalvoh, and the king was given a mighty and powerful staff imbued with the powers of the mighty goddess herself. With this power he used the powers of the seas to destroy Captain Florrence and put a terrible curse on him and his crew. And imprison them deep in a trench in the deepest parts of the sea where they will stay forever. News of Captain Florrence's defeat reached pirate nations all over the ocean and fearing that the staff would be used for evil the king asked the goddess Ixazalvoh to hid the staff in this very temple where only one soul pure of heart can wield it."

Nico: Whoa!

Me: That is incredible.

Eli: Wow!

Nicole: I've heard about Captain Florrence. He was the most ruthless pirate ever to terrorize the oceans and legends say that he had a treasure that was so powerful in wealth and value that he hid it on an uncharted island far from here.

Nico: That's incredible.

Nicole: Yep. But that is a treasure hunt we'll do another time.

Nico: Yep. Lets go find that staff.

Nico: We'll come back to this mural.

Laney: Yeah it's a story that belongs in a museum.

Nico: I agree.

We went to find the staff and in a room where waterfalls were flowing and there were pools full of fish we saw on an alter the Staff of Ixazalvoh! It was a sapphire crystal staff and it had jewels on it and it was a beautiful staff that had the powers of the oceans in it.

Nico: There it is.

Nicole: Wow! At long last we found it! The Staff of Ixazalvoh.

Eli: It's magnificent.

Camie: Beautiful.

Nico: Who wants to pull it out?

Grace Lorelai: I will.

Grace went up to the staff and then she grabbed it and pulled it out and then it glowed in a powerful aqua blue light!

(ESCAFLOWNE (FOX KIDS VERSION) THEME SONG EXTENDED VERSION PLAYS)

She was enveloped in a powerful vortex of water and Grace underwent a powerful and awesome transformation! Her power was rising incredibly fast at an accelerated rate. She had aqua blue water angel wings grow from her back and when the vortex faded she emerged forever changed! She was now far more powerful than ever! She was THE ETERNAL CHAMPION OF IXAZALVOH!

Lincoln: Oh wow! Grace you look awesome!

Me: Incredible!

Qin: Wow! Grace how do you feel?

Grace Lorelai: (Divine Echoing Cosmic Voice of Water and Love) **I feel amazing everyone. But I have a feeling that this power is just the beginning.**

Eli: I have a feeling too. (Senses Something) Oh no. We've got company!

Nico: Get ready.

We heard walking.

Nico: All right show yourselves!

3 figures came out and they were 3 enemies that we thought we would NEVER See again! They were the rapists that raped and impregnated Grace!

We gasped in shock!

Grace was shaking in fear!

Justin Qinsley: So you have Grace with you all. I should introduce myself. I'm Justin Qinsley and these are my associates Kirk Hudson and Vance Armstrong.

Kirk Hudson: Pleasure.

Vance Armstrong: Same here.

Me: Wait Justin are you by any chance related to…

Justin Qinsley: That's right. I believe you met my little sister Dorothea. She was turned into a Phyrexian Ingester from what I heard from behind prison walls.

Me: I didn't know Dorothea had a brother, let alone a ruthless rapist to boot!

Nico: She never talked about you much because of everything you've done in the past!

Vance Armstrong: Yeah boss we were never told about your sister

Dorothea.

Justin Qinsley: She and I never got along at all.

Nico: And for good reason!

Justin Qinsley: Yes. I should explain. You see, me and my sister have always hated each other ever since she was five. My sister wanted to be a good person and I have always been sort of a rebel. From Age 10 on up I have always had a very nasty and terrible disposition and I have been getting in trouble from the very start. I am mostly known as the Gentleman Bandit because I have quite a charm on people. But alas I have grown into a rapist. I am not entirely ruthless. I'm just misunderstood.

Nico: I can tell. But you still hurt Lincoln's future wife and caused her so much pain!

Lincoln: Yeah! You hurt Grace mentally and physically!

Grace then walked up to them.

Grace Lorelai: **And I'm not going to let you hurt me anymore!**

Nico: YEAH!

Grace Lorelai: **Those rapists are going to pay for raping me. Lincoln avenged my honor when he killed Damien Carter, but the other rapists are also going to suffer the same fate.**

Suddenly, something within Grace Lorelai's mind snapped as memories of the day she was raped by Damien Carter and his goons rushed through her head, and her blue eyes turned neon blue, and she was surrounded by an ocean blue energy aura with ocean waves, sea creatures, and mermaids, she had both her new water sword and her massive Water Lady-themed sword in both hands, and as she approached the rapists, she left ocean blue energy, ocean waves, sea creatures, and mermaids with every step.

Grace Lorelai: **It was bad enough that Damien Carter raped me long ago, but it got worse when all of you joined in as well. (Suddenly Getting Pissed Off) And because of what you did,**

**you raped me and got me pregnant, and in the process… , YOU TOOK AWAY MY HONOR AND MY DIGNITY, AND NOW, I WILL SEE TO IT THAT ALL OF YOU WILL SHARE THE SAME FATE AS THAT MONSTER, DAMIEN CARTER FOR EVERYTHING THAT YOU ALSO DID TO ME!**

We gasped at the sheer rage that Grace Lorelai had at the rapists.

Lincoln: Oh man, as if what Damien Carter did wasn't bad enough, but he also had his friends join in as well. Now, they're really going to pay for what they did, all of them!

Nico: Yep. HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover, and then, Grace Lorelai screamed like a madwoman and then…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy blasted out and she was surrounded by a massive vortex of ocean blue energy with water and ocean waves surrounding it, there are sea creatures swimming around the vortex, and in the vortex is a sea foam green phoenix. Then, as the vortex faded, Grace Lorelai emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Grace Lorelai grew from 6'5" to 6'11" in height, she has the body of a goddess, she has ocean blue highlights in the bangs of her short neck-length sea foam green hair with flower in her hair, she has neon ocean blue eyes and a ocean blue energy aura with ocean waves, sea creatures, and mermaids surrounding her, she has Water Lady with the Water Kanji in her hands emblazoned on her forehead, she has on mermaid earrings with ocean blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has Water Lady with ocean blue gems for eyes and the Water and Eternity Kanjis in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with ocean blue crystal links from her merged Crystal Necklace of the Buddha and ocean gems on the gold lightning bolts with sea foam mermaid-shaped Element of Harmony, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Grace Lorelai has on a sleeveless blue midriff top, short blue skirt, sandals, and long sleeveless ocean blue trenchcoat with ocean waves, sea creatures, and mermaids on the coattails, and on the back is Water Lady with ocean waves surrounding it. Suddenly, Grace Lorelai felt a sharp pain on her back, and then, her massive sea foam green angel wings grew much bigger for her new body, and the large sea foam green feathers have ocean blue tips on the feathers. Grace Lorelai has on a Ring of The Phoenix with sea foam green gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Grace Lorelai's new water sword, massive Water Lady-themed large sword, and all of the swords she'd gotten throughout the treasure battles began merging together and they're surrounded by a kaleidoscope of ocean blue energy, water, and sea creatures, and when it emerged, it was transformed into Water Lady's Oceanic Broadsword of Maelstrom Justice, it's a brand-new large broadsword with Water Lady etched on the 7'0" massive, wide, double-edged ocean blue blade, large fish heads for the crossguard, large ocean blue gem embedded in the rainguard, longer ocean blue with fish-scale designed handle, four large fish heads with ocean blue gems for eyes and in the open mouths and on the bottom of the four fish heads is a large ocean blue gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with ocean blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Water Lady with ocean blue gems for eyes and a large ocean blue gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sea foam green kanji below Water Kanji that said, "Grace Lorelai, Loving Mother of Newborn Nanua Lorelai, Gene-Slammer of Water Lady, Member of The Neptune Crusaders, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water and Sea Creatures"

Grace Lorelai has transformed into SUPER ANGEL ETERNITY INFINITY OCEANIC MAELSTROM WATER GIRL ANGEL OF OCEANIC JUSTICE AND DIVINE OCEAN WAVE LOVE!

We were amazed by Grace Lorelai's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when the rapists saw her, they went even more mad with hate and tried to kill her, but Grace Lorelai fired a wave of water and soaked them.

Lincoln: Wow, Grace, you look beautiful. How do you feel?

Grace Lorelai: (Divine Echoing Cosmic Voice of The Maelstrom Hydrostorm Lady and Divine Oceanic Love) **I feel incredible, Linky. Now, shall we destroy those rapists and send them to The Black Gates?**

Lincoln: (Smiles) With pleasure, Grace.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Grace Lorelai.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's make those goons pay, while the others are dealing with Another Battle Japan.**

Grace Lorelai and Lincoln went after the rapists, and they fired powerful blasts of rainbow energy, ocean blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Mermaids, Sea Creatures, and Angels at the rapists, and they exploded with incredible power as they hit them.

Kaito: (gets out Flashman gear) I don't care if you're a Gentleman Bandit or not.

Zocks: (gets out Changeman gear) You're still going down!

Kaito got a sword for Flashman and Zocks got a Changeman Sword.

Me: Even if you are a Gentleman Bandit you still defiled a poor innocent girl!

Lola: YEAH!

Zhuqiaomon: And that is something we cannot forgive!

Qin: YEAH!

Zhuqiaomon: (Echoing) PHOENIX FIRE!

He fired a blast of fire from his mouth and they jumped and dodged the blast.

Me: Try this on! MARA POWER!

I flared up a Pitch Black Aura in the shape of a Mara from Slavic Myth and it was imbued with Shade's powers and I fired a blast of darkness and it hit the three men and entombed them in a ball of darkness.

Grace Lorelai: **This is for the hell you put me through! NIXIE POWER!**

She flared up an Aqua Blue Aura in the shape of a Nixie, the Siren from Norwegian Myth and it was imbued with the powers of Hila of Xebel and she sang a divine tune and fired a blast of water and light and it hit the men and trapped them in an eternal dream curse forever! Lincoln and Grace Lorelai holstered their massive broadswords on their backs and power down, and Grace Lorelai's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Grace Lorelai: **Now, I'm finally rid of the last traces of Damien Carter and his goons. Thank you for helping me get rid of those rapists, Linky.**

Lincoln: (Smiles Warmly) You're welcome, Grace.

Suddenly, Grace Lorelai wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Grace Lorelai's face, they kissed passionately as Grace Lorelai's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and a herd of Buffalo running across the field, along with elemental forces and sea creatures and ocean waves crashing and Water Lady rising from the ocean behind them.

Nico: WHOA!

Me: Wow! Grace that was incredible!

Grace Lorelai: It was.

Eli: I sense that the Another Ranger is coming too!

Me: Stand ready!

We saw that it was ANOTHER BATTLE JAPAN! It was a scary version of Battle Japan from Battle Fever J! It had a skull helment and a torn up flag of Japan on the chest..

Me: Whoa! Another Battle Japan! This is 1979's Sentai Series.

Nico: Yeah! If Masao Den saw this he would be pissed!

Zocks: This is a disgrace to Japan in general!

Nico: I agree there!

Me: Yeah! Okay you Battle Japan knockoff! Who are you!?

Another Battle Japan: (In a girls voice) (Crying) You remember me J.D.?

Me: Huh? That voice!

Nico: And is she crying?

She reverted back and knelt to the ground and we saw that it was a blue hair girl with dark blue clothes and she had dark blue angel wings and she was crying hard.

Me: (GASP) Umi Tachikawa!

I went over and hugged her as she was crying.

Umi: J.D. (CRYING HARD)

Me: It's okay Umi. It's okay.

Nico: What happened to her?

Me: Umi here has a very dark past. It's as dark as Megan Kiraton's.

Eli: Oh man. What happened?

Me: (Sighs) Her evil father killed her mother and 2 brothers and constantly beat her up bad.

We gasped in shock and horror!

Nico: THAT'S HORRIBLE!

Me: Yeah. I sent him to prison and they executed him for capital murder.

She cried hard into my chest.

Me: Umi it's gonna be all right.

I comforted her. Seeing her cry like this made my heart hurt and ache.

Juran: J.D., I'm sorry. But You have to move away from her right now.

Nico: Juran this is a very serious matter. At least let him comfort her for a few more minutes. She's in a very fragile state.

Eli: He's right. Look at her.

She was crying loudly and I was comforting her as she was wailing.

Juran: Man she is really broken.

Qin: No kidding there.

Carol: She is really broken on the inside.

Varie: She is really damaged.

Magine: Poor girl. I can't believe her own father would do this to her.

Zocks: What a heartless bastard.

She was really wailing hard into my chest.

Me: Umi it's okay. It's okay.

Zhuqiaomon: She is really hurting inside. I haven't seen anyone this broken since the time the true enemy was destroying everything.

Lola: That was awful.

Zhuqiaomon: It reminds me of the trauma Jeri went through.

Camie: That was awful.

Emily (GF): That was awful.

Nico: YEah.

I had Umi look at me.

Me: Umi I'm sorry but I'm afraid we got to save you from this power.

Umi Tachikawa: (Crying) Swartz promised me that I would get my mom and brothers back if I came down here. But he lied to me.

Me: I know Umi. I know. I'm sorry. But we got to save you from this power now.

Umi Tachikawa: (Crying) Okay.

She got back and was enveloped in a swirl of darkness and turned back into Another Battle Japan!

Nico: Swartz had to really be creative here!

Me: He sure did! That is genius. Got to give him some form of credit on that.

Zhuqiaomon: That's for sure.

Grace Lorelai: I agree there.

?: That is for sure!

Then 5 figures appeared and they were the MTG Elemental Incarnations! They were Fury, Subtlety, Endurace, Solitude and Grief!

Nico: Wow!

Me: The Elemental Incarnations!

Fury: (In a girls voice) Awesome to see you Nico.

Nico: The Guntherton Sisters!? Wow!

They reverted back and we saw that they were five girls.

Fiona Guntherton - Fury,

Saline Guntherton - Subtlety,

Bertha Guntherton - Endurance,

Hailey Guntherton - Solitude,

Emma Guntherton - Grief.

I noticed that Emma was always crying.

Qin: Awesome to see you girls again!

Emma Guntherton: (Crying) You too Qin.

Qin: Oh Emma.

She hugged Emma.

Qin: It'll be all right. I'm here.

Me: Why is Emma crying?

Qin: Long story on that. We'll explain after the battle.

Nico: Okay.

Fiona Guntherton: We'll finish this one.

Saline Guntherton: Yeah!

They fired waves of elements and the blast hit Another Battle Japan and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Umi was back to normal and I caught the Ridewatch and purified it and then energies flew into us and we got the powers of the Battle Fever Auras.

I went over to Umi and hugged her and she resumed crying.

Me: It's all right Umi. But you need to have your family back. (SNAPS FINGERS)

I snapped my fingers and then a massive flash of light shined down and the divine singing of angels was heard and then 3 figures came and they were Umi's mother Felicia and her brothers Joey and Wendall.

Umi: (Gasp) Mom? Joey, Wendall?

Felicia: Hello Umi.

Joey: Hey sis!

Wendall: We're back.

Umi: MOM BROS!

She hugged them and cried hard.

Nico: Oh that is so awesome.

Umi: I'm Sorry! (CRYING) I'm sorry I wasn't strong to protect you!

Felicia: It's all right Umi.

Wendall: But at least you're all right. J.D. it's awesome to see you again.

Me: It's been a long time Wendall and you too Joey and Mrs. Tachikawa you're looking awesome.

Felicia: Same to you J.D. My goodness you have grown so much from that little boy I remember.

Me: 12 years have passed since then.

Qin hugged Emma who was crying still.

Maria: Looks like another of us is still crying.

Qin: Emma lost her best friend that loved her like a sister, Laura to cancer.

Maria: Oh no. That's awful.

Nico: I remember hearing about that. It was a very bad cancer and the doctors couldn't do anything. It was terminal.

Qin: Yeah.

Eli: That's awful.

Nico: Yeah. This was a very interesting rescue.

Me: It sure was.

Umi Tachikawa: (crying) J.D. thank you! You are a true friend and you have given me my family back.

Me: It was my pleasure.

Emily (GF): That's J.D.

Camie: He is a true god.

Zhuqiaomon: He is. (To Fiona Guntherton) What are your favorite memories of Nico?

Fiona Guntherton: We have a lot of them. But they revolve around us taking down evil bullies and queen bee mean girls.

Saline Gunterton: We exposed numerous girls that were nothing but trouble to the Principal and got them expelled and disowned and banished from the country.

Hailey Guntherton: They had it coming too. And we forced them to pay billions in damages.

Bertha Guntherton: It sure was.

Nico: Yep.

Nico hugged them and Emma.

Nico: I've really missed you girls.

Guntherton Sisters: We missed you too Nico.

Me: Lets go get that mural and head home.

Nico: Agreed.

We did so and went home.

Nico: And all your other enemies, Spyro.

Crash Bandicoot: But, just like the rest of your enemies, Gaul and his massive horde of apes are all going to get The Black Gates.

Me: Yeah.

Lincoln: You got that right, guys. And thanks for coming with us, Ebonwumon.

Ebonwumon: You're welcome, Lincoln.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Gaul, the Ape King, and he's going to kill them, and he also has his massive army of apes.

Lincoln: Guys, we need to get over there and fast, I found the six girls, but they've been cornered by Gaul, the Ape King, and he's going to kill them, and he also has his massive army of apes.

?: (Chinese Accent) Let's put an end to those damn, dirty, powerhungry, vengeful apes.

Suddenly, we saw the Duel Monster, Ally of Justice Decisive Armor, appear before us.

Nico: Whoa, that's Ally of Justice - Decisive Armor, awesome.

Lincoln: And I'd recognize that Chinese Accent, I knew it was you, Sonnya Zhèngyìkuījiǎ, but we'll talk later, let's put an end to that monster, Gaul, and his army for good.

We then rushed on over and Lincoln fired powerful rainbow energy balls and elemental forces at Gaul, and it allowed the six girls to get away. When Gaul saw us, he was enraged, especially when he saw Spyro.

Gaul the Ape King: You little twerp, I will make you pay for what you did to me!

Spyro: You brought that on yourself, Gaul, and now, we're going to make sure you never rise again.

Lincoln: Yeah! Let's get them!

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Now, to end this. STARDUST DIVINER!

Lincoln fired a ball of rainbow energy and it hits Gaul, and it exploded with incredible power, killing him and it sent him to The Black Gates. Then, we saw all of Gaul's ape hordes dying one by one and their spirits were also sent to The Black Gates, and they and their leader were erased forever. We all cheered wildly as we holster our weapons and powered down.

Lincoln: That's it for that greedy monster, Gaul, and his ape hordes. (To Sonnya Zhèngyìkuījiǎ) And it's so good to see you again, Sonnya Zhèngyìkuījiǎ.

Sonnya Zhèngyìkuījiǎ reverted back to normal, and she's a beautiful girl with long flowing pink hair, blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful blonde angel wings, and she reigned in the power of Ally of Justice Decisive Armor, and she's dressed in a beautiful rose pink dress and rose pink shoes, and long sleeveless pink trenchcoat with darkness and armor on the coattails, and Ally of Justice Decisive Armor on the back, and holstered on her back a large Ally of Justice Decisive Armor-themed greatsword with Ally of Justice Decisive Armor etched on the 7'0" massive, wide, double-edged pink blade, red angel wings for the crossguard, large rose pink gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Sonnya Zhèngyìkuījiǎ : (Chinese Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Sonnya Zhèngyìkuījiǎ and they hugged, and Sonnya Zhèngyìkuījiǎ's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were only twelve, and as you can see, I really grew a lot since then.

Sonnya Zhèngyìkuījiǎ : (Chinese Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sonnya Zhèngyìkuījiǎ, she's my Guardian Angel from China and my classmate in Art, and like me, she happens to be a fan of Ace Savvy. She made herself a costume which is called Armored 7, and her last name, Zhèngyìkuījiǎ, means Justice Armor in Chinese.

Me: Whoa.

Lincoln: You said it, and Nicole, you're going to like this part, Sonnya's a big time lover of video games, and she and I have beaten Battletoads on the NES.

Nicole: (Gasps) That's one of the most difficult games to date, and you both beat it, that's awesome!

Lincoln: Thanks, Nicole, and as you see, I also made Sonnya a beautiful rose pink dress with rose pink shoes.

Rarity: Wow, that's really beautiful, Linky.

Lincoln: Thanks, Rarity. Plus, there's a reason why Lola's not with us: it's because Sonnya really hates Lola with a burning passion.

We gasped in shock.

Nico: Oh man, I wonder what she did to earn Sonnya's wrath?

Lincoln: Trust me, you're not going to like it one bit.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Sonnya Zhèngyìkuījiǎ's neck with rose pink gems on the gold thunderbolt links and rose pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Sonnya Zhèngyìkuījiǎ : (Chinese Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sonnya.

Sonnya Zhèngyìkuījiǎ had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Sonnya Zhèngyìkuījiǎ's waist and Sonnya Zhèngyìkuījiǎ wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Sonnya Zhèngyìkuījiǎ's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Akiho Senomiya, Junna Daitoku, Kona Furugoori, Mizuka Irei, Misaki Senomiya, and Nae Tennouji from Robotics: Notes.

Lincoln: Oh wow, it's Akiho Senomiya, Junna Daitoku, Kona Furugoori, Mizuka Irei, Misaki Senomiya, and Nae Tennouji from Robotics: Notes.

Nico: Awesome.

Lincoln: Are you girls okay?

Akiho Senomiya: Yes, we're okay, thanks to you.

Then, when Akiho Senomiya and the other five girls saw who it was that saved them from Gaul, the Ape King and his massive hordes of apes, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Akiho Senomiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Akiho Senomiya: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and

handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Akiho Senomiya, Junna Daitoku, Kona Furugoori, Mizuka Irei, Misaki Senomiya, and Nae Tennouji with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Gaul, the Ape King, who came back from the dead to get revenge on Spyro for killing him.

But, when Lincoln showed what he did in killing Gaul, the Ape King and his massive hordes of apes with a Stardust Diviner attack, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sonnya Zhèngyìkuījiǎ have a lot of catching up to do, now that she's back in town, and when Lola saw Sonnya here, her face turned pale while Sonnya glared at her.

Sonnya Zhèngyìkuījiǎ: (Chinese Accent) Lola, what you did to Lincoln long ago is something I can't forget, but I'll look past it now that you've been freed from that demonic monster.

Lola breathed a sigh of relief.

Bertha Sellington: Oh boy.

Nico: Yep, we're in for one heck of a tale later today.

---

After destroying Gaul and his ape hordes, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sonnya Zhèngyìkuījiǎ saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sonnya Zhèngyìkuījiǎ: (Chinese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Zhèngyìkuījiǎ: (Chinese Accent) That's incredible.

Nico: It sure is. So, Sonnya, what's the story of the hatred you have for Lola?

Sonnya Zhèngyìkuījiǎ: (Chinese Accent) That's something I haven't forgotten. One day, Lincoln was making the beautiful rose pink dress and rose pink shoes for me as a gift, and he had the help of his sister, Leni, to get my measurements. But, then, we heard the front door slam open and I thought it was Lynn or Lori who was in a bad mood again and I was ready to beat them down if they so much as try to hurt Lincoln, but when Leni's door got kicked open, we saw who it was that did this: it was Lola Loud, the bad tempered pink-wearing pageant demon, and her eyes were completely red and she had a psychotic grin on her face, and then, she did something that earned her my hatred: she slashed the dress and shoes that Lincoln made for me with a pair of scissors she had in her hand, and she was laughing like an extremely cruel demon, and Leni was busy comforting Lincoln. But, what Lola did just now, I became so extremely furious, I then pounced on Lola and started beating her up badly, and I even broke her tiara and it really set her off. She tried to stab me with the scissors, but Lincoln fired a blast of dark energy and trapped her inside the sphere of darkness, and we told Mr. and Mrs. Loud of what Lola did, and they were furious. Lola got grounded for ten months, and she was kept in the sphere of darkness Lincoln made and in an isolation cube in her room. Lincoln and Leni remade the dress and shoes, and they were perfect, but because of what Lola did, she earned nothing more than my burning passionate hatred for her.

We gasped in shock.

Me: Whoa, so because Lola ruined the dress and shoes Lincoln worked hard to make for you, that's what caused your burning hatred for her.

Lori: That's right, she literally ruined something Lincoln worked really hard on, and all to satiate her delight for causing misery and suffering, which is why I'm glad Lincoln trapped her in that sphere of darkness, and she forgot that he has powers thanks to the blood of Aurora Nightingale, Varya Pohzar, Adriana Ardelean Dracula, and Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra, the thirteen half-elemental angels.

Nico: Yep, and she made a big mistake in trying to kill one of Lincoln's Guardian Angels.

Lincoln: That's right, my Guardian Angels defended me from bullies and Lori, Lynn, Lola, Lisa, and Luan, I'm now doing the same for them as well.

We got a shower afterwards, and then, Lincoln and his harem are heading to Sirena Beach in the world of Mario, and Tigerlily is also coming too, and they got word she hooked up with someone.

Lincoln snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in the large orange swim shorts with stars, constellations, Thunderbird, Phoenix, Angel, Buffalo, and elemental forces that Kuēsā gave him, large orange sandals, jewelry, and weapons holstered, in case of trouble.

And his harem were dressed in the two-piece bikinis with stars and constellations in their favorite colors that Kuēsā gave them, jewelry, colored sandals, and their weapons holstered in case of trouble, and

Tigerlily was dressed in a black two-piece bikini and black sandals.

Lincoln: Alright, ladies, are we ready?

Girl Jordan: We're ready, Linky.

Lincoln and his harem left the World Tree Estate and they arrived at Sirena Beach.

Lincoln: Ah, Sirena Beach, it's still as amazing as ever.

Bridget Branley: You said it.

Yuna Kamihara: And I heard you hooked up with someone, Tigerlily, who's the man you hooked up with?

Tigerlily: He should be coming… right… now.

Suddenly, a blue column of light appeared with the Giant Nazca Line, and when it fades, in its place is Kalin Kessler, dressed in black beach trunks with the Giant Nazca Line. This caused the jaws of Lincoln and his harem to open wide.

Lincoln: What?!

Yuna Kamihara: No way, the man you hooked up with is…

Lincoln and his harem: Kalin Kessler, The Dark Signer of The Giant?!

Girl Jordan: Okay, we want answers: when did you guys hook up?

Tigerlily: Oh yesterday at Lynn's Table.

Kalin: Yeah, we had a conversation and then, it escalated to us forming a romantic relationship.

Lincoln: Which means Yuna's getting you as her cousin when you guys marry in the future.

Paige: And same with you too, Linky. Alright, let's dive in!

Lincoln, his harem, Tigerlily, and Kalin dived right into the waters and they began swimming in the waters, and they also saw the sea creatures and plants that live there. Then, they also were working on their tans in the sun by lying out on towels in the sand, and they also had fun playing some volleyball, and the girls in Lincoln's harem and Tigerlily also got an atomic blush when they saw Lincoln and Kalin lift up the heaviest barbells he conjured up and it weighed up 900,000,000 pounds, and that's just a fraction of just how strong Lincoln and Kalin have become and they're still becoming, then, they had lunch in a picnic area here and it was really amazing. Then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and Kalin went up to Tigerlily, and he wrapped his arms around Tigerlily's waist, and the girls in Lincoln's harem wrapped their arms around the thick muscular necks of Lincoln and his clones, and Tigerlily wrapped her arms around Kalin's neck, and they shared an amazing and passionate super-charged kiss. Then, they came back home to the World Tree Estate, and back in their original clothes.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Sirena Beach, and you guys are in for a surprise. Okay, Tigerlily, you can come in now.

Tigerlily came in, and we saw that she and Kalin Kessler are together, and this caused our jaws to drop in surprise. Lincoln explained that she and Kalin got together at Lynn's Table yesterday, and now, they're in a romantic relationship and we cheered for them.

---

Lupin: I don't mind that we're on a treasure hunt. These are pretty much my thing.

Nicole: I had a feeling you would be excited for this Lupin. Well the Sword of Mahuika is said to be inside the magma chamber of the extinct volcano of Mount Buninyong.

Nico: In Victoria, Australia! Wow!

Nicole: Yep. This will be awesome.

Maria: How are you feeling, Emma?

Emma Guntherton: (Sniffles) I'll never be over my grief for the loss of Laura.

Qin: She took her death really hard Maria.

Nico: Yeah it was really bad.

Lupin: Were you glad to have your wedding on the big day, Sheila?

Sheila Loud: You bet I was Lupin.

Fujiko Mine: That was an awesome day though.

Lincoln: Yeah it sure was awesome.

We went into a cave and it was dark and scary.

Nico: Creepy cave.

Shaggy: (Cowardly Whimpering) I hate creepy and scary caves!

Nico: So, Ryotaro, how do you like it here with us?

Ryotaro: I'm loving it guys.

Nico: Awesome.

Lola: That is cool.

Sarah (EENE): Smells like my brothers feet in here.

Qin: It's the smell of sulfur.

Nicole: But this volcano has been dead for millions of years.

Momotaros: I know what'll make you laugh, Emma. Eli, please bonk my head.

Eli: Okay.

WHAM!

Eli bashed him on the head with a frying pan!

Momotaros: OW!

Nico: I think this will be better.

Me: Yep.

Out came the Three Stooges!

Three Stooges: (In Acapella) HELLO HELLO HELLO!

Nico: Yep.

Moe Howard: So a girl needs cheering up. Well why is she so down?

Curly Howard: She is down? We're up here.

SLAP!

Curly got slapped by Moe.

Moe Howard: She's sad you nitwit.

Me: And we're trying to cheer her up.

HONK BONK BOP!

I honked Moe's nose, bonked him on the head and bopped him on the face.

Moe: OH! WHY YOU!?

HONK CRUNCH BOOF BONK BOP SLAP SLAP BONK!

He honked my nose, twisted my ears, hit me on the stomach and my head and face and slapped me twice and bonked me on the head again.

Moe: See that?

I slapped his fist and he swung it and I ducked and hit Larry!

BONK!

Moe: WHY YOU!

He grabbed me in a headlock!

BONK BONK BONK BONK BONK BONK!

He bopped me on the head 6 times.

Then Emma started laughing hard!

Me: Now for the fun part.

Murray: Ever see someone put their whole fist in their mouth?

Murray put his whole fist into his mouth and then Emma was laughing hysterically!

Poromon: Feel better now?

Emma Guntherton: (LAUGHING HYSTERICALLY) YOU BET I AM! (LAUGHS)

I pulled Murray's fist out!

POP! POW!

Murray accidentally punched Larry Fine and knocked him stupid.

BIRDS TWEETING AND CUCKOO CLOCK!

Larry was out cold!

Murray: That was funny though.

Nico: Emma, Laura will always be in your heart as long as you keep smiling.

Emma Guntherton: You're right. Thanks guys. I needed a lot of cheering up.

Moe Howard: Aw happy to help kid.

Nico: But that was a really funny act.

Maria: It really hurt my heart hearing two people cry so bad.

Nico: Yeah no kidding,

Me: That was heart-wrenching.

Lola: It sure was.

Poliwag: I think we're getting close.

Nicole: We should be there.

We arrived at The Magma Chamber. It looked like a hollow cave.

Me: Wow.

Nico: A Dead Magma Chamber. Amazing.

Lola: It sure is amazing.

Nico: Everyone, be on guard.

We nodded.

We then saw in the middle of a huge rock plateau a sword sticking in the middle of it. The blade looked like a sword of lava and fire.

Nicole: There it is! The Sword of Mahuika.

Nico: Wow it's amazing.

Qin: It sure is something.

Sheila Loud: This is amazing to see.

Nico: Who wants to pull it out?

Catherine Windsor: (British Accent) I'll have a shot at it.

Nico: Okay.

She went over to the sword and then she pulled it out and then glowed and was enveloped in a massive fire vortex and she was imbued with it's incredible power!

Qin: WHOA!

Me: AWESOME!

Lincoln: Wow! Catherine how do you feel?

Catherine Windsor: Amazing Lincoln.

Nico: (Hear's moaning) And just in time too.

A figure came out and it was ANOTHER CHALIC! It looked like a scary version of Kamen Rider Chalice!

Me: Another Chalice! Whoa!

Nico: Mind telling me who you are?

Another Chalice: (Chinese Accent) I think you should know Chan!

Qin and Nico recognized that voice!

Nico: Not this douchebag again!

He reverted back and it was Qin's ex-boyfriend XIN FA!

Nico: Xin Fa!

Me: I had a feeling you would one day return.

Qin: I can't believe that you would stoop this low to become Another Rider!

Xin Fu: You coming with me now!

Qin: NO!

Kaito: So, he's Qin's ex boyfriend?

Nico: Yep. He was a control freak and more.

Nico told everyone all about him and what he did and it was awful.

Maria: He gave Qin that horrible scar on her too.

Qin: It's true.

Chris Taylor: I'm Qin's boyfriend now, asshole!

Xin Fu: NO! Qin has me and me only! Because I say so! It's part of my honor!

Nico: Screw your honor!

Maria: Your honor is what you say it is!

Nico: And now it's your doom!

Qin: Big time!

Qin went Super Angel Eternity Infinity.

Nivo: And you'e going to suffer!

Maria: (gets out M.O.E. Cannon) Let's get more faces in here! (TURNS DIAL) SKY FURY FORCE!

She summoned Kite Man, Hsi Wu, Roxy Rocket and Bobo the Vulture!

Nico: Now we're talking!

Chris Taylor: CAPTAIN AMERICA, D SMASH!

He summoned Captain America!

Nico: Yeah!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Hsi Wu: Time for us to put this monster down.

Xin Fa was enveloped in darkness and he turned into ANOTHER CHALICE!

Disk Wars Cap: Shield Throw!

He threw his shield and it hit him!

SMASH!

Me: Time to fight Volcanoes with Volcanoes! (Activates Yost's Molten Man Ridewatch)

I flared up a massively intense fire aura!

Emily (GF): Wow!

Eli: Way to go bro!

Qin: Yeah!

I threw fire blasts and they hit Another Chalice and he exploded all over.

Another Chalice approached Qin but Chris blocked his path.

Chris Taylor: STAY THE FUCK AWAY FROM HER! (punches him)

POW!

Me: Yeah you give boyfriends everywhere a bad name!

Emma Guntherton: And he gives people that love a really bad name too!

Fiona Guntherton: I agree there!

They fired waves of fire and darkness and blasted him all over.

Nico: YEAH!

Another Chalice then pulled out a Wild Slasher and it was infused with the powers of Weddinmon!

Marie Hernandez: Oh man! He has Non-Core M.O.E. Imbued Wild Slashers!

Me: Nice!

He fired an energy blast and I fired a wave of blue fire and the blasts collided and exploded!

MASSIVE EXPLOSION!

Nico: And he's got Rouse Cards with said powers too!

Me: Now we're talking! (Activates Millipede Pete's Ridewatch)

I grew 8 more sets of arms and I had mallets all over.

Nico: YEAH!

Me: Time to bash your skull in!

I jumped and smashed and bashed him all over the place and then he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to normal and I caught the ridewatch he had and purified it.

We saw Rouse Cards and Wild Slashers all over the ground and picked them up.

Xin Fa: (Groans) You won! Kill me in the name of honor.

I then slapped the cuffs on him.

Sheila Loud: Nah you aren't worth it.

He was arrested and sent to the Neptune Cryoprison for eternity.

Later we were watching a Magic Show.

Tussle Sprout: So, we're seeing a magic show?

Poromon: Yeah we are.

Poliwag: Here we go.

POOF!

Appearing on the show was an awesome Magician Team. They were THE 4 HORSEMEN!

Me: Oh wow! I remember the 4 Horsemen.

Nico: From that awesome movie Now You See Me.

Me: Yep. They were known as the Robin Hood Magicians. So awesome.

Shroomboom: I like your movie!

Henley Reeves: Why thank you very much. We're honored.

J. Daniel Atlas: Now we will perform an act so amazing.

But little did we know that there was a burglary in progress. The target was the huge BLUE NEBULA ANGEL DIAMOND!

Me: (Whispers to Nico) But it is so awesome. They pull off bank heists and robberies right underneath peoples noses and no one knows what happens to all the money. And the money just suddenly appears in everyones hands.

Nico: (Whispers to me) That is so awesome. They are like Robin Hood Magicians.

Me: Yep.

But then they were going to do an amazing trick with a blue diamond. But when they were about to reveal where it went, IT WAS GONE!

Energon Scorponok: What the fuck's going on here?

Eli: (Senses something) UP THERE!

We saw the thief! He was about to make an escape. But then something hit him and he fell to the ground.

I went over and took off his mask.

Me: (GASP) I don't believe it! I've been after this guy for years! It's Harold Valencia the World's most notorious Jewel Thief.

I slapped energy cuffs on him and took back the diamond.

Sheila Loud: Wow! Good job.

Fortress Maximus: I didn't see this coming.

Me: Yeah.

Nico: But lets see here.

I grabbed him by his legs and shook him and then MILLIONS OF DIAMONDS AND JEWELS FELL OUT OF HIM.

Me: NUMEROUS jewels and diamonds from countless museums all over the world!

Sheila Loud: Holy mackerel that's a lot of pieces of ice.

Nico: Many jewels that went missing for years!

Qin: Wow!

Sheila: INTERPOL and the FBI are going to be having a bunch of Field Days hearing about this.

Henley Reeves: Wow no kidding! That was incredible!

Scavenger: Would you guys like to join the team?

Henley Reeves: I'm sorry but we've got many more shows and performances to put on.

Me: Well if you are available, (Gives them a card) we're always more than willing to have you all with us. It's always open.

J. Daniel Atlas: Thank you so much. You all have been a great audience. This is The 4 Horsemen MAKING A RIDE INTO THE HORIZON!

They then flew off and it was awesome!

Nico: NOW THAT was an awesome performance!

Me: At least they aren't armed robbers. Besides, catching Harold Valencia was more than enough for the cops.

Nico: Yep. Now it's time for our next mission.

Nicole: And that is gonna be an awesome treasure hunt.

Then Captain Cold, Mummy, Shendu, Hsi Wu, Trap Jaw, Beast Man, Unicorn, Killer Shrike, Mirror Master and Loki then appeared.

Captain Cold: Can me, Mummy, Shendu, Hsi Wu, Trap Jaw, Beast Man, Unicorn, Killer Shrike, Mirror Master and Loki go with you guys?

Nico: Yes you all can. We're going on another awesome treasure hunt.

Killer Shrike: Cool!

Nicole: Yep. This time the treasure is in FernGully.

Laney: Wow! What are we going after this time?

Nicole: You'll like this one. It's for the legendary Staff of Eingana.

Bella Huffington: (Australian Accent) Now that one is gonna be a find worth remembering mates!

Valon: (Australian Accent) Yeah it'll be awesome mates!

Nico: Yeah it will!

Kabuto: Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm hoping to meet one for a Conflagration Ooze this time.

Me: Ooh you want an infernal one this time.

Nico: Yep.

Eli: Nice.

Qin: That is gonna be awesome.

Lola: Yep.

Loki: I bet the treasure will be just as big as the Auchnacree Hoard.

Nicole: Oh it will be. Lets head on out.

Qin: Yeah!

Daring Do: ONWARD TO ADVENTURE!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than The Black Knight, the titular central antagonist in Sonic and the Black Knight, and he's come back from the dead to get revenge on Sonic. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Sonic, Merlina, you two aren't going to like it: the dark energy signal I sensed belongs to The Black Knight, and he's come back from the dead to get revenge on

you, Sonic, and you too, Merlina.

We gasped in shock.

Sonic: The Black Knight's come back?! I thought we'd never have to see him again.

Merlina the Wizard: Same here.

Kuēsā Sutādoragon: (Japanese Accent) That heartless monster, there's no way I'm going to allow that tyrant to live any longer.

Lincoln: You're right, Kuēsā, which is why when he shows up, he's going to get The Black Gates and this time, he'll never come back.

Nico: A battle against the fallen Knight and King of Camelot that Sonic knows?!

Eli: This'll be a battle between warrior knights of Heaven and the fallen knight of Hell, but only one will prevail.

Nico: You got that right, Eli. Alright, gang, let's go, we've got a treasure to find.

We were off to Australia!

* * *

We arrived in FernGully.

Laney: Wow!

Nico: FernGully's doing magnificently.

Crysta: It's good to be home again.

Laney: It sure looks incredible.

Gravity Man: I'm glad you and Umi aren't crying anymore, Emma.

Emma Guntherton: Me too Gravity Man.

Captain Cold then put his han on her shoulder.

Captain Cold: Emma I completely understand how you and Umi feel. Me and my sister both went through the same level of abuse went through the same level of abuse Umi went through and for you Emma, I know how hard it is to lose a loved one.

Emma Guntherton: Really? Oh man.

Captain Cold: Yes. It was a nightmare.

Umi Tachikawa: That is awful.

Qin: Yeah. But Leonard's so-called dad is now in prison forever.

Nico: That's for sure.

Mimi Tachikawa: Yeah. By the way Umi we have the same last name. Are we by any chance?

Umi Tachikawa: I don't really know Mimi.

Me: Hmm. Lisa might know.

Lisa pulled out some of Umi's hair.

POINK!

Umi Tachikawa: OUCH!

Lisa Loud: Apologies. Just need a DNA Sample.

Unicorn: It's funny you should mention Leonard's father. (laughs) He was first brought up on the day some of the others thought Lisa was a robot!

Lisa Loud: That was a very crazy day.

Lisa analyzed Umi and Mimi's hair and it compared it and they were actually cousins. Mimi's mother's sister is actually Felicia Tachikawa.

Lisa Loud: Wow! Umi, you and Mimi are definitely cousins in biological conjectures. Your mother is the biological sister of Mimi's mother Satoe Tachikawa.

Nico: Wow that is interesting!

Mimi Tachikawa: Wow! My lost cousin is back!

They hugged!

Leozack: Mimi, I bet your dad wasn't like Umi's!

Mimi Tachikawa: No he wasn't but I've heard so much about my evil uncle! He was a really bad man.

Nico: I think that's an understatement.

Me: But at least he is gone for good.

Umi Tachikawa: It sure is.

Felicia Tachikawa: I think it's amazing. And Mimi I've heard so much about your adventures in the Digital World. You've grown into an amazing young woman.

Mimi Tachikawa: Thanks Aunt Felicia.

Lillymon: She has grown into a great partner too.

Qin: That she has.

Hsi Wu: How about I fly in the air to find where the treasure is?

Nicole: The treasure is located in a temple deep in the jungle. It'll be covered by trees and plants.

Hsi Wu: I see.

We walked on and it was a beautiful jungle.

Nicole: Wow this is incredible.

Crysta: I've never been to this part of FernGully before.

Qin: None of us have.

Laney: I remember when I was in FernGully the first time.

Camie: When was that?

Me: That was an adventure from back in the old days of the team.

I went over what happened during the events of chapter 47.

Laney was in the Simulator doing an exercise.

Me Varie and Lisa were in the control room.

The Simulator activated and Laney found herself in a beautiful Tropical Rainforest.

Laney: I know this rainforest. I'm in FernGully. This was one of my favorite movies.

Laney walked around the forest and she saw a blue light coming towards her. It was a tiny blue light no bigger than the size of her pointer finger.

Laney held out her hand and it landed and the light was really a fairy.

Laney: Wow. A fairy. Crysta?

Crysta: Yes. How did you know my name?

Laney: I guessed.

Crysta: Are you really a human?

Laney: I sure am. But I also have powers.

Crysta: What kind of powers?

Laney: Plant powers.

Laney held out her hand and some tiny blades of grass became fully grown trees.

Crysta: That's amazing!

Laney: Yeah.

Crysta: You have a name?

Laney: My name is Laney.

Crysta: It's a pleasure. Have you ever been in FernGully?

Laney: No this is my first time.

Crysta: I was gonna see what it was like above the canopy.

Laney: Lets go together.

Laney and Crysta flew above the Canopy of the rainforest and saw a magnificent marvel. The forest went on for miles and they both saw smoke near a mountain.

Laney: I know that mountain. That's Mount Warning. FernGully is located in Australia.

Crysta: What's Australia?

Laney: It's where we are now. But that smoke is not supposed to be there.

Crysta: What's smoke?

Laney: It's bad air that comes from different things.

Crysta: Like what?

Laney: There are lots of things we have built, Crysta. That could be a fire though.

Crysta: Fire?

Laney: Yeah. We might as well check out where that smoke is coming from.

Crysta: Yeah.

Laney and Crysta then flew to the outskirts of the forest and into a grassland. They saw the smoke up ahead and went into a grove of trees and they had red X's on them.

Laney swiped one of them with her finger.

Laney: It's red paint.

Crysta: What's paint?

Laney: It's what we use to make good pictures.

Laney and Crysta saw red X's on most of the trees and knew what was going on.

Laney: Oh no.

Crysta: What is it?

Laney: This is a clear cutting area.

Crysta: What's clear cutting?

Laney: It's where we cut down an entire area of trees.

Crysta: That's terrible.

Laney: Yeah. It's one of the biggest ecological disasters on the planet.

Crysta: What can we do?

Laney: These trees have been here for a while.

Laney puts her hand on a tree and it glows neon red.

Laney: They're all in a lot of pain. Not just from pollution but from the dust of time.

Crysta: Can't you do something?

Laney: I could grow new ones in their place. But I don't think I've ever tried that before.

?: Hey what are you doing here?

Laney saw a tall man with blond hair, blue shirt and blue jeans.

Crysta hid in Laney's scarf.

Laney: Oh I'm sorry. I saw smoke coming from here and I thought a fire was burning.

Zak: No there's no fire here. My name is Zak by the way.

Laney: Laney. It's a pleasure to meet you. What are you guys cutting down these trees for?

Zak: It's just for a logging company. I came up here for a Summer job.

Laney: Oh I see. I was just concerned that's all. I thought a fire was burning.

Zak: No problem.

Laney then saw a tree about to fall on top of Zak.

Laney: Zak, look out!

Crysta had to act fast and she shrinks Zak to her size and Laney jumps out of the way and she grabs Zak and Crysta and flys back to FernGully.

Laney: Crysta, are you alright?

Crysta: Yes.

They arrive back in FernGully and Zak wakes up.

Zak: What happened?

Laney: Zak, Crysta here unintentionally shrank you.

Zak: Shrank.

He looked at Laney and saw that she was right.

Zak: [Screams] What happened to me? I'm only three inches tall!

Laney: Like I said. She shrank you.

Crysta: Yeah.

Laney: This was totally unintentional. But a tree was about to crush you and she had to think fast.

Zak: I see. Thank you both for saving me.

Crysta: Yes. But Magi Lune will fix you.

Laney: Good idea.

Laney, Crysta and Zak went to find Magi. But she was away from her tree and they had to wait. What they don't know however is that the machine that cut down the tree, The Leveler, cut down the tree that imprisoned Hexxus, the Spirit of Pollution and Destruction and released him. Hexxus took control of the Leveler and is now on his way to Fern Gully.

---

The next day, Laney felt a major disturbance.

Laney: Crysta, Zak, I sense an evil force heading our way.

Crysta: What is it?

Laney: I don't know.

Zak saw a tree losing leaves and the water was turning brown.

Laney saw this too.

Laney: Oil. That machine is coming.

Zak: It's the Leveler.

Laney: I can feel it. We got to warn everyone.

Laney, Crysta and Zak went to the center of FernGully and told everyone what's happening.

Magi then appeared.

Magi: The humans have released Hexxus.

Laney: Hexxus? Oh no. Magi, Let me help you all out.

Magi: Of course. Gather everyone in the circle.

Laney, Crysta, Zak and the fairies went to Magi's tree

Magi: Laney. Sit in the center of the tree and meditate.

Laney: Okay.

Laney did so and Magi made a speech.

Magi: Since the beginning of time, we have been the guardians and the healers of the forest. We have too long forgotten the Magic Powers of Nature. The time has come to call on them again.

Magi picks up a seed from a fig pod.

Magi: Remember: All the magic of creation exists within a single tiny seed.

The seed glowed and a choir singing and the rumble of thunder was heard. All the trees started glowing and green energy from all of the forest was pouring in to the tree and flowing into Magi and the tree twisted around and closed.

Laney was in a state of total concentration as all of Natures Life Energy flowed into Magi.

Crysta flew to Magi.

Magi: Look for the hero inside yourself Crysta. Look to the good and loving heart in you and all others. For just as every seed holds the power and magic of creation, so to do you and every other creature in this world. Laney, Protect Crysta and all my family with your life.

Crysta: Magi don't leave me.

Magi: I love you. [Echoing] I'll always be with you.

Magi turned into blue energy sparkles.

Magi: We all have a power and it grows when it is shared.

Remember what you've learned Crysta.

Magi dispersed and all her power touched everyone. A Blue Sparkle landed on Laney's forehead and a green leaf appeared in the middle.

Laney: I… I understand Magi and I will protect everyone.

Zak realized that life is far too precious to everything plant, animal or human and he decided to stop destroying the environment and help protect, conserve and make it grow and last forever.

The tree unwound.

Crysta: Oh Magi.

Laney got up and Machinery Whirring was heard.

Laney: It's here!

Everyone saw on top of the Leveler a ghostly smoke creature. It was HEXXUS!

Hexxus: [Evil Laugh] I'm back!

Crysta: Hexxus!

Laney stood in front of the Leveler.

Ralph: Hey Tone. What's that little girl doing?

Tony: I don't know.

Laney put her hands on the ground and a huge tree lifted the Leveler off the ground and made it immobile.

Laney: My powers have gotten stronger.

Tony and Ralph didn't know that they weren't moving.

Hexxus talked to them through the windshield and they got out of the Leveler and vines formed and got them down to the ground safely.

Laney then felt a pain in her back and she saw wings made of flower petals sprout from her back.

Laney: I have wings now? H… How? I'll have to find out later.

Laney flew up to the Leveler door and opened it and went for the ignition key.

Laney: Sorry Hexxus. But your spree of destruction is over.

Laney turns off the Leveler and leaves.

Hexxus was getting weaker and weaker by the second.

Hexxus: What happened to the energy?

Hexxus disintegrated as Laney got back onto the ground.

There was an earthquake and the Leveler roof was on fire and out of the roof arose Hexxus in his true form.

He was a giant skeleton creature made of sludge and oil and burning with fire. Pollution was making him stronger.

Laney: So this is his true form. Hexxus just doesn't know how to quit.

Crysta knew what she had to do. She took a seed and went into Hexxus's mouth and plants started to grow out of him.

Laney: Now I see what Crysta's doing.

Laney flew up to Hexxus and grew plants out of him with the Magical Powers of Nature and all the fairie's joined in and Hexxus was now a tree again and he was sealed away. This time for good.

They all thought that Crysta was dead. But a flower bloomed and it turns out Crysta was okay.

Crysta and Zak hugged.

Crysta: We did it Zak. Now Hexxus can never harm FernGully again.

Zak: But humans still could. That's why I have to go back. There's a part of me that wants to stay.

Crysta: There's a part of you that will always stay.

Crysta gave Zak a seed and it glowed in his hand.

Crysta: Remember Zak. Remember everything.

Crysta flew up to Laney and Laney held out her hands.

Crysta: Laney, you were incredible.

Laney: I couldn't have done it without all of you. We all did it together.

Zak left and Crysta undid his shrinkage and he planted the seed.

Crysta: Laney, you should grow this one.

Laney: Thank you.

Laney touched the ground and her hand glowed neon blue and the seed started growing and the tree that Hexxus was sealed in started growing lots of life and the trees that were cut down all grew back and the forest was fully restored.

Zak, Tony and Ralph left the forest and Zak changed their ways.

Laney: Crysta, would it be alright if you come with me to where I live? I know this is your home and I would never take that away from you. But you are my friend and you hold a very special place in my heart.

Crysta: I've decided to go with you Laney.

All the fairies were confused.

Pips: Why Crysta?

Crysta: Laney and I are close. Very close and I want to learn more about humans and their world.

Laney: You all are like my family. I hold you all a special place in my heart. I love you all. But I belong in a place called Royal Woods, Michigan. It's my home and I have family there. I love all of you.

Pips: We love you too Laney. We will miss you both.

Crysta: I will miss you too. Bug brain.

Laney: We will miss you all.

A dimension vortex appeared and Laney and Crysta went in and the exercise ended.

Me: Laney, you were awesome.

FLASHBACK ENDS

Nico: Wow that was awesome.

Camie: Boy that was amazing.

Fluttershy: Oh Laney we had no idea that you were here in this forest.

Laney: Twice actually. It's really awesome.

Me: The first time where Laney met Crysta and the second time was when we met Greiger.

Nico: I remember that one.

Nelson Muntz: Hope we don't run into Hexxus again.

Nico: Don't worry about him. He's gone for good.

Me: Yeah. We gave him the Black Gates.

Camie: Who is Hexxus?

Me: The embodiment of destruction.

I went over his history and it was terrible.

Hexxus is the main antagonist in 20th Century Fox's 1992 animated fantasy feature film FernGully: The Last Rainforest, which is based on the book of the same name by Diana Young.

He is the spirit of destruction and pollution with the sole desire to destroy FernGully and spread absolute destruction across the world, and kill anyone and anything that gets in his way.

He was voiced by Tim Curry, who also played Frank-N-Furter in The Rocky Horror Picture Show, Lord of Darkness in Legend, Wadsworth in Clue, Pennywise in the It television miniseries, Thaddeus E. Klang in TaleSpin, Taurus Bulba in Darkwing Duck, the Evil Manta in The Little Mermaid television series, Cardinal Richeliu in The Three Musketeers, Farley Claymore in The Shadow, Kilokahn in Super Human Samurai Syber-Squad, Drake in The Pebble and the Penguin, Dr. Anton Sevarius in Gargoyles, Long John Silver in Muppets Treasure Island, Simon Doonan in the Titanic TV movie, Maestro Forte in Beauty and the Beast: The Enchanted Christmas, Slagar the Cruel in Redwall, Dr. Slicer in Recess, Ben Ravencroft in Scooby-Doo and the Witch's Ghost, Big Brother in Johnny Bravo, the Mouse King in Barbie in the Nutcracker, Professor Calamitous in The Adventures of Jimmy Neutron: Boy Genius, Scarlet Fever and Nick O' Teen in Ozzy & Drix, Dale "The Whale" Biederbeck in Monk, Belial in The Legend of Atlantis, El Maléfico in ¡Mucha Luca!: The Return of El Maléfico, Von Talon in Valiant, Anatoly Cherdenko in Command and Conquer: Red Alert 3, Philippe in Barbie and The Three Musketeers, Billy Flynn in Criminal Minds and Emperor Palpatine in Star Wars: The Clone Wars.

Hexxus is the evil spirit of destruction who embodies everything that is toxic to nature. As such, his only goal in existence is to cause destruction, decay and death in any way he can. It can be inferred that Hexxus' ultimate goal is to inevitably kill off all of the Earth's living creatures by transforming the world into an uninhabitable toxic wasteland after he has taken complete power and control over it as the primordial embodiment of destruction and pollution. He will also stop at nothing to exact his revenge on the fairies of FernGully for his imprisonment by means of manipulating humans to help him in his evil plan.

His natural default form is a mass of orange glowing energy that resembles lava, but in order to move around and influence the solid plane of existence, he generates avatars composed of petroleum oil. His first manifestation was a formless blob of crawling petrol, but when he discovers humans and their machinery, he absorbs energy, drinks more petrol, grows, and decides to make a mockery of them by assuming the form of a humanoid creature who seeps smoke everywhere and speaks and sings in a seductive voice.

Later he appears as a jet black muscular humanoid with a skull for a head, and through the ribs, eyes, and nostrils, his true lava form is exposed for all to see.

Hexxus first appeared on Earth in ancient times when the balance of nature shifted. He caused a nearby mountain known as Mt. Warning to erupt like a volcano, and from there, rose out of the Earth and rained down his poison, destroying much in his wake and killing countless living creatures everywhere in FernGully, including humans, who fled in fear, never to return. He was finally defeated by the elderly and wise fairy priestess named Magi Lune, and was sealed inside an enchanted baobab tree, which he remained trapped in for hundreds, if not thousands or possibly even millions of years.

While painting red "X" marks on trees, marking them for cutting, the movie's male protagonist named Zak comes across the tree that Hexxus was imprisoned in, he finds it creepy, much like the entity it contains. While he is looking at the tree, Zak is bugged by a fly (possibly provided by Hexxus himself somehow), and he ends up marking the tree while he was trying to hit it with his aerosol can. That evening, the mobile lumbermill known as "The Leveler", driven by Zak's two superiors named Tony and Ralph, cuts down the tree.

As the cutting begins, the Leveler shakes violently, likely due to Hexxus' supernatural presence, but the lumberjacks ignore the signs and cut it down anyway. The tree is processed and reduced to sheets of wood by the Leveler, releasing Hexxus in a slimy form.

Chuckling maliciously, he almost immediately begins absorbing energy from the Leveler. And by the next day, he has regained enough strength to quickly move around and coherently speak.

While wondering how he escaped, Hexxus quickly realizes that it is the work of humans. Determined to get revenge upon the fairies of FernGully for imprisoning him and seeing the most useful potential of the human machine, Hexxus initially decides to take control of it and use it to exact his sinister plan.

Under the outspoken and vocal guise of their boss, Hexxus occasionally manipulates the lumberjacks into tearing down the rainforest in the direction of FernGully by the next morning, thereby destroying the very fabric of their world. He then assumes his ghostly main form, singing the song "Toxic Love", before going to the Leveler's roof to oversee progress as he laughs maniacally. Sometime later, upon reaching FernGully after having successfully destroyed much of the rainforest, Hexxus reveals himself.

With Magi Lune gone (having sacrificed herself to give her power to all of the other fairies), it is up to Crysta and the other fairies to defeat him once and for all. He and the Leveler then chase the fairies and drive them into their home tree, despite Crysta's efforts to stop his advance. Zak (knowing the fairies cannot stop the Leveler) has Batty take him to the machine's cab, from which he can stop it. However, Batty gets carried away and flies right up to Hexxus, who laughs and violently swipes at them, sending debris raining down onto Batty, who drops Zak onto the windshield as a result.

As Zak frantically tries to get the lumberjacks' attention, Hexxus immediately scares them off and takes control of the machine himself. As he proceeds to the fairies' home tree, he closes off the Leveler's cab to keep out intruders, but Zak still manages to get inside with Pips' help. Just as Hexxus is about to kill off all of the fairies, Zak turns off the Leveler, causing Hexxus to lose the energy that he was gaining from it and disappear. However, he once again emerges moments later, this time in the form of a giant, demonic, fire-breathing skeletal beast made of oil.

Crysta remembers a bit of advice that Magi gave her before her death, so she takes a seed and flies up to Hexxus. Unfortunately, he devours her as he laughs evilly, to everyone's horror. However, as he prepares to destroy FernGully for good, he begins sprouting branches like a tree. Annoyed, he rips off the sprouts, but the emerging new tree continues to grow. Pips (realizing what is happening) leads the fairies into helping the new tree grow, within moments, Hexxus and the Leveler itself are overrun. Hexxus can only watch in terror as he is sealed within the closing roots, imprisoning him presumably once and for all, so that he may never harm FernGully again.

In the end after his defeat, Crysta and Batty are now revealed to be alive, while Zak (knowing human development can still threaten FernGully) returns home with Tony and Ralph.

When I was done everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: That's terrible.

Qin: Yeah it sure was.

Shendu: So, Lisa. Why exactly did some of the others think you were a robot?

Lisa: Lincoln watched a scary robot movie. And after that, when he and some of the others suspected me of being a robot, they tied me up and broke most of my things in front of me!

Nico: I remember that.

Me: Lisa fear has a way of causing people to do strange things.

Lily: Yeah. And believe it or not SpongeBob and Squidward thought the same thing with Mr. Krabs was a robot.

SpongeBob: Yeah and all because I watched a robot movie too.

Lola: Wow very coincidental.

Lisa Loud: That is amazing.

Mr. Krabs: I accidentally got salt in my eyes and I was screaming in pain from it.

Me: Ooh ouch! That must've hurt.

Lisa Loud: I got ketchup on my glasses.

Nico: I remember that.

Kraven the Hunter: (Russian Accent) I DID suggest that you watch the movie about hunting instead.

Lincoln: Yes you did.

Me: That was a crazy adventure though.

Lola: Yeah it sure was.

Luna: Funny too though dudes.

Lily: And very coincidental that we did it on Land too.

Squidward: Yeah that was crazy too.

Mummy: Are we getting close?

Nicole: We should be just about there.

We saw that we were in front of a jungle temple.

Crysta: Wow!

Nicole: There it is! The Temple of Eingana.

Qin: Wow!

Bella Huffington: This is gonna be amazing to see mates.

Ty: (Australian Accent) I'm really looking forward to this one too.

Elena Validus: Let's go in. But watch out for traps.

We nodded and went in and it was an amazing temple.

Me: Wow.

Qin: Awesome temple.

Lana: It sure is.

Laney: It's amazing that it's here.

Nicole then saw a story on the wall.

Nicole: Wow look at this. There's a story on this wall.

Nico: Wow.

Qin: This is interesting.

Bella Huffington: What does it say mate?

Nicole: It's really awesome. It says "Long ago the evil Aboriginal Warlord Shaman, Jandamarra Baymarrwangga, came and unleashed a terrible and mighty army of powerful warriors upon the land. As hordes of terrible people from another land came flooding into the lands, The forces of Jandamarra could not be stopped as they brought terror to all. The mighty Aboriginal Guru, Jiemba Ahmat, then made a pact with the mighty goddess of Mother Earth, Eingana herself and she gave him a mighty and powerful staff imbued with the very full force of her power with which he used to curse Jandamarra and his followers and imprison them in a tomb and bury them deep into Mount Warning where they will stay forever. Jiemba was hailed as a mighty hero for his deeds. But fearing that the staff's power would be used for evil he hid the staff in this temple where only one soul that's pure of heart and chosen by the mighty Eingana herself would use its power for good and peace."

Me: Wow!

Lincoln: Hey Bella Huffington here is the Rainbow Snake Eingana Gene-slammer. And she has all of her powers. So she would be perfect for it.

Bella Huffington: That's right mates.

Trap Jaw: Go for it then!

Nico: First we have to find it.

Nicole: Lets get searching.

Beast Man: Nico, before we go find the staff, we should decide on the Ridewatches this time.

Me: I agree.

Nico: Good idea.

Eli: Yeah.

Beast Man: So, Nico. Which Ridewatches do you have this time?

Nico: These ones.

Nico got out Ridewatches for Zyuoh Eagle, Ghost, Ghost Toucon Boost Damashii, Ghost Grateful Damashii, Ghost Mugen Damashii, Specter, Deep Specter, Necrom, my Ghost Form, Onua's Ghost Form, and 3 more Ridewatches for the Ghost Team, as well as their copies.

Me: The Ghost Team this time.

Crimson, Ennui, Young Gwen, Juleka, Lydia Deetz, Rachnera, Mavis, Yumi, Night Wing Sorceress, Alicia Chan, Bart, Reggie Rocket, and Halifa were given the copies.

Ingrid Third, Maggie, Gwen, Shannon Deluth Sanderson Loud, Yumi Ishiyama, Raven, Ink Rose, Raimundo, Kimiko,, Lightning Dust, Timmy Turner, Marinette, and Fiona for the originals.

Skywarp: These are perfect considering the Goths of Darkness deal with the Supernatural.

Nico: That is for sure.

Brittney: And we are truly honored.

Lucy Loud: I think it's really awesome myself.

Lola: It sure is.

Nico: Now we can get moving.

We walked around and then in a huge room surrounded by nature, butterflies and all kinds of life, we saw it. The Staff of Eingana! It was a beautiful emerald staff and it had jewels of life all in it.

Nicole: There it is! The Staff of Eingana.

Bella Huffington: Wow it's amazing. Here goes then.

She went up to the staff and then pulled it out and then it glowed and she was enveloped in a massive and powerful energy increase. She then grew angel wings made of leaves and flowers and she became a true champion of Eingana!

Nico: WHOA!

Eli: Amazing!

Lincoln: Bella how do you feel?

Bella Huffington: (Divine Echoing Cosmic Voice of Nature and Life) I feel incredible Lincoln.

Camille: Don't you guys think this is a little too easy?

Nico: Yeah.

Eli: (Senses Something) I sense something coming!

Nico: Quick hide.

We hid well and then a bunch of figures came and we saw that it was CAPTAIN DAVY JONES AND HIS UGLY FISH FACED CREW!

---

**Davy Jones** is one of the main antagonists of Disney's *Pirates of the Caribbean* film series, serving as a mentioned character in *The Curse of the Black Pearl*, the main antagonist of *Dead Man's Chest*, the secondary antagonist of *At World's End* and a cameo antagonist in *Dead Men Tell No Tales* . He is the archenemy of Jack Sparrow and Will Turner.

He is a monster and the dark lord of the Seven Seas who is loosely based on the old seaman's legend of Davy Jones' Locker. He is the cursed captain of the Flying Dutchman and the former lover of the sea goddess Calypso, who betrayed him and led him to cut out his heart in the first place, assigning him the role to ferry the souls of those who died at the sea into the afterlife, though Jones opted to recruit them into his immortal crew.

He was portrayed by Bill Nighy, who also played Viktor in the *Underworld* film series, Whitey in *Flushed Away*, Rattlesnake Jake in *Rango* (which also starred Johnny Depp), General Fallon in *Jack the Giant Slayer*, The Network from *The World's End*, Prince Naberius in *I, Frankenstein*, Leo Argyll in *Ordeal of Innocence* and Howard Clifford in *Pokémon: Detective Pikachu* .

Davy Jones is the captain of the Flying Dutchman (based on the feared ghost ship of the same name featured in nautical lore), and roams the seas in search of souls to serve upon his vessel for a century. He was previously the lover of Calypso, a "heathen goddess" from which a bad relationship turned him antagonistic. Jones is the legend behind the fictitious Dead Man's Chest, a major aspect of the second film. Davy Jones was once an great and ordinary human sailor who fell in love with the sea goddess Calypso. She entrusted him with the task of ferrying the souls of those who died at sea to the next world. Calypso gave him the *Flying Dutchman* to accomplish this task. She swore that after ten years, she would meet him and they would spend one day together before he returned to his duties. However, when Jones returned to shore after ten years, Calypso failed to appear. Believing Calypso had betrayed him, a heartbroken and enraged Davy Jones turned the Pirate Brethren against her, saying that if she were removed from the world, they would be able to claim the seas for themselves. They assembled in the First Brethren Court and Jones successfully taught them how to imprison her into her human form.

Despite betraying her, Jones still loved Calypso, and in despair and guilt for what he had done, he carved out his own heart from his body and placed it in the "Dead Man's Chest". The Chest was sealed and placed within a larger wooden chest, along with all other items having to do with her, except his matching musical locket. The chest was then buried on Isla Cruces. Jones kept the chest's key with him at all times, leaving the locket beside the massive pipe organ aboard the *Dutchman* . With Calypso gone, Jones abandoned his duties and returned to the Seven Seas. As a result of this, Jones gradually became monstrous, his physical appearance merging with various aquatic fauna. Sailors everywhere would fear him to the death, for Davy Jones had turned fierce and cruel, with an insatiable taste for all things brutal. Jones recruits dying sailors by promising them a reprieve from death in exchange for 100 years of service aboard the *Dutchman* . During this time, he comes to command the Kraken, a feared mythological sea monster.

Davy Jones doesn't appear in the first film *The Curse of The Black Pearl*, but he is mentioned by Will Turner when he says "Or I will pull this trigger and go down to Davy Jones' Locker!" and we can assume from this line that the feared pirate was currently killing and enslaving numerous pirates even at this time. Knowing that Captain Jack Sparrow knew of Davy Jones from his childhood, this is most probable.

Davy Jones first appears in the second film *Dead Man's Chest*, where he attempts to collect on his bargain with Jack Sparrow. Sparrow argues that he was only captain for two years before one of his crew members Hector Barbossa committed mutiny, but Jones rejects this explanation. Sparrow then attempts to escape the deal by providing Will Turner as a substitute for himself (the true plan of Sparrow was tricking Davy Jones for killing him and later free Will). Jack strikes a new "deal" with Jones; Jack will be spared enslavement on the Dutchman if he brings Jones one hundred souls to replace his own within the next three days. Jones accepts, removes the black spot from Jack's hand, and retains Will, keeping him as a "good faith payment" but will free him if Sparrow gives to him one hundred souls.

While on the Dutchman, Will challenges Jones at a game of Liar's Dice. They wager Will's soul for an eternity of service against the key to the Dead Man's Chest. Bootstrap Bill joins the game and purposefully loses to save Will. During the game, Will learns where Jones keeps the key. The next morning, Jones realizes the key is gone and summons the Kraken to destroy the ship carrying Turner, who actually survives. The Dutchman then sails to Isla Cruces to stop Sparrow from getting the Chest.

Arriving, Jones sends his crew to retrieve the Chest; they return to him with it. The Dutchman then chases after the Black Pearl, but is outrun. Jones summons the Kraken, which drags Jack Sparrow and the Pearl to Davy Jones's Locker. He afterwards opens the Chest only to find his heart missing; Despite the fact that Sparrow was supposedly dead, Jones felt a summons from his heart and set sail for the source of the summons, Port Royal. Upon arriving, he found the very man who had inadvertently spawned Sparrow's debt with Jones, Lord Cutler Beckett of the East India Trading Company. Beckett had Jones' heart, presented to him by a former member of Jack Sparrow's crew, James Norrington. Jones took off his hat in respect for his new master.

In the third film, *At World's End*, Jones became Beckett's servant, since he possessed the heart and could destroy it and kill Jones if he didn't obey his orders. Eventually, he and his crew fought alongside the East India Trading Company against Will, Elizabeth, Barbossa, Gibbs, and other pirates in Jack's crew as the Black Pearl and Flying Dutchman faced off at a maelstrom created by Calypso, during which Jones dueled Jack, who eventually unlocked the Dead Man's Chest and threatened to stab Jones's heart with his broken sword (earlier snapped in two by Jones with his claw). He stabbed Will in the heart with his sword, twisting the blade. After seeing this, Bootstrap, previously driven insane from his imprisonment in the wall of the ship, returned to his senses and tackled Jones for what he had done to his son. However, Davy quickly overpowered Bootstrap. Before Jones could stab Bootstrap, Jack helped a dying Will stab the heart and Jones fell to his death into the maelstrom. As he fell, he whispered his final word: "Calypso". After years of sailing the sea spreading terror, Davy Jones was finally defeated and rejoined with Calypso. Bootstrap was able to bring Will back to life so Cutler would later be destroyed along with Jones.

In the post-credits scene of the fifth film *Dead Man Tell No Tales*, Will and Elizabeth are sleeping in their bed together when suddenly there are footsteps outside their bedroom door. The person making the footsteps slowly creaks the door open and walks into the room. His silhouette reveals that it is Jones, still in his cursed form, back from the dead. Will awakens to see Jones raise his claw, ready for an attack. Suddenly, Will wakes up, then assumes that he was simply dreaming and goes back to sleep. However, the camera then pans to the floor, revealing a puddle of water and barnacles, revealing that Jones has somehow returned from the grave.

---

Me: (Whispers) It can't be.

Nico: (Whispers) Davy Jones? Oh man. This monster doesn't know when to quit.

But then he saw that the staff was gone!

Davy Jones: It's Gone! FIND IT!

Nico: Entrance time.

We went at them.

Davy Jones: Find that staff!

But then the spirits of the Underground Girls all appeared and swirled around them and then converged and then…

Pterodactyl Ghost was next.

Pterodactyl Ghost: (to Maximum Ride) I heard you guys met a Ally of Justice Decisive Armor Gene Slammer. What's her name?

Maximum Ride: She's from China and her name is Sonnya Zhèngyìkuījiǎ.

Rainbow Dash: She is awesome as an Ally of Justice Decisive Armor.

Scootaloo: She sure is. But we found out that she absolutely HATES LOLA with a vengeance because of something she did before her birthday.

---

Sonnya Zhèngyìkuījiǎ: (Chinese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sonnya Zhèngyìkuījiǎ: (Chinese Accent) That's incredible.

Nico: It sure is. So, Sonnya, what's the story of the hatred you have for Lola?

Sonnya Zhèngyìkuījiǎ: (Chinese Accent) That's something I haven't forgotten. One day, Lincoln was making the beautiful rose pink dress and rose pink shoes for me as a gift, and he had the help of his sister, Leni, to get my measurements. But, then, we heard the front door slam open and I thought it was Lynn or Lori who was in a bad mood again and I was ready to beat them down if they so much as try to hurt Lincoln, but when Leni's door got kicked open, we saw who it was that did this: it was Lola Loud, the bad tempered pink-wearing pageant demon, and her eyes were completely red and she had a psychotic grin on her face, and then, she did something that earned her my hatred: she slashed the dress and shoes that Lincoln made for me with a pair of scissors she had in her hand, and she was laughing like an extremely cruel demon, and Leni was busy comforting Lincoln. But, what Lola did just now, I became so extremely furious, I then pounced on Lola and started beating her up badly, and I even broke her tiara and it really set her off. She tried to stab me with the scissors, but Lincoln fired a blast of dark energy and trapped her inside the sphere of darkness, and we told Mr. and Mrs. Loud of what Lola did, and they were furious. Lola got grounded for ten months, and she was kept in the sphere of darkness Lincoln made and in an isolation cube in her room. Lincoln and Leni remade the dress and shoes, and they were perfect, but because of what Lola did, she earned nothing more than my burning passionate hatred for her.

We gasped in shock.

Me: Whoa, so because Lola ruined the dress and shoes Lincoln worked hard to make for you, that's what caused your burning hatred for her.

Lori: That's right, she literally ruined something Lincoln worked really hard on, and all to satiate her delight for causing misery and suffering, which is why I'm glad Lincoln trapped her in that sphere of darkness, and she forgot that he has powers thanks to the blood of Aurora Nightingale, Varya Pohzar, Adriana Ardelean Dracula, and Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra, the thirteen half-elemental angels.

Nico: Yep, and she made a big mistake in trying to kill one of Lincoln's Guardian Angels.

Eileen Gemini the Silent Sea Nettle Gene-Slammer VS Evil Mighty Morphin Rangers

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She saw THE EVIL MIGHTY MORPHIN RANGERS from Episode 38 of Mighty Morphin Season 1!

---

The Twin Man was created by Finster and sent by Rita to Earth. The plan was to frame the Rangers as evil and turn the public against the Rangers. To do this, they would attack the city whilst the Rangers were indisposed. Twin Man came to Angel Grove with a devious plan. He turned four Putties into four of the Power Rangers, while he transformed into Jason. The Putties then turned into the other four Rangers and acted in the city like gangster bullies. Twin Man and his henchmen arrived at Angel Grove High School and sabotaged the fountain with shampoo before bullying Mr. Caplan. The Principal gave the real Rangers detention so Twin Man turned into the Red Rangerand led the other evil Rangers in an attack on the city itself. Eventually though, Zordon, Alpha and the heroes realized that it was part of their plan and the five escaped detention to stop the villains.

The Rangers came to stop them and fought the villains and the five "Rangers" attacked the real five. Twin Man fought Jason to a near stalemate whilst the other Rangers fought their personal doppelgangers. The girls, Billy and Zack used their respective Power Weapons and defeated their evil twins, reverting them back into Putties. Twin Man was then the last Evil Ranger standing.

Meanwhile, Jason turned the tables on the Twin Man and struck him down with a kick to the chest and the monster returned to his real Form. Twin Man used a baton in battle, which he used like a whip to hit the Rangers and knock them down. They recover but he creates a dimension similar to a kaleidoscope around himself and the Rangers before shaking the ground under them and blasting them down. He then charged at the downed Rangers but took a nasty hit from the Blade Blaster Tower Formation, disarming him and causing an apparent critical wound. With the monster unarmed and badly injured, the Rangers eventually took down Twin Man and he was destroyed by the Power Blaster which marked the end of this evil Ranger team.

Crag: Come on guys!

Ripping Friends, Lincoln, May, Lynn and Luna: IT'S RIPPING TIME!

Eli: You miserable, good-for-nothing bastard, I will make you pay for what you did in killing Queen Athena!

Suddenly, something within Eli's mind snapped as the memories of Davy Jones' confession to killing Ariel's mother, Queen Athena, last year surged through his head, and rage, hatred, and anger flooded through him, as his blue eyes turned neon blue, and he was surrounded by a rainbow energy aura with elemental forces, Chakra, seraphim angels, and mythological animals, he unholstered his massive Hero's Valor sword from his back, and as he approached Davy Jones, he left rainbow energy, elemental forces, Chakra, seraphim angels, and mythological animals with every step.

Eli: You make me absolutely sick, you heartless pirate, you've terrorized all of the Seven Seas without a single shred of remorse for your actions and so many innocent people have lost their lives because of you. (SUDDENLY GETTING EXTREMELY MONDO PISSED OFF) But, what you did long ago in killing Queen Athena of Atlantica and ruining the happy lives of Ariel and King Triton, and causing King Triton to never ever trust humans,… , (Fangs Sharpened) YOU'VE CROSSED ONE FUCKING LINE TOO MANY TIMES AND YOU HAVE LIVED FOR FAR TOO LONG, DAVY JONES, AND NOW, I WILL MAKE YOU PAY FOR EVERYTHING THAT YOU HAVE DONE, YOU WORTHLESS, HEARTLESS BASTARD!

We gasped, Eli was now mondo pissed off at Davy Jones.

Me: Oh man!

Nico: Eli's now mondo pissed off at Davy Jones.

Lincoln: That pirate's had this coming for a very long time, guys, and now, the time of judgement is now at hand.

Carol: HIT THE DECK, HE'S GOING TO EXPLODE!

We screamed and ran for cover, and then, Eli screamed like a madman times infinite fold and then…

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

There was a massive explosion and he was surrounded by a massive vortex of rainbow energy with elemental forces, mythological animals, and rainbow fire surrounding the vortex, there's a seraphim flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Eli emerged, but he was really changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Eli grew from 6'4" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has rainbow highlights in the bangs of his now long brown hair, he has neon blue eyes and a rainbow energy aura with elemental forces, Chakra, seraphim angels, and mythological animals surrounding him, he has a wolf with the Ten-Sided Star with the symbols of the elemental forces in its claws emblazoned on his forehead, then we saw he now has a Third Eye on his forehead now, he has on wolf earrings with rainbow gems for eyes and the Element and Eternity Kanjis in its paws, he has on his Crystal

Necklace of The Buddha with rainbow gems on the gold elemental symbol links and rainbow crystal links and his angel-shaped Element of Harmony and on the bottom of the angel-shaped Element of Harmony is a wolf with rainbow gems for eyes and the Element and Eternity Kanjis in its paws for the pendant. Eli has on a pair of gold metal bands on his massive biceps, white sleeveless tank top, long blue shorts with ocean waves on them, black knee-high combat boots, long white sleeveless trenchcoat with mythical beasts and elemental forces on the coattails, and on the back is Yomi the Ten-Tailed Wolf with elemental forces surrounding the beast, along with a seraphim angel. Suddenly, Eli felt a sharp pain on his wider and more muscular back, and then, his six white angel wings grew much bigger for his new body, and the white feathers have rainbow tips on them, and ten massive and long powerful white wolf tails sprouted out too. Eli has on a Ring of The Phoenix with white gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern corps ring on his left ring finger.

Suddenly, Eli's massive Hero's Valor sword and all of the swords he'd gotten in the treasure battles began merging together and they were surrounded by a kaleidoscope of rainbow energy, elemental forces, and mythical beasts, and when it emerged, it was then transformed into Yomi's Heroic Valor Broadsword of Holy Seraphim Justice, it's a brand-new large broadsword with Yomi the Eleven-Tailed Wolf and elemental forces surrounding the beast etched on the 7'0" massive, wide, double-edged silver-colored blade, large white wolf heads for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, four large white wolf heads with rainbow gems for the eyes and in their open mouths and on the bottom of the white wolf heads is a large rainbow gem for the pommel, he has on his new large gold cuff Bracelets of The Champions of The Universe with large rainbow gems on his wrists, new gold Belt of Elemental Bravery with a gold wolf head with rainbow gems for eyes and a large rainbow gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a rainbow kanji below Yomi the Ten-Tailed Wolf that said, "Eli

Eli Winston-Bullock has transformed into SUPER ANGEL ETERNITY INFINITY XELNAGA ELEMENTAL RAINBOW WOLF FANG SERAPHIM ANGEL OF COSMIC UNIVERSAL JUSTICE AND DIVINE ELEMENTAL SERAPHIM LOVE!

We were amazed by Eli's Super Angel Eternity Infinity Xelnaga transformation, and when Nunnally saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding. But, when Davy Jones saw it, the evil pirate moved in to kill Eli, but Eli grabbed Davy Jones' left arm and with one move, he broke it in two and Davy Jones screamed in pain and agony, and he fired a powerful rainbow energy blast with elemental forces, mythical beasts, and seraphim angels at him, and it sent him flying into a wall.

Eli: (Divine Echoing Cosmic Voice of The Elemental Seraphim Angel and Divine Cosmic Universal Hope) **And now, you will die a horrible gruesome death for everything that you've done, Davy**

**Jones!**

Davy Jones: We'll see about that!

Lincoln and his harem: BRONZE AGE TREASURE TROVE FINAL SMASH: BRONZE AGE BLADE SLASH!

They slashed Davy Jones with bronze age swords!

Eli was still thrashing Davy Jones and he even slashed off the tentacles off Davy Jones' face with his new large broadsword. Then, Eli sent him flying into the air with his immense brute superhuman strength.

Eli: (Divine Echoing Cosmic Voice of The Elemental Seraphim Angel and Divine Cosmic Universal Hope) **And now, this is the end for you, Davy Jones.**

Eli charged up energy in his large left hand, and he also infused it with the energy of The Black Gates to send Davy Jones on his way, and this horrified Davy Jones: at long last, after so many centuries of causing pain and suffering, the feared pirate was about to face judgement for his crimes.

Eli: (Divine Echoing Cosmic Voice of The Elemental Seraphim Angel and Divine Cosmic Universal Hope) **This is for Queen Athena! TEN ELEMENTAL BLACK GATES KAMEHAMEHA!**

Eli fired a massive black Kamehameha energy wave infused with the energy of The Black Gates and the elemental forces, and as it hits Davy Jones, it exploded with incredible power killing him for good. Then, as his spirit appeared, Eli marked his forehead with a kanji, and the spirits of all those he killed found him guilty, and he was fading away.

Davy Jones: DAMN YOU TO HELL, ELI WINSTON-BULLOCK! (Fades Away)

Davy Jones was forever erased, and we all cheered wildly for what Eli did as he holstered his new massive broadsword on his now wider and more muscular back and powered down, and Eli's new body, clothes, weapons, jewelry, and massive six white angel wings are permanent.

Just then, Eli rushed on over, and he hugged Nunnally and Ariel, who was also coming their way, and they soon felt tears on their chests, and they knew Eli was crying. We also saw it, and we went over to Eli and we also hugged him.

Nunnally: (Soothing Voice) Shh, it's okay, Eli. It's finally over.

Eli: Yes, it is. But, it still hurts me of what that monster did to Queen Athena.

Lincoln: What he did to Ariel's mother and King Triton's wife can never be forgiven. (Places his large right hand on Eli's right shoulder) But the day when you found out about it, you had every right to be mondo pissed at him, Eli, because Queen Athena of Atlantica was like a sister to you, same with Ariel.

Me: Yeah, if someone did that to someone we consider a sibling, we'd be in the same position as you.

Nico: Yeah, but you finally did it, Eli. You got justice for Ariel, Athena, and King Triton, and you made that monster pay with his life.

Nunnally: He's right, and you made sure he'd never come back, Eli.

Eli: Yes, you're right, I did.

Ariel: And we're so proud of you for what you did to avenge my mother, Eli.

This caused Eli to smile, and we continued to hug him. Just then, Nunnally gave Eli a kiss on the lips, and it caused his eyes to widen, his face turned atomic red, and steam came whistling out of his ears. Just then, Eli wrapped his abnormally massive and powerful muscular arms around Nunnally, and he'd returned the kiss.

Lincoln: That was an awesome treasure hunt, Bella Huffington got a new weapon and Eli got rid of Davy Jones for good.

Nico: You said it, but we're not through yet, we've got an evil knight from Sonic's past to deal with, and he should be coming right… now!

?: I will have my revenge on you for what you did to me, Sonic the Hedgehog!

Sonic: I knew there's no mistaking that voice from anywhere. You can come out now, Black Knight.

A figure dressed in menacing black armor and wielding the Deathcalibur sword came out, and it was none other than Sonic's old enemy, The Black Knight, the fallen form of King Arthur.

Sonic: I should've known you'd one day come back from the dead, Black Knight.

Merlina the Wizard: Yes, but this'll be the last time.

Black Knight (Sonic and The Black Knight): I will destroy every last one of you and rule this entire world!

Kuēsā Sutādoragon: (Japanese Accent) That's never going to happen, fallen knight of Camelot. Your reign ends here and now.

Suddenly, Kuēsā Sutādoragon's blue-green eyes turned neon blue green, and she was surrounded by a blue green energy aura with stars, constellations, and dragons, she unholstered her massive Shooting Quasar Dragon-themed greatsword from her back, and as she approached The Black Knight, she left blue green energy, stars, constellations, and dragons with every step.

Kuēsā Sutādoragon: (Japanese Accent) King Arthur of Camelot, the crimes that you've committed against your world can never be forgiven, you became corrupted by your own power when you found the Scabbard of Excalibur and you became an evil tyrant who ruled through fear. But, now I will see to it that your ruthless ambitions are brought to an end, along with your miserable life.

Suddenly, Kuēsā Sutādoragon was surrounded by a massive vortex of blue green energy with stars, nebulae, and constellations surrounding it, there's Shooting Quasar Dragon flying around the vortex, and in the vortex is a blue green phoenix. Then, as the vortex faded, Kuēsā Sutādoragon emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kuēsā Sutādoragon grew from 6'5" to 6'11" in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing blue green hair with flower in her hair, she has neon blue green eyes and a blue green energy aura with stars, constellations, and dragons surrounding her, she has Shooting Quasar Dragon with the Star Kanji in its claws emblazoned on her forehead, she has on dragon earrings with blue green gems for eyes and holding the Star and Eternity Kanjis in its claws, she also has Shooting Quasar Dragon with purple gems for eyes and the Star and Eternity Kanjis in its hands for the second pendant on the bottom of her blue green dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blue green crystal links from her merged Crystal Necklace of the Buddha and blue green gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Kuēsā Sutādoragon has on a blue green sleeveless open blouse, blue green sleeveless midriff top, blue green bellbottom pants with chain of sakura blossoms on her right side, blue green high-heeled sneakers, and long sleeveless blue green trenchcoat with stars, constellations, and dragons on the coattails, and on the back of the trenchcoat is Shooting Quasar Dragon with stars and constellations surrounding it. Suddenly, Kuēsā Sutādoragon felt a sharp pain on her back, and then, her massive blue green angel wings grew much bigger for her new body, and the large blue green feathers have blue tips on the feathers and stars on the feathers. Kuēsā Sutādoragon has on a Ring of The Phoenix with blue green gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Kuēsā Sutādoragon's massive Shooting Quasar Dragon-themed greatsword, and all of the swords she'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of blue green energy, stars, constellations, and dragons, and when it emerged, it was transformed into Shooting Quasar Dragon's Quasar Constellation Star Broadsword of Constellation Star Justice, it's a brand-new large broadsword with Shooting Quasar Dragon etched on the 7'0" massive, wide, double-edged blue green blade with stars on the blade, large blue dragon heads for the crossguard, large blue-green gem embedded in the rainguard, longer black handle, four large blue dragons with blue green gems for eyes and in their open mouths and on the bottom of the dragon heads is a large blue green gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with blue green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Shooting Quasar Dragon's head with blue green gems for eyes and a large blue green gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Shooting Quasar Dragon that said, "Kuēsā Sutādoragon, Amazing Fashionista of Japan, Lover of Astronomy and Art, Gene-Slammer of Shooting Quasar Dragon, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stars and Dragons"

KuēsāSutādoragon、日本の素晴らしいファッショニスタ、天文学と芸術の恋人、射撃クエーサードラゴンのジーンスラマー、愛する守護天使とリンカーンラウドの未来の妻、いじめっ子の駆逐艦、悪の駆逐艦、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして星とドラゴンのマスター

Kuēsā Sutādoragon has transformed into SUPER ANGEL ETERNITY INFINITY SHOOTING QUASAR STAR DRAGON ANGEL OF CONSTELLATION FASHIONISTA JUSTICE AND DIVINE STAR LOVE!

We were amazed by Kuēsā Sutādoragon's Super Angel Eternity

Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when The Black Knight saw it, the fallen knight fell into a rage and tried to attack her, but Kuēsā Sutādoragon fired a powerful blue green energy blast with stars, constellations, and dragons at him, and it sent him flying into a tree. He got out and he was pissed off big time.

Nico: Whoa, Kuēsā Sutādoragon's transformed, that's so awesome.

Suddenly, we saw that the stars and constellations were out, and it wasn't close to nighttime yet.

Me: And it's not even close to nighttime, but we already see the stars and constellations out. This is really awesome.

Lincoln: Wow, Kuēsā, you look beautiful. How do you feel?

Kuēsā Sutādoragon: (Divine Echoing Cosmic Voice of The Shooting Quasar Dragon and Divine Star Draconic Love) (Japanese Accent) **I feel incredible, Linky. Now, shall we administer this fallen knight of Camelot his rightful punishment?**

Lincoln: (Smiles) With pleasure, Kuēsā.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Kuēsā Sutādoragon.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time for you to pay for everything you've done, Black Knight.**

Kuēsā Sutādoragon and Lincoln went after The Black Knight, who tried to attack them with his sword, but they dodged his sword, and they fired powerful blasts of rainbow energy, blue green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, and Angels at The Black Knight, and they exploded with incredible power as they hit him. Then, they attacked him with their massive broadswords and left painful scars and tears in his armor, and Lincoln fired seven blasts of colored light from his massive broadsword, since his Magiwand is none other than the mighty sword, Excalibur, and they hurt him badly. Then, Kuēsā Sutādoragon and Lincoln fired powerful blasts of black energy at The Black Knight, and they explode with incredible power as they hit him, killing him and his spirit was erased by The Black Gates forever. We cheered wildly for what Kuēsā Sutādoragon and Lincoln did to The Black Knight as they holster their massive broadswords on their backs and power down, and Kuēsā Sutādoragon's new body, clothes, weapons, jewelry, and massive blue green angel wings are permanent.

Kuēsā Sutādoragon: (Japanese Accent) That's the end of this evil knight. Thank you for helping me destroy The Black Knight, Linky.

Lincoln: (Smiles Warmly) You're welcome, Kuēsā.

Suddenly, Kuēsā Sutādoragon wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Kuēsā Sutādoragon's face, they kissed passionately as Kuēsā Sutādoragon's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Shooting Quasar Dragon flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and stars and constellations shining in the skies behind them and we all cheered wildly.

Nico: Now, that was one awesome battle you guys fought against that evil knight, guys.

Lincoln: Thanks, Nico.

Kimberly Hīrōsentai: (Japanese Accent) And from what I saw, that attack you fired at The Black Knight before you both destroyed him, that attack could only come from a Magiwand you have in your possession.

Lincoln: That's right, Kimberly, and the Magiwand that I have in my possession is the mighty sword, Excalibur, and it's perfect for me since I'm an Orange Mystic Ranger, and I also use the seven rainbow colors of light.

Nico: Yep.

Kimberly Hīrōsentai: (Japanese Accent) That's really amazing.

Common Cold: Looks like Davy Jones is sent to his locker for good. (SNEEZES)

Me: Bless you. But yeah he sure is gone.

Technus: And we got a new weapon.

Me: 3 new weapons actually. Weapons for Water, Fire and Life.

Laney: That's right.

Xaldin: The Rouse Cards Nico and the others got really came in handy.

Nico: They sure did.

Emma Guntherson: Me and my sisters are gonna love it here with you guys.

Sonnya Zhèngyìkuījiǎ: Same with me.

Katnappe: You girls won't regret it.

Me: It's gonna be awesome having you all with us.

Roquefort: You guys think we'll ever see the 4 Horsemen again?

Me: Well only time will tell.

Nico: But I remember seeing the movie they were in but I don't know the full extent of their history. Lets head back to the estate and find out.

We nodded.

Nico: Boy great job today everyone.

Nicole: 3 Treasure Maps down and 15 more to go. This is an awesome and perfect way for us to have an awesome bout of adventure before we go meet the Kiva Kamen Riders.

Eli: You got that right.

Lincoln: Yeah.

Captain Cold: Oh did you guys here that Kalin and Tigerlily are dating?

Me: We sure did and we're really happy for them.

Nico: Yep. He'll be perfect for the Redemption Squad later in the future.

Lana: He sure will.

Nico: Yep.

Eli: (to the viewers) This was an awesome adventure for you all. Now I have officially avenged Athena.

Ariel: You sure did bro.

Me: Yep.

Nico: Lets go home.

We went back home to the estate and we had a good rest of the day before going to sleep.

# TREASURE IN THE DISTANT FUTURE

GREAT PLATEAU - 100,000,000 A.D.

---

In the Very Distant Future of the year 100,000,000 A.D., Nico, The Ripping Friends, Lightning (Total Drama), The 1983 D&D Gang, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily were walking through the extremely brutal and cold mountainous landscape of the Great Plateau. We were walking through the beautiful and magnificent mountain landscape with our fur parkas on and it was blistering cold. It was as cold as the Himalayas. The temperature was -30˚Fahrenheit and it was cold.

Nico: Wow! Its been a long time since we were here in this world.

Me: So the next treasure hunt is in the world of The Future is Wild. Its been a long time since we were here.

Camie: Wow this is amazing. I didn't know you guys were all here before.

Lola: It was a really educational and awesome adventure for all of us.

Me: I took Nico and some of the team on an educational journey through the time periods of 5 million, 100 million and 200 million years into the future.

Nico: That was so awesome and unforgettable.

Lucy Loud: It was really fun to see.

Qin: Wow! I remember watching the documentary The Future is Wild AGES ago. That was so awesome.

Laney: It sure was.

Kaoruko: What was that adventure like?

Me: It was really awesome and fun.

I went over what happened during the adventures of chapters 456 thru 469.

---

It starts with us heading into the Simulator.

Lincoln: What are we gonna do in the Simulator, J.D.?

Me: We're gonna do something really interesting. We're going millions of years into the Future. You guys ever heard of a documentary called The Future is Wild?

Lana: I saw that show. It was amazing.

Laney: Never heard of it but I have read the book for it. It's interesting.

Nico: This is gonna be awesome!

Ed: It sure is.

May: I can't wait to see what's in store for us.

Varie: Me too.

Luan: How Futuristic! (Laughs to Rimshot) Get it?

We laugh.

Me: (Laughs) That was a good one!

Eddy: (Laughs) That was funny!

Lori: So where are we going to first?

Me: We're gonna journey 100,000,000 years into the future and see what Antarctica looks like.

Lana: Cool!

Lisa: This is gonna be a scientific expedition of amazing caliber.

Me: It sure is. Ready guys?

Everyone: YEAH!

Me: Lets go.

The simulator activated and the Adventure Into The Future began.

## 100,000,000 Years Hence - The Antarctica Rainforest.

We were walking through a dense rainforest.

Lori: What kind of rainforest is this?

Me: Believe it or not guys. This was once the frozen continent of Antarctica.

Everyone gasped.

Lola: This whole rainforest is Antarctica!?

Laney: But how did it become a massive rainforest?

Me: Continental Drift carried it all the way to the Tropic of Capricorn and it's now in the tropics. It resulted in it becoming a dense rainforest in 100 Million Years. This is the year 100,000,000 A.D.

Lincoln: Oh wow! This is so cool!

Aylene: This is incredible. It's hard to imagine that this is gonna happen in the future.

Me: Well nobody know's what's gonna happen in the future. It's completely unpredictable. We can't even predict the weather.

Lisa: That's correct 2nd elder brother. But these plants and trees are all magnificent specimens.

Lana: They sure are. But they look like the trees and plants in the Amazon Rainforests in South America.

Me: They do don't they.

Lori: (Sniffs the air) And the Humidity is very high.

Lisa: (Sniffs the air) The Oxygen levels are stronger than what we know in 2018.

Me: That's because we believe that in 100,000,000 years, the oxygen levels will rise to 35% and the Earth will be like what it was back in the Carboniferous Period back 350,000,000 years ago in our time.

Laney: This is amazing.

Something flew by us. It was a small sparrow size bird with purple feathers and a petrol beak.

Lana: What a pretty bird.

Me: That is a hypothetical bird called the Roachcutter. It's descended from Albatross birds.

Lori: What!? That little bird is literally descended from an Albatross!?

Me: It's strange yes. But that's right. Here's a map of the world in

100,000,000 years.

I use my powers and formed a holographic map of the world and it was much different than anything we know. North and South America were further west and South America is starting to drift west and a portion of southeastern Africa was broken away from the mainland of Africa and merged with central Asia. Antarctica was further northward in the Tropics and Australia was now bridging North America and Asia.

Lori: Wow! The world is literally different from what we know in 2018!

Laney: It sure is. And most of the world is now underwater because of the sea levels.

Me: That's right. Carbon Dioxide from volcanoes erupting all over the world melted the polar ice caps because of a massive greenhouse effect. Which resulted in the ocean levels rising.

Nico: That is incredible.

May: This is amazing.

Me: Yeah. Lets take a walk around.

We walk around the Antarctica Rainforest and saw that it was much denser than the entirety of the rainforests in Borneo and the Amazon Rainforest put together. The temperatures were at 75 Degrees Fahrenheit and the humidity levels were at 100% all the time.

Lana saw an orange bird drinking nectar from a fiery color flower.

Lana: Hey look at that bird.

We saw a bird with orange, yellow and red feathers sipping nectar from a red, orange and yellow flower on a tree.

Me: That's my favorite bird here. The Spitfire Bird.

Laney: It's a beautiful bird.

Me: Yeah but it has a deadly weapon. (I hear something buzzing)

Watch.

The bird dodged to the side and it squirted a deadly chemical mixture from its nose at a huge insect and it burned it.

Lola: Whoa!

Lisa: Fascinating. It released a deadly chemical concoction at a huge insect from its nostrils.

Me: That's right Lisa. That's not the sweet honey nectar that comes from the flower it drinks from. It's the chemicals it needs to defend itself.

Lana smelled the flower and she gagged at the stench.

Lana: That is disgusting!

Lisa: Fascinating. The chemicals in this flower are very noxious.

Lola: That's weird. Normally some flowers smell very sweet. But this one doesn't.

Lori: Is the Spitfire Bird also descended from Petrols?

Me: Yes. It is a Petrol bird. But there's a creature in our time that has a similar tactic: The Bombardier Beetle. It's a black and orange beetle that squirts a nasty foul-smelling liquid from its abdomen and it drives away its enemies.

Lori: That is disgusting but very interesting.

Lincoln: It sure is.

Lisa: But how can a flower like this one house the chemicals it needs for its defense?

Me: That's the kicker. It's chemicals it needs do come from the Spitfire Flower but the flowers can't house them in the same flower or they'll explode. So the flower is divided into Male and Female Flowers.

Lisa: Oh. That's understandable.

Nico: And these birds are very similar to insects like butterflies.

Me: That's right Nico. Like butterflies, those bright colors on it warn other creatures that they're poisonous or they will fight back.

Laney: That is a very interesting defense system.

Me: It is.

We walked on and on a tree we saw a huge insect.

Lori: Look at the size of that dragonfly!

Lana: That is a huge bug!

Me: That is a Falconfly and believe it or not guys it eats birds.

Laney: An insect that eats birds!? That's weird.

Me: It is. Leni would not like this but there are really spiders in our time that eat birds. But in 100,000,000 years the Falconfly is the supreme predator here in the Antarctica Rainforest.

Lisa: Very fascinating specimen.

Me: Yes. It's ancestor is the Sand Wasp. It's a type of wasp usually found in parts of southern South America.

Laney: That is amazing. But how did it become such a big insect?

Me: That's an easy one. The size of insects is determined by the richness of oxygen in the atmosphere. A prominent example of that was back during the Carboniferous Period 350,000,000 years ago. The Coal Swamps back then raised the oxygen levels to 30% and the insects were huge. There were millipedes as long as snakes, scorpions as big as rats and dragonflies were as big as birds of prey.

Lincoln: That is really crazy!

Lana: That's terrifying.

Laney: So in this world Insects and Birds are in a war for supremacy.

Me: That's right Laney. Insects have been on Earth much longer than birds. Insects have been on this planet for 400,000,000 years where birds have lived on this planet for 122 million years.

Lincoln: So not even half that length of time.

Me: Exactly. But let me show you something wicked.

We go around a tree and saw in a nest a huge 6-inch long Falconfly Maggot.

Lola: That is a huge bug!

Me: Yes. That's a Falconfly Larva. It's six inches long and it needs a lot of meat. That's why Falconflies kill birds. It has to feed its young.

Nico: That's incredible. But how does it kill them?

I form a hologram of the Falconfly.

Me: It has front legs that form into a harpoon that can spear birds in flight and it has powerful jaws that can butcher its prey.

It showed its features.

Lana: That is cool!

Laney: That sounds like a scary creature.

Lisa: It does but that's what makes it a very fascinating specimen.

Me: Yes. But Falconflies have many nests like this one scattered all over the forest and it has to memorize where they are.

May: How does it do that?

Me: It has to memorize where they are by finding landmarks like sticks, twigs, rocks, anything they can use to mark them.

Lori: That's a very useful skill.

Eddy: It sure is. What do you think Ed?

Ed was bashing his face on the ground repeatedly.

Ed: I'm a woodpecker. (Resumes bashing and stops after 3 times) 'Cept with dirt.

Eddy: Shut up Ed.

Me: Let me show you all something really interesting.

We go to a nearby tree and we saw four red, orange and yellow beetles come together and form into what looked like a Spitfire Flower.

Me: These little guys are Spitfire Beetles. They are descended from Blister Beetles.

Lisa: Very fascinating specimens.

Me: Yes and they use collective mimicry to form themselves into a Spitfire Flower. (Hears Flapping) Watch.

A Spitfire Bird flies toward the fake Spitfire Flower and as it was close to the beetles they jumped onto the bird and took it down. Everyone gasped.

Lori: Did you guys literally see that!?

Lana: I sure did. That was so cool!

Laney: They used teamwork to take down a Spitfire Bird.

Me: That's right. They have a similar method that the Orchid Mantis uses in our time. But instead of camouflaging themselves, they form into a flower and wait for their prey to come. And they pounce on it.

Lincoln: That is so cool!

Lisa: Indeed. It's an amazing feat that these insects of the future have.

We walked around the forest and saw its magnificent beauty. Lana beamed some Spitfire Birds, Spitfire Trees and Flowers and Roachcutters into her greenhouse. We went to our next destination in the future.

## 100,000,000 Years Hence - The Bengal Swamp

---

We were walking on the waters of a massive brackish swamp. It was blistering hot and humid. We were sweating like pigs.

Me: Whew! It's hot!

Lori: You're telling me. This is literally the most humid and hot place I've been too.

Lola: It sure is.

Aylene: But this swamp is amazing.

Lisa: Indeed. These plants and vegetation are amazing specimens.

Lana: What is this cool swamp?

I form a holographic globe in my hand and show everyone where it is.

Me: This is the Bengal Swamp. It's located where the city of Calcutta, India used to be.

Nico: Wow! This is a huge swamp.

Lori: It's amazing. What kind of creatures live here?

Me: We'll see soon. The temperature here is 102 degrees fahrenheit and the humidity is always at 99%. It's about as big as the country of The Ukraine.

Lisa: That's the equivalent of 235,700 Square Miles.

Me: Exactly.

Lana: This is an amazing swamp. I can't believe that continental drift made it.

Laney: Me neither. I would not want to live here though. It's way too hot.

Me: I know. It's hot as Phoenix, Arizona and it's as humid as Hawaii. A horrifying combination.

Lori: It's literally a hot place.

Me: I know.

We come to land and we came across a family of strange octopuses.

Laney: Are these Octopuses?

Me: They are descended from Octopuses. These are Swampus.

Lola: These creatures are octopuses? But they have 4 arms. What happened to the other four?

Me: That's the interesting part. Because of evolution their last four arms became runners. Making them amphibious.

Lincoln: But don't octopuses need to be in the water to live?

Me: That's normally the case, yes. But they have a special sack inside them that keeps them moist and helps them breathe on land for 96 hours.

Lana: That is so cool!

Me: It is.

Lori: But aren't octopuses usually salt water creatures?

Me: That's normally the case in our time yes. But in 100,000,000 years we think that the Swampus will have adapted to living in Fresh Water. This whole swamp is a fresh water swamp.

Lola: That is amazing. It now is an amphibious octopus.

Lisa: That's correct Lola.

Laney: What's that special vase plant?

Me: I'll show you.

We go up to the plant and we look inside it and in it was Baby Swampus.

Me: This plant is a nursery for their young.

Lola: They are adorable!

Lana: This is so cool!

Laney: It sure is.

Me: Yes, but it also gives the Swampus something they need.

Lori: What's that?

Me: The poison for their poisonous bite.

Lola: Octopuses are poisonous?

Me: That's right. All octopuses in our time are venomous to an extent. The most venomous octopus of them all is The Blue-Ring Octopus. It has a venom that is 10,000 times more powerful than cyanide.

Lisa: Correct 2nd elder brother. *Hapalochlaena lunulata;* street name, the Greater Blue-Ring Octopus is the most venomous of them all of the 4 species of the Blue-Ring Octopus. It's poison is powerful enough to kill 28 adult people.

Lori: That is lethal.

Me: Yes. The plant that nurtures the Swampus generates a powerful bacterium which the baby Swampus ingest and it becomes the progenitor for their poisonous bite.

Aylene: That is a potent venom.

Me: It is.

Suddenly we heard and felt a thunderous stomp.

Me: Whoa!

Lori: What was that?

Me: Something big that's for sure. Lets go check it out.

We go out onto a meadow and saw a huge heard of dinosaur-like creatures.

Aylene: Whoa! What are those creatures!? Are they dinosaurs?

Me: No they aren't dinosaurs Aylene. Those are Toratons and they are descended from Tortoises.

Lana: Those big creatures are turtles!? Awesome!

Lisa: What fascinating specimens.

Lori: Those creatures are literally the biggest animals I've ever seen here in the future!

Me: And they're also the heaviest creatures on land. In the Jurassic Period at 140,000,000 B.C. the largest and heaviest dinosaur that ever lived was Argentinosaurus, which weighed 106 tons. The heaviest animal on land in the 21st Century is the African Elephant. They can weigh up to 14,000 pounds. The heaviest animal in the ocean in our time is the Blue Whale and they can weigh up to 100 tons. But the Toraton in 100,000,000 A.D. weighs at 120 tons! That's 240,000 pounds!

Everyone: WOW!

Laney: That's amazing!

Aylene: These creatures are incredible!

Lori: They are literally amazing! I never even knew that the tortoise would become like this.

Me: Well again Lori we don't know. Nobody knows what the future has in store for us.

Lisa: Correct.

We go into the swamp waters and it was an amazing world underwater. We saw a Swampus and it was being chased by a huge fish with spines on its head and back and it had a huge mouth.

Me: See that big fish right there?

Lincoln: I sure do.

Laney: That fish is huge!

Lana: What kind of fish is that?

Me: Believe it or not, that's the descendent of the electric catfish - The Lurkfish.

Lori: That fish is the descendent of the Electric Catfish? That is amazing.

Lisa: What a magnificent specimen.

Lana: Aren't electric catfish usually small fish?

Me: Yes that's normally the case. But in 100,000,000 years it will become the ambush predator called The Lurkfish. They can grow up to 13 feet long and they have a very clever camouflage and ambush method to get its prey.

We see a Swampus swimming passed us.

Me: Watch this.

We see the Lurkfish go after it and it did something and the Swampus was stunned. Then it swam up and swallowed the Swampus in one gulp.

Lori: That is literally amazing. How did it catch the Swampus?

Me: With electricity. The Lurkfish can generate up to 1,000 volts of electricity and whenever its prey comes near it, the Lurkfish shocks it and stuns it with 1,000 volts of electricity. Giving it a chance to eat it before it gets away.

Laney: That's powerful.

Nico: That's clever too. But how does it camouflage itself?

Me: It blends in with the plants on the swamp floor. Much like the weedy Scorpionfish in the Great Barrier Reef of Australia.

Lincoln: That is so cool!

Lisa: Indeed.

Aylene: The Lurkfish looks like a creature from the prehistoric times.
